This Information Statement is being mailed on or about March , 2006 to the Company's stockholders of record as of February 23, 2006 (the Record Date ). The Company anticipates that the actions will take effect on March , 2006.

**Reason for the Written Consent**

*The Stock Plan Amendment*

On January 27, 2006, the Board of Directors of the Company approved, subject to stockholder approval, an amendment (the Stock Plan Amendment ) to the Company's Amended and Restated 2003 Stock Incentive Plan, as amended, to increase the maximum number of shares of Common Stock pursuant to which the Company may grant stock options and restricted stock awards thereunder from 6,800,000 to 11,800,000 shares.

*The Written Consent*

On February 23, 2006, Atlantic Investors, LLC, the majority stockholder of the Company ( Atlantic Investors ), delivered to the Company an executed written consent of stockholders, in the form attached as Appendix I, approving the Stock Plan Amendment (the Written Consent ).

**Voting and Vote Required**

The Company is not seeking consent, authorizations or proxies from you. Section 228 of the Delaware General Corporation Law ( Section 228 ) provides that the written consent of the holders of outstanding shares of voting capital

Approval of at least a majority of the outstanding shares of Common Stock present and voting on the matter at a meeting would be required to approve the Stock Plan Amendment.

### **Householding of Stockholder Materials**

Some banks, brokers and other nominee record holders may be participating in the practice of householding stockholder materials, such as proxy statements, information statements and annual reports. ## **APPROVAL OF THE STOCK PLAN AMENDMENT**

On January 27, 2006, the Board of Directors of the Company approved, subject to stockholder approval, an amendment to the Company's Amended and Restated 2003 Stock Incentive Plan (as amended, the "2003 Plan"), to increase the maximum number of shares of Common Stock pursuant to which the Company may grant stock options and restricted stock awards thereunder from 6,800,000 to 11,800,000 shares. The Board adopted the Stock Plan Amendment because the number of shares currently available under the 2003 Plan is insufficient to satisfy the expected foreseeable future share requirements thereunder. The Board of Directors believes that continued grants of stock options, as well as grants of restricted stock awards, will be an important element in attracting and retaining key employees who are expected to contribute to the Company's growth and success. NaviSite's management relies on stock options as essential parts of the compensation packages necessary for NaviSite to attract and retain experienced officers and employees. As of February 23, 2006 and following approval by the stockholders of the Stock Plan Amendment, 5,156,779 shares were available for issuance under the 2003 Plan. The closing price of NaviSite Common Stock on the Nasdaq Capital Market on February 23, 2006 was \$1.45.

### **Summary of the 2003 Plan**

The 2003 Plan was adopted, subject to stockholder approval, by NaviSite's Board of Directors on July 10, 2003 and amended and restated on November 11, 2003. The stockholders of the Company approved the 2003 Plan on December 9, 2003 at the Annual Meeting of Stockholders. On May 6, 2004, the Board of Directors amended the 2003 Plan to increase the number of shares of Common Stock available for issuance under such plan from 3,800,000 to 6,800,000, and such increase was approved by the stockholders of the Company on February 20, 2005. On January 27,

2006, the Board of Directors approved the Stock Plan Amendment. The Stock Plan Amendment was approved by Atlantic Investors on February 23, 2006. The 2003 Plan provides for the grant of options to employees that are intended to qualify as incentive stock options within the meaning of Section 422 of the Code, as well as options not intended to qualify as incentive stock options and restricted stock awards (each, an Award ) to employees, officers, directors, consultants and advisors of the Company

and the Company's present or future parent or subsidiary corporations. A maximum of 11,800,000 shares of Common Stock are eligible for issuance under the 2003 Plan upon the exercise of options or in connection with Awards. If any Award expires, or is terminated, surrendered or canceled without having been fully exercised or forfeited, in whole or in part (including as a result of shares of Common Stock being repurchased by NaviSite at the original issue price pursuant to a contractual repurchase right), or results in the Common Stock not being issued, the unissued Common Stock covered by such Award shall again be available for the grant of Awards under the 2003 Plan.

As of February 23, 2006, approximately 539 persons were eligible to receive Awards under the 2003 Plan, including the Company's three executive officers and five non-executive directors. The granting of Awards under the 2003 Plan is discretionary, and the Company cannot now determine the number or type of Awards to be granted in the future to any particular person or group of persons. The following table summarizes options awarded under the 2003 Plan (excluding the Stock Plan Amendment) and under the Stock Plan Amendment as of February 23, 2006 to (a) each Named Executive Officer (as defined below under the heading "Executive Compensation"), (b) the current executive officers, as a group, (c) the current non-executive officer directors, as a group and (d) the current non-executive officer employees, as a group, since the adoption of the 2003 Plan in July 2003:

The purpose of the 2003 Plan is to provide Awards to employees, officers, directors, consultants and advisors of NaviSite and its present or future parent or subsidiary corporations (each a "Participant"), all of whom are eligible to receive Awards under the 2003 Plan. A copy of the 2003 Plan is attached to this Information Statement as Appendix II. The following is a summary of the 2003 Plan and should be read together with the 2003 Plan. The summary is qualified in its entirety by reference to the 2003 Plan.

*Administration.* The 2003 Plan is administered by the Board of Directors. The Board of Directors has the power to grant Awards and to adopt, amend and repeal such administrative rules, guidelines and practices relating to the 2003 Plan as it may deem advisable. The Board of Directors may correct any defect, supply any omission or reconcile any inconsistency in the 2003 Plan or any Award in the manner and to the extent it shall deem expedient to carry the 2003 Plan into effect and it shall be the sole and final judge of such expediency. All decisions by the Board shall be made in

the Board's sole discretion and shall be final and binding on all persons having or claiming any interest in the Plan or in any Award. The Board may delegate its powers to one or more committees of the Board or to one or more executive officers of NaviSite (provided, that the Board of Directors shall fix the terms of the Awards granted by the executive officer and the maximum number of shares that the executive officer may grant and that no executive officer shall have the power to grant Awards to another executive officer (as defined in Rule 3b-7 of the Exchange Act, or to any officer (as defined in Rule 16a-1 of the Exchange Act) of NaviSite).

*Per-Participant Limit.* No Participant may be granted Awards during any one calendar year to purchase more than 650,000 shares of Common Stock.

**Table of Contents**

*Exercise Price.* The Board establishes the exercise price at the time each option is granted.

*Exercise of Options.* Each option granted under the 2003 Plan shall either be fully exercisable at the time of grant or shall become exercisable in such installments as the Board may specify. Once an installment becomes exercisable it shall remain exercisable until expiration or termination of the option, unless otherwise specified by the Board. Each option or installment may be exercised at any time or from time to time, in whole or in part, for up to the total number of shares with respect to which it is then exercisable. During the Participant's lifetime, Awards may be exercised only by the Participant.

*Payment for Exercise of Options.* Payment for the exercise of options under the 2003 Plan may be made by one or any combination of the following forms of payment (a) by cash or check payable to the order of NaviSite; (b) except as otherwise explicitly provided in the applicable option agreement, by delivery of an irrevocable and unconditional undertaking by a creditworthy broker to deliver promptly to NaviSite sufficient funds to pay the exercise price or any required tax withholding, or delivery by the Participant to NaviSite of a copy of irrevocable and unconditional instructions to a creditworthy broker to deliver promptly to NaviSite cash or a check sufficient to pay the exercise price and any required tax withholding; (c) when the Common Stock is registered under the Exchange Act, by delivery of shares of Common Stock owned by the Participant valued at fair market value (as determined by or in a manner approved by the Board) provided that such method of payment is then permitted by law and such Common Stock, if acquired directly from NaviSite, was owned by the Participant for at least six months; or (d) to the extent permitted by the Board, (x) by delivery of a promissory note of the Participant to NaviSite (on terms determined by the Board) or (y) payment of such other lawful consideration as the Board may determine.

*Transferability.* Except as otherwise provided in the applicable option agreement, options are not transferable except by will or by the laws of descent and distribution.

*Restricted Stock.* The Board may grant Awards entitling recipients to acquire shares of Common Stock, subject to the right of NaviSite to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Board for such Award.

*Acquisition of NaviSite.* Upon the occurrence of a Reorganization Event (as defined below) or the execution by NaviSite of any agreement with respect to any Reorganization event, the Board shall provide that all outstanding options outstanding under the 2003 Plan shall be assumed, or equivalent options shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof). If the acquiring or succeeding corporation (or an affiliate thereof) does not agree to assume, or substitute for, such options, then all then unexercised options will become exercisable in full as of a time specified by the Board prior to the Reorganization Event and will terminate immediately prior to the consummation of such Reorganization Event; provided, however, that in the event of a Reorganization Event under the terms of which holders of Common Stock will receive a cash payment for each share of Common Stock surrendered pursuant to such Reorganization Event (the Acquisition Price), then the Board may instead provide that all outstanding options outstanding under the 2003 Plan shall terminate upon consummation of such Reorganization Event and that each optionholder shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (A) the Acquisition Price multiplied by the number of shares of Common Stock subject to such outstanding options (whether or not then exercisable), exceeds (B) the aggregate exercise price of such options.

Upon the occurrence of a Reorganization Event, the repurchase and other rights of NaviSite under each outstanding restricted stock award shall inure to the benefit of NaviSite's successor and shall apply to the cash, securities or other property which the Common Stock was converted into or exchanged for pursuant to such Reorganization Event in the same manner and to the same extent as they applied to the Common Stock subject to such restricted stock award.

Reorganization Event is defined in the 2003 Plan as follows: (a) any merger or consolidation of NaviSite with or into

another entity as a result of which all of the Common Stock of NaviSite is converted into or exchanged for the right to receive cash, securities or other property or (b) any

exchange of all of the Common Stock of NaviSite for cash, securities or other property pursuant to a share exchange transaction.

*Effect of Termination, Disability or Death.* The Board determines the effect on an Award of the disability, death, retirement, authorized leave of absence or other change in the employment or other status of a Participant and the extent to which, and the period during which, the Participant, or the Participant's legal representative, conservator, guardian or designated beneficiary, may exercise rights under the Award.

*Amendment of Award.* The Board of Directors may amend, modify or terminate any outstanding Award, including but not limited to, by substituting therefor another Award of the same or a different type, changing the date of exercise or realization, and converting an ISO (as defined below) to a non-qualified stock option, provided that the Participant's consent to such action shall be required unless the Board of Directors determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

*Termination and Amendment of Plan.* The Board may amend, suspend or terminate the 2003 Plan or any portion thereof at any time. Unless terminated sooner, no Awards may be granted under the 2003 Plan after July 9, 2013, but Awards previously granted may extend beyond that date.

## **United States Federal Income Tax Consequences**

THE FOLLOWING DISCUSSION OF UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE ISSUANCE AND EXERCISE OF OPTIONS GRANTED UNDER THE 2003 PLAN IS BASED UPON THE PROVISIONS OF THE INTERNAL REVENUE CODE AS IN EFFECT ON THE DATE OF THIS INFORMATION STATEMENT, CURRENT REGULATIONS, AND EXISTING ADMINISTRATIVE RULINGS OF THE INTERNAL REVENUE SERVICE. IN ADDITION, THIS DISCUSSION ASSUMES THAT ALL AWARDS ARE EXEMPT FROM, OR COMPLY WITH, THE RULES SECTION 409A OF THE INTERNAL REVENUE CODE REGARDING NONQUALIFIED DEFERRED COMPENSATION. THIS DISCUSSION IS NOT INTENDED TO BE A COMPLETE DISCUSSION OF ALL OF THE UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE 2003 PLAN OR OF THE REQUIREMENTS THAT MUST BE MET IN ORDER TO QUALIFY FOR THE DESCRIBED TAX TREATMENT.

*Incentive Stock Options ( ISOs ).* The following general rules are applicable under current United States federal income tax law to ISOs granted under the 2003 Plan:

1. In general, an optionee will not recognize any taxable income upon the grant of an ISO or upon the issuance of shares to him or her upon the exercise of an ISO, and NaviSite will not be entitled to a federal income tax deduction upon either the grant or the exercise of an ISO.
2. If shares acquired upon exercise of an ISO are not disposed of within (i) two years from the date the ISO was granted or (ii) one year from the date the shares are issued to the optionee pursuant to the exercise of the ISO (the *Holding Periods* ), the difference between the amount realized on any subsequent disposition of the shares and the exercise price generally will be treated as capital gain or loss to the optionee.
3. If shares acquired upon exercise of an ISO are disposed of and the optionee does not satisfy the *Holding Periods* (a *Disqualifying Disposition* ), then in most cases the lesser of (i) any excess of the fair market value of the shares at the time of exercise of the ISO over the exercise price or (ii) the actual gain on disposition, will be treated as compensation to the optionee and will be taxed as ordinary income in the year of such disposition.

4. The difference between the amount realized by an optionee as the result of a Disqualifying Disposition and the sum of (i) the exercise price and (ii) the amount of ordinary income recognized under the above rules generally will be treated as capital gain or loss to the optionee.

5. In any year that an optionee recognizes ordinary income on a Disqualifying Disposition of shares acquired upon exercise of an ISO, NaviSite generally will be entitled to a corresponding federal income tax deduction.

**Table of Contents**

6. An optionee may be entitled to exercise an ISO by delivering shares of NaviSite Common Stock to NaviSite in payment of the exercise price, if the optionee's ISO agreement so provides. If an optionee exercises an ISO in such fashion, special rules will apply.

7. In addition to the tax consequences described above, the exercise of an ISO may result in an alternative minimum tax to the optionee. In general, the amount by which the fair market value of the shares received upon exercise of the ISO exceeds the exercise price is included in the optionee's alternative minimum taxable income. A taxpayer is required to pay the greater of his regular tax liability or the alternative minimum tax. A taxpayer who pays alternative minimum tax attributable to the exercise of an ISO may be entitled to a tax credit against his or her regular tax liability in later years.

8. Capital gain or loss recognized by an optionee on a disposition of shares will be long-term capital gain or loss if the optionee's holding period for the shares exceeds one year.

9. Special rules apply if the shares acquired upon the exercise of an ISO are subject to vesting, or are subject to certain reporting requirements and restrictions on resale under federal securities laws applicable to directors, certain officers or 10% stockholders.

*Non-Qualified Options.* The following general rules are applicable under current United States federal income tax law to Non-Qualified Options granted under the 2003 Plan:

1. In general, an optionee will not recognize any taxable income upon the grant of a Non-Qualified Option, and NaviSite will not be entitled to a federal income tax deduction upon such grant.

2. An optionee generally will recognize ordinary income at the time of exercise of the Non-Qualified Option in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price. NaviSite may be required to withhold tax on this amount.

3. When an optionee sells the shares acquired upon the exercise of a Non-Qualified Option, he or she generally will recognize capital gain or loss in an amount equal to the difference between the amount realized upon the sale of the shares and his or her basis in the shares (generally, the exercise price plus the amount taxed to the optionee as ordinary income). If the optionee's holding period for the shares exceeds one year, such gain or loss will be a long-term capital gain or loss.

4. When an optionee recognizes ordinary income attributable to a Non-Qualified Option, NaviSite generally should be entitled to a corresponding federal income tax deduction.

5. An optionee may be entitled to exercise a Non-Qualified Option by delivering shares of NaviSite Common Stock to NaviSite in payment of the exercise price, if the optionee's option agreement so provides. If an optionee exercises a Non-Qualified Option in such fashion, special rules will apply.

6. Special rules apply if the shares acquired upon the exercise of a Non-Qualified Option are subject to vesting, or are subject to certain reporting requirements and restrictions on resale under federal securities laws applicable to directors, certain officers or 10% stockholders.

*Restricted Stock Awards.* The following general rules are applicable under current United States federal income tax law to Awards comprised of restricted Common Stock under the 2003 Plan:

Persons receiving restricted Common Stock under the under the 2003 Plan pursuant to Awards generally will not recognize taxable income upon the grant of the Award, unless the Participant makes an election under Section 83(b) of the Code (an 83(b) Election ). If the Participant makes an 83(b) Election within 30 days of the date of grant, the Participant will recognize ordinary income, for the year the Award is granted, in an amount equal to the difference between the fair market value of the shares received (determined on the date of the Award) over the purchase price. If an 83(b) Election is not made, then the Participant will recognize ordinary income, at the time that the forfeiture provisions or restrictions on transfer lapse, in an amount equal to the difference between the fair market value of the Common Stock at the time of such lapse and the original purchase price paid for the Common Stock. The Participant will have a tax basis in the Common Stock acquired equal to the sum of the price paid and the amount of ordinary income recognized.

**Table of Contents**

Upon the disposition of the Common Stock acquired pursuant to a restricted stock Award, the Participant will recognize capital gain or loss equal to the difference between the sale price of the Common Stock and the Participant's basis in the Common Stock. The capital gain or loss will be a long-term capital gain or loss if the shares are held for more than one year.

*CIRCULAR 230 DISCLAIMER*

Nothing contained in this discussion of certain federal income tax considerations is intended or written to be used, and cannot be used, for the purpose of (a) avoiding tax-related penalties under the Code or (b) promoting, marketing, or recommending to another party any transactions or tax-related matters addressed herein.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information as of September 30, 2005 (unless otherwise indicated), with respect to the beneficial ownership of Common Stock by the following:

each person known by the Company to beneficially own more than 5% of the outstanding shares of Common Stock;

each of the Company's directors;

each of the Named Executive Officers (as defined below under the heading "Executive Compensation"); and

all of the current executive officers and directors as a group.

For purposes of the following table, beneficial ownership is determined in accordance with the rules promulgated by the Securities and Exchange Commission and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, the Company believes that each person or entity named in the table has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them (or shares such power with his or her spouse). Under such rules, shares of Common Stock issuable under options that are currently exercisable or exercisable within 60 days after September 30, 2005 ( "Presently Exercisable Options" ) are deemed

outstanding and are included in the number of shares beneficially owned by a person named in the table and are used to compute the percentage ownership of that person. Unless otherwise indicated, the address of each person listed in the table is c/o NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810.

The percentage ownership of Common Stock of each person or entity named in the following table is based on 28,487,260 shares of Common Stock outstanding as of September 30, 2005 plus any shares subject to Presently Exercisable Options held by such person.

**Director Compensation**

On September 27, 2005, the Board of Directors adopted a new policy with respect to the compensation of the independent directors of the Board and the Chairman of the Board. The new policy provides that each independent director and the Chairman of the Board shall be paid an annual fee of \$20,000. In addition, (i) the Chairperson of the Audit Committee and of the Compensation Committee will each receive an additional annual fee of \$5,000, (ii) each member of the Audit Committee and the Compensation Committee, other than the Chairman, will receive an additional annual fee of \$3,000, and (iii) the Chairman of the Board will receive an additional annual fee of \$7,000. Upon initial election to the Board, each independent director and the Chairman of the Board will receive an initial stock option of 50,000 shares of NaviSite common stock, which stock option will vest monthly over a period of three years. Upon re-election to the Board, each independent director and the Chairman of the Board will receive a stock option for 15,000 shares of NaviSite common stock, which stock option will vest monthly over a period of 12 months. The Chairman of the Audit Committee and the Compensation Committee will not receive any additional stock options by virtue of his position as a committee Chairman.

During the 2005 fiscal year, Messrs. A. Ruhan, G. Ruhan and Becker were not paid for service on the Board of Directors. In accordance with NaviSite's previous director compensation policy, upon re-election to the Board of Directors, each of Messrs. Evans, Dennedy and Schwartz received an option to purchase 15,000 shares of NaviSite common stock on December 9, 2004 at a purchase price per share of \$2.38. The option vests monthly over a period of 12 months. In addition, upon Mr. Dennedy's re-election as the Chairperson of the Audit Committee and upon Mr. Schwartz's re-election as the Chairperson of the Compensation Committee, each of Messrs. Dennedy and Schwartz was granted an option to purchase 10,000 shares of NaviSite common stock on December 9, 2004 at a purchase price of \$2.38. The option vests

monthly over a period of 12 months. NaviSite also paid each of Messrs. Evans, Dennedy and Schwartz an aggregate of \$11,250 during the 2005 fiscal year. Of the \$11,250 paid to the directors in the 2005 fiscal year, \$4,375 was earned in the 2004 fiscal year and \$6,875 was earned in the 2005 fiscal year.

Apart from the arrangements discussed above, NaviSite does not pay any cash compensation to members of its Board of Directors for their services as members of the Board of Directors, although directors are reimbursed for their reasonable travel expenses incurred in connection with attending Board of Directors and committee meetings. Directors who are also NaviSite officers or employees are eligible to participate in the Amended and Restated 2003 Stock Incentive Plan.

NaviSite and each member of the Board of Directors have entered into an indemnification agreement pursuant to which the directors will be indemnified by NaviSite, subject to certain limitations, for any liabilities incurred by the directors in connection with their role as directors of NaviSite.

We entered into an employment agreement with Arthur P. Becker as of February 21, 2003, pursuant to which he is employed as NaviSite's Chief Executive Officer and President. His agreement is for a continuous term, but subject to the provisions described below, may be terminated by either party at any time. Pursuant to this agreement, Mr. Becker is entitled to receive:

a base salary, currently \$275,000 per year, which is reviewed by our Board of Directors annually (but no more frequently than annually);

an annual bonus upon NaviSite's achievement of various financial and/or other goals established by the Board; and

fringe benefits, including stock options and health insurance and other benefits available to our employees.

If Mr. Becker's employment is terminated (i) by reason of death or disability, (ii) by NaviSite with cause or (iii) due to his voluntary resignation, then he will receive no additional salary or benefits other than what has accrued through the date of termination.

If Mr. Becker's employment is terminated without cause and he signs a general release of known and unknown claims in a form satisfactory to NaviSite, Mr. Becker will receive severance payments at his final base salary rate, less applicable withholding, until the earlier of (i) six months after the date of his termination without cause, or (ii) the date on which he first commences other employment.

Mr. Becker and NaviSite have also entered into an indemnification agreement pursuant to which he will be indemnified by NaviSite, subject to certain limitations, for any liabilities incurred by him in connection with his role as a director and officer of NaviSite.

*John J. Gavin, Jr.*

On May 6, 2004, Mr. Gavin and NaviSite entered into an employment agreement pursuant to which Mr. Gavin is employed as NaviSite's Chief Financial Officer. Mr. Gavin's agreement is for a continuous term, but subject to the provisions described below, may be terminated by either party at any time. Pursuant to this agreement, Mr. Gavin is entitled to receive:

a base salary, currently \$250,000 per year, which is reviewed by our Board of Directors annually (but no more frequently than annually); and

fringe benefits, including stock options and health insurance and other benefits available to our employees.

If Mr. Gavin's employment is terminated (i) by reason of death or disability, (ii) by NaviSite with Cause (as defined) or (iii) due to his voluntary resignation without Good Reason (as defined), then he will receive no additional salary or benefits other than what has accrued through the date of termination.

If Mr. Gavin's employment is terminated by NaviSite without Cause or by Mr. Gavin with Good Reason, and he signs a general release of known and unknown claims in a form satisfactory to NaviSite, Mr. Gavin will receive severance payments at his final base salary rate, less applicable withholding, and continuation of medical benefits until the earlier of (i) six or twelve months after the date of his termination (depending on the reason, date of severance and amount of time served with NaviSite) or (ii) the date on which Mr. Gavin commences other employment.

If Mr. Gavin's employment is terminated by Mr. Gavin with Good Reason after a Change in Control (as defined in the employment agreement), and he signs a general release of known and unknown claims in a form satisfactory to NaviSite, Mr. Gavin will receive severance payments at his final base salary rate, less applicable withholding, and continuation of medical benefits until the earlier of (i) twelve months after the date of his termination or (ii) the date on which Mr. Gavin commences other employment.

*Kenneth Drake*

We entered into an employment agreement with Kenneth Drake as of July 15, 2003, pursuant to which he was employed as NaviSite's General Counsel. Pursuant to this agreement, Mr. Drake was entitled to receive:

an annual base salary of \$180,000 per year; and

fringe benefits, including stock options and health insurance and other benefits available to our employees.

Mr. Drake was also eligible for an annual discretionary bonus based in part upon NaviSite's achievement of various goals set by Mr. Drake and NaviSite's President and Chief Executive Officer.

Pursuant to the agreement, if Mr. Drake's employment was terminated (i) by reason of death or disability, (ii) by NaviSite with Cause (as defined) or (iii) due to his voluntary resignation without Good Reason (as defined), then he was not entitled to receive any additional salary or benefits other than what had accrued through the date of termination.

Mr. Drake voluntarily resigned as NaviSite's General Counsel, which resignation was effective on July 4, 2005. Because Mr. Drake voluntarily resigned, he received no payments from NaviSite pursuant to his employment agreement as a result of his resignation other than payments of base salary and vacation accrued through the effective date of his resignation.

*Stephen Pace*

In connection with NaviSite's acquisition of the Surebridge business, NaviSite and Mr. Pace entered into an employment offer letter, dated as of June 9, 2004, which provided for the employment of Mr. Pace as NaviSite's Senior Vice President, Sales and Marketing. Pursuant to this agreement, Mr. Pace was entitled to receive:

an annual base salary of \$255,000;

additional compensation under NaviSite's 2005 Senior Vice President, Sales and Marketing Compensation Plan; and

**Table of Contents**

fringe benefits, including stock options, health insurance, a car allowance and other benefits available to our employees.

Mr. Pace also received a bonus of \$30,000 that NaviSite had previously agreed to pay in connection with the Surebridge acquisition.

The employment offer letter also provided that in the event NaviSite terminated Mr. Pace's employment for reasons other than cause (as defined), NaviSite would continue to pay Mr. Pace his base salary for a period of 12 months, provided that if Mr. Pace commenced any employment during the 12-month period following the termination of his employment, the remaining amount of base salary to be paid by NaviSite would be reduced by the amount of compensation received by Mr. Pace from such other employment.

Mr. Pace voluntarily resigned as NaviSite's Senior Vice President, Sales and Marketing, which resignation was effective on June 3, 2005. Because Mr. Pace voluntarily resigned, he received no payments from NaviSite pursuant to his employment offer letter as a result of his resignation other than payments of base salary, commissions, car allowance and vacation accrued through the effective date of his resignation.

(2) Consequences of a Reorganization Event on Options. Upon the occurrence of a Reorganization Event, or the execution by the Company of any agreement with respect to a Reorganization Event, the Board shall provide that all outstanding Options shall be assumed, or equivalent options shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof). For purposes hereof, an Option shall be considered to be assumed if, following consummation of the Reorganization Event, the Option confers the right to purchase, for each share of Common Stock subject to the Option immediately prior to the consummation of the Reorganization Event, the consideration (whether cash, securities or other property) received as a result of the Reorganization Event by holders of Common Stock for each share of Common Stock held immediately prior to the consummation of the Reorganization Event (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if the consideration received as a result of the Reorganization Event is not solely common stock of the acquiring or succeeding corporation (or an affiliate thereof), the Company may, with the consent of the acquiring or succeeding corporation, provide for the consideration to be received upon the exercise of Options to consist solely of common stock of the acquiring or succeeding corporation (or an affiliate thereof) equivalent in fair market value to the per share consideration received by holders of outstanding shares of Common Stock as a result of the Reorganization Event.

Notwithstanding the foregoing, if the acquiring or succeeding corporation (or an affiliate thereof) does not agree to assume, or substitute for, such Options, then the Board shall, upon written notice to the Participants, provide that all then unexercised Options will become exercisable in full as of a specified time prior to the Reorganization Event and will terminate immediately prior to the consummation of such Reorganization Event, except to the extent exercised by the Participants before the consummation of such Reorganization Event; provided, however, that in the event of a Reorganization Event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment for each share of Common Stock surrendered pursuant to such Reorganization Event (the Acquisition Price), then the Board may instead provide that all outstanding Options shall terminate upon consummation of such Reorganization Event and that each Participant shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (A) the Acquisition Price multiplied by the number of shares of Common Stock subject to such outstanding Options (whether or not then exercisable), exceeds (B) the aggregate exercise price of such Options. To the extent all or any portion of an Option becomes exercisable solely as a result of the first sentence of this paragraph, upon exercise of such Option the Participant shall receive shares subject to a right of repurchase by the Company or its successor at the Option exercise price. Such repurchase right (1) shall lapse at the same rate as the Option would have become exercisable under its terms and (2) shall not apply to any shares subject to the Option that were exercisable under its terms without regard to the first sentence of this paragraph.

(3) Consequences of a Reorganization Event on Restricted Stock Awards. Upon the occurrence of a Reorganization Event, the repurchase and other rights of the Company under each outstanding Restricted Stock Award shall inure to the benefit of the Company's successor and shall apply to the cash, securities or other property which the Common Stock was converted into or exchanged for pursuant to such Reorganization Event in the same manner and to the same extent as they applied to the Common Stock subject to such Restricted Stock Award.

**8. General Provisions Applicable to Awards**

(a) Transferability of Awards. Except as the Board may otherwise determine or provide in an Award, Awards shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they

are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution, and, during the life of the Participant, shall be exercisable only by the Participant. References to a Participant, to the extent relevant in the context, shall include references to authorized transferees.

(b) Documentation. Each Award shall be evidenced in such form (written, electronic or otherwise) as the Board shall determine. Each Award may contain terms and conditions in addition to those set forth in the Plan.

(c) Board Discretion. Except as otherwise provided by the Plan, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award need not be identical, and the Board need not treat Participants uniformly.

(d) Termination of Status. The Board shall determine the effect on an Award of the disability, death, retirement, authorized leave of absence or other change in the employment or other status of a Participant and the extent to which, and the period during which, the Participant, the Participant's legal representative, conservator, guardian or Designated Beneficiary may exercise rights under the Award.

(e) Withholding. Each Participant shall pay to the Company, or make provision satisfactory to the Board for payment of, any taxes required by law to be withheld in connection with Awards to such Participant no later than the date of the event creating the tax liability. Except as the Board may otherwise provide in an Award, when the Common Stock is registered under the Exchange Act, Participants may satisfy such tax obligations in whole or in part by delivery of shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value; provided, however, that the total tax withholding where stock is being used to satisfy such tax obligations cannot exceed the Company's minimum statutory withholding obligations (based on minimum statutory withholding rates for federal and state tax purposes, including payroll taxes, that are applicable to such supplemental taxable income). The Company may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to a Participant.

(f) Amendment of Award. The Board may amend, modify or terminate any outstanding Award, including but not limited to, by substituting therefor another Award of the same or a different type, changing the date of exercise or realization, and converting an Incentive Stock Option to a Nonstatutory Stock Option, provided that the Participant's consent to such action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

(g) Conditions on Delivery of Stock. The Company will not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove restrictions from shares previously delivered under the Plan until (i) all conditions of the Award have been met or removed to the satisfaction of the Company, (ii) in the opinion of the Company's counsel, all other legal matters in connection with the issuance and delivery of such shares have been satisfied, including any applicable securities laws and any applicable stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any applicable laws, rules or regulations.

(h) Acceleration. The Board may at any time provide that any Award shall become immediately exercisable in full or in part, free of some or all restrictions or conditions, or otherwise realizable in full or in part, as the case may be.

## **9. Miscellaneous**

(a) No Right to Employment or Other Status. No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise

terminate its relationship with a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Award.

(b) No Rights as Stockholder. Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed with respect to an Award until becoming the record holder of such shares. Notwithstanding the foregoing, in the event the Company effects a split of the Common Stock by means of a stock dividend and the exercise price of and the number of shares subject to such Option are adjusted as of the date of the distribution of the dividend (rather than as of the record date for such dividend), then an optionee who exercises an Option between the record date and the distribution date for such stock dividend shall be entitled to receive, on the distribution date, the stock dividend with respect to the shares of Common Stock acquired upon such Option exercise, notwithstanding the fact that such shares were not outstanding as of the close of business on the record date for such stock dividend.

(c) Effective Date and Term of Plan. The Plan shall become effective on the date on which it is adopted by the Board, but no Award granted to a Participant that is intended to comply with Section 162(m) shall become exercisable, vested or realizable, as applicable to such Award, unless and until the Plan has been approved by the Company's stockholders to the extent stockholder approval is required by Section 162(m) in the manner required under Section 162(m) (including the vote required under Section 162(m)). No Awards shall be granted under the Plan after the completion of ten years from the earlier of (i) the date on which the Plan was adopted by the Board or (ii) the date the Plan was approved by the Company's stockholders, but Awards previously granted may extend beyond that date.

(d) Amendment of Plan. The Board may amend, suspend or terminate the Plan or any portion thereof at any time, provided that to the extent required by Section 162(m), no Award granted to a Participant that is intended to comply with Section 162(m) after the date of such amendment shall become exercisable, realizable or vested, as applicable to such Award, unless and until such amendment shall have been approved by the Company's stockholders if required by Section 162(m) (including the vote required under Section 162(m)).

(e) Governing Law. The provisions of the Plan and all Awards made hereunder shall be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to any applicable conflicts of law.
