Item 1.01. Entry into a Material Definitive Agreement.

On April 3, 2006, EPIX Pharmaceuticals, Inc., a Delaware corporation (the **Company**) entered into an Agreement and Plan of Merger (the **Merger Agreement**) with Predix Pharmaceuticals Holdings, Inc., a Delaware corporation (**Predix**), and EPIX Delaware, Inc., a Delaware corporation and wholly-owned subsidiary of the Company (**Merger Sub**). Pursuant to the Merger Agreement, Predix will be merged with and into Merger Sub (the **Merger**), with Merger Sub continuing after the Merger as the surviving corporation. At the effective time of the Merger, each outstanding share of Predix's capital stock will be converted into the right to receive 1.248509 fully paid and non-assessable shares of common stock of the Company. All outstanding options under Predix's stock plans and warrants to purchase Predix capital stock will be assumed by the Company. In addition, the Predix stockholders, option holders and warrant holders will be entitled to receive an additional milestone payment of \$35 million upon the achievement of certain clinical or strategic milestones by June 30, 2008, which is payable in cash, additional shares of the Company's common stock or a combination thereof. In no event will the number of shares of the Company's common stock issuable in connection with the Merger, including as a result of the milestone payment, when combined with any shares issued or issuable upon the Predix options and warrants assumed by the Company, exceed 49.99% of the Company's outstanding shares, on a pro forma basis, at the time of such issuance.

The Merger Agreement has been unanimously approved by the Company's Board of Directors. The transactions contemplated by the Merger Agreement are subject to approval by both the stockholders of the Company and Predix. The transactions contemplated by the Merger Agreement are also subject to the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and other closing conditions set forth in the Merger Agreement. The Merger is expected to close as soon as practicable following approval by the stockholders of the Company and Predix.

The foregoing description of the Merger Agreement is not complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

In connection with the execution of the Merger Agreement, certain stockholders of Predix executed agreements with the Company to vote their shares of Predix's capital stock in favor of the Merger Agreement and against a defined category of competing proposals to acquire Predix (the **Voting Agreements**). The shares subject to the Voting Agreements represent in the aggregate approximately 40% of the outstanding voting shares of Predix. If the Merger Agreement is terminated for any reason, the Voting Agreements will also terminate. The foregoing description of the Voting Agreements is not complete and is qualified in its entirety by reference to the for of the Voting Agreements, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
