The TJX Companies, Inc. and Donald G. Campbell, Vice Chairman, entered into a new employment agreement, effective as of June 6, 2008 (the Employment Agreement). The term of the Employment Agreement continues until January 29, 2011, unless terminated earlier in accordance with its provisions. Mr. Campbell's current service commitment under the Employment Agreement is a full-time commitment but he may request that the Executive Compensation Committee (the Committee) of the Board of Directors approve a modified schedule, *i.e.*, one at a level that is less than full-time. Any such request will be approved, subject to any changes and conditions that the Committee may impose, unless the Committee determines that approval of Mr. Campbell's request would substantially and adversely affect the business of the Company. The Employment Agreement provides for a minimum base salary of \$785,000, participation in specified benefit programs at levels commensurate with his position and responsibilities taking into account any modified schedule, including the Stock Incentive Plan, the Management Incentive Plan (MIP) and the Long Range Performance Incentive Plan (LRPIP) and provision of an automobile allowance. If the terms of any modified schedule result in Mr. Campbell's ineligibility to participate in the Company's fringe benefit programs, the Company will consider, in good faith, obtaining or providing replacement coverages that are cost-neutral to the Company. The Employment Agreement also provides that Mr. Campbell is entitled to benefits under the Supplemental Executive Retirement Plan (SERP) (in which he is already fully vested). Under the Employment Agreement and consistent with the terms of these plans, Mr. Campbell is also eligible to participate in the Company's nonqualified deferred compensation plans, other than matching credits under the Company's Executive Savings Plan.

If Mr. Campbell's employment terminates prior to the end of the term by reason of death, disability, incapacity, termination by the Company without cause, or following his relocation by the Company more than forty miles from the Company's current headquarters, he is entitled to continuation of base salary for a period of eighteen months; a cash payment sufficient to cover, on an after-tax basis, the cost of COBRA continuation of medical benefits for the salary continuation period, unless Mr. Campbell obtains no less favorable coverage from another employer; a lump sum cash payment equal to prorated MIP and LRPIP target awards outstanding at the time of termination (plus an additional amount equal to the full MIP target award for the year of termination in the case of death, disability or incapacity), but solely to the extent that the performance period in respect of the MIP or LRPIP award, as the case may be, began on or before January 1, 2009; and to any other applicable benefits provided in any plan or award. The Employment Agreement includes a non-competition undertaking by Mr. Campbell during the employment period and for eighteen months thereafter, and a non-solicitation undertaking by Mr. Campbell during the employment period and for twenty-four months thereafter. Upon a change of control as defined in the Employment Agreement, Mr. Campbell is no longer subject to the non-competition undertaking and will receive a payment equal to his target MIP award plus a prorated MIP target award for the year in which the change of control occurs and the maximum award payable with respect to LRPIP for cycles in progress at the time of the change of control. If Mr. Campbell's employment terminates for various reasons within twenty-four months following a change of control (and prior to January 29, 2011), instead of the severance benefits described above, he is entitled to receive a payment equal to two times his then current base salary, certain vested benefits under the SERP, continued medical and life insurance for two years, except to the extent Mr. Campbell has coverage from another employer, and continued use of an automobile for that two-year period (or a cash payment equal to the present value of the cost of providing such automobile for the same period). TJX is obligated to pay Mr. Campbell a tax gross-up payment in respect of any change of control-related excise tax incurred in connection with the change of control and all legal fees and expenses reasonably incurred by Mr. Campbell in seeking enforcement of his contractual rights following a change of control.
