1. BASIS OF PRESENTATION OF UNAUDITED INTERIM FINANCIAL INFORMATION

The unaudited consolidated balance sheet as of June 30, 2001, the unaudited consolidated statements of operations for the three and six months ended June 30, 2001 and 2000, the unaudited consolidated

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

statements of cash flows for the six months ended June 30, 2001 and 2000, and related footnotes, have been prepared in accordance with generally accepted accounting principles for interim financial information and Article 10 of Regulation S-X. Accordingly, they do not include all the information and footnotes required by generally accepted accounting principles. The financial information presented should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2000. In the opinion of management, the interim data includes all adjustments (consisting of only normally recurring adjustments) necessary for a fair statement of the results for the interim periods. Operating results for the six months ended June 30, 2001 are not necessarily indicative of results that may be expected for the year ending December 31, 2001.

2. ORGANIZATION AND BUSINESS OPERATIONS

Alamosa Holdings, Inc. ("Alamosa Holdings") was formed in July 2000. Alamosa Holdings is a holding company and through its subsidiaries provides wireless personal communications services, commonly referred to as PCS, in the Southwestern, Northwestern and Midwestern United States. Alamosa (Delaware), Inc., a subsidiary of Alamosa Holdings, was formed in October 1999 under the name "Alamosa PCS Holdings, Inc." to operate as a holding company in anticipation of its initial public offering. On February 3, 2000, Alamosa (Delaware), Inc. ("Alamosa (Delaware)") completed its initial public offering. Immediately prior to the initial public offering, shares of Alamosa (Delaware) were exchanged for Alamosa PCS LLC's ("Alamosa") membership interests, and Alamosa became wholly owned by Alamosa (Delaware). These financial statements are presented as if the reorganization had occurred as of the beginning of the periods presented. Alamosa Holdings and its subsidiaries are collectively referred to in these financial statements as the "Company".

On December 14, 2000, Alamosa (Delaware) formed a new holding company pursuant to Section 251(g) of the Delaware General Corporation Law. In that transaction, each share of Alamosa (Delaware) was converted into one share of the new holding company, and the former public company, which was renamed "Alamosa (Delaware), Inc." became a wholly owned subsidiary of the new holding company, which was renamed "Alamosa PCS Holdings, Inc."

On February 14, 2001, Alamosa Holdings became the new public holding company of Alamosa PCS Holdings, Inc. ("Alamosa PCS Holdings") and its subsidiaries pursuant to a reorganization transaction in which a wholly owned subsidiary of Alamosa Holdings was merged with and into Alamosa PCS Holdings. As a result of this reorganization, Alamosa PCS Holdings became a wholly owned subsidiary of Alamosa Holdings, and each share of Alamosa PCS Holdings common stock was converted into one share of Alamosa Holdings common stock. Alamosa Holdings' common stock is quoted on The Nasdaq National Market under the same symbol previously used by Alamosa PCS Holdings, "APCS." On that day the Company also completed its acquisitions of two Sprint PCS affiliates. The Company acquired Roberts Wireless Communications, L.L.C. ("Roberts") and Washington Oregon Wireless, LLC ("WOW"). On March 30, 2001, the Company acquired Southwest PCS Holdings, Inc. ("Southwest").

3. NOTES RECEIVABLE

contribution requirements under WOW's operating agreement, and (b) funding WOW's working capital needs from July 31, 2000 through the completion of the WOW merger.

4. MERGERS WITH ROBERTS WIRELESS COMMUNICATIONS, L.L.C., WASHINGTON OREGON WIRELESS, LLC, AND SOUTHWEST PCS HOLDINGS, INC.

As of the end of the first quarter of 2001, Alamosa Holdings completed the acquisitions of three Sprint PCS network partners. On February 14, 2001, Alamosa Holdings completed its acquisition of Roberts and WOW. In connection with the Roberts and WOW acquisitions, Alamosa Holdings entered into a new senior secured credit facility for up to \$280 million. On March 30, 2001, Alamosa Holdings completed its acquisition of Southwest. In connection with the Southwest acquisition, Alamosa Holdings increased the senior secured credit facility from \$280 million to \$333 million. Each of these transactions was accounted for under the purchase method of accounting.

The merger consideration in the Roberts acquisition consisted of 13.5 million common shares of Alamosa Holdings and approximately \$4.0 million in cash. Alamosa Holdings also assumed the net debt of Roberts in the transaction, which amounted to approximately \$57 million as of February 14, 2001.

The merger consideration in the WOW acquisition consisted of 6.05 million common shares of Alamosa Holdings and approximately \$12.5 million in cash. Alamosa Holdings also assumed the net debt of WOW in the transaction, which amounted to approximately \$31 million as of February 14, 2001.

The merger consideration in the Southwest acquisition consisted of 11.1 million common shares of Alamosa Holdings and approximately \$5.0 million in cash. Alamosa Holdings also assumed the net debt of Southwest in the transaction, which amounted to approximately \$81

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

million as of March 30, 2001.

The Company has obtained preliminary independent valuations of Roberts and WOW to allocate the purchase price and is in the process of obtaining an independent valuation of Southwest. The results of the preliminary valuations are as follows (in thousands):

Current assets	\$	15,357
Property, plant and equipment		129,154
Goodwill		127,440
Sprint affiliation and other agreements		525,488
Subscriber base acquired		37,700

Net book value of assets acquired, including intangibles	\$	835,139
		=====

As a result of the acquisitions, the Company recorded goodwill and intangibles of \$875.3 million. This amount includes a deferred tax liability of \$184.7 million which was recorded for the differences between the estimated fair value and tax bases of the assets acquired and liabilities assumed. Additionally, this amount includes \$37.7 million which is attributable to the subscribers acquired with the mergers. The subscriber base will be amortized over 3 years, which approximates the average life of the Company's customer and the remaining goodwill and other intangibles will be amortized over 18 years, which approximates the remaining life of the initial term of the assumed Sprint PCS contracts.

The unaudited pro forma condensed consolidated statements of income for the three and six months ended June 30, 2001 and 2000 set forth below, present the results of operations as if the acquisitions had occurred at the beginning of each period and are not necessarily indicative of future results or actual results that would have been achieved had these acquisitions occurred as of the beginning of the period.

12 7/8% SENIOR DISCOUNT NOTES

On December 23, 1999, Alamosa (Delaware) filed a registration statement with the Securities and Exchange Commission for the issuance of \$350 million face amount of senior discount notes (the "12 7/8% Senior Discount Notes Offering"). The 12 7/8% Senior Discount Notes Offering was completed on February 8, 2000 and generated net proceeds of approximately \$181 million after underwriters' commissions and expenses of approximate \$6.1 million. The 12 7/8% Senior Discount Notes mature

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

in ten years (February 15, 2010) and carry a coupon rate of 12 7/8%, and provides for interest deferral for the first five years. The 12 7/8% Senior Discount Notes will accrete to their \$350 million face amount by February 8, 2005, after which, interest will be paid in cash semiannually. The proceeds of the 12 7/8% Senior Discount Notes Offering were used to prepay \$75 million of the Nortel credit facility, to pay costs to build out the system, to fund operating working capital needs and for other general corporate purposes.

12 1/2% SENIOR NOTES

On January 31, 2001, Alamosa (Delaware) consummated the offering (the "12 1/2% Senior Notes Offering") of \$250 million aggregate principal amount of senior notes (the "12 1/2% Senior Notes"). The 12 1/2% Senior Notes mature in ten years (February 1, 2011), carry a coupon rate of 12 1/2%, payable semiannually on February 1 and August 1, beginning on August 1, 2001. The net proceeds from the sale of the 12 1/2% Senior Notes were approximately \$241 million, after deducting the discounts and commission to the initial purchasers and estimated offering expenses.

8

ALAMOSA HOLDINGS, INC.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

Approximately \$59 million of the proceeds of the 12 1/2% Notes Offering were used by Alamosa (Delaware) to establish a security account (with cash or U.S. government securities) to secure on a pro rata basis the payment obligations under the 12 1/2% Senior Notes and the 12 7/8% Senior Discount Notes, and the balance will be used for general corporate purposes of Alamosa (Delaware), including, accelerating coverage within the existing territories of Alamosa (Delaware); the build-out of additional areas within its existing territories; expanding its existing territories; and pursuing additional telecommunications business opportunities or acquiring other telecommunications businesses or assets.

SENIOR SECURED CREDIT FACILITY

On February 14, 2001, Alamosa Holdings, Alamosa (Delaware) and Alamosa Holdings, LLC, as borrower; entered into a \$280 million senior secured credit facility (the "Senior Secured Credit Facility") with Citicorp USA, as administrative agent and collateral agent; Toronto Dominion (Texas), Inc., as syndication agent; EDC as co-documentation agent; First Union National Bank, as documentation agent; and a syndicate of banking and financial institutions. On March 30, 2001, this credit facility was amended to increase the facility to \$333 million in relation to the acquisition of Southwest. At that time, all covenants were amended to reflect this increase and the inclusion of Southwest.

As of June 30, 2001, Alamosa Holdings, LLC borrowed \$203 million under the new term loan facility while an additional \$130 million in term debt will be available for multiple drawings in amounts to be agreed for a period of 12 months thereafter.

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

DEBT COVENANT WAIVER

As of March 31, 2001, we did not meet the maximum negative EBITDA covenant under the Senior Secured Credit Facility. During the quarter ended March 31, 2001, we reported an EBITDA loss of \$16.7 million which exceeded the maximum negative EBITDA covenant by \$7.0 million.

On May 8, 2001, we obtained a waiver of any default or event of default arising from the failure to comply with the maximum negative EBITDA covenant for the quarter ended March 31, 2001 from the lending institutions under the Senior Secured Credit Facility.

The Company met its negative EBITDA covenant for the quarter ended June 30, 2001 and we believe that the EBITDA covenants will be met for the next twelve months. Our EBITDA is directly impacted by the up front selling and marketing expenses we incur in order to grow our subscriber base. As such, greater than expected subscriber growth may impact our EBITDA negatively.

See Note 12, Subsequent Events, for additional information on the restructuring of the Senior Secured Credit Facility and the resetting of the related financial covenants.

NORTEL/EDC CREDIT FACILITY

On February 14, 2001, the outstanding balance of \$54,524 was paid in full plus accrued interest in the amount of \$884 with proceeds from the Senior Secured Credit Facility. As a result, \$5,472 of unamortized issuance costs were written off and classified as an extraordinary item. The Company was refunded \$1,377 of these costs as a result of the early extinguishment.

7. INCOME TAXES

The income tax benefit represents the anticipated recognition of the Company's deductible net operating loss carry forwards. This benefit is being recognized based on an assessment of the combined expected future taxable income of the Company and expected reversals of the temporary differences from the Roberts, WOW and Southwest mergers.

ALAMOSA HOLDINGS, INC.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

8. HEDGING ACTIVITIES AND COMPREHENSIVE INCOME

The Company adopted Statement of Financial Accounting Standards ("SFAS") No. 133, "Accounting for Derivatives and Hedging Activities" on January 1, 2001. The statement requires the Company to record all derivatives on the balance sheet at fair value. Derivatives that are not hedges must be adjusted to fair value through earnings. If the derivative is a hedge, depending on the nature of the hedge, changes in the fair value of the derivatives are either recognized in earnings or are recognized in other comprehensive income until the hedged item is

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

recognized in earnings. During the quarter ended June 30, 2001, the Company recorded approximately \$388 in "other noncurrent assets" and \$128 in "other noncurrent liabilities" representing the change in the fair market value of the interest rate hedge instruments that expire in 2004. In addition, the Company recognized \$166 net of tax effect, in other comprehensive income, which appears as a separate component of Stockholder's Equity as "Accumulated other comprehensive income", as illustrated below:

	Six months ended June 30,	
	2000	2001
Net loss	\$ (61,768)	\$ (28,488)
Change in fair value of derivatives (net of tax effect of \$93)	166	--
Comprehensive loss	\$ (61,602)	\$ (28,488)
	=====	=====

9. SUPPLEMENTAL DISCLOSURE TO STATEMENTS OF CASH FLOW

Accounts payable at June 30, 2001 and 2000 include \$26,269 and \$27,356, respectively, of property and equipment additions. Additions to property and equipment of \$72,852 in the consolidated statements of cash flows for the six months ended June 30, 2001 include payments of accounts payable outstanding at December 31, 2000.

10. LONG-TERM INCENTIVE PLAN

A vote of shareholders on February 14, 2001 increased the number of shares of the Company's common stock reserved for issuance under the long-term incentive plan by 6,000,000 shares, from 7,000,000 shares to 13,000,000 shares.

11. EFFECTS OF RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In July 2001, the FASB issued SFAS No. 141, "Business Combinations" and SFAS No. 142, "Goodwill and Other Intangible Assets." The provisions of SFAS No. 141 will apply to all business combinations initiated after June 30, 2001, and will also apply to all business combinations accounted for by the purchase method that are completed after June 30, 2001. SFAS No. 142 should be applied in fiscal years beginning after December 15, 2001 to all goodwill and other intangible assets recognized in an entity's statement of financial position at that date, regardless of when those assets were initially recognized. Certain provisions of SFAS No. 142 will be effective for business combinations completed after June 30, 2001. The Company is in the process of evaluating the effect of the adoption of these pronouncements.

12. SUBSEQUENT EVENTS

The Senior Secured Credit Facility was amended on July 19, 2001 to extend the period prior to which Alamosa Holdings, LLC can borrow \$50.0 million of term loans from August 14, 2001 to December 31, 2001.

On August 7, 2001, the Company announced that Alamosa (Delaware) will

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

issue \$150 million face amount of senior notes (the "13 5/8% Senior Notes"). The 13 5/8% Senior Notes will mature in ten years (August 15, 2011), will carry a coupon rate of 13 5/8% payable semiannually on February 15 and August 15, beginning on February 15, 2002. The net proceeds from the sale of the 13 5/8% Senior Notes will be approximately \$140.5 million, after deducting the discounts and commissions to the initial purchasers and estimated offering expenses.

Approximately \$39 million of the proceeds of the 13 5/8% Notes Offering will be used by Alamosa (Delaware) to establish a security account (with cash or U.S. government securities) to secure on a pro rata basis the payment obligations under the 13 5/8% Senior Notes, the 12 1/2% Senior Notes and the 12 7/8% Senior Discount Notes. The balance will be used to pay down a portion of the Senior Secured Credit Facility and for general corporate purposes.

ALAMOSA HOLDINGS, INC.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

The Senior Secured Credit Facility will be amended simultaneously with the closing of the offering of the 13 5/8% Senior Notes to, among other things, reduce the amount of the Senior Secured Credit Facility from \$333.0 million to \$225.0 million and modify the financial covenants.

OVERVIEW

Since our inception, we have incurred substantial costs to negotiate our contracts with Sprint PCS and our debt financing, to raise funds in the public market, to engineer our wireless system, to develop our business infrastructure and distribution channels and to build-out our portion of the Sprint PCS network. As of June 30, 2001, our accumulated deficit was \$175.7 million. Through June 30, 2001, we incurred \$443.8 million of capital expenditures and construction in progress including capital expenditures related to the build-out of our portion of the Sprint PCS network, including costs connected to the acquisition of Roberts, WOW and Southwest. While we anticipate operating losses to continue, we expect revenue to continue to increase substantially as the base of Sprint PCS subscribers located in our territories increases.

On July 17, 1998, we entered into our affiliation agreements with Sprint PCS. We subsequently amended our affiliation agreements with Sprint PCS to expand our territories so that as of June 30, 2001 it included approximately 10.0 million covered residents, including the acquisitions of Roberts, WOW and Southwest.

As a Sprint PCS affiliate, we have the exclusive right to provide wireless mobility communications network services under the Sprint and Sprint PCS brand names in our territories. We are responsible for building, owning and managing the portion of the Sprint PCS network located in our territories. We market wireless products and services in our territories under the Sprint and Sprint PCS brand names. We offer national plans designed by Sprint PCS and specialized local plans tailored to our market demographics. Our portion of the Sprint PCS network is designed to offer a seamless connection with Sprint PCS's 100% digital wireless network. We market wireless products and services through a number of distribution outlets located in our

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

territories, including our own Sprint PCS stores, major national distributors and third party local representatives.

We recognize 100% of revenues from Sprint PCS subscribers based in our territories, proceeds from the sales of handsets and accessories and fees from Sprint PCS and other wireless service providers when their customers roam onto our portion of the Sprint PCS network. Sprint PCS handles our billing and collections and retains 8% of all collected revenue from Sprint PCS subscribers based in our territories and fees from wireless service providers other than Sprint PCS when their subscribers roam onto our portion of the Sprint PCS network. We report the amount retained by Sprint PCS as an operating expense.

As part of our affiliation agreements with Sprint PCS, we have the option of contracting with Sprint PCS to provide back office services such as customer activation, handset logistics, billing, customer service and network monitoring services. We have elected to delegate the performance of these services to Sprint PCS to take advantage of Sprint PCS's economies of scale, to accelerate our build-out and market launches and to lower our initial capital requirements. The cost for these services is primarily calculated on a per subscriber and per transaction basis and is recorded as an operating expense.

As of the end of the first quarter of 2001, we completed the acquisitions of three Sprint PCS network partners. On February 14, 2001, we completed our acquisition of Roberts and WOW. In connection with the Roberts and WOW acquisitions, we entered into a new senior secured credit facility for up to \$280 million. On March 30, 2001, we completed our acquisition of Southwest. In connection with the Southwest acquisition, we increased the senior secured credit facility from \$280 million to \$333 million. Each of these transactions was accounted for under the purchase method of accounting.

On February 14, 2001, as part of the reorganization transaction in which we acquired Roberts and WOW, Alamosa Sub I, Inc., our wholly owned subsidiary, merged with Alamosa PCS Holdings, with Alamosa PCS Holdings surviving the merger and Alamosa PCS Holdings became our wholly owned subsidiary. Each share of Alamosa PCS Holdings common stock issued and outstanding immediately prior to the merger was converted into the right to receive one share of our common stock.

We launched Sprint PCS service in our first market, Laredo, Texas, in June 1999, and have since commenced service in 62 additional markets including acquisitions, through June 30, 2001. At June 30, 2001 our systems, including acquisitions, covered approximately 10.0 million residents out of approximately 15.6 million total residents in those markets. The number of residents covered by our systems does not represent the number of Sprint PCS subscribers that we expect to be based in our territories. As of June 30, 2001, approximately 316,000 Sprint PCS subscribers were based in our territories.

SEASONALITY

Our business is subject to seasonality because the wireless industry is heavily dependent on fourth quarter results. Among other things, the industry relies on significantly higher customer additions and handset sales in the fourth quarter as compared to the other three fiscal quarters. A number of factors contribute to this trend, including:

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

- o the increasing use of retail distribution, which is dependent upon the year-end holiday shopping season;
- o the timing of new product and service announcements and introductions;
- o competitive pricing pressures; and
- o aggressive marketing and promotions.

13

RESULTS OF OPERATIONS

FOR THE QUARTER AND SIX MONTHS ENDED JUNE 30, 2001 COMPARED TO THE QUARTER AND SIX MONTHS ENDED JUNE 30, 2000

NET LOSS. Our net loss for the quarter ended June 30, 2001 was \$34.3 million as compared to a net loss of \$12.9 million for the quarter ended June 30, 2000. Net loss for the six months ended June 30, 2001 was \$61.8 million compared to a net loss of \$28.5 million for the six months ended June 30, 2000. These losses were the result of the continued incurrence of start-up expenses relative to the preparation of markets for commercial launch and the operation of markets in service.

SERVICE REVENUES. Service revenues are comprised of subscriber revenue, Sprint PCS roaming revenue, non-Sprint PCS roaming revenue and long distance revenue, all of which initially began accruing to us at or near our first initial commercial launch in June 1999. Subscriber revenue consists of payments received from Sprint PCS subscribers based in our territories for monthly Sprint PCS service under a variety of service plans. These plans generally reflect the terms of national plans offered by Sprint PCS. We receive Sprint PCS roaming revenue at a per minute rate from Sprint PCS or another Sprint PCS affiliate when Sprint PCS subscribers based outside of our territories use our portion of the Sprint PCS network. This reciprocal rate was 20 cents per minute for travel from inception through May 31, 2001. Pursuant to our affiliation agreements with Sprint PCS, Sprint PCS can change this per minute rate. Sprint and the Company recently agreed to change the reciprocal roaming rate to 15 cents effective June 1, 2001, 12 cents effective October 1, 2001, and 10 cents effective January 1, 2002 and thereafter. The long distance rate of 6 cents per minute remains unchanged. Service revenues were \$77.5 million for the quarter ended June 30, 2001 compared to \$15.4 million for the quarter ended June 30, 2000. Service revenues were \$119.4 million for the six months ended June 30, 2001, and \$25.7 million for the six months ended June 30, 2000. These increases are due to the growth in our subscribers and the approximately 90,000 subscribers acquired in the first quarter of 2001, resulting from the closing of the merger with WOW, Roberts and Southwest.

Non-Sprint PCS roaming revenue primarily consists of fees collected from Sprint PCS customers based in our territories when they roam on non-Sprint PCS networks. These fees are based on rates specified in the customers' contracts. However, it is possible that in some cases these fees may be less than the amount we must pay to other wireless service providers that provide service to Sprint PCS customers based in our territories. Non-Sprint PCS roaming revenue also includes payments from wireless service providers, other than Sprint PCS, when those providers' customers roam on our portion of the Sprint PCS network. For the quarter ended June 30, 2001 our average monthly revenue per user ("ARPU") including roaming and long distance revenue was approximately \$91

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

compared to approximately \$85 for the same quarter of 2000. For the six months ended June 30, 2001, ARPU for Sprint PCS customers in our territories, including long distance and roaming revenue, was approximately \$88 and was approximately \$85 for the six months ended June 30, 2000. For the quarter ended June 30, 2001, ARPU without roaming was approximately \$62 compared to \$65 for the quarter ended June 30, 2000. Without roaming, our ARPU was approximately \$61 and \$64 for the six months ended June 30, 2001 and 2000, respectively.

PRODUCT SALES. 100% of the revenue from the sale of handsets and accessories through our retail stores and to our local indirect distributors are recorded, net of an allowance for returns, as product sales. Product sales for the quarter ended June 30, 2001 totaled \$6.0 million compared to \$2.2 million for the same quarter of 2000. The amount recorded for the six months ended June 30, 2001 totaled \$9.9 million as compared to \$3.8 million for the six months ended June 30, 2000. The increase in product sales, for both the quarter and the year can be attributed to the opening of retail stores and the addition of local indirect distributors in markets launched in the last half of 2000 and the acquisitions of WOW, Roberts and Southwest in the first quarter of 2001. Our handset return policy allows customers to return their handsets for a full refund within 14 days of purchase. When handsets are returned to us, we may be able to reissue the handsets to customers at little additional cost to us. However, when handsets are returned to Sprint PCS for refurbishing, we receive a credit from Sprint PCS, which is less than the amount we originally paid for the handset.

COST OF SERVICE AND OPERATIONS. These expenses include the cost of operations for our network, (such as fees related to data transfer via T-1 and other transport lines and inter-connection fees), Sprint PCS and, non-Sprint PCS roaming fees, long distance, the affiliation fee paid to Sprint PCS of 8% of collected service revenues and customer care, billing and service fees paid to Sprint PCS. Cost of service and operations totaled \$53.9 million and \$11.2 million for the quarters ended June 30, 2001 and 2000, respectively. Cost of service and operations totaled \$86.2 million for the six

months ended June 30, 2001 and \$19.1 million for the six months ended June 30, 2000, related to providing wireless services to customers and are included in cost of services and operations. The increase is primarily attributable to the increase in subscribers in 2001 as compared to 2000. Also included is non-cash compensation expense related to the Company's stock option plans of \$159 for the quarter ended June 30, 2000. No non-cash compensation expense was recognized in the 2001 for service and operations. We pay Sprint PCS roaming fees when Sprint PCS subscribers based in our territories use the Sprint PCS network outside of our territories. Pursuant to our affiliation agreements with Sprint PCS, Sprint PCS can change this per minute rate. Sprint and the Company recently agreed to change the reciprocal roaming rate which has been 20 cents to 15 cents effective June 1, 2001, 12 cents effective October 1, 2001, and 10 cents effective January 1, 2002 and thereafter. We pay non-Sprint PCS roaming fees to other wireless service providers when Sprint PCS customers based in our territories use their network.

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

COST OF PRODUCTS SOLD. The cost of products sold through our retail stores and to our local indirect retailers totaled \$10.5 million for the quarter ended June 30, 2001 as compared to \$3.7 million for the quarter ended June 30, 2000. Cost of products sold was \$18.6 million and \$7.0 million for the six months ended June 30, 2001 and 2000, respectively. The increase was due to growth in our subscribers between June 30, 2000 and June 30, 2001. These amounts include the cost of accessories and the cost of handsets sold through our retail stores including sales to local indirects. We expect the cost of handsets to exceed the retail sales price because we subsidize the price of handsets for competitive reasons. The handset subsidy included in cost of products sold through our retail stores totaled \$4.8 million for the quarter ended June 30, 2001 and \$1.6 million for the quarter ended June 30, 2000. For the six months ended June 30, 2001, handset subsidy through our retail stores was \$9.1 million compared to \$3.3 million for the same period of 2000.

SELLING AND MARKETING. Selling and marketing expenses totaled \$24.8 million for the quarter ended June 30, 2001 and \$8.1 million for the quarter ended June 30, 2000. Selling and marketing expenses were \$43.3 million and \$14.7 million for the six months ended June 30, 2001 and 2000, respectively. Selling and marketing expenses include advertising expenses, promotion costs, sales commissions and expenses related to our distribution channels and handset subsidy paid to Sprint PCS for customers based in our territories that purchase handsets through Sprint PCS or its national retailers. The amount of handset subsidy from channels other than our retail stores and sales to local indirects included in selling and marketing totaled \$2.7 million and \$1.1 million for the quarters ended June 30, 2001 and 2000, respectively. For the six months ended June 30, 2001 the amount of handset subsidy from channels other than our retail stores and sales to local indirects included in selling and marketing totaled \$4.4 million as compared to \$2.3 million for the six months ended June 30, 2000.

GENERAL AND ADMINISTRATIVE EXPENSES. For the quarters ended June 30, 2001 and 2000, general and administrative expenses totaled \$3.4 million and \$2.8 million, respectively. For the six months ended June 30, 2001, these expenses totaled \$7.3 million compared to \$7.7 million for the six months ended June 30, 2000. General and administrative expenses include corporate costs and expenses such as administration, human resources and accounting and finance. Also included in general and administrative expenses is non-cash compensation expense related to the Company's stock option plans of \$762 for the quarter ended June 30, 2000. No non-cash compensation expense was recorded for the quarter ended June 30, 2001. For the six months ended June 30, 2001, \$183 of non-cash compensation expense was recorded as compared to \$4.3 million for the six months ended June 30, 2000.

DEPRECIATION AND AMORTIZATION. Depreciation and amortization for the quarter ended June 30, 2001 totaled \$25.2 million as compared to \$2.5 million for the quarter ended June 30, 2000. For the six months ended June 30, 2001 and June 30, 2000, depreciation and amortization totaled \$37.2 million and \$4.7 million, respectively. Included in depreciation and amortization for the quarter ended June 30, 2001 and the six months June 30, 2001, was \$14.6 million and \$19.2 million, respectively, of amortization of goodwill and identified intangibles that resulted from the mergers with Roberts, WOW and Southwest. Depreciation is calculated using the straight-line method over the useful life of the asset. We begin to depreciate the assets for each market only after we launch that market. The increase in depreciation expense is due to the significant increase in network infrastructure we built and launched since June 2000.

INTEREST AND OTHER INCOME. Interest and other income totaled \$2.5 million for the quarter ended June 30, 2001 and \$4.4 million for the quarter ended June 30, 2000. Interest and other income totaled \$8.2 million and \$6.7

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

million for the six months ended June 30, 2001 and 2000, respectively. This income generally has been generated from the investment of equity and loan proceeds held in liquid accounts waiting to be deployed.

15

INTEREST EXPENSE. Interest expense totaled \$19.9 million for the quarter ended June 30, 2001 and \$6.6 million for the quarter ended June 30, 2000. For the six months ended June 30, 2001, interest expense was \$34.7 million compared to \$11.4 million for the six months ended June 30, 2000. During the first quarter of 2001, we issued new Senior Notes and a new credit facility for a combined total of approximately \$453 million. The increase from 2000 to 2001 is due to higher average outstanding debt balances due to business acquisitions and network construction.

INCOME TAX BENEFIT. For the quarter and six months ended June 30, 2001, income tax benefit totaled \$17.4 million and \$31.3 million, respectively. The income tax benefit represents the anticipated recognition of the Company's deductible net operating loss carry forward. This benefit is being recognized based on an assessment of the combined expected future taxable income of the Company and expected reversals of the temporary differences from the Roberts, WOW and Southwest mergers

LOSS ON DEBT EXTINGUISHMENT. For the six months ended June 30, 2001, a loss on extinguishment of debt of \$5.4 million, net of tax benefit of \$1.9 million was recorded to write off debt issuance costs associated with the Nortel/EDC Credit Facility. This credit facility was replaced with the Senior Secured Credit Facility, which was entered into on February 14, 2001. No such loss was incurred for the period ended June 30, 2000.

LIQUIDITY AND CAPITAL RESOURCES

Since inception, we have financed our operations through capital contributions from our owners, through debt financing and through proceeds generated from our initial public offering. We entered into a credit agreement with Nortel effective June 10, 1999, which was amended and restated on February 8, 2000. On June 23, 2000, Nortel assigned the entirety of its loans and commitments to EDC, and Alamosa and EDC entered into the credit facility with EDC (the "EDC Credit Facility").

The EDC Credit Facility was reduced by \$75.0 million from the issuance of the Company's 12 7/8% Senior Discount Notes, such that the EDC Credit Facility provided for advancing term loan facilities in the aggregate principal amount of \$175.0 million. The terms and conditions of the EDC Credit Facility were substantially the same as the terms and conditions of the Nortel credit agreement before the assignment and the amendments. As of December 31, 2000, approximately \$54.5 million of the \$175.0 million EDC Credit Facility had been drawn. On February 14, 2001, we repaid the total amount outstanding on the facility in the amount of \$54.5 million plus accrued interest of \$884 with the proceeds from our Senior Secured Credit Facility of \$333 million.

Pursuant to the equipment agreement with Nortel, we are required to purchase a total of \$167 million of equipment and services from Nortel. As of June 30, 2001, this commitment has been fully satisfied. These purchases from Nortel were financed pursuant to the EDC Credit Facility prior to the closing of the Senior Secured Credit Facility, and, after the closing of the Senior Secured

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

Credit Facility, have been pursuant to such facility.

On February 4, 2000, we issued \$350 million face amount of senior discount notes (the "12 7/8% Senior Discount Notes"). The 12 7/8% Senior Discount Notes mature in ten years (February 15, 2010), carry a coupon rate of 12 7/8%, and provide for interest deferral for the first five years. The 12 7/8% Senior Discount Notes will accrete to their \$350 million face amount by February 8, 2005, after which interest will be paid in cash semiannually.

On January 31, 2001, we issued \$250 million face amount of Senior Notes (the "12 1/2% Senior Notes"). The 12 1/2% Senior Notes mature in ten years (February 1, 2011), carry a coupon rate of 12 1/2%, payable semiannually on February 1 and August 1, beginning on August 1, 2001.

On February 14, 2001, Alamosa Holdings, Alamosa (Delaware) and Alamosa Holdings, LLC, as borrower; entered into a \$280 million senior secured credit facility (the "Senior Secured Credit Facility") with Citicorp USA, as administrative agent and collateral agent Toronto Dominion (Texas), Inc., as syndication agent; EDC as co-documentation agent; First Union National Bank, as documentation agent; and a syndicate of banking and financial institutions. On March 30, 2001, this credit facility was amended to increase the facility to \$333 million in relation to the acquisition of Southwest. At that time, all covenants were amended to reflect this increase and the inclusion of Southwest. The Senior Secured Credit Facility was amended on July 19, 2001 to extend the period prior to which Alamosa Holdings, LLC must borrow \$50.0 million of term loans from August 14, 2001 to December 31, 2001.

16

Net cash used in operating activities was \$60.4 million for the six months ended June 30, 2001. Net cash used in operating activities was \$2.8 million for the six months ended June 30, 2000. Cash used in operating activities was attributable to operating losses and working capital needs.

Net cash used in investing activities was \$97.0 million for the six months ended June 30, 2001, and \$65.8 million for the six months ended June 30, 2000. In 2001, we invested \$72.9 million in our network infrastructure and \$37.6 million in the acquisitions of Roberts, WOW and Southwest. The expenditures in 2000 were related primarily to the purchase of network infrastructure needed to construct our portion of the Sprint PCS network and investment in short-term liquid investments of \$21.8 million.

Net cash provided by financing activities was \$137.7 million for the six months ended June 30, 2001 and consisted primarily of the net proceeds from our issuance of the 12 1/2% Senior Notes and borrowings under the Senior Secured Credit Facility, less repayment of long-term debt of \$223.6 million, \$169.1 million of which was assumed through acquisitions. We also set aside \$70.7 million in restricted cash primarily for escrow of two years of interest on the 12 1/2% Senior Notes. Net cash provided by financing activities was \$303.9 million for the six months ended June 30, 2000 consisting primarily of net proceeds from our initial public offering of approximately \$194.3 million and net proceeds from our issuance of 12 7/8% Senior Discount Notes of approximately \$181 million less repayments of long-term debt of \$76.2 million.

As of June 30, 2001, our primary sources of liquidity were approximately \$122 million in cash and cash equivalents and \$130 million of unused capacity under the Senior Secured Credit Facility.

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

We estimate that we will require approximately \$87.0 million to complete the current build-out plan and fund working capital losses through the remainder of the year 2001. The actual funds required to build-out our portion of the Sprint PCS network and to fund operating losses and working capital needs may vary materially from this estimate and additional funds could be required.

We include capital leases related to network equipment and build-out in construction in progress until service has commenced in their respective markets. Once that service has commenced, those capital leases are reclassified to property and equipment. At June 30, 2001, capital leases totaled \$1.6 million and included long-term capital lease obligations of \$1.5 million. At December 31, 2000 the capital leases totaled \$1.1 million.

DEBT COVENANT WAIVER

As of March 31, 2001, we did not meet the maximum negative EBITDA covenant under the Senior Secured Credit Facility. During the quarter ended March 31, 2001, we reported an EBITDA loss of \$16.7 million which exceeded the maximum negative EBITDA covenant by \$7.0 million.

On May 8, 2001, we obtained a waiver of any default or event of default arising from the failure to comply with the maximum negative EBITDA covenant for the quarter ended March 31, 2001 from the lending institutions under the Senior Secured Credit Facility. See the following comment regarding the changes in the Senior Secured Credit Facility and the resetting of the covenants behind the credit.

The Company met its negative EBITDA covenant for the quarter ended June 30, 2001 and we believe that the EBITDA covenants will be met for the next twelve months. Our EBITDA is directly impacted by the up front selling and marketing expenses we incur in order to grow our subscriber base. As such, greater than expected subscriber growth may impact our EBITDA negatively.

NEW NOTES OFFERING

On August 7, 2001, the Company announced that Alamosa (Delaware) will issue \$150 million face amount of senior notes (the "13 5/8% Senior Notes"). The 13 5/8% Senior Notes will mature in ten years (August 15, 2011), will carry a coupon rate of 13 5/8% payable semiannually on February 15 and August 15, beginning on February 15, 2002. The net proceeds from the sale of the 13 5/8% Senior Notes will be approximately \$140.5 million, after deducting the discounts and commissions to the initial purchasers and estimated offering expenses.

Approximately \$39 million of the proceeds of the 13 5/8% Notes Offering will be used by Alamosa (Delaware) to establish a security account (with cash or U.S. government securities) to secure on a pro rata basis the payment obligations under the 13 5/8% Senior Notes, the 12 1/2% Senior Notes and the 12 7/8% Senior Discount Notes. The balance will be used to pay down a portion of the Senior Secured Credit Facility and for general corporate purposes.

13 5/8% Senior Notes to, among other things, reduce the amount of the Senior Secured Credit Facility from \$333.0 million to \$225.0 million and modify the

Edgar Filing: ALAMOSA HOLDINGS INC - Form 10-Q

financial covenants.

For a complete description of our indebtedness, please refer to Note 6 included in Item 1. FINANCIAL STATEMENTS.

INFLATION

Management believes that inflation has not had, and is not likely to have, a material adverse effect on our results of operations.

EFFECT OF RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In July 2001, the Financial Accounting Standards Board ("FASB") issued SFAS No. 141, "Business Combinations" and SFAS No. 142, "Goodwill and Other Intangible Assets." The provisions of SFAS No. 141 will apply to all business combinations initiated after June 30, 2001, and will also apply to all business combinations accounted for by the purchase method that are completed after June 30, 2001. SFAS No. 142 should be applied in fiscal years beginning after December 15, 2001 to all goodwill and other intangible assets recognized in an entity's statement of financial position at that date, regardless of when those assets were initially recognized. Certain provisions of SFAS No. 142 will be effective for business combinations completed after June 30, 2001. The Company is in the process of evaluating the effect of the adoption of these pronouncements.
