We issued a press release (the "Press Release") on November 15, 2007 that discloses information regarding our results of operations for our fiscal quarter ended September 30, 2007. A copy of the Press Release is being furnished and included herewith as Exhibit 99.1.

The Press Release contains a non-GAAP financial measure (as that term is defined in Item 10(e) of the Commission's Regulation S-K). A statement providing a reconciliation from that non-GAAP financial measure to the most directly comparable financial measure calculated in accordance with generally accepted accounting principles is also included in the Press Release.
