ITEM 32. SALES TO SPECIAL PARTIES

None.

ITEM 33. RECENT SALES OF UNREGISTERED SECURITIES.

Genesis Financial Group, Inc. purchased 20,346 shares of our common stock (10,346 shares on August 30, 2002 and 10,000 shares on January 23, 2001) at \$10 per share, for an aggregate purchase price of approximately \$203,460. These shares were offered and sold in reliance on Section 4(2) of the Securities Act because the offers and sales were made to a single sophisticated, accredited investor and did not involve any general solicitation or advertising. No underwriters or placement agents were engaged in connection with these transactions.

ITEM 34. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Maryland General Corporation Law (the "MGCL") requires a corporation (unless its charter provides otherwise, which our company's charter does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made a party by reason of his or her service in that capacity. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses, including attorney's fees, actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those capacities unless it is established that:

- an act or omission of the director or officer was material to the matter giving rise to the proceeding and
- was committed in bad faith; or
- was the result of active and deliberate dishonesty;

II-1

- the director or officer actually received an improper personal benefit in money, property or services; or
- in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

However, under the MGCL, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. The termination of any proceeding by conviction or upon a plea of nolo contendere a

## Edgar Filing: GOVERNMENT PROPERTIES TRUST INC - Form S-11/A

or its equivalent or an entry of an order of probation prior to judgment creates a rebuttable presumption that the director or officer did not meet the requisite standard of conduct required for permitted indemnification. The termination of any proceeding by judgment, order or settlement, however, does not create a presumption that the director or officer did not meet the requisite standard of conduct for permitted indemnification.

In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of:

- a written affirmation by the director or officer of his good faith belief that he has met the standard of conduct necessary for indemnification by the corporation; and
- a written undertaking by the director or on the director's behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the director did not meet the standard of conduct.

The MGCL permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from actual receipt of an improper benefit or profit in money, property or services or active and deliberate dishonesty established by a final judgment as being material to the cause of action. Our charter contains such a provision which eliminates such liability to the maximum extent permitted by Maryland law.

Our bylaws obligate us, to the fullest extent permitted by Maryland law, to indemnify any director or former director and to pay or reimburse, in advance of final disposition of a proceeding, reasonable expenses incurred by a director or former director, if such person is or is threatened to be made a party to a proceeding by reason of his or her position as a director. In addition, our bylaws permit us, to the fullest extent permitted by Maryland law, to similarly provide indemnification and reimbursement of reasonable expenses to:

- any present or former officer, employee or agent who is made a party to the proceeding by reason of his or her service in that capacity; or
- any person who serves or has served at our request as a director, officer, employee or agent of another corporation or entity.

Our bylaws also permit us to indemnify and advance expenses to any person who served a predecessor of ours in any of the capacities described above and to any employee or agent of our company or a predecessor of our company.

We intend to enter into indemnification agreements with our directors and executive officers which will require, among other things, that we indemnify our directors to the fullest extent permitted by Maryland law, and advance to such persons all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted. Under these agreements, we must also indemnify and advance all expenses incurred by such persons seeking to enforce their rights under the indemnification agreement. Although the form of indemnification agreement offers substantially the same scope of coverage afforded by law, it provides greater assurance to the registrant's directors and executive officers and such other persons that indemnification will be available.

Insofar as the foregoing provisions permit indemnification of directors, officers or persons controlling us for liability arising under the Securities Act of 1933, as amended, we have been informed that in the opinion of the Securities and Exchange Commission, this indemnification is against public

policy as expressed in the Securities Act of 1933, as amended and is therefore unenforceable.

II-2

We intend to carry liability insurance for the benefit of our directors and executive. This insurance will generally cover claims made against our directors and officers based on their actions and omissions in connection with the carrying out of our business affairs, including claims based on state or federal securities laws.

ITEM 35. TREATMENT OF PROCEEDS FROM STOCK BEING REGISTERED.
