PROXY STATEMENT
For the Annual Meeting of Shareholders
To Be Held May 27, 2005**

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why have I received these materials?

This proxy statement and the enclosed proxy card were sent to you because our Board of Directors (the Board) is soliciting your proxy to vote at the annual meeting of shareholders to be held on May 27, 2005. You are cordially invited to attend the annual meeting and are requested to vote on the proposals described in this proxy statement. We intend to mail this proxy statement and accompanying proxy card on or about April 18, 2005 to all shareholders entitled to vote at the annual meeting.

Who is entitled to vote at the Annual Meeting?

Shareholders of record as of the close of business on April 4, 2005 will be entitled to vote at the annual meeting. On April 4, 2005, there were (i) 25,401,285 shares of common stock outstanding and entitled to vote, (ii) 242,172 shares of Series A 6.0% Participating Convertible Preferred Stock (Series A Preferred Stock) outstanding and entitled to vote, and (iii) 138,500 shares of Series B 6.0% Participating Convertible Preferred Stock (Series B Preferred Stock) outstanding and entitled to vote. Together, the Series A Preferred Stock and Series B Preferred Stock are referenced to herein as the Preferred Stock.

Shareholder of Record: Shares Registered in Your Name

If on April 4, 2005, you were a record shareholder of common stock (that is, if you held common stock or Preferred Stock in your own name in our stock records maintained by our transfer agent, Computershare Investor Services, LLC (Computershare)), you may vote in person at the annual meeting or by proxy. Whether or not you intend to attend the annual meeting, we encourage you to complete and sign the accompanying proxy card and mail it to Akorn to ensure your vote is counted.

Beneficial owner: Shares Registered in the Name of a Broker or Bank

If on April 4, 2005, you were the beneficial owner of shares of common stock held in street name (that is, a shareholder who held common stock through a broker or other nominee) then these materials are being forwarded to you by the broker or other nominee. You may direct your broker or other nominee how to vote your shares of common stock. However, you will have to obtain a proxy form from the institution that holds your shares and follow the voting instructions on the form. If you wish to attend the annual meeting and vote in person, you may not do so unless you first obtain a legal proxy issued in your name from your broker or other nominee.

What am I voting on?

There are three matters scheduled for a vote:

Election of five directors;

Approval of the Amended and Restated Akorn, Inc. 2003 Stock Option Plan; and

Table of Contents

Ratification of the selection by the Audit Committee of the Board of Directors of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005.

How do I vote?

You may either vote FOR all the nominees to the Board of Directors or you may abstain from voting for any nominee you specify. For each of the other matters to be voted on, you may vote FOR or AGAINST or abstain from voting.

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote in person at the annual meeting, or you may vote by proxy using the enclosed proxy card. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the annual meeting and vote in person if you have already voted by proxy.

To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Akorn. In order to vote, complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

Each share of common stock is entitled to one vote with respect to each matter to be voted on at the annual meeting. Each share of Preferred Stock is entitled to the number of votes equal to the number of shares of common stock into which a share of Preferred Stock can be converted on the record date. On April 4, 2005 each share of Series A Preferred Stock was convertible into 145 shares of common stock, and, therefore, each share of Series A Preferred Stock is entitled to 145 votes with respect to each matter to be voted on at the annual meeting. On April 4, 2005 each share of Series B Preferred Stock was convertible into 38 shares of common stock, and each share of Series B Preferred Stock is entitled to 38 votes with respect to each matter to be voted on at the annual meeting.

What constitutes a quorum for purposes of the annual meeting?

A quorum of shareholders is necessary to hold a valid meeting. The presence at the annual meeting in person or by proxy of the holders of a majority of the voting power of all outstanding shares of common stock and Preferred Stock entitled to vote shall constitute a quorum for the transaction of business. Proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted upon by shareholders will be treated as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on such matters. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

Table of Contents

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxy on the proxy card will vote in accordance with the recommendations of the Board. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

FOR the proposal to elect the nominated directors as set forth on page 4;

FOR the approval of Amended and Restated Akorn, Inc. 2003 Stock Option Plan, as set forth on page 6; and

FOR the ratification of the selection by the Audit Committee of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005, as set forth on page 11.

With respect to any other matter that properly comes before the annual meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion. At the date this proxy statement went to press, the Board had no knowledge of any business other than that described herein that would be presented for consideration at the annual meeting.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted FOR the election of all five nominees for director, FOR the approval of the Amended and Restated Akorn, Inc. 2003 Stock Option Plan, and FOR the ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005. If any other matter is properly presented at the annual meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

How many votes are needed to approve each proposal?

The election of directors require the affirmative vote of a plurality of the votes cast at the annual meeting by shares represented in person or by proxy and entitled to vote for the election of directors. A plurality means the highest number of FOR votes. Therefore, the five nominees receiving the most proper FOR votes will be elected. Abstention and broker non-votes will have no effect on the outcome.

The approval of the Amended and Restated Akorn, Inc. 2003 Stock Option Plan and the ratification of the selection by the Audit Committee of the Board of Directors of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005, each require a FOR vote from a majority of the votes cast. Abstentions and broker non-votes will have no effect on the outcome.

Can I change my vote after I return my proxy card?

Yes. After you have submitted a proxy card, you may change your vote at any time before the proxy card is exercised in one of three ways:

You may submit a written notice of revocation to Akorn's Secretary at 2500 Millbrook Drive, Buffalo Grove, Illinois 60089.

You may submit a proxy bearing a later date.

You may attend the annual meeting and vote in person. Attendance at the meeting will not, by itself, revoke a proxy.

Table of Contents

Who will bear the expense of soliciting proxies in connection with this proxy statement?

Akorn will bear the cost of soliciting proxies in the form enclosed. In addition to the solicitation by mail, proxies may be solicited personally or by telephone, facsimile or electronic transmission by our employees. Our employees will not receive any additional compensation for participating in proxy solicitation. We may reimburse brokers holding common stock in their names or in the names of their nominees for their expenses in sending proxy materials to the beneficial owners of such common stock.

Is there any information that I should know about future annual meetings?

Shareholder Proposals

Any shareholder who intends to present a proposal at the 2006 annual meeting of shareholders must deliver the proposal to Akorn's Corporate Secretary at 2500 Millbrook Drive, Buffalo Grove, Illinois 60089 not later than December 17, 2005, if the proposal is to be submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended.

What does it mean if I receive more than one proxy?

It means you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Computershare, located at 2 North LaSalle Street, Chicago, Illinois 60602, and may be reached at 312-588-4732.

I. PROPOSALS

PROPOSAL 1. ELECTION OF DIRECTORS

The Board has nominated five candidates for election at the annual meeting and recommends that shareholders vote FOR the election of all five nominees. All of the nominees listed below are currently directors. Our Bylaws provide for six directors, however, we intend to amend our Bylaws to provide for five directors and, as such, the Board has decided to nominate only five individuals. Mr. Arjun Waney, a director elected at our 2004 annual meeting, has chosen not to stand for re-election. Mr. Waney's decision does not relate to any disagreement with Akorn or its policies. While the Board could have nominated an additional individual to the Board, the Board has not had an opportunity to identify a suitable replacement for Mr. Waney and intends to reduce the number of directors to five.

If elected at the annual meeting, each of these nominees would serve until the 2006 annual meeting and until his or her successor is elected and has qualified, or until the director's death, resignation or removal. We encourage our directors and nominees for directors to attend our annual meetings of shareholders. Directors are elected by a plurality of the votes properly cast in person or by proxy. The five nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the five nominees named below. In the unanticipated event that one or more of such nominees is unavailable as a candidate for director, the persons named in the accompanying proxy will vote for another candidate nominated by the Board. Each person nominated for election has agreed to serve if elected. We have no reason to believe that any nominee will be unable to serve.

The following table and narrative description sets forth, as of March 31, 2005, the age, principal occupation and employment, position with us, directorships in other public corporations, and year first elected as one of our directors, of each individual nominated for election as director at the annual meeting. Unless otherwise indicated,

As of the date of this proxy statement, the Kapoor Trust has designated only Dr. Kapoor for this purpose, and is not expected to designate a second individual for nomination as a director prior to the annual meeting.

The Board of Directors recommends a vote FOR each of the named nominees in Proposal 1.

PROPOSAL 2. APPROVAL OF THE AMENDED AND RESTATED AKORN, INC. 2003 STOCK OPTION PLAN

Purpose of Proposal

On March 29, 2005, our Board amended and restated the Akorn, Inc. 2003 Stock Option Plan (the 2003 Plan), effective April 1, 2005, to promote the interests of Akorn and our shareholders by: (i) attracting and retaining exceptional directors, employees and consultants (including prospective directors, employees and consultants), and (ii) enabling such individuals to participate in the long-term growth and financial success of Akorn. The 2003 Plan as amended and restated was re-named the Amended and Restated Akorn, Inc. 2003 Stock Option Plan (the Amended and Restated 2003 Plan). Any options previously granted under the 2003 Plan shall continue in full force and effect under the terms of the 2003 Plan and shall not be changed nor modified by any terms of the Amended and Restated 2003 Plan. Our Board amended and restated the 2003 Plan to provide us with more flexibility and choice as to the types and terms of awards that we may grant to our and our affiliates employees, directors and consultants.

If our shareholders approve the Amended and Restated 2003 Plan, no further grants or awards will be issued under its prior version. The remaining shares available for issuance under the 2003 Plan will be available for issuance under the Amended and Restated 2003 Plan. If the shareholders fail to approve this proposal, the 2003 Plan will remain in existence. The following description of the Amended and Restated 2003 Plan is qualified by reference to the full text thereof, a copy of which is attached hereto as Appendix A.

Major Differences Between the 2003 Plan and the Amended and Restated 2003 Plan

The major differences between the 2003 Plan and the Amended and Restated 2003 Plan derive from our need for more flexibility in the manner in which we attempt to attract and retain exceptional directors, employees and consultants. As shown below, the major differences relate to increased discretion given to the administrator along with more variety of awards from which the administrator may choose to compensate the recipient for his or her efforts towards increasing shareholder value. For example, the Amended and Restated 2003 Plan provides for

Table of Contents

options in addition to the variety of awards described below. In comparison, only options were available as awards under the 2003 Plan.

Eligible Participants

Any director, employee or consultant (including any prospective director, employee or consultant) of Akorn and any affiliate of Akorn shall be eligible to be designated a participant in the Amended and Restated 2003 Plan for purposes of receiving awards. However, incentive stock options (ISOs) may be granted only to employees. After the annual meeting we anticipate that we will have approximately 5 directors, 313 employees and no consultants eligible to receive awards under the Amended and Restated 2003 Plan.

Plan Administration

Our Board, or one or more committees appointed by our Board, will administer the Amended and Restated 2003 Plan (in either case, the administrator). In the case of awards intended to qualify as performance based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), the committee will consist of two or more outside directors within the meaning of Section 162(m). The administrator has the power to determine the terms of the awards, including the exercise price (which may be changed by the administrator after the date of grant), the number of shares subject to each award, the exercisability of the awards and the form of consideration payable upon exercise. The administrator also has the power to implement an award exchange program (whereby awards may be exchanged or cancelled for awards with lower exercise prices or different terms), or a program through which participants may reduce cash compensation payable in exchange for awards. The administrator may also create other stock based awards that are valued in whole or in part by reference to (or are otherwise based on) shares of our common stock.

Shares Available For Awards

Subject to adjustment as provided below, the aggregate number of shares of our common stock that may be issued pursuant to awards granted under the Amended and Restated 2003 Plan is 5,000,000. As of April 1, 2005, 2,238,875 options were granted under the 2003 Plan, leaving 2,761,125 shares of our common stock that may be issued pursuant to awards under the Amended and Restated 2003 Plan. Notwithstanding the foregoing, the maximum number of shares that may be issued pursuant to ISOs granted under the Amended and Restated 2003 Plan is 300,000, including ISOs that are outstanding or have been exercised. No ISOs have been granted as of the date of April 1, 2005, leaving 300,000 available for issuance as of such date.

If an award expires or is terminated or canceled without having been exercised or settled in full, it is forfeited back to or repurchased by us, the terminated portion of the award (or forfeited or repurchased shares subject to the award) will become available for future grant or sale under the Amended and Restated 2003 Plan (unless it has terminated). Shares are not deemed to be issued under the Amended and Restated 2003 Plan with respect to any portion of an award that is settled in cash. If the exercise or purchase price of an award is paid for through the tender of shares, or withholding obligations are met through the tender or withholding of shares, those shares tendered or withheld will again be available for issuance under the Amended and Restated 2003 Plan.

Awards

The Amended and Restated 2003 Plan provides for the grant of options intended to qualify as ISOs under Section 422 of the Code to our and our affiliates employees and non-statutory stock options (NSOs), stock appreciation rights, restricted stock awards, restricted stock units, unrestricted stock awards, performance unit awards, performance share awards and other stock based awards (each, an award) to our and our affiliates directors, employees and consultants.

Table of Contents

Stock Options. An option is the right to purchase shares of our common stock at a fixed exercise price for a fixed period of time. The administrator may grant both ISOs and NSOs under the Amended and Restated 2003 Plan. Except as otherwise determined by the administrator in an award agreement, the exercise price for options cannot be less than the fair market value (as defined in the Amended and Restated 2003 Plan) of our common stock on the date of grant. The term of each option will be determined by the administrator; provided that no ISO will be exercisable after the tenth anniversary of the date the option is granted. In the case of ISOs granted to an employee who, at the time of the grant of an option, owns stock representing more than 10% of the voting power of all classes of our stock or the stock of any of our affiliates, the exercise price cannot be less than 110% of the fair market value of a share of our common stock on the date of grant and its term will be five years or less from the date of grant. All options granted under the Amended and Restated 2003 Plan will be NSOs unless the applicable award agreement expressly states that the option is intended to be an ISO. No participant shall be granted more than 500,000 options in any one year.

Options shall vest and become exercisable as determined by the administrator. The exercise price will be payable with cash (or its equivalent) or by other methods as permitted by the administrator to the extent permitted by applicable law.

If a participant's employment or relationship with us is terminated, the participant (or his or her designated beneficiary or estate representative in the case of death) may exercise his or her option within such period of time as is specified in the award agreement to the extent that the option is vested on the date of termination. In the absence of a specified time in the award agreement, the option will remain exercisable for three months following the date of termination, except in the case where termination is as a result of disability or death, in which case the option will remain exercisable for 12 months following the date of termination or death.

The administrator may at any time offer to buy out an option previously granted for a payment in cash or shares of our common stock based on such terms and conditions as the administrator shall establish and communicate to the participant at the time that such offer is made.

Restricted Stock. Restricted stock awards are awards of shares of our common stock that vest in accordance with terms and conditions established by the administrator. The administrator may impose whatever conditions to vesting it determines to be appropriate. The administrator will determine the number of shares of restricted stock granted to any employee. The administrator determines the purchase price of any grants of restricted stock and, unless the administrator determines otherwise, shares that do not vest typically will be subject to forfeiture or to our right of repurchase, which we may exercise upon the voluntary or involuntary termination of the purchaser's service with us for any reason including death or disability. Holders of restricted stock may exercise voting rights with respect to such stock, unless the administrator determines otherwise. During the period of restriction, holders of restricted stock will be entitled to receive all dividends and other distributions paid with respect to such stock unless otherwise provided in the award agreement. If any such dividends or distributions are paid in our shares of common stock, such shares will be subject to the same restrictions on transferability and forfeitability as the restricted stock with respect to which they were paid.

Unrestricted Stock. Subject to the terms of an award agreement, a participant may be awarded (or sold at a discount) shares of our common stock that are not subject to restrictions, in consideration for past services rendered to us, our affiliates or for other valid consideration.

Stock Appreciation Rights. A stock appreciation right is the right to receive an amount equal to the appreciation in the fair market value of our common stock between the exercise date and the date of grant, for that number of shares of our common stock with respect to which the stock appreciation right is exercised. We may pay the appreciation in either cash, in shares of our common stock with equivalent value, or in some combination, as determined by the administrator and in conformance with Section 409A of the Code. The administrator determines the exercise price of stock appreciation rights, the vesting schedule and other terms and conditions of stock appreciation rights; however, stock appreciation rights expire under the same rules that apply to

Table of Contents

stock options. The administrator may at any time offer to buy out for a payment in cash or shares of our common stock a stock appreciation right previously granted based on such terms and conditions as the administrator shall establish and communicate to the participant at the time that such offer is made.

Performance Units and Performance Shares. Performance units and performance shares are awards that will result in a payment to a participant only if performance goals established by the administrator are achieved or the awards otherwise vest. The administrator will establish performance goals in its discretion, which, depending on the extent to which they are met, will determine the number and/or value of performance units and performance shares to be paid to the participant. The performance goals may be based upon the achievement of Akorn, divisional or individual goals or objectives, securities laws or any other basis determined by the administrator. Payment for performance units and performance shares may be made in cash or in shares of our common stock with equivalent value, or in some combination, as determined by the administrator. Performance units will have an initial dollar value established by the administrator prior to the grant date. Performance shares will have an initial value equal to the fair market value of our common stock on the grant date.

Restricted Stock Units. Restricted stock units are awards of restricted stock, performance shares and/or performance units that are paid out in installments or on a deferred basis as determined by the administrator in its sole discretion in accordance with rules and procedures established by the administrator and in conformance with Section 409A of the Code.

Other Stock Based Awards. The administrator has the authority to create awards under the Amended and Restated 2003 Plan in addition to those specifically described in the Amended and Restated 2003 Plan. These awards must be valued in whole or in part by reference to, or must otherwise be based on, the shares of our common stock.

Transferability of Awards

Generally, unless the administrator determines otherwise, our Amended and Restated 2003 Plan does not allow for the transfer of awards other than by will or by the laws of descent and distribution, and only the participant may exercise an award during his or her lifetime.

Amendment and Termination of the Amended and Restated 2003 Plan

The Board may at any time amend, alter, suspend or terminate the Amended and Restated 2003 Plan. Unless sooner terminated, the Amended and Restated 2003 Plan shall terminate on November 6, 2013, the date that is 10 years from the date the 2003 Plan was originally adopted by the Board.

Effectiveness

The amendment and restatement of the 2003 Plan was effective as of April 1, 2005, subject to shareholder approval.

Liquidation or Dissolution of Akorn

In the event of the proposed dissolution or liquidation of Akorn, the administrator will notify each participant as soon as practicable prior to the effective date of such proposed transaction. The administrator in its discretion may provide for a participant to have the right to exercise his or her award, to the extent applicable, until 10 days prior to such transaction as to all of the stock covered thereby, including shares of our common stock as to which such award would not otherwise be exercisable. In addition, the administrator may provide that any Akorn repurchase option or forfeiture rights applicable to any award shall lapse 100%, and that any award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised or vested, an award will terminate immediately prior to the consummation of such proposed action.

Table of Contents**Change in Control**

Generally, in the event Akorn experiences a change in control, as that term is defined in the Amended and Restated 2003 Plan, it is anticipated that awards will be assumed by the successor corporation or that the successor corporation will substitute an equivalent award in its place. However, if the successor corporation refuses to assume or substitute the outstanding award, then the administrator may provide that the vesting of any award shall accelerate 100%. If accelerated, the administrator shall give the recipient 15 days notice from which to exercise the vested awards. At the end of such 15-day period, the awards shall terminate if they are not exercised.

Federal Income Tax Consequences***To the Optionees or Recipients.***

NSOs. An optionee generally will not recognize any income for federal income tax purposes on the grant of an NSO. Upon the exercise of an NSO, an optionee generally will recognize compensation taxable as ordinary income, equal to the difference between the fair market value of our common stock on the date of exercise and the exercise price. This compensation is subject to withholding taxes. An optionee will recognize gain or loss on the sale or exchange of stock acquired pursuant to an exercise of an NSO. Such gain or loss will be equal to the difference between the optionee's adjusted basis in the stock, which will include the exercise price and any ordinary income recognized on exercise of the option, and the fair market value of the stock on the date of sale or exchange. The gain may be subject to preferential tax treatment if the stock has been held for more than one year.

ISOs. An optionee will not recognize any income for federal income tax purposes on the grant of an ISO. Upon the exercise of an ISO, tax is deferred until the underlying stock is sold (though the spread at exercise may be a tax preference for purposes of the Alternative Minimum Tax). When sold, the ISO is taxed at the capital gains rate on the full amount of appreciation for the sales proceeds over the option cost, provided the employee has satisfied the holding period prescribed for ISOs—the longer of two (2) years from the date of grant or one (1) year from the date of exercise. If the ISO stock is sold within the holding period, the option is taxed as an NSO.

Restricted Stock. Generally, a recipient recognizes no income from the grant of a restricted stock award until the grant is no longer subject to a substantial risk of forfeiture. Upon the lapse of a substantial risk of forfeiture (i.e., the restricted stock becomes vested), the recipient has taxable income equal to the excess of the fair market value of the restricted stock over the amount paid. Upon a later disposition, the computation of taxable gain will take into account any previous taxes paid, and the gain may be subject to preferential tax treatment if the restricted stock has been held for more than one year.

Unrestricted Stock. Unrestricted stock generally has the same tax consequences as restricted stock.

Stock Appreciation Rights. A recipient of a stock appreciation right will generally recognize ordinary income for federal income tax purposes, the timing of which depends on the terms of the underlying award agreement and Section 409A of the Code.

Performance Units and Performance Shares. A recipient of a performance unit/share generally recognizes no income until the performance objectives are satisfied. If the payout is in stock, the recipient has taxable income equal to the excess of the fair market value of the stock over the amount paid. Upon a later disposition, the computation of taxable gain will take into account any previous taxes paid, and the gain may be subject to preferential tax treatment if the stock has been held for more than one year. If the payout is in cash, the recipient has ordinary income equal to the amount of cash received.

Restricted Stock Units. Restricted stock units must comply with Section 409A of the Code, and will be taxed in accordance with the terms of its underlying award agreement.

Other Stock Based Awards. The taxation of other stock based awards depends on the nature of the award.

Table of Contents**To Akorn.**

With the exception of ISO awards, we generally are entitled to a business expense deduction at the time and in the amount that the optionee/recipient recognizes ordinary income in connection with the grant or exercise of the award. As to grants of ISOs, we generally receive no deduction associated with such grant except when the recipient has a disqualifying disposition. Upon a disqualifying disposition, the option loses its ISO status, converts to a NSO, and is taxed accordingly.

PROPOSAL 3. RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board is seeking shareholder ratification of its selection of BDO Seidman, LLP (BDO) to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2005.

On April 24, 2003, our previous independent accountant, Deloitte & Touche LLP (Deloitte) notified us that it would decline to stand for re-election as our independent accountant after completion of its audit of our consolidated financial statements as of and for the year ended December 31, 2002. Deloitte completed its audit and delivered its auditors report, dated May 9, 2003, on May 20, 2003. Deloitte then advised us that the client-auditor relationship between Deloitte and us had ceased.

Deloitte s reports on our consolidated financial statements for the years ended December 31, 2002 and 2001 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty,

Table of Contents

audit scope or accounting principles, except that Deloitte's report on our 2001 financial statements included an explanatory paragraph relating to the restatement of such financial statements discussed in Note S thereto, and its reports on our 2001 and 2002 consolidated financial statements included an explanatory paragraph relating to the uncertainty with respect to our ability to continue as a going concern.

During the two fiscal years ended December 31, 2002 and 2001, and the subsequent interim period through the date of this report, there were no disagreements between us and Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference to the subject matter of the disagreement in connection with its reports on our financial statements.

Except as set forth in the next paragraph, during the two most recent fiscal years and the subsequent interim period through the date of this report, there have been no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

Deloitte informed us that, in connection with its audit of our consolidated financial statements for the year ended December 31, 2002, it noted certain matters involving our internal controls that Deloitte considers to be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Deloitte concluded that the following matters constitute material weaknesses: (i) failure to analyze accounts receivable in a sufficient level of customer detail to enable management to adequately calculate an allowance for doubtful accounts; (ii) misstatements in fixed assets, including unrecorded disposals, balances for abandoned construction projects that had not been written off, the use of incorrect useful lives, failure to prepare and review fixed asset roll forward schedules and reconciliations on a timely basis and failure to take a physical inventory of fixed assets in several years; and (iii) when taken together, incomplete internal control documentation, inadequate communication of transactions and contract terms affecting financial results, untimely preparation and inadequate management review of analyses, inadequate documentation and analysis to support the assumptions used to calculate various account balances, and inadequate controls over manual journal entries. Deloitte further advised us that it believes that these material weaknesses constitute a reportable event as that term is defined in Item 304(a)(1)(v) of Regulation S-K. Our Audit Committee discussed these matters with Deloitte.

We have reviewed the matters identified by Deloitte and have concluded that the misstatements identified by Deloitte are the result of errors and not fraud. Although we do not necessarily agree with Deloitte's judgment that there are material weaknesses in our internal controls, we decided to promptly conduct a full review of our internal controls and put in place procedures designed to address all relevant internal control issues, including those identified by Deloitte. We also began the process of selecting a new independent accountant.

On October 22, 2003, upon recommendation of the Audit Committee and approval by our Board, we engaged BDO as our independent registered public accounting firm.

During the fiscal years ended December 31, 2002 and 2001 and any subsequent interim period preceding the engagement of BDO, neither us nor anyone on our behalf had consulted BDO regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements or (ii) any matter that was the subject of a disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K, or a reportable event, as defined in Item 304(a)(1)(v) of Regulation S-K.

We expect representatives of BDO to attend the annual meeting, have an opportunity to make a statement if they so desire and be available to respond to appropriate questions from shareholders regarding our audit for the year ended December 31, 2004.

All Other Fees

There were no additional fees paid to BDO during the years ended December 31, 2004 and 2003.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has considered whether the provision of services covered in the preceding paragraphs is compatible with maintaining BDO's independence. At their regularly scheduled and special meetings, the Audit Committee of the Board considers and pre-approves any audit and non-audit services to be performed for us by our independent registered public accounting firm. For 2004, those pre-approved audit, audit-related, tax and all other services represented 78%, 16%, 6% and 0%, respectively, of all services that year.

The Board of Directors unanimously recommends that you vote FOR the ratification of BDO Seidman, LLP as our independent registered public accounting firm for fiscal year 2005.

In 1973, Mr. Waney founded Beeba's Creations Inc., now known as Nitches Inc., a U.S. apparel importer and wholesaler that went public in 1982. Mr. Waney has chosen not to stand for re-election. Mr. Waney's decision does not relate to any disagreement with Akorn or its policies.

Details of the principal occupation of Mr. Kapoor, Mr. Przybyl, Mr. Ellis, Mr. Johnson and Mr. Treppel are included in this proxy statement under the heading PROPOSAL 1. ELECTION OF DIRECTORS and are incorporated herein by reference.

Independence of the Board of Directors

Our common stock is traded on the American Stock Exchange (AMEX). The Board has determined that a majority of the members of the Board qualify as independent, as defined by the AMEX listing standards. Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and Akorn, its senior management and its independent auditors, the Board has determined further that all of our directors are independent directors within the meaning of Section 121(A) of AMEX's listing standards, except for Mr. Przybyl, our President and Chief Executive Officer and Dr. Kapoor, our former Chief Executive Officer.

Executive Sessions of Independent Directors

Our independent directors will meet regularly in executive sessions where only independent directors are present. Persons interested in communicating with the independent directors may address correspondence to a particular director, or to the independent directors generally, in care of Corporate Secretary, Akorn, Inc., 2500 Millbrook Drive, Buffalo Grove, Illinois 60089.

Committees of the Board

The Board has three committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee, with the members of each committee indicated below.

The Audit Committee consists of Mr. Ellis (Chairman), Mr. Johnson and Mr. Treppel.

The Compensation Committee consists of Mr. Johnson (Chairman), Mr. Waney, Mr. Ellis and Mr. Treppel.

The Nominating and Corporate Governance Committee consists of Mr. Treppel (Chairman), Mr. Waney, Mr. Ellis and Mr. Johnson.

The composition of Board committees is reviewed and determined each year at the initial meeting of the Board after the annual meeting of shareholders. During the year ended December 31, 2004, our Board held twenty-four (24) meetings. Other than Messrs. Johnson and Waney, all of the directors attended at least 75% of the aggregate number of meetings of the Board and of the Board committees on which they serve. The Board asks that all members of the Board attend the annual meeting of shareholders. With the exception of Mr. Waney, all members of the Board attended the 2004 annual meeting.

Audit Committee

The Audit Committee of the Board oversees our corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on our audit engagement team as required by law; confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by Akorn regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; reviews and approves all related party transactions; reviews the financial statements to be included in our Annual Report on Form 10-K and quarterly reports on Form 10-Q; and discusses with management and the independent auditors the results of the annual audit and the results of the reviews of our quarterly financial statements. The Audit Committee met eight (8) times during the 2004 fiscal year. The Audit Committee has adopted a written Audit Committee Charter.

The Board has reviewed the AMEX listing standards definition of independence for Audit Committee members and has determined that all members of our Audit Committee are independent under Section 121(B) of AMEX's listing standards. The Board has determined that Mr. Ellis qualifies as an audit committee financial expert, as defined in applicable Securities Exchange Commission (SEC) rules. The Board made a qualitative assessment of Mr. Ellis' level of knowledge and experience based on a number of factors, including his formal education, his experience as a Partner with Arthur Andersen LLP, and his experience as a director of First Horizon Pharmaceutical Corporation (a distributor of pharmaceuticals). The Board has determined that such simultaneous service does not impair Mr. Ellis' ability to effectively serve on the Audit Committee.

Compensation Committee

The Compensation Committee, which met two (2) times during 2004, reviews and approves the overall compensation strategy and policies for Akorn. The Compensation Committee reviews and approves corporate performance goals and objectives relevant to the compensation of our executive officers and other senior

Table of Contents

management; reviews and approves the compensation and other terms of employment of our Chief Executive Officer; reviews and approves the compensation and other terms of employment of the other executive officers; and administers equity awards and stock purchase plans. Each member of the Compensation Committee has been determined by the Board to be an independent member under Section 121(A) of AMEX's listing standards. Mr. Waney served as Chairman of the Compensation Committee during 2004 and until Mr. Johnson's election by the Board on March 29, 2005.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and processes regarding corporate governance matters, assessing Board membership needs and making recommendations regarding potential director candidates to the Board. A current copy of the Nominating and Corporate Governance Committee Charter, which has been adopted and approved by the Board, is available on our website at <http://www.akorn.com> (the contents of such website are not incorporated into this proxy statement). Each member of the Nominating and Corporate Governance Committee has been determined by the Board to be an independent member under Section 121(A) of AMEX's listing standards. The Nominating and Corporate Governance Committee met once during the 2004 fiscal year.

The Board believes that candidates for director should have certain minimum qualifications, including being able to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Board also considers such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of Akorn, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our shareholders. However, the Board retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of Akorn and the long-term interests of shareholders. In conducting this assessment, the Board considers skills, diversity, age, and such other factors as it deems appropriate given the current needs of the Board and Akorn, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Board and the Nominating and Corporate Governance Committee review such directors' overall service to Akorn during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Board also determines whether the nominee must be independent, which determination is based upon applicable SEC and AMEX rules.

The Board members should possess such attributes and experience as are necessary to provide a broad range of personal characteristics including diversity, management skills, and pharmaceutical industry, financial, technological, business and international experience. Directors selected should be able to commit the requisite time for preparation and attendance at regularly scheduled Board and any committee meetings, as well as be able to participate in other matters necessary for good corporate governance.

In order to find a Board candidate, the Board uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Board conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Board meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. To date, the Board has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, the Board has not rejected a director nominee from a shareholder or shareholders.

Although there is no formal procedure for shareholders to recommend nominees for the Board, the Nominating and Corporate Governance Committee will consider such recommendations if received one hundred

Table of Contents

twenty (120) days in advance of the annual meeting. Such recommendations should be addressed to the Nominating and Corporate Governance Committee at our address and provide all information relating to such person that the shareholder desires to nominate that is required to be disclosed in solicitation of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended. The Board does not believe that a formal procedure for shareholders to recommend nominees for the Board is necessary because every effort has been made to ensure that nominees recommended by shareholders are given appropriate consideration by the Nominating and Corporate Governance Committee. During the upcoming year, the Nominating and Corporate Governance Committee will give full consideration to the adoption of a formal process for shareholders to recommend nominees for the Board and, if adopted, publish it promptly and post it to the Akorn website.

Communications with the Board

Historically, we have not adopted a formal process for shareholder communications with the Board. Nevertheless, every effort has been made to ensure that the views of shareholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to shareholders in a timely manner. We believe our responsiveness to shareholder communications to the Board has been excellent. During the upcoming year, the Nominating and Corporate Governance Committee will give full consideration to the adoption of a formal process for shareholder communications with the Board and, if adopted, publish it promptly and post it to the Akorn website.

Director Compensation

Each director who is not one of our salaried officers receives a fee for his services as a director of \$2,500 per regular meeting of the Board, \$500 per telephone meeting and \$500 per committee meeting, plus reimbursement of expenses related to thereto. On March 29, 2005, the Board also approved an annual retainer to each independent director in the amount of \$10,000 and annual compensation of \$2,500 for the chairs of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

All of our directors have participated in the 2003 Plan. Under the 2003 Plan, independent directors were granted an option to acquire 10,000 shares of our common stock in both January 2004 and April 2005 and are to receive options to acquire 10,000 shares of our common stock each calendar year thereafter in which such director serves. Any director appointed between annual meetings would receive a pro rata portion of an option to acquire 10,000 shares. Options granted under the 2003 Plan vest immediately and expire five years from the date of grant.

On March 29, 2005, our Board approved the Amended and Restated 2003 Plan, subject to the approval of our shareholders at our annual shareholders meeting. The Amended and Restated 2003 Plan is an amendment and restatement of the 2003 Plan and provides us with the ability to grant other types of equity awards to eligible participants besides stock options. Under the Amended and Restated 2003 Plan we intend to continue to make similar yearly grants to directors as have been made under the 2003 Plan. For additional information regarding the Amended and Restated 2003 Plan, see PROPOSAL 2: APPROVAL OF THE AMENDED AND RESTATED AKORN, INC. 2003 STOCK OPTION PLAN above.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews Akorn's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that Akorn's consolidated financial statements were

Table of Contents

prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from Akorn and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

The Audit Committee has also considered whether the independent auditors' provision of non-audit services to Akorn is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited consolidated financial statements in Akorn's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mr. John N. Kapoor, Ph.D., our current Chairman of the Board and Chief Executive Officer from March 2001 to December 2002, and a principal shareholder, is affiliated with EJ Financial Enterprises, Inc., a health care consulting investment company (EJ Financial). EJ Financial is involved in the management of health care companies in various fields, and Dr. Kapoor is involved in various capacities with the management and operation of these companies. The John N. Kapoor Trust dated September 20, 1989 (the Kapoor Trust), the beneficiary and sole trustee of which is Dr. Kapoor, is a principal shareholder of each of these companies. As a result, Dr. Kapoor does not devote his full time to our business. Although such companies do not currently compete directly with us, certain companies with which EJ Financial is involved are in the pharmaceutical business. Discoveries made by one or more of these companies could render our products less competitive or obsolete. We also owe EJ Financial \$10,500, \$18,000, \$18,000 and \$18,000 in consulting fees for each of 2004, 2003, 2002 and 2001, respectively, as well as expense reimbursements of approximately \$1,700, \$1,900, \$2,000 and \$182,000 for 2004, 2003, 2002 and 2001, respectively. Further, the Kapoor Trust has loaned us \$5,000,000 resulting in Dr. Kapoor becoming one of our major creditors as well as a major shareholder.

On July 12, 2001, we entered into a \$5,000,000 subordinated debt transaction with the Kapoor Trust. The transaction is evidenced by a Convertible Bridge Loan and Warrant Agreement (the Trust Agreement) in which the Kapoor Trust agreed to provide two separate tranches of funding in the amounts of \$3,000,000 (Tranche A) and \$2,000,000 (Tranche B). As part of the consideration provided to the Kapoor Trust for the subordinated debt, we issued the Kapoor Trust two warrants which allow the Kapoor Trust to purchase 1,000,000 shares of common stock at a price of \$2.85 per share and another 667,000 shares of common stock at a price of \$2.25 per share. The exercise price for each warrant represented a 25% premium over the share price at the time of the Kapoor Trust's commitment to provide the subordinated debt. All unexercised warrants will expire on December 20, 2006.

Under the terms of the Trust Agreement, the subordinated debt bears interest at prime plus 3%, which is the same rate we pay on our senior debt. Pursuant to the terms of a subordination agreement, interest cannot be paid to the Kapoor Trust until the repayment of our senior debt under a credit facility (Credit Facility) with LaSalle Bank National Association (LaSalle Bank). Should the subordination agreement be terminated, interest may be paid sooner. The convertible feature of the Trust Agreement, as amended, allows for conversion of the

Table of Contents

subordinated debt plus interest into our common stock at a price of \$2.28 per share of common stock for Tranche A and \$1.80 per share of common stock for Tranche B.

In December 2001, we entered into a \$3,250,000 five-year loan with NeoPharm, Inc. (NeoPharm) to fund our efforts to complete our lyophilization facility located in Decatur, Illinois. Under the terms of the NeoPharm promissory note, dated December 20, 2001, evidencing the loan (the NeoPharm Promissory Note), interest accrued at the initial rate of 3.6% to be reset quarterly based upon NeoPharm's average return on its cash and readily tradable long and short-term securities during the previous calendar quarter. The principal and accrued interest is due and payable on or before maturity on December 20, 2006. The note provides that we will use the proceeds of the loan solely to validate and complete the lyophilization facility located in Decatur, Illinois. In consideration for the loan, under a separate manufacturing agreement between us and NeoPharm, we, upon completion of the lyophilization facility, agree to provide NeoPharm with access to at least 15% of the capacity of our lyophilization facility each year. The NeoPharm Promissory Note is subordinated to our senior debt owed to LaSalle Bank but is senior to our subordinated debt owed to the Kapoor Trust. Dr. John N. Kapoor, our Chairman, is also a director of NeoPharm and holds a substantial stock position in that company as well as in us.

Commensurate with the completion of the NeoPharm Promissory Note between Akorn and NeoPharm, we entered into an agreement with the Kapoor Trust, which amended the Trust Agreement. The amendment extended the Trust Agreement to terminate concurrently with the NeoPharm Promissory Note on December 20, 2006. The amendment also made it possible for the Kapoor Trust to convert the interest accrued on Tranche A into common stock of Akorn. Previously, the Kapoor Trust could only convert the interest accrued on Tranche B.

On October 6, 2004, we received a notice from NeoPharm indicating that an event of default had occurred on the outstanding NeoPharm Promissory Note. The notice stated that an event of default was triggered when a processing agreement between NeoPharm and us which was contractually obligated to go into effect on or before October 1, 2004, failed to occur. The processing agreement failed to become effective, in part, because of an inability to remove the sanctions imposed by the FDA on our Decatur manufacturing facility. The event of default under the NeoPharm Promissory Note also triggered a cross-default provision under the Trust Agreement and the Credit Facility. The Kapoor Trust has waived the cross-default. On October 8, 2004, we entered into a Third Amendment to the Credit Facility (Third Amendment) with our senior lender, LaSalle Bank. Among other things, the Third Amendment amended certain of the financial covenants and LaSalle Bank agreed to waive certain events of default arising out of noncompliance with certain obligations, including noncompliance arising from the event of default under the NeoPharm Promissory Note. Pursuant to a subordination agreement with LaSalle Bank, we may not make any payments to NeoPharm and NeoPharm may not enforce any remedies against us under the NeoPharm Promissory Note, until the senior debt is paid in full and the commitment for the senior debt is terminated. Consequently, NeoPharm cannot take any actions that would have an adverse financial impact to us. However, because of this default, we recorded the \$3,250,000 of debt and \$362,000 of accrued interest as current obligations as of December 31, 2004. We are currently trying to resolve this matter with NeoPharm.

In connection with an exchange transaction completed in October 2003, we issued certain subordinated promissory notes (the 2003 Subordinated Notes) to the Kapoor Trust, Arjun Waney and Argent Fund Management, Ltd. The 2003 Subordinated Notes mature on April 7, 2006 and bear interest at prime plus 1.75%, but interest payments are currently prohibited under the terms of the subordination arrangements described below. The 2003 Subordinated Notes are subordinated to the Credit Facility and the NeoPharm Promissory Note but senior to the Trust Agreement. We also issued to the holders of the 2003 Subordinated Notes warrants to purchase an aggregate of 276,714 shares of common stock with an exercise price of \$1.10 per share.

In 2004, we paid approximately \$92,000 for consulting fees to Quintiles, Inc., a firm at which Mr. Johnson, one of our directors, is employed.

IV. EXECUTIVE COMPENSATION AND OTHER INFORMATION
COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General. The Compensation Committee of the Board, consisting of directors Arjun C. Waney, Ronald M. Johnson, Jerry I. Treppel and Jerry N. Ellis, none of whom are one of our employees, reviews, analyzes and makes recommendations to the full board related to compensation for our executive officers, evaluates the performance of the Chief Executive Officer and administers the grant of equity awards under our Incentive Compensation Program.

Compensation Objectives. The Compensation Committee believes that compensation for the executive officers should be determined in a manner which emphasizes increasing value for shareholders. Based upon this objective, the Compensation Committee's Incentive Compensation Program is designed to pay base salaries to executives at levels that enable us to attract, motivate and retain capable executives. In addition, the Compensation Committee may recommend annual cash bonuses as well as equity awards as a component of compensation and/or as a reward for performance based upon: (i) individual performance, (ii) our operating and financial results and departmental goals, and (iii) other performance measures. Stock awards, which are made at the fair market value

Table of Contents

of the common stock on the grant date, may provide substantial rewards to executives as shareholders benefit from stock price appreciation. Consistent with this overall philosophy, the Compensation Committee's specific objectives are to:

align the financial interests of executive officers with those of shareholders by providing equity-based incentives;

allow for the awarding of variable cash bonus compensation payments that take into account the overall company performance, individual contributions and other factors that increase shareholder value; and

emphasize performance-based and equity-based compensation for executive officers which rewards performance that exceeds targeted goals, but, in particular, focuses more on overall company performance, and individual contribution to the achievement of established departmental and company goals, and less on comparable market place compensation comparisons in determining the amount of equity-based compensation and annual cash bonuses.

Components of Compensation. There are three major elements of executive officer compensation: (i) base salary, (ii) annual cash bonus awards, and (iii) equity-based incentive awards. Executive officers also receive other standard benefits, including medical, disability and life insurance and, in certain instances, a car allowance.

The Compensation Committee uses its subjective judgment in determining executive officer compensation levels and takes into account both qualitative and quantitative factors. Among the factors considered by the Compensation Committee are the recommendations of our CEO, with respect to the compensation of other key executive officers.

While the Compensation Committee considers compensation practices and financial performance of companies in our industry and other comparable companies, the Compensation Committee does not target total executive compensation or any component thereof to any particular point within, or outside, the range of companies in our industry and other comparable companies' results. Specific compensation for individual officers will vary from these levels as a result of subjective factors considered by the Compensation Committee unrelated to compensation practices of comparable companies.

Base Salary. Each of our executives receives a base salary. We target base pay at the level believed necessary to attract and retain capable executives. In determining salaries, the Compensation Committee also takes into account, among other factors, individual experience and performance and specific needs particular to us. In some cases, the amount of base salary may be determined by the provisions of an employment contract entered into with the individual that may provide for predetermined increases.

Bonus. In addition to base salary, executive officers are eligible to receive an annual cash bonus. Bonuses are determined based upon the achievement of qualitative and quantitative individual, departmental and, especially, company performance. Bonuses may be made in the form of an equity award in lieu of cash, depending on Akorn's liquidity at the time. Based on our recent performance, the Compensation Committee did not award any bonuses in the calendar years 2002, 2003 or 2004.

Equity Awards. The Compensation Committee believes that it is important for executives to have an equity stake in us, and, toward this end, makes equity award grants to key executives from time to time. In making awards, the Compensation Committee reviews our needs in obtaining or retaining a particular individual's services, the awards granted to other executives and the individual officer's specific role and contribution to us. During fiscal 2003 and 2004, option grants were made to Mr. Przybyl, and in 2004 to Mr. Whitnell, in order to retain their services and align their interests with shareholders.

Chief Executive Officer Compensation. Mr. Przybyl agreed to assume the duties of CEO in January 2003. Mr. Przybyl received a base salary for his service as CEO of \$260,000. In 2004 the Board, upon the recommendation of the Compensation Committee, approved a salary increase for Mr. Przybyl to \$305,000 per

Table of Contents

year, effective January 1, 2004. The Board and the Compensation Committee determined that Mr. Przybyl had earned this salary increase because of his efforts to retire Akorn's then existing senior debt in connection with an exchange transaction which closed in October of 2003. In addition, the Compensation Committee recommended, and the Board approved, an additional increase to Mr. Przybyl's salary of \$45,000 per year, for an aggregate salary of \$350,000 per year, subject to successful achievement of future company performance objectives.

Tax Deduction for Compensation. It is the responsibility of the Committee to address the issues raised by tax laws under which certain non-performance based compensation in excess of \$1 million per year paid to executives of public companies is non-deductible to us and to determine whether any actions with respect to this limit need to be taken by us. It is not anticipated that any of our executive officers will receive any compensation in excess of this limit.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially means extra convenience for shareholders and cost savings for companies.

This year, brokers with account holders who are Akorn shareholders may be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker and direct your written request to Akorn, Inc., Attention: Investor Relations, 2500 Millbrook Drive, Buffalo Grove, Illinois 60089 or call 847.279.6156. Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

OTHER MATTERS

Management is unaware of any matter for action by shareholders at the meeting other than those described in the accompanying notice. The enclosed proxy, however, will confer discretionary authority with respect to any other matter that may properly come before the annual meeting, or any adjournment thereof. It is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on any such matter.

By Order of the Board of Directors

(c) To determine the number of Shares to be covered by each Award granted hereunder.

(d) To approve forms of agreement for use under the Plan.

(e) To determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture or repurchase restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator will determine in its sole discretion.

(g) To institute an Exchange Program.

(h) To construe and interpret the terms of the Plan and Awards granted pursuant to the Plan, and to establish, amend and revoke rules and regulations for its administration.

All elections by a Participant to have Shares or cash withheld for this purpose will be made in such form and under such conditions as the Administrator may deem necessary or advisable.

(l) To authorize any person to execute on behalf of the Corporation any instrument required to affect the grant of an Award previously granted by the Administrator.

AND

3.3 Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards.

ARTICLE 4

STOCK SUBJECT TO THE PLAN

4.1 Stock Subject to the Plan. Subject to the provisions of this Article 4 and Article 13 of the Plan, the maximum aggregate number of Shares that may be issued under the Plan is 5,000,000, of which the maximum number of Shares that may be delivered pursuant to Incentive Stock Options granted under the Plan shall be 300,000. The Shares may be authorized and unissued, or reacquired Common Stock. Shares shall not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is paid in cash. Upon payment in Shares pursuant to the exercise of an Award, the number of Shares available for issuance under the Plan shall be reduced only by the number of Shares actually issued in such payment. If a Participant pays the exercise price (or purchase price, if applicable) of an Award through the tender of Shares, or if Shares are tendered or withheld to satisfy any Corporation withholding obligations, the number of Shares so tendered or withheld shall again be available for issuance pursuant to future Awards under the Plan.

4.2 Lapsed Awards. If any outstanding Award expires or is terminated or canceled without having been exercised or settled in full, or if Shares acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Corporation, the Shares allocable to the terminated portion of such Award or such forfeited or repurchased Shares shall again be available for grant under the Plan.

4.3 Adjustments for Changes in Capitalization and Similar Events. In the event the Administrator determines that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Corporation, issuance of warrants or other rights to purchase Shares or other securities of the Corporation, or other similar corporate transaction or event

Table of Contents

affects the Shares such that an adjustment is determined by the Administrator in its discretion to be appropriate or desirable, then the Administrator shall:

(a) in such manner as it may deem equitable or desirable, adjust any or all of (i) the number of Shares or other securities of the Corporation (or number and kind of other securities or property) with respect to which Awards may be granted, including (1) the aggregate number of Shares that may be delivered pursuant to Awards granted under the Plan, as provided in Section 4.1 of the Plan, and (2) the maximum number of Shares or other securities of the Corporation (or number and kind of other securities or property) with respect to which Awards may be granted to any Participant in any fiscal year of the Corporation, and (ii) the terms of any outstanding Award, including (1) the number of Shares or other securities of the Corporation (or number and kind of other securities or property) subject to outstanding Awards or to which outstanding Awards relate, and (2) the exercise price with respect to any Award; OR

(b) if deemed appropriate or desirable, make provision for a cash payment to the holder of an outstanding Award in consideration for the cancellation of such Award, including, in the case of an outstanding Option or SAR, a cash payment to the holder of such Option or SAR in consideration for the cancellation of such Option or SAR in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Administrator) of the Shares subject to such Option or SAR over the aggregate exercise price of such Option or SAR (it being understood that, in such event, any Option or SAR having a per Share exercise price equal to, or in excess of, the Fair Market Value of a Share subject to such Option or SAR may be cancelled and terminated without any payment or consideration therefore).

Any such adjustments shall be made by the Administrator in its absolute discretion, and the decision of the Administrator shall be final, binding and conclusive. Any Shares issuable as a result of any such adjustment shall be rounded to the next lower whole Share; no fractional Shares shall be issued. At all times the conversion of any convertible securities of the Corporation shall not be treated as a transaction not involving the receipt of consideration by the Corporation.

4.4 Substitute Awards. Awards may, in the discretion of the Administrator, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Corporation and any Affiliate or a company acquired by the Corporation or with which the Corporation combines (Substitute Awards). The number of Shares underlying any Substitute Awards shall be counted against the aggregate number of Shares available for Awards under the Plan; provided, however, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding awards previously granted by an entity that is acquired by the Corporation or its Affiliate through a merger or acquisition shall not be counted against the aggregate number of Shares available for Awards under the Plan; provided further, however, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding stock options intended to qualify for special tax treatment under Code §§ 421 and 422 that were previously granted by an entity that is acquired by the Corporation or an Affiliate through a merger or acquisition shall be counted against the aggregate number of Shares available for Incentive Stock Options under the Plan.

**ARTICLE 5
PARTICIPATION**

5.1 Eligibility. Any Director, Employee or Consultant (including any prospective Director, Employee or Consultant) of the Corporation and any Affiliate shall be eligible to be designated a Participant in the Plan for purposes of receiving Awards. However, Incentive Stock Options may be granted only to Employees.

5.2 Termination of Participation. If a Participant is no longer a Service Provider due to a termination for Cause, then all Awards granted to the Participant shall expire upon the earlier of: (i) the date of the occurrence

Table of Contents

giving rise to such termination, or (ii) the natural expiration of the Award according to its underlying terms. Thereafter, the Participant shall have no rights with respect to any Awards under the Plan.

(a) *Defining Cause.* For purposes of the Plan, Cause shall mean a Participant's personal dishonesty; misconduct; breach of fiduciary duty; incompetence; intentional failure to perform stated obligations; willful violation of any law, rule, regulation or final cease and desist order; or any material breach of any provision of this Plan, Award Agreement, or any employment agreement.

**ARTICLE 6
STOCK OPTIONS**

6.1 Option Grant. Subject to the provisions of the Plan, the Administrator shall have sole and plenary authority to determine the Participants to whom Options shall be granted, the number of Shares to be covered by each Option, whether the Option will be an Incentive Stock Option or a Non-Qualified Stock Option and the conditions and limitations applicable to the vesting and exercise of the Option. However, no Participant shall be granted more than 500,000 Options in any calendar year. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Code § 422 and any regulations related thereto, as may be amended from time to time. All Options granted under the Plan shall be Non-Qualified Stock Options unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Stock Option. If an Option is intended to be an Incentive Stock Option, and if for any reason such Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such non-qualification, such Option (or portion thereof) shall be regarded as a Non-Qualified Stock Option appropriately granted under the Plan, provided that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to Non-Qualified Stock Options.

(a) *Term of Option.* The term of each Option will be stated in the Award Agreement. In the case of an Incentive Stock Option, the term will be 10 years from the date of grant or such shorter term as may be provided in the Award Agreement. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than 10% of the total combined voting power of all classes of stock of the Corporation or any Affiliate, the term of the Incentive Stock Option will be five years from the date of grant or such shorter term as may be provided in the Award Agreement.

(b) *\$100,000 Limitation for Incentive Stock Options.* Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Non-Qualified Stock Option. However, notwithstanding such designation, to the extent the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Corporation and any Affiliate) exceeds \$100,000, such Options will be treated as Non-Qualified Stock Options. For purposes of this Section 6.1(b), Incentive Stock Options will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted.

6.2 Exercise Price. Except as otherwise established by the Administrator at the time an Option is granted and set forth in the applicable Award Agreement, the exercise price of each Share covered by an Option shall be not less than 100% of the Fair Market Value of such Share (determined as of the date the Option is granted); provided, however, that in the case of an Incentive Stock Option granted to an Employee who, at the time of the grant of such Option, owns stock representing more than 10% of the voting power of all classes of stock of the Corporation and any Affiliate, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of the grant. Options are intended to qualify as qualified performance-based compensation under Code § 162(m).

Table of Contents

Notwithstanding the foregoing, Options may be granted with an exercise price of less than 100% of the Fair Market Value per Share on the date of grant if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Code § 424(a) (involving a corporate reorganization).

6.3 Waiting Period and Exercise Dates. At the time an Option is granted, the Administrator will fix the period within which the Option may be exercised and will determine any conditions that must be satisfied before the Option may be exercised.

6.4 Exercise of Option.

(a) *Procedure for Exercise; Rights as a Shareholder.* Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share.

An Option will be deemed exercised when the Corporation receives: (i) written or electronic notice of exercise (in accordance with the Award Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Corporation or of a duly authorized transfer agent of the Corporation), no right to vote or receive dividends or any other rights as a shareholder will exist with respect to the Awarded Stock, notwithstanding the exercise of the Option. The Corporation will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Articles 4 and 13 of the Plan or the applicable Award Agreement.

Exercising an Option in any manner will decrease the number of Shares thereafter available for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) *Termination of Relationship as Service Provider.* If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for three months following the Participant's termination.

(c) *Disability of Participant.* If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for 12 months following the Participant's termination.

(d) *Death of Participant.* If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of death (but in no event may the option be exercised later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent

Table of Contents

and distribution. In the absence of a specified time in the Award Agreement, the Option will remain exercisable for 12 months following Participant's death.

(e) *Buyout Provisions.* The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Participant at the time that such offer is made.

(f) *Reversion to Plan.* Unless otherwise provided by the Administrator, if on the date of termination, Disability or death as provided in Sections 6.4(b), (c), and (d) of the Plan, Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will immediately revert to the Plan following the Participant's termination, Disability or death. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

6.5 Form of Consideration. The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator will determine the acceptable form of consideration at the time of grant. To the extent permitted by Applicable Laws, consideration may consist entirely of:

(a) cash;

(b) check;

(c) promissory note (subject to Section 6.6);

(d) other Shares which meet the conditions established by the Administrator to avoid adverse accounting consequences (as determined by the Administrator);

(e) consideration received by the Corporation under a cashless exercise program implemented by the Corporation in connection with the Plan;

(f) a reduction in the amount of any Corporation liability to the Participant, including any liability attributable to the Participant's participation in any Corporation-sponsored deferred compensation program or arrangement;

(g) any combination of the foregoing methods of payment; or

(h) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

6.6 Promissory Note. Where applicable and subject to the requirements of Applicable Law, payment of all or part of the purchase price of an Award may be made by delivery of a full recourse promissory note (Promissory Note). The Promissory Note shall be executed by the Participant, made payable to the Corporation and bear interest at such rate as the Administrator shall determine, but in no case less than the minimum rate which will not cause under the Code: (i) imputed interest, (ii) original issue discount, or (iii) any other similar result. Unless otherwise determined by the Administrator, interest on the Promissory Note shall be payable in quarterly installments on March 31, June 30, September 30, and December 31 of each calendar year. A Promissory Note shall contain such other terms and conditions as may be determined by the Administrator; provided, however, that the full principal amount of the Promissory Note and all unpaid interest accrued thereon shall be due not later than five years from the date of exercise. The Corporation may obtain from the Participant a security interest in all Awards issued to the Participant under the Plan for the purpose of securing payment under the Promissory Note and may retain possession of, where applicable, the Share certificates in order to perfect its security interest.

7.7 Dividends and Other Distributions. During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

7.8 Return of Restricted Stock to Corporation. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed will revert to the Corporation and again will become available for grant under the Plan.

**ARTICLE 8

The Administrator shall have authority to determine the Service Providers to whom and the time or times at which Other Stock Based Awards shall be made, the amount of such Other Stock Based Awards, and all other conditions of the Other Stock Based Awards including any dividend and/or voting rights.

**ARTICLE 13
DISSOLUTION OR LIQUIDATION; OR CHANGE IN CONTROL**

13.1 Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Corporation, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award, to the extent applicable, until 10 days prior to such transaction as to all of the Awarded Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Corporation repurchase option or forfeiture rights applicable to any Award shall lapse 100%, and that any Award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised or vested, an Award will terminate immediately prior to the consummation of such proposed action.

13.2 Change in Control.

(a) *Options and SARs.* In the event of a Change in Control, each outstanding Option and SAR shall be assumed or an equivalent option or SAR substituted by the successor corporation or Affiliate of the successor corporation. With respect to Options and SARs granted to an Outside Director that are assumed or substituted for, if immediately prior to or after the Change in Control the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant, then the Participant shall fully vest in and have the right to exercise such Options and SARs as to all of the Awarded Stock, including Shares as to which it would not otherwise be vested or exercisable. Unless otherwise determined by the Administrator, in the event that the successor corporation refuses to assume or substitute for the Option or SAR, the Participant shall fully vest in and have the right to exercise

the Option or SAR as to all of the Awarded Stock, including Shares as to which it would not otherwise be vested or exercisable. If an Option or SAR is not assumed or substituted in the event of a Change in Control, the Administrator shall notify the Participant in writing or electronically that the Option or SAR shall be exercisable for a period of up to 15 days from the date of such notice, and the Option or SAR shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option or SAR shall be considered assumed if, following the Change in Control, the option or stock appreciation right confers the right to purchase or receive, for each Share of Awarded Stock subject to the Option or SAR immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Affiliate, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option or SAR, for each Share of Awarded Stock subject to the Option or SAR, to be solely common stock of the successor corporation or its Affiliate equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

Notwithstanding anything herein to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Corporation or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

(b) *Restricted Stock, Unrestricted Stock, Performance Shares, Performance Units, Restricted Stock Units, and Other Stock Based Awards.* In the event of a Change in Control, each outstanding Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award and Restricted Stock Unit awards shall be assumed or an equivalent Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award and Restricted Stock Unit award substituted by the successor corporation or an Affiliate of the successor corporation. With respect to Awards granted to an Outside Director that are assumed or substituted for, if immediately prior to or after the Change in Control the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant, then the Participant shall fully vest in such Awards, including Shares as to which it would not otherwise be vested. Unless determined otherwise by the Administrator, in the event that the successor corporation refuses to assume or substitute for the Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award or Restricted Stock Unit award, the Participant shall fully vest in the Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award or Restricted Stock Unit including as to Shares which would not otherwise be vested. For the purposes of this paragraph, a Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award and Restricted Stock Unit award shall be considered assumed if following the Change in Control, the award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Affiliate, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received, for each Share and each unit/right to acquire a Share subject to the Award, to be solely common stock of the successor corporation or its Affiliate equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control. Notwithstanding anything herein to the contrary, an Award that vests, is earned or paid-out upon the

satisfaction of one or more performance goals will not be considered assumed if the Corporation or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

ARTICLE 14

MISCELLANEOUS PROVISIONS

14.1 No Uniform Rights to Awards. The Corporation has no obligation to uniformly treat Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Administrator's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated.

14.2 Share Certificates. All certificates for Shares or other securities of the Corporation or Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Administrator may deem advisable under the Plan, the applicable Award Agreement or the rules, regulations and other requirements of the SEC, the NYSE or any other stock exchange or quotation system upon which such Shares or other securities are then listed or reported and any applicable Federal or state laws, and the Administrator may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

14.3 No Rights as a Service Provider. Neither the Plan nor any Award shall confer upon a Participant any right with respect to continuing his or her relationship as a Service Provider, nor shall they interfere in any way with the right of the Participant or the right of the Corporation or its Affiliate to terminate such relationship at any time, with or without cause.

14.4 No Rights as Shareholder. No Participant or holder or beneficiary of any Award shall have any rights as a shareholder with respect to any Shares to be distributed under the Plan until he or she has become the holder of such Shares. In connection with each grant of Restricted Stock, except as provided in the applicable Award Agreement, the Participant shall not be entitled to the rights of a shareholder in respect of such Restricted Shares. Except as otherwise provided in Section 4.3 or the applicable Award Agreement, no adjustments shall be made for dividends or distributions on (whether ordinary or extraordinary, and whether in cash, Shares, other securities or other property), or other events relating to, Shares subject to an Award for which the record date is prior to the date such Shares are delivered.

14.5 No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Corporation or Affiliate, on one hand, and a Participant or any other person, on the other. To the extent that any person acquires a right to receive payments from the Corporation or Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Corporation or Affiliate.

14.6 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Administrator shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be cancelled, terminated or otherwise eliminated.

14.7 Requirement of Consent and Notification of Election Under Code § 83(b) or Similar Provision. No election under Code § 83(b) (to include in gross income in the year of transfer the amounts specified in Code § 83(b)) or under a similar provision of law may be made unless expressly permitted by the terms of the applicable Award Agreement or by action of the Administrator in writing prior to the making of such election. If an Award recipient, in connection with the acquisition of Shares under the Plan or otherwise, is expressly permitted under the terms of the applicable Award Agreement or by such Administrator action to make such an

election and the Participant makes the election, the Participant shall notify the Administrator of such election within 10 days of filing notice of the election with the IRS or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Code § 83(b) or other applicable provision.

14.8 Requirement of Notification Upon Disqualifying Disposition Under Code § 421(b). If any Participant shall make any disposition of Shares delivered pursuant to the exercise of an Incentive Stock Option under the circumstances described in Code § 421(b) (relating to certain disqualifying dispositions) or any successor provision of the Code, such Participant shall notify the Corporation of such disposition within 10 days of such disposition.

14.9 Leaves of Absence. Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence and will resume on the date the Participant returns to work on a regular schedule as determined by the Corporation; provided, however, that no vesting credit will be awarded for the time vesting has been suspended during such leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Corporation or (ii) transfers between locations of the Corporation or between the Corporation or its Affiliate. For purposes of Incentive Stock Options, no such leave may exceed 3 months, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Corporation is not so guaranteed, then 6 months from the first day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Non-Qualified Stock Option.

14.10 Notices. Any written notice to the Corporation required by any provisions of the Plan shall be addressed to the Secretary of the Corporation and shall be effective when received.

14.11 Non-Transferability of Awards. Other than pursuant to a domestic relations order (within the meaning of Rule 16a-12 promulgated under the Exchange Act) and unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution, and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

14.12 Date of Grant. The date of grant of an Award will be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination will be provided to each Participant within a reasonable time after the date of such grant.

14.13 Amendment and Termination of Plan.

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan. Unless sooner terminated, this Plan shall terminate on November 6, 2013, the date that is 10 years from the date the Plan was originally adopted by the Board or approved by the shareholders of the Corporation, whichever was earlier.

(b) *Shareholder Approval.* The Corporation will obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) *Effect of Amendment or Termination.* Subject to Section 14.15 of the Plan, no amendment, alteration, suspension or termination of the Plan will impair the rights of any Participant, unless mutually agreed upon between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Corporation. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

14.14 Conditions Upon Issuance of Shares.

(a) *Legal Compliance.* Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Corporation with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise or receipt of an Award, the Corporation may require the person exercising or receiving such Award to represent and warrant at the time of any such exercise or receipt that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Corporation, such a representation is required.

14.15 Severability. Notwithstanding any contrary provision of the Plan or an Award to the contrary, if any one or more of the provisions (or any part thereof) of this Plan or the Awards shall be held invalid, illegal or unenforceable in any respect, such provision shall be modified so as to make it valid, legal and enforceable, and the validity, legality and enforceability of the remaining provisions (or any part thereof) of the Plan or Award, as applicable, shall not in any way be affected or impaired thereby.

14.16 Inability to Obtain Authority. The inability of the Corporation to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, will relieve the Corporation of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority will not have been obtained.

14.17 Shareholder Approval. The Plan will be subject to approval by the shareholders of the Corporation within 12 months after the date the Plan is adopted. Such shareholder approval will be obtained in the manner and to the degree required under Applicable Laws, and is effective as of the Effective Date.

14.18 Governing Law. The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Illinois, without giving effect to the conflict of laws provisions thereof.
