ITEM 8.01 OTHER EVENTS

On February 28, 2006, Tenneco Inc. announced that it is expanding its operations in China with investment in both manufacturing and engineering facilities. The company is scheduled to open its first solely-owned operation in China, an elastomer manufacturing facility in Suzhou, in June 2006. In addition, the company is extending its joint venture with Shanghai Tractor and Engine Company, a subsidiary of Shanghai Automotive Industry Corp., by establishing an engineering center to develop automotive exhaust products. The engineering center is scheduled to open at the end of 2006. Finally, the company has agreed to increase its ownership stake in the Beijing Monroe Shock Co. (a joint venture with Beijing Automotive Industry Corp.) from its current 51% to 65%. This increased investment is subject to governmental approval. These investments are described in more detail in the company's press release, dated February 28, 2006, which is filed as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.
