ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

Consideration for Shares Subject to the Shareholder Support Agreement

On June 28, 2007, *infoUSA* announced that it had entered into an Agreement and Plan of Merger (the Merger Agreement), dated as of June 28, 2007, by and among the Reporting Persons and the Issuer. Pursuant to the Merger Agreement, Purchaser will commence a cash tender offer to acquire (i) all of the issued and outstanding shares of common stock, par value \$0.0001 per share, of the Issuer (the Common Shares), at a price of \$1.35 per Common Share, in cash and (ii) all of the issued and outstanding shares of Series A Preferred Stock, par value \$0.0001 per share, of the Issuer (the Preferred Shares and, along with the Common Shares, the Shares), at a price equal to the liquidation preference of \$1.50 per share and accrued dividends thereon, in cash (the Offer). Following completion of the Offer, Purchaser will be merged with and into the Issuer, with the Issuer becoming a wholly-owned subsidiary of *infoUSA* (the Merger). In the Merger, all Shares not tendered to Purchaser in the Offer will be converted into the right to receive the cash amount payable in the Offer without interest. The Offer and the Merger are subject to the satisfaction of customary closing conditions, including there being validly tendered at least 66 2/3% of the outstanding Shares on a fully-diluted basis.

CUSIP No. 401716105

Page 6 of 10

Concurrently with the execution of the Merger Agreement, the Reporting Persons entered into Shareholder Support Agreements, each dated as of June 28, 2007, with (i) Petra Mezzanine Fund, (ii) Special Situations Fund III Q.P., L.P., and certain of its affiliates, (iii) Wynnefield Partners Small Cap Value, L.P. and certain of its affiliates, (iv) Marlin Equities, LLC and one of its affiliates, (v) David Walke, (vi) Marc Litvinoff, (vii) Douglas House, (viii) Peter Hooper, and (ix) Andy Garvin, in their capacities as shareholders of Issuer (collectively, the Shareholders). The purpose of the Shareholder Support Agreements is to facilitate the consummation of the transactions contemplated by the Merger Agreement. The Reporting Persons made the execution of the Shareholder Support Agreements a condition to entering into the Merger Agreement, but the Shareholders did not otherwise receive any consideration from the Reporting Persons as an inducement to enter into the Shareholder Support Agreements.

The Shareholder Support Agreements apply to all securities of Issuer beneficially owned by the Shareholders as of the date of the Shareholder Support Agreements or acquired thereafter, including any shares of Issuer's common stock issuable pursuant to restricted stock awards or upon exercise of options and warrants held by the Shareholders. Under the Shareholder Support Agreements, the Shareholders have agreed to vote all of their Shares in favor of approval and adoption of the Merger Agreement, against any proposal or transaction which could prevent or delay the consummation of the Merger, and against any corporate action which would frustrate the purposes of, or prevent or delay the consummation of, the Merger. The Shareholder Support Agreements prohibit the Shareholders from directly or indirectly soliciting, initiating, encouraging, or taking any other action intended to facilitate or with the reasonably foreseeable effect of facilitating, a competing proposal to acquire more than 10% of the Issuer's assets or capital stock, participating in any discussions or negotiations regarding any such competing proposal, furnishing any information that would facilitate or have the reasonably foreseeable effect of facilitating any such competing proposal, or entering into any agreement regarding or otherwise endorsing any such competing proposal.

Except for the Shareholder Support Agreement entered into by Special Situations Fund III Q.P., L.P. and its affiliates, the Shareholder Support Agreements also include the grant of a proxy by the Shareholders to Purchaser to enable Purchaser to direct the voting of all Shares subject thereto with respect to the Merger and related matters. Under the Shareholder Support Agreements, the Shareholders are also prohibited from transferring any of the Issuer's securities, except that under certain circumstances and subject to certain limitations, Special Situations Fund III Q.P., L.P. and its affiliates can sell up to 1,750,000 Shares. Other than with respect to the matters described in, and subject to the limitations set forth in, the Shareholder Support Agreements, the Reporting Persons do not have the right to vote or direct the vote, or to dispose or to direct the disposition of any of the Shares subject thereto.

The Shareholder Support Agreements terminate automatically, without any notice or other action by any party, upon the earliest to occur of (i) tender and acceptance of the Shares pursuant to the Offer, (ii) the consummation of the Merger, or (iii) the termination of the Merger Agreement. Shareholders will also have the right to terminate the Shareholder Support Agreements immediately following (x) any change in the nature of the consideration payable in the Offer or the Merger, (y) any decrease in consideration payable in the Offer or the Merger or (z) any increase in the consideration payable the Shareholders for the Shares that is not made equally available to holders of all shares of the

Issuer's capital stock of the same class or series. Special Situations Fund III Q.P., L.P. and its affiliates are also entitled to terminate the Shareholder Support Agreement to which they are a party if the Reporting Persons breach such Shareholder Support Agreement and do not cure such breach within two business days.

Consideration for Common Shares Issuable Pursuant to Exercise of Top-Up Stock Option

In the Merger Agreement, the Issuer has granted to Purchaser an option (the "Top-Up Stock Option") to purchase a number of Common Shares that, when added to the number of Common Shares owned by the Reporting Persons immediately following the completion of the Offer, will constitute more than 90% of the Common Shares outstanding on a fully-diluted basis (assuming the issuance of the shares issued upon exercise of the Top-Up Stock Option), at a purchase price per share equal to the price paid per Common Share in the Offer. The Top-Up Stock Option may only be exercised if Purchaser has accepted for payment at least 90% of the outstanding Preferred Shares in the Offer and if exercise thereof will result in the ownership by the Reporting Persons of more than 90% of the shares of the Common Shares on a fully-diluted basis. The Top-Up Stock Option may not be exercised for a number of Common Shares that would require the approval of the Issuer's shareholders under applicable law, or that exceeds the number of Common Shares authorized in the Issuer's certificate of incorporation. The Reporting Persons disclaim beneficial ownership of these Common Shares.

References to, and descriptions of, the Merger Agreement and the Shareholder Support Agreements set forth herein are qualified in their entirety by reference to the copies of the Merger Agreement and the Shareholder Support Agreements included as Exhibit 1, 2, 3 and 4, respectively, to this Schedule 13D, each of which is incorporated herein by reference in its entirety where such references appear.

ITEM 4. PURPOSE OF TRANSACTION

(a) (b) As described in Item 3 above, this Schedule 13D relates to the Shareholder Support Agreements and the Top-Up Stock Option, the purpose of which are to assist the Reporting Persons in consummating the Merger pursuant to the Merger Agreement.

(c) Not applicable

(d) Upon consummation of the Offer, the Reporting Persons have the right to designate a number of directors on Issuer's board of directors (and each committee of Issuer's board of directors and the boards of directors of its subsidiaries) as will give the Reporting Persons representation on Issuer's board of directors proportional to the number of Shares purchased by Purchaser compared to the number of Shares outstanding. The Issuer has agreed to either increase the size of its board of directors or use its reasonable best efforts to secure resignations from such number of directors as is necessary to provide the Reporting Persons with this level of representation, and to cause the designees of the Reporting Persons to be elected.

CUSIP No. 401716105

Page 8 of 10

Upon consummation of the Merger, the directors of Purchaser will be the directors of the surviving corporation until their respective successors are duly elected and qualified, and the officers of the Issuer will remain in their respective offices until their respective successors are duly elected and qualified. The directors of Purchaser were appointed by *infoUSA* and are identified in Item 2 above.

(e) Other than as a result of the Merger, not applicable.

(f) Not applicable.

(g) Upon consummation of the Merger, the Certificate of Incorporation and Bylaws of Purchaser will be the certificate of incorporation and bylaws of the surviving corporation until thereafter amended in accordance with applicable law.

(h) (i) Upon consummation of the Merger, all Common Shares will be deregistered under the Securities Exchange Act of 1934, as amended (the Exchange Act), and Purchaser will cause the Common Shares to cease to be authorized for quotation and traded on the OTC Bulletin Board and The Pink Sheets LLC.

(j) Other than as described above, the Reporting Persons currently have no plans or proposals which relate to, or may result in, any of the matters listed in Items 4(a) - (i) of Schedule 13D, inclusive.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) (b) Under the definition of beneficial ownership as set forth in Rule 13d-3 of the Exchange Act, the Reporting Persons may each be deemed to have shared voting power and shared dispositive power with respect to (and therefore beneficially own) 12,379,450 outstanding Common Shares, inclusive of 333,333 Preferred Shares, which are convertible into 467,787 Common Shares, as well as 2,067,262 Common Shares issuable pursuant to vested warrants and 571,947 Common Shares issuable pursuant to restricted stock awards and options that are vested or will vest within 60 days of the date of the Merger Agreement, or a total of 63.1% of Issuer's outstanding Common Shares as of June 28, 2007. The foregoing percentage was calculated based on the outstanding Common Shares and Preferred Shares as of June 28, 2007 as represented by Issuer in the Merger Agreement plus Common Shares issuable pursuant to restricted stock awards or pursuant to exercise of options and warrants held by parties to the Shareholder Support Agreements, but not including Common Shares subject to other restricted stock awards, options and warrants. The Reporting Persons are not entitled to any rights as a shareholder of Issuer with respect to the Shares subject to the Shareholder Support Agreements, and expressly disclaim any beneficial ownership of such Shares.

In the event the Reporting Persons exercise the Top-Up Stock Option described in Item 3 above, they will have sole voting power and sole dispositive power over the Common Shares issued upon exercise.

CUSIP No. 401716105

Page 9 of 10

(c) Neither the Reporting Persons nor any of their respective directors or executive officers have effected any transaction in Common Shares during the past 60 days.

(d) To the knowledge of the Reporting Persons, no other person has the right to receive or the power to direct the receipt of dividends or proceeds from the sale of the Common Shares beneficially owned by the Reporting Persons on the date of this Schedule 13D.

(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO THE SECURITIES OF THE ISSUER

Other than the Merger Agreement and the Shareholder Support Agreements, there are no contracts, arrangements, understandings or relationships (legal or otherwise) with respect to securities of Issuer that would be required to be reported under this Item.
