To the Board of Directors

NNN Healthcare/Office REIT, Inc.

We have audited the accompanying statement of revenues and certain expenses of Yorktown Medical Center and Shakerag Medical Center, or together the Property, for the year ended December 31, 2006. This statement of revenues and certain expenses is the responsibility of the Property's management. Our responsibility is to express an opinion on the statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues and certain expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 1 to the statement of revenues and certain expenses and is not intended to be a complete presentation of the Property's revenues and expenses.

In our opinion, the statement of revenues and certain expenses presents fairly, in all material respects, the revenues and certain expenses as described in Note 1 of Yorktown Medical Center and Shakerag Medical Center for the year ended December 31, 2006, in conformity with the accounting principles generally accepted in the United States of America.

**NOTE 1 ORGANIZATION AND BASIS OF PRESENTATION**

**Organization**

The accompanying statements of revenues and certain expenses include the operations of Yorktown Medical Center and Shakerag Medical Center, or together the Property, located in Fayetteville and Peachtree City, Georgia, respectively. The Property has 115,000 square feet of gross leaseable area and is 85% leased as of December 31, 2006.

**Basis of Presentation**

The accompanying statements of revenues and certain expenses have been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission, or the SEC, which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The statements of revenues and certain expenses include the historical revenues and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and therefore, the statements of revenues and certain expenses are not intended to be a complete presentation of the Property's revenues and expenses. Items excluded consist of interest expense, depreciation and amortization and federal and state income taxes.

The accompanying statements of revenues and certain expenses are not representative of the actual operations for the period presented, as certain expenses that may not be comparable to the expenses expected to be incurred by NNN Healthcare/Office REIT Holdings, L.P. in the future operations of the Property have been excluded.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Revenue Recognition**

All leases are classified as operating leases and minimum rents are recognized on a straight-line basis over the terms of the leases (including rent holidays). Tenant reimbursements for real estate taxes, common area maintenance and other recoverable costs are recognized in the period that the expenses are incurred.

**Repairs and Maintenance**

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ materially from those estimates.

**Unaudited Interim Information**

The statement of revenues and certain expenses for the three months ended March 31, 2007 is unaudited. In the opinion of management, such financial statement reflects all adjustments necessary for a fair presentation of the results of the interim period. All such adjustments are of a normal recurring nature.

**NOTE 3 LEASES**

The Property has entered into operating lease agreements with tenants that expire at various dates through 2013 and are subject to scheduled fixed increases in base rent. The aggregate annual future minimum lease payments to be received under the existing non-cancelable operating leases as of December 31, 2006 are as follows:

2008	2,390,000

2011	881,000
Thereafter	1,187,000
	<b>\$ 9,897,000</b>

**NOTE 4 TENANT CONCENTRATION**

For the three months ended March 31, 2007 (unaudited), the Property had one tenant occupying 58% of the gross leaseable area which accounted for 60% of quarterly rental income.

Tenant Name	Date of Lease Expiration	Aggregate Annual Rental Income	% Aggregate Annual Rental Income

Tenant Name	Date of Lease Expiration	Aggregate Annual Rental Income	% Aggregate Annual Rental Income

**Litigation**

The Property may be subject to legal claims in the ordinary course of business as a property owner. Management believes that the ultimate settlement of any potential claims will not have a material impact on the Property's results of operations.

**Environmental Matters**

In connection with the ownership and operation of real estate, the Property may be potentially liable for costs and damages related to environmental matters. The Property has not been notified by any governmental authority of any non-compliance, liability or other claim, and management is not aware of any other environmental condition that it believes will have a material adverse effect on the Property's results of operations.

**Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements**

1. Notes to Unaudited Pro Forma Condensed Consolidated Balance Sheet as of March 31, 2007.

(A) As reported in our March 31, 2007 Quarterly Report on Form 10-Q.

(B) Represents the purchase price of the assets acquired and liabilities incurred or assumed by NNN Healthcare/Office REIT Holdings, L.P. in connection with the acquisition of the Peachtree property. The purchase price of \$21,500,000, plus closing costs and acquisition fees, was financed through a mortgage loan payable of \$13,530,000 on the property with Wachovia Bank, National Association, or Wachovia, under a secured 10-year, fixed rate, 5.52% per annum and the net proceeds from the issuance of approximately 1,002,568 shares of common stock from our initial public offering. An acquisition fee of \$645,000, or 3.0% of the purchase price, was paid to our advisor and its affiliate. We allocated the purchase price, plus closing costs, to the fair value of the assets acquired and liabilities assumed as follows: \$3,545,000 to land, \$15,771,000 to building and improvements, \$1,385,000 to in place leases and \$1,534,000 to tenant relationships and below market leases \$(34,000). The purchase price allocations are preliminary and are subject to change.

(C) The Peachtree property was acquired using proceeds, net of offering costs, received from our initial public offering through the acquisition date at \$10.00 per share. The pro forma adjustments assume the proceeds were raised as of March 31, 2007.

2. Notes to Unaudited Pro Forma Condensed Consolidated Statement of Operations for the Three Months ended March 31, 2007

(D) As reported in our March 31, 2007 Quarterly Report on Form 10-Q.

(E) Amounts represent the estimated operations of the Peachtree property for the three months ended March 31, 2007.

(F) Depreciation expense on the portion of the purchase price allocated to building is recognized using the straight-line method and a 39 year life. Depreciation expense on improvements is recognized using the straight-line method over an estimated useful life between eight and 79 months. Amortization expense on the identified intangible assets are recognized using the straight-line method over an estimated useful life between eight and 108 months. The amounts allocated to below market lease values are included in identified intangible liabilities in the accompanying unaudited pro forma condensed consolidated balance sheet and are amortized to rental income over the remaining term of the acquired leases with each property which range between 24 and 45 months. Pro forma amortization of the below market leases amortized to rental income for the three months ended March 31, 2007 is \$4,000.

The purchase price allocations, and therefore depreciation and amortization expense, are preliminary and subject to change.

(G) Pursuant to our advisory agreement, our advisor or its affiliates are entitled to receive, for services in managing our properties, a monthly property management fee of up to 4.0% of the gross cash receipts of the property. The historical rate varied. As a result, the pro forma amount shown is reflective of our current advisory agreement. Also, adjustments were made for an incremental property tax expense assuming the acquisition price and historical property tax rate.

(H) Pursuant to our advisory agreement, our advisor or its affiliates are entitled to receive a monthly asset management fee calculated at one-twelfth of 1.0% of average invested assets, calculated as of the close of business on the last day of each month, subject to our stockholders receiving annualized distributions in an amount equal to at least 5.0% per annum on average invested capital. At the time of the acquisition of the Peachtree property the stockholders had received annualized distributions greater than 5.0% per annum. As such, an asset management fee was incurred for the three months ended March 31, 2007 of \$56,000.
