Movil acquired 414,369,557 Series V shares, 961,292,484 Series A shares and 125,990 ADSs of the Company pursuant to concurrent tender offers in Mexico (the "Mexican Offer") and the United States (the "U.S. Offer" and, together with the Mexican Offer, the "Offers") to purchase for cash all of the then outstanding Series V shares, Series A shares and ADSs of the Company representing Series V shares. The Mexican Offer closed on July 28, 2003 and the U.S. Offer closed on July 29, 2003. The

CUSIP No. 4005013100

aggregate consideration in the Offers was approximately \$7.5 million and was paid in cash. No additional consideration was paid in connection with the Offers. The source of the consideration paid in the Offers was an unsecured loan for \$10,007,500 from an affiliate of Movil Access. Subsequent to the consummation of the Offers, the Company completed a share exchange pursuant to which all Series A shares and Series V shares (including those underlying the ADSs) were exchanged, at a ratio of 20 (twenty) to 1 (one), for shares of Common Stock (the "Exchange"). After the Exchange, the shares acquired in the Offers

Edgar Filing: MOVIL ACCESS SA DE CV - Form SC 13D

represented 69,413,052 shares of Common Stock.

In a series of open-market purchases on the Mexican Stock Exchange, Movil acquired 253,500 shares of Common Stock, as described in item (5) below. The source of the consideration for such open-market purchases was the working capital of Movil Access.

In a series of open-market purchases on the Mexican Stock Exchange, Mr. Salinas has acquired 4,319,270 shares of Common Stock (on a post-Exchange basis) of the Company, as described in item (5) below. The source of the consideration for Mr. Salinas's open-market purchases was his own personal funds.

Following the Exchange and such open-market purchases, the Reporting Persons beneficially owned, in the aggregate 73,985,822 shares of Common Stock, of which Mr. Salinas directly owns 4,319,270 shares of Common Stock. Item 4. Purpose of Transaction.

On June 12, 2003, Biper and Movil (collectively, the "Purchasers") entered into an Acquisition Agreement, dated as of June 12, 2003 (the "Acquisition Agreement"), by and among Bell Atlantic International, Inc., a Delaware corporation ("BAII"), Bell Atlantic Latin America Holdings, Inc., a Delaware corporation ("BALAH"), Bell Atlantic New Zealand Holdings, Inc., a Delaware corporation ("BANZHI"; and BAII, BALAH and BANZHI, collectively, the "Verizon Selling Shareholders") and Vodafone Americas B.V., a limited liability company organized and existing under the laws of The Netherlands ("Vodafone Americas"), pursuant to which the Purchasers agreed to offer to purchase for cash all of the issued and outstanding shares of capital stock of the Company pursuant to the concurrent Offers at a price equal to 0.05712180 Mexican pesos per Series A Share (or the U.S. dollar equivalent), 0.05712180 Mexican pesos per Series V Share (or the U.S. dollar equivalent) and the U.S. dollar equivalent of 5.712180 Mexican pesos per ADS. Pursuant to the Acquisition Agreement, Vodafone Americas and the

CUSIP No. 4005013100

Page 8 of 16

Verizon Selling Shareholders agreed to tender all of their respective holdings of capital stock of the Company in the Offers. As of the date of the Acquisition Agreement, the Verizon Selling Shareholders reported that they owned, in the aggregate, 657,966,431 Series A shares of the Company, 74,752,002 Series V Shares and 14,000 ADSs (the "Verizon ADSs") representing approximately 39.4% of the total capital stock of the Company (collectively, the "Verizon Shares"). As of such date, Vodafone Americas reported that it owned 303,326,053 Series A Shares and 339,617,555 Series V Shares representing approximately 34.5% of the total capital stock of the Company (collectively, the "Vodafone Shares").

In connection with the transactions contemplated by the Acquisition Agreement, Vodafone Americas and the Verizon Selling Shareholders also entered into an Escrow Agreement, dated as of June 12, 2003 (the "Escrow Agreement"), by and among Purchasers, BAII, BALAH, BANZHI, Vodafone Americas and The Bank of New York, a New York banking corporation (the "Escrow Agent"), pursuant to which Vodafone Americas and the Verizon Selling Shareholders agreed to deposit the Vodafone Shares and the Verizon Shares (other than the Verizon ADSs) in a securities account for the benefit of the Escrow Agent. Each of Vodafone Americas and the Verizon Selling Shareholders irrevocably appointed the Escrow Agent as its attorney-in-fact and proxy to tender such securities into the Mexican Offer. As promptly as practicable, but in no event more than two business days after the commencement of the Offers, the Escrow Agent was obligated to tender the Vodafone Shares and the Verizon Shares (other than the Verizon ADSs) into the Mexican Offer.

Edgar Filing: MOVIL ACCESS SA DE CV - Form SC 13D

Pursuant to the Escrow Agreement, the Purchasers also agreed to deposit into escrow with the Escrow Agent an amount equal to \$10 million, representing the U.S. dollar equivalent of the aggregate consideration to be offered to the holders of all of the issued and outstanding capital stock of the Company, including the Series V Shares and ADSs held by the public shareholders. Promptly following acceptance for purchase of all of the securities tendered in the Offers, the Escrow Agent, upon instructions from the Purchasers, was obligated to deliver the amounts necessary to pay for the tendered securities to the depositaries for the Mexican Offer and the U.S. Offer.

In accordance with the Acquisition Agreement, each of Vodafone Americas and Verizon Selling Shareholders tendered all of its holdings of capital stock of the Company in the Mexican Offer and did not withdraw such shares. On July 28, 2003 the Mexican Offer expired and on July 29, 2003 the U.S. Offer expired, and Movil accepted for payment all shares of the Company's capital stock validly tendered

CUSIP No. 4005013100

into the Offers and not withdrawn. Following the consummation of the Offers, the Reporting Persons beneficially owned all of the shares of capital stock of the Company previously owned by Vodafone Americas and the Verizon Selling Shareholders. In addition, Vodafone Americas, the Verizon Selling Shareholders and the Company terminated the Shareholders Agreement, dated March 30, 2001, by and among the Company, the Verizon Selling Shareholders and Vodafone Americas with effect from the consummation of the Offers.

The foregoing summary of the material provisions of the Acquisition Agreement and the Escrow Agreement is qualified in its entirety by reference to the respective agreements, copies of which are filed hereto as Exhibits 1 and 2, respectively. Exhibits 1 and 2 are specifically incorporated herein by reference in answer to this Item 4.

The purpose of the Offers was to enable the Reporting Persons to acquire control of the Company.

In addition to the shares of capital stock acquired in the Offers, each of Movil and Mr. Salinas has engaged in a series of open-market purchases on the Mexican Stock Exchange, acquiring 253,500 and 4,319,270 shares of Common Stock, respectively, as described in Item 5 below.

As set forth in the publicly-filed documents in connection with the Offers, the Company is highly leveraged and has insufficient cash flow from operations and cash on hand to meet its debt obligations. At this time, Movil does not contemplate making any capital contribution to the Company.

The Reporting Persons are continually evaluating and reviewing their present and future interests in and intentions with respect to the Company and the Company's business affairs, financial position and prospects. Based on such evaluation and review, general economic and industry conditions, and other factors that the Reporting Persons deem relevant, the Reporting Persons may consider from time to time various courses of action of the types described in clauses (a) through (j) of Item 4 of Schedule 13D. Such actions may include, among other things, the acquisition of Common Stock or ADSs through open market purchases, privately negotiated transactions, tender offers, exchange offers, a merger, a reorganization or other business combination transaction, or otherwise, as applicable, or the Reporting Persons may sell all or a portion of the Common Stock in privately negotiated transactions or in the open market, in

Edgar Filing: MOVIL ACCESS SA DE CV - Form SC 13D

each case subject to the factors and conditions referred to above. In addition, the Reporting Persons may formulate other purposes, plans or proposals regarding the Company or any of its securities to

the extent deemed advisable in light of general investment and trading policies, market conditions or other factors.

Subsequent to the consummation of the Offers, the Company completed the Exchange pursuant to which all Series A shares and Series V shares (including those underlying the ADSs) were exchanged, at a ratio of 20 (twenty) to 1 (one), for shares of Common Stock of the Company. After the Exchange, the shares acquired in the Offers represent 69,413,052 shares of Common Stock.
