ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Effective as of November 1, 2004, SpectraSite, Inc. (the "Registrant") entered into an employment agreement with Mark A. Slaven defining the terms of his employment with the Registrant as Chief Financial Officer. The initial term of Mr. Slaven's employment agreement is three years, with automatic one-year renewals unless either party gives written notice of nonrenewal at least six months prior to the end of the term. Mr. Slaven's annual base salary is \$300,000. Mr. Slaven is eligible to receive an annual bonus in an amount not less than 75% of his base salary (pro rated with respect to the 2004 fiscal year) in the event that the Registrant achieves certain annual financial targets established by the Registrant's Board of Directors.

If Mr. Slaven's employment is terminated as a result of his death or disability, or is terminated by the Registrant without cause, or if he resigns without good reason during the thirteenth month following a change in control,

he will be entitled to receive continued salary, average annual bonus and benefits for a period of 24 months following the termination, provided that this period shall be extended to 36 months if he is terminated by the Registrant without cause or if he resigns with good reason during the 24-month period following a change in control.

For this purpose, a change of control occurs upon (i) the acquisition of more than 35% of the total combined voting power of the Registrant's outstanding securities; (ii) a change in the composition of the Registrant's Board of Directors during any two-year period that results in the current directors (or those directors approved by the Board of Directors) ceasing to constitute a majority of the directors; (iii) the Registrant's merger or consolidation with another entity unless the Registrant's outstanding voting securities are exchanged for consideration including securities representing a majority of the voting power of the surviving corporation; or (iv) a sale of all or substantially all of the Registrant's assets.

Mr. Slaven has agreed that for a period of 24 months following the termination of his employment with the Registrant he generally will not:

- o engage in, or own any interest in or perform any services for any business which engages in, competition with the Registrant;
- o solicit the Registrant's management employees or otherwise interfere with the employment relationship between the Registrant and the Registrant's employees; or
- o hire, engage or in any manner be associated with any supplier, contractor or entity with a business relationship with the Registrant, if such action would have a material adverse effect on the Registrant.

A copy of Mr. Slaven's employment agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

In connection with his employment agreement, Mr. Slaven was granted options under the Registrant's 2003 Equity Incentive Plan to purchase 50,000 shares of the Registrant's common stock. The per share exercise price of these stock options shall be the closing price of the Registrant's common stock on November 1, 2004. These stock options shall vest on the earlier of November 1, 2005 or the day immediately prior to the effective date of any new accounting rule or policy that would require an accounting charge by the Registrant with respect to such stock options. In the event that Mr. Slaven's employment is terminated by the Registrant without

cause, or on account of death or disability or by Mr. Slaven for good reason, any unvested portion of such stock options shall become fully vested and exercisable as of the date of such termination. In the event that a change in control of the Registrant occurs, any unvested portion of such stock options shall become fully vested and exercisable as of the date immediately prior to such change in control.

A copy of Mr. Slaven's Stock Option Agreement is attached as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.
