|                              | Total  | 4,000,000 |

Additional Information: Aaron Rents wishes to point out that the preliminary prospectus contains a typographical error on page 6 in the risk factors. Aaron Rents estimates that start-up expenses for new stores, referred to as new store drag, reduced net earnings, rather than pre-tax earnings, by \$8.0 million, or \$0.16 per diluted share, during 2005.

***The issuer has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the issuer has filed with the SEC for more complete information about the issuer and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at [www.sec.gov](http://www.sec.gov).
