This Proxy Statement and the enclosed proxy card will first be sent on or about April 17, 2007 to the Company s stockholders of record as of the close of business on March 19, 2007 (the Record Date). References in this Proxy Statement to Graphic Packaging, we, us, and our or similar terms are to Graphic Packaging Corporation.

Outstanding Shares

As of the close of business on the Record Date, there were 200,625,243 shares of the Company s common stock outstanding and entitled to vote. Stockholders are entitled to one vote for each share held on all matters to come before the Annual Meeting.

Who May Vote

Only stockholders who held shares of the Company s common stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof.

How to Vote in Person

If your shares are registered directly in your name, you are considered the stockholder of record and you may vote in person at the Annual Meeting. If your shares are registered through a bank or brokerage firm, your shares are considered to be held beneficially in street name. If your shares are held beneficially in street name and you wish to vote in person at the Annual Meeting, you will need to obtain a proxy from the bank or brokerage firm that holds your shares. Please note that even if you plan to attend the Annual Meeting in person, the Company recommends that you vote before the Annual Meeting.

How to Vote by Proxy

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by any of the methods described below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card or, for shares held beneficially in street name, the voting instruction card provided by your bank or brokerage firm.

Voting over the Internet. Stockholders of record of the Company's common stock with Internet access may submit proxies from any location in the world by following the "Vote by Internet" instructions on their proxy cards. In addition, most of the Company's stockholders who hold shares beneficially in street name may

Table of Contents

vote by accessing the website specified on the voting instruction card provided by their bank or brokerage firm. Please check the voting instruction card to determine Internet voting availability.

Voting by Telephone. Stockholders of record of the Company's common stock who live in the United States or Canada may submit proxies by following the "Vote by Phone" instructions on their proxy cards. Most of the Company's stockholders who hold shares beneficially in street name may vote by phone by calling the number specified on the voting instruction card provided by their bank or brokerage firm. Please check the voting instruction card to determine telephone voting availability.

Voting by Mail. Stockholders of record of the Company's common stock may submit proxies by completing, signing and dating the enclosed proxy card and mailing it in the accompanying pre-addressed envelope. The Company's stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction card provided by their bank or brokerage firm and mailing them in the accompanying pre-addressed envelope.

How Proxies Work

The Board of Directors is asking for your proxy. By giving the Board your proxy, your shares will be voted at the Annual Meeting in the manner you direct. If you do not specify how you wish to vote your shares, your shares will be voted FOR the election of each of the Director nominees. Proxyholders will vote shares according to their discretion on any other matter properly brought before the Annual Meeting.

If for any reason any of the nominees for election as Director is unable or declines to serve as Director, discretionary authority may be exercised by the proxyholders to vote for substitutes proposed by the Board.

If the shares you own are held beneficially in street name by a bank or brokerage firm, such firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides to you. Under the rules of the New York Stock Exchange (the "NYSE"), if you do not give instructions to your bank or brokerage firm, it will still be able to vote your shares with respect to certain "discretionary" items, but will not be allowed to vote your shares with respect to certain "non-discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes."

How to Vote Your 401(k) Plan Shares

If you participate in the Company's 401(k) Savings Plan or in the Company's Hourly 401(k) Savings Plan (the "401(k) Plans"), you may give voting instructions as to the number of shares of the Company's common stock held in your account as of the Record Date to the trustee of the savings plan. You provide voting instructions to the trustee, Fidelity Management Trust Company, by completing and returning the proxy card accompanying this Proxy Statement. The trustee will vote your shares in accordance with your duly executed instructions received by 12:00 midnight on May 10, 2007. If you do not send instructions, the trustee will vote the number of shares equal to the share equivalents credited to your account in the same proportion that it votes shares for which it did receive timely instructions.

You may also revoke voting instructions previously given to the trustee by 12:00 midnight on May 10, 2007, by filing either a written notice of revocation or a properly completed and signed proxy card bearing a later date with the trustee. Your voting instructions will be kept confidential by the trustee.

Quorum

In order to carry out the business of the Annual Meeting, there must be a quorum. This means that at least one-third (1/3) of the outstanding shares eligible to vote must be represented at the Annual Meeting, either by proxy or in person. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes present at the Annual Meeting for purposes of calculating whether a quorum is present.

Table of Contents

Votes Needed

The Director nominees receiving the largest number of votes cast are elected, up to the maximum number of Directors fixed by the Board to be elected at the Annual Meeting. As a result, any shares not voted, whether by abstention, broker non-vote or otherwise, have no effect on the election of Directors, except to the extent that the failure to vote for a particular nominee may result in another nominee receiving a larger number of votes. Approval of any other matter properly brought before the Annual Meeting requires the affirmative vote of holders of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting. An abstention with respect to any other matter will have the effect of a vote against such proposal and broker non-votes will have no effect, as broker non-votes are not treated as shares entitled to vote.

Changing Your Vote

Shares of the Company's common stock represented by proxy will be voted as directed unless the proxy is revoked. Any proxy may be revoked before it is exercised by sending to the Company's Corporate Secretary an instrument revoking the proxy or a proxy bearing a later date. Any notice of revocation should be sent to: Graphic Packaging Corporation, 814 Livingston Court, Marietta, Georgia 30067, Attention: Corporate Secretary. Any proxy submitted over the Internet or by telephone may also be revoked by submitting a new proxy over the Internet or by telephone. A proxy is also revoked if the person who executed the proxy is present at the Annual Meeting and elects to vote in person.

Attending in Person

Only stockholders, their designated proxies and guests of the Company may attend the Annual Meeting. If your shares are held beneficially in street name, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of shares of the Company's common stock as of the Record Date in order to be admitted to the Annual Meeting.

CORPORATE GOVERNANCE MATTERS

The Company's Board of Directors periodically reviews its governance policies, practices and procedures to ensure that the Company meets or exceeds the requirements of applicable laws and rules, including the Sarbanes-Oxley Act of 2002, the related rules and regulations of the Securities and Exchange Commission (the SEC) and the corporate governance listing standards of the NYSE. Below, in question and answer format, is a summary of certain of the Company's corporate governance policies and practices.

Who are Graphic Packaging's Directors?

The Board currently consists of John D. Beckett, G. Andrea Botta, Kevin J. Conway, Jeffrey H. Coors (who serves as Vice Chairman of the Company), William R. Fields, Harold R. Logan, Jr., John R. Miller (who serves as the non-executive Chairman of the Board), David W. Scheible (who serves as President and Chief Executive Officer of the Company) and Robert W. Tieken. Mr. Stephen M. Humphrey served as a member of the Board through December 31, 2006.

Table of Contents

How does Graphic Packaging determine which Directors are independent?

For these purposes, independent and independence have the meanings set forth under the Securities Exchange Act of 1934 (the Exchange Act), as amended, the rules and regulations adopted thereunder by the SEC, the NYSE's corporate governance listing standards, and the Company's Corporate Governance Guidelines, all as in effect from time to time. A Director will not qualify as independent unless the Board affirmatively determines that the Director has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). In addition, in accordance with the Company's Corporate Governance Guidelines, the Company will also apply the following standards in determining whether a Director is independent:

A Director who is an employee of the Company, or whose immediate family member serves as one of the Company's executive officers, may not be deemed independent until three years after the end of such employment relationship.

A Director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from the Company, other than Board and committee fees and pension or other forms of deferred compensation for prior service, may not be deemed independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation. Compensation received by an immediate family member for service as one of the Company's non-executive employees will not be considered in determining independence under this test.

A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, the Company's present or former internal or external auditor may not be deemed independent until three years after the end of the affiliation or the employment or auditing relationship.

A Director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the Company's current executive officers serve on that company's compensation committee may not be deemed independent until three years after the end of such service or the employment relationship.

A Director who is an executive officer, general partner or employee, or whose immediate family member is an executive officer or general partner, of an entity that makes payments to, or receives payments from the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other entity's consolidated gross revenues, may not be deemed independent until three years after falling below that threshold.

Applying these standards, the following six of the Company's nine Directors are independent: Messrs. Beckett, Botta, Fields, Logan, Miller and Tieken. Messrs. Coors and Scheible are not considered independent because they serve as executive officers of the Company and Mr. Conway is not considered independent because of his status as a principal of Clayton, Dubilier & Rice, Inc. (CD&R), an investment banking firm that manages Clayton, Dubilier & Rice Fund V Limited Partnership (the CD&R Fund), the holder of approximately 17% of the Company's common stock and a party to the Stockholders Agreement dated March 25, 2003 among the Company, the Coors family stockholders and certain related family trusts, the CD&R Fund and EXOR Group, S.A.

The Company is a controlled company, as that term is defined in the NYSE's corporate governance listing standards, because more than 50% of the Company's voting power is held by a group of stockholders consisting of members of the Coors family and certain related trusts and foundations, the CD&R Fund and EXOR Group, S.A. (EXOR) and their respective affiliates. Please see Certain Relationships and Related Transactions below. As a controlled company,

the Company is exempt from the requirements of Rule 303A of the NYSE Listed Company Manual with respect to having the Board be comprised of a majority of independent Directors and having the Compensation and Benefits Committee and Nominating and Corporate Governance Committee being composed solely of independent Directors.

Logan, Jr., 62, has been a member of the Company's Board and the Board of Directors of the Company's subsidiary Graphic Packaging International, Inc. since the closing of the Merger in 2003. From 2001 until the closing of the Merger, Mr. Logan served as one of the directors of GPIC. From 2003 through September 2006 Mr. Logan was a director and Chairman of the Finance Committee of TransMontaigne, Inc., a transporter of refined petroleum products, and was a director, Executive Vice President, and Chief Financial Officer of TransMontaigne, Inc. from 1995 to 2002. TransMontaigne, Inc. was sold to Morgan Stanley Group, Inc. on October 1, 2006. Mr. Logan served as a director and Senior Vice President, Finance of Associated Natural Gas Corporation, a natural gas and crude oil company, from 1987 to 1994. He also serves as Chairman of the Board of Supervisors of Suburban Propane Partners, L.P. and a director of Hart Energy Publishing, LLC and The Houston Exploration Company.

Directors Emeritus

During 2006, William K. Coors and B. Charles Ames each served on the Board as a Director Emeritus. In such capacity, they have the right to attend Board meetings and to receive copies of all written materials provided to the Board, but do not have any right to vote on any matter presented to the Board. Mr. William K. Coors resigned from his position as a Director Emeritus on March 13, 2007.

Criteria for Potential Directors

The Company's Board is responsible for selecting nominees for election as Directors by stockholders and for filling vacancies on the Board. The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the Board individuals for nomination as members of the Board and its committees and, in this regard, reviewing with the Board on an annual basis the current skills, background and expertise of the members of the Board, as well as the Company's future and ongoing needs. This assessment is used to establish criteria for identifying and evaluating potential candidates for the Board. However, as a general matter, the Nominating and Corporate Governance Committee seeks individuals who demonstrate:

the highest personal and professional integrity,

commitment to driving the Company's success;

an ability to provide informed and thoughtful counsel on a range of issues; and
exceptional ability and judgment.

The Nominating and Corporate Governance Committee considers candidates recommended by its members and other Directors. The Nominating and Corporate Governance Committee will also consider

Table of Contents

whether to nominate any person recommended by a stockholder pursuant to the provisions of the Company's By-Laws relating to stockholder nominations as described in Stockholder Proposals and Nominations, below. The Nominating and Corporate Governance Committee uses the same criteria to evaluate proposed nominees that are recommended by its members and other Directors as it does for stockholder-recommended nominees.

Compensation of Directors

The following table sets forth information regarding the compensation of the non-employee Directors of the Company.

- (1) The dollar value of stock awards set forth in this column is equal to the compensation cost recognized during 2006 for financial statement purposes in accordance with Financial Accounting Standard 123R.
- (2) Mr. Botta has elected to defer receipt of all cash and stock compensation payable to him in the form of phantom shares. Cash compensation is converted to phantom shares based on the closing price of the Company's common stock on the first trading day following the end of the quarter. Awards of common stock are converted to phantom shares on a one-for-one basis. At December 31, 2006, Mr. Botta held a total of 58,991 shares of phantom stock.

Each Director who is not an officer or employee of the Company receives an annual cash retainer fee of \$20,000, payable in quarterly installments. In addition, each non-employee Director receives \$1,500 per Board meeting attended and \$1,000 per committee meeting attended. The Audit Committee chairman and each of the other Committee chairmen receive a further retainer fee of \$10,000 and \$5,000, respectively, payable in equal quarterly installments. In addition to the retainers and meeting fees, each non-employee Director receives an annual grant of shares of stock with a value of \$40,000 on the date of grant. Non-employee Directors have the option to defer all or part of the cash and equity compensation payable to them in the form of phantom stock.

On August 8, 2006, Mr. Miller was appointed non-executive Chairman of the Board. For his services as non-executive Chairman of the Board, Mr. Miller is entitled to receive annual cash compensation of \$100,000. Mr. Miller's annual compensation for serving as the non-executive Chairman of the Board in 2006 was prorated to \$39,674.

Directors who are officers or employees do not receive any additional compensation for serving as a Director. Pursuant to the terms of Mr. Conway's employment with CD&R, he has assigned his right to receive compensation for his service as a Director to CD&R. The Company reimburses all Directors for reasonable and necessary expenses they incur in performing their duties as Directors.

Board Recommendation

The Board believes that voting for each of the three nominees for Director selected by the Board is in the best interests of the Company and its stockholders. **The Board recommends a vote FOR each of the three nominees for Director.**

COMPENSATION DISCUSSION AND ANALYSIS

References to the Committee in this Compensation Discussion and Analysis section are to the Compensation and Benefits Committee. References to Executives are to the Named Executive Officers reported in the Summary Compensation Table and other tables in this proxy statement.

Guiding Principles and Policies

The goal of our compensation program is to build long-term stockholder value by attracting, retaining and motivating key members of management. A significant portion of the compensation packages of our Executives is intended to be pay for performance. In our program, decisions with respect to one element of pay tend not to impact other elements of pay. Market data, individual performance, retention needs and internal equity among our Executives' compensation packages have been the primary factors considered in decisions to increase or decrease compensation materially.

Peer Group and Market Data

We obtain an analysis of market data at least every other year in which compensation of the Executives is compared to the compensation paid to executives holding comparable positions at similar companies. The companies used for this comparison are chosen by the Company and the Committee's consultant, Hewitt Associates, and consist of a group of about 30 manufacturing companies with revenues approximately one-half to double the revenues of the Company that participate in Hewitt Associates' database of executive pay. This peer group was originally chosen in 2003 and has changed somewhat from study to study because of merger and acquisition activity and participation in Hewitt Associates' database, but our goal is to have it be as constant as possible. Hewitt Associates tests the peer group results against data from broader general industry, manufacturing and forest products groups to ensure that the peer group provides an appropriate benchmark of executive compensation.

Table of Contents

The peer group used to develop 2006 compensation is listed below.

Role of Compensation Consultants

The Committee independently retains Hewitt Associates to assist the Committee in its deliberations regarding executive compensation. Hewitt Associates is also retained by the Company to assist with various compensation and benefit matters. The mandate of Hewitt Associates is to serve the Company and work for the Committee in its review of executive compensation practices, including the competitiveness of pay levels, design issues, market trends and technical considerations. Hewitt Associates consultants attended five of the seven Committee meetings in 2006 and assisted the Committee with market data and a related assessment of the Company's executive compensation levels, long-term incentive grant sizes, employment contract revisions and disclosures under the new proxy disclosure rules.

Role of Executive Officers

The Chief Executive Officer and Senior Vice President, Human Resources recommend to the Committee the compensation program design and award amounts for most executives. They are not involved in determining their own pay.

Overview of Executive Compensation Components

Our executive compensation program currently consists of the following compensation elements:

Base salary

Short-term cash incentives

Long-term incentives, consisting of Service Restricted Stock Units (Service RSUs) and Performance Restricted Stock Units (Performance RSUs)

Welfare benefits

Perquisites

Retirement benefits

Termination pay

Each of these elements is discussed below, as well as the methodology used for setting the amount of each type of compensation.

Base Salary

Philosophy. Our philosophy is to set salaries for our Executives at the 75th percentile of the peer group's salaries for executives with similar positions and responsibilities (with adjustments made to reflect the various sizes of the companies in such group). Recent promotions, however, have resulted in actual base salaries for several of our Executives that are below the size-adjusted 50th percentile of the peer group.

Table of Contents

The 75th percentile represents about 15% more base salary than the size-adjusted median. The desire to set salaries at this somewhat higher level reflects that annual target goals under the Management Incentive Plan (MIP) are set at levels of Company performance that we believe are more difficult to achieve than performance goals used to determine short-term incentive amounts at most other peer group companies. We periodically assess our performance against that of peer companies to confirm that our short-term incentive target goals represent approximately 75th percentile performance.

Changes to base salaries occur on a periodic basis that is generally at least twelve months after the most recent adjustment for the Executive. Base salary changes take into account market data for similar positions, the Executive's experience and time in position, any changes in responsibilities and individual performance. In August 2006, Mr. Coors' base salary was reduced from \$624,000 to \$575,000 as he transitioned into a more advisory role with the Company.

Impact of Perquisites Change on Base Salary. In July 2006, we conformed the language and details of our Executives employment agreements. As part of the conforming process, perquisites for Mr. Scheible were reduced by \$23,500 and his base salary was increased by \$23,500.

Management Incentive Plan

The purpose of the MIP is to provide a meaningful short-term cash incentive that rewards the achievement of specified annual financial goals. The financial measure used to set such financial goals or targets is earnings before income taxes, depreciation and amortization (EBITDA).

Target Opportunities. The MIP payout at the target level for each Executive is set at a level that pays at the 75th percentile of peer group companies for Company performance at the 75th percentile of the peer group.

Performance Goals. Because we set target performance goals that we believe represent performance at or above the 75th percentile of our peer group (confirmed through historical analysis), achievement of such goals is designed to pay base salary plus short-term incentive at approximately the 75th percentile of the peer group. Should the Company fail to reach target goals, the MIP will pay out to a lesser degree. Payouts are discretionary on the part of the Committee if the threshold goals are not met. Our EBITDA goal for 2006 was \$305 million, achievement of which would present an opportunity for a MIP award at target. The payout for performance at 96.7% of our EBITDA goal was set at 50% of target, and no payout would be earned for performance at or below 93.4% of our EBITDA goal. The payout for performance 7.2% or more above our EBITDA goal (after appropriate accrual for the greater compensation expense) was set at a maximum of 200% of target.

Actual Short-Term Incentive Payouts for 2006. Actual short-term incentive payouts for 2006 are shown in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table. Payouts were made at target levels for 2006. In arriving at this payout level, the Committee took into account the above-target results that occurred during the majority of the year and management's overall performance in a difficult operating environment. The Committee concluded, given all the facts, that a target payout for 2006 was appropriate and used the discretion permitted under Section VII of the MIP to award payouts at the 100% of target level.

Long-Term Incentives

The 2006 long-term incentive program has two elements: Service RSUs and Performance RSUs. Each represents about 50% of the competitive, total long-term incentive value that the Company pays to its Executives. Both types of grants are intended to retain Executives during a multi-year vesting period, align the long-term interests of Executives

with our stockholders and provide cash and stock compensation. A mandatory two-year holding period after vesting further aligns our Executives' interests with those of our stockholders.

Service RSUs vest in three equal increments on the first, second and third anniversaries of the date of grant. Performance RSUs vest in full on the second anniversary of the date of grant. Both are payable one-half

Table of Contents

in shares of our common stock and one-half in cash two years after vesting upon the expiration of the mandatory holding period.

How Award Sizes are Determined. Together, the Service RSUs and the target number of Performance RSUs are calculated to provide a long-term incentive award at approximately the size-adjusted 50th percentile of the peer group. The specific target opportunity for each Executive is determined through a combination of market data and consideration of internal equity issues among our Executives' compensation packages.

The value of the Service RSU grants is based on market levels of long-term compensation in February of each year times 50%. The number of shares delivered is calculated using the average closing stock price of the Company's common stock for the month of January preceding the grant of the Service RSUs. For Service RSUs granted in 2006, the stock price used was \$2.65.

The target number of Performance RSUs to be granted in May of the following year is equal to the number of Service RSUs previously granted, and is subject to adjustment down to 0% of market and up to 70% of market (140% of target) based on the Committee's assessment of management's performance in the prior year.

2006 Grants. In March 2006, we granted Service RSUs to all of the Executives except Mr. Coors, (who is expected to retire from management of the Company at the end of 2007 and serve thereafter solely on the Board of Directors). Grant sizes were equal to 50% of market long-term incentive opportunities.

In April 2006, we granted Service RSUs to Mr. Humphrey. This grant was in lieu of an award of Service RSUs for 2005, which was delayed while the Committee established a comprehensive compensation plan for Mr. Humphrey.

In May 2006, we granted Performance RSUs that represented the performance portion of the 2005 grants for Messrs. Humphrey, Blount and Schmal. Messrs. Scheible and Coors did not receive Performance RSUs in May 2006 because they had not received Service RSUs in 2005. This was because, in connection with the Merger, each had previously received a substantial award of restricted stock units (RSUs) under the 2003 Riverwood Holding, Inc. Long-Term Incentive Plan to replace prior long-term incentive awards made at GPIC.

The May 2006 Performance RSU grants were made at 55% of market. When combined with the Service RSU grants made in 2005, they represent a grant equal to 105% of target for long-term incentives. The size of the Performance RSU grants in May 2006 was based on the Committee's determination of 2005 performance against plan. In arriving at this figure, the Committee considered achievements in debt reduction, cost reduction, innovation and resulting new product sales, process improvements and asset utilization. Achievement was above plan in cost reduction, innovation, process improvements and asset utilization. Achievement was below plan in debt reduction.

All of the grants discussed above are reflected in the Summary Compensation Table.

Welfare Benefit Plans

Executives participate in employee benefit plans available to all employees, including medical, dental, accidental death and dismemberment, business travel accident, prescription drug, life and disability insurance. Continuation of welfare benefits for a limited time may occur as part of severance upon certain terminations of employment.

Perquisites

Perquisites complement our other compensation vehicles and enable us to attract and retain the best management talent. Prior to July 20, 2006, Mr. Coors and Mr. Scheible's employment contracts provided for perquisites allowances

of \$46,500 and \$43,500, respectively, and Company-paid executive life insurance of six times base salary. The employment contracts for Messrs. Humphrey, Blount and Schmal provided for various

Table of Contents

levels of perquisites, including some or all of the following: tax preparation and financial planning, executive physicals, luncheon, athletic and country clubs, and home security systems.

In July 2006, employment contracts for the Executives were revised to provide to each a \$20,000 payment in lieu of perquisites that can be used as the Executive determines. The fixed payment was designed to take the place of existing specific perquisites and to simplify administration. Because this change was made mid-year, the amount of such payment was reduced by the total of perquisites already reimbursed. The payment is reported in the Summary Compensation Table in the Bonus column.

Retirement Benefits

Executives and all other employees who meet certain service requirements are eligible to participate in one of the Company's 401(k) Savings Plans, qualified defined contribution plans under the rules of the Internal Revenue Service. The Company does not offer a 401(k) restoration plan that would permit Executives to contribute to and receive matching contributions from the Company on a basis that would be commensurate with other employees as a percent of pay. Executives and all other employees are also eligible to participate in either the Riverwood International Employees Retirement Plan or the Graphic Packaging Retirement Plan (together, the Pension Plans). In addition, senior executives participate in either the Riverwood International Supplemental Retirement Plan or the Graphic Packaging Supplemental Retirement Plan (together, the Supplemental Plans). Messrs. Coors and Scheible participated in the Graphic Packaging Retirement Plan and the Graphic Packaging Supplemental Plan until January 1, 2005, the date they transferred into the Riverwood International Employees Retirement Plan and the Riverwood International Supplemental Retirement Plan. The Supplemental Plans provide a benefit based upon compensation that exceeds the limits set by the Internal Revenue Service for the Pension Plans and makes total retirement benefits under the Company's defined benefit plans for the Executives commensurate with those available to other employees as a percent of pay. Additional information about the Pension Plans and the Supplemental Plans is provided under the Pension Benefits in 2006 table.

Mr. Humphrey. Mr. Humphrey's employment contract provided him with a guaranteed 10 years of service for purposes of the Riverwood International Employees Retirement Plan and the Riverwood International Supplemental Retirement Plan. This provision was designed to attract him to the Company, but the guarantee was not utilized, as Mr. Humphrey achieved 10 years of service in March 2007. In addition, a Supplemental Executive Pension Plan (SEPP) was implemented in April 2006 to provide an additional benefit to him equal to an additional 22 years of service (up to a maximum of \$5,000,000) should he remain employed through March 31, 2007.

Employment Agreements and Potential Payments on Termination

In July 2006, the Company entered into revised employment contracts with all of the Executives containing more uniform provisions. The new agreements contain enforceable non-competition and non-solicitation covenants, expand the termination for Cause definition and contain claims releases and more consistent severance provisions.

Agreements other than Mr. Coors' and Mr. Humphrey's provide guaranteed severance in the event of certain terminations of employment. For Mr. Scheible the guaranteed severance is two times base salary, and for Messrs. Blount and Schmal it is one times base salary. Executives also receive welfare benefits for one year after termination and a pro-rata MIP payout (which is doubled for Mr. Scheible). Messrs. Humphrey and Coors do not have severance benefits in their agreements because each is expected to retire from the Company at the end of 2007.

Executives may receive severance if they are terminated involuntarily, or terminate voluntarily for Good Reason (as defined below) within 30 days of the Good Reason event. The Executive must deliver written notice of intention to terminate for Good Reason, specifying the applicable provision, and provide the Company a reasonable opportunity to

cure. The Good Reason provision in the 2006 contracts was designed to equalize the treatment of voluntary terminations for Good Reason with involuntary terminations without Cause. Doing so enables the contracts to fulfill their purpose of promoting retention during times of

Table of Contents

uncertainty and transition. Good Reason as defined in the agreements includes contract termination, material reduction in position, responsibilities or duties, failure of a successor company to assume the agreement, reduction in salary, breach of agreement or mandatory relocation, other than in connection with promotion, of more than 50 miles.

The agreements are discussed in more detail under Employment Agreements and Termination of Employment Arrangements.

We have no change-in-control severance protections in the employment agreements and because the Company vested all outstanding options in December 2005, certain other change-in-control provisions in the Company's equity compensation plans are moot. However, the award agreements for the Service RSUs and Performance RSUs granted under the 2004 Stock and Incentive Compensation Plan (the 2004 Plan) provide that all vesting restrictions shall lapse and the mandatory holding period shall expire upon the occurrence of a change-in-control. In addition, the following provisions would affect options granted under the Company's other equity compensation plans in the event of a change-in-control:

The 2004 Plan provides that if a participant's employment is terminated for any reason except Cause within six months prior to a change-in-control or within twelve months subsequent to such change-in-control, the participant will have until the earlier of (i) twelve months following such termination, or (ii) expiration of the option, to exercise such option.

The 2003 Riverwood Holding, Inc. Long-Term Incentive Plan provides that outstanding options will be either cancelled in exchange for a payment in cash of an amount equal to (i) the excess of the value assigned to shares in the transaction constituting the change-in-control over (ii) the exercise price, or exchanged for an alternative award with substantially equivalent economic value.

The Riverwood Holding, Inc. 2002 Stock Incentive Plan provides that outstanding options will be cancelled in exchange for a payment equal to (i) the excess of the value assigned to shares in the transaction constituting the change-in-control over (ii) the exercise price, and that such payment be made in cash or in shares of the stock of the new company, if such shares are publicly-traded.

The Riverwood Holding, Inc. Supplemental Long-Term Incentive Plan and the Riverwood Holding, Inc. Stock Incentive Plan provide that outstanding options may be either cancelled in exchange for a payment equal to (i) the excess of the value assigned to shares in the transaction constituting a change-in-control over (ii) the exercise price, or if the transaction constituting a change-in-control is accounted for under the pooling of interests method, exercised by the holder or exchanged for fully-exercisable options to purchase the common stock of the new company, provided such opportunity is made available by the new company and that such substitute options have substantially equivalent economic value.

The Graphic Packaging Equity Incentive Plan provides only for full vesting of stock options and other awards upon a change-in-control.

In addition to certain benefits under the Company's equity incentive plans in the event of a change-in-control, Messrs. Blount and Schmal participate in a retirement arrangement that supplements the benefit under the Company's Pension Plans and Supplemental Plans in the event of a change-in-control by providing ten years minimum service and subsidized early retirement reduction factors. The present value of the annual net benefit under this arrangement is \$203,664 and \$250,915 for Mr. Blount and Mr. Schmal, respectively.

Timing of Compensation

Base salary adjustments are generally approved at the first Committee and Board meeting of the year and may take effect at various times over the course of the year. Service RSU grants are generally made at the first regularly scheduled Board meeting and Performance RSU grants are generally made at the second regularly scheduled Board meeting of the year. Our policy is that awards of equity compensation are made only at

Table of Contents

regularly scheduled meetings of the Board of Directors (except for new-hire grants) and that the date of grant is the date upon which the Board of Directors approves the grant.

Tax Issues

For tax purposes, amounts paid under the MIP and the value of Service RSUs and Performance RSUs is capped for each Executive at a percent of EBITDA. The percents for 2006 were 1.6% for Mr. Humphrey, 0.8% for Mr. Coors, 0.8% for Mr. Scheible and 0.4% for Mr. Blount. Favorable accounting and tax treatment of the various elements of our compensation program is a consideration in its design, but, because the Committee's policy is to maximize long-term stockholder value, it is not the sole consideration. Section 162(m) of the Internal Revenue Code (the Code) limits the deductibility of certain items of compensation to each of the Executives (or, the covered employees, for Code Section 162(m) purposes) to \$1,000,000 annually, unless the compensation qualifies as performance-based compensation exempt from the \$1,000,000 limitation. Long-term incentives are intended to qualify for the performance-based exception described above. We will continue to monitor the levels of compensation of our Executives and to consider whether other action should be taken in order to ensure deductibility of compensation payable to them, although we reserve the right to award compensation that is not deductible under Code Section 162(m) if we determine it to be in the best interests of the Company and our stockholders to do so.

COMPENSATION OF EXECUTIVE OFFICERS

The following table sets forth the compensation paid to or earned by the Company's Principal Executive Officer (Mr. Humphrey), Principal Financial Officer (Mr. Blount) and the Company's three other most highly paid executive officers (collectively, the Named Executive Officers) for the fiscal year ended December 31, 2006.

Additional Information regarding the Summary Compensation Table for 2006 and the Grants of Plan-Based Awards in Fiscal 2006 Table

Salary. The amounts shown as salaries in the Summary Compensation Table for 2006 represent amounts actually paid and may not be the same as current base salary levels.

Bonus. Amounts earned under the MIP, which in previous years were reported in the Bonus column, are now reported in the Non-Equity Incentive Plan Compensation column.

Non-Equity Incentive Plan Compensation. The Company's annual Management Incentive Plan is designed to provide short-term incentive awards based upon the accomplishment by the Company of performance goals established at the beginning of each year. Awards are paid in cash during the first quarter of the following year.

Option/Stock Appreciation Rights Grants in 2006. During 2006, none of the Named Executive Officers received grants of stock options or stock appreciation rights.

Stock Awards. In 2006, the Compensation and Benefits Committee and the Board approved grants of RSUs under the 2004 Plan to our Named Executive Officers. These grants included Service RSUs that vest over a period of service and Performance RSUs that were based upon accomplishment of certain performance metrics.

The Service RSUs granted vest in three equal increments on the first, second and third anniversary of the date of grant and are payable 50% in shares of the Company's common stock and 50% in cash two years thereafter upon the termination of a mandatory holding period. The Performance RSUs vest in full on the second anniversary of the date of grant and are payable 50% in shares of the Company's common stock and 50% in cash two years thereafter upon the termination of a mandatory holding period.

Change in Pension Value and Deferred Compensation Earnings. Amounts shown in the Change in Pension Value and Non-Qualified Deferred Compensation column of the Summary Compensation Table represent only the aggregate increase in the present value of accumulated benefits under our Pension Plans and Supplemental Plans, as the Company does not have an active deferred compensation plan. Amounts previously deferred by Mr. Coors into the ACX Technologies, Inc. Deferred Compensation Plan, a deferred compensation plan maintained by GPIC, are payable in shares of common stock and no interest is paid thereon.

Additional Information regarding the Pension Benefits at Fiscal Year-End 2006 Table

The Riverwood International Employees Retirement Plan and Riverwood International Supplemental Retirement Plan. All U.S. salaried employees who satisfy the service eligibility criteria and who are not participants in the Graphic Packaging Retirement Plan (the GPIC Retirement Plan) are participants in the Riverwood International Employees Retirement Plan (the Employees Retirement Plan). Pension benefits under this plan are limited in accordance with the provisions of the Internal Revenue Code (the Code) governing tax-qualified pension plans. The Company also maintains the Riverwood International Supplemental Retirement Plan for participants in the Employees Retirement Plan that provides for payment to participants of retirement benefits equal to the excess of the benefits that would have been earned by each participant had the limitations of the Code not applied to the Employees Retirement Plan and the amount actually earned by such participant under such plan. Messrs. Humphrey, Coors, Scheible, Blount and Schmal are each eligible to participate in these pension plans. Benefits under the Riverwood International Supplemental Retirement Plan are not pre-funded; such benefits are paid by the Company.

Annual remuneration, defined as Salary in the Employees Retirement Plan, includes annual salary paid, amounts paid as bonuses under the annual incentive compensation plan and certain other bonus awards, but excludes payments under any equity incentive plan or long-term incentive plan.

As of December 31, 2006, Messrs. Humphrey, Coors, Scheible, Blount and Schmal had the completed years of credited service set forth above in the Pension Benefit Table. Estimated benefits have been calculated on the basis of a straight-life annuity form of payment and are not subject to a reduction to reflect the payment of Social Security benefits or other offset amounts. The years of service calculated for Messrs. Coors and Scheible include years of service credited under the GPIC Retirement Plan described below. Messrs. Coors and Scheible participated in the GPIC Retirement Plan until January 1, 2005 when they were transferred into the Employees Retirement Plan.

GPIC Retirement Plan. The Company's U.S. salaried employees who (i) were previously employed by GPIC, (ii) satisfy the service eligibility criteria and (iii) do not participate in the Employees Retirement Plan participate in the GPIC Retirement Plan. Pension benefits under the GPIC Retirement Plan are limited in accordance with the provisions of the Code governing tax qualified pension plans. GPIC also maintains the Graphic Packaging Supplemental Retirement Plan that provided the benefits that were not payable from the qualified retirement plan because of limitations under the Code. None of the Company's Named Executive Officers participated in the GPIC Retirement Plan during 2006.

Supplemental Executive Pension Plan. In April 2006, the Company established the Graphic Packaging International, Inc. Supplemental Executive Pension Plan for Mr. Humphrey. Pursuant to this plan, Mr. Humphrey receives a benefit equal to the amount that he would be paid for an additional 22 years of service under the Employees Retirement Plan

described above, up to a maximum of \$5,000,000. Such benefit was to be paid in a lump sum payment on March 31, 2007, if Mr. Humphrey continued to be employed by the Company or one of its affiliates through such date. Mr. Humphrey met his service requirement and the benefit under the Supplemental Executive Pension Plan was paid. The benefit paid under the plan was not pre-funded and the plan was intended to be a nonqualified, deferred compensation plan.

EMPLOYMENT AGREEMENTS AND TERMINATION OF EMPLOYMENT ARRANGEMENTS

Employment Agreements

On July 20, 2006, the Company entered into a new employment agreement with each of the Named Executive Officers. Each of the agreements with Messrs. Scheible, Blount and Schmal has an initial term of one year beginning on July 20, 2006 (except for Mr. Scheible, whose term begins on August 8, 2006), and then automatically extends upon the same terms and conditions for additional one-year periods until terminated by the Company or the Named Executive Officer. Mr. Humphrey's employment pursuant to his agreement begins on January 1, 2007 and terminates on December 31, 2007. Mr. Coors' employment pursuant to his agreement begins on August 8, 2006 and terminates on December 31, 2007.

Each of the agreements provides the minimum base salary set forth in the table below and the right to participate in the Company's incentive compensation programs for senior executives at a level commensurate with the Named Executive Officer's position and duties with the Company and based on such performance targets as may be established from time to time by the Company's Board of Directors or a committee thereof. Each of the agreements provide for an annual target bonus opportunity for 2006 equal to the percentage of base salary set forth in the table below.

Each of the agreements specifies that during the executive's employment, the Company shall provide certain employee benefits, including life, medical, dental, accidental death and dismemberment, business travel accident, prescription drug and disability insurance in accordance with the programs of the Company then available to its senior executives. The executives are also entitled to participate in all of the Company's profit sharing, pension, retirement, deferred compensation and savings plans applicable to senior executives, as such plans may be amended and in effect from time to time.

During each year of employment, each of the Named Executive Officers are entitled to a perquisite allowance of \$20,000. This allowance may be used by the Named Executive Officer for, among other things, tax preparation services, financial planning services, home security services, executive physicals, dues of airline, luncheon, country or athletic clubs or automobile expenses.

In the event that a Named Executive Officer's employment is terminated due to a disability that prevents the performance of his duties for a period of six months or longer, the Company shall pay his full base salary through the date of termination. In the case of termination due to death, the Company will pay his full base salary for the payroll period in which death occurs, plus an additional one month's salary. In addition to base salary payments, a Named Executive Officer terminated due to disability or death will receive a pro-rated bonus for the portion of the calendar year in which his termination of employment occurs.

With respect to each of Messrs. Scheible, Blount and Schmal, in the event that the Company terminates his employment without cause, or any of them terminates his employment for good reason, the agreements provide for severance of:

base salary for a period ending on the first anniversary of the date of termination (on the second anniversary with respect to Mr. Scheible);

welfare benefits for a period ending on the first anniversary of the date of termination;

a pro-rata incentive bonus for the year in which termination occurs, assuming that all performance targets had been achieved as of the date of termination (multiplied by two with respect to Mr. Scheible); and

outplacement and career counseling services with a value not in excess of \$25,000.

See Potential Payments Upon Termination Without Cause or for Good Reason.

Each of the agreements provides that the Named Executive Officers may not work for a competitor of the Company for a period of one year after his employment terminates (two years with respect to Mr. Scheible). Each of the executives is also prohibited from (i) employing or soliciting employees of the Company for employment, (ii) interfering with the Company's relationship with its employees or (iii) soliciting or

Table of Contents

attempting to establish any competitive business relationship with a customer, client or distributor of the Company for a period of one year after termination of employment (two years with respect to Mr. Scheible).

Specific terms for each of the employment agreements are set forth below:

Name and Principal Position	Annual Base Salary (\$)	Annual Target Bonus (%)
Stephen M. Humphrey President and Chief Executive Officer	575,000	
Jeffrey H. Coors Vice Chairman	575,000	
David W. Scheible Chief Operating Officer(1)	550,000 700,000	75% 100%
Daniel J. Blount Senior Vice President and Chief Financial Officer	400,000	70%
Michael R. Schmal Senior Vice President, Beverage	350,000	70%

- (1) Mr. Scheible's agreement specifies that no later than January 1, 2007, he shall be promoted from the position of Chief Operating Officer to President and Chief Executive Officer. This promotion occurred on January 1, 2007. At the time of such promotion, Mr. Scheible's base salary was increased to \$700,000 and his annual target bonus opportunity was changed to 100%.

Potential Payments Upon Termination without Cause or for Good Reason

The table below reflects the amount of compensation that would become payable to each of the Named Executive Officers under existing plans and arrangements if the Named Executive Officer's employment was terminated by the Company without cause or by the Named Executive Officer for good reason as of December 31, 2006, given the Named Executive Officer's compensation and service levels as of such date and, if applicable, based on the Company's closing stock price on that date. These benefits are in addition to benefits available prior to the occurrence of any termination of employment and benefits available to all salaried employees, such as distributions under the Company's 401(k) Savings Plans and accrued vacation pay. These benefits are also in addition to the benefits described above in the Pension Benefits at Fiscal Year-End 2006 Table.

The actual amounts that would be paid upon a Named Executive Officer's termination of employment can be determined only at the time of an executive's actual separation from the Company. Due to the number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be higher or lower than reported below. Factors that could affect these amounts include the timing during the year of any such event, the maximum payouts under any incentive plans, and the executive's age.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Board recognizes that Related Party Transactions (as defined below) can present potential or actual conflicts of interest and create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders. In March 2007, the Board delegated authority to the Audit Committee to review and approve Related Party Transactions, and the Audit Committee has adopted a Policy Regarding Related Party Transactions.

The policy defines a Related Party Transaction as any transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) in which (a) the aggregate amount involved will or may be expected to exceed \$120,000 in any fiscal year, (b) the Company is a participant, and (c) any Related Party (as defined below) has or will have a direct or indirect interest, other than an interest that arises solely as a result of being a director or beneficial owner of less than 10% of another entity. The policy defines a Related Party as any (a) person who is or was since the beginning of the last fiscal year an executive officer, director or nominee for election as a director of the Company, (b) any beneficial owner of more than 5% of the Company's common stock, (c) an immediate family member of any of the foregoing, or (d) any firm, corporation or other entity in which any of the foregoing is employed, is a principal or serves in a similar position, or has a beneficial ownership of more than 5%.

The policy provides that the Audit Committee shall review all of the material facts and circumstances of all Related Party Transactions and either approve, ratify or disapprove of the entry into the Related Party Transaction. In determining whether to approve a Related Party Transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the Related Party Transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances, the benefits to the Company, the extent of the Related Person's interest in the transaction, and if the Related Party is a director or a nominee for director, the impact on such director's independence. The policy provides that certain Related Party Transactions, including certain charitable contributions, transactions involving competitive bids and transactions in which all stockholders receive proportional benefits, are pre-approved and do not require an individual review by the Audit Committee.

You may find a copy of the Policy Regarding Related Party Transactions on the Company's website at www.graphicpkg.com in the Investor Relations section under Corporate Governance.

Stockholders Agreement

The Company entered into a Stockholders Agreement with the Coors family stockholders and certain related Coors family trusts (the Coors Family Stockholders), the CD&R Fund and EXOR, dated as of March 25, 2003, as amended (the Stockholders Agreement), under which the parties thereto made certain agreements regarding matters further described below, including the voting of their shares and governance after the Merger.

Board of Directors. The Stockholders Agreement provides that the Company's Board will consist of nine members, classified into three classes. Each of the three classes consists initially of three Directors, the initial terms of which would expire, respectively, at the first, second and third annual meetings of stockholders following the Merger.

Designation Rights. The Stockholders Agreement provides that a representative of the Coors Family Stockholders, the CD&R Fund and EXOR have the right, subject to requirements related to stock ownership, to designate a person for nomination for election to the Board. The Coors family representative is entitled to designate one person for nomination for election to the Company's Board for so long as the Coors Family Stockholders, in the aggregate, own at least 5% of the fully-diluted shares of the Company's common stock.

Table of Contents

The CD&R Fund is entitled to designate one person for nomination for election to the Board: (1) for so long as it owns at least 5% of the fully-diluted shares of Company's common stock, or (2) for so long as it owns less than 5% of such shares and the other stockholders, the CD&R Fund and EXOR continue to own, in the aggregate, at least 30% of such shares. EXOR is entitled to designate one person for nomination for election to the Board for so long as it owns at least 5% of the fully-diluted shares of the Company's common stock.

Pursuant to the Stockholders Agreement, at each meeting of stockholders at which Directors of the Company are to be elected, the Board of Directors will recommend that the stockholders elect to the Board the designees of the individuals designated by the Coors family representative, CD&R and EXOR. In addition, the Chief Executive Officer will be nominated for election to the Board at any meeting of the stockholders at which Directors of his class are to be elected.

Currently, Mr. Coors serves on the Board as the Coors Family Stockholders' designee, Mr. Conway serves on the Board as the CD&R Fund's designee, Mr. Botta serves on the Board as EXOR's designee and David W. Scheible, the Company's current Chief Executive Officer serves on the Board.

Independent Directors. The Stockholders Agreement further provides that each of the other Directors, not designated in the manner described above, will be an independent Director designated for nomination by the Nominating and Corporate Governance Committee. In the event that the Coors family representative, the CD&R Fund or EXOR loses the right to designate a person to the Board, such designee will resign immediately upon receiving notice from the Nominating and Corporate Governance Committee that it has identified a replacement Director, and will resign in any event no later than 120 days after the designating person or entity loses the right to designate such designee to the Board.

Agreement to Vote for Directors; Vacancies. Each party to the Stockholders Agreement has agreed to vote all of the shares owned by such stockholder in favor the Chief Executive Officer and each of the parties' designees to the Board, and to take all other steps within such stockholder's power to ensure that the composition of the Board is as contemplated by the Stockholders Agreement. As long as the Coors family representative, the CD&R Fund or EXOR, as the case may be, has the right to designate a person for nomination for election to the Board, at any time at which the seat occupied by such party's designee becomes vacant as a result of death, disability, retirement, resignation, removal or otherwise, such party will be entitled to designate for appointment by the remaining Directors an individual to fill such vacancy and to serve as a Director.

Actions of the Board; Affiliate Agreements. The Stockholders Agreement provides that a Board decision regarding the Merger, consolidation or sale of substantially all the Company's assets would require the affirmative vote of a majority of the Directors then in office. In addition, the decision to enter into, modify or terminate any agreement with an affiliate of the Coors Family Stockholders, CD&R or EXOR will require the affirmative vote of a majority of the Directors not nominated by a stockholder which, directly or indirectly through an affiliate, has an interest in that agreement.

Board Committees. The Stockholders Agreement provides for the Board to have an Audit Committee, a Compensation and Benefits Committee and a Nominating and Corporate Governance Committee as follows:

The Audit Committee will have three members, consisting of independent Directors designated by the CD&R Fund and the Coors family representative and one independent Director or such other members as the CD&R designee and the Coors family representative shall mutually agree. Each member of the Audit Committee shall meet the requirements for membership of an Audit Committee under applicable law and exchange listing requirements. The Audit Committee will have the authority, at its discretion, to invite the Director designated by EXOR to attend meetings of the Audit Committee as a non-voting observer.

The Compensation and Benefits Committee will have at least three members, consisting of the Directors designated by the CD&R Fund and the Coors family representative and one independent Director or such other members as the CD&R designee and the Coors family representative shall mutually agree. None of the Company's employees will serve on this committee. The Director designated

by EXOR has the right to attend meetings of the Compensation and Benefits Committee as a non-voting observer.

The Nominating and Corporate Governance Committee will have at least five members, consisting of the Directors designated by the CD&R Fund, the Coors family representative and EXOR and two independent Directors or such other members as the CD&R designee and the Coors family representative shall mutually agree. None of the Company's employees (other than Mr. Coors) will serve on this committee.

The rights of the CD&R Fund, the Coors family representative and EXOR to have its Director designee sit as a member of Board committees will cease when such stockholder holds less than 5% of the Company's fully-diluted shares of common stock, except that the CD&R Fund will continue to have such right so long as the Company's stockholders immediately before the closing of the Merger own, in the aggregate, at least 30% of the fully-diluted shares of the Company's common stock. The Board will fill any committee seats that become vacant in the manner provided in the preceding sentence with independent Directors.

Termination. The Stockholders Agreement will remain in effect until terminated by unanimous agreement or until such time as no more than one of the CD&R Fund, EXOR or the CD&R Fund and the other stockholders in the aggregate, or the Coors Family Stockholders holds 5% or more of the Company's outstanding common stock on a fully-diluted basis. In addition, the Stockholders Agreement will terminate as to any stockholder party at such time as such stockholder no longer owns any of the Company's shares of common stock.

Amended and Restated Registration Rights Agreement

The Company and the parties to the Stockholders Agreement and the Company's stockholders immediately before the Merger are parties to an Amended and Restated Registration Rights Agreement, dated as of March 25, 2003, under which the parties agreed to amend and restate the previous registration rights agreement in connection with the transactions contemplated by the Merger agreement.

The Amended and Restated Registration Rights Agreement provides that holders of 15% or more of the Company's outstanding shares of common stock may request that the Company affect the registration under the Securities Act of all or part of such holders' registrable securities. Upon receiving such request, the Company is required to give prompt written notice of such requested registration to all holders of registrable securities and to use its reasonable best efforts to affect the registration under the Securities Act of 1933, as amended, of all registrable securities that the Company has been requested to register. After the expiration of 180 days after the closing of an initial secondary offering, holders of 5% or more of the Company's outstanding shares of common stock may again request that the Company affect the registration under the Securities Act of all or part of such holders' registrable securities.

With respect to the first two requests to affect registration of registrable securities, the Company is not required to effect such registration if such requests relate to less than 15% of the outstanding shares of common stock or, without the approval of the Board, more than 25% of the outstanding shares. Any request for registration of registrable securities after the first two requests will be subject to a minimum offering size of 5% of the outstanding shares of the Company's common stock. The Company will pay all expenses in connection with the first four successfully effected registrations requested. The Amended and Restated Registration Rights Agreement also provides that, with certain exceptions, the parties thereto have certain incidental registration rights in the event that the Company at any time proposes to register any of its equity securities and the registration form to be used may be used for the registration of securities otherwise registrable under the Amended and Restated Registration Rights Agreement.

Associates II and a limited partner of Associates V, was the Chairman of the Board of Riverwood until the Merger. Mr. Conway, who is a principal of CD&R, a Director of Associates II and a limited partner of Associates V, is one of the Company's Directors. The CD&R Fund purchased \$225 million of the Company's equity in 1996.

During the year ended December 31, 2003, the Company paid CD&R a management fee of \$470,000 for providing management and financial consulting services. In addition, under the terms of the Stockholders Agreement, the Company also paid a transaction fee of \$10 million to CD&R for assistance in connection with negotiation of all aspects of the Merger, including the contribution analysis, financial and business due diligence, structure of the proposed refinancing and arranging for proposals by and handling negotiations with financing sources to provide funds for the refinancing. The Company made no payments to CD&R in 2004, 2005 or 2006, other than payments earned by Mr. Conway for service as a Director, which Mr. Conway assigned to CD&R.

The Company entered into an indemnification agreement dated March 27, 1996, with CD&R and the CD&R Fund pursuant to which the Company agreed to indemnify CD&R, the CD&R Fund, Associates V, Associates II, together with any other general partner of Associates V, and their respective directors, officers, partners, employees, agents, advisors, representatives and controlling persons against certain liabilities arising under the federal securities laws, liabilities arising out of the performance of a certain consulting agreement between the Company and CD&R that is no longer effective, and certain other claims and liabilities.

Management Indebtedness

In November 1999, the Company loaned Stephen M. Humphrey, the Company's President and Chief Executive Officer, \$5.0 million pursuant to a full-recourse, non-interest bearing promissory note, which was amended in December 2001. The promissory note will become due and payable on the earlier of (i) March 26, 2007 and (ii) such time as Mr. Humphrey voluntarily terminates his employment other than for "good reason" or the Company terminates his employment for "cause," in each case as defined in Mr. Humphrey's employment agreement. Mr. Humphrey repaid the loan in full in March 2007.

Effective July 30, 2002, the Sarbanes-Oxley Act of 2002 prohibits the granting of any personal loans to or for the benefit of any of the Company's executive officers or directors and the modification or renewal of any such existing personal loans. The Company has not granted any new personal loans to or for the benefit of the executive officers or directors or modified or renewed the loan to Mr. Humphrey since the effective date of such provision.

and CoorsTek, or their subsidiaries, have certain business relationships and have engaged in certain transactions with one another, as described below.

Transactions with Adolph Coors Company. On December 28, 1992, GPIC was spun off from Adolph Coors Company and since that time Adolph Coors Company has had no ownership interest in GPIC. However, certain Coors family trusts had significant interests in both GPIC and Adolph Coors Company. GPIC also entered into various business arrangements with the Coors family trusts and related entities from time-to-time since its spin-off. GPIC's policy was to negotiate market prices and competitive terms with all third parties, including related parties.

GPIC originated as the packaging division of Adolph Coors Company. At the time of the spin-off from Adolph Coors Company, GPIC entered into an agreement with Coors Brewing Company to continue to supply its packaging needs. The Company executed a supply agreement, effective April 1, 2004, with Coors Brewing Company (now a subsidiary of Molson Coors Brewing Company) that expires on December 31, 2007. The Company continues to sell packaging products to Coors Brewing Company; such sales accounted for approximately \$74.0 million of the Company's consolidated net sales for the year ended December 31, 2006.

One of the Company's subsidiaries, Golden Equities, Inc., is the general partner of Golden Properties, Ltd., a limited partnership in which Coors Brewing Company is the limited partner. Before the Merger, Golden Equities, Inc. was a subsidiary of GPIC. The partnership owns, develops, operates and sells certain real estate previously owned directly by Coors Brewing Company or Adolph Coors Company. As of December 31, 2006, the Company owed Golden Properties, Ltd. approximately \$2.7 million of debt and accrued interest. The Company received a distribution of capital of \$2.4 million in 2006, as well as approximately \$400,000 as a distribution of earnings.

Transactions with CoorsTek. The spin-off of CoorsTek from GPIC was made pursuant to a distribution agreement between GPIC and CoorsTek in December 1999. It established the procedures to affect the spin-off and contractually provided for the distribution of the CoorsTek common stock to GPIC's stockholders, the allocation to CoorsTek of certain assets and liabilities and the transfer to and assumption by CoorsTek of those assets and liabilities. In the distribution agreement, CoorsTek agreed to repay all outstanding intercompany debt owed by CoorsTek to GPIC together with a special dividend. The total amount of the repayment and the special dividend was \$200 million. Under the distribution agreement, GPIC and CoorsTek each agreed to retain, and to make available to the other, books and records and related assistance for audit, accounting, claims defense, legal, insurance, tax, disclosure, benefit administration and other business purposes. CoorsTek also agreed to indemnify GPIC if the CoorsTek spin-off is taxable under certain circumstances or if GPIC incurred certain liabilities. The tax sharing agreement defines the parties' rights and obligations with respect to deficiencies and refunds of federal, state and other taxes relating to the CoorsTek business for tax years preceding the CoorsTek spin-off and with respect to certain tax attributes of CoorsTek after the CoorsTek spin-off.
