Amended and Restated Stockholders Agreement

On August 22, 2008, in accordance with the terms of the Transaction Agreement (defined below), SK Telecom was joined as a party to the Amended and Restated Stockholders Agreement.

The Amended and Restated Stockholders Agreement contains various governance provisions, including provisions relating to the voting of the Reporting Person's, SK Telecom's and the Virgin Group's voting interests in the Issuer. The Amended and Restated Stockholders Agreement provides that the Reporting Person, SK Telecom and the Virgin Group will vote their shares of Class A Common Stock, Class B Common Stock and Class C Common Stock to elect to the board of directors of the Issuer up to two directors nominated by SK Telecom, up to two directors nominated by the Reporting Person and up to three directors nominated by the Virgin Group, at least three independent directors and one director who will be the Issuer's chief executive officer. The number of directors that each of the Reporting Person, SK Telecom and the Virgin Group may designate will be reduced if their voting interest in the Issuer is reduced below certain levels specified in the Amended and Restated Stockholders Agreement. In addition, (1) if the Reporting Person is not entitled to designate any director pursuant to the immediately preceding sentence, so long as the Issuer's PCS services agreement with the Reporting Person remains effective, the Reporting Person will have the right to designate one director to the Issuer's board of directors, irrespective of its ownership interest in the Issuer, and (2) if the Virgin Group is not entitled to designate any director pursuant to the immediately preceding sentence, so long as the Virgin trademark license agreement remains effective, the Virgin Group will have the right to designate one director to the Issuer's board of directors, irrespective of its ownership interest in the Issuer.

CUSIP No. 92769R108

Page 7 of 11

So long as the Issuer qualifies as a controlled company under the New York Stock Exchange rules, the Virgin Group will have the right to designate one of its appointed directors as chairman of the board if it has the right to designate three directors to the Issuer's board. As long as either the Reporting Person or the Virgin Group has the right to designate at least one director to the Issuer's board of directors, then the Reporting Person or the Virgin Group, as the case may be, shall have the right to appoint one director to the compensation committee of the Issuer's board of directors.

These provisions regarding the appointment of directors will remain in effect until the latest date permitted by applicable law, including any New York Stock Exchange requirements. In addition, within a year of the Issuer ceasing to be a controlled company under the New York Stock Exchange rules, the composition of its board of directors will be adjusted to comply with the New York Stock Exchange requirements, as necessary.

Under the terms of the Amended and Restated Stockholders Agreement, as long as each of the Reporting Person and the Virgin Group have ownership interests in the Issuer of at least 10%, and as long as SK Telecom has an ownership interest in the Issuer of at least 15%, the following actions require the consent of each of the Reporting Person, Virgin Group and SK Telecom: (1) merger, consolidation, reorganization or sale of all or substantially all of the assets of the Issuer; (2) change of control of the Issuer to a direct strategic competitor of the Reporting Person, the Virgin Group, SK Telecom or the Issuer; (3) dissolution or liquidation of the Issuer; (4) issuance of equity securities, subject to certain exceptions; (5) sale of assets representing 50% or more of the Issuer's assets based on the most recently available audited balance sheet; (6) changing the size of the board of directors; and (7) amending provisions of the Issuer's bylaws that relate to the election of directors and the consent rights of the Reporting Person, the Virgin Group and SK Telecom. Notwithstanding the foregoing, the Issuer may take any action specified in clauses (1)-(7) above despite a failure to receive a consent or waiver from SK Telecom if the Issuer received prior approval of such action by more than 75% of the total outstanding voting power attributable to all shares of equity securities entitled to vote on such action. In addition, the following actions require the affirmative vote of a majority of all of the directors serving on the Issuer's board: (1) dissolution, liquidation or bankruptcy; (2) the creation or issuance of any debt or the creation or issuance of any equity securities, subject to certain exceptions; (3) amendment to the Issuer's bylaws; (4) the incurrence of indebtedness in an amount in excess of \$50 million; (5) the adoption of a material change to the Issuer's strategy or business; and (6) changing the size of the board of directors.

Pursuant to the terms of the Amended and Restated Stockholders Agreement and subject to certain exceptions, the Reporting Person, SK Telecom and the Virgin Group have the right to subscribe for and purchase a pro rata share of any new equity securities that the Issuer issues or proposes to issue. The Reporting Person, SK Telecom and the Virgin Group also have a right of first offer with respect to transfers by any of them that would result in the Issuer ceasing to qualify as a controlled company under the New York Stock Exchange rules.
