Item 4. Description of Securities.

The Common Stock of ChevronTexaco Corporation is registered under Section 12 of the Securities Exchange Act of 1934, and accordingly, no description is provided hereunder.

Deferred Compensation Obligations

An aggregate principal amount of \$545,477,354 of deferred compensation obligations is being registered under the plans. Further amounts may be registered and issued as new or existing plan participants elect to defer portions of their compensation in subsequent years.

Texaco Inc. Director and Employee Deferral Plan

ChevronTexaco Corporation (the "Registrant") will assume Texaco Inc.'s obligations under the Texaco Inc. Director and Employee Deferral Plan (the "Texaco Deferral Plan") to provide directors and eligible current and retired key employees ("Eligible Employees") the opportunity to request that the Registrant defer payment of cash amounts which may otherwise have been or become payable to such director or employee as salary, fees, or amounts payable under certain former Texaco Inc. employee benefits plans. The obligations of the Registrant to pay such deferred amounts to the participants in the Texaco Deferral Plan in the future in accordance with the terms of the Texaco Deferral Plan (the "Obligations") will be unsecured general obligations of the Registrant and will rank pari passu with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding. Under the Texaco Deferral Plan, there is no limitation on the Registrant's right to issue senior debt or other securities.

The amount to be deferred by each Eligible Employee will be determined in accordance with the Texaco Deferral Plan based on elections by the participant. Each Obligation will be payable on a date selected by the participant in accordance with the terms of the Texaco Deferral Plan. The Obligations will either accrue interest at a formula rate or will be indexed to one or more mutual funds as chosen by each Eligible Employee. The Obligations will be denominated and payable in United States dollars.

An Eligible Employee's right or the right of any other person to the Obligations cannot be assigned, transferred, pledged, or encumbered except by a written designation of a beneficiary under the Texaco Deferral Plan, by written will, or by the laws of descent and distribution.

The Obligations are not subject to redemption, in whole or in part, prior to the individual payment dates specified by the participant, at the option of the Registrant or through operation of a mandatory or optional sinking fund or analogous provision.

The Obligations are not convertible into another security of the Registrant. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Registrant. No trustee has been appointed having the authority to take action with respect to the Obligations and each participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any requests for consents, waivers or amendments pertaining to the Obligations, enforcing covenants and taking action upon a default.

The Registrant reserves the right to amend or terminate the Texaco Deferral Plan at any time, except that no such amendment or termination shall adversely affect the right of a participant to the balance of his or her deferred

account as of the date of such amendment or termination. The Texaco Deferral Plan will remain in effect until it is terminated.

Chevron Corporation Long-Term Incentive Plan

The Chevron Corporation Long-Term Incentive Plan (the "Long-Term Incentive Plan") is an unfunded deferred compensation plan. The securities to be issued under the Long-Term Incentive Plan constitute general obligations of the Registrant and will be offered to eligible Long-Term Incentive Plan participants ("Eligible Employees") as described below.

Eligible Employees are eligible for designation as participants by the Management Compensation Committee of the Board of Directors of the Registrant (the "Committee") or any successor thereto. Eligible Employees include managerial and other key employees, including officers (whether or not directors) of the Registrant or a subsidiary who hold positions of significant responsibility or whose performance or potential contribution, in the judgment of the Committee, would benefit the future success of the Registrant and whom the Registrant designates to participate in the Long-Term Incentive Plan.

Grants under the Long-Term Incentive Plan may take the form of stock options, restricted stock, other share-based grants and nonstock grants. The Committee, in its sole discretion, determines the amount and type of grants and the terms and conditions of grants. Each Eligible Employee may elect to defer all or any portion of any performance unit grant or restricted stock unit grant payment he may be entitled to receive, in 25% increments.

The Registrant will maintain a deferral account (the "Deferral Account") for each Eligible Employee. All of the Eligible Employee's deferrals will be credited to this Account. The Deferral Accounts are bookkeeping entries only; no assets of the Registrant have been set aside to fund the Registrant's obligations under the Long-Term Incentive Plan. The Deferral Accounts do not give a participant any interest in or claim to any specific asset of the Registrant, nor shall they be deemed to create a trust for the benefit of the participant.

In the case of a deferral election (the "Deferral Election"), the value of the deferred portion will be determined by crediting the Deferral Account with such earnings, gains and losses as would have accrued to the Eligible Employee's Deferral Account had such funds actually been invested in one or more of the investment funds maintained in the Chevron Corporation Profit Sharing/Savings Plan. Such investment election may be made in whole percentages totaling 100%. At any time prior to termination of employment, a participant may make a request for an alternative distribution in a lump sum or in annual installments. In the event of a participant's death, Long-Term Incentive Plan benefits will be distributed in the form and at the time designated by the participant's prior valid Deferral Election selected from the payment options offered by the plan. In the case of undue hardship for a participant, the Committee, in its sole discretion, may direct payment to a participant of all or any portion of any amounts deferred.

Amounts paid under the Long-Term Incentive Plan will be paid, subject to the Eligible Employee's Deferral Election, either from the general funds of the Registrant or in shares of Common Stock of the Registrant, and each participant and his beneficiaries have the status of unsecured general creditors of the Registrant with no special or prior right to any assets of the Registrant for payment of any obligations under the Long-Term Incentive Plan. Except as otherwise provided by law, Long-Term Incentive Plan benefits are not assignable, may not be used as security for loans or otherwise alienated and are exempt from the claims of participants' creditors and other claimants. Under the Long-Term

Edgar Filing: CHEVRONTEXACO CORP - Form S-8

Incentive Plan, there is no limitation on the Registrant's right to issue senior debt or other securities. No events of default exist under the Long-Term Incentive Plan nor is any absence of default evidence required.

The Board may, at any time and for any reason, amend or terminate the Long-Term Incentive Plan. However, any amendment of the Long-Term Incentive Plan will be subject to the approval of the Registrant's stockholders to the extent required by applicable law, regulations or rules. No amounts will be deferred under the Long-Term Incentive Plan after its termination, but the termination of the Plan will not affect any previously deferred amounts. The Long-Term Incentive Plan will remain in effect until it is terminated.

Chevron Corporation Salary Deferral Plan for Management Employees

The Chevron Corporation Salary Deferral Plan for Management Employees (the "Chevron Deferral Plan") is an unfunded deferred compensation plan. The securities to be issued under the Chevron Deferral Plan constitute general obligations of the Registrant and will be offered to eligible Chevron Deferral Plan participants ("Eligible Employees") as described below.

Eligible Employees are eligible for designation as participants by the Management Compensation Committee of the Board of Directors of the Registrant (the "Committee") or any successor thereto. Eligible Employees include executive and other key employees, including officers (whether or not directors) of the Registrant or a subsidiary who hold positions of significant responsibility or whose performance or potential contribution, in the judgment of the Committee, would benefit the future success of the Registrant and whom the Registrant designates to participate in the Chevron Deferral Plan.

An Eligible Employee may elect to defer either (i) a percentage of his or her base salary for each plan year, in 5% increments (subject to a maximum amount equal to the lesser of 50% of base salary or the amount of base salary in excess of the limitations under section 401(a)(17) of the Internal Revenue Code of 1986, as amended), or (ii) all of his or her base salary in excess of \$1 million annually (a "Deferral Election").

The Registrant will maintain a deferral account (the "Deferral Account") for each Eligible Employee. All of the Eligible Employee's deferrals will be credited to this Deferral Account. The Deferral Accounts are bookkeeping entries only; no assets of the Registrant have been set aside to fund the Registrant's obligations under the Chevron Deferral Plan. The Deferral Accounts do not give a participant any interest in or claim to any specific asset of the Registrant, nor shall they be deemed to create a trust for the benefit of the participant.

In the case of a deferral election, the value of the deferred portion will be determined by crediting the Deferral Account with such earnings, gains and losses as would have accrued to the Eligible Employee's Deferral Account had such funds actually been invested in one or more of the Investment Funds maintained in the Chevron Corporation Profit Sharing/Savings Plan. Such investment election may be made in whole percentages totaling 100%. At any time prior to termination of employment, a participant may make a request for an alternative distribution in a lump sum or in annual installments. In the event of a participant's death, Chevron Deferral Plan benefits will be distributed in the form and at the time designated by the participant's prior valid Deferral Election selected from the payment options offered by the Chevron Deferral Plan. In the case of undue hardship for a participant, the Committee, in its sole discretion, may direct payment to a participant of all or any portion of any amounts deferred.

Edgar Filing: CHEVRONTEXACO CORP - Form S-8

Amounts paid under the Chevron Deferral Plan will be paid, subject to the Eligible Employee's Deferral Election, either from the general funds of the Registrant or in shares of Common Stock of the Registrant, and each participant and his beneficiaries have the status of unsecured general creditors of the Registrant with no special or prior right to any assets of the Registrant for payment of any obligations under the Chevron Deferral Plan. Except as otherwise provided by law, Chevron Deferral Plan benefits are not assignable, may not be used as security for loans or otherwise alienated and are exempt from the claims of participants' creditors and other claimants. Under the Chevron Deferral Plan, there is no limitation on the Registrant's right to issue senior debt or other securities. No events of default exist under the Chevron Deferral Plan nor is any absence of default evidence required.

The Board may, at any time and for any reason, amend or terminate the Chevron Deferral Plan. However, any amendment of the Chevron Deferral Plan will be subject to the approval of the Registrant's stockholders to the extent required by applicable law, regulations or rules. No amounts will be deferred under the Chevron Deferral Plan after its termination, but the termination of the plan will not affect any previously deferred amounts. The Chevron Deferral Plan will remain in effect until it is terminated.

Chevron Corporation Management Incentive Plan

The Chevron Corporation Management Incentive Plan (the "Management Incentive Plan") is an unfunded deferred compensation plan. The securities to be issued under the Management Incentive Plan constitute general obligations of the Registrant and will be offered to eligible plan participants ("Eligible Employees") as described below.

Eligible Employees are eligible for designation as participants by the Management Compensation Committee of the Board of Directors of the Registrant (the "Committee") or any successor thereto. Eligible Employees include regular

-7-

salaried employees, including directors, officers and other individuals serving in important executive, administrative, professional or technical capacities, as determined by the Committee, who have been on the payroll of the Registrant or the payroll of a Participating Affiliate at any time during the year. For this purpose, the term "Participating Affiliate" means any corporation in which the Registrant holds directly or indirectly more than 50% of the voting securities and whose financial accounts are consolidated with those of the Registrant in the financial statement included in the Annual Report to Stockholders.

Awards under the Management Incentive Plan are determined by the Committee in its sole discretion. After the close of each calendar year (an "Award Year"), the Committee determines the dollar amount of the Award to be made to each Eligible Employee whom the Committee selects to be an Award recipient for that Award Year.

Awards to Named Executive Officers are subject to certain limitations. A certain percentage of the Registrant's annual income will be set aside for Awards to Named Executive Officers. "Named Executive Officers" are those Eligible Employees who, as of the date of the close of the Award Year, are one of a group of "covered employees," as defined in the regulations under section 162(m) of the Internal Revenue Code of 1986, as amended. The Committee in its sole discretion may reduce the Award otherwise payable to any Named Executive Officer, but in no event may any such reduction result in an increase of the Award payable to any other participant, including, but not limited to, any other Named Executive Officer.

Edgar Filing: CHEVRONTEXACO CORP - Form S-8

Awards will be made in any of the following forms or in any combination of forms as determined by the Committee: (i) units representing shares of Common Stock of the Registrant, together with dividend equivalents; (ii) cash; or (iii) shares of Common Stock of the Registrant. After the close of each Award Year, the Committee shall determine the dollar amount of the Award to be made to each Eligible Employee whom the Committee selects to be an Award recipient for the Award Year. An Eligible Employee may elect to defer all or a portion of his Award that may be granted for an Award Year, in 25% increments (a "Deferral Election").

The Registrant will maintain a deferral account (the "Deferral Account") for each Eligible Employee. All of the Eligible Employee's Award deferrals will be credited to this Account. The Deferral Accounts are bookkeeping entries only; no assets of the Registrant have been set aside to fund the Registrant's obligations under the Management Incentive Plan. The Deferral Accounts do not give a participant any interest in or claim to any specific asset of the Registrant, nor shall they be deemed to create a trust for the benefit of the participant.

In the case of a Deferral Election, the value of the deferred portion of this Award will be determined by crediting the Deferral Account with such earnings, gains and losses as would have accrued to the Eligible Employee's Deferral Account had such funds actually been invested in one or more of the investment funds maintained in the Chevron Corporation Profit Sharing/Savings Plan. Such investment election may be made in whole percentages totaling 100%. Awards that are not subject to a Deferral Election are distributed in cash. At any time prior to termination of employment, a participant may make a request for an alternative distribution in a lump sum or in annual installments. In the event of a participant's death, Management Incentive Plan benefits will be distributed in the form and at the time designated by the participant's prior valid Deferral Election selected from the payment options offered by the Management Incentive Plan. In the case of undue hardship for a participant, the Committee, in its sole discretion, may direct payment to a participant of all or any portion of any amounts deferred.

Amounts paid under the Management Incentive Plan will be paid, subject to the determination of the Committee and to the Eligible Employee's Deferral Election, either from the general funds of the Registrant or in shares of Common Stock of the Registrant, and each participant and his beneficiaries have the status of unsecured general creditors of the Registrant with no special or prior right to any assets of the Registrant for payment of any obligations under the Management Incentive Plan. Except as otherwise provided by law, Management Incentive Plan benefits are not assignable, may not be used as security for loans or otherwise alienated and are exempt from the claims of participants' creditors and other claimants. Under the Management Incentive Plan, there is no limitation on the Registrant's right to issue senior debt or other securities. No events of default exist under the Management Incentive Plan nor is any absence of default evidence required.

The Board may, at any time and for any reason, amend or terminate the Management Incentive Plan. However, any amendment of the Management Incentive Plan will be subject to the approval of the Registrant's stockholders to the extent required by applicable law, regulations or rules. No Awards will be made under the Management Incentive Plan after its termination, but the termination of the plan will not affect any previously granted Award. The Management Incentive Plan will remain in effect until it is terminated.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(C) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(A) and (a)(1)(B) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: CHEVRONTEXACO CORP - Form S-8

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 and each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
