(b) Unaudited Pro Forma Financial Information

The accompanying unaudited pro forma financial information has been prepared to give effect to the acquisition of Blue Mountain Arts by American Greetings. The unaudited pro forma combined statement of operations for the year ended February 28, 2001 gives effect to the acquisition as if the acquisition had occurred on March 1, 2000. The unaudited pro forma combined statement of operations presented for the year ended February 28, 2001 includes the historical financial results of American Greetings for the year ended February 28, 2001 and of Blue Mountain Arts for the year ended December 31, 2000. The unaudited pro forma combined statement of operations for the six months ended August 31, 2001 gives effect to the acquisition as if the acquisition had occurred on March 1, 2001. The unaudited pro forma combined statement of financial position as of August 31, 2001 gives effect to the acquisition as if the acquisition had occurred on that date. The unaudited pro forma combined statement of financial position includes the balance sheet of American Greetings as of August 31, 2001 and the balance sheet of Blue Mountain Arts as of June 30, 2001.

The unaudited pro forma financial information includes the adjustments that have a continuing impact to the combined company to reflect the transaction using purchase accounting. The pro forma adjustments are described in the notes to the unaudited pro forma financial information. The adjustments are based upon preliminary information and certain management judgments and estimates. The purchase accounting adjustments are subject to revisions which will be reflected in future periods. Revisions, if any, are not expected to have a material effect on the statement of operations or financial position of American Greetings. Certain reclassifications have been reflected to conform Blue Mountain Arts' financial information to American Greetings' presentation.

The unaudited pro forma financial information and accompanying notes are presented for illustrative purposes only and do not purport to be indicative of and should not be relied upon as indicative of the financial position or operating results which may occur in the future, or that would have occurred if the acquisition had been consummated on March 1, 2000.
