PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 23, 2002

GENERAL INFORMATION

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the annual meeting of shareholders of the Company to be held at The Manor, 24111 Tungsten Road, Euclid, Ohio, on Thursday, May 23, 2002, at 10:00 A.M., Cleveland Time, and any and all adjournments, postponements or continuations thereof. This proxy statement and the accompanying Notice of 2002 Annual Meeting of Shareholders and proxy are first being mailed to shareholders on or about April 15, 2002. A shareholder giving a proxy may revoke it, without affecting any vote previously taken, by a later appointment received by the Company or by giving notice to the Company in writing or in open meeting. Attendance at the meeting will not in itself revoke a proxy. Shares represented by properly executed proxies will be voted at the meeting. If a shareholder has specified how the proxy is to be voted with respect to a matter listed on the proxy it will be voted in accordance with such specifications, and if no specification is made the executed proxy will be voted "FOR" the election of the nominees for directors. The Company's Articles of Incorporation do not provide for cumulative voting in the election of directors.

The record date for the determination of shareholders entitled to notice of and to vote at the 2002 annual meeting is March 28, 2002. As of March 28, 2002, there were issued and outstanding 10,496,191 shares of the Company's common stock, par value \$1.00 per share (the "Common Stock"). Each share has one vote.

So far as the Company is aware, no matters other than those described in this proxy statement will be presented to the meeting for action on the part of the shareholders. If any other matters are properly brought before the meeting, of which we did not have notice of on or prior to March 9, 2002 or that applicable law otherwise permits proxies to vote on a discretionary basis, it is the intention of the persons named in the accompanying proxy to vote the shares to which the proxy relates thereon in accordance with their best judgment. Abstentions and broker non-votes will be counted as present at the meeting for purposes of determining a quorum, but will not be counted as voting, except as otherwise required by law and indicated herein.

The cost of soliciting proxies, including the charges and expenses incurred by persons holding shares in their name as nominee for the forwarding of proxy materials to the beneficial owners of such shares, will be borne by the Company. Proxies may be solicited by officers and employees of the Company, by letter, by telephone or in person. Such individuals will not be additionally compensated but may be reimbursed by the Company for reasonable out-of-pocket expenses incurred in connection therewith. In addition, the Company has retained Morrow & Co., Inc., a professional proxy soliciting firm, to assist in the solicitation of proxies and will pay such firm a fee, estimated to be \$4,000, plus reimbursement of out-of-pocket expenses.

ELECTION OF DIRECTORS

GENERAL

Edgar Filing: PARK OHIO HOLDINGS CORP - Form DEF 14A

The authorized number of directors of the Company is presently fixed at nine, divided into three classes of three members, respectively. The directors of each class are elected for three-year terms so that the term of office of one class of directors expires at each annual meeting. Proxies may only be voted for the nominees identified in the section entitled "Nominees for Election."

The class of directors to be elected in 2002, who will hold their positions for a term of three years and until the election of their successors, has been fixed at three. Unless otherwise directed, proxies in the accompanying form will be voted in favor of electing to that class: Edward F. Crawford, Kevin R. Greene and Ronna Romney. Messrs. E. Crawford and Greene have previously been elected as directors by you and Ms. Romney was elected by the directors to fill a vacancy. Mr. E. Crawford had been elected in 2001 for a term expiring in 2004. At the request of the Board he has agreed to stand for reelection this year to a three year term expiring in 2005. The persons named in the accompanying proxy will vote the proxies received by them (unless authority to vote is withheld) for the election of Edward F. Crawford, Kevin R. Greene and Ronna Romney. If any nominee is not available at the time of election, the proxy holders may vote in their discretion for a substitute or such vacancy may be filled later by the Board. The Company has no reason to believe any nominee will be unavailable.

Mr. McGinty, who is not a nominee for election at this Annual Meeting, has tendered his resignation as a director of the Company effective as of the Annual Meeting. As a result of Mr. E. Crawford moving to the class of directors to be elected in 2002, two vacancies will exist in the class of directors whose term expires in 2004, since suitable candidates have not been identified to fill those vacancies. However, a search continues for qualified directors.

RECOMMENDATION AND VOTE REQUIRED

The affirmative vote of a plurality of the shares of Common Stock represented at the meeting is required to elect Edward F. Crawford, Kevin R. Greene and Ronna Romney as directors of the Company to serve until the annual meeting of shareholders in the year 2005.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" EDWARD F. CRAWFORD, KEVIN R. GREENE AND RONNA ROMNEY AS DIRECTORS.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The following report of the Compensation Committee and the performance graphs included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graphs by reference therein.

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation for fiscal 2001.

WHAT IS THE COMPANY'S PHILOSOPHY OF EXECUTIVE OFFICER COMPENSATION?

The Company has structured its executive compensation program to support the objectives and entrepreneurial culture of the Company. The Company's compensation program for executives consists of three key elements:

- a base salary,
- a performance-based annual bonus, and
- periodic grants of stock based compensation (options, restricted shares, etc.)

Under this approach, a substantial proportion of executive pay (bonus and stock based compensation) is "at risk". The variable annual bonus is based, in significant part, on Company performance. Stock based compensation relates a significant portion of long-term remuneration directly to stock price appreciation and aligns the interests of executives with the interests of the Company's shareholders. We believe that this three-part approach best serves the interests of the Company and its shareholders.

BASE SALARY. Base salaries for the Company's executive officers other than the Chief Executive Officer, including any annual or other adjustments, are based upon recommendations by the Chief Executive Officer, taking into account such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the officer and the length of the officer's service.

ANNUAL BONUS. Awards of annual bonuses to executive officers, other than the Chief Executive Officer, are based upon recommendations by the Chief Executive Officer. In making his recommendations, the Chief Executive Officer considers the performance of the Company in meeting financial targets and each executive's individual efforts unrelated to Company financial performance. The financial targets are based on one or more of the following business criteria:

- net income
- earnings before interest, taxes depreciation and amortization
- return on assets,
- earnings per share, or
- any combination of the above.

For fiscal 2001, the Chief Executive Officer determined that the 2001 financial targets for net income had not been achieved. Consequently, no annual bonuses were paid based on Company performance. However, a special bonus was

Edgar Filing: PARK OHIO HOLDINGS CORP - Form DEF 14A

paid to one executive, Ronald J. Cozean, for extraordinary services to the Company related to the settlement of the fire insurance claim for the Cicero rubber plant.

11

STOCK BASED COMPENSATION. During fiscal 2001, the Company initiated a program (the "Option Offer Program") whereby the Company offered to acquire all outstanding options and, in return, grant new stock options approximately six months and a day after the outstanding options are cancelled. All outstanding options were cancelled in May 2001 and new stock options were granted in November 2001, with an exercise price based on the fair market value at the date of grant. The Option Offer Program was initiated because the cancelled options carried exercise prices significantly higher than the current market price of the Company's common stock, effectively causing them to have little incentive value for key officers and employees.

Award of stock based compensation to executive officers, other than the Chief executive Officer, are based upon recommendations by the Chief Executive Officer. For fiscal 2001, the Chief Executive Officer recommended to the Compensation Committee the number of stock options to be granted based on his subjective assessment of the contribution of the officer's service.

All decisions to grant stock options are in the sole discretion of the Compensation Committee. While options typically vest over a three-year period, options granted to certain executive officers may have shorter vesting periods.

HOW IS THE COMPANY'S CHIEF EXECUTIVE OFFICER COMPENSATED?

As Chief Executive Officer, Mr. Crawford receives an annual base salary of \$500,000. Mr. Crawford is eligible to receive an annual bonus and stock based compensation. Annual bonuses for Mr. Crawford are generally based upon the Company meeting performance targets. The Compensation Committee may award a bonus to Mr. Crawford despite performance targets not being met when the Compensation Committee, in its sole discretion, deems it appropriate. The 2001 performance target for net income was not met. Mr. Crawford received no bonus for 2001. Mr. Crawford received no new awards of stock based compensation in 2001, but he did participate in the Option Offer Program, described above, during 2001 for options awarded prior to 2001.

HOW IS THE COMPANY ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the status exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Compensation Committee believes that it is generally in the Company's best interests to attempt to structure performance-based compensation, including stock option grants and annual bonuses, to executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements. However the Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable the Company to meet its overall objectives, even if the Company may not deduct all of the compensation. Accordingly, the Board and the Compensation Committee have expressly reserved the authority to award non-deductible compensation in appropriate circumstances.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Committee recommends the selection of the independent auditors to the Board. The Committee is currently composed of three independent directors, each of whom is independent as defined under the rules of the NASDAQ Stock Market. The Committee operates under a written charter adopted by the Board of Directors on May 4, 2000.

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Committee met with management and Ernst & Young LLP to review and discuss the December 31, 2001 financial statements. The Committee reviewed with Ernst & Young LLP their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Committee has discussed with Ernst & Young LLP its independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee) and considered the compatibility of nonaudit services with the auditors' independence.

The Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

IN RELIANCE ON THE REVIEWS AND DISCUSSIONS REFERRED TO ABOVE, THE COMMITTEE RECOMMENDED TO THE BOARD OF DIRECTORS, AND THE BOARD OF DIRECTORS HAS APPROVED, THAT THE AUDITED FINANCIAL STATEMENTS BE INCLUDED IN THE ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2001. WE ALSO RECOMMENDED THE SELECTION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2002 AND BASED ON THAT RECOMMENDATION, THE BOARD HAS SELECTED ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2002.

THE AUDIT COMMITTEE

PERFORMANCE COMPARISONS

The graph and chart set forth below compare the cumulative total shareholder return of the Company's Common Stock for the five years ended December 31, 2001 to (a) the Total Return Index for the Nasdaq Stock Market (U.S. Companies), and (b) the S&P SmallCap Performance 600. In all cases shown, the chart assumes the investment of \$100 on December 31, 1996 and the reinvestment of all dividends.

The Company has chosen the S&P SmallCap Performance 600 Index as an index of issuers with similar market capitalizations because the Company does not believe it can reasonably identify a peer group or select an appropriate published industry or line-of-business index. Such industry or line-of-business indices are comprised primarily of either retailers or manufacturers whose business is not substantially similar to the Company's businesses.

The Company believes that the foregoing transactions were all on terms at least as favorable to the Company as if negotiated on an arms-length basis with unrelated third parties.
