MERGER PROPOSAL -- YOUR VOTE IS VERY IMPORTANT

Dear Slippery Rock Financial Corporation Shareholders:

We invite you to attend a special meeting of our shareholders that will be held on Thursday, September 9, 2004 at 10:00 a.m., local time, at Grove City Country Club, 73 Country Club Road, Grove City, Pennsylvania 16127. At the special meeting, you will be asked to consider and vote upon, among other things, a proposal to approve and adopt an agreement and plan of merger, dated as of May 5, 2004, as amended and restated as of July 15, 2004, providing for our merger with and into F.N.B. Corporation ("FNB").

Following the merger, our subsidiary bank, The First National Bank of Slippery Rock, will be merged in a separate merger with and into FNB's subsidiary bank, First National Bank of Pennsylvania.

If the merger agreement is approved and adopted and the merger is subsequently completed, each outstanding share of our common stock will be converted into the right to receive (i) 1.41 shares of FNB common stock or (ii) \$28.00 in cash. You may elect whether you want to receive all FNB common stock, all cash or a combination of cash and FNB common stock. However, your election will be subject to possible proration because the merger agreement provides that 15% of our common stock will be exchanged for cash and 85% of our common stock will be exchanged for shares of FNB common stock. The actual allocation of cash and FNB common stock will depend on the elections made by our shareholders and may result in your receiving a combination of FNB common stock and cash regardless of your choice.

1.41 shares of FNB common stock represents a value of \$28.81 per share based on FNB's closing share price of \$20.43 on July 20, 2004, the latest practicable trading date before the printing of this proxy statement/prospectus, as reported on the New York Stock Exchange where shares of FNB common stock are listed under the symbol "FNB".

No assurance can be given that the value of 1.41 shares of FNB common stock

Edgar Filing: FNB CORP/FL/ - Form S-4/A

received by you at the effective time of the merger will be substantially equivalent to the value of 1.41 shares of FNB common stock at the time of the vote to approve and adopt the merger agreement or at the time you elect the form of merger consideration to be received. As the market value of FNB common stock fluctuates, the value of 1.41 shares of FNB common stock that you will receive will correspondingly fluctuate, and may be greater or less than \$28.00 in cash.

The merger cannot be completed unless the holders of not less than 75% of our outstanding shares of common stock vote to approve and adopt the merger agreement at our special meeting and the required regulatory approvals are received.

In addition, you will be asked to consider and vote upon a proposal to grant discretionary authority to adjourn our special meeting to solicit additional proxies in favor of approving and adopting the merger agreement.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO APPROVE AND ADOPT THE MERGER AGREEMENT AND FOR THE ADJOURNMENT PROPOSAL.

The accompanying notice of special meeting and proxy statement/prospectus give you detailed information about our special meeting, the merger, the merger agreement, the shares of FNB common stock issuable in the merger and other matters. We recommend that you read these materials carefully, including the considerations discussed under "Risk Factors" beginning on page 19 and the appendices thereto, which include the merger agreement.

Your vote is important. Whether or not you plan to attend our special meeting, please complete, sign, date and promptly return the enclosed proxy to ensure that your shares will be represented at our special meeting. If you attend our special meeting and wish to vote in person, you may withdraw your proxy and do so.

We appreciate your continuing loyalty and support, and we look forward to seeing you at our special meeting.

Sincerely,

/s/ William C. Sonntag
William C. Sonntag
President and Chief Executive Officer

Please see "Risk Factors" beginning on page 19 for a discussion of risks associated with the merger and in owning FNB common stock.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED THE FNB COMMON STOCK TO BE ISSUED UNDER THIS PROXY STATEMENT/PROSPECTUS OR DETERMINED IF THIS PROXY STATEMENT/PROSPECTUS IS ACCURATE OR ADEQUATE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND OUR SPECIAL MEETING

Q. What matters will be considered at our special meeting?

A. At our special meeting, our shareholders will be asked to vote for a proposal to approve and adopt the merger agreement whereby we will merge with and into FNB. We sometimes refer to this proposal as the "merger proposal" in this proxy statement/prospectus. Our shareholders will also be asked to vote for a proposal to grant discretionary authority to adjourn our special meeting to solicit additional proxies if we have not received sufficient votes to approve the merger at the time of our special meeting. We sometimes refer to this proposal as the "adjournment proposal" in this proxy

Edgar Filing: FNB CORP/FL/ - Form S-4/A

statement/prospectus.

Q. What will I receive upon consummation of the merger?

A. Upon consummation of the merger, you will have the right to elect to receive the following, subject to possible proration, in exchange for each share of our common stock:

- 1.41 shares of FNB common stock; or
- \$28.00 in cash.

Q. What is the recommendation of our board of directors?

A. Our board of directors has unanimously determined that the merger is fair to you and in the best interests of our shareholders and us and unanimously recommends that you vote for the merger proposal and the adjournment proposal.

In making this determination, our board of directors considered the opinion of Griffin Financial Group, LLC, our independent financial advisor, whom we refer to as "Griffin" in this proxy statement/prospectus, as to the fairness from a financial point of view of the FNB shares and cash you will receive pursuant to the merger agreement. Our board of directors also reviewed and evaluated the terms and conditions of the merger agreement and the merger with the assistance of our independent legal counsel.

Q. What was the opinion of our financial advisor?

A. Griffin presented an opinion to our board of directors to the effect that, as of June 9, 2004 and based upon the assumptions made by Griffin, the matters it considered and the limitations of its review as set forth in its opinion, the merger consideration to be received by our shareholders pursuant to the merger agreement is fair to them from a financial point of view.

Q. What do I need to do now?

A. After you carefully read this proxy statement/prospectus and decide how you want to vote on the merger proposal and the adjournment proposal, you should complete, date and sign your proxy card and mail it in the enclosed return envelope as soon as possible so that your shares may be represented at our special meeting, even if you plan to attend our special meeting and vote in person.

Q. Why is my vote important?

A. Our articles of incorporation require the affirmative vote of the holders of not less than 75% of our outstanding common stock in order to approve and adopt the merger proposal. Therefore, if you fail to vote on the merger proposal it will have the same effect as a vote against the merger proposal. In addition, if you abstain from voting on the merger proposal, it will have the same effect as a vote against the merger proposal.

Q. How do I vote in person?

A. If you attend our special meeting and wish to vote in person, we will give you a ballot when you arrive at our special meeting. If your shares are held in street name, which means that your shares are registered in the name of a bank, broker, nominee or other holder of record instead of your own name, you must bring an account statement or a letter from your holder of record

Edgar Filing: FNB CORP/FL/ - Form S-4/A

showing that you are the beneficial owner of the shares on July 19, 2004, the record date for determining our shareholders who are entitled to notice of, and to vote at, our special meeting, in order to be permitted to cast a ballot at our special meeting.

1

Q. How do I vote my shares if they are held in street name?

A. If you are not a holder of record but you are a "beneficial holder," meaning that your shares are registered in a name other than your own, such as a street name, you must either direct the holder of record of your shares as to how you want your shares to be voted or obtain a proxy from the holder of record that you may vote yourself.

Q. What if I fail to instruct my broker?

A. Brokers may not vote shares of our common stock that they hold for the benefit of another person either for or against the approval of the merger proposal without specific instructions from the person who beneficially owns those shares. Therefore, if your shares are held by a broker and you do not give your broker instructions on how to vote your shares, this will have the same effect as voting against the approval of the merger proposal.

Q. May I vote electronically over the internet or by telephone?

A. If your shares of Slippery Rock are registered in your own name, you may vote either over the internet or by telephone. Special instructions to be followed by any registered shareholder interested in voting via the internet or by telephone are set forth on the enclosed proxy card. The internet and telephone voting procedures are designed to authenticate your identity and to allow you to vote your shares and confirm that your voting instructions have been properly recorded.

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares electronically over the internet or by telephone. A large number of banks and brokerage firms participate in the ADP Investor Communication Services online program. This program provides eligible shareholders who receive a paper copy of this proxy statement/prospectus the opportunity to vote via the internet or by telephone. If your bank or brokerage firm is participating in ADP's program, your proxy card will provide the instructions. If your proxy card does not reference internet or telephone information, please complete and return the proxy card in the self-addressed, postage paid envelope provided.

Q. May I change my vote after I have mailed my signed proxy?

A. Yes. You may revoke your proxy at any time before the vote is taken at our special meeting. If you have not voted through a bank, broker, nominee or other holder of record, you may revoke your proxy by:

- submitting written notice of revocation to our corporate secretary prior to the voting of that proxy at our special meeting;

Edgar Filing: FNB CORP/FL/ - Form S-4/A

- submitting a properly executed proxy with a later date; or
- voting in person at our special meeting.

However, simply attending our special meeting without voting will not revoke an earlier proxy.

If your shares are held in the name of a bank, broker, nominee or other holder of record, you should follow the instructions of the bank, broker, nominee or other holder of record regarding the revocation of proxies.

If you voted your shares by telephone or internet, you can revoke your prior telephone or internet vote by recording a different vote, or by signing and returning a proxy card dated as of a date that is later than your last telephone or internet vote.

Q. When do you expect to complete the merger?

A. We anticipate that we will obtain all necessary regulatory approvals to consummate the merger in the fourth quarter of 2004. However, we cannot assure you when or if the merger will occur. We must first obtain the approval of our shareholders at our special meeting and we and FNB must obtain the requisite regulatory approvals.

Q. Should I send my stock certificates now?

A. No. Holders of our common stock should not submit their Slippery Rock stock certificates for exchange until they receive the transmittal instructions and an election form from the exchange agent.

2

Q. What rights do I have to dissent from the merger?

A. If you do not vote in favor of the merger proposal and you comply precisely with the applicable procedural requirements, Pennsylvania law entitles you to a judicial appraisal of the fair value of your shares. You must carefully and precisely follow the applicable procedures under Pennsylvania law in order to exercise your appraisal rights. A complete copy of the relevant sections of the Pennsylvania Business Corporation Law of 1988, as amended, which we refer to as the "BCL" in this proxy statement/prospectus, regarding appraisal rights is included in this proxy statement/prospectus as Appendix C. The fair value of your shares as determined in an appraisal rights proceeding may be more or less than the merger consideration you are entitled to receive from FNB under the merger agreement.

Q. Who can help answer my questions?

A. If you have additional questions about the merger or would like additional copies of this proxy statement/ prospectus, please call our proxy solicitor, Morrow & Co., toll-free at (800) 607-0088.

OUR SPECIAL MEETING

DATE, TIME, PLACE AND PURPOSE OF OUR SPECIAL MEETING (PAGE 23)

Our special meeting will be held at Grove City Country Club, 73 Country Club Road, Grove City, Pennsylvania 16127, at 10:00 a.m., local time, on Thursday, September 9, 2004.

4

At our special meeting you will be asked to:

- Consider and vote upon a proposal to approve and adopt the Agreement and Plan of Merger, dated as of May 5, 2004, between FNB and us, as amended and restated as of July 15, 2004, pursuant to which we will merge with and into FNB as described in this proxy statement/prospectus;
- Consider and vote upon a proposal to grant discretionary authority to adjourn our special meeting if necessary to permit further solicitation of proxies if there are not sufficient votes at the time of our special meeting to approve and adopt the merger agreement; and
- Transact such other business as may be properly presented for action at our special meeting or any adjournment, postponement or continuation of our special meeting.

RECORD DATE; QUORUM; OUTSTANDING COMMON STOCK ENTITLED TO VOTE (PAGE 23)

Our board of directors has established the close of business on July 19, 2004 as the record date for determining holders of shares of our common stock entitled to vote at our special meeting. You will not be entitled to vote at our special meeting if you are not a shareholder of record as of the close of business on July 19, 2004.

Each share of our common stock is entitled to one vote. On the record date, 2,737,243 shares of our common stock were entitled to vote at our special meeting.

The presence, in person or by properly executed proxy, of the holders of at least a majority of our common stock issued and outstanding on the record date is necessary to constitute a quorum at our special meeting. Abstentions will be counted solely for the purpose of determining whether a quorum is present. There must be a quorum in order for the vote on the merger proposal to occur.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

REQUIRED VOTE (PAGES 23-24)

Under Pennsylvania law and our articles of incorporation, the merger proposal must receive the affirmative vote of the holders of not less than 75% of the outstanding shares of our common stock. The affirmative vote of the holders of a majority of the outstanding shares of our common stock present in person or by proxy at our special meeting is required to approve the proposal to grant discretionary authority to adjourn our special meeting.

As of the record date, our directors and executive officers and their affiliates beneficially owned 383,345 shares of our common stock, or approximately 13.6% of our shares entitled to vote at our special meeting. In addition, as of the record date, FNB owned 15,300 shares of our common stock, or approximately 0.56% of the shares entitled to vote at our special meeting. None of FNB's directors and executive officers and their affiliates owned any of our common stock as of the record date.

Our board of directors believes that the merger is in the best interests of our shareholders and us and unanimously recommends that you vote for the merger proposal and for the adjournment proposal.

SOLICITATION (PAGES 24-25)

We will pay for the costs of our special meeting and for the mailing of this proxy statement/prospectus to our shareholders. We and FNB will share equally the costs of printing this proxy statement/prospectus and the filing fee paid to the Securities and Exchange Commission, which we sometimes refer to as the "SEC" in this proxy statement/prospectus.

In addition to soliciting proxies by mail, our directors, officers and employees may also solicit proxies in person or by telephone, but will not be specially compensated for doing so. We have also engaged Morrow & Co., a professional proxy solicitation firm, to assist us in the solicitation of proxies for a fee of \$5,000 plus such firm's reasonable out-of-pocket expenses and costs to solicit selected shareholders.

5

THE MERGER

CERTAIN EFFECTS OF THE MERGER (PAGES 36-38)

Upon consummation of the merger:

- Each share of our common stock will automatically be converted into the right to receive, at your election, subject to the allocation provisions in the merger agreement:
 - 1.41 shares of FNB common stock; or
 - \$28.00 in cash.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

- We will cease to exist as a separate legal entity and all of our operations will be conducted by FNB; and
- The holders of our common stock will no longer have any interest in us, including in any of our future growth or earnings.

Following consummation of the merger, FNB and its shareholders will be the only beneficiaries of any future growth or earnings, but will also bear all of the future risk of any decrease in the value of our business.

RECOMMENDATION OF OUR BOARD OF DIRECTORS (PAGES 28-30)

Our board of directors has unanimously determined that the terms of the merger agreement and the merger are fair to and in the best interests of our shareholders and us. Our board of directors unanimously recommends that you vote "FOR" the merger proposal and "FOR" the adjournment proposal.

STOCK OPTIONS (PAGE 54)

The merger agreement provides that, at the effective time of the merger, each outstanding option to purchase our common stock will cease to represent a right to acquire our common stock and will be converted automatically into a right to acquire that number of shares of FNB common stock equal to the number of shares of our common stock subject to the option times 1.41 (the exchange ratio in the merger) at a price equal to the pre-merger exercise price of the option divided by 1.41 (the exchange ratio in the merger).

OPINION OF GRIFFIN AS OUR FINANCIAL ADVISOR (PAGES 30-36)

Griffin, our financial advisor in connection with the merger, on May 5, 2004 indicated that it was prepared to give a written fairness opinion and subsequently delivered its written opinion to our board of directors that, as of June 9, 2004, and based upon and subject to the factors and assumptions set forth in its opinion, the consideration to be paid to our shareholders in the merger is fair, from a financial point of view, to us and our shareholders.

Appendix B to this proxy statement/prospectus sets forth the full text of the Griffin opinion, which sets forth the assumptions made, the procedures followed, the matters considered and the limitations on the review undertaken by Griffin in connection with its opinion. Griffin provided its opinion for the information and assistance of our board of directors in connection with its consideration of the merger. The Griffin opinion is not a recommendation as to how you should vote with respect to the merger or any related matter. We encourage you to read the opinion in its entirety. Pursuant to an engagement letter between Griffin and us, we agreed to pay Griffin a fee, approximately half of which has been paid and approximately half of which is payable upon completion of the merger.

INTERESTS OF OUR DIRECTORS AND EXECUTIVE OFFICERS IN THE MERGER (PAGES 44-48)

Edgar Filing: FNB CORP/FL/ - Form S-4/A

In considering our board of directors' recommendation that you vote "FOR" the merger proposal, you should be aware that certain of our executive officers and directors have interests in the merger that are

6

different from, or in addition to, your interests as a shareholder. These interests relate to or arise from, among other things:

- the continued indemnification of our current directors and executive officers under the merger agreement and providing these individuals with directors' and officers' insurance;
- the anticipated execution of a separation and release agreement between us and William C. Sonntag, our President and Chief Executive Officer;
- the anticipated execution of a business development and retention agreement between FNB and Mr. Sonntag;
- the anticipated execution of a non-competition agreement between FNB and Mr. Sonntag;
- the potential receipt of severance payments by our senior officers pursuant to key employee severance agreements;
- the potential for vesting in stock options, retirement benefits, post-employment life insurance and other employee, officer and director benefits that otherwise would terminate or lapse; and
- two members of our board of directors will be appointed to FNB Bank's board of directors.

CONDITIONS TO THE MERGER (PAGE 59)

Currently, we expect to complete the merger in the fall of 2004. However, as more fully described in this proxy statement/prospectus and in the merger agreement, the completion of the merger depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include, among others:

- approval of the merger proposal by the holders of not less than 75% of our outstanding common stock;
- the receipt of all regulatory approvals needed to complete the merger, including the approval of the Office of the Comptroller of the Currency, which we sometimes refer to as the "OCC" in this proxy statement/prospectus and the Board of Governors of the Federal Reserve System, which we sometimes refer to as the "Federal Reserve Board" in this proxy statement/prospectus;
- the absence of any law or injunction that would effectively prohibit the merger; and

Edgar Filing: FNB CORP/FL/ - Form S-4/A

- the receipt of legal opinions from FNB's and our legal counsel as to the tax treatment of the merger.

We cannot be certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed.

TERMINATION OF THE MERGER AGREEMENT (PAGE 60)

We may agree to terminate the merger agreement before completing the merger, even after our shareholders approve the merger proposal, if the termination is approved by our board of directors and the board of directors of FNB.

Either FNB or we may terminate the merger agreement, even after our shareholders approve the merger proposal, if certain conditions have not been met, such as:

- obtaining the necessary regulatory approvals for the merger;
- the other party's material breach of a representation, warranty or covenant, provided the terminating party is not then in material breach of any of its representations, warranties or covenants;

7

- if the merger has not been consummated by February 28, 2005, unless the reason the merger has not been consummated by that date is a breach of the merger agreement by the party seeking to terminate the merger agreement; or
- if the holders of not less than 75% of our outstanding common stock fail to approve the merger proposal, provided we are not in material breach of our obligations to have our board of directors recommend approval of the merger proposal and to take all reasonable lawful actions to solicit such shareholder approval.

FNB may terminate the merger agreement at any time prior to our special meeting if we have:

- breached our obligation not to initiate, solicit or encourage, or take any action to facilitate, another proposal to acquire us, participate in any discussions or negotiations relating to another proposal to acquire us or, except as permitted by and subject to certain terms of, the merger agreement, to enter into an agreement relating to a proposal to acquire us on terms and conditions superior to those in the merger agreement or approve, recommend or enter into any agreement relating to another proposal to acquire us;
- failed to have our board of directors recommend approval of the merger proposal to our shareholders or our board of directors shall have changed such recommendation, except as permitted by the merger agreement with respect to a proposal to acquire us on terms and conditions superior to those in the merger agreement; or
- failed to call and hold our special meeting.

We may terminate the merger agreement if the average closing price of FNB common stock during a specified period before receipt of the last required regulatory approval of the merger is less than \$15.38 and FNB common stock

Edgar Filing: FNB CORP/FL/ - Form S-4/A

underperforms the Nasdaq Bank Index by a specified amount.

Except as provided below with respect to termination fees and expenses and the parties' respective confidentiality obligations, none of the parties will have any liability or obligation other than liabilities or damages incurred by any of them as a result of their willful breach of any of their respective representations, warranties, covenants or agreements contained in the merger agreement.

EXPENSES; TERMINATION FEE (PAGES 59 AND 61)

The merger agreement provides that we will pay FNB a break-up fee of \$4,250,000 if:

- we terminate the merger agreement in order to enter into an agreement relating to an acquisition transaction that has terms superior to those of the merger agreement from the perspective of our shareholders;
- FNB terminates the merger agreement because we have breached our obligation not to solicit superior proposals, we have failed to hold our special meeting or our board of directors has not recommended approval of the merger proposal or has changed its recommendation; or
- FNB or we terminate the merger agreement because our shareholders did not approve the merger proposal, a proposal to acquire us is made after May 5, 2004 and is not withdrawn prior to such termination and within 12 months thereafter we are acquired or other specified events occur.

APPRAISAL RIGHTS (PAGES 51-53)

If you do not vote in favor of approval of the merger proposal, and you fulfill the other procedural requirements, Pennsylvania law entitles you to a judicial appraisal of the fair value of your shares. You must carefully and precisely follow the applicable procedures in order to be entitled to appraisal rights. A copy of the provisions of the BCL applicable to appraisal rights is included as Appendix C to this proxy statement/ prospectus.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER (PAGES 62-65)

We expect the merger to qualify as a tax-free reorganization for United States federal income tax purposes. In general, this means that our shareholders who receive FNB common stock will not recognize any gain or loss on the exchange of their common stock in the merger, except to the extent they receive cash instead of fractional shares in addition to FNB common stock. Our shareholders who receive all cash in exchange for their Slippery Rock common stock in the merger will recognize gain or loss to the extent the cash received exceeds, or is less than, their tax basis in their stock. Our shareholders who receive a combination of cash and FNB common stock, including those who receive a combination as a result of prorations under the merger agreement, will realize gain to the extent that the amount of cash received plus the value of the FNB common stock received exceeds their tax basis in the Slippery Rock common stock. Our shareholders who receive a combination of cash and FNB common stock will recognize gain, but not loss, in an amount equal to the lesser of the amount of

Edgar Filing: FNB CORP/FL/ - Form S-4/A

the gain realized or the amount of the cash received.

DIVIDENDS (PAGE 78)

During 2003, FNB paid cash dividends on its common stock, as adjusted to reflect a 5% stock dividend declared on April 28, 2003, totaling \$.93 per share, and paid cash dividends of \$.23 per share for each of the first and second quarters of 2004. Based on the 1.41 share exchange ratio and FNB's current dividend rate, holders of our common stock would experience an anticipated annual dividend rate increase of approximately 115% (from \$.60 to \$1.29 per share of Slippery Rock common stock equivalent). Although FNB has no current plan or intention to increase its dividend rate, FNB's board of directors may, subject to applicable law, change its dividend rate in the future. FNB's ability to pay dividends on its common stock is subject to various legal and regulatory limitations.

CERTAIN DIFFERENCES IN RIGHTS OF SHAREHOLDERS (PAGE 67-77)

When the merger is completed, the rights of our shareholders who receive FNB common stock will be governed by Florida law and FNB's articles of incorporation and by-laws rather than Pennsylvania law and our articles of incorporation and by-laws.

FUTURE FNB ACQUISITIONS (PAGE 21)

As part of its growth strategy, FNB may acquire other bank or financial services institutions to expand or strengthen its market position. Risks associated with this strategy are described in "Risk Factors."

COMPARATIVE MARKET PRICES AND DIVIDENDS (PAGE 78)

FNB common stock is listed on the New York Stock Exchange. Prices for our common stock are quoted on the OTC Bulletin Board of the National Association of Securities Dealers. The table on page 78 lists the quarterly price range of FNB common stock and our common stock since 2002 as well as the quarterly cash dividends we and FNB have paid.

QUESTIONS AND ADDITIONAL INFORMATION (PAGE 26)

SELECTED CONSOLIDATED UNAUDITED PRO FORMA FINANCIAL INFORMATION

The following table sets forth information about FNB's financial condition and results of operations, including per share data and financial ratios, after giving effect to the merger. This information is called pro forma financial information in this proxy statement/prospectus. The table shows the information as if the merger had become effective on March 31, 2004, in the case of balance sheet data, and on January 1, 2003, in the case of income statement data. This pro forma information assumes that the merger is accounted for using the purchase method of accounting and represents a current estimate based on available information about FNB's and Slippery Rock's results of operations. See "Accounting Treatment" on page 61. The pro forma financial information includes adjustments to record the assets and liabilities of Slippery Rock at their estimated fair value and is subject to further adjustment as additional information becomes available and as further analyses are completed. The pro forma income statements do not include any amount for merger-related costs that will be incurred to combine the operations of Slippery Rock with those of FNB. These charges will be recorded based on the nature and timing of the integration. This table should be read in conjunction with, and is qualified in its entirety by, the historical financial statements, including the notes thereto, of Slippery Rock and FNB incorporated by reference in this proxy statement/prospectus. See "Where You Can Find More Information" beginning on page 82.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

The pro forma financial information, while helpful in illustrating the financial condition and results of operations of Slippery Rock and FNB once the merger is completed under a particular set of assumptions, does not reflect the impact of possible revenue enhancements, expense efficiencies and asset dispositions, among other possibilities, that may occur as a result of the merger and, accordingly, does not attempt to predict future results. The pro forma financial information also does not necessarily reflect what the combined historical results of operations of Slippery Rock and FNB would have been had they been merged during these periods.

NOTE A:

The pro forma adjustments represent the estimated purchase accounting entries to record the merger of Slippery Rock with FNB. The excess of the purchase price over the fair value of the net assets acquired is allocated to goodwill. Estimated fair value adjustments included in the unaudited pro forma balance sheet and income statement have been determined based on information available as of March 31, 2004. The final determination of the fair values of the assets and liabilities will be made as of the effective date of the merger. As such, the final purchase accounting entries may differ from the estimates provided herein. Fair value adjustments will be amortized on a straight line basis over their estimated remaining lives. Deferred tax adjustments, related to the net fair value adjustments, are calculated based on a 35% tax rate.

Included in the pro forma adjustments is an allocation of the purchase price to core deposit intangibles. Under the SFAS No. 141 and No. 142 accounting standards, a core deposit intangible is separated from goodwill and amortized over its remaining useful life. The remaining goodwill intangible is not subject to amortization under SFAS No. 141 and No. 142 and will be evaluated periodically for possible impairment.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

NOTE B:

The pro forma adjustment represents estimated direct acquisition costs of approximately \$8.2 million related to certain severance payments, employee benefits, fees related to the early termination of certain contracts and professional fees such as legal, accounting and advisory fees.

RISK FACTORS RELATING TO THE MERGER

In addition to the other information contained in or incorporated by reference into this proxy statement/ prospectus, you should carefully consider the following risk factors in deciding whether to vote in favor of the merger proposal.

RISKS SPECIFICALLY RELATED TO THE MERGER

FNB MAY ENCOUNTER INTEGRATION DIFFICULTIES OR MAY FAIL TO REALIZE THE ANTICIPATED BENEFITS OF THE MERGER.

FNB and Slippery Rock may not be able to integrate their operations without encountering difficulties, including, without limitation, the loss of key employees and customers, the disruption of their respective ongoing businesses or possible inconsistencies in standards, controls, procedures and policies.

In determining that the merger is in the best interests of FNB and Slippery Rock, their respective boards of directors considered that enhanced earnings may result from the consummation of the merger, including from reduction of duplicate costs, improved efficiency and cross-marketing opportunities. However, there can be no assurance that any enhanced earnings will result from the merger.

BECAUSE THE MARKET PRICE OF FNB COMMON STOCK MAY FLUCTUATE, YOU CANNOT BE CERTAIN OF THE MARKET VALUE OF THE COMMON STOCK THAT YOU WILL RECEIVE IN THE MERGER.

Upon completion of the merger, each share of our common stock will be converted into the right to receive 1.41 shares of FNB common stock or \$28.00 in cash. Any change in the price of FNB common stock prior to the merger will affect the market value of the stock that you will receive in the merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in FNB's businesses, operations and prospects and regulatory considerations.

The prices of FNB common stock and our common stock at the closing of the merger may vary from their respective prices on the date the merger agreement was executed, on the date of this proxy statement/ prospectus and on the date of our special meeting. As a result, the value represented by the exchange ratio will also vary. For example, based on the range of closing prices of FNB common stock during the period from May 5, 2004, the last full trading day before public announcement of the merger, through July 20, 2004, the last practicable full trading day prior to the date of the printing of this proxy statement/prospectus, the exchange ratio represented a value ranging from a high of \$29.14 to a low of \$26.76 for each share of our common stock. Because the date the merger will be completed will be later than the date of our special meeting, at the time of our special meeting you will not know what the market value of FNB's common stock will be upon completion of the merger, although we have a right to terminate the merger agreement if the price of FNB common stock declines by more than a specified amount and also underperforms the Nasdaq Bank

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Index by a specified percentage.

FUTURE RESULTS OF THE COMBINED COMPANIES MAY MATERIALLY DIFFER FROM THE PRO FORMA FINANCIAL INFORMATION PRESENTED IN THIS PROXY STATEMENT/PROSPECTUS.

Future results of the combined FNB and Slippery Rock may be materially different from those shown in the pro forma financial statements that show only a combination of their historical results. The costs FNB will incur in connection with the merger may be higher or lower than FNB has estimated, depending upon how costly or difficult it is to integrate FNB and Slippery Rock. Furthermore, these charges may decrease the capital of FNB after the merger that could be used for profitable, income-earning investments in the future.

THE MERGER AGREEMENT LIMITS OUR ABILITY TO PURSUE ALTERNATIVES TO THE MERGER.

The merger agreement contains provisions that, subject to limited exceptions, limit our ability to discuss, facilitate or enter into agreements with third parties to acquire us. In general, if we avail ourselves of those limited exceptions, we will be obligated to pay FNB a break-up fee of \$4,250,000. These provisions could discourage a potential competing acquiror that might have an interest in acquiring us from proposing or

19

considering our acquisition even if that potential acquiror were prepared to pay a higher price to our shareholders than the price FNB proposes to pay under the merger agreement.

RISKS RELATED TO OWNING FNB COMMON STOCK

FNB'S STATUS AS A HOLDING COMPANY MAKES IT DEPENDENT ON DIVIDENDS FROM ITS SUBSIDIARIES TO MEET ITS OBLIGATIONS.

FNB is a holding company and conducts almost all of its operations through its subsidiaries. FNB does not have any significant assets other than the stock of its subsidiaries. Accordingly, FNB depends on dividends from its subsidiaries to meet its obligations. FNB's right to participate in any distribution of earnings or assets of its subsidiaries is subject to the prior claims of creditors of such subsidiaries. Under federal and state law, FNB's bank subsidiaries are limited in the amount of dividends they may pay to FNB without prior regulatory approval. Also, bank regulators have the authority to prohibit FNB's subsidiary bank from paying dividends if they determine the payment would be an unsafe and unsound banking practice.

INTEREST RATE VOLATILITY COULD SIGNIFICANTLY HARM FNB'S BUSINESS.

FNB's results of operations are affected by the monetary and fiscal policies of the federal government and the regulatory policies of governmental authorities. A significant component of FNB's earnings is its net interest income, which is the difference between the income from interest-earning assets, such as loans, and the expense of interest-bearing liabilities, such as deposits. A change in market interest rates could adversely affect FNB's earnings if market interest rates change such that the interest FNB pays on deposits and borrowings increases faster than the interest it collects on loans and investments. Consequently, FNB, along with other financial institutions generally, is sensitive to interest rate fluctuations.

FNB'S RESULTS OF OPERATIONS ARE SIGNIFICANTLY AFFECTED BY THE ABILITY OF ITS BORROWERS TO REPAY THEIR LOANS.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Lending money is an essential part of the banking business. However, borrowers do not always repay their loans. The risk of non-payment is affected by:

- credit risks of a particular borrower;
- changes in economic and industry conditions;
- the duration of the loan; and
- in the case of a collateralized loan, uncertainties as to the future value of the collateral.

Generally, commercial/industrial, construction and commercial real estate loans present a greater risk of non-payment by a borrower than other types of loans.

FNB'S FINANCIAL CONDITION AND RESULTS OF OPERATIONS WOULD BE ADVERSELY AFFECTED IF ITS ALLOWANCE FOR LOAN LOSSES WERE NOT SUFFICIENT TO ABSORB ACTUAL LOSSES.

There is no precise method of predicting loan losses. FNB can give no assurance that its allowance for loan losses is or will be sufficient to absorb actual loan losses. Excess loan losses could have a material adverse effect on FNB's financial condition and results of operations. FNB attempts to maintain an appropriate allowance for loan losses to provide for estimated losses in its loan portfolio. FNB periodically determines the amount of its allowance for loan losses based upon consideration of several factors, including:

- a regular review of the quality, mix and size of the overall loan portfolio;
- historical loan loss experience;
- evaluation of non-performing loans;
- assessment of economic conditions and their effects on FNB's existing portfolio; and
- the amount and quality of collateral, including guarantees, securing loans.

20

FNB'S FINANCIAL CONDITION MAY BE ADVERSELY AFFECTED IF IT IS UNABLE TO ATTRACT SUFFICIENT DEPOSITS TO FUND ITS ANTICIPATED LOAN GROWTH.

FNB funds its loan growth primarily through deposits. To the extent that FNB is unable to attract and maintain sufficient levels of deposits to fund its loan growth, FNB would be required to raise additional funds through public or private financings. FNB can give no assurance that it would be able to obtain these funds on terms that are favorable to it.

FNB COULD EXPERIENCE SIGNIFICANT DIFFICULTIES AND COMPLICATIONS IN CONNECTION WITH ITS GROWTH.

FNB has grown significantly over the last few years and may seek to continue to grow by acquiring financial institutions and branches as well as non-depository entities engaged in permissible activities for its financial institution subsidiaries. However, the market for acquisitions is highly competitive. FNB may not be as successful in the future as it has been in the past in identifying financial institution and branch acquisition candidates,

Edgar Filing: FNB CORP/FL/ - Form S-4/A

integrating acquired institutions or preventing deposit erosion at acquired institutions or branches.

FNB may encounter unforeseen expenses, as well as difficulties and complications in integrating expanded operations and new employees without disruption to its overall operations. In addition, rapid growth may adversely affect FNB's operating results because of many factors, including start-up costs, diversion of management time and resources, asset quality and required operating adjustments. FNB may not successfully integrate acquired companies or achieve the anticipated benefits of its growth or expanded operations.

FNB COULD BE ADVERSELY AFFECTED BY CHANGES IN THE LAW, ESPECIALLY CHANGES IN THE REGULATION OF THE BANKING INDUSTRY.

FNB and its subsidiaries operate in a highly regulated environment and are subject to supervision and regulation by several governmental regulatory agencies, including the Federal Reserve Board, the OCC, the Federal Deposit Insurance Corporation, which we sometimes refer to as the "FDIC" in this proxy statement/ prospectus and the Pennsylvania Department of Banking. Regulations are generally intended to provide protection for depositors and customers rather than for investors. FNB is subject to changes in federal and state law, regulations, governmental policies, income tax laws and accounting principles. Changes in regulation could adversely affect the banking industry as a whole and could limit FNB's growth and the return to investors by restricting such activities as:

- the payment of dividends;
- mergers with or acquisitions by other institutions;
- investments;
- loans and interest rates;
- the provision of securities, insurance or trust services; and
- the types of non-deposit activities in which FNB's financial institution subsidiaries may engage.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This proxy statement/prospectus contains or incorporates by reference a number of forward-looking statements regarding the financial condition, results of operations, earnings outlook, business and prospects of FNB, Slippery Rock and the potential combined company as well as statements for the period following the completion of the merger. You can find many of these statements by looking for words such as "plan," "believe," "expect," "intend," "anticipate," "estimate," "project," "potential," "possible" or other similar expressions.

The forward-looking statements involve certain risks and uncertainties. The ability of either FNB or Slippery Rock to predict results or the actual effects of their plans and strategies, or those of the combined company, is inherently uncertain. Accordingly, actual results may differ materially from anticipated results.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

materially from those contemplated by the forward-looking statements include, but are not limited to, those discussed under "Risk Factors" beginning on page 19, as well as the following:

- the businesses of FNB and Slippery Rock may not be integrated successfully or the integration may be more difficult, time-consuming or costly than currently anticipated;
- expected revenue synergies and cost savings from the merger may not be realized within the expected time frame or at all;
- revenues may be lower than expected following the merger;
- deposit attrition, operating costs, loss of customers and business disruption, including, without limitation, difficulties in maintaining relationships with our employees, customers or suppliers may be greater than anticipated following the merger;
- the regulatory approvals for the merger may not be obtained on acceptable terms, on the anticipated schedule or at all;
- the merger may not be approved by the requisite vote of our shareholders;
- competitive pressure among financial services companies is increasing significantly;
- general economic conditions may be less favorable than expected;
- political conditions and related actions by the United States military abroad may adversely affect economic conditions as a whole;
- changes in the interest rate environment may reduce interest margins and impact funding sources;
- changes in market rates and prices may adversely impact the value of financial products and assets;
- legislation or changes in the regulatory environment may adversely affect the businesses in which FNB and Slippery Rock are engaged; and
- litigation liabilities, including costs, expenses, settlements and judgments, may adversely affect either company or their businesses.

Because these forward-looking statements are subject to assumptions and uncertainties, actual results may differ materially from those expressed or implied by these forward-looking statements. You are cautioned not to place undue reliance on these statements, which speak only as of the date of this proxy statement/prospectus or the date of any document incorporated by reference in this proxy statement/prospectus.

All subsequent written and oral forward-looking statements concerning the merger or other matters addressed in this proxy statement/prospectus and attributable to FNB or Slippery Rock or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Except to the extent required by applicable law or regulation, FNB and Slippery Rock undertake no obligation to update these forward-looking statements to reflect events or circumstances after the date of this proxy statement/prospectus or to reflect the occurrence of unanticipated events.

OUR SPECIAL MEETING

Edgar Filing: FNB CORP/FL/ - Form S-4/A

This section contains information for our shareholders about the special meeting of shareholders we have called to consider the approval of the merger proposal and related matters.

GENERAL

This proxy statement/prospectus is being furnished to holders of our common stock for use at our special meeting and any adjournment, postponement or continuation of our special meeting.

22

WHEN AND WHERE OUR SPECIAL MEETING WILL BE HELD

Our special meeting will be held on September 9, 2004, at 10:00 a.m. local time, at Grove City Country Club, 73 Country Club Road, Grove City, Pennsylvania 16127, subject to any adjournment, postponement or continuation of our special meeting.

MATTERS TO BE CONSIDERED

The purpose of our special meeting is to consider and vote upon:

- Proposal 1 -- A proposal to approve and adopt the merger agreement between FNB and us;
- Proposal 2 -- A proposal to grant discretionary authority to adjourn our special meeting if necessary to permit further solicitation of proxies because we have not received sufficient votes at the time of our special meeting to approve the merger proposal; and
- Such other business as may properly come before our special meeting and any adjournment, postponement or continuation of our special meeting.

Our shareholders must approve Proposal 1 for the merger to occur. If our shareholders fail to approve this proposal, the merger will not occur.

At this time, our board of directors is unaware of any other matters, other than as set forth above, that may be presented for action at our special meeting. If other matters are properly presented, however, the persons named as proxies will vote in accordance with their judgment with respect to such matters.

RECORD DATE; SHARES OUTSTANDING AND ENTITLED TO VOTE

Our board of directors has fixed the close of business on July 19, 2004 as the record date for the determination of holders of our common stock entitled to notice of, and to vote at, our special meeting and any adjournment, postponement or continuation of our special meeting.

On the record date, 2,737,243 shares of our common stock were issued and outstanding and entitled to vote at our special meeting, held by approximately 680 holders of record. Each share of our common stock is entitled to cast one vote on all matters that are properly submitted to our shareholders at our special meeting.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

QUORUM

The presence, in person or by properly executed proxy, of the holders of at least a majority of our outstanding shares of common stock on the record date is necessary to constitute a quorum at our special meeting. Abstentions will be counted solely for the purpose of determining whether a quorum is present. A quorum must be present in order for the vote on the merger proposal and the adjournment proposal to occur.

Based on the number of shares of our common stock issued and outstanding as of the record date, 1,368,622 shares of our common stock must be present in person or represented by proxy at our special meeting to constitute a quorum.

SHAREHOLDER VOTE REQUIRED

Approve and Adopt the Merger Agreement. The affirmative vote of the holders of not less than 75% of our outstanding shares of common stock on the record date is required to approve the merger proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against approval of the merger proposal. Abstentions will also have the same effect as a vote against approval of the merger proposal. Accordingly, we urge you to complete, date and sign the accompanying proxy card and return it promptly in the enclosed postage-paid envelope.

In addition, to exercise appraisal rights, you must refrain from voting your shares of our common stock in favor of approval of the merger proposal and must strictly comply with all of the procedures required by Pennsylvania law. See "The Merger -- Appraisal Rights of Dissenting Shareholders" beginning on page 51.

23

When considering our board of directors' recommendation that you vote in favor of the approval and adoption of the merger agreement, you should be aware that certain of our executive officers and directors have interests in the merger that may be different from, or in addition to, your interests as a shareholder. See "The Merger -- Interests of Our Directors and Executive Officers in the Merger" beginning on page 44.

Discretionary Authority to Adjourn Our Special Meeting. The affirmative vote of the holders of a majority of the eligible shares of our common stock present in person or represented by proxy at our special meeting is required to approve the proposal to grant discretionary authority to adjourn our special meeting if necessary to permit further solicitation of proxies for the merger proposal. The failure to vote, either by proxy or in person, will have no effect on the outcome of the voting on the adjournment proposal. However, abstentions will have the same effect as a vote against the adjournment proposal.

DIRECTOR AND EXECUTIVE OFFICER VOTING

As of the record date, our directors and executive officers and their affiliates beneficially owned 383,345 shares of our common stock, or

Edgar Filing: FNB CORP/FL/ - Form S-4/A

approximately 13.6% of the issued and outstanding shares of our common stock entitled to vote at our special meeting. This number includes options to purchase 68,562 shares exercisable within 60 days of the record date. To our knowledge, our directors and executive officers and their affiliates intend to vote their shares of our common stock in favor of the approval of the merger proposal.

In addition, as of the record date, FNB owned 15,300 shares of our common stock or approximately 0.56% of the shares of our common stock entitled to vote at our special meeting. FNB has advised us it will vote its shares for approval of the merger proposal. As of the record date, none of FNB's directors and executive officers and their affiliates owned any shares of our common stock.

PROXIES

Voting. You should complete and return the proxy card accompanying this proxy statement/prospectus in order to ensure that your vote is counted at our special meeting and at any adjournment, postponement or continuation of our special meeting, regardless of whether you plan to attend our special meeting. If you sign and send in your proxy card and do not indicate how you want to vote, we will count your proxy card as a vote in favor of approval of the merger proposal and in favor of approval of the adjournment proposal.

If your shares of our common stock are held in the name of a bank, broker, nominee or other holder of record, you will receive instructions from the bank, broker, nominee or other holder of record that you must follow in order for your shares of our common stock to be voted.

You might also be eligible to vote by phone or over the internet. Special instructions can be found on the enclosed proxy card.

Revocability. You may revoke your proxy at any time before the vote is taken at our special meeting. If you have not voted through a bank, broker, nominee or other holder of record, you may revoke your proxy by:

- submitting written notice of revocation to our corporate secretary prior to the voting of that proxy at our special meeting;
- submitting a properly executed proxy with a later date; or
- voting in person at our special meeting.

However, simply attending our special meeting without voting will not revoke an earlier proxy.

Written notices of revocation and other communications regarding the revocation of your proxy should be addressed to:

Slippery Rock Financial Corporation
100 South Main Street
Slippery Rock, Pennsylvania 16057
Attention: Dale R. Wimer, Corporate Secretary

If your shares are held in the name of a bank, broker, nominee or other

Edgar Filing: FNB CORP/FL/ - Form S-4/A

holder of record, you should follow the instructions of the bank, broker, nominee or other holder of record regarding the revocation of proxies.

A proxy appointment will not be revoked by the death or incapacity of the shareholder executing the proxy unless notice of the death or incapacity is given to our corporate secretary before the shares of our common stock represented by such proxy are voted.

How Proxies are Counted. All shares of our common stock represented by properly executed proxies received before or at our special meeting, and not revoked, will be voted in accordance with the instructions indicated in the proxies.

We will count a properly executed proxy marked "ABSTAIN" as present for purposes of determining the presence of a quorum, but an abstention will have the effect of voting against approval of the merger proposal and voting against approval of the adjournment proposal.

Brokers may not vote shares of our common stock that they hold beneficially either for or against the approval of the merger proposal without specific instructions from the person who beneficially owns those shares. Therefore, if your shares are held by a broker and you do not give your broker instructions on how to vote your shares, this will have the same effect as voting against approval of the merger proposal.

In addition, brokers may not vote shares of our common stock on the adjournment proposal without specific instructions from the person who beneficially owns those shares. Nevertheless, shares held by a broker for which you do not give your broker instructions on how to vote will have no effect on the outcome of the voting on the adjournment proposal.

Solicitation. We will pay for the costs of our special meeting and for the mailing of this proxy statement/prospectus to our shareholders, as well as all other costs we incur in connection with the solicitation of proxies from our shareholders. However, FNB and we will share equally the cost of printing this proxy statement/prospectus and the filing fees paid to the SEC.

In addition to soliciting proxies by mail, our directors, officers and employees may solicit proxies by telephone or in person. Our directors, officers and employees will not be specially compensated for these activities. We also intend to request that brokers, banks, nominees and other holders of record solicit proxies from their principals, and we will reimburse the brokers, banks, nominees and other holders of record for certain expenses they incur for those activities.

We have engaged Morrow & Co., a professional proxy solicitation firm, to assist us in the solicitation of proxies. The fee payable to Morrow & Co. for such services is \$5,000, plus such firm's reasonable out-of-pocket expenses and costs to solicit additional shareholders.

RECOMMENDATION OF OUR BOARD OF DIRECTORS

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Our board of directors unanimously approved the merger agreement and the transactions contemplated by the merger agreement. Based on our reasons for the merger described in this proxy statement/prospectus, our board of directors believes that the merger is in our best interests and those of our shareholders. Accordingly, our board of directors unanimously recommends that our shareholders vote "FOR" approval of the merger proposal and "FOR" the adjournment proposal. See "The Merger -- Our Board of Directors' Reasons for the Merger; Recommendation" beginning on page 28, for a more detailed discussion of our board of directors' recommendation.

THE MERGER

The following discussion contains material information pertaining to the merger. This discussion is subject, and qualified in its entirety by reference, to the merger agreement and the financial advisor's opinion included as Appendices A and B to this proxy statement/prospectus. We encourage you to read and review those documents as well as the discussion in this proxy statement/prospectus.

BACKGROUND OF THE MERGER

Over the past several years, our board of directors and senior management

Edgar Filing: FNB CORP/FL/ - Form S-4/A

have periodically conducted planning sessions to review our business operations and direction, including a review and discussion of our strategic alternatives. Although the primary focus of these planning efforts has been to increase shareholder value by remaining independent, we also have been acutely aware in recent years of changes in the financial services industry and, in particular, the challenges facing a smaller independent financial institution. These challenges include an interest rate environment that has resulted in net interest margin pressure, increased expenses related to technology and training and increasing governmental regulation.

In 2002, Slippery Rock Bank entered into a formal supervisory agreement with the OCC. This agreement contained recommendations from the OCC and imposed certain conditions on us related to, among other things, credit administration, consumer compliance and internal control policies and procedures. We responded to this agreement by creating several senior management positions, including a Head of Credit Administration and a Chief Lending Officer, along with staff to support those officers. We also spent significant resources on legal advice and several consulting studies in order to address the recommendations and conditions of the supervisory agreement.

In anticipation of continuing growth as an independent institution, we engaged Griffin in the summer of 2003 to assist us in updating our strategic plan. In September 2003, our board and senior management held a two-day planning retreat during which Griffin presented an overview of the community banking industry, senior management made presentations regarding the future of our banking franchise and Griffin facilitated a discussion regarding the potential for growth and expansion during the next three years.

During the fourth quarter of 2003, Griffin assisted our senior management in preparing a draft strategic plan. Also during the fourth quarter of 2003, the OCC continued to monitor closely our compliance with the supervisory agreement. At a regularly scheduled board meeting in December 2003, Griffin reviewed the draft strategic plan with our board and discussed the recent OCC activities and communications. Our board was generally aware of the recent merger activity involving Pennsylvania banks, and asked Griffin to prepare an overview of such activity for our January 2004 board meeting.

At our regularly scheduled board meeting on January 20, 2004, Griffin presented an analysis of recent merger activity involving community banks on a national, regional and statewide (Pennsylvania) basis. Our board devoted substantial time and discussion at this meeting to the feasibility and desirability of remaining an independent institution. At the conclusion of the meeting, our board asked Griffin to prepare an analysis of potential merger partners and buyers. Griffin presented this analysis at our board's regular meeting on February 17, 2004. After extensive discussion of our potential as an independent institution, our regulatory issues and the merger and acquisition market for community banks, our board authorized the engagement of

27

Griffin to solicit indications of interest from selected financial institutions regarding our possible acquisition and Griffin was so engaged.

In March 2004, Griffin contacted six potential buyers. Five potential buyers executed confidentiality agreements, reviewed a confidential information

Edgar Filing: FNB CORP/FL/ - Form S-4/A

memorandum and submitted preliminary indications of interest.

Our board held a special meeting on April 6, 2004 to consider the indications of interest received from the five potential buyers. In addition to our board, representatives of Griffin, as well as a representative of Manatt, Phelps & Phillips, LLP, our legal counsel, were present. The Griffin representatives reviewed with our board the financial terms of each written indication of interest. All five institutions submitted non-binding proposals on specified items, including the price per share, the form of consideration, the treatment of outstanding stock options, ongoing board representation, the ongoing role of senior executives and the severance policy for employees whose employment would end upon closing of the transaction. Of the five indications of interest received, only the indications of interest received from FNB (range of \$26.00 to \$27.00 per share) and one other bank holding company (\$26.00 to \$29.00) were within a range acceptable to our board. Following an in-depth discussion of FNB and the other company, our board authorized Griffin to coordinate the performance of due diligence on us by both FNB and the other company. Throughout the process, William C. Sonntag, our president and chief executive officer, had conversations and/or met with his counterparts at FNB and the other company to discuss the proposed terms of the agreement and other strategic matters.

Griffin contacted both potential buyers to schedule due diligence with the understanding that each buyer would submit a revised indication of interest upon completion of due diligence, if still interested in pursuing a transaction with us. On April 27, 2004, Griffin received revised indications of interest from FNB and the other company. FNB indicated a price of \$28.00 per share in a combination of stock (85% of the consideration) and cash (15% of the consideration). The other potential buyer offered our board the choice of \$29.00 per share in cash, or \$26.00 per share in a combination of stock (51% of the consideration) and cash (49% of the consideration).

At a special meeting on April 28, 2004, our board met to consider the revised indications of interest. Griffin presented an analysis of the indications of interest and a representative of Manatt, Phelps & Phillips, LLP reviewed with our board its fiduciary duties pertinent to the proposed transaction. The representative of Manatt, Phelps & Phillips, LLP also reviewed with our board a draft merger agreement that had previously been provided to FNB and the other potential buyer. At the conclusion of the presentations, our board of directors, with the assistance of Griffin and Manatt, Phelps & Phillips, LLP, discussed both offers at length. A number of factors were considered, including but not limited to, those set forth below under "-- Our Board of Directors' Reasons for the Merger." Each board member provided his or her thoughts on the proposals, including the tax consequences of cash or stock as consideration, the opportunity for shareholders to participate in any future appreciation of FNB stock after the merger, compared with being cashed out, and the added value of continued cash dividends. Upon conclusion of the discussions, the board authorized Griffin, Manatt, Phelps & Phillips, LLP and senior management to seek to finalize a merger agreement with FNB.

From April 29 through May 5, 2004, a number of drafts of the merger agreement and related documents were circulated and negotiated by us, FNB and our and their advisors. On May 3, 2004, a representative of Griffin and our chief financial officer conducted a due diligence review of FNB. Negotiations continued on the merger agreement. On May 5, 2004, our board met again to review the status of negotiations and authorized management to execute the merger agreement and related documents. On the evening of May 5, 2004, the merger agreement was signed and the proposed merger was announced on the morning of May 6, 2004.

OUR BOARD OF DIRECTORS' REASONS FOR THE MERGER; RECOMMENDATION

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Our board of directors believes that the terms of the merger agreement are fair to, and in the best interests of, our shareholders and us. Accordingly, our board of directors has unanimously approved the merger agreement and recommends that our shareholders vote "FOR" approval of the merger proposal and "FOR" the adjournment proposal. In the course of reaching its determination, our board of directors consulted with senior management, Manatt, Phelps & Phillips, LLP, our legal counsel, with respect to the terms of the

28

merger agreement and their legal and fiduciary duties and Griffin, its financial advisor, with respect to the financial aspects and fairness of the merger from a financial point of view.

The following discussion of the information and factors considered by our board is not intended to be exhaustive, but does include the material factors considered. Furthermore, the order of the factors should not be construed as to any particular weight given to such factor in our board's decision process. In reaching its determination that the merger is fair to, and in the best interests of, our shareholders and us, our board considered a number of factors, including, without limitation, the following:

- the value of the merger consideration compared to historical and recent market prices of our common stock, which represented a premium of approximately 53% over the price at which our common stock traded on May 5, 2004, the last date on which such shares were traded before the announcement of the merger agreement;
- the ability of our shareholders who receive FNB common stock in the merger to participate as shareholders in any potential future growth of FNB and to participate in a larger, more financially diverse organization;
- the current and prospective environment in which we operate, including general economic conditions, competition in our business segments and our geographic market, increasing regulatory burdens and costs facing financial institutions, the continuing consolidation and diversification of products and services in the banking industry and the likely effect of the foregoing factors on our potential growth and profitability if we were to remain independent;
- our board of directors' familiarity with and review of our business, results of operations, financial condition, management, competitive positions and future prospects and the nature of the industry in which we operate;
- the strategic options available to us and our board's assessment that none of these options, including remaining independent, is likely to present an opportunity to create value for our shareholders that is equal to or greater than that created by the proposed merger with FNB;
- our board of directors' review of the historical market prices of our common stock compared to the merger consideration to be received by our shareholders, the result of which indicated that the merger will provide holders of our common stock with the opportunity to receive a premium over the historical trading prices for their shares;

Edgar Filing: FNB CORP/FL/ - Form S-4/A

- our small stock market float and the consequent difficulty that holders of large amounts of our shares would have in selling their holdings in the public market over a relatively short period of time and without depressing the market price of our common stock, were we to remain an independent public company;
- the liquidity of FNB's stock, thereby giving shareholders who receive stock in the transaction the ability to diversify their holdings should they so desire;
- the tax-free nature of the merger consideration for our shareholders who receive FNB common stock in the merger and their ability to recognize additional value through an increased cash dividend per share equivalent;
- information concerning the financial performance, financial condition and business operations of FNB;
- the terms of the merger agreement, which provide our board with the ability to respond to, and to accept, an unsolicited offer that is determined by our board to be superior to the merger, if necessary, to comply with our board's fiduciary duties to our shareholders under applicable law;
- the financial presentation of Griffin, our independent financial advisor, and their opinion, as of the date of such opinion, that the merger consideration was fair from a financial point of view to the holders of our common stock (see "-- Opinion of Our Financial Advisor");

29

- the closing conditions in the merger agreement and the likelihood that the merger would be approved by the requisite regulatory authorities and that the merger agreement would be approved and adopted by our shareholders; and
- the commitment by FNB to our employees and the communities we serve.

In addition to taking into account the foregoing factors, our board also considered the following potentially negative factors in reaching its decision to approve the merger agreement:

- the possibility that we would be substantially more profitable than expected or that another acquiror would be willing to pay a higher price sometime in the future;
- the possible effect of the public announcement of the merger on the continuing commitment of our management, employees and customers pending the consummation of the merger;
- the fact that our shareholders who receive cash in the merger will not participate as shareholders in any potential future growth of FNB and will recognize gain to the extent that the cash received exceeds their basis in their shares;
- the possibility that the anticipated benefits of the merger to our shareholders may not be realized as a result of FNB's execution of its business plan, economic conditions and potential difficulties in integrating the two companies and their operations;
- the fact that the fixed exchange ratio could result in less consideration being paid in the event FNB's stock price drops between the date of the

Edgar Filing: FNB CORP/FL/ - Form S-4/A

merger agreement and the closing of the transaction; and

- the significant costs involved in connection with consummating the merger, the substantial management time and effort required to effectuate the merger and to integrate our business with FNB, and the related disruption to our business.

The foregoing discussion of the information and factors considered by our board includes the primary material factors that our board considered. In view of the variety of factors considered in connection with its evaluation of the merger, our board did not find it practicable to, and did not, quantify or otherwise assign relative or specific weight or values to any of these factors, although individual directors may have given different weights to different factors. Our board considered all of the factors as a whole, and considered the factors in their totality to be favorable to and to support the decision to approve the merger agreement and the merger and to recommend their approval by our shareholders.

Our board of directors also considered the potential benefits to certain executive officers and directors discussed in the section entitled "Interests of Our Directors and Executive Officers in the Merger," including change-in-control severance agreements for certain officers of Slippery Rock Bank and a separation, business development and non-competition agreement with our president.

Finally, as noted above, one of the factors considered by our board of directors was our ability under the terms of the merger agreement to respond to an unsolicited offer under certain circumstances. Since the announcement of the merger agreement, we have not received any proposals with respect to any other possible business combination.

OPINION OF OUR FINANCIAL ADVISOR

On March 7, 2004, we engaged Griffin to serve as our financial advisor in connection with a possible sale or merger transaction with a strategic partner. Griffin acted as financial advisor to us in connection with the proposed merger and participated in certain negotiations leading to the execution of the merger agreement, but the decision as to whether to accept the FNB proposal and the pricing of the merger was made by our board of directors. On April 28, 2004, our board of directors held a special meeting to evaluate our proposed merger with and into FNB. At this meeting, Griffin reviewed certain of the financial aspects of the proposed merger and presented the results of certain analyses to our board and indicated that Griffin would be prepared to provide an opinion that the proposed consideration from FNB was fair to us and our shareholders from a financial point of view. Griffin subsequently provided a written opinion, dated June 9, 2004, to our board of

30

directors, that, based on the assumptions, factors, and limitations set forth in the opinion, the merger consideration proposed to be paid in the transaction is fair from a financial point of view to us and our shareholders.

We have the right, during the two-day period following the date of receipt of the last regulatory approval of the merger, to terminate the merger agreement if the average closing price of FNB common stock for the 20 consecutive trading

Edgar Filing: FNB CORP/FL/ - Form S-4/A

days ending on the trading day immediately preceding such date is less than \$15.38 (representing a 20% decline from the \$19.23 closing sales price of FNB common stock on May 7, 2004) and the decline in the average final price of FNB common stock since May 7, 2004 is at least 20% (as further explained in the merger agreement) greater than the change during the same period in the Nasdaq Bank Index. It is not possible to know until such date if the average final price will be less than \$15.38 or if any decline in the price of FNB common stock will be 20% greater than the change in the Nasdaq Bank Index. Griffin cannot predict whether or not our board would exercise its right to give notice to FNB that we desired to terminate the merger agreement, if these conditions were met. Griffin's opinion does not address the fairness from a financial point of view of the merger consideration if the above price conditions have been met and our board does not terminate the merger agreement. See "The Merger Agreement -- Amendment, Waiver and Termination of the Merger Agreement" beginning on page 60.

The full text of Griffin's written opinion is included as Appendix B to this proxy statement/prospectus and is incorporated herein by reference. The opinion outlines the processes Griffin followed, the assumptions Griffin made, the matters Griffin considered and the qualifications and limitations set forth in Griffin's opinion. The description of the opinion set forth below is qualified in its entirety by reference to the opinion. You are urged to, and should, read this opinion carefully and in its entirety. Griffin's opinion speaks only as of its date. Griffin's opinion is directed solely to our board of directors and addresses only the fairness, from a financial point of view, of the merger consideration to be paid in the merger. It does not address the underlying business decision to proceed with the merger and does not constitute a recommendation to you as to how you should vote at our special meeting on the merger or as to whether you should elect FNB common stock or cash. Griffin's opinion will not reflect any developments that may occur after the date of its opinion and prior to the completion of the merger. We do not currently expect that we will request an updated opinion from Griffin.

For purposes of providing its opinion, Griffin has:

(i) reviewed certain publicly available financial statements and other information of FNB and us, respectively, which Griffin believed to be relevant;

(ii) reviewed certain internal financial statements and other financial and operating data concerning each of FNB and us, including financial forecasts and profit plans prepared by the management of FNB and us, respectively;

(iii) reviewed the formal agreement, dated October 15, 2002, between Slippery Rock Bank and the OCC and discussed with our management the implications of the formal agreement on our future financial performance;

(iv) discussed the past and current operations and financial condition and the prospects of each of FNB and us with senior executives of FNB and us, respectively, including with respect to FNB (x) the potential impact on FNB of the merger, including potential cost savings, synergies and other strategic, financial and operational benefits that management of FNB expects to realize from our combination with FNB and (y) the forecasted impact of the proposed merger on the future financial performance of FNB;

(v) reviewed the publicly reported historical price and trading activity for our common stock and FNB common stock, including a comparison of certain financial and stock market information for FNB and us with

Edgar Filing: FNB CORP/FL/ - Form S-4/A

similar publicly available information for certain other financial institutions the securities of which are publicly traded;

(vi) reviewed earnings per share consensus estimates for FNB for the years ending December 31, 2004 and 2005 published by Thomson First Call;

31

(vii) reviewed the financial terms, to the extent publicly available, of certain merger and acquisition transactions between financial institutions that Griffin viewed as comparable;

(viii) participated in discussions and negotiations between FNB and us;

(ix) reviewed the merger agreement (including the schedules and exhibits thereto);

(x) considered the competitive environment for financial institutions; and

(xi) performed market value, comparable company, selected reference transaction and pro forma merger analyses.

In connection with its reviews and analyses and in providing its opinion, Griffin assumed and relied upon the accuracy and completeness of all of the financial, accounting, tax and other information discussed with or reviewed by it for the purposes of rendering its opinion, without independent verification. Griffin also relied upon assurances from management of FNB and us that they are not aware of any facts and circumstances that would cause such information to contain a misstatement or omission of a fact material to Griffin's opinion. With respect to financial and operating forecasts and profit plans, including the synergies, cost savings and other strategic, financial and operational benefits to be realized in connection with the completion of the merger, Griffin has assumed that such financial and operating forecasts reflect the best available estimates and judgments of the future financial performance of FNB, after giving effect to the merger, and were based on reasonable assumptions, estimates and judgments of management. Griffin also relied upon the advice FNB and we have each received from their and our legal counsel, tax advisors, and independent public accountants as to all legal, tax and accounting matters relating to the merger, including without limitation, that the merger will be treated as a tax-free reorganization for federal income tax purposes to the extent indicated in "Material Federal Income Tax Consequences of the Merger" beginning on page 62. Griffin assumed that the transaction will be completed in accordance with the terms of the merger agreement and all laws and regulations applicable to FNB and us and that in the course of obtaining the necessary regulatory approvals or other approvals of the merger, no restrictions will be imposed that may have a material adverse effect on the future results of operations or financial condition of FNB, us or the combined entity, as the case may be, or on the contemplated benefits of the merger. Griffin did not make an independent valuation or appraisal of either FNB or us or their or our assets or liabilities (including any hedge, swap, foreign exchange, derivative or off-balance sheet assets or liabilities), nor has it been furnished with any such appraisals and Griffin has not made any independent review of the loans, loan loss reserves or reviewed any individual loan credit files of Slippery Rock Bank or FNB Bank. Griffin also assumed that the published estimates of third party research analysts constitute a reasonable basis upon which to evaluate the future financial performance of FNB. In addition, Griffin did not conduct a physical inspection of any of the properties or facilities of FNB or us. Griffin is not expressing an opinion as to what the value of FNB common stock will actually be

Edgar Filing: FNB CORP/FL/ - Form S-4/A

when issued or the price at which FNB common stock will trade at any time or whether FNB will realize the specific strategic objectives and benefits of the merger. Griffin's opinion does not address the relative merits of the merger compared to any other business strategy that might exist for us, nor does it address our underlying business decision to engage in the merger.

Griffin's opinion was necessarily based upon market, economic and other conditions as they existed on, and could be evaluated as of, the date of its opinion. Griffin assumed, in all respects material to its analyses, that all of the representations and warranties contained in the merger agreement and all related agreements were true and correct, that each party to such agreements would perform all of the covenants required to be performed by such party under such agreements and that the conditions precedent in the merger agreement have not been nor will be waived. Griffin also assumed that there had been no material change in our or FNB's assets, financial condition, results of operations, business or prospects since the date of the last financial statements made available to Griffin. In providing its opinion, Griffin does not admit that it is an expert within the meaning of the term "expert" as used within the Securities Act of 1933, which we sometimes refer to as the "Securities Act" in this proxy statement/prospectus and the rules and regulations promulgated thereunder, or that its opinion constitutes a report or valuation within the meaning of Section 11 of the Securities Act and the rules and regulations promulgated thereunder.

SUMMARY OF ANALYSES BY GRIFFIN

The following is a summary of the material analyses undertaken by Griffin in connection with its written opinion, dated as of June 9, 2004. The summary is not a complete description of the analyses underlying Griffin's opinion or the presentations made by Griffin to our board, but summarizes the material analyses performed in connection with such presentations and its opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, Griffin did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. The financial analyses summarized below include information presented in tabular format. Accordingly, Griffin believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion. The tables alone do not provide a complete description of the financial analyses.

The earnings projections for each of FNB and us used and relied upon by Griffin in its analyses were based upon internal financial projections provided by each company. With respect to such financial projections and all estimates of transaction costs, purchase accounting adjustments and expected cost savings and synergies relating to the merger we furnished to Griffin, our management has confirmed to Griffin that they reflect the best currently available estimates and judgments of management of the future financial performance of FNB and us on a combined basis, and Griffin assumed for purposes of its analyses that such performances would be achieved. Griffin expressed no opinion as to such financial projections or the assumptions on which they were based. The financial

Edgar Filing: FNB CORP/FL/ - Form S-4/A

projections for each of FNB and us were prepared for internal purposes only and not with a view towards public disclosure. These projections, as well as the other estimates used by Griffin in its analyses, were based on numerous variables and assumptions that are inherently uncertain and, accordingly, actual results could vary materially from those set forth in such projections.

In performing its analyses, Griffin also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of FNB and us. The estimates set forth in Griffin's analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, no company, transaction, or business used in Griffin's analyses as a comparison is identical to FNB or us or the merger. Thus, Griffin's analyses and opinion are necessarily subjective.

Griffin prepared its analyses solely for review by our board in connection with its evaluation of possible transactions with strategic partners, including the proposed transaction with FNB. Our board of directors considered Griffin's analyses at its April 28, 2004 board meeting. Griffin's financial analyses were only one of the many factors considered by our board of directors in its evaluation of the proposed merger and should not be viewed as determinative of the views of our board of directors or management with respect to the merger or the merger consideration. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty and actual values may be materially different. Accordingly, Griffin's analyses do not reflect the value of our common stock or FNB's common stock or the prices at which our common stock or FNB's common stock may be sold at any time. For purposes of providing its opinion on the date thereof, Griffin reviewed certain of the procedures it had performed in connection with its engagement as our financial advisor and updated its analyses.

33

Financial Terms of the Merger. Griffin reviewed the financial terms of the proposed transaction. Based upon the closing price of FNB's common stock on June 9, 2004 of \$19.88 and the exchange ratio of 1.41, and assuming that 3,276,554 shares of FNB common stock are issued to holders of Slippery Rock common stock in exchange for 2,323,797 shares of Slippery Rock common stock and 407,335 shares of Slippery Rock common stock are exchanged for \$28.00 per share in cash, Griffin calculated an implied transaction value of approximately \$28.03 per Slippery Rock share and an implied aggregate transaction value of approximately \$78.5 million. The implied aggregate transaction value was based upon 2.73 million shares of Slippery Rock common stock outstanding as of March 31, 2004, plus the value of outstanding options to purchase 190,147 shares of Slippery Rock common stock calculated using \$28.00 per share less a weighted average exercise price of \$16.43 per share. Griffin noted that the transaction value represented a 53% premium over the May 5, 2004 closing sales price of our common stock of \$18.40 per share, the last trading day prior to the announcement of the proposed merger.

Peer Group Analysis. Using publicly available information, Griffin compared the financial condition, performance and market value measures of FNB to the following 13 Pennsylvania-based financial institutions:

- Citizens & Northern Corporation;
- Community Banks, Inc.;
- First Commonwealth Financial Corporation;

Griffin compared FNB's financial condition, performance and market value measures to the median and mean statistics of this reference group of banks selected by Griffin as of June 9, 2004. The FNB ratios were based on data obtained from SNL Financial and include certain adjustments and assumptions related to FNB's spin-off transaction which occurred on January 1, 2004. For purposes of such analysis, the financial information used by Griffin was as of and for the twelve months ended March 31, 2004. Stock price data was as of June 9, 2004. Certain financial information prepared by Griffin, and as referenced in the tables presented

below, may not correspond to the data presented in FNB's and our historical financial statements as a result of different assumptions and methods used by Griffin to compute the financial data presented:

For these selected merger transactions, Griffin used publicly available financial information, including information from SNL Financial's online databases to determine:

- The multiples of the transaction price per share to publicly-disclosed earnings per share for the latest twelve months ("LTM") at the time of announcement;
- The multiples of the transaction price per share to book value per share using the acquired companies' most recent publicly disclosed financial statements at the time of announcement of the transaction;
- The multiples of the transaction price to total assets using the acquired companies' most recent publicly disclosed financial statements at the time of announcement of the transaction; and
- The implied tangible book premium to core deposits (defined as total deposits less certificates of deposit greater than \$100,000) using the

Edgar Filing: FNB CORP/FL/ - Form S-4/A

acquired companies' most recent publicly disclosed financial statements at the time of announcement of the transaction.

Transaction multiples for the transaction were derived from the \$28.03 per share transaction value and financial data for us as of March 31, 2004. Griffin compared these results with announced transaction multiples. The results of the analysis are set forth in the following table:

	PRICE/LTM EPS (X)	PRICE/BOOK (%)	PRICE/ASSETS (%)	PREMIUM/CORE DEPOSITS (%)
Pennsylvania/Ohio Median.....	20.29	222.00	22.87	20.00

Pro Forma Merger Analysis. Griffin analyzed certain potential forecasted effects of the merger, assuming the following: (1) the transaction closes in the fourth quarter of 2004, (2) 3,276,554 shares of FNB common stock are issued to holders of our common stock in exchange for 2,323,797 shares (representing a common stock exchange ratio of 1.41 shares of FNB common stock per share of our common stock) and 407,335 shares of our common stock are exchanged for \$28.00 per share in cash, (3) all outstanding options to purchase our common stock are converted into options to purchase a number of shares of FNB common stock equal to the number of shares of our common stock subject to the options multiplied by 1.41, (4) without independent review by us of underlying data or assumptions for accuracy or reasonableness, all purchase accounting adjustments, transaction costs and cost savings are as estimated by our senior management and (5) without independent review by us of underlying data or assumptions for accuracy or reasonableness, the operating performance of the combined companies will be as forecasted by such senior management. The analysis indicated that for the year ending December 31, 2005, the first full year after the closing of the transaction, the transaction should be accretive to FNB's projected earnings per share. The actual results achieved by the combined company may vary from projected results and the variations may be significant.

Fees Payable by Us to Our Financial Advisor. We have agreed to pay Griffin a fee in connection with the merger of 1% of total transaction value, of which \$197,990 has been paid. An additional payment of \$197,990 is payable upon approval of the merger proposal by our shareholders and the balance of Griffin's fee is payable upon closing of the merger. We have also agreed to reimburse certain of Griffin's reasonable out-of-pocket expenses incurred in connection with its engagement and to indemnify Griffin and its affiliates and their respective partners, directors, officers, employees, agents and controlling persons against certain expenses and liabilities, including liabilities under the federal securities laws.

Griffin has previously provided financial advisory services to Slippery Rock and has received customary fees for the rendering of such services.

STRUCTURE OF THE MERGER AND THE MERGER CONSIDERATION

Structure. Subject to the terms and conditions of the merger agreement, and in accordance with Pennsylvania and Florida law, at the completion of the merger, we will merge with and into FNB. FNB will be the surviving corporation and will continue its corporate existence under the laws of the State of Florida.

Immediately thereafter, Slippery Rock Bank, our wholly owned subsidiary, will merge with and into FNB Bank, a wholly owned subsidiary of FNB. Each share of our common stock issued and outstanding at the effective time of the merger will be converted into either cash or shares of FNB common stock.

When the merger is completed, our separate corporate existence will terminate. FNB's certificate of incorporation will be the certificate of incorporation of the combined company, and FNB's bylaws will be the bylaws of the combined company. See "Comparison of Shareholder Rights" beginning on page 67.

The board of directors of FNB will continue as the board of directors of the combined company. The board of directors of FNB Bank will continue as the board of directors of the combined bank, except that at the completion of the merger, FNB will appoint to the board of directors of FNB Bank two current members of our board of directors, as mutually agreed upon by FNB and us. See "-- Boards of Directors of FNB and FNB Bank Following the Merger" beginning on page 48.

Based on information as of the record date, upon completion of the merger, current holders of FNB common stock will own approximately 93.4% of, and holders of our common stock will own approximately 6.6% of, the outstanding FNB common stock.

Merger Consideration. The merger agreement provides that at the effective time of the merger each share of our common stock issued and outstanding immediately prior to the effective time, other than shares held by FNB and shares as to which appraisal rights are perfected, will be converted into either:

- \$28.00 in cash; or
- 1.41 shares of FNB common stock.

You may elect whether you want to receive all FNB common stock, all cash or a combination of cash and FNB common stock in exchange for the shares of our common stock that you hold. However, your election is subject to possible proration because the allocation procedures in the merger agreement provide that 15% of the shares of our common stock will be exchanged for cash and 85% of the shares of our common stock will be exchanged for shares of FNB common stock, although FNB has the option of increasing the amount of FNB common stock it issues in the merger if our shareholders elect to receive more than 85% of the merger consideration in FNB common stock. The actual allocation of cash and FNB common stock will be dependent on the elections made by our shareholders and may result in your receiving a combination of FNB common stock and cash regardless of your choice. See "-- Election Procedure" beginning on page 38.

Since the market value of FNB common stock may fluctuate due to a variety of factors and the exchange ratio of 1.41 shares of FNB common stock for each share of our common stock is fixed, no assurance can be given that the value of 1.41 shares of FNB common stock received in the merger will be substantially

Edgar Filing: FNB CORP/FL/ - Form S-4/A

equivalent to \$28.00 in cash. In addition, no assurance can be given that the value of 1.41 shares of FNB common stock received by a Slippery Rock shareholder at the effective time of the merger will be substantially equivalent to the value of 1.41 shares of FNB common stock at the time of the vote to approve the merger proposal or at the time you elect the form of merger consideration you want to receive. As the market value of FNB common stock fluctuates, the value of 1.41 shares of FNB common stock that you will receive will correspondingly fluctuate, and may be greater or less than \$28.00 in cash.

If, between the date of the merger agreement and the effective time of the merger, shares of FNB common stock are changed into a different number or class of shares by reason of any reclassification, split-up, combination, exchange of shares or readjustment, or a stock dividend is declared with a record date within that period, appropriate adjustments will be made to the per share cash consideration and the per share stock consideration.

Fractional Shares. No fractional shares of FNB common stock will be issued to you upon completion of the merger, unless you elect to enroll in FNB's dividend reinvestment plan in which event FNB will issue to you, in book-entry form in your dividend reinvestment plan account, the exact number of shares, rounded to three decimal places, to which you are entitled. For each fractional share that you would otherwise be entitled to receive, FNB will pay cash in an amount, rounded to the nearest cent, equal to the product of the number of fractional shares held by you multiplied by the average closing price of FNB common stock for the 20

37

consecutive trading-day period ending on the date the last required regulatory approval for the merger is obtained, without regard to any required waiting periods. No interest will be paid or accrued on cash payable in lieu of fractional shares of FNB common stock nor will any holder of fractional shares be entitled to dividends or other rights in respect of such fractional shares.

Treasury Shares. Upon consummation of the merger, any shares of our common stock held by us or any of our subsidiaries or by FNB or any of its subsidiaries, other than in a fiduciary capacity or as a result of debts previously contracted in good faith, will be cancelled and retired and no merger consideration will be given with respect to those shares.

Dissenting Shares. If you perfect appraisal rights under Pennsylvania law, and you are therefore entitled to be paid the fair value of your shares as provided for under Pennsylvania law, you will not be entitled to receive the merger consideration, unless and until you have withdrawn or lost your appraisal rights.

ELECTION PROCEDURE

Subject to the allocation process described in the next section, you will have the right to elect to receive in exchange for your shares of our common stock:

- all cash,
- all shares of FNB common stock, or
- a combination of cash and shares of FNB common stock.

In our discussion, we refer to each of these three possible elections as

Edgar Filing: FNB CORP/FL/ - Form S-4/A

the "all cash election," the "all stock election" and the "combination election," respectively.

All Cash Election. If you choose the all cash election, you will receive \$28.00 in cash for each share of our common stock you hold, subject to the allocation mechanism described below. In our description below, we refer to the shares held by a Slippery Rock shareholder who has made an all cash election as "cash election shares."

All Stock Election. If you choose the all stock election, you will receive 1.41 shares of FNB common stock for each share of our common stock you hold, subject to the allocation mechanism described below. In our description below, we refer to the shares held by a Slippery Rock shareholder who has made an all stock election as "stock election shares."

Combination Election. If you choose the combination election, you will receive (i) 1.41 shares of FNB common stock for each share of our common stock you hold for which you elected to receive FNB common stock and (ii) \$28.00 in cash for each remaining share of our common stock you hold, subject to the allocation mechanism described below. If you choose the combination election, you will be able to specify the number of shares of our common stock you want converted into shares of FNB common stock. All shares of our common stock for which you do not elect to receive FNB common stock will be converted into cash, subject to the allocation mechanism described below.

Undesignated Shares. Any shares of our common stock, other than shares for which appraisal rights have properly been perfected under Pennsylvania law and treasury shares, with respect to which the exchange agent does not receive an effective, properly completed election form prior to the election deadline will be deemed "undesignated shares." If you hold shares of our common stock that are deemed to be undesignated shares, you will receive \$28.00 in cash for each share of our common stock you hold unless there is an oversubscription of the cash consideration, in which case you may receive 1.41 shares of FNB common stock for some or all of your shares of our common stock. See "-- Allocation of FNB Common Stock and Cash" beginning on page 40.

For example, assuming you hold 100 shares of our common stock, if you made:

- an all stock election, you will receive 141 shares of FNB common stock;
- an all cash election, you will receive \$2,800 in cash; or

38

- a combination election, you will receive:
 - assuming an election of 75% cash and 25% stock, approximately \$2,100 in cash and 35 shares of FNB common stock (and payment for any fractional share);

Edgar Filing: FNB CORP/FL/ - Form S-4/A

- assuming an election of 50% cash and 50% stock, approximately \$1,400 in cash and 70 shares of FNB common stock (and payment for any fractional share); or

- assuming an election of 75% stock and 25% cash, approximately \$700 in cash and 105 shares of FNB common stock (and payment for any fractional share).

The actual allocation of cash and stock will be subject in each case to the allocation procedures described under the heading "-- Allocation of FNB Common Stock and Cash" beginning on page 40.

Under the terms of the merger agreement, 15% of the shares of our common stock will be exchanged for cash and 85% of the shares of our common stock will be exchanged for FNB common stock, unless FNB exercises its option to increase the number of shares of FNB common stock issued in the merger in the case of a stock oversubscription. Accordingly, there is no assurance that you will receive the form of the merger consideration that you elect with respect to all of your shares of our common stock. If the elections of our shareholders result in an oversubscription for the available pool of FNB common stock or cash, the procedures for allocating FNB common stock and cash to be received by our shareholders will be followed by the exchange agent. See the section entitled "-- Allocation of FNB Common Stock and Cash" beginning on page 40.

Election Form. The merger agreement provides that 35 days prior to the anticipated date of completion of the merger, or on a different date mutually agreed upon by FNB and us, an election form and other appropriate and customary transmittal materials will be mailed by, or on behalf of, FNB to you. Each election form will allow you to elect to receive:

- 1.41 shares of FNB common stock for each share of our common stock you hold;

- \$28.00 in cash for each share of our common stock you hold; or

- 1.41 shares of FNB common stock for each share of our common stock you hold for which you elected to receive FNB common stock and \$28.00 in cash for each remaining share of our common stock you hold.

The form of election will be mailed to you if you are a holder of record as of the close of business on the fifth business day prior to the mailing date. In our discussion, we refer to this date at the "election form record date." FNB will also make election forms available to persons who become holders of our common stock subsequent to the election form record date and prior to the election deadline.

If you wish to elect the type of merger consideration you will receive in the merger, you should carefully review and follow the instructions set forth in the election form. Shares of our common stock as to which you have not made a valid election prior to the election deadline, which is 5:00 p.m. on the 30th day following the mailing date, will be deemed undesignated shares.

An election will have been properly made and effective only if the exchange agent has actually received a properly completed election form that has not been revoked by the election deadline. An election form will be properly completed

Edgar Filing: FNB CORP/FL/ - Form S-4/A

only if an election is indicated for each share of our common stock covered by such election form and accompanied by one of more certificates representing all shares of our common stock covered by the election form (or customary affidavits and indemnification regarding the loss or destruction of such certificates or the guaranteed delivery of such certificates), together with duly executed transmittal materials included in or required by the election form.

You may revoke your election form prior to the election deadline, provided that the exchange agent actually receives a written notice from you revoking your election form and specifying the shares of our common stock covered by such revoked election form prior to the election deadline. In the event an election form is revoked prior to the election deadline, the shares of our common stock represented by such revoked

39

election form will automatically become undesignated shares unless and until a new election is properly made with respect to such shares of our common stock on or before the election deadline. In the event of a revocation of an election, FNB will cause the certificates representing such shares of our common stock to be promptly returned without charge to the person submitting the revoked election form upon request to that effect from the holder who submitted such election form.

The exchange agent will have reasonable discretion to determine whether any election or revocation has been properly or timely made and to disregard immaterial defects in the election forms, and any decisions of Slippery Rock and FNB required by the exchange agent and made in good faith in determining such matters will be binding and conclusive. Neither FNB nor the exchange agent will be under any obligation to notify any person of any defects in an election form.

ALLOCATION OF FNB COMMON STOCK AND CASH

Under the terms of the merger agreement, 15% of our shares of common stock will be exchanged for cash and 85% of our shares of common stock will be exchanged for FNB common stock. Accordingly, there is no assurance that you will receive the form of merger consideration that you elect with respect to all shares of our common stock you hold. If the elections of all of our shareholders result in an oversubscription of the available pool of cash or FNB common stock, the exchange agent will allocate between the cash and shares of FNB common stock to be received by you in the manner described below. For a discussion of fractional interests in shares of FNB common stock, see "-- Structure of the Merger and the Merger Consideration" beginning on page 36.

If the aggregate number of shares of FNB common stock that would be issued in the merger is approximately equal to 3,276,554, subject to adjustment pursuant to the merger agreement, then:

- if you made an all cash election, you will receive \$28.00 in cash for each share of our common stock you hold;
- if you made an all stock election, you will receive 1.41 shares of FNB common stock for each share of our common stock you hold;
- if you made a combination election, you will receive 1.41 shares of FNB common stock per share of our common stock you hold for which you elected to receive FNB common stock and \$28.00 in cash for each remaining share

Edgar Filing: FNB CORP/FL/ - Form S-4/A

of our common stock you hold; and

- if you hold undesignated shares, you will be deemed to have made an all cash election and will receive \$28.00 in cash for each share of our common stock you hold, subject to the allocation provisions in the merger agreement.

Oversubscription of the Stock Consideration. If the aggregate number of shares of FNB common stock that would be issued in the merger exceeds, and is not approximately equal to, 3,276,554, subject to adjustment pursuant to the merger agreement, FNB may issue such number of its shares of common stock even though more than 3,276,554 shares of its common stock would be issued. However, FNB also has the right not to issue more than 3,276,554 shares of its common stock. If FNB chooses not to issue more than 3,276,554 shares of its common stock, then:

- if you made an all cash election, you will receive \$28.00 in cash for each share of our common stock you hold;
- if you hold undesignated shares, you will be deemed to have made an all cash election and you will receive \$28.00 in cash for each share of our common stock you hold;
- if you made a combination election, you will receive the following for the shares of our common stock you hold for which you elected to receive FNB common stock:
 - a number of shares of FNB common stock equal to the following: (i) 1.41 multiplied by (ii) the sum of the number of shares of our common stock as to which you made a stock election and the number

40

of shares of our common stock for which FNB common stock was elected in connection with combination elections multiplied by (iii) the stock proration factor; and

- cash in an amount equal to the following: (i) \$28.00 multiplied by (ii) the sum of the number of shares of our common stock with respect to which all stock elections were made and the number of shares of our common stock for which FNB common stock was elected in connection with combination elections multiplied by (iii) one minus the stock proration factor; and
- if you made a combination election, you will receive \$28.00 in cash for each of the remaining shares of our common stock you hold;
- if you made an all stock election, you will receive the following for each share of our common stock you hold:
 - a number of shares of FNB common stock equal to the following: (i) 1.41 multiplied by (ii) the sum of the number of shares of our common stock with respect to which all stock elections were made and the number of shares of our common stock for which FNB common stock was elected in

Edgar Filing: FNB CORP/FL/ - Form S-4/A

connection with combination elections multiplied by (iii) the stock proration factor; and

- cash in an amount equal to the following: (i) \$28.00 multiplied by (ii) the sum of the number of shares of our common stock with respect to which all stock elections were made and the number of shares of our common stock for which FNB common stock was elected in connection with combination elections multiplied by (iii) one minus the stock proration factor.

The stock proration factor will be calculated by dividing (i) 3,276,554 by (ii) the product of (x) 1.41 and (y) the sum of the number of shares of our common stock with respect to which all stock elections were made and the number of shares of our common stock for which FNB common stock was elected in connection with combination elections.

Oversubscription of the Cash Consideration. If the aggregate number of shares of FNB common stock that would be issued in the merger is less than, and is not approximately equal to, 3,276,554, subject to adjustment pursuant to the merger agreement, then:

- if you made an all stock election, you will receive 1.41 shares of FNB common stock for each share of our common stock you hold;
- if you made a combination election will receive 1.41 shares of FNB common stock for each share of our common stock you hold for which you elected to receive FNB common stock;
- the exchange agent will then select by random from among the undesignated shares (other than shares for which appraisal rights have properly been perfected under Pennsylvania law) a sufficient number of shares such that aggregate number of shares of FNB common stock that would be issued in the merger equals as closely as possible to 3,276,554, subject to adjustment pursuant to the merger agreement;
- if the sum of the undesignated shares plus the shares of our common stock as to which all stock elections were made plus the number of shares of our common stock for which FNB common stock was elected in connection with combination elections multiplied by 1.41 is less than, and not approximately equal to, 3,276,554 shares of FNB common stock, then (i) each shareholder who made a combination election will receive the following for each share of our common stock they hold for which they elected to receive cash and (ii) each shareholder who made an all cash election will receive the following for each share of our common stock they hold:
 - cash in an amount equal to the following: (i) \$28.00 multiplied by (ii) the sum of the number of shares of our common stock with respect to which all cash elections were made and the number of shares of our common stock for which cash was elected in connection with combination elections multiplied by (iii) one minus the cash proration factor; and
 - the number of shares of FNB common stock equal to the following: (i) 1.41 multiplied by (ii) the sum of the number of shares of our common stock with respect to which all cash elections were

made and the number of shares of our common stock for which cash was elected in connection with combination elections multiplied by (iii) the cash proration factor.

The cash proration factor will be calculated by dividing (i) the amount that is the difference between (x) the number obtained by dividing 3,276,554 by 1.41 and (y) the sum of the number of shares of our common stock with respect to which all stock elections were made, the number of shares of our common stock for which FNB common stock was elected in connection with combination elections and the number of undesignated shares selected pursuant to the second preceding bullet point by (ii) the sum of the number of shares of our common stock with respect to which all cash elections were made and the number of shares of our common stock for which cash was elected in connection with combination elections.

No later than five business days prior to the effective time of the merger, FNB will cause the exchange agent to compute the allocation described above. The pro rata allocation process or the random selection process to be used by the exchange agent will consist of such procedures as FNB and we mutually determine.

Because the United States federal income tax consequences of receiving cash, FNB common stock or both cash and FNB common stock will differ, you are urged to read carefully the information set forth under the section "Material Federal Income Tax Consequences of the Merger" beginning on page 62 and to consult your tax advisors for a full understanding of the tax consequences of the merger to you. In addition, because the value of 1.41 shares of FNB common stock can fluctuate during the election period, the economic value per share received by our shareholders who receive FNB common stock may, as of the date of receipt by them, be more or less than the \$28.00 in cash received by our shareholders who received cash consideration.

PROCEDURES FOR THE EXCHANGE OF SHARES OF OUR COMMON STOCK

Exchange Fund. At the effective time of the merger, FNB will deposit with the exchange agent certificates representing the shares of FNB common stock and cash to be exchanged for shares of our common stock.

After the effective time of the merger, each holder of a Slippery Rock stock certificate (other than shares for which appraisal rights have properly been perfected under Pennsylvania law and treasury shares), who has surrendered such certificate (or customary affidavits and indemnification regarding the loss or destruction of such certificate) together with duly executed transmittal materials to the exchange agent, will be entitled to receive a certificate representing FNB common stock and/or cash in accordance with the election and allocation procedures described above. See "-- Election Procedure" beginning on page 38 and "-- Allocation of FNB Common Stock and Cash" beginning on page 40.

Holders of our common stock should not submit their Slippery Rock stock certificates for exchange until they receive the transmittal instructions and an election form from the exchange agent.

If your Slippery Rock stock certificate has been lost, stolen or destroyed,

Edgar Filing: FNB CORP/FL/ - Form S-4/A

you may receive shares of FNB common stock if you make an affidavit of that fact. FNB may require that you post a bond in a reasonable amount as an indemnity against any claim that may be made against FNB with respect to the lost, stolen or destroyed Slippery Rock stock certificate.

Until you exchange your Slippery Rock stock certificates, you will not receive any dividends or distributions in respect of any shares of FNB common stock you are entitled to receive in connection with the merger. Once you exchange your Slippery Rock stock certificates for FNB stock certificates, you will receive, without interest, any dividends or distributions with a record date after the effective time of the merger and payable with respect to your shares of FNB common stock, as well as any dividends with respect to our common stock declared before the effective time of the merger but unpaid.

After completion of the merger, no transfers of our common stock issued and outstanding immediately prior to the completion of the merger will be allowed, except as required to settle trades executed prior to the completion of the merger. If certificates representing shares of our common stock are presented for transfer after the completion of the merger, they will be cancelled and exchanged for the merger consideration into which such shares represented by that certificate have been converted.

42

The exchange agent will issue a FNB stock certificate, or a check representing cash, in a name other than the name in which a surrendered Slippery Rock stock certificate is registered only if the surrendered Slippery Rock stock certificate is properly endorsed and otherwise in proper form for transfer and the person requesting such exchange either affixes any requisite stock transfer tax stamps to the surrendered certificate, provides funds for their purchase or establishes to the satisfaction of the exchange agent that such transfer taxes are not payable.

Our stock certificates may be exchanged for cash and/or FNB stock certificates with the exchange agent for up to nine months after the completion of the merger. At the end of that period, any FNB stock certificates and cash will be returned to FNB. Any holders of our stock certificates who have not exchanged their certificates will then be entitled to look only to FNB to seek payment of their claim for cash and/or FNB common stock to be received as merger consideration.

FNB or the exchange agent may be entitled to deduct and withhold from any amounts payable to any holder of shares of our common stock such backup withholding as is required under the Internal Revenue Code of 1986, as amended, or any state, local or foreign tax law or regulation. Any amounts that are withheld will be treated as having been paid to the holder of our common stock.

Neither we nor FNB will be liable to any former holder of our common stock for any shares of FNB common stock or cash that is paid to a public official pursuant to any applicable abandoned property, escheat or similar laws.

RESALE OF FNB COMMON STOCK

The shares of FNB common stock to be issued pursuant to the merger will be registered under the Securities Act, and will be freely transferable, except for shares issued to any Slippery Rock shareholder who may be deemed to be either an affiliate of (i) FNB, at or after the effective time of the merger, for purposes of Rule 144 promulgated under the Securities Act or (ii) Slippery Rock, at the time of our special meeting, for purposes of Rule 145 promulgated under the Securities Act. Affiliates include persons who control, are controlled by or are under common control with Slippery Rock or FNB, as the case may be, and

Edgar Filing: FNB CORP/FL/ - Form S-4/A

generally consist of executive officers, directors and 10% or greater shareholders.

Rule 145 will restrict the sale of FNB common stock received in the merger by affiliates of Slippery Rock and certain of their family members and related interests. Generally speaking, during the year following the effective time of the merger, those persons who are affiliates of Slippery Rock at the time of our special meeting, provided they are not affiliates of FNB at or following the effective time of the merger, may publicly resell any FNB common stock received by them in the merger, subject to certain limitations as to, among other things, the amount of FNB common stock sold by them in any three-month period and the manner of sale. After the one-year period, such affiliates may resell their shares without such restrictions so long as there is adequate current public information with respect to FNB as required by Rule 144.

Persons who are affiliates of FNB after the effective time of the merger may publicly resell the shares of FNB common stock received by them in the merger subject to similar limitations and subject to certain filing requirements specified in Rule 144 and in a manner consistent with FNB's insider trading policy. At the present time, it is anticipated that only two affiliates of Slippery Rock will become directors of FNB Bank. Those individuals will become affiliates of FNB after the merger.

The ability of affiliates to resell shares of FNB common stock received in the merger under Rules 144 or 145 as summarized above generally will be subject to FNB having satisfied its reporting requirements under the Securities Exchange Act of 1934, which we sometimes refer to as the "Exchange Act" in this proxy statement/prospectus, for specified periods prior to the time of sale. Affiliates also would be permitted to resell FNB common stock received in the merger pursuant to an effective registration statement under the Securities Act or another available exemption from the registration requirements of the Securities Act. Neither the registration statement of which this proxy statement/prospectus is a part nor this proxy statement/prospectus cover any resales of FNB common stock received by persons who may be deemed to be affiliates of FNB or Slippery Rock in the merger.

43

We have agreed in the merger agreement to use our reasonable best efforts to identify each person who may be deemed to be our affiliate for purposes of Rule 145 and to cause such person to deliver to FNB, prior to the date of our special meeting, a written agreement intended to ensure compliance with the Securities Act in connection with the sale or other transfer of FNB common stock received in the merger.

INTERESTS OF OUR DIRECTORS AND EXECUTIVE OFFICERS IN THE MERGER

In considering the recommendation of our board of directors that you vote in favor of the approval of the merger proposal, you should be aware that some of our executive officers and directors have interests in the merger that are different from, or in addition to, your interests as our shareholders. Our board of directors was aware of these interests and took them into account in its decision to approve the merger agreement.

These interests relate to or arise from, among other things:

- the continued indemnification of our current directors and executive officers under the merger agreement and providing these individuals with directors' and officers' insurance;
- the anticipated execution of a separation and release agreement between

Edgar Filing: FNB CORP/FL/ - Form S-4/A

us and William C. Sonntag, our President and Chief Executive Officer;

- the anticipated execution of a business development and retention agreement between FNB and Mr. Sonntag;
- the anticipated execution of a non-competition agreement between FNB and Mr. Sonntag;
- the potential receipt of severance payments pursuant to key employee severance agreements;
- the potential for vesting in stock options, retirement benefits, post-employment life insurance and other employee, officer and director benefits that otherwise would terminate or lapse; and
- two members of our board of directors will be appointed to FNB Bank's board of directors.

Indemnification and Directors' and Officers' Insurance. FNB has agreed in the merger agreement that for six years following the effective time of the merger, FNB will indemnify and hold harmless, each of the present and former directors, officers and employees of us and of our subsidiaries, determined as of the effective time of the merger, against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal or administrative, arising out of matters existing or occurring at or prior to the effective time of the merger (including the transactions contemplated by the merger agreement), whether asserted or claimed prior to, at or after the effective time of the merger, to the fullest extent that the person would have been indemnified pursuant to (i) our articles of incorporation and bylaws and (ii) any agreement, arrangement or understanding disclosed by us to FNB, in each case as in effect on the date of the merger agreement.

FNB has also agreed in the merger agreement that for a period of six years after the effective time of the merger, it will cause the persons serving as our directors and officers immediately prior to the effective time of the merger to be covered by the directors' and officers' liability insurance policy we currently maintain. FNB is permitted to provide a substitute insurance policy of at least the same coverage and amounts that contains terms and conditions that are not materially less advantageous than the insurance policy we presently maintain. In no case, however, will FNB be required to expend in any one year an amount in excess of 150% of the annual premium currently paid by us for such insurance (the "Insurance Amount"). If FNB is unable to maintain or obtain such insurance for the Insurance Amount, then FNB will use its reasonable best efforts to obtain the most advantageous coverage as is available for the Insurance Amount.

Separation and Release Agreement with William C. Sonntag. Slippery Rock and William C. Sonntag, our President and Chief Executive Officer, are expected to enter into a separation and release agreement at or

Edgar Filing: FNB CORP/FL/ - Form S-4/A

prior to the effective time of the merger. The principal terms of the separation and release agreement are described below.

Under the separation and release agreement, Mr. Sonntag's employment with us will be terminated on the effective date of the merger. Upon the later of (i) the effective date of the merger, (ii) approval of the separation and release agreement by bank regulatory authorities or (iii) the 8th day after receipt from Mr. Sonntag of a fully signed and dated copy of the agreement, Slippery Rock or FNB, as the case may be, will agree to provide Mr. Sonntag with the following:

- a severance payment equal to 1.5 times Mr. Sonntag's salary and 1.5 times Mr. Sonntag's average bonus for the last three years. The aggregate amount of the severance payment will be approximately \$272,836. However, the amount may be reduced to the extent necessary to avoid an imposition of any excise tax pursuant to Section 4999 of the Internal Revenue Code; and
- a payment for all unused vacation days for the year 2004 equal to approximately \$6,291.68.

In consideration for these payments, Mr. Sonntag will agree to release Slippery Rock, FNB and any affiliated entities, and their respective officers, directors, shareholders, employees and agents, from all claims, demands, suits, causes of action, damages or expenses that Mr. Sonntag has had or may have in the future arising out of his employment with us and the termination of his employment with us.

In addition, at the effective time of the merger, Mr. Sonntag's existing employment agreement with us will be terminated in connection with the execution of the separation and release agreement as described above.

The separation and release agreement is subject to approval, consent or non-objection from the bank regulatory authorities.

Business Retention and Development Agreement with William C. Sonntag. Because Mr. Sonntag possesses important customer knowledge and customer contacts, FNB determined that it was critical to retain Mr. Sonntag's expertise in these areas following the merger. As a result, FNB and Mr. Sonntag are expected to enter into a business retention and development agreement that will be effective upon the later of (i) the completion of the merger or (ii) the approval of such agreement by bank regulatory authorities. The agreement will terminate three years after its effective date. The principal terms of the business retention and development agreement are described below.

Following the completion of the merger, Mr. Sonntag will provide the following services for FNB:

- assistance in identifying, development and generating new business for FNB;

Edgar Filing: FNB CORP/FL/ - Form S-4/A

- assistance in the retention of our existing customers as customers of FNB;
- serving as liaison between FNB and our former market areas and our customers; and
- representing FNB in connection with community affairs and community development outreach initiatives.

In consideration for these services, Mr. Sonntag will receive \$80,000 annually, payable in installments twice a month. Any costs associated with Mr. Sonntag's performance of these services, including telephone, postage, equipment and supplies, will be at his sole expense unless otherwise agreed in advance by FNB. Mr. Sonntag will be reimbursed by FNB for all previously approved expenses such as travel and overnight accommodations.

FNB may terminate the business retention and development agreement at any time if Mr. Sonntag fails to perform his duties under such agreement to the reasonable satisfaction of FNB or if Mr. Sonntag violates such agreement or any other agreement with FNB.

The business retention and development agreement may be subject to approval, consent or non-objection from the bank regulatory authorities.

Non-Competition Agreement with William C. Sonntag. Because of Mr. Sonntag's stature in the greater Slippery Rock area, FNB wants to assure itself that Mr. Sonntag uses his expertise, community relations and

45

presence in the community to bring customers to FNB and is not in a position to compete with FNB. As a result, Mr. Sonntag and FNB are expected to enter into a non-competition agreement that will be effective upon the later of (i) the completion of the merger or (ii) the approval of the non-competition agreement by bank regulatory authorities and will terminate three years later. We refer to this three-year period as the "restricted period." The principal terms of the non-competition agreement as follows:

During the restricted period, Mr. Sonntag will agree not to:

- accept a position as director, employee, consultant, advisor or agent of any competitive enterprise that is located in any county in Pennsylvania in which FNB is then doing business;
- acquire an ownership interest, individually or in concert with others, in a competitive enterprise where such ownership interest would enable Mr. Sonntag to, directly or indirectly, in a substantial manner, control, direct, influence, affect or impact the operations, services or business activities of a competitive enterprise in any county in Pennsylvania in which FNB is then operating an office;
- solicit, divert or entice (i) any customer or existing business of FNB, whom Mr. Sonntag solicited, become aware of or transacted business with, during his engagement by FNB or its predecessors, or (ii) any potential customer or business identified by FNB, whom Mr. Sonntag solicited,

Edgar Filing: FNB CORP/FL/ - Form S-4/A

became aware of or transacted business with, during his engagement by FNB or its predecessors, in each case for the purpose of selling any product or service that competes with a product or service offered by FNB;

- employ or assist in employing any present employee of FNB or any of its affiliates, whether or not such employment is full time or is pursuant to a written contract, for the purpose of having such employee perform services for any competitive enterprise or other organization in competition with the business of FNB or any of its present subsidiaries or affiliates; or
- in any way, directly or indirectly, make any oral or written statement, comment, or other communication designed or intended to impugn, disparage or otherwise malign the reputation, ethics, competency, morality or qualifications of FNB or any of its directors, employees or customers.

In consideration for his covenants not to compete, Mr. Sonntag will receive \$90,960 annually, payable in installments twice a month for three years.

The term "competitive enterprise" is defined in the non-competition agreement as any bank holding company, finance company or insured depository institution, including an institution in the organization stage or in the process of applying for or receiving appropriate regulatory approval, including, without limitation, any federal or state chartered bank, savings bank, savings and loan association, credit union or other financial services provider or non-banking affiliate thereof offering services or products similar to those offered by FNB to its customers.

The non-competition agreement may be subject to approval, consent or non-objection from the bank regulatory authorities.

Key Employee Severance Agreements. Prior to the effective time of the merger, we expect to enter into key employee severance agreements with the following six executive officers: Mark Volponi, Chief Financial Officer; Dale Wimer, Corporate Secretary; Brett Wise, Vice President, Credit Administration; William Stanley, Vice President, Information Technology; Wendy Murphy, Vice President, Branch Administration, Human Resources and Keith Warcup, Vice President, Commercial Lending.

The key employee severance agreements provide that if, within two years following the date of a change of control of us, (i) we or our successors terminate the key employee's employment for any reason other than "cause" or the death of the key employee or (ii) the key employee terminates his employment with us or our successors because the scope of the key employee's authority, duties or responsibilities were materially diminished after the change of control without the key employee's written consent, then the key employee will be entitled to receive:

- a lump-sum payment in an amount equal to the key employee's annual salary on the date of termination and the average of his annual and/or incentive bonuses paid over the three years

46

immediately preceding the date of termination, excluding all other extra pay such as overtime, commissions, premiums and living or other

Edgar Filing: FNB CORP/FL/ - Form S-4/A

allowances;

- reimbursement for out-of-pocket business expenses properly incurred but not yet reimbursed by us or our successor;
- for one year, health, disability, accident and life insurance coverages under group plans then in effect on terms offered to current employees;
- any other amounts earned, accrued or owing but not yet paid and any other benefits in accordance with the terms of any of our plans and programs; and
- outplacement assistance for one year.

The key employees will receive the benefits described above only if they sign and do not revoke a release of all claims in a form acceptable to us or our successors, as the case may be. In addition, the key employees will not receive such benefits if their employment terminates for "cause" or upon death or resignation prior to the occurrence of a change of control.

The key employees, during their employment by us or by our successors, as the case may be, and for a period of one-year following a change of control, will not, without the prior written consent of the board of directors of FNB:

- solicit, divert or entice (i) any customer or existing business of Slippery Rock whom the key employee solicited, became aware of or transacted business with during his employment with us or our predecessors or (ii) any potential customer or business identified by us, with whom he solicited, became aware of or transacted business with during his engagement by us or our predecessors, in each case for the purpose of selling any product or service that competes with a product or service offered by us or our present or future subsidiaries or affiliates; or
- employ or assist in employing any of our present employees or any of our affiliates, whether or not such employment is full time or is pursuant to a written contract, for the purpose of having such employee perform services for any competitive enterprise or other organization in competition with our business or any of our present subsidiaries or affiliates.

The merger with FNB will be deemed a change of control with the meaning of the key employee severance agreements.

The key employee severance agreements are subject to approval, consent or non-objection from the bank regulatory authorities. Two other key employees of Slippery Rock Bank, John J. Boczar, Vice President, Wealth Management and Wayne A. Grinnik, Senior Vice President and Chief Lending Officer, have similar agreements with us.

Change in Control Severance Benefits Agreements. We entered into a change in control severance benefit agreement with John Boczar on July 12, 2001 and a change in control severance benefit agreement with Wayne Grinnik on December 18, 2002. The terms of these agreements provide that if, within two years following the date of a change of control of us, (i) we or our successors terminate the key employee's employment for any reason other than the death, disability, normal retirement or conviction of a felony of the employee or (ii) the employee

Edgar Filing: FNB CORP/FL/ - Form S-4/A

terminates his employment with us or our successors because of a change in the employee's duties, responsibilities, status, title or office; a reduction in the employee's annual salary; a material diminution in benefits; or a breach or failure to obtain successor assumption of the agreement, then the employee will be entitled to receive:

- a lump-sum payment in an amount equal to the employee's annual base salary on the date of termination (or date of the change in control if higher);
- reimbursement for legal expenses incurred attempting to obtain severance benefits;

47

- for one year, health, disability, accident and life insurance coverages substantially similar to that in effect at time of termination, reduced to the extent the employee obtains coverage from a subsequent employer; and
- any other amounts earned, accrued or owing but not yet paid and any other benefits in accordance with the terms of any of our plans and programs.

These agreements may also require the approvals of the OCC and the FDIC before any severance benefits may be paid.

Executive Supplemental Life Insurance. We provide supplemental life insurance coverage for our executives that continues after termination of employment, provided that the executive's employment terminates after age 65, after age 55 with age plus service equaling at least 70, due to disability or after a change in control. In the case of vice presidents and above, the insurance benefit is two times last annual base salary, and, in the case of other officers, it is one times last annual base salary. This benefit will vest for 40 of our officers as a result of the change in control.

FNB Bank Board of Directors. FNB has agreed to add two current members of our board of directors to the existing board of directors of FNB Bank two current members of our board of directors, as mutually agreed by FNB and us. Our designees will serve until the first annual meeting of shareholders of FNB Bank following the effective time of the merger. Our directors who serve on FNB Bank's board of directors are expected to be compensated for their services in that capacity in accordance with FNB Bank's standard director compensation policy. See "-- Board of Directors of FNB and FNB Bank Following the Merger" below.

Acceleration and Conversion of Stock Options. All converted stock options

Edgar Filing: FNB CORP/FL/ - Form S-4/A

to purchase shares of our common stock held by our directors and executive officers will become fully-vested and exercisable prior to the merger and, if not exercised prior to the merger, will be converted automatically into fully-vested stock options to purchase shares of FNB common stock at the time of the completion of the merger. As of the date of our special meeting, our executive officers and directors are expected to hold unvested stock options to purchase a total of approximately 48,893 shares of our common stock with exercise prices ranging from \$14.14 per share to \$19.50 per share.

401(k) Retirement Plan. Under the Slippery Rock Bank 401(k) Profit Sharing Plan (the "401(k) Plan"), all employer contribution accounts will become fully vested upon the termination of the 401(k) Plan. We have agreed to terminate the 401(k) Plan immediately prior to the effective time of the merger. Of our senior management who participate in the 401(k) Plan, two are not currently fully-vested in their employer contribution accounts. The aggregate employer contribution account balances for these two individuals who will become vested in the event the 401(k) Plan is terminated is approximately \$3,400.

Other than as set forth above, no director or executive officer of Slippery Rock has any direct or indirect material interest in the merger, except insofar as ownership of Slippery Rock common stock might be deemed such an interest.

BOARDS OF DIRECTORS OF FNB AND FNB BANK FOLLOWING THE MERGER

The board of directors of FNB immediately prior to the effective time of the merger will be the board of directors of FNB following the closing of the merger. At the closing of the merger, FNB has agreed to add to the existing board of directors of FNB Bank two current members of our board of directors mutually agreed upon by FNB and us. Our designees will serve until the first annual meeting of shareholders of FNB Bank following the effective time of the merger. FNB Bank anticipates that its first annual shareholder meeting following the effective time of the merger will be its 2005 annual meeting.

FNB has also agreed, subject to the fiduciary duties of FNB Bank's board of directors, that FNB Bank will include our designees on the list of nominees for directors presented by FNB Bank's board of directors for its 2005 annual meeting.

48

FNB has also agreed, subject to the fiduciary duties of FNB Bank's board of directors, that if one of our designees dies or becomes incapacitated prior to the closing of the merger, our remaining designee will recommend to the FNB Bank board of directors a person to serve as successor, provided that person is reasonably acceptable to the FNB Bank board of directors.

FNB has agreed, subject to the fiduciary duties of FNB Bank's board of directors, that if, during the term prior to the FNB Bank 2005 annual meeting or the term immediately following the FNB Bank 2005 annual meeting any one of our designees vacates his seat on the FNB Bank board of directors for any reason, it will appoint one of our current directors to replace the vacating director. In addition, if there is a vacancy on FNB Bank's board of directors during the first initial term or the longest term to which any of our designees is elected at the FNB Bank 2005 annual meeting, FNB has agreed that FNB Bank will consider one of our current directors to fill the vacancy, provided that FNB Bank is not obligated to appoint one of our current directors to its board of directors under such circumstances.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

REGULATORY APPROVALS REQUIRED FOR THE MERGER

Completion of the merger is subject to several federal bank regulatory agency filings and approvals. The merger cannot be completed unless FNB, FNB Bank and Slippery Rock Bank receive prior approvals or exemptions from the OCC and the Federal Reserve Board.

Neither FNB nor we can predict whether or when the required regulatory approvals or exemptions will be obtained. As of the date of this proxy statement/prospectus, all applications and requests for waivers or exemptions were filed with the FDIC, the OCC and the Federal Reserve Board.

Federal Reserve Board. Because FNB and we are bank holding companies registered under the Bank Holding Company Act of 1956, as amended, the merger is subject to prior approval or waiver from the Federal Reserve Board under Section 3 of the Bank Holding Company Act.

Office of the Comptroller of the Currency. The merger of Slippery Rock Bank with and into FNB is subject to the prior approval of the OCC under the Bank Merger Act. On July 16, 2004, FNB and FNB Bank filed its application for the bank merger with the OCC. In reviewing applications under the Bank Merger Act, the OCC must consider, among other factors, the financial and managerial resources and future prospects of the existing and proposed institutions, the convenience and needs of the communities to be served and the effectiveness of both institutions in combating money laundering. In addition, the OCC may not approve a transaction:

- that will result in a monopoly or be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States;
- if its effect in any section of the country may be substantially to lessen competition or tend to create a monopoly; or
- if it would in any other manner be a restraint of trade,

unless the OCC finds that the anticompetitive effects of the transaction are clearly outweighed by the public interest and the probable effect of the transaction on meeting the convenience and needs of the communities to be served.

Under the Community Reinvestment Act, the OCC must also take into account the record of performance of each of the merging banks in meeting the credit needs of the entire community, including low and moderate income neighborhoods served by each institution. As part of the merger review process, the federal supervisory agencies frequently receive comments and protests from community groups and others. Each of Slippery Rock Bank and FNB Bank received "Satisfactory" or "Outstanding" performance ratings in their most recent Community Reinvestment Act evaluations.

The OCC is also authorized to, but generally does not, hold a public hearing or meeting in connection with an application under the Bank Merger Act. A decision by the OCC that such a hearing or meeting would

Edgar Filing: FNB CORP/FL/ - Form S-4/A

be appropriate regarding any application could prolong the period during which the application is subject to review.

Mergers approved by the OCC under the Bank Merger Act, with certain exceptions, may not be consummated until 30 days after such approval, during which time the United States Department of Justice may challenge such transaction on antitrust grounds and may require the divestiture of certain assets and liabilities. With the approval of the OCC and the Department of Justice, the waiting period may be, and customarily is, reduced to no less than 15 days. There can be no assurance that the Department of Justice will not challenge the merger or, if such a challenge is made, as to the result of such challenge.

Other Regulatory Approvals. FNB and Slippery Rock are not aware of any other regulatory approvals that would be required for completion of the merger or the bank merger except as described above. Should any other approvals be required, it is presently contemplated that such approvals would be sought. There can be no assurance, however, that any other approvals, if required, will be obtained.

There can be no assurance that the regulatory authorities described above will approve the merger or the bank merger, and if such transactions are approved, there can be no assurance as to the date such approvals will be received. In any event, FNB and Slippery Rock do not expect to obtain all required regulatory approvals until during the third quarter of 2004. The merger cannot proceed in the absence of the receipt of all requisite regulatory approvals and the expiration of statutory antitrust waiting periods. See "The Merger Agreement -- Conditions to Completion of the Merger" beginning on page 59 and "The Merger Agreement -- Amendment, Waiver and Termination of the Merger Agreement" beginning on page 60.

The approval of any application merely implies the satisfaction of regulatory criteria for approval, which do not include review of the merger from the standpoint of the adequacy of consideration to be received by our shareholders. Further, regulatory approvals do not constitute an endorsement or recommendation of the merger.

PUBLIC TRADING MARKETS

FNB common stock is listed on the New York Stock Exchange under the symbol "FNB." Our common stock is currently traded in the local over-the-counter market and its price is quoted on the OTC Bulletin Board under the symbol "SRCK". Upon completion of the merger, our common stock will no longer be quoted on the OTC Bulletin Board and will be deregistered under the Exchange Act. The FNB common stock issuable pursuant to the merger agreement will be listed on the New York Stock Exchange.

The shares of FNB common stock to be issued in connection with the merger will be freely transferable under the Securities Act, except for shares issued to any of our shareholders that may be deemed either to be an affiliate of (i) FNB at or after the effective time of the merger or (ii) us at the time of our special meeting, as discussed in "-- Resale of FNB Common Stock" beginning on page 43.

As reported on the NYSE, the closing price per share of FNB common stock on July 20, 2004 was \$20.43. The closing bid price per share of our common stock on July 20, 2004 was \$27.50. Based on the FNB closing price per share and the

Edgar Filing: FNB CORP/FL/ - Form S-4/A

exchange ratio, the implied per share value of our common stock was \$28.81 as of that date.

FNB DIVIDENDS

During 2003, FNB paid cash dividends on its common stock, as adjusted to reflect the 5% stock dividend declared on April 28, 2003, totaling \$0.93 per share, and cash dividends of \$.23 per share for each of the first two quarters of 2004. Based on the 1.41 share exchange ratio and FNB's current dividend rate, holders of our common stock would experience an anticipated annual dividend rate increase of approximately 115% (from \$.60 to approximately \$1.29) per share of our common stock equivalent). FNB currently pays a quarterly cash dividend of \$0.23 per share, although the FNB board of directors may change this dividend policy at any time.

50

FNB shareholders are entitled to receive cash dividends when and if declared by the FNB board of directors out of funds legally available for dividends. The FNB board of directors will periodically consider the payment of dividends, taking into account FNB's financial condition and level of net income, FNB's future prospects, economic conditions, industry practices and other factors, including applicable banking laws and regulations.

The primary source of FNB's funds for cash dividends to its shareholders is dividends received from its subsidiaries, including FNB Bank. FNB Bank is subject to various regulatory policies and requirements relating to the payment of dividends to FNB, including requirements to maintain capital above regulatory minimums. The appropriate federal regulatory authority is authorized to determine under certain circumstances relating to the financial condition of a bank or bank holding company that the payment of dividends would be an unsafe or unsound practice and to prohibit payment thereof. In addition, the ability of FNB and the ability of FNB Bank to pay dividends may be affected by the various minimum capital requirements and the capital and non-capital standards established under Federal Deposit Insurance Corporation Improvement Act of 1991.

APPRAISAL RIGHTS OF DISSENTING SHAREHOLDERS

Appraisal rights are statutory rights that enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction.

A holder of shares of our common stock is entitled to exercise the rights under Subchapter D of the BCL, which we refer to as "Subchapter D" in this proxy statement/prospectus, to object to the merger and to make a written demand that we pay in cash the fair value of the shares held by the shareholder as determined in accordance with Subchapter D. The following summary does not purport to be a complete statement of the provisions of Subchapter D and is qualified in its entirety by reference to the provisions of Subchapter D, which are set forth in full as Appendix C to this proxy statement/prospectus.

The fair value of our shares of common stock is defined in Subchapter D as the fair value of the shares immediately before the effective time of the merger, taking into account all relevant factors, but excluding any appreciation or depreciation in anticipation of the merger. You should recognize that the fair value could be more than, the same as or less than the merger consideration

Edgar Filing: FNB CORP/FL/ - Form S-4/A

of 1.41 shares of FNB common stock or \$28.00 in cash per share of our common stock that a shareholder will receive under the terms of the merger agreement if the shareholder does not exercise appraisal rights with respect to the shareholder's shares. Opinions of investment banking firms as to the fairness from a financial point of view of consideration received in a merger, such as the opinion issued by Griffin, are not necessarily determinative of fair value under Subchapter D.

Except as otherwise provided below, only a record holder of shares of our common stock is entitled to assert appraisal rights with respect to the shares registered in the holder's name. A record holder, such as a broker or depository nominee, who holds shares as a nominee for others, may exercise appraisal rights with respect to all (but not less than all) of the shares held for one or more beneficial owners, while not exercising the rights for other beneficial owners. The demand for payment described below must show the name and address of the person or persons on whose behalf the appraisal rights are being exercised. A beneficial owner who is not a record holder who wishes to exercise appraisal rights may do so only if the shareholder submits a written consent of the record holder with his demand for payment. Accordingly, if you are a beneficial owner of shares, you are advised to consult promptly with your record holder as to the timely exercise of appraisal rights. A beneficial owner may not assert appraisal rights with respect to some but less than all shares owned by him, whether or not all of the shares so owned by him are registered in his name.

51

To exercise appraisal rights and obtain payment of the fair value of his shares, a shareholder must satisfy all the following conditions:

- He must notify us in writing before date of our special meeting of his intention to demand that he be paid the fair value for his shares if the merger is consummated. Neither a proxy nor a vote against the merger will constitute the required notice.
- He must make no change in the beneficial ownership of his shares from the date he files the written notice continuously through the effective time of the merger.
- He must refrain from voting his shares in favor of the merger. Neither an abstention from voting with respect to, nor a failure to vote in person or by proxy against approval of, the merger proposal will constitute a waiver of a shareholder's appraisal rights. However, a signed proxy that is returned without any instruction as to how the proxy should be voted will be voted in favor of the merger proposal and will be deemed to be a waiver of the shareholder's appraisal rights.

A notice of intention to demand payment must clearly state that the shareholder intends to demand that he be paid the fair value of his shares if the merger is consummated, must provide the name, address and telephone number of the shareholder making the demand and must be sent to us. A shareholder who exercises appraisal rights will retain all of his other rights as a shareholder until the merger is consummated.

If the merger is approved at our special meeting, we will mail to each shareholder who complied with the procedures listed above a notice stating where and when a demand for payment of the fair value of one's shares must be sent, and where and when stock certificates must be deposited to obtain payment of the fair value. The notice will be accompanied by a demand for payment form, which will include a request that the shareholder certify the date on which he (or the person on whose behalf the shareholder exercises appraisal rights) acquired beneficial ownership of the shares. A shareholder exercising appraisal rights

Edgar Filing: FNB CORP/FL/ - Form S-4/A

will have 30 days from the date that we mail the notice to send in his demand for payment form and to deposit his stock certificate. If a shareholder fails to send in his demand for payment or stock certificate on a timely basis, the shareholder will lose his appraisal rights under Subchapter D, but will retain all other rights as a shareholder until the merger is consummated.

If the merger has not been effectuated within 60 days after the date set for demanding payment and depositing certificates, we will return any certificates that have been deposited. Once the deposited certificates are returned, we may thereafter send a new notice to demand payment, which will have the same effect as the original notice.

Promptly after completion of the merger, or upon timely receipt of demand for payment if the merger has already been effectuated, we will either remit to shareholders who have made a demand and have deposited their stock certificates the amount we estimate to be the fair value of the shares, or give written notice that no remittance will be made. The remittance or notice must be accompanied by the following documents:

- Our closing balance sheet and statement of income for the fiscal year ending not more than 16 months before the date of remittance or notice, together with our latest available interim financial statements;
- A statement of our estimate of the fair value of the shares; and
- A notice of the right of the shareholder to demand payment or supplemental payment, as the case may be, accompanied by a copy of Subchapter D.

If we do not remit the amount of our estimate of the fair value of the shares, we will return all stock certificates that the shareholders have deposited. We may make a notation on any of the certificates that a demand for payment has been made. If shares with respect to which a notation has been so made are transferred, a transferee of the shares will not acquire by virtue of the transfer any rights in the shares other than those that the original shareholder had after making a demand for payment.

If we give notice of our estimate of the fair value of the shares without remitting payment, or if we remit payment of the amount for any shareholder's shares and the shareholder believes that the amount stated or remitted is less than the fair value of his shares, he may elect to send to us his own estimate of the fair value of

52

the shares, which will be deemed a demand for payment of the amount of the deficiency. If a shareholder does not file his own estimate within 30 days after our mailing of our remittance or notice, the shareholder will be entitled to no more than the amount stated on the notice or remitted to him by us.

If any demand for payment remains unsettled within 60 days after the latest to occur of: (i) completion of the merger, (ii) timely receipt of any demands for payment or (iii) timely receipt of any estimates by shareholders of the fair value of their shares, we may file an application for relief in court requesting that the fair value of the shares be determined by the court. While we do not anticipate filing an application for the court to determine the fair market value of the shares, if we elected to file an application, the court's determination of the fair market value of the shares may be higher or lower than the merger consideration.

Any shareholder who exercises appraisal rights, wherever residing, whose demand has not been settled, will be made a party to the proceeding. A copy of

Edgar Filing: FNB CORP/FL/ - Form S-4/A

the application for relief will be served on each such shareholder. If a shareholder is a nonresident of Pennsylvania, the application will be served in the manner provided or prescribed by or under applicable provisions of Pennsylvania law relating to bases of jurisdiction and interstate and international procedure. The jurisdiction of the court will be plenary and exclusive. The court may appoint an appraiser to receive evidence and recommend a decision on the issue of fair value. The appraiser will have the power and authority that is specified in the order of appointment or in any amendment of the order. Each shareholder who is made a party will be entitled to recover the amount by which the fair value of his shares is found to exceed the amount, if any, previously remitted, plus interest from the effective time of the merger until the date of payment. Interest will be at a rate that is fair and equitable under all of the circumstances, taking into account all relevant factors.

If we fail to file an application for relief, any shareholder who made a demand for payment and who has not already settled his claim against us may file an application for relief in our name at any time within 30 days after the expiration of the 60-day period referred to above. If a shareholder does not file an application within the 30-day period, the shareholder will be paid our estimate of the fair value of his shares and no more, and may bring an action to recover any amount not previously remitted.

In general, the costs and expenses of any valuation proceeding, including the reasonable compensation and expenses of any appraiser appointed by the court, will be determined by the court and assessed against us. However, any part of the costs and expenses may be apportioned and assessed as the court deems appropriate against all or some of the shareholders who are parties to the proceeding and whose action in demanding supplemental payment the court finds to be dilatory, obdurate, arbitrary, vexatious or in bad faith. If the court finds that the services of counsel for any shareholder were of substantial benefit to other shareholders similarly situated and should not be assessed against us, it may award to those counsel reasonable fees to be paid out of the amounts awarded to the shareholders who were benefited.

From and after the effective time of the merger, shareholders exercising their appraisal rights will not be entitled to receive payment of dividends or other distributions on their shares of our common stock.

ANY SHAREHOLDER CONSIDERING EXERCISING APPRAISAL RIGHTS UNDER SUBCHAPTER D IS ADVISED TO CONSULT WITH LEGAL COUNSEL. A SHAREHOLDER WHO FAILS TO FOLLOW WITH PARTICULARITY ALL OF THE STEPS REQUIRED TO PRESERVE AND PERFECT HIS APPRAISAL RIGHTS LOSES THE RIGHT TO SEEK APPRAISAL UNDER SUBCHAPTER D, IN WHICH EVENT, UPON THE SURRENDER OF CERTIFICATES REPRESENTING SHARES OF OUR COMMON STOCK HELD BY THE SHAREHOLDER, THE SHAREHOLDER WILL RECEIVE THE PER SHARE MERGER CONSIDERATION SET FORTH IN THE MERGER AGREEMENT WITHOUT INTEREST FOR THE SHARES HE HOLDS, SUBJECT TO THE ALLOCATION PROVISIONS IN THE MERGER AGREEMENT.

THE MERGER AGREEMENT

The following section describes certain aspects of the merger, including material provisions of the merger agreement. The following description of the merger agreement is subject to, and qualified in its entirety by reference to, the merger agreement, which is included as Appendix A to this proxy statement/prospectus and is incorporated by reference in this proxy statement/prospectus. We urge you to read the merger agreement carefully and in its entirety.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

The merger agreement provides for the merger of Slippery Rock with and into FNB. FNB will be the surviving corporation in the merger. Each share of our common stock issued and outstanding immediately prior to the completion of the merger, except for shares of our common stock held by FNB or shares as to which appraisal rights are perfected, will be converted into the right to receive, at the election of the Slippery Rock shareholder, subject to the allocation provisions in the merger agreement, either 1.41 shares of FNB common stock or \$28.00 in cash.

Our shareholders may elect whether they want to receive all FNB common stock, all cash or a combination of cash and FNB common stock. However, shareholder elections are subject to possible proration because the allocation procedures in the merger agreement provide that 15% of the shares of our common stock will be exchanged for cash and 85% of the shares of our common stock will be exchanged for 3,283,725 shares of FNB common stock. The actual allocation of cash and FNB common stock will be dependent on the elections made by our shareholders and may result in a Slippery Rock shareholder receiving a mixture of FNB common stock and cash regardless of that shareholder's choice. See "The Merger -- Election Procedure" beginning on page 38.

TREATMENT OF SLIPPERY ROCK STOCK OPTIONS

The merger agreement provides that, upon completion of the merger, each outstanding and unexercised stock option to acquire shares of our common stock will cease to represent the right to acquire or receive shares of our common stock and will be converted into, and become a right, to acquire the number of shares of FNB common stock equal to the number of shares of our common stock covered by the option times the exchange ratio, with the exercise price of each converted stock option equaling the per share exercise price of our stock option divided by the exchange ratio.

FNB has agreed to assume our obligations with respect to our stock options that are converted into FNB stock options in accordance with the terms of the plans under which they have been granted. FNB has agreed to reserve additional shares of FNB common stock to satisfy its obligations under the converted stock options. If necessary, FNB will file a registration statement with the SEC on an appropriate form to the extent necessary to register FNB common stock subject to the converted stock options.

CLOSING AND EFFECTIVE TIME OF THE MERGER

The merger will be completed only if all of the following occur:

- our shareholders approve and adopt the merger agreement;
- we obtain all required governmental and regulatory consents and approvals; and
- all other conditions to the merger discussed in this proxy statement/prospectus and the merger agreement are either satisfied or waived.

The merger will become effective when articles of merger are filed with the Secretary of State of the State of Florida and with the Secretary of the Commonwealth of the Commonwealth of Pennsylvania. In the merger agreement, we have agreed to cause the completion of the merger to occur no later than the fifth business day following the satisfaction or waiver of the last of the conditions specified in the merger agreement, or on another mutually agreed date, provided that such date shall not be less than 10 days following our special meeting. It currently is anticipated that the effective time of the

Edgar Filing: FNB CORP/FL/ - Form S-4/A

merger will occur on or about October 1, 2004, but we cannot guarantee when or if the merger will be completed. FNB's articles of incorporation and FNB's bylaws as in effect immediately prior to the effective time will be FNB's articles of incorporation and FNB's bylaws upon completion of the merger.

REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS

The merger agreement contains generally reciprocal customary representations and warranties of Slippery Rock and FNB relating to their respective businesses. No representation or warranty will be deemed untrue or

54

incorrect as a consequence of the existence or absence of any fact, event or circumstance unless that fact, event or circumstance has had or is reasonably likely to have a material adverse effect on the party making the representation or warranty, disregarding any materiality or material adverse effect qualifications in any representations or warranties. The representations in the merger agreement do not survive the effective time of the merger.

Each of FNB and Slippery Rock has made representations and warranties regarding, among other things:

- corporate matters, including due organization, qualification and authority;
- capitalization;
- subsidiaries;
- corporate power and authority to conduct its business;

We have agreed to certain customary covenants that place restrictions on us and our subsidiaries until the effective time of the merger. In general, we agree to:

- enter into any derivative contract;

indebtedness of any other person or prepay any indebtedness;

- other than in the ordinary course of business, acquire any debt security or equity security other than federal funds or United States Government or agency securities with a term of one year or less or restructure or materially change our investment securities portfolio or gap position;
- other than in the ordinary course of business, make, renew or otherwise modify any loan, loan commitment or other extension of credit, provided that we may not make, renew or otherwise modify (i) any loan (other than a permanent loan secured by an owner-occupied 1-4 family single-family residence) with a principal balance in excess of \$250,000, (ii) any permanent loan secured by an owner-occupied 1-4 single-family residence with a principal balance in excess of \$333,700 or (iii) any loan that contains terms that involve an exception to our credit policy manual;
- other than in the ordinary course of business, make any investment or commitment to invest in real estate or a real estate development project other than in foreclosures, acquisitions in a fiduciary capacity or in satisfaction of a debt previously contracted;
- take any action that would, or is reasonably likely to, prevent the merger from qualifying as a reorganization;
- fail to hold our special meeting;

FNB agrees that, except with our prior written consent, FNB will not, among other things, undertake the following actions:

- take any action that would, or is reasonably likely to, prevent the merger from qualifying as a reorganization;
- take any action that is intended, or is reasonably likely to, result in:
 - any representations or warranties under the merger agreement becoming untrue in any material respect;
 - any of the conditions to the merger not being satisfied; or
 - a material violation of the merger agreement or the bank merger agreement; or
- take any action that would adversely affect or materially delay necessary governmental or regulatory approvals, or our ability to perform our covenants and agreements under the merger agreement or to consummate the transactions contemplated by the merger agreement.

The merger agreement also contains mutual covenants relating to the preparation of this proxy statement/prospectus and the holding of our special meeting of shareholders, access to information of the

Edgar Filing: FNB CORP/FL/ - Form S-4/A

contemplated by the merger agreement.

DECLARATION AND PAYMENT OF DIVIDENDS

We have agreed that, until the merger is completed, we will not pay or make any dividends or distributions on our common stock other than regular quarterly cash dividends not in excess of \$0.15 per share of our common stock. FNB and we also have agreed to coordinate declaration of dividends so that holders of our common stock will not receive two dividends, or fail to receive one dividend, for any quarter with respect to their Slippery Rock common stock and any FNB common stock any holder receives in the merger.

AGREEMENT NOT TO SOLICIT OTHER OFFERS

We have also agreed that we, our subsidiaries and our and their officers, directors, employees, agents and representatives will not, directly or indirectly:

- initiate, solicit, encourage or take any action to facilitate any inquiries or proposals for any "Acquisition Proposal", as defined below; or
- participate in any discussions or negotiations, furnish any information to, or approve, recommend or enter into any agreement, regarding any "Acquisition Proposal."

However, prior to the effective time of the merger, we may consider and participate in discussions and negotiations with respect to a "Superior Proposal", as defined below, if:

- we have first entered into a confidentiality agreement with the party proposing the Superior Proposal on terms comparable to our confidentiality agreement with FNB; and
- our board of directors concludes in good faith, after consultation with our outside legal counsel and our financial advisor, that failure to take these actions would cause our board of directors to violate its fiduciary duties to our shareholders. We have also agreed, at least 72 hours prior to providing any information to any person or entering into any discussions or negotiations with any person, to notify FNB in writing of the name of such person and the material terms and conditions of any such Superior Proposal. The merger agreement permits our board of directors to withdraw or qualify its recommendation of our merger with FNB if our board of directors concludes in good faith, after consultation with our outside counsel and financial advisors, that failure to take such actions would breach its fiduciary duties to our shareholders.

We have agreed:

- to notify FNB promptly, and in any event within 24 hours, after we receive any Acquisition Proposal, or any material change to any Acquisition Proposal or any request for nonpublic information relating to us, and to provide FNB with relevant information regarding the Acquisition Proposal or request;
- to keep FNB fully informed, on a current basis, of any material changes in the status and any material changes in the terms of any such Acquisition Proposal; and
- to cease any existing discussions or negotiations with any persons with respect to any Acquisition Proposal.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

As used in the merger agreement, an "Acquisition Proposal" means any inquiry, proposal, offer, regulatory filing or disclosure of an intention to do any of the foregoing regarding any:

- direct or indirect acquisition of a substantial portion of the net revenues, net income or net assets of us or any of our subsidiaries;
- direct or indirect acquisition of 10% or more of the voting power of our common stock;
- tender offer or exchange offer that if consummated would result in any person beneficially owning 10% or more of our common stock; or

58

- merger, consolidation, business combination, recapitalization, liquidation or dissolution involving us, other than our proposed merger with FNB.

As used in the merger agreement, "Superior Proposal" means any bona fide, unsolicited written Acquisition Proposal made by a third party to acquire more than 50% of the voting power of our then outstanding shares of common stock or all or substantially all of our consolidated assets for a consideration consisting of cash and/or securities that is on terms that our board of directors in good faith concludes, after consultation with our financial advisors and outside counsel, and taking into account, among other things, all legal, financial, regulatory and other respects of the proposal and the person making the proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation:

- are more favorable from a financial point of view to our shareholders than the terms of the proposed merger with FNB;
- have financing, to the extent required, that is fully committed or reasonably determined to be available; and
- make the transaction reasonably capable of being completed.

EXPENSES AND FEES

In general, each of FNB and Slippery Rock will be responsible for all expenses incurred by it in connection with the negotiation and completion of the transactions contemplated by the merger agreement. However, the costs and expenses of printing and mailing this proxy statement/prospectus, and all filing and other fees paid to the SEC in connection with the merger, will be shared equally by FNB and us.

CONDITIONS TO COMPLETION OF THE MERGER

Our respective obligations to complete the merger are subject to the fulfillment or waiver of certain conditions, including:

- the approval and adoption of the merger agreement and the approval of the merger by our shareholders;
- the receipt and effectiveness of all governmental and other approvals, registrations and consents, and the expiration of all related waiting periods required to complete the merger;
- the absence of any law, statute, regulation, judgment, decree, injunction or other order in effect by any court or other governmental entity that

Edgar Filing: FNB CORP/FL/ - Form S-4/A

prohibits completion of the transactions contemplated by the merger agreement;

- the registration statement with respect to the FNB common stock to be issued in the merger shall have become effective under the Securities Act and no stop order or proceedings for that purpose will have been initiated or threatened by the SEC;
- the approval of the listing of the FNB common stock to be issued in the merger on the New York Stock Exchange, subject to official notice of issuance;
- the truth and correctness of the representations and warranties of FNB and Slippery Rock in the merger agreement, subject to the materiality standard provided in the merger agreement, and the performance by each of us in all material respects of our obligations under the merger agreement and the receipt by each of us of certificates from the other to that effect; and
- the receipt by each of FNB and Slippery Rock of a legal opinion with respect to certain federal income tax consequences of the merger.

We cannot provide assurance as to when or if all of the conditions to the merger can or will be satisfied or waived by the appropriate party. As of the date of this proxy statement/prospectus, we have no reason to believe that any of these conditions will not be satisfied.

59

AMENDMENT, WAIVER AND TERMINATION OF THE MERGER AGREEMENT

Subject to applicable law, FNB and Slippery Rock may amend the merger agreement by written agreement authorized by their boards of directors. However, after approval of the merger proposal by our shareholders, there may not be, without further approval of our shareholders, any amendment of the merger agreement that requires such further approval. Either party to the merger agreement may waive any inaccuracies in the representations and warranties of the other party, or, subject to applicable law, may waive compliance by the other party with any of the other agreements or conditions contained in the merger agreement. The merger agreement may be terminated at any time prior to closing by mutual consent and by either party in the following circumstances:

- if any of the required regulatory approvals for the merger are denied and the denial is final and nonappealable;
- if the merger has not been completed by February 28, 2005, unless the failure to complete the merger by that date is due to the terminating party's actions;
- provided the terminating party is not then in material breach, if there is a breach by the other party that would cause the failure of the closing conditions described above, unless the breach is capable of being, and is, cured within 30 days of notice of the breach; or
- if our shareholders do not approve and adopt the merger agreement and approve the merger by the requisite vote, provided that we are not in material breach of our covenant to hold our special meeting and our board of directors is not in breach of its covenant to recommend such approval.

FNB may terminate the merger agreement at any time prior to our special meeting in the following circumstances:

Edgar Filing: FNB CORP/FL/ - Form S-4/A

- if we have breached in any material respect our obligations with respect to Acquisition Proposals and Superior Proposals as described on pages 58 and 59;
- if we have failed to have our board of directors recommend that our shareholders approve and adopt the merger agreement and approve the merger, or if our board of directors has withdrawn or modified its recommendation in a manner adverse to FNB; or
- if we have breached in any material respect our obligation to hold our special meeting.

We may terminate the merger agreement during the two-day period following receipt of the last required bank regulatory authority approval if both of the following conditions apply:

- if the average closing price of FNB common on the New York Stock Exchange as reported in The Wall Street Journal for the 20 consecutive trading days preceding the commencement of the aforesaid two-day period is less than the product of 0.800 and the closing price of FNB common stock on May 7, 2004 (\$19.23); and
- if the number obtained by dividing such average closing price by the closing price of FNB common stock on May 7, 2004 (\$19.23) is less than the number obtained by dividing the price of the Nasdaq Bank Index on the date of commencement of the aforesaid two-day period by the price of the Nasdaq Bank Index on May 7, 2004.

The merger agreement also provided us with certain rights to terminate the merger agreement until the date of mailing of this proxy statement/prospectus in connection with a Superior Proposal. We did not exercise these rights.

60

EFFECT OF TERMINATION; BREAK-UP FEE

If the merger agreement is terminated, it will become void, and there will be no liability on the part of FNB or us, except that:

- termination will not relieve a breaching party from liability for any willful breach giving rise to the termination; and
- the confidentiality agreement between the parties will survive termination.

We are obligated under the merger agreement to pay FNB a break-up fee of \$4,250,000 in the following three circumstances:

- if FNB terminates the merger agreement prior to our special meeting because we have breached our obligations with respect to Acquisition Proposals or Superior Proposals in a manner adverse to FNB, our board of directors refuses to or withdraws its recommendation of the merger proposal or we fail to hold our special meeting;
- if we terminate the merger agreement and accept an Acquisition Proposal that is a Superior Proposal prior to the date of our special meeting and, after giving FNB an opportunity to adjust the terms of the merger agreement such that the Acquisition Proposal no longer remains a Superior

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Proposal, the Acquisition Proposal remains a Superior Proposal; or

- if FNB or we terminate the agreement because our shareholders did not approve the merger proposal provided that an Acquisition Proposal shall have been made after May 5, 2004 and prior to such termination that shall not have been withdrawn prior to such termination and within 12 months following such termination we merge with or are acquired by a third party or a third party acquires more than 50% of our common stock or other specified events occur within such time period.

EMPLOYEE BENEFIT PLANS

The merger agreement provides that as soon as administratively practicable after completion of the merger FNB will provide our employees with benefits and compensation plans that are equivalent to those provided to similarly situated FNB employees. Eligible Slippery Rock employees whose employment is terminated at any time during the first year following completion of the merger will be entitled to receive severance benefits in accordance with the terms of a schedule to the merger agreement.

FNB will generally provide our employees with service credit for their service with us for purposes of eligibility, participation, vesting and levels of benefits, but generally not for benefit accruals under defined benefit pension plans, under the employee benefit and compensation plans of FNB in which such employees are eligible to participate following the merger. FNB has agreed to waive specified exclusions and limitations under its welfare benefit plans in which our employees are eligible to participate following the merger under the corresponding Slippery Rock's plan in which the applicable employee participated prior to the merger and to give our employees credit, for the plan year in which they start participating in any such plan, towards applicable deductibles and annual out-of-pocket limits for expenses incurred before such participation.

ACCOUNTING TREATMENT

The merger will be accounted for as a "purchase," as that term is used under GAAP, for accounting and financial reporting purposes. Under purchase accounting, our assets, including identifiable intangible assets, and liabilities, including executory contracts and other commitments, as of the effective time of the merger will be recorded at their respective fair values and added to the balance sheet of FNB. Any excess of the purchase price over the fair values will be recorded as goodwill. Financial statements of FNB issued after the merger would reflect these fair values and the results of operations for us from the date of acquisition. See "Selected Consolidated Unaudited Pro Forma Financial Information" beginning on page 14.

61

MATERIAL FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following discussion is a summary description of the material U.S. federal income tax consequences of the merger applicable to Slippery Rock shareholders. This discussion does not purport to consider all aspects of U.S. federal income taxation that may be relevant to a Slippery Rock shareholder. This discussion is based upon the provisions of the Internal Revenue Code, existing regulations and administrative and judicial interpretations of the Internal Revenue Code, all of which are as in effect as of the date of this proxy statement/prospectus and are subject to change, possibly with retroactive effect. This discussion applies only to Slippery Rock shareholders who hold their shares of Slippery Rock stock as capital assets within the meaning of

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Section 1221 of the Internal Revenue Code and does not apply to the following:

- shareholders who received their shares of Slippery Rock stock from the exercise of employee stock options or similar securities or otherwise as compensation;
- shareholders who hold their shares of Slippery Rock stock as part of a "straddle," "hedge," "conversion transaction," "synthetic security" or other integrated investment;
- shareholders, including, without limitation, financial institutions, insurance companies, tax-exempt organizations, dealers or traders in securities and shareholders subject to the alternative minimum tax, who may be subject to special rules;
- shareholders whose functional currency is not the U.S. dollar; or
- shareholders who, for U.S. federal income tax purposes, are non-resident alien individuals, foreign corporations, foreign partnerships, foreign estates or foreign trusts.

This discussion also does not consider the effect of any foreign, state or local laws or any U.S. federal laws other than those pertaining to the income tax.

Accordingly, you should consult your tax advisor to determine the tax effect to you of the merger, including the application and effect of foreign or U.S. federal, state, local or other tax laws.

TAX OPINION AND MERGER

Completion of the merger is contingent upon the receipt by:

- FNB of an opinion from its outside counsel to the effect that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code; and
- Slippery Rock of an opinion from its outside counsel to the effect that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

The tax opinions of Duane Morris LLP, counsel for FNB, and Manatt, Phelps & Phillips, LLP, counsel for Slippery Rock, are included as exhibits 8.1 and 8.2 to the registration statement filed with the SEC of which this proxy statement/prospectus is a part. These opinions are based upon, among other things, representations of fact contained in certificates of officers of FNB and Slippery Rock. We will not seek any ruling from the Internal Revenue Service as to the U.S. federal income tax consequences of the merger, and the opinions of counsel are not binding upon the Internal Revenue Service or any court. Accordingly, we can give no assurance that the Internal Revenue Service will not contest the conclusions expressed in the opinions or that a court will not sustain that contest.

Assuming the merger is consummated in the manner described in this proxy statement/prospectus and in accordance with the merger agreement, the merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code. The following discussion sets forth the U.S. federal income tax consequences to Slippery Rock shareholders of the qualification of the merger as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code. As discussed below, the U.S. federal income tax

Edgar Filing: FNB CORP/FL/ - Form S-4/A

consequences of the merger to a Slippery Rock shareholder depend on the form of merger consideration received by the Slippery Rock shareholder.

62

SLIPPERY ROCK SHAREHOLDERS WHO RECEIVE SOLELY FNB COMMON STOCK

A Slippery Rock shareholder who exchanges shares of Slippery Rock common stock solely for FNB common stock will not recognize any gain or loss on that exchange, except to the extent the shareholder receives cash in lieu of a fractional share of FNB common stock, as discussed below. The aggregate adjusted tax basis of FNB common stock received will equal the Slippery Rock shareholder's aggregate adjusted tax basis in the shares of Slippery Rock common stock surrendered in the merger, decreased by the amount of any tax basis allocable to any fractional share of FNB common stock for which cash is received. The holding period of the FNB common stock received in the merger will include the holding period of the Slippery Rock common stock surrendered in the merger. If a Slippery Rock shareholder has differing tax bases and/or holding periods in respect of the shareholder's shares of Slippery Rock common stock, the shareholder should consult with a tax advisor in order to identify the tax bases and/or holding periods of the particular shares of FNB common stock that the shareholder receives.

SLIPPERY ROCK SHAREHOLDERS WHO RECEIVE CASH AND FNB COMMON STOCK

If the consideration received in the merger by a Slippery Rock shareholder consists of part cash and part FNB common stock, the shareholder will recognize gain, but not loss, to the extent of the lesser of the excess of the sum of the amount of cash and the fair market value, as of the date of the merger, of the shares of FNB common stock received, over the adjusted basis of the shares of Slippery Rock common stock surrendered in exchange for FNB common stock, and the amount of cash received by the shareholder in the exchange. For this purpose, a Slippery Rock shareholder must calculate gain or loss separately for each identifiable block of shares of Slippery Rock common stock that such shareholder surrenders pursuant to the merger, and a Slippery Rock shareholder cannot offset a loss recognized on one block of such shares of Slippery Rock common stock against a gain recognized on another block of such shares of Slippery Rock common stock.

In the case of a Slippery Rock shareholder who recognizes gain on the exchange, if the exchange sufficiently reduces the shareholder's proportionate stock interest, as discussed below, the gain will be characterized as a capital gain. If the exchange does not sufficiently reduce the shareholder's proportionate stock interest, that gain will be taxable as a dividend to the extent of the shareholder's ratable share of accumulated earnings and profits, as calculated for U.S. federal income tax purposes, and the remainder, if any, of that recognized gain will be capital gain. Any recognized capital gain will be long-term capital gain if the shareholder's holding period for the surrendered shares of Slippery Rock common stock exceeds one year.

The determination of whether the exchange sufficiently reduces a Slippery Rock shareholder's proportionate stock interest will be made in accordance with Section 302 of the Internal Revenue Code, taking into account the stock ownership attribution rules of Section 318 of the Internal Revenue Code. Under Section 318, individuals are treated as constructively owning stock owned by specified members of the individual's family or by certain entities in which the individual or his family members have a beneficial interest and certain entities are treated as constructively owning stock owned by persons having a beneficial interest in the entity. For purposes of determining whether the exchange sufficiently reduces a shareholder's proportionate stock interest, a Slippery Rock shareholder is treated as if (1) all of that shareholder's shares of

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Slippery Rock common stock were first exchanged in the merger for FNB common stock, and (2) a portion of that FNB common stock was then redeemed for the cash actually received in the merger. The Slippery Rock shareholder's hypothetical stock interest in FNB (both actual and constructive) after hypothetical step (2) is compared to the Slippery Rock shareholder's hypothetical stock interest in FNB, both actual and constructive, after hypothetical step (1). Dividend treatment will apply unless (A) the shareholder's stock interest in FNB has been completely terminated, (B) there has been a "substantially disproportionate" reduction in the shareholder's stock interest in FNB (i.e., the interest after hypothetical step (2) is less than 80% of the interest after hypothetical step (1)), or (C) the exchange is not "essentially equivalent to a dividend." While the determination is based on a Slippery Rock shareholder's particular facts and circumstances, the Internal Revenue Service has indicated in published rulings that a distribution is not "essentially equivalent to a dividend" and will therefore result in capital gain treatment if the distribution results in any actual reduction in the stock interest of an extremely small minority shareholder in a publicly held corporation and the shareholder exercises no control with respect to corporate affairs.

63

Because the determination of whether a payment will be treated as having the effect of the distribution of a dividend generally will depend upon the facts and circumstances of each Slippery Rock shareholder, you are strongly advised to consult your own tax advisors regarding the tax treatment of cash received in the merger, including the application of the constructive ownership rules of the Internal Revenue Code and the effect of any transactions in FNB common stock or shares of Slippery Rock common stock by you.

The basis in the FNB common stock of a Slippery Rock shareholder who receives cash and FNB common stock in the merger in the FNB common stock received will equal the Slippery Rock shareholder's adjusted basis in the shareholder's shares of Slippery Rock common stock increased by any gain recognized as a result of the merger and reduced by the amount of cash received in the merger. The holding period of the FNB common stock received will include the holding period of the shares of Slippery Rock common stock surrendered in the merger. Cash received and gain realized in connection with the receipt of cash in lieu of a fractional share of FNB common stock will not be taken into account in making the computations of gain realized or recognized and of the basis in the FNB common stock received. Rather, such cash and gain are treated as described below.

SLIPPERY ROCK SHAREHOLDERS WHO RECEIVE SOLELY CASH

The exchange of shares of Slippery Rock common stock solely for cash generally will result in recognition of gain or loss by the shareholder in an amount equal to the difference between the amount of cash received and the shareholder's adjusted tax basis in the shares of Slippery Rock common stock surrendered. The amount and character of gain or loss will be computed separately for each block of Slippery Rock common stock that was purchased by the holder. The gain or loss recognized will be long-term capital gain or loss if the shareholder's holding period for the shares of Slippery Rock common stock surrendered exceeds one year. There are limitations on the extent to which shareholders may deduct capital losses from ordinary income.

If a Slippery Rock shareholder who receives only cash in exchange for all of the shareholder's shares of Slippery Rock common stock actually or constructively owns FNB common stock after the merger (as the result of constructive ownership of shares of Slippery Rock common stock that are exchanged for FNB common stock in the merger, prior actual or constructive ownership of FNB common stock or otherwise), all or a portion of the cash received by the shareholder may be taxed as a dividend, and those shareholders

Edgar Filing: FNB CORP/FL/ - Form S-4/A

should consult their tax advisors to determine the amount and character of the income recognized in connection with the merger.

FRACTIONAL SHARES

A Slippery Rock shareholder who receives cash in lieu of a fractional share of FNB common stock will be treated as having first received the fractional share of FNB common stock in the merger and then as having received cash in exchange for the fractional share interest. A Slippery Rock shareholder generally will recognize gain or loss in an amount equal to the difference between the amount of cash received in lieu of the fractional share of FNB common stock and the portion of the basis in the shares of Slippery Rock common stock allocable to that fractional interest. A Slippery Rock shareholder who receives a fractional share of FNB common stock generally will not recognize any gain or loss on that fractional share.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES TO FNB AND SLIPPERY ROCK

Neither FNB nor Slippery Rock will recognize gain or loss as a result of the merger.

TAX CONSEQUENCES IF THE MERGER DOES NOT QUALIFY AS A REORGANIZATION UNDER SECTION 368(A) OF THE INTERNAL REVENUE CODE

If the Internal Revenue Service determines that the merger of Slippery Rock with and into FNB does not qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, the Slippery Rock shareholders would be required to recognize gain or loss with respect to each share of Slippery Rock common stock surrendered in the merger in an amount equal to the difference between (a) the sum of the fair market value of any FNB common stock and cash received in the merger and (b) the tax basis of the shares of

64

Slippery Rock common stock surrendered in exchange therefor. Such gain or loss will be long-term capital gain or loss if such shareholder held the Slippery Rock common stock for more than one year, and will be short-term capital gain or loss if such shareholder held the Slippery Rock common stock for less than one year. The amount and character of gain or loss will be computed separately for each block of Slippery Rock common stock that was purchased by the holder in the same transaction. A Slippery Rock shareholder's aggregate tax basis in the FNB common stock received in the merger would in this case be equal to its fair market value at the time of the closing of the merger, and the holding period for the FNB common stock would begin the day after the closing of the merger.

BACKUP WITHHOLDING

Payments in connection with the merger may be subject to "backup withholding" at a rate of 28%, unless a Slippery Rock shareholder, (1) provides a correct taxpayer identification number (which, for an individual shareholder, is the shareholder's social security number) and any required information to the exchange agent, (2) provides a certification of foreign status on Form W-8, or successor form, or (3) is a corporation or comes within certain exempt categories and otherwise complies with applicable requirements of the backup withholding rules. A Slippery Rock shareholder who does not provide a correct taxpayer identification number may be subject to penalties imposed by the Internal Revenue Service. Any amount paid as backup withholding does not constitute an additional tax and will be creditable against the shareholder's

Edgar Filing: FNB CORP/FL/ - Form S-4/A

U.S. federal income tax liability. Each Slippery Rock shareholder should consult with his own tax advisor as to his qualification for exemption from backup withholding and the procedure for obtaining this exemption. You may prevent backup withholding by completing a substitute form W-9 (contained with the election form to be forwarded to you) and submitting it to the exchange agent for the merger when you submit your Slippery Rock share certificates for exchange.

DESCRIPTION OF FNB CAPITAL STOCK

FNB COMMON STOCK

General. FNB is authorized to issue 500,000,000 shares of common stock, par value \$0.01 per share, of which 46,296,327 shares were outstanding as of June 30, 2004. FNB common stock is traded on the New York Stock Exchange under the symbol "FNB." FNB provides transfer agent and registrar services for its common stock.

As of December 31, 2003, approximately 3.1 million shares of FNB common stock were reserved for issuance upon the exercise of outstanding options. In addition, FNB has reserved 4.2 million shares of common stock for issuance in connection with the merger and the Slippery Rock stock options being assumed by FNB. After taking into account these reserved shares, FNB will have approximately 446.2 million shares of authorized but unissued common stock available for issuance for other corporate purposes.

Voting and Other Rights. The holders of FNB common stock are entitled to one vote per share, and in general a majority of the votes cast with respect to a matter is sufficient to authorize action upon routine matters. Directors are elected by a plurality of votes cast, and each shareholder entitled to vote in an election of directors is entitled to vote each share of stock for as many persons as there are directors to be elected. In elections of directors, shareholders do not have the right to cumulate their votes. See "Comparison of Shareholder Rights -- Amendment of Articles of Incorporation and Bylaws" beginning on page 73 and "Comparison of Shareholder Rights -- Vote Required for Extraordinary Corporate Transactions" on page 74.

In the event of a liquidation, holders of FNB common stock are entitled to receive pro rata any assets legally available for distribution to shareholders with respect to shares held by them, subject to any prior rights of the holders of any FNB preferred stock then outstanding.

FNB common stock does not carry any preemptive rights, redemption privileges, sinking fund privileges or conversion rights. All outstanding shares of FNB common stock are, and the shares of FNB common stock to be issued to our shareholders in the merger will be, validly issued, fully paid and nonassessable.

Distributions. The holders of FNB common stock are entitled to receive such dividends or distributions as the FNB board of directors may declare out of funds legally available for such payments. The payment of distributions by FNB is subject to the restrictions of Florida law applicable to the declaration of distributions by a business corporation. A corporation generally may not authorize and make distributions if, after giving effect thereto, it would be unable to meet its debts as they become due in the usual course of business or

Edgar Filing: FNB CORP/FL/ - Form S-4/A

if the corporation's total assets would be less than the sum of its total liabilities plus the amount that would be needed, if it were to be dissolved at the time of distribution, to satisfy claims upon dissolution of shareholders who have preferential rights superior to the rights of the holders of its common stock. In addition, the payment of distributions to shareholders is subject to any prior rights of any then outstanding FNB preferred stock. Stock dividends, if any are declared, may be paid from authorized but unissued shares.

The ability of FNB to pay distributions is affected by the ability of its subsidiaries to pay dividends. The ability of FNB's subsidiaries, as well as of FNB, to pay dividends in the future is influenced by bank regulatory requirements and capital guidelines.

FNB PREFERRED STOCK

General. FNB is authorized to issue 20,000,000 shares of preferred stock, par value \$0.01 per share, of which no shares were outstanding as of June 30, 2004. The FNB board of directors has the authority to issue FNB preferred stock in one or more series and to fix the dividend rights, dividend rates, liquidation preferences, conversion rights, voting rights, rights and terms of redemption, including sinking fund provisions, and the number of shares constituting any such series, without any further action by the shareholders of FNB unless such action is required by applicable rules or regulations or by the terms of any other outstanding series of FNB preferred stock. Any shares of FNB preferred stock that may be issued may rank prior to shares of FNB common stock as to payment of dividends and upon liquidation.

COMPARISON OF SHAREHOLDER RIGHTS

After the merger, you will become shareholders of FNB and your rights will be governed by FNB's articles of incorporation, FNB's bylaws and the Florida Business Corporations Act. The following summary discusses differences between FNB's articles of incorporation and bylaws and our articles of incorporation and bylaws and the differences between the BCL and the Florida Business Corporations Act. For information as to how to get the full text of each document, see "Where You Can Find More Information" beginning on page 82.

The following summary is not intended to be a complete statement of the differences affecting the rights of our shareholders who become FNB shareholders, but rather summarizes the more significant differences affecting the rights of such shareholders and certain important similarities. The summary is qualified in its entirety by reference to the articles of incorporation and bylaws of FNB, our articles of organization and by-laws and applicable laws and regulations.

REMOVAL OF DIRECTORS; FILLING VACANCIES ON THE BOARD OF DIRECTORS

SLIPPERY ROCK

FNB

Our articles of incorporation provide that a director, any class of directors or our entire board of directors may be removed

Under Florida law, unless the articles of incorporation of a corporation provide otherwise, directors may be removed by the

without cause by the affirmative vote of the holders of at least 75% of our outstanding shares entitled to vote in the election of directors. Pennsylvania law and our articles of incorporation provide that vacancies on our board of directors, including vacancies resulting from an increase in the number of directors, may be filled by a majority vote of the remaining directors, though less than a quorum, except that a vacancy resulting from a removal of a director resulting from a shareholder vote may be filled by the shareholders at the same meeting at which the removal occurs.

corporation's shareholders with or without cause; provided that, if a director is elected by a voting group, only the shareholders of that voting group may participate in the vote to remove him or her. Article 6 of FNB's articles of incorporation, however, provides that, subject to the rights of holders of any preferred stock, any director or the entire board of directors may be removed without cause by the affirmative vote of the holders of at least 75% of the then outstanding shares of FNB common stock. Florida law and FNB's bylaws provide that vacancies on the FNB board of directors, including vacancies resulting from an increase in the number of directors or resulting from removal from office, may be filled by a majority vote of the remaining directors, though less than a quorum.

QUORUM OF SHAREHOLDERS

SLIPPERY ROCK

FNB

Pennsylvania law provides that the holders of a majority of votes entitled to be cast on a matter to be considered, represented in person or by proxy, constitute a quorum of that voting group for action on the matter. Pennsylvania law further provides that, if a meeting called for the election of directors is adjourned, the shareholders who attend the resumption of the adjourned meeting, although less than a quorum, shall nevertheless constitute a quorum for the purpose of electing directors.

FNB's bylaws and Florida law provide that the holders of a majority of votes entitled to be cast on a matter to be considered, represented in person or by proxy, constitute a quorum of that voting group for action on the matter. FNB's bylaws further provide that whenever the holders of any class or series of shares are entitled to vote separately on a specified item of business, the holders of a majority of the votes of that class or series entitled to be cast, represented in person or by proxy, shall constitute a quorum of such class or series.

ADJOURNMENT AND NOTICE OF SHAREHOLDER MEETINGS

SLIPPERY ROCK

FNB

Pennsylvania law provides that any regular or special meeting of shareholders may be adjourned for such periods as may be directed by the shareholders present in person or by proxy at the meeting who are entitled to vote at that meeting.

The FNB bylaws and Florida law provide that, if a quorum is not present or represented at a shareholders meeting, the shareholders present and entitled to vote at the meeting may adjourn such meeting from time to time.

CALL OF SPECIAL MEETINGS OF SHAREHOLDERS

Edgar Filing: FNB CORP/FL/ - Form S-4/A

SLIPPERY ROCK

Our bylaws provide that special meetings of our shareholders may be called by our board, our president or by the holders of at least 20% of the votes entitled to be cast on any issue to be considered at the special meeting of shareholders.

FNB

FNB's bylaws provide that special meetings of shareholders may be called only by the chairman of the board, the president or the secretary of FNB pursuant to a resolution or written direction of at least 75% of the members of the FNB board or by the holders of not less than 10% of the outstanding shares of FNB.

SHAREHOLDER CONSENT IN LIEU OF MEETING

SLIPPERY ROCK

Pennsylvania law provides that any action that may be taken at a meeting of the shareholders may be taken without a meeting, if a consent or consents in writing setting forth the action so taken shall be signed by all of the shareholders who would be entitled to vote at a meeting for such purpose and shall be filed with our secretary.

FNB

Florida law permits any action that may be taken at a meeting of the shareholders of FNB to be taken without a meeting, if, prior or subsequent to the action, one or more written consents signed by a majority the shareholders who would be entitled to vote at a meeting for such purpose are delivered to FNB.

DISSENTERS' RIGHTS

SLIPPERY ROCK

Under Pennsylvania law, dissenters' rights are generally afforded to shareholders in the event of corporate actions involving certain mergers, share exchanges, transfers of all or substantially all of the assets of the corporation, as well as certain other fundamental transactions in which the corporation is not the acquiring corporation. See "Provisions with Possible Anti-Takeover Effects" for a description of special dissenters' rights provisions under Pennsylvania law applicable to registered companies such as us in a transaction where a controlling interest in a corporation is acquired.

FNB

Under Florida law, dissenters' appraisal rights are available in connection with corporate actions involving certain mergers, share exchanges, consolidations, sales or other dispositions of all or substantially all of the property of the corporation other than in the ordinary course of business, the approval of certain control-share acquisitions and amendments of the articles of incorporation where such amendment would adversely affect the shareholder by:

- altering or abolishing any preemptive rights attached to such shareholder's shares;

Under Pennsylvania law, dissenters' rights generally are denied to holders of shares that are listed on a national securities exchange, quoted on the Nasdaq National Market or held beneficially or of record by more than 2,000 shareholders when a plan of

- reducing the stated redemption price of any of the shareholder's redeemable shares, altering or abolishing any provision relating to any sinking fund for the redemption or purchase of any of his shares or making any of the shareholder's shares subject to redemption when they are not otherwise redeemable;
- making non-cumulative, in whole or in part, dividends on any of his preferred shares which had theretofore been cumulative;
- reducing the stated dividend preference of any of his preferred shares; or
- reducing any stated preferential amount payable on the shareholder's preferred shares upon voluntary or involuntary liquidation.

Under Florida law, appraisal rights generally are denied in the case of a merger or share exchange or a proposed sale or exchange of property when the corporation's shares to be received are listed on a national securities exchange or the Nasdaq National Market and when the corporation's shares are held of record by at least 2,000 persons and such outstanding shares have a market value of at least \$10 million, not counting the value of certain insider shares.

DERIVATIVE ACTIONS

SLIPPERY ROCK

FNB

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Under Pennsylvania law, derivative actions may be brought by a shareholder, even if the shareholder was not a shareholder at the time of the alleged wrongdoing, if a court determines that there is a strong prima facie case in favor of the claim and a serious injustice will result without such action.

Under Florida law, a derivative action may be brought only by a person who was a shareholder of FNB at the time of the alleged wrongdoing unless the person became a shareholder through transfer by operation of law from one who was a shareholder at the time of the alleged wrongdoing.

DIVIDENDS AND DISTRIBUTIONS

SLIPPERY ROCK

FNB

Subject to any restrictions in a corporation's articles of incorporation, Pennsylvania law generally provides that a corporation may make distributions to its shareholders unless after giving effect thereto (i) the corporation would not be able to pay its debts as they become due in the usual course of business, or (ii) the corporation's total assets would be less than the sum of its total liabilities plus the amount that would be needed upon the dissolution of the corporation to satisfy the preferential rights of shareholders having superior preferential rights to those shareholders receiving the distribution. Our articles of incorporation do not contain any restrictions on the payment of dividends or the making of distributions to shareholders.

CLASSES OF STOCK WITH PREFERENTIAL RIGHTS

SLIPPERY ROCK

FNB

We only have one authorized class of stock.

The articles of incorporation of FNB authorize it to issue multiple classes of stock that may have rights preferential to the FNB common stock to be received by Slippery Rock shareholders as a result of the merger. No such stock is currently outstanding. Such preferential rights include rights to preferential dividend rates compared to such rates for FNB common stock, rights to prevent dividends being paid on the common stock until dividends have been paid on the preferred stock, rights to

Edgar Filing: FNB CORP/FL/ - Form S-4/A

preferential payments upon any liquidation of FNB, independent class voting rights with respect to certain fundamental transactions and rights to convert shares of FNB preferred stock into FNB common stock at a conversion ratio that protects such preferred shareholders against a decline in the price of FNB common stock by further diluting the common stock.

DIRECTOR QUALIFICATIONS, NUMBER AND TERM

SLIPPERY ROCK

FNB

Our articles of incorporation provide that our board of directors shall consist of not less than 5 nor more than 25 members divided into three classes, as equal in number as possible, with each director serving a staggered three-year term. Under Pennsylvania law, a director must be at least 18 years of age, but need not be a resident of Pennsylvania.

The FNB bylaws provide that the board of directors of FNB shall consist of such number of directors as may be determined by the board of directors of FNB, which number shall be not less than 5 nor more than 25. The FNB bylaws further provide that the FNB board of directors shall be divided into three classes, with each director having a staggered, three-year term. Under Florida law and the FNB bylaws, a director need not be a resident of Florida or a shareholder of FNB to qualify to serve as a director.

NOMINATION OF DIRECTORS

SLIPPERY ROCK

FNB

Our bylaws do not provide a process for nominating directors. Under Pennsylvania law, shareholders may vote for any qualified person regardless of whether they have been nominated unless the corporation has contrary provisions in its articles of incorporation or bylaws.

FNB's bylaws provide that directors may be nominated for election to the FNB board by either a resolution of the board or by a shareholder of FNB. The FNB bylaws provide that a shareholder may make nominations for director by providing FNB with written notice of the shareholder's intention to nominate a director, which written notice generally must be received not less than 14 days prior to the meeting of shareholders called for the election of directors. The notice of a shareholder's intention to nominate a director must include, among other things:

- the name and address of the nominating shareholder;
- a representation that the shareholder is a holder of record of FNB voting stock and intends to appear in person or by proxy at the meeting to

SLIPPERY ROCK

FNB

- nominate the person or persons specified in the notice;
- information regarding each nominee as would have been required under the SEC's proxy rules;
- a description of all arrangements or understandings among the shareholder and each nominee pursuant to which the nomination or nominations are to be made by the shareholder; and
- the written consent of each nominee to serve as a director of FNB if so elected.

CUMULATIVE VOTING

SLIPPERY ROCK

FNB

In an election of directors under cumulative voting, each share of stock normally having one vote for each director to be elected is entitled to a number of votes equal to the number of directors to be elected times the number of shares held with the right to distribute that number of votes among one or more candidates. Under Pennsylvania law, cumulative voting in the election of directors is available unless otherwise provided for in the articles of incorporation of the corporation. We have precluded cumulative voting in the election of directors in our articles of incorporation.

Under Florida law, cumulative voting in the election of directors is not available unless provided for in the articles of incorporation of the corporation. FNB has not provided for cumulative voting in its articles of incorporation.

INDEMNIFICATION OF OFFICERS AND DIRECTORS

SLIPPERY ROCK

FNB

Pennsylvania law permits a corporation to indemnify its directors and officers against expenses, judgments, fines and amounts paid in settlement incurred by them in connection with any pending, threatened or completed action or proceeding, and permits such indemnification against expenses incurred in connection with any pending, threatened or completed derivative action, if the director or officer has acted in good faith and in a manner he reasonably believed to be in or not

Florida law permits a corporation to indemnify a director or officer who was or is a party to any threatened, pending or completed action, suit or other type of proceeding other than an action by or in the right of the corporation by reason of the fact that he is or was a director or officer or is now serving at the request of the corporation as a director or officer of another entity against expenses, including attorneys' fees, judgments, fines,

Edgar Filing: FNB CORP/FL/ - Form S-4/A

opposed to the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. Pennsylvania law further provides that expenses incurred in defending any action or proceeding may be paid by the corporation in advance of the final disposition upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined that the director or officer is not entitled to be indemnified by the corporation.

Under Pennsylvania law, the statutory provisions for indemnification and advancement of expenses are non-exclusive with respect to any other rights,

penalties and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding. These indemnification rights apply if the director or officer acted in good faith and in a manner in which he reasonably believed to be in or not opposed to the best interest of the corporation and, with respect to a criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In addition, under Florida law, FNB may indemnify and hold harmless an officer or director who is a party in an action by or in the right of the corporation against expenses, including attorneys' fees, and certain amounts paid in settlement, actually and reasonably incurred in connection with

71

SLIPPERY ROCK

FNB

such as contractual rights or rights granted pursuant to a bylaw or by vote of shareholders or disinterested directors, to which a person seeking indemnification or advancement of expenses may be entitled. Such rights may, for example, provide for indemnification against judgments, fines and amounts paid in settlement incurred by the indemnified person in connection with derivative actions. Pennsylvania law permits such derivative action indemnification in any case except where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness. Pennsylvania law and our bylaws permit us to purchase and maintain insurance on behalf of our directors and officers against any liability asserted against the director or officer and incurred in such capacity, whether or not we would have the power to indemnify a director or officer against such liability. Our articles of incorporation further provide that our directors and officers are entitled to be indemnified to the fullest extent permitted by law.

the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if the director or officer has acted in good faith and in a manner in which he reasonably believed to be in or not opposed to the best interest of the corporation, except indemnification is not authorized where there is an adjudication of liability, unless a court determines, in view of all the circumstances, that such person is fairly and reasonably entitled to indemnity for such expenses.

Florida law further provides that indemnification against the costs and expenses of defending any action is required to be made to any officer or director who is successful in defending an action of the type referred to in the immediately preceding paragraph. Except with regard to the costs and expenses of successfully defending an action as may be ordered by a court, indemnification as described in the previous paragraph is only required to be made to a director or officer if a determination is made that indemnification is proper under the circumstances. Such determination shall be made in accordance with the provisions of Florida law.

Florida law further provides that expenses

incurred in defending any action or proceeding may be paid by the corporation in advance of the final disposition upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined that the director or officer is not entitled to be indemnified by the corporation.

Under Florida law, the provisions for indemnification and advancement of expenses are not exclusive. Accordingly, a corporation may make any other or further indemnification or advancement of expenses of any of its officers or directors, both as to action in his official capacity and as to action in another capacity while holding such office. Under Florida law, indemnification or advancement of expenses, however, shall generally not be made to or on behalf of any officer or director if a judgment or other final adjudication establishes that his actions or omissions were material to the cause of action so adjudicated and constitute:

- a violation of the criminal law;
- a transaction from which the officer or director derived an improper personal benefit;
- an unlawful distribution; or
- willful misconduct or a conscious disregard for the best interest of the corporation.

Florida law and the articles of incorporation of FNB permit FNB to purchase and maintain

72

SLIPPERY ROCK

FNB

insurance on behalf of any director or officer of FNB against any liability asserted against the director or officer and incurred in such capacity, whether or not FNB would have the power to indemnify the director or officer against such liability. The articles of incorporation of FNB further provide that its directors, officers and any other person designated by the board of directors of FNB is entitled to be indemnified to the fullest extent permitted by law.

DIRECTOR LIABILITY

Edgar Filing: FNB CORP/FL/ - Form S-4/A

SLIPPERY ROCK

FNB

Pennsylvania law provides that the bylaws of a corporation may include a provision limiting the personal liability of directors for monetary damages for actions taken as a director, other than as would constitute criminal conduct or with respect to liability for nonpayment of taxes, and except to the extent that the director has breached or failed to perform his or her duties to the corporation and the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. Our bylaws do not contain such a provision.

Under Florida law, a director is not liable for monetary damages for any statement, vote, decision or failure to act regarding corporate management or policy, unless the director breached or failed to perform his or her duties as a director and the director's breach of, or failure to perform, those duties constitutes a violation of criminal law, self-dealing, willful misconduct or recklessness. The bylaws of FNB contain a provision limiting the liability of its directors to the fullest extent permitted by law.

AMENDMENT OF ARTICLES OF INCORPORATION AND BYLAWS

SLIPPERY ROCK

FNB

Pennsylvania law requires the affirmative vote of a majority of the votes cast by all shareholders entitled to vote thereon to amend a corporation's articles of incorporation, provided that shareholder approval is not required for certain non-material amendments. Our articles of incorporation provide that, generally, our articles may be amended by our shareholders as provided by Pennsylvania law. However, the affirmative vote of the holders of at least 75% of our outstanding shares is required to amend provisions in our articles of incorporation relating to the approval rights of shareholders with respect to certain corporate transactions. In the case of a registered corporation such as us, Pennsylvania law provides that the shareholders may not propose an amendment to the articles.

In order to amend the articles of incorporation of a Florida corporation, Florida law generally requires that, unless the articles of incorporation provide for a greater vote, the votes cast in favor of such an amendment must exceed the votes cast against such an amendment at a meeting at which a quorum is present; provided, however, that a majority of the outstanding votes entitled to be cast on the amendment is required with respect to amendments that would create dissenters' rights under Florida law. Further, under Florida law shareholder approval is not required for certain non-material amendments.

Under Pennsylvania law, the power to adopt, amend or repeal bylaws may generally be vested, pursuant to the bylaws, in the directors, with certain statutory exceptions and subject to the power of the shareholders to change such action. Pennsylvania law further provides that, unless the articles of incorporation provide otherwise, the board of directors does not have the authority to adopt or change a bylaw on any subject that is committed expressly to the shareholders by statute, other than on the subject shareholder quorum rules

Under Florida law, a corporation's bylaws may be amended or repealed by the board of directors or shareholders; provided, however, that the board may not amend or repeal the corporation's bylaws if the articles of incorporation reserve such power to the shareholders, or the shareholders, in amending or repealing the bylaws, expressly provide that the board of directors may not amend or repeal the bylaws or a particular bylaw provision. The bylaws of FNB provide that FNB's bylaws may be altered or amended and new bylaws adopted by the affirmative vote of at least 75% of the members of FNB's board of directors or by the affirmative vote of the holders of at least 75% of

the outstanding shares entitled to vote thereon.

VOTE REQUIRED FOR EXTRAORDINARY CORPORATION TRANSACTIONS

SLIPPERY ROCK

FNB

Under Pennsylvania law, generally, a merger, consolidation, share exchange, dissolution or sale of substantially all of a corporation's assets other than in the ordinary course of business must be approved by the affirmative vote of a majority of the votes cast by all shareholders entitled to vote thereon. Except as otherwise provided by the bylaws of a corporation, the shareholders of a corporation do not have to approve a board of directors-approved plan of merger if, among other situations, immediately prior to the transaction, another corporation that is a party to the transaction directly or indirectly owns 80% or more of the outstanding shares of each class of the constituent corporation, or if

Under Florida law, generally, a merger, consolidation, share exchange, dissolution or sale of substantially all of a corporation's assets other than in the ordinary course of business must be approved by the affirmative vote of the holders of a majority of the shares entitled to vote thereon unless the corporation's articles of incorporation require a higher vote. Florida law further provides that, unless required by its articles of incorporation, the shareholders approval of a plan of merger if is not required if:

- the surviving or new corporation is a business corporation incorporated in Pennsylvania with articles of incorporation that are identical to the articles of incorporation of the merged corporation (except for changes permitted by a board of directors without shareholder approval under Pennsylvania law),
- each share of the merged corporation outstanding immediately prior to the effective date of the merger is to continue to be outstanding or will be converted into an identical share of the surviving or new corporation after the effective date of the

- the articles of incorporation of the surviving corporation will not differ (except for certain minor amendments approved by the board of directors as provided by Florida law) from its articles before the merger; and
- each shareholder of the surviving corporation whose shares were outstanding immediately prior to the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations and relative rights, immediately after the merger.

The articles of incorporation of FNB require an affirmative vote of the holders of at least 75% of the outstanding shares of FNB common stock entitled to vote to approve a

FIDUCIARY DUTY

SLIPPERY ROCK

FNB

Under Pennsylvania law, a director shall perform his duties as a director in good faith, in a manner he reasonably believes to be in the best interests of the corporation and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances, and shall be entitled in performing his duties to rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, prepared or presented by: (1) one or more officers or employees of the corporation whom the director reasonably believes to be reliable and competent in the matters presented; (2) counsel, public accountants or other persons as to matters which the director reasonably believes to be within the professional or expert competence of such person or (3) a committee of the board upon which he does not serve, as to matters within its designated authority, which committee the director reasonably

The articles of incorporation of FNB provide that the board of directors of FNB, in evaluating a proposal for an extraordinary corporate transaction, shall consider all relevant factors, including, without limitation, the long-term prospects and interests of the corporation and its shareholders, the social, economic, legal or other effects of any action on the employees, suppliers and customers of the corporation and its subsidiaries, the communities and societies in which FNB and its subsidiaries operate, and the economy of the state and the nation.

The articles of incorporation of FNB further provide that, if the board of directors of FNB determines that such a proposal should be rejected, it may take any lawful action to accomplish its purposes.

PROVISIONS WITH POSSIBLE ANTI-TAKEOVER EFFECTS

SLIPPERY ROCK

FNB

Pennsylvania law contains various statutory "anti-takeover" provisions, which apply to us, including Subchapters 25E through 25J of the BCL. Subchapter 25E (relating to control transactions) provides that, if any person or group acquires 20% or more of the voting power of a corporation, the remaining shareholders may demand from such person or group the fair value of their shares, including a proportionate amount of any control premium. Subchapter 25F (relating to business combinations) delays for five years and imposes conditions upon business combinations between an interested shareholder and the corporation. Subchapter 25G (relating to control share acquisitions) prevents a person who has acquired 20% or more of the voting power of a covered corporation from voting such shares unless the "disinterested" shareholders approve such voting rights. Subchapter 25H (relating to disgorgement) requires disgorgement of certain profits made by controlling shareholders following their attempts to gain control of the corporation. Subchapter 25I provides for a minimum severance payments to certain employees terminated within two years of the approval. Subchapter 25J prohibits the abrogation of certain labor contracts prior to their stated date of expiration. Subchapters 25E through 25H of the BCL contain a wide variety of transactional and status exemptions, exclusions and safe harbors.

FNB is subject to statutory "anti-takeover" provisions under Florida law. Section 607.0902 of the Florida Business Corporations Act restricts the voting rights of certain shares of a corporation's stock when those shares are acquired by a party who, by such acquisition, would control at least 20% of all voting rights of the corporation's issued and outstanding stock. The statute provides that the acquired shares (the "control shares") will, upon such acquisition, cease to have any voting rights. The acquiring party may, however, petition the corporation to have voting rights re-assigned to the control shares by way of an "acquiring person's statement" submitted to the corporation in compliance with the requirements of the statute. Upon receipt of such request, the corporation must submit, for shareholder approval, such request. Voting rights may be reassigned to the control shares by a resolution of a majority of the corporation's shareholders for each class and series of stock, with the control shares not voting. If such a resolution is approved, and the voting rights re-assigned to the control shares represent a majority of all voting rights of the corporation's outstanding voting stock, then, unless the corporation's articles of incorporation or bylaws provide otherwise, all shareholders of the corporation shall be able to exercise appraisal rights in accordance with Florida law.

The Pennsylvania laws pertaining to control share acquisitions do not alter the voting rights of any stock of the corporation acquired in certain specified transactions.

Florida law further provides that a corporation may, by amendment to its articles of incorporation or bylaws, provide that, if the party acquiring the control shares does not submit an acquiring person's statement in

amendment to the corporation's articles of incorporation or other corporate action, if approved by shareholders, to provide mandatory special treatment for specified groups of nonconsenting shareholders of the same class. Pennsylvania law also provides that directors may, in discharging their duties, consider the interests of a number of different constituencies, including shareholders, employees, suppliers, customers, creditors and the communities in which the corporation is located. Directors are not required to consider the interests of shareholders to a greater degree than other constituencies' interests. Pennsylvania law expressly provides that directors do not violate their fiduciary duties solely by relying on poison pills or the anti-takeover provisions of Pennsylvania law.

any time during the period ending 60 days after the acquisition of control shares. If the acquiring party files an acquiring person's statement, the control shares are not subject to redemption by the corporation unless the shareholders, acting on the acquiring party's request for re-assignment, deny full voting rights to the control shares. Neither the articles of incorporation of FNB nor its bylaws have been amended to include such a provision.

The statute does not alter the voting rights of any stock of the corporation acquired in certain specified transactions. In addition, there are various provisions in the articles of incorporation and bylaws of FNB that may serve as anti-takeover protections including:

- the ability of the board of directors of FNB to fill vacancies resulting from an increase in the number of directors;
- the supermajority voting requirements for certain corporate transactions;
- the broad range of factors that the board of directors of FNB may consider in evaluating an unsolicited offer including a tender offer proposal; and
- provisions in the FNB articles of incorporation which authorize the board of directors of FNB, without further shareholder action, to issue from time to time, up to 20,000,000 shares of FNB preferred stock. The board of directors of FNB is empowered to divide any and all of the shares of the FNB preferred stock into series and to fix and determine the relative rights and preferences of the shares of any series so established.

The "anti-takeover" provisions of Florida law and FNB's articles of incorporation and bylaws may have the effect of deterring merger proposals, tender offers or other attempts to effect changes in control of FNB that are not negotiated with and approved by the board of directors of FNB. FNB is not

Edgar Filing: FNB CORP/FL/ - Form S-4/A

aware of any effort or intent to gain control of FNB or any effort to organize a proxy contest or to accumulate shares of FNB.

ADJOURNMENT PROPOSAL

GRANTING OF DISCRETIONARY AUTHORITY TO ADJOURN OUR SPECIAL MEETING

General. If, at our special meeting on Thursday, September 9, 2004, the number of shares of our common stock, present in person or by proxy, is insufficient to constitute a quorum or the number of shares of our common stock voting in favor of approval of the merger proposal is insufficient to approve the merger proposal under Pennsylvania law and our articles of incorporation, our management intends to move to adjourn our special meeting in order to enable our board of directors to solicit additional proxies. In that event, we will ask our shareholders to vote only upon the adjournment proposal and not on the merger proposal.

In this proposal, we are asking you to grant discretionary authority to the holder of any proxy solicited by our board of directors so that the holder can

Edgar Filing: FNB CORP/FL/ - Form S-4/A

vote in favor of the proposal to adjourn our special meeting to solicit additional proxies. If our shareholders approve the adjournment proposal, we could adjourn our special meeting, and any adjourned session of the special meeting, and use the additional time to solicit additional proxies, including the solicitation of proxies from shareholders who have previously voted. Among other things, approval of the adjournment proposal could mean that, even if we had received proxies representing a sufficient number of votes against approval of the merger proposal to defeat the merger proposal, we could adjourn our special meeting without a vote on the merger proposal and seek to convince the holders of those shares to change their votes to vote in favor of the approval of the merger proposal.

If our special meeting is adjourned, no notice of the adjourned meeting is required to be given to shareholders, other than an announcement at the special meeting of the place, date and time to which the meeting is adjourned.

Vote Required. The affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy at our special meeting and entitled to vote is required to grant discretionary authority to approve the proposal to adjourn our special meeting if necessary to permit further solicitation of proxies in favor of the merger proposal. The failure to vote, either by proxy or in person, will have no effect on the outcome of the voting on the adjournment proposal. However, abstentions will have the same effect as a vote against the adjournment proposal.

Brokers may not vote on the adjournment proposal without specific instructions from the person who beneficially owns the shares. However, shares held by a broker for whom you do not give your broker instructions on how to vote will have no effect on the outcome of the vote on the adjournment proposal.

No proxy that is specifically marked "AGAINST" approval of the merger proposal will be voted in favor of the adjournment proposal, unless it is specifically marked "FOR" granting the discretionary authority to adjourn our special meeting.

Recommendation of Our Board of Directors. Our board of directors believes that if the number of shares of our common stock present in person or by proxy at our special meeting and voting for approval of the

80

merger proposal is insufficient to approve the merger proposal, it is in the best interests of our shareholders to enable our board to continue to seek to obtain a sufficient number of additional votes for approval of the merger proposal. Therefore, our board of directors recommends that you vote "FOR" the proposal to grant discretionary authority to adjourn our special meeting for the purpose of soliciting additional proxies.

Such consolidated financial statements are incorporated herein by reference in reliance upon such report given on the authority of such firm as experts in accounting and auditing.

With respect to the unaudited condensed consolidated interim financial information of FNB for the three-month period ended March 31, 2004, incorporated by reference in this proxy statement/prospectus, Ernst & Young LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate report dated May 7, 2004, included in FNB's Quarterly Report on Form 10-Q for the quarter ended March 31, 2004, and incorporated by reference herein, states that they did not audit and they do not express an opinion on that interim financial information. Accordingly, the degree of reliance on their report on such information should be restricted considering the limited nature of the review procedures applied. The independent auditors are not subject to the liability provisions of Section 11 of the Securities Act for their report on the unaudited interim financial information because that report is not a "report" or a "part" of the registration statement prepared or certified by the auditors within the meaning of Sections 7 and 11 of the Securities Act.

(a) At the Effective Time of the Merger, Parent shall deposit with the Exchange Agent for the benefit of the holders of shares of Slippery Rock Common Stock, for exchange in accordance with this Section 3.04, certificates representing the shares of Parent Common Stock and cash issuable pursuant to Section 3.01 in exchange for shares of Slippery Rock Common Stock outstanding immediately prior to the Effective Time of the Merger and funds in an amount not less than the amount of cash payable in lieu of fractional shares of Parent Common Stock that would otherwise be issuable in connection with Section 3.01, but for the operation of Section 3.02 of this Agreement (collectively, the "Exchange Fund").

(b) After the Effective Time of the Merger, each holder of a certificate ("Certificate") formerly representing Slippery Rock Common Stock (other than Dissenting Shares and Treasury Shares) who surrenders or has surrendered such Certificate (or customary affidavits and indemnification regarding the loss or destruction of such Certificate), together with duly executed transmittal materials included in or required by the Election Form, to the Exchange Agent, shall, upon acceptance thereof, be entitled to (i) a certificate representing Parent Common Stock and/or (ii) cash into which the shares of Slippery Rock Common Stock shall have been converted pursuant to Section 3.01 and Section 3.03, as well as cash in lieu of fractional shares of Slippery Rock Common Stock to which such holder would otherwise be entitled, if applicable. The Exchange Agent shall accept such Certificate upon compliance with such reasonable and customary terms and conditions as the Exchange Agent may impose to effect an orderly exchange thereof in accordance with normal practices. Until surrendered as contemplated by this Section 3.04, each Certificate representing Slippery Rock Common Stock shall be deemed from and after the Effective Time of the Merger to evidence only the right to receive the consideration to which it is entitled hereunder upon such surrender. Parent shall not be obligated to deliver the Merger Consideration to which any former holder of Slippery Rock Common Stock is entitled as a result of the Merger until such holder surrenders his Certificate or Certificates for exchange as provided in this Section 3.04. If any certificate for shares of Parent Common Stock, or any check representing cash and/or declared but unpaid dividends, is to be issued in a name other than that in which a Certificate surrendered for exchange is issued, the Certificate so surrendered shall be properly endorsed and otherwise in proper form for transfer and the person requesting such exchange shall affix any requisite stock

Subject to the effect of applicable laws, following surrender of any such Certificate, there shall be paid to the record holder of the certificates representing whole shares of Parent Common Stock issued in exchange thereof, without interest, (i) at the time of such surrender, the amount of any cash payable in lieu of a fractional share of Parent Common Stock to which such holder is entitled pursuant to Section 3.02 and the amount of dividends or other distributions with a record date after the Effective Time of the Merger theretofore paid with respect to such whole shares of Parent Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time of the Merger but prior to surrender and a payment date subsequent to surrender payable with respect to such whole shares of Parent Common Stock.

(d) All cash and shares of Parent Common Stock issued upon the surrender for exchange of shares of Slippery Rock Common Stock in accordance with the terms hereof (including any cash paid pursuant to Section 3.02) shall be deemed to have been issued in full satisfaction of all rights pertaining to such shares of Slippery Rock Common Stock, and there shall be no further registration of transfers on the stock transfer books of Parent, after the Merger, of the shares of Slippery Rock Common Stock that were outstanding immediately prior to the Effective Time of the Merger. If, after the Effective Time of the Merger, Certificates are presented to Parent for any reason, they shall be canceled and exchanged as provided in this Agreement.

(e) Any portion of the Exchange Fund, including any interest thereon, that remains undistributed to the stockholders of Slippery Rock following the passage of nine (9) months after the Effective Time of the Merger shall be delivered to Parent, upon demand, and any stockholders of Slippery Rock who have not theretofore complied with this Section 3.04 shall thereafter look only to Parent for payment of their claim for cash and Parent Common Stock, any cash in lieu of fractional shares of Parent Common Stock and any dividends or distributions with respect to Parent Common Stock.

(f) Neither Slippery Rock nor Parent shall be liable to any holder of shares of Slippery Rock Common Stock or Parent Common Stock, as the case may be, for such shares (or dividends or distributions with respect thereto) or cash from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(g) The Exchange Agent shall not be entitled to vote or exercise any rights of ownership with respect to the shares of Parent Common Stock held by it from time to time hereunder, except that it shall receive and hold all dividends or other distributions paid or distributed with respect to such shares of Parent Common Stock for the account of the Persons entitled thereto.

(h) Certificates surrendered for exchange by any Person constituting an "Affiliate" of Slippery Rock for purposes of Rule 144(a) under the Securities Act shall not be exchanged for certificates representing whole shares of Parent Common Stock until Parent has received a written agreement from such person as provided in Section 6.07.

3.05 Adjustments for Dilution and Other Matters. If prior to the Effective Time of the Merger, (a) Parent shall declare a stock dividend or

3.06 Dissenting Shares. Notwithstanding anything to the contrary contained in this Agreement, any holder of Slippery Rock Common Stock who shall be entitled to be paid the "fair value" of such holder's Dissenting Shares of Slippery Rock Common Stock, as provided in Section 1572 of the PBCL, shall not be entitled to the consideration to which such holder would otherwise have been entitled pursuant to Sections 2.01 and 3.01, unless and until such holder shall have failed to perfect or withdrawn or lost such holder's rights under Subchapter D of Chapter 15 of the PBCL, and shall be entitled to receive only such payment as is provided for by Section 1579 of the PBCL.

3.07 Withholding Rights. Parent (through the Exchange Agent, if applicable) shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement to any holder of shares of Slippery Rock Common Stock such amounts as Parent is required under the Code or any state, local or foreign tax law or regulation thereunder to deduct and withhold with respect to the making of such payment. Any amounts so withheld shall be treated for all purposes of this Agreement as having been paid to the holder of Slippery Rock Common Stock in respect of which such deduction and withholding was made by Parent.

3.08 Slippery Rock Options. At the Effective Time, each Slippery Rock Option which is then outstanding shall cease to represent a right to acquire shares of Slippery Rock Common Stock and shall be converted automatically into an option to purchase shares of Parent Common Stock, and Parent shall assume each Slippery Rock Option, in accordance with the terms of the Slippery Rock Stock Option Plans and stock option or other agreement by which it is evidenced, except that from and after the Effective Time, (i) Parent and the Compensation Committee of its Board of Directors shall be substituted for Slippery Rock and the committee of the Board of Directors of Slippery Rock (including, if applicable, the entire Board of Directors of Slippery Rock) administering such Slippery Rock Stock Option Plans, (ii) each Slippery Rock Option assumed by Parent may be exercised solely for shares of Parent Common Stock, (iii) the number of shares of Parent Common Stock subject to such Slippery Rock Option shall be equal to the number of shares of Slippery Rock Common Stock subject to such Slippery Rock Option immediately prior to the Effective Time multiplied by the Exchange Ratio, provided that any fractional shares of Parent Common Stock resulting from such multiplication shall be rounded down to the nearest share, and (iv) the per share exercise price under each such Slippery Rock Option shall be adjusted by dividing the per share exercise price under each such Slippery

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Rock Option by the Exchange Ratio, provided that such exercise price shall be rounded up to the nearest cent. Notwithstanding clauses (iii) and (iv) of the preceding sentence, each Slippery Rock Option that is an "incentive stock option" shall be adjusted as required by Section 424 of the Code, and the regulations promulgated thereunder, so as not to constitute a modification, extension or renewal of the option within the meaning of Section 424(h) of the Code. Parent and Slippery Rock agree to take all necessary steps to effect the foregoing provisions of this Section 3.08. As of the Effective Time, Parent shall issue to each holder of an outstanding Slippery Rock Option that has been assumed by Parent a document evidencing the conversion and assumption of the Slippery Rock Option by Parent pursuant to this Section 3.08.

3.09 Bank Merger. As soon as practicable after the execution of this Agreement, Slippery Rock and Parent shall cause Slippery Rock Bank and Parent Bank to enter into the Bank Merger Agreement, the form of which is attached hereto as Annex A, that provides for the merger of Slippery Rock Bank with and into Parent Bank (the "Bank Merger"), in accordance with applicable laws and regulations and the terms of the Bank Merger Agreement and as soon as practicable after consummation of the Merger. (ii) has all permits, licenses, authorizations, orders and approvals of, and has made all filings, applications and registrations with, all Governmental Authorities that are required in order to permit them to own or lease their properties and to conduct their businesses as presently conducted; all such permits, licenses, certificates of authority, orders and approvals are in full force and effect and, to Parent's knowledge, no suspension or cancellation of any of them is threatened; and

(iii) has received, since December 31, 2001, no notification or communication from any Governmental Authority (A) asserting that Parent or any of its Subsidiaries is not in compliance with any of the statutes, regulations or ordinances which such Governmental Authority enforces or (B) threatening to revoke any license, franchise, permit or governmental authorization (nor, to Parent's knowledge, do any grounds for any of the foregoing exist).

(k) No Brokers. No action has been taken by Parent or its Subsidiaries that would give rise to any valid claim against any party hereto for a brokerage commission, finder's fee or other like payment with respect to the Transaction, except a fee to be paid to Keefe, Bruyette & Woods, Inc.

(l) Tax Matters. As of the date hereof, Parent does not have any reason to believe that any conditions exist that might prevent or impede the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(f) If a Payment Event (as hereinafter defined) occurs, Slippery Rock shall pay to Parent (by wire transfer of immediately available funds), within two (2)

Edgar Filing: FNB CORP/FL/ - Form S-4/A

business days following such Payment Event, a fee of \$4,250,000 (the "Break-up Fee").

(g) The term "Payment Event" means any of the following:

(i) the termination of this Agreement by Parent pursuant to Section 8.01(f);

(ii) the termination of this Agreement by Slippery Rock pursuant to Section 8.01(g); or

(iii) the occurrence of any of the following events within twelve (12) months of the termination of this Agreement pursuant to Section 8.01(e), provided that an Acquisition Proposal shall have been made after the date hereof and prior to such termination that shall not have been withdrawn in good faith prior to such termination: (A) Slippery Rock merges with or into, or is acquired, directly or indirectly, by merger or otherwise by, a Third Party; (B) a Third Party, directly or indirectly acquires substantially all of the total assets of Slippery Rock and its Subsidiaries, taken as a whole; (C) a Third Party, directly or indirectly, acquires more than 50% of the outstanding Slippery Rock Common Stock or (D) Slippery Rock adopts or implements a plan of liquidation, recapitalization or share repurchase relating to more than 50% of the outstanding Slippery Rock Common Stock or an extraordinary dividend relating to more than substantially all of the outstanding Slippery Rock Common Stock or substantially all of the assets of Slippery Rock and its Subsidiaries, taken as a whole. As used herein, "Third Party" means any person as defined in Section 13(d) of the Exchange Act (other than Parent or its affiliates).

(h) Slippery Rock acknowledges that the agreements contained in Section 6.08(e) are an integral part of the transactions contemplated in this Agreement and that without these agreements Parent would not enter into this Agreement. Accordingly, in the event Slippery Rock fails to pay to Parent the Break-up Fee, promptly when due, Slippery Rock shall, in addition thereto, pay to Parent all costs and expenses (including attorneys' fees and disbursements) incurred in collecting such Break-up Fee together with interest on the amount of the Break-up Fee (or any unpaid portion thereof), from the date such payment was due until the date such payment is received by Parent, accrued at the fluctuating prime rate (as quoted in The Wall Street Journal) as in effect from time to time during the period.

6.09 Certain Policies. Prior to the Effective Date, each of Slippery Rock and its Subsidiaries shall, consistent with GAAP, the rules and regulations of the SEC and applicable banking laws and regulations, modify or change its loan, OREO, accrual, reserve, tax, litigation and real estate valuation policies and practices (including loan classifications and levels of reserves) so as to be applied on a basis that is consistent with that of Parent; provided, however, that no such modifications or changes need be made prior to the satisfaction of the conditions set forth in Section 7.01(b); and further provided that in any event, no accrual or reserve made by Slippery Rock or any of its Subsidiaries pursuant to this Section 6.09 shall constitute or be deemed to be a breach, violation of or failure to satisfy any representation, warranty, covenant, agreement, condition or other provision of this Agreement or otherwise be considered in determining whether any such breach, violation or failure to satisfy shall have occurred. The recording of any such adjustments shall not be deemed to imply any misstatement of previously furnished financial statements or information and shall not be construed as a concurrence of Slippery Rock or its management with any such adjustments.

6.10 NYSE Listing. Parent agrees to use its reasonable best efforts to list on the NYSE, upon official notice of issuance prior to the Effective Date, the shares of Parent Common Stock to be issued in connection with the Merger.

6.11 Indemnification.

(a) From and after the Effective Time through the sixth anniversary of the Effective Time, Parent (the "Indemnifying Party") shall indemnify and hold harmless each present and former director, officer and employee of Slippery Rock or a Slippery Rock Subsidiary, as applicable, determined as of the Effective Time (the "Indemnified Parties") against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or

A-39

occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, arising in whole or in part out of or pertaining to the fact that he or she was a director, officer, employee, fiduciary or agent of Slippery Rock or any Slippery Rock Subsidiary or is or was serving at the request of Slippery Rock or any of the Slippery Rock Subsidiaries as a director, officer, employee, fiduciary or agent of another corporation, partnership, joint venture, trust or other enterprise, including without limitation matters related to the negotiation, execution and performance of this Agreement or consummation of the Transaction, to the fullest extent that such Indemnified Parties would be entitled under the Slippery Rock Articles and the Slippery Rock Bylaws or equivalent documents of any Slippery Rock Subsidiary, as applicable, or any agreement, arrangement or understanding that has been Previously Disclosed by Slippery Rock pursuant to this Section, in each case as in effect on the date hereof.

(b) Any Indemnified Party wishing to claim indemnification under this Section 6.11, upon learning of any such claim, action, suit, proceeding or investigation, shall promptly notify the Indemnifying Party, but the failure to so notify shall not relieve the Indemnifying Party of any liability it may have to such Indemnified Party if such failure does not actually prejudice the Indemnifying Party. In the event of any such claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), (i) the Indemnifying Party shall have the right to assume the defense thereof and the Indemnifying Party shall not be liable to such Indemnified Parties for any legal expenses of other counsel or any other expenses subsequently incurred by such Indemnified Parties in connection with the defense thereof, except that if the Indemnifying Party elects not to assume such defense or counsel for the Indemnified Parties advises that there are issues that raise conflicts of interest between the Indemnifying Party and the Indemnified Parties, the Indemnified Parties may retain counsel which is reasonably satisfactory to the Indemnifying Party, and the Indemnifying Party shall pay, promptly as statements therefor are received, the reasonable fees and expenses of such counsel for the Indemnified Parties (which may not exceed one firm in any jurisdiction), (ii) the Indemnified Parties will cooperate in the defense of any such matter, (iii) the Indemnifying Party shall not be liable for any settlement effected without its prior written consent which shall not be unreasonably withheld and (iv) the Indemnifying Party shall have no obligation hereunder in the event that a federal or state banking agency or a court of competent jurisdiction shall determine that indemnification of an Indemnified Party in the manner contemplated hereby is prohibited by applicable laws and regulations.

(c) Prior to the Effective Time, Parent shall cause the persons serving as directors and officers of Slippery Rock immediately prior to the Effective Time to be covered by the directors' and officers' liability insurance policy maintained by Slippery Rock for a period of six years after the Effective Time (provided that Parent may substitute therefor policies of at least the same

Edgar Filing: FNB CORP/FL/ - Form S-4/A

coverage and amounts containing terms and conditions that are not materially less advantageous than such policy or single premium tail coverage with policy limits equal to Slippery Rock's existing coverage limits) with respect to acts or omissions occurring prior to the Effective Time that were committed by such directors and officers in their capacities as such, provided that in no event shall Parent be required to expend for any one year an amount in excess of 150% of the annual premium currently paid by Slippery Rock for such insurance (the "Insurance Amount"), and further provided that if Parent is unable to maintain or obtain the insurance called for by this Section 6.11(c) as a result of the preceding provision, Parent shall use its reasonable best efforts to obtain the most advantageous coverage as is available for the Insurance Amount.

(d) The provisions of this Section 6.11 are intended to be for the benefit of and shall be enforceable by each of the Indemnified Parties and his or her heirs.

6.12 Benefit Plans.

(a) As soon as administratively practicable after the Effective Time, Parent shall take all reasonable action so that employees of Slippery Rock and its Subsidiaries shall be entitled to participate in each employee benefit plan, program or arrangement of Parent of general applicability (the "Parent Benefit Plans") to the same extent as similarly-situated employees of Parent and its Subsidiaries (it being understood that inclusion of the employees of Slippery Rock and its Subsidiaries in the Parent Benefit Plans may occur at different times with respect to different plans), provided that coverage shall be continued under corresponding Benefit Plans of Slippery Rock and its Subsidiaries until such employees are permitted to participate in the Parent Benefit

A-40

Plans and provided further, however, that nothing contained herein shall require Parent or any of its Subsidiaries to make any grants to any former employee of Slippery Rock under any discretionary equity compensation plan of Parent. Parent shall cause each Parent Benefit Plan in which employees of Slippery Rock and its Subsidiaries are eligible to participate to recognize, for purposes of determining eligibility to participate in, the vesting of benefits and for all other purposes (but not for accrual of pension benefits) under the Parent Benefit Plans, the service of such employees with Slippery Rock and its Subsidiaries to the same extent as such service was credited for such purpose by Slippery Rock, provided, however, that such service shall not be recognized to the extent that such recognition would result in a duplication of benefits. Except for the commitment to continue those Benefit Plans of Slippery Rock and its Subsidiaries that correspond to Parent Benefit Plans until employees of Slippery Rock and its Subsidiaries are included in such Parent Benefit Plans, nothing herein shall limit the ability of Parent to amend or terminate any of Slippery Rock's Benefit Plans in accordance with and to the extent permitted by their terms at any time permitted by such terms.

(b) At and following the Effective Time, and except as otherwise provided in Sections 6.12(d), (e) and (f) Parent shall honor, and the Surviving Corporation shall continue to be obligated to perform, in accordance with their terms, all benefit obligations to, and contractual rights of, current and former employees of Slippery Rock and its Subsidiaries and current and former directors of Slippery Rock and its Subsidiaries existing as of the Effective Date, as well as all employment, executive severance or "change-in-control" or similar agreements, plans or policies of Slippery Rock that are set forth on Schedule 6.12(b) of the Slippery Rock Disclosure Schedule, subject to the receipt of any necessary approval from any Bank Regulatory Authority. The severance or termination payments that are payable pursuant to such agreements, plans or

Edgar Filing: FNB CORP/FL/ - Form S-4/A

policies of Slippery Rock are set forth on Schedule 6.12(b) of the Slippery Rock Disclosure Schedule. Following the consummation of the Merger and for one year thereafter, Parent shall, to the extent not duplicative of other severance benefits, pay employees of Slippery Rock or its Subsidiaries who are terminated for other than cause, severance as set forth on Schedule 6.12(b) of the Parent Disclosure Schedule. Following the expiration of the foregoing severance policy, any years of service recognized for purposes of this Section 6.12(b) will be taken into account under the terms of any applicable severance policy of Parent or its Subsidiaries.

(c) At such time as employees of Slippery Rock and its Subsidiaries become eligible to participate in a medical, dental or health plan of Parent or its Subsidiaries, Parent shall cause each such plan to (i) waive any preexisting condition limitations to the extent such conditions are covered under the applicable medical, health or dental plans of Parent, (ii) provide full credit under such plans for any deductibles, co-payment and out-of-pocket expenses incurred by the employees and their dependents during the portion of the calendar year prior to such participation and (iii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to such employee or dependent on or after the Effective Time to the extent such employee or dependent had satisfied any similar limitation or requirement under an analogous Benefit Plan prior to the Effective Time.

(d) Immediately prior to the Effective Time, Slippery Rock shall, at the written request of Parent, terminate such of the Slippery Rock Benefit Plans as is requested by Parent.

(e) At the Effective Time, the Employment Agreement between Slippery Rock and William Sonntag shall be terminated without further obligation on the part of Slippery Rock or Parent, and Slippery Rock shall, subject to compliance with Section 6.17, enter into the Separation and Release Agreement with William Sonntag and Parent shall, subject to compliance with Section 6.17, enter into the Business Retention and Development Agreement and the Non-Competition Agreement with William Sonntag.

(f) Prior to the date of this Agreement, the Slippery Rock Board of Directors shall have terminated the Slippery Rock Financial Corporation Executive Change in Control Pay Plans and at the Effective Time, subject to compliance with Section 6.17, Slippery Rock shall enter into the Key Employee Severance Agreements with the persons indicated in Section 6.17(d).

6.13 Parent Bank Board. Parent agrees to take all action necessary to appoint or elect, effective as of the Effective Time, as directors of Parent Bank two current members of Slippery Rock's Board of Directors (the "Slippery Rock Designees") as are mutually agreed by Parent and Slippery Rock. Such persons shall serve until the first annual meeting of stockholders of Parent Bank following the Effective Time and until his

A-41

successor is elected and qualified. Subject to the fiduciary duties of the Parent Bank Board, Parent Bank shall include the Slippery Rock Designees on the list of nominees for director presented by the Parent Bank Board and for which the Parent Bank Board shall solicit proxies at the first annual meeting of stockholders of Parent Bank following the Effective Time (the "Parent Bank 2005 Annual Meeting"). Subject to the fiduciary duties of the Parent Bank Board, Parent Bank agrees that to the extent that one or more of the Slippery Rock Designees dies or becomes incapacitated prior to the Effective Time, the remaining Slippery Rock Designees may recommend to the Parent Bank Board a person to serve as successor, and provided that such person is reasonably acceptable to the Parent Bank Board, such person shall be appointed to fill the vacancy so created. If, during the initial term prior to the Parent Bank 2005

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Annual Meeting or the term immediately following the Parent Bank 2005 Annual Meeting, any one of the Slippery Rock Designees vacates the seat they have been elected to for any reason, Parent Bank agrees, subject to the fiduciary duties of the Parent Bank Board, to appoint a current Slippery Rock director to replace that director. Additionally, if during the first initial term or the longest term to which any of the Slippery Rock Designees is elected at the Parent Bank 2005 Annual Meeting, there is a vacancy that occurs on the Parent Bank Board, Parent Bank agrees to consider a current Slippery Rock director to fill the vacancy, provided that nothing herein shall obligate Parent Bank to appoint a current Slippery Rock director to the Parent Bank Board under such circumstances.

6.14 Notification of Certain Matters. Each of Slippery Rock and Parent shall give prompt notice to the other of any fact, event or circumstance known to it that (i) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in any Material Adverse Effect with respect to it or (ii) would cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein.

6.15 Regulatory Conditions. In the event of the imposition of any conditions, restrictions or requirements in connection with the regulatory approvals required by Section 7.01(b) that Parent determines would materially reduce the benefits of the Merger as provided in Section 7.01(b), Parent shall use its commercially reasonable efforts to obtain the removal of any such condition, restriction or requirement.

6.16 Exemption From Liability Under Section 16(b). Assuming that Slippery Rock delivers to Parent the Section 16 Information not less than five Business Days in advance of the Effective Time, the Board of Directors of Parent, or a committee of Non-Employee Directors thereof (as such term is defined for purposes of Rule 16b-3(d) under the Exchange Act), shall reasonably promptly thereafter and in any event prior to the Effective Time adopt a resolution providing that the receipt by the Slippery Rock Insiders of Parent Common Stock in exchange for shares of Slippery Rock Common Stock, and of options to purchase Parent Common Stock upon conversion of Slippery Rock Options pursuant to the transactions contemplated hereby and to the extent such securities are listed in the Section 16 Information provided by Slippery Rock to Parent prior to the Effective Time, are intended to be exempt from liability pursuant to Section 16(b) under the Exchange Act such that any such receipt shall be so exempt.

6.17 Regulatory Approval of Certain Agreements and Payments. Parent shall use commercially reasonable efforts to obtain the approval of the OCC, together with the written concurrence of the FDIC, for:

(a) the proposed Non-Competition Agreement between Parent and William Sonntag and the payments contemplated thereby;

(b) the proposed Business Retention and Development Agreement between Parent and William Sonntag and the payments contemplated thereby;

(c) the proposed Separation and Release Agreement between Slippery Rock and William Sonntag and the payments contemplated thereby;

(d) the Key Employee Severance Agreements between Slippery Rock and the Slippery Rock officers identified as Covered Persons in Schedule 4.01(d) of the Slippery Rock Disclosure Schedule and the payments contemplated thereby;

(e) payments contemplated by the Change of Control Severance Benefits Agreement between Slippery Rock and John J. Boczar dated July 12, 2001; and

(f) the payments contemplated by the Change of Control Severance Benefits Agreement between Slippery Rock and Wayne Grinnik dated December 18, 2002.

ARTICLE VII

7.01 Conditions to Each Party's Obligation to Effect the Merger. The respective obligation of each of the parties hereto to consummate the Merger is subject to the fulfillment or, to the extent permitted by applicable law, written waiver by the parties hereto prior to the Closing Date of each of the following conditions:

(a) Stockholder Approval. This Agreement and the Merger shall have been duly approved by the requisite vote of the holders of outstanding shares of Slippery Rock Common Stock.

(b) Regulatory Approvals. All regulatory approvals required to consummate the Merger shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired and no such approvals shall contain any conditions, restrictions or requirements that the Parent Board reasonably determines in good faith would, individually or in the aggregate, materially reduce the benefits of the Transaction to such a degree that Parent would not have entered into this Agreement had such conditions, restrictions or requirements been known at the date hereof.

(c) No Injunction. No Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) that is in effect and prohibits consummation of the Transaction.

(d) Registration Statement. The Registration Statement shall have become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been initiated by the SEC and not withdrawn.

(e) Listing. The shares of Parent Common Stock to be issued in the Merger shall have been approved for listing on the NYSE.

7.02 Conditions to Obligation of Slippery Rock. The obligation of Slippery Rock to consummate the Merger is also subject to the fulfillment by Parent or written waiver by Slippery Rock prior to the Closing Date of each of the following conditions:

(a) Representations and Warranties. The representations and warranties of Parent set forth in this Agreement, subject in all cases to the standard set forth in Section 5.02, shall be true and correct as of the date of this Agreement and as of the Effective Date as though made on and as of the Effective Date (except that representations and warranties that by their terms speak as of the date of this Agreement or some other date shall be true and correct as of such date), and Slippery Rock shall have received a certificate, dated the Effective Date, signed on behalf of Parent by the Chief Executive Officer and the Chief Financial Officer of Parent to such effect.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

(b) Performance of Obligations of Parent. Parent shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Effective Time in order to consummate the Merger, and Slippery Rock shall have received a certificate, dated the Effective Date, signed on behalf of Parent by the Chief Executive Officer and the Chief Financial Officer of Parent to such effect.

(c) Tax Opinion. Slippery Rock shall have received the written opinion of Manatt, Phelps & Phillips, LLP, dated as of the Effective Date (which shall be based on such written representations from Parent, Slippery Rock and others as such counsel shall reasonably request) to the effect that the Merger will constitute a reorganization within the meaning of Section 368(a) of the Code.

A-43

(d) Other Actions. Parent shall have furnished Slippery Rock with such certificates of its respective officers or others and such other documents to evidence fulfillment of the conditions set forth in Sections 7.01 and 7.02 as Slippery Rock may reasonably request.

7.03 Conditions to Obligation of Parent. The obligation of Parent to consummate the Merger is also subject to the fulfillment by Slippery Rock or written waiver by Parent prior to the Closing Date of each of the following conditions:

(a) Representations and Warranties. The representations and warranties of Slippery Rock set forth in this Agreement, subject in all cases to the standard set forth in Section 5.02, shall be true and correct as of the date of this Agreement and as of the Effective Date as though made on and as of the Effective Date (except that representations and warranties that by their terms speak as of the date of this Agreement or some other date shall be true and correct as of such date), and Parent shall have received a certificate, dated the Effective Date, signed on behalf of Slippery Rock by the Chief Executive Officer and the Chief Financial Officer of Slippery Rock to such effect.

(b) Performance of Obligations of Slippery Rock. Slippery Rock shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Effective Time in order to consummate the Merger, and Parent shall have received a certificate, dated the Effective Date, signed on behalf of Slippery Rock by the Chief Executive Officer and the Chief Financial Officer of Slippery Rock to such effect.

(c) Tax Opinion. Parent shall have received the written opinion of Duane Morris LLP, dated as of the Effective Date (which shall be based on such written representations from Parent, Slippery Rock and others as such counsel shall reasonably request) to the effect that the Merger will constitute a reorganization within the meaning of Section 368(a) of the Code.

(d) Other Actions. Slippery Rock shall have furnished Parent with such certificates of its officers or others and such other documents to evidence fulfillment of the conditions set forth in Sections 7.01 and 7.03 as Parent may reasonably request.

ARTICLE VIII

TERMINATION

Edgar Filing: FNB CORP/FL/ - Form S-4/A

8.01 Termination. This Agreement may be terminated at any time prior to the Effective Date, and the Transaction may be abandoned:

(a) Mutual Consent. By the mutual consent in writing of Parent and Slippery Rock if the Board of Directors of each so determines by vote of a majority of the members of its entire Board.

(b) Breach. Provided that the terminating party is not then in material breach of any representation, warranty, covenant or agreement contained therein (subject in all cases to the standard set forth in Section 5.02), by Parent or Slippery Rock, if its Board of Directors so determines by vote of a majority of the members of its entire Board, in the event of: (i) a breach by Parent, on the one hand, or Slippery Rock, on the other hand, as the case may be, of any representation or warranty contained herein (subject to the standard set forth in Section 5.02), which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party or parties of such breach; or (ii) a breach by Parent, on the one hand, or Slippery Rock, on the other hand, as the case may be, of any of the covenants or agreements contained herein, which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party or parties of such breach, which breach (whether under (i) or (ii)) would be reasonably expected, individually or in the aggregate with other breaches, to result in a Material Adverse Effect with respect to Parent or Slippery Rock, as the case may be.

(c) Delay. By Parent or Slippery Rock, if its Board of Directors so determines by vote of a majority of the members of its entire Board, in the event that the Merger is not consummated by February 28, 2005, except to the extent that the failure of the Merger then to be consummated by such

A-44

date shall be due to the failure of the party seeking to terminate pursuant to this Section 8.01(c) to perform or observe the covenants and agreements of such party, in the case of Parent, set forth in this Agreement.

(d) No Regulatory Approval. By Parent or Slippery Rock, if its Board of Directors so determines by a vote of a majority of the members of its entire Board, in the event the approval of any Governmental Authority required for consummation of the Merger and the other transactions contemplated by this Agreement (other than any governmental action required under Part 359 of the Rules and Regulations of the FDIC) shall have been denied by final nonappealable action of such Governmental Authority or an application therefor shall have been permanently withdrawn at the request of a Governmental Authority, provided, however, that no party shall have the right to terminate this Agreement pursuant to this Section 8.01(d) if such denial shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants of such party set forth herein.

(e) No Slippery Rock Common Stockholder Approval. By either Parent or Slippery Rock provided that Slippery Rock shall not be in material breach of any of its obligations under Section 6.02, if any approval of the stockholders of Slippery Rock contemplated by this Agreement shall not have been obtained by reason of the failure to obtain the required vote at the Slippery Rock Meeting or at any adjournment or postponement thereof.

(f) Slippery Rock Failure to Recommend. At any time prior to the Slippery Rock Meeting, by Parent if (i) Slippery Rock shall have breached Section 6.08 in any respect materially adverse to Parent, (ii) the Slippery

Edgar Filing: FNB CORP/FL/ - Form S-4/A

Rock Board of Directors shall have failed to make its Approval Recommendation or shall have effected a Change in the Slippery Rock Recommendation or (iii) Slippery Rock shall have materially breached its obligations under Section 6.02 by failing to call, give notice of, convene and hold the Slippery Rock Meeting.

(g) Superior Proposal. At any time prior to the date of mailing of the Proxy Statement, by Slippery Rock in order to concurrently enter into an Acquisition Proposal that has been received by Slippery Rock and the Slippery Rock Board of Directors in compliance with Sections 6.08(a) and (b) and that Slippery Rock's Board of Directors concludes in good faith, in consultation with its financial and legal advisors, that such Acquisition Proposal is a Superior Proposal; provided, however, that this Agreement may be terminated by Slippery Rock pursuant to this Section 8.01(g) only after the fifth Business Day following Slippery Rock's provision of written notice to Parent advising Parent, that the Slippery Rock Board of Directors is prepared to accept a Superior Proposal and only if (i) during such five-Business Day period, Slippery Rock has caused its financial and legal advisors to negotiate in good faith to make such adjustments in the terms and conditions of this Agreement such that such Acquisition Proposal would no longer constitute a Superior Proposal, (ii) Slippery Rock's Board of Directors has considered such adjustments in the terms and conditions of this Agreement resulting from such negotiations and has concluded in good faith, based upon consultation with its financial and legal advisers, that such Acquisition Proposal remains a Superior Proposal even after giving effect to the adjustments proposed by Parent and further provided that such termination shall not be effective until Slippery Rock has paid the Break-up Fee to Parent.

(h) Possible Adjustment. By Slippery Rock at any time during the two-day period following the Determination Date, if both of the following conditions (1) and (2) are satisfied:

(1) the Average Closing Price (as defined below) shall be less than the product of 0.800 and the Starting Price; and

(2) the number obtained by dividing the Average Closing Price by the Starting Price (such number being referred to herein as the "Parent Ratio") shall be less than the number obtained by dividing the Index Price on the Determination Date by the Index Price on the Starting Date and subtracting 0.200 from such quotient (such number being referred to herein as the "Index Ratio");

subject to the following. If Slippery Rock elects to exercise its termination right pursuant to the immediately preceding sentence, it shall give prompt written notice to Parent; provided that such notice of election to

A-45

terminate may be withdrawn at any time within the aforementioned two-day period. For the purposes of this Agreement, (i) "Average Closing Price" means the average of the last reported closing prices per share of Parent Common Stock as reported on the NYSE (as reported in The Wall Street Journal or, if not reported therein, in another mutually agreed upon authoritative source) for the twenty consecutive trading days immediately preceding the Determination Date and (ii) "Index Price" on a given date means the closing price of the Nasdaq Bank Index.

8.02 Effect of Termination. In the event of termination of this Agreement by either Parent or Slippery Rock as provided in Section 8.01, this Agreement shall forthwith become void and have no effect except (i) Sections 6.06(c), 6.08(e) and (f), 8.02 and 9.05 shall survive any termination of this Agreement and (ii) notwithstanding anything to the contrary contained in this Agreement,

Edgar Filing: FNB CORP/FL/ - Form S-4/A

no party shall be relieved or released from any liability or damages arising out of its willful breach of any of the provisions of this Agreement.

ARTICLE IX

MISCELLANEOUS

9.01 Survival. No representations, warranties, agreements and covenants contained in this Agreement shall survive the Effective Time (other than agreements or covenants contained herein that by their express terms are to be performed in whole or in part after the Effective Time) or the termination of this Agreement if this Agreement is terminated prior to the Effective Time (other than Sections 6.06(c), 8.02 and, excepting Section 9.12 hereof, this Article IX, which shall survive any such termination). Notwithstanding anything in the foregoing to the contrary, no representations, warranties, agreements and covenants contained in this Agreement shall be deemed to be terminated or extinguished so as to deprive a party hereto or any of its affiliates of any defense at law or in equity that otherwise would be available against the claims of any Person, including without limitation any stockholder or former stockholder.

9.02 Waiver; Amendment. Prior to the Effective Time, any provision of this Agreement may be (i) waived, by the party benefited by the provision or (ii) amended or modified at any time, by an agreement in writing among the parties hereto executed in the same manner as this Agreement, except that after the Slippery Rock Meeting no amendment shall be made that by law requires further approval by the stockholders of Slippery Rock without obtaining such approval.

9.03 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to constitute an original.

9.04 Governing Law. This Agreement shall be governed by, and interpreted in accordance with, the laws of the Commonwealth of Pennsylvania applicable to contracts made and to be performed entirely within such State.

9.05 Expenses. Each party hereto will bear all expenses incurred by it in connection with this Agreement and the transactions contemplated hereby, including fees and expenses of its own financial consultants, accountants and counsel, except that expenses of printing the Proxy Statement and the registration fee to be paid to the SEC in connection with the Registration Statement shall be shared equally between Slippery Rock and Parent, and provided further that nothing contained herein shall limit either party's rights to recover any liabilities or damages arising out of the other party's willful breach of any provision of this Agreement.

9.06 Notices. All notices, requests and other communications hereunder to a party shall be in writing and shall be deemed given if personally delivered, telecopied (with confirmation) or mailed by registered or certified mail (return receipt requested) to such party at its address set forth below or such other address as such party may specify by notice to the parties hereto.

ANNEX B

, 2004

F.N.B. Corporation
One F.N.B. Boulevard
Hermitage, PA 16148

Ladies and Gentlemen:

I have been advised that I may be deemed an "affiliate" of Slippery Rock Financial Corporation, a Pennsylvania corporation ("Slippery Rock"), as that term is defined in Rule 144 and used in Rule 145 promulgated by the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "Securities Act"). I understand that pursuant to the terms of the Agreement and Plan of Merger, dated as of , 2004 (the "Agreement"), between F.N.B. Corporation, a Florida corporation ("Parent") and Slippery Rock, Slippery Rock plans to merge with and into Parent (the "Merger").

I further understand that as a result of the Merger, I will be entitled to elect to receive shares of common stock, par value \$.01 per share, of Parent ("Parent Common Stock") in exchange for shares of common stock, par value \$0.25 per share, of Slippery Rock ("Slippery Rock Common Stock").

I have carefully read this letter and reviewed the Agreement, discussed their requirements and other applicable limitations upon my ability to sell, transfer, or otherwise dispose of Parent Common Stock, to the extent I felt necessary, with my counsel or counsel for Slippery Rock.

I represent, warrant and covenant with and to Parent that in the event I receive any shares of Parent Common Stock as a result of the Merger:

I shall not make any sale, transfer or other disposition of such shares of Parent Common Stock unless (i) such sale, transfer or other disposition has been registered under the Securities Act, (ii) such sale, transfer or other disposition is made in conformity with the provisions of Rule 145 under the Securities Act (as such rule may be amended from time to time), or (iii) in the opinion of counsel in form and substance reasonably satisfactory to Parent, or under a "no-action" letter obtained by me from the staff of the SEC, such sale,

Edgar Filing: FNB CORP/FL/ - Form S-4/A

transfer or other disposition will not violate the registration requirements of, or is otherwise exempt from registration under, the Securities Act.

I understand that Parent is under no obligation to register the sale, transfer or other disposition of shares of Parent Common Stock by me or on my behalf under the Securities Act or to take any other action necessary in order to make compliance with an exemption from such registration available.

I understand that stop transfer instructions will be given to Parent's transfer agent with respect to shares of Parent Common Stock issued to me as a result of the Merger and that there will be placed on the certificates for such shares, or any substitutions therefor, a legend stating in substance:

"The shares represented by this certificate were issued as a result of the merger of Slippery Rock Financial Corporation with and into F.N.B. Corporation, on _____, 2004 in a transaction to which Rule 145 promulgated under the Securities Act of 1933 applies. The shares represented by this certificate may be transferred only in accordance with the terms of a letter agreement between the registered holder hereof and F.N.B. Corporation, a copy of which agreement is on file at the principal offices of F.N.B. Corporation.

I understand that, unless transfer by me of the Parent Common Stock issued to me as a result of the Merger has been registered under the Securities Act or such transfer is made in conformity with the provisions of Rule 145(d) under the Securities Act, Parent reserves the right, in its sole discretion, to place the following legend on the certificates issued to my transferee:

"The shares represented by this certificate have not been registered under the Securities Act of 1933 and were acquired from [SHAREHOLDER] who, in turn, received such shares as a result of the merger of

A-53

Slippery Rock Financial Corporation with and into F.N.B. Corporation on _____, 2004 in a transaction to which Rule 145 under the Securities Act of 1933 applies. The shares have been acquired by the holder not with a view to, or for resale in connection with, any distribution thereof within the meaning of the Securities Act of 1933 and may not be offered, sold, pledged or otherwise transferred except in accordance with an exemption from the registration requirements of the Securities Act of 1933."

It is understood and agreed that the legends set forth above shall be removed by delivery of substitute certificates without such legends if I shall have delivered to Parent (i) a copy of a "no action" letter from the staff of the SEC, or an opinion of counsel in form and substance reasonably satisfactory to Parent, to the effect that such legend is not required for purposes of the Securities Act, or (ii) evidence or representations satisfactory to Parent that Parent Common Stock represented by such certificates is being or has been sold in conformity with the provisions of Rule 145(d).

I further understand and agree that the provisions of Rule 145 shall apply to all shares of Parent Common Stock that (i) my spouse, (ii) any relative of mine or any relative of my spouse or any one of whom has the same home as me, (iii) any trust or estate in which I, my spouse or any such relative owns at least a 10% beneficial interest or of which any of us serves as trustee, executor or in any similar capacity and (iv) any corporation or other organization in which I, my spouse or any such relative owns at least 10% of any class of equity securities or of the equity interest, receives as a result of the Merger and I further represent, warrant and covenant with and to Parent that I will have, and will cause each of such persons to have, all shares of Slippery Rock Common Stock owned (other than shares held through tax qualified retirement

Edgar Filing: FNB CORP/FL/ - Form S-4/A

or benefit plans) by me or such persons registered in my name or the name of such persons, as applicable, prior to the effective date of the Merger and not in the name of any bank, broker or dealer, nominee or clearing house.

By acceptance hereof, Parent agrees, for a period of two years after the Effective Time (as defined in the Agreement) that, so long as it is obligated to file reports pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended, it will use its reasonable best efforts to timely file such reports so that the public information requirements of Rule 144(c) promulgated under the Securities Act are satisfied and the resale provisions of Rule 145(d)(1) and (2) are therefore available to me in the event I desire to transfer any Parent Common Stock issued to me in the Merger.

It is understood and agreed that this letter shall terminate and be of no further force and effect if the Merger Agreement is terminated in accordance with its terms.

Execution of this letter should not be construed as an admission on my part that I am an "affiliate" of Slippery Rock as described in the first paragraph of this letter or as a waiver of any rights I might have to object to any claim that I am such an affiliate on or after the date of this letter.

Very truly yours,

Slippery Rock Financial Corporation

Members of the Board:

F.N.B. Corporation ("FNB") and Slippery Rock Financial Corporation

Edgar Filing: FNB CORP/FL/ - Form S-4/A

("Slippery Rock") have entered into an Agreement and Plan of Merger, dated as of May 5, 2004 (the "Merger Agreement"), that provides, among other things, for the merger (the "Transaction") of Slippery Rock into FNB. Pursuant to the terms of the Merger Agreement, upon completion of the Transaction, each share of common stock, par value \$0.25 per share, of Slippery Rock issued and outstanding immediately prior to the completion of the Transaction (the "Slippery Rock Common Stock") will be converted into the right to receive, at the election of the holder thereof, either (i) 1.41 shares of FNB common stock, par value \$0.10 per share ("FNB Common Stock"), or (ii) \$28.00 in cash without interest (collectively, the "Merger Consideration"), subject to the election and proration procedures set forth in the Merger Agreement, which provide generally, among other things, that at least 3,266,554 shares of FNB Common Stock shall be issued to holders of Slippery Rock Common Stock in exchange for some, but not all, of the shares of Slippery Rock Common Stock. The terms and conditions of the Transaction are more fully set forth in the Merger Agreement.

Slippery Rock has the right, during the two-day period following the Determination Date (as defined in the Merger Agreement), to terminate the Merger Agreement if the average final price of FNB Common Stock for the twenty (20) consecutive trading days ending on the trading day immediately preceding the Determination Date is less than \$15.38 (representing a 20% decline from the \$19.23 closing sales price of FNB Common Stock on May 7, 2004) and the decline in the average final price of FNB Common Stock since May 7, 2004 is at least 20% (as further explained in the Merger Agreement) greater than the change during the same period in the Nasdaq Bank Index. It is not possible to know until the Determination Date if the average final price will be less than \$15.38 or if the decline in the price of FNB common stock will be 20% greater than the change in the Nasdaq Bank Index. Griffin cannot predict whether or not the Slippery Rock board would exercise its right to give notice to FNB that Slippery Rock desired to terminate the Merger Agreement, if these conditions were met. Griffin's opinion does not address the fairness from a financial point of view of the Merger Consideration if the above price conditions have been met and the Slippery Rock board does not terminate the Merger Agreement.

You have asked for our opinion as to whether the Merger Consideration proposed to be paid for each share of Slippery Rock Common Stock in the Transaction is fair from a financial point of view to Slippery Rock and its shareholders.

For purposes of providing the opinion set forth herein, we have:

(i) reviewed certain publicly available financial statements and other information of FNB and Slippery Rock, respectively, that we believe to be relevant;

(ii) reviewed certain internal financial statements and other financial and operating data concerning each of FNB and Slippery Rock, including financial forecasts and profit plans, prepared by the management of FNB and Slippery Rock, respectively;

(iii) reviewed the Formal Agreement, dated October 15, 2002, between The First National Bank of Slippery Rock and the Office of the Comptroller of the Currency (the "Formal Agreement") and discussed with management of Slippery Rock the implications of the Formal Agreement on the future

Edgar Filing: FNB CORP/FL/ - Form S-4/A

financial performance of Slippery Rock;

(iv) discussed the past and current operations, financial condition, lines of business and the prospects of each of FNB and Slippery Rock with senior executives of FNB and Slippery Rock, respectively, including with respect to FNB (x) the potential impact on FNB of the Transaction, including potential cost savings synergies and other strategic, financial and operational benefits that management of FNB expects to realize from the combination of FNB and Slippery Rock and (y) the forecasted impact of the proposed Transaction on the future financial performance of FNB;

(v) reviewed earnings per share consensus estimates for FNB for the years ending December 31, 2004 and 2005 published by Thomson First Call;

(vi) reviewed the publicly reported historical price and trading activity for Slippery Rock Common Stock and FNB Common Stock, including a comparison of certain financial and stock market information for Slippery Rock and FNB with similar publicly available information for certain other financial institutions the securities of which are publicly traded;

(vii) reviewed the financial terms, to the extent publicly available, of certain merger and acquisition transactions between financial institutions which we viewed as comparable;

(viii) participated in discussions and negotiations between FNB and Slippery Rock;

(ix) reviewed the Merger Agreement (including the schedules and exhibits thereto);

(x) considered the competitive environment for financial institutions; and

(xi) performed comparable company, selected reference transaction and pro forma merger analyses.

In connection with our review of Slippery Rock, FNB and the proposed Transaction, we have assumed and relied upon, the accuracy and completeness of the information reviewed by us for the purposes of this opinion, without independent verification. We have also relied upon assurances from management of Slippery Rock and FNB that they are not aware of any facts and circumstances that may cause the information reviewed by us to contain a misstatement or omission of a fact material to our opinion. With respect to financial and operating forecasts and profit plans, including the synergies, cost savings and other strategic, financial and operational benefits to be realized in connection with the completion of the Transaction, we have assumed that such financial and operating forecasts reflect the best available estimates and judgments of the future financial performance of FNB, after giving effect to the Transaction and are based on reasonable assumptions, estimates and judgments of management. We have also relied upon the advice Slippery Rock and FNB have each received from their respective legal counsel, tax advisors and independent public accountants as to all legal, tax and accounting matters relating to the Transaction, including without limitation, that the Transaction will be treated as a tax-free reorganization for federal income tax purposes to

the extent indicated in the opinions of counsel to Slippery Rock and FNB. We have assumed that the Transaction is, and will be completed in accordance with the terms of the Merger Agreement and all laws and regulations applicable to Slippery Rock and FNB and that in the course of obtaining the necessary regulatory approvals or other approvals of the Transaction, no restrictions will be imposed that may have a material adverse effect on the future results of operation or financial condition of FNB, Slippery Rock or the combined entity, as the case may be, or on the contemplated benefits of the Transaction. We have not made any independent valuation or appraisal of either of Slippery Rock or FNB or their respective assets or liabilities (including any hedge, swap foreign exchange, derivative or off-balance sheet assets or liabilities), nor have we been furnished with any such appraisals and we have not made any review of the loans, loan loss reserves or reviewed any individual loan credit files of the bank subsidiaries, Slippery Rock or FNB. We have also assumed that the published estimates of third party research analysts constitute a reasonable basis upon which to evaluate the future financial performance of each of Slippery Rock and FNB. In addition, we did not conduct a physical inspection of any of the properties or facilities of FNB or Slippery Rock. We are not expressing an opinion as to what the value of FNB common stock will actually be when issued or the price at which FNB common stock will trade at any time or whether FNB will realize the intended specific strategic and operational objectives and benefits of the Transaction. This opinion is based upon market, economic and other conditions as they exist on, and could be evaluated, as a practical matter, as of the date hereof. We assumed, in all respects material to our analyses, that all of the representations and warranties contained in the Merger Agreement and all related agreements were true and correct, that each party to such agreements would perform all of the covenants required to be performed by such party under such agreements and that the conditions precedent in the Merger Agreement have not been nor will be waived. We also assumed that there has been no material change in FNB's or Slippery Rock's assets, financial condition, results of operations, business or prospects since the date of the last financial statements made available to us. Our opinion does not address the relative merits of the Transaction as compared to any other business strategy that might exist for Slippery Rock, nor does it address the underlying business decision of Slippery Rock to engage in the Transaction.

We have served as financial advisor to the Board of Directors of Slippery Rock in connection with this Transaction and will receive a fee for our services, a part of which is contingent on the closing of the Transaction. Griffin Financial Group, LLC has previously provided financial advisory services to Slippery Rock and has received customary fees for providing such services.

This letter is directed to the Board of Directors of Slippery Rock solely in connection with its evaluation of the Transaction and speaks as of the date hereof and we assume no obligation to update this opinion for any purpose. Our opinion is directed only to the fairness, from a financial point of view, of the Merger Consideration to be paid by FNB in the Transaction. This opinion does not constitute a recommendation to any shareholder of Slippery Rock as to how such shareholder should vote as to the Transaction. It may not be used for any other purpose without our prior written consent, except that this opinion may be included as an Appendix to the Proxy Statement/Prospectus of Slippery Rock and FNB dated the date hereof and to the references to this opinion therein.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair, from a financial point of view, to Slippery Rock.

Very truly yours,

(i) (Repealed.)

(ii) Shares of any preferred or special class or series unless the articles, the plan or the terms of the transaction entitle all shareholders of the class or series to vote thereon and require for the adoption of the plan or the effectuation of the transaction the affirmative vote of a majority of the votes cast by all shareholders of the class or series.

(iii) Shares entitled to dissenters rights under section 1906(c) (relating to dissenters rights upon special treatment).

(3) The shareholders of a corporation that acquires by purchase, lease, exchange or other disposition all or substantially all of the shares, property or assets of another corporation by the issuance of shares, obligations or otherwise, with or without assuming the liabilities of the other corporation and with or without the intervention of another corporation or other person, shall not be entitled to the rights and remedies of dissenting shareholders provided in this subchapter regardless of the fact, if it be the case, that the acquisition was accomplished by the issuance of voting shares of the corporation to be outstanding immediately after the acquisition sufficient to elect a majority or more of the directors of the corporation.

(c) Grant of Optional Dissenters Rights. The bylaws or a resolution of the board of directors may direct that all or a part of the shareholders shall have dissenters rights in connection with any corporate action or other transaction that would otherwise not entitle such shareholders to dissenters rights.

(d) Notice of Dissenters Rights. Unless otherwise provided by statute, if a proposed corporate action that would give rise to dissenters rights under this subpart is submitted to a vote at a meeting of shareholders, there shall be included in or enclosed with the notice of meeting:

(1) a statement of the proposed action and a statement that the shareholders have a right to dissent and obtain payment of the fair value of their shares by complying with the terms of this subchapter; and

(2) a copy of this subchapter.

(e) Other Statutes. The procedures of this subchapter shall also be applicable to any transaction described in any statute other than this part that makes reference to this subchapter for the purpose of granting dissenters rights.

(f) Certain Provisions of Articles Ineffective. This subchapter may not be relaxed by any provision of the articles.

(g) Computation of Beneficial Ownership. For purposes of subsection

Edgar Filing: FNB CORP/FL/ - Form S-4/A

(b)(1)(ii), shares that are held beneficially as joint tenants, tenants by the entirety, tenants in common or in trust by two or more persons, as fiduciaries or otherwise, shall be deemed to be held beneficially by one person.

(h) Cross References. See sections 1105 (relating to restriction on equitable relief), 1904 (relating to de facto transaction doctrine abolished), 1763(c) (relating to determination of shareholders of record) and 2512 (relating to dissenters rights procedure).

SECTION 1572. Definitions.

The following words and phrases when used in this subchapter shall have the meanings given to them in this section unless the context clearly indicates otherwise:

"Corporation." The issuer of the shares held or owned by the dissenter before the corporate action or the successor by merger, consolidation, division, conversion or otherwise of that issuer. A plan of division may designate which one or more of the resulting corporations is the successor corporation for the purpose of this subchapter. The designated successor corporation or corporations in a division shall have sole responsibility for

C-2

payments to dissenters and other liabilities under this subchapter except as otherwise provided in the plan of division.

"Dissenter." A shareholder who is entitled to and does assert dissenters rights under this subchapter and who has performed every act required up to the time involved for the assertion of those rights.

"Fair Value." The fair value of shares immediately before the effectuation of the corporate action to which the dissenter objects taking into account all relevant factors, but excluding any appreciation or depreciation in anticipation of the corporate action.

"Interest." Interest from the effective date of the corporate action until the date of payment at such rate as is fair and equitable under all the circumstances, taking into account all relevant factors including the average rate currently paid by the corporation on its principal bank loans.

"Shareholder." A shareholder as defined in section 1103 (relating to definitions), or an ultimate beneficial owner of shares, including, without limitation, a holder of depository receipts, where the beneficial interest owned includes an interest in the assets of the corporation upon dissolution.

SECTION 1573. Record and Beneficial Holders and Owners.

(a) Record Holders of Shares. A record holder of shares of a business corporation may assert dissenters rights as to fewer than all of the shares registered in his name only if he dissents with respect to all the shares of the same class or series beneficially owned by any one person and discloses the name and address of the person or persons on whose behalf he dissents. In that event, his rights shall be determined as if the shares as to which he has dissented and his other shares were registered in the names of different shareholders.

(b) Beneficial Owners of Shares. A beneficial owner of shares of a business corporation who is not the record holder may assert dissenters rights with respect to shares held on his behalf and shall be treated as a dissenting shareholder under the terms of this subchapter if he submits to the corporation not later than the time of the assertion of dissenters rights a written consent

Edgar Filing: FNB CORP/FL/ - Form S-4/A

of the record holder. A beneficial owner may not dissent with respect to some but less than all shares of the same class or series owned by the owner, whether or not the shares so owned by him are registered in his name.

SECTION 1574. Notice of Intention to Dissent.

If the proposed corporate action is submitted to a vote at a meeting of shareholders of a business corporation, any person who wishes to dissent and obtain payment of the fair value of his shares must file with the corporation, prior to the vote, a written notice of intention to demand that he be paid the fair value for his shares if the proposed action is effectuated, must effect no change in the beneficial ownership of his shares from the date of such filing continuously through the effective date of the proposed action and must refrain from voting his shares in approval of such action. A dissenter who fails in any respect shall not acquire any right to payment of the fair value of his shares under this subchapter. Neither a proxy nor a vote against the proposed corporate action shall constitute the written notice required by this section.

SECTION 1575. Notice to Demand Payment.

(a) General Rule. If the proposed corporate action is approved by the required vote at a meeting of shareholders of a business corporation, the corporation shall mail a further notice to all dissenters who gave due notice of intention to demand payment of the fair value of their shares and who refrained from voting in favor of the proposed action. If the proposed corporate action is to be taken without a vote of shareholders, the corporation shall send to all shareholders who are entitled to dissent and demand payment of the fair value of their shares a notice of the adoption of the plan or other corporate action. In either case, the notice shall:

(1) State where and when a demand for payment must be sent and certificates for certificated shares must be deposited in order to obtain payment.

(2) Inform holders of uncertificated shares to what extent transfer of shares will be restricted from the time that demand for payment is received.

C-3

(3) Supply a form for demanding payment that includes a request for certification of the date on which the shareholder, or the person on whose behalf the shareholder dissents, acquired beneficial ownership of the shares.

(4) Be accompanied by a copy of this subchapter.

(b) Time for Receipt of Demand for Payment. The time set for receipt of the demand and deposit of certificated shares shall be not less than 30 days from the mailing of the notice.

SECTION 1576. Failure to Comply with Notice to Demand Payment, Etc.

(a) Effect of Failure of Shareholder to Act. A shareholder who fails to timely demand payment, or fails (in the case of certificated shares) to timely deposit certificates, as required by a notice pursuant to section 1575 (relating to notice to demand payment) shall not have any right under this subchapter to receive payment of the fair value of his shares.

(b) Restriction on Uncertificated Shares. If the shares are not represented by certificates, the business corporation may restrict their

Edgar Filing: FNB CORP/FL/ - Form S-4/A

transfer from the time of receipt of demand for payment until effectuation of the proposed corporate action or the release of restrictions under the terms of section 1577(a) (relating to failure to effectuate corporate action).

(c) Rights Retained by Shareholder. The dissenter shall retain all other rights of a shareholder until those rights are modified by effectuation of the proposed corporate action.

SECTION 1577. Release of Restrictions or Payment for Shares.

(a) Failure to Effectuate Corporate Action. Within 60 days after the date set for demanding payment and depositing certificates, if the business corporation has not effectuated the proposed corporate action, it shall return any certificates that have been deposited and release uncertificated shares from any transfer restrictions imposed by reason of the demand for payment.

(b) Renewal of Notice to Demand Payment. When uncertificated shares have been released from transfer restrictions and deposited certificates have been returned, the corporation may at any later time send a new notice conforming to the requirements of section 1575 (relating to notice to demand payment), with like effect.

(c) Payment of Fair Value of Shares. Promptly after effectuation of the proposed corporate action, or upon timely receipt of demand for payment if the corporate action has already been effectuated, the corporation shall either remit to dissenters who have made demand and (if their shares are certificated) have deposited their certificates the amount that the corporation estimates to be the fair value of the shares, or give written notice that no remittance under this section will be made. The remittance or notice shall be accompanied by:

(1) The closing balance sheet and statement of income of the issuer of the shares held or owned by the dissenter for a fiscal year ending not more than 16 months before the date of remittance or notice together with the latest available interim financial statements.

(2) A statement of the corporation's estimate of the fair value of the shares.

(3) A notice of the right of the dissenter to demand payment or supplemental payment, as the case may be, accompanied by a copy of this subchapter.

(d) Failure to Make Payment. If the corporation does not remit the amount of its estimate of the fair value of the shares as provided by subsection (c), it shall return any certificates that have been deposited and release uncertificated shares from any transfer restrictions imposed by reason of the demand for payment. The corporation may make a notation on any such certificate or on the records of the corporation relating to any such uncertificated shares that such demand has been made. If shares with respect to which notation has been so made shall be transferred, each new certificate issued therefor or the records relating to any transferred uncertificated shares shall bear a similar notation, together with the name of the original dissenting holder or owner of such shares. A transferee of such shares shall not acquire by such transfer any rights in the

C-4

corporation other than those such the original dissenter had after making demand for payment of their fair value.

SECTION 1578. Estimate by Dissenter of Fair Value of Shares.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

(a) General Rule. If the business corporation gives notice of its estimate of the fair value of the shares, without remitting such amount, or remits payment of its estimate of the fair value of a dissenter's shares as permitted by section 1577(c) (relating to payment of fair value of shares) and the dissenter believes that the amount stated or remitted is less than the fair value of his shares, he may send to the corporation his own estimate of the fair value of the shares, which shall be deemed a demand for payment of the amount or the deficiency.

(b) Effect of Failure to File Estimate. Where the dissenter does not file his own estimate under subsection (a) within 30 days after the mailing by the corporation of its remittance or notice, the dissenter shall be entitled to no more than the amount stated in the notice or remitted to him by the corporation.

SECTION 1579. Valuation Proceedings Generally.

(a) General Rule. Within 60 days after the latest of:

- (1) effectuation of the proposed corporate action;
- (2) timely receipt of any demands for payment under section 1575 (relating to notice to demand payment); or
- (3) timely receipt of any estimates pursuant to section 1578 (relating to estimate by dissenter of fair value of shares);

if any demands for payment remain unsettled, the business corporation may file in court an application for relief requesting that the fair value of the shares be determined by the court.

(b) Mandatory Joinder of Dissenters. All dissenters, wherever residing, whose demands have not been settled shall be made parties to the proceeding as in an action against their shares. A copy of the application shall be served on each such dissenter. If a dissenter is a nonresident, the copy may be served on him in the manner provided or prescribed by or pursuant to 42 Pa.C.S. Ch. 53 (relating to bases of jurisdiction and interstate and international procedure).

(c) Jurisdiction of the Court. The jurisdiction of the court shall be plenary and exclusive. The court may appoint an appraiser to receive evidence and recommend a decision on the issue of fair value. The appraiser shall have such power and authority as may be specified in the order of appointment or in any amendment thereof.

(d) Measure of Recovery. Each dissenter who is made a party shall be entitled to recover the amount by which the fair value of his shares is found to exceed the amount, if any, previously remitted, plus interest.

(e) Effect of Corporation's Failure to File Application. If the corporation fails to file an application as provided in subsection (a), any dissenter who made a demand and who has not already settled his claim against the corporation may do so in the name of the corporation at any time within 30 days after the expiration of the 60-day period. If a dissenter does not file an application within the 30-day period, each dissenter entitled to file an application shall be paid the corporation's estimate of the fair value of the shares and no more, and may bring an action to recover any amount not previously remitted.

SECTION 1580. Costs and Expenses of Valuation Proceedings.

(a) General Rule. The costs and expenses of any proceeding under section 1579 (relating to valuation proceedings generally), including the reasonable compensation and expenses of the appraiser appointed by the court, shall be

Edgar Filing: FNB CORP/FL/ - Form S-4/A

determined by the court and assessed against the business corporation except that any part of the costs and expenses may be apportioned and assessed as the court deems appropriate against all or some of the dissenters who are parties and whose action in demanding supplemental payment under section 1578

C-5

(relating to estimate by dissenter of fair value of shares) the court finds to be dilatory, obdurate, arbitrary, vexatious or in bad faith.

(b) Assessment of Counsel Fees and Expert Fees Where Lack of Good Faith Appears. Fees and expenses of counsel and of experts for the respective parties may be assessed as the court deems appropriate against the corporation and in favor of any or all dissenters if the corporation failed to comply substantially with the requirements of this subchapter and may be assessed against either the corporation or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted in bad faith or in a dilatory, obdurate, arbitrary or vexatious manner in respect to the rights provided by this subchapter.

(c) Award of Fees for Benefits to Other Dissenters. If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated and should not be assessed against the corporation, it may award to those counsel reasonable fees to be paid out of the amounts awarded to the dissenters who were benefited.

SECTION 1930. Dissenters Rights.

(a) General Rule. If any shareholder of a domestic business corporation that is to be a party to a merger or consolidation pursuant to a plan of merger or consolidation objects to the plan of merger or consolidation and complies with the provisions of Subchapter D of Chapter 15 (relating to dissenters rights), the shareholder shall be entitled to the rights and remedies of dissenting shareholders therein provided, if any. See also section 1906(c) (relating to dissenters rights upon special treatment).

(b) Plans Adopted by Directors Only. Except as otherwise provided pursuant to section 1571(c) (relating to grant of optional dissenters' rights), Subchapter D of Chapter 15 shall not apply to any of the shares of a corporation that is a party to a merger or consolidation pursuant to section 1924(b)(1)(i) or (4) (relating to adoption by board of directors).

(c) Cross References. See sections 1571(b) (relating to exceptions) and 1904 (relating to de facto transaction doctrine abolished).
