Item 1.01 Entry into a Material Definitive Agreement

On May 25, 2007, Agilysys, Inc. (Agilysys) and its wholly-owned subsidiary, Agilysys NJ, Inc., entered into a definitive agreement to acquire Innovative Systems Design, Inc. (Innovative) for \$100 million in cash, subject to a working capital adjustment (the Agreement). If the Closing Working Capital, as defined in the Agreement, is less than the Working Capital Target, as defined in the Agreement, the former stockholders of Innovative will pay Agilysys the amount of such shortfall. For a period of 18 months following the closing, \$7.5 million of the purchase price will be held in escrow, and such amount may be used to pay any working capital adjustment due to Agilysys or to cover certain indemnification payments which the former stockholders of Innovative may be required to make to Agilysys. If the Closing Working Capital is greater than the Working Capital Target, Agilysys will pay the former stockholders of Innovative the amount of such excess.

In addition to the \$100 million purchase price, Agilysys will pay an earn-out of two dollars for every dollar of earnings before interest, taxes, depreciation, and amortization, or EBITDA, greater than \$50 million in cumulative EBITDA over the first two years after consummation of the acquisition. The earn-out will be limited to a maximum payout of \$90 million.

There are no material relationships between Agilysys or its affiliates and Innovative other than in respect of the Agreement.

This brief description of the Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the Agreement, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
