Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 23, 2009, the registrant received a letter from Messrs. Steven D. Hovde and Richard T. Murray, in which they resigned as directors of the registrant, effective April 23, 2009, which letter they revised on April 27, 2009, to correct one factual error (the Letter of Resignation). A copy of the Letter of Resignation is included as Exhibit 17.1 to this report. Mr. Hovde served as director and as a member of the Audit Committee since 2008. Mr. Murray served as a director and as a member of the Compensation Committee since 2008.

Earlier this year the registrant decided to reduce the size of its Board of Directors (Board) in an effort to control expenses, achieve efficiencies, and reflect a board size that is more commensurate to the current size and scope of the registrant, while retaining an appropriate breadth of talent and experience on the Board. In connection with the reduction in size of the Board, the Board's Nominating and Corporate Governance Committee did not recommend Messrs. Hovde and Murray be included on the slate of directors recommended for election at the Annual Meeting of the registrant's stockholders, currently scheduled for May 26, 2009. The Board subsequently approved the Nominating Committee's recommendation. The registrant filed its definitive proxy statement on April 15, 2009, which did not include Messrs. Hovde and Murray on the slate of directors recommended for election at the Annual Meeting of the registrant's stockholders.

The Letter of Resignation makes reference to a number of apparent disagreements by Messrs. Hovde and Murray with the registrant's management and the Board about the registrant's business strategies. The registrant disagrees with many of the assertions made in the Letter of Resignation. The primary focus of the Board and management of the registrant continues to be on positioning the registrant for long-term growth in shareholder value while being mindful of current macroeconomic conditions.

By including the Letter of Resignation with this filing, the registrant is not agreeing with or endorsing any of the assertions set forth in the Letter of Resignation.
