VISTACARE, INC.

PROXY STATEMENT FOR THE 2003 ANNUAL MEETING OF STOCKHOLDERS To Be Held On May 23, 2003

INFORMATION ABOUT SOLICITATION AND VOTING

General

This proxy statement is provided in connection with the solicitation of proxies by the board of directors of VistaCare, Inc. for the 2003 Annual Meeting of Stockholders to be held at 10:00 a.m., Mountain Time, on Friday, May 23, 2003, at the Doubletree Paradise Valley Resort, 5401 North Scottsdale Road, Scottsdale, Arizona, and at any adjournment or postponement of the annual meeting. Our principal executive offices are currently located at 8125 North Hayden Road, Suite 300, Scottsdale, Arizona 85258. In May 2003, we will re-locate our principal executive offices to 4800 North Scottsdale Road, Suite 5000, Scottsdale, Arizona 85251

This proxy statement and the accompanying proxy card are expected to be mailed on or about April 18, 2003 to all stockholders entitled to vote at the annual meeting.

Our board of directors is soliciting proxies for the following purposes: (i) to re-elect two Class I directors, comprising the class of directors to be elected for the term expiring in 2006; and (ii) to ratify the selection of Ernst & Young LLP as our independent auditors for the year ending December 31, 2003.

Stockholders Entitled to Vote

At the close of business on March 26, 2003, the record date for the annual meeting, there were outstanding and entitled to vote 15,545,939 shares of our Class A Common Stock, \$0.01 par value per share, which we refer to in this proxy statement as our common stock. Only stockholders of record at the close of business on March 26, 2003 are entitled to vote at the annual meeting. Each outstanding share of our common stock is entitled to one vote on each matter to be voted upon at the annual meeting.

Quorum and Voting

The representation, in person or by proxy, of at least a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is necessary to establish a quorum. All votes will be tabulated by the inspector of elections appointed for the annual meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Broker non-votes occur when a nominee, such as a financial institution, returns a proxy, but does not have the authorization or voting instructions from the beneficial owner to vote the owner's shares on a particular proposal. Abstentions and broker non-votes will be counted for the purpose of determining if a quorum is present. Abstentions will be counted towards the tabulations of votes cast on matters presented at the annual meeting and will have the same effect as negative votes (other than the election of directors), whereas broker non-votes will not be counted for purposes of determining whether a matter has been approved.

The election of directors requires the affirmative vote of a plurality of the shares of common stock present or represented by proxy at the annual meeting. Accordingly, abstentions and broker non-votes have no effect on the election of a particular director. Approval of other matters requires the affirmative vote of a majority of the shares of common stock present or represented by proxy at the annual meeting.

Shares represented by proxy will be voted in accordance with your instructions. If your proxy card is signed and returned without specifying choices, your shares will be voted for the nominees for director, for the other proposals, and as the individuals named as proxy holders on the proxy card deem advisable on all other matters that may properly come before the annual meeting.

If you return your proxy card you may revoke it at any time before your shares are voted at the annual meeting by written notice to the Secretary of VistaCare received prior to the annual meeting, by executing and returning a later-dated proxy or by voting by ballot at the annual meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

General

Two Class I directors are to be re-elected at the annual meeting to serve three-year terms expiring at the 2006 Annual Meeting of Stockholders and until their successors have been elected and duly qualified. Unless instructed otherwise, the proxy holders will vote the proxies received by them for our nominees: David A. Freeman and Barry M. Smith. In the event that those nominees are unable or decline to serve as directors at the time of the annual meeting, the proxies will be voted for any nominee who shall be designated by the present board of directors to fill the vacancy (unless another nominee is indicated in any particular proxy). Messrs. Freeman and Smith have consented to serve as directors, and our board of directors has no reason to believe that they will be unavailable for service.

The board of directors recommends a vote FOR the proposed nominees.

Composition of the Board

Our Certificate of Incorporation provides that directors shall be divided into three classes and that each director shall serve for a term of three years and until his or her successor is elected and qualified or until his or her earlier resignation, death, or removal. directors in August 2002 and attended each meeting of the board of directors and each committee on which he served during 2002.

Our board of directors has established a compensation committee, an audit committee and a corporate governance committee. Our compensation committee, comprised of Messrs. Freeman, Klisares and Matricaria, establishes the salaries and incentive compensation of our executive officers and administers our stock plans. Our audit committee is comprised of Messrs. Klisares, Matricaria and McBride, each of whom is an independent director within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers Marketplace Rules. Our audit committee reviews the results and scope of audits and other services provided by our independent auditors and reviews our system of internal accounting and financial controls. Our audit committee also reviews such other matters with respect to our accounting, auditing and financial reporting practices and procedures as it may find appropriate or may be brought to its attention. Our board of directors has adopted a written charter for the audit committee, a copy of which can be found as *Annex A* to this proxy statement. Our corporate governance committee, comprised of Messrs. Freeman, Klisares and McBride, provides oversight and recommendations to our board of directors and its committees regarding:

the size, composition and functioning of the board of directors and its committees;

evaluation of director nominees;

compensation and benefits of directors; and

other matters of corporate governance.

During 2002, our compensation committee met 4 times and, our audit committee met 4 times. Our corporate governance committee was established in 2002 and will begin to hold regular meetings in 2003. We do not have a nominating committee of the board of directors. In the past, our board of directors has undertaken all nominating functions. In the future our corporate governance committee will undertake all nominating functions.

David A. Freeman	50,000
Pete A. Klisares	10,000
Ronald A. Matricaria	10,000
William J. McBride	10,000

Non-employee directors are entitled to participate in our 2002 Non-Employee Director Stock Option Plan, or our director plan. Our director plan, which became effective upon the closing of our initial public offering in December 2002, authorizes the grant of options to purchase up to 300,000 shares of common stock to our non-employee directors. Under the director plan, each non-employee is granted a stock option to purchase 20,000 shares of common stock on the date he or she is first elected to our board of directors. In addition, on November 11 of each year beginning in 2003, each non-employee director will be granted an

option to purchase 10,000 shares of our common stock, provided that he or she attended at least 75% of the meetings of the board of directors in the preceding year and any board committee on which he or she served. The exercise price for all options granted under the director plan is equal to the fair market value of the common stock on the date of grant. Each option granted under the director plan is immediately exercisable in full. Each option will expire on the earlier of ten years from the date of grant or on the first anniversary of the date on which the optionee ceases to be a director.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

Our audit committee has selected Ernst & Young LLP to serve as our independent auditors for the year ending December 31, 2003.

Stockholder ratification of the selection of Ernst & Young is not required by our By-laws or otherwise. However, we are submitting the selection of Ernst & Young to the stockholders as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain such firm. Even if the selection is ratified, the audit committee, in its discretion, may direct the appointment of a different independent auditor at any time during the year if it determines that such a change would be in the best interest of VistaCare and its stockholders.

Ernst & Young representatives are expected to be present at the annual meeting and available to respond to appropriate questions. They will have an opportunity to make a statement if they desire to do so.

Audit Fees. The aggregate fees billed for professional services rendered by Ernst & Young for the audit of our annual financial statements for the nine months ended September 30, 2002 and for the year ended December 31, 2002 totaled \$167,438.

Edgar Filing: VISTACARE INC - Form DEF 14A

Financial Information Systems Design and Implementation Fees. There were no fees billed for professional services rendered by Ernst & Young for design and implementation of financial information systems for the year ended December 31, 2002.

All Other Fees. The aggregate fees billed for professional services rendered by Ernst & Young for services other than its audit and review of our financial statements during the year ended December 31, 2002, totaled \$855,640. A substantial portion of the fees in this category related to services in connection with our initial public offering, audits of our employee benefit plans and income tax services.

The audit committee has determined that Ernst & Young's provision of services other than for its audit and review of our financial statements is compatible with maintaining the independence of Ernst & Young.

The Board recommends a vote FOR the ratification of Ernst & Young LLP as our independent auditors for the year ending December 31, 2003.

Option Grants in 2002

The following table presents information concerning stock options granted to our named executive officers who received grants in 2002.

	Individual Grants				Potential Realizable Value at Assumed Rate of Stock Price Appreciation for Option Term		
	Number of Shares Underlying Options Granted	Percent of Total Options Granted to Employees in Year	Exercise Price Per Share(1)	Expiration Date	0%	5%(1)	10%(1)
	Richard R. Slager(4)	320,000	36.7%	\$ 12.50	September 30, 2012	\$2,254,955	\$5,959,971

Hughes(5)	26,000	3.0%	\$ 6.25	May 6, 2012	\$ 83,850(2)	\$ 345,715	\$ 646,748
Stephen Lewis(5)	40,000	4.6%	\$ 3.75	February 28, 2012	\$135,000(3)	\$ 631,869	\$1,094,996

(1) Amounts reported in this column represent amounts that may be realized upon exercise of the option immediately prior to the expiration of its term assuming the specified compound rates of appreciation (5% or 10%) in the market value of our common stock over the term of the option. These numbers are

calculated based on rules promulgated by the Securities and Exchange Commission and do not reflect our estimate of future stock price growth. The shares underlying the options were not publicly traded on the dates on which they were granted. Accordingly, we have assumed that the fair market value on the date of grant was equal to the initial public offering price of our common stock of \$12.00 per share. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise of the option or the sale of the underlying shares. The actual gains, if any, on the exercise of this stock option will depend on the future performance of our common stock, the optionholder's continued employment through the option period, and the date on which the option is exercised.

- (2) In connection with our initial public offering, it was determined that the exercise price of \$6.25 per share for this stock option was less than the deemed fair value of our common stock on the date of grant, which was determined to be \$9.48 per share. This amount represents the difference between the deemed fair value of our common stock on the date of grant and the exercise price, multiplied by the number of shares underlying the option.
- (3) In connection with our initial public offering, it was determined that the exercise price of \$3.75 per share for this stock option was less than the deemed fair value of our common stock on the date of grant, which was determined to be \$7.13 per share. This amount represents the difference between the deemed fair value of our common stock on the date of grant and the exercise price, multiplied by the number of shares underlying the option.
- (4) This option is fully vested.
- (5) This option vests in equal annual installments over five years, subject to acceleration upon the occurrence of certain events.

Year End Option Values

None of our named executive officers exercised any stock options in 2002. The following table presents information concerning the unexercised stock options held by each of our named executive officers as of December 31, 2002.

	Number of Shares Underlying Unexercised Options at Year-End(1)		Value of Unexercised in-the-Money Options at Year-End

Employment and Compensation Arrangements

Management Agreements

In October 2002, we entered into management agreements with each of Richard R. Slager, our Chief Executive Officer, Mark E. Liebner, our Chief Financial Officer, Carla Davis Hughes, our Senior Vice President of Operations, and Stephen Lewis, our Senior Vice President and General Counsel.

Under these agreements, the executives are entitled to compensation in the event of their employment termination or a sale of the company, as described below.

Compensation Upon Termination of Employment Prior to Change of Control

In the event that, prior to a change of control of VistaCare, the employment of any of the executives is terminated by (i) us for any reason other than for cause or the executive's death or disability or (ii) the executive for good reason, we are required to:

continue to pay the executive his or her then current salary for twelve months following employment termination; and

continue to provide the executive with health and life insurance benefits for twelve months following employment termination, or pay the full value of such benefits in cash.

Compensation Upon Termination of Employment After a Change of Control

In the event that, within two years following a change in control of VistaCare, the employment of Mr. Slager is terminated for any reason, including Mr. Slager's death, disability or voluntary resignation, but excluding a termination by VistaCare for cause, we are required to:

pay Mr. Slager a lump sum amount equal to three times his then current salary; and

continue to provide Mr. Slager with health and life insurance benefits for three years following employment termination, or pay the full value of such benefits in cash.

In addition, upon a change in control of VistaCare, regardless of whether Mr. Slager's employment is terminated, the vesting of all of his options to purchase common stock would be accelerated in full.

In the event that, within two years following a change in control of VistaCare, the employment of Messrs. Liebner or Lewis or Ms. Hughes is terminated by VistaCare for any reason other than cause or the executive's death or disability or is terminated by the executive for good reason, we are required to:

pay the executive a lump sum amount equal to two times his or her then current salary;

continue to provide the executive with health and life insurance benefits for two years following employment termination, or pay the full value of such benefits in cash; and

accelerate the vesting of all options to purchase common stock held by the executive.

Compensation Upon Sale of the Company

The management agreements for Messrs. Slager and Liebner and Ms. Hughes provide that, if there is a sale of the company, as defined below, in which the per-share equity value of VistaCare implied by the transaction is at least \$12.50, we are required to pay the executive a fee, the amount of which depends on the date of the sale. The table below sets forth the amount of the fee we would be required to pay to Mr. Slager, depending on the date of the sale:

Date of Sale	Fee
Between September 30, 2002 and December 31, 2002	\$ 5.0 million
Between January 1, 2003 and December 31, 2003	\$ 4.0 million
Between January 1, 2004 and December 31, 2004	\$ 3.0 million
Between January 1, 2005 and December 31, 2005	\$ 2.0 million
Between January 1, 2006 and December 31, 2006	\$ 1.0 million

Edgar Filing: VISTACARE INC - Form DEF 14A

The table below sets forth the amount of the fee that we would be required to pay to each of Mr. Liebner and Ms. Hughes, depending on the date of the sale:

<u>Date of Sale</u>	<u>Fee</u>
Between September 30, 2002 and December 31, 2002	\$ 1.0 million
Between January 1, 2003 and December 31, 2003	\$ 0.8 million
Between January 1, 2004 and December 31, 2004	\$ 0.6 million
Between January 1, 2005 and December 31, 2005	\$ 0.4 million
Between January 1, 2006 and December 31, 2006	\$ 0.2 million

As used in the management agreements, a sale of the company means:

the acquisition of more than 50% of our voting securities by any person, party or group, other than in connection with a sale of securities by us; or

the acquisition of VistaCare by means of reorganization, merger, consolidation or asset sale, unless our stockholders prior to such acquisition hold, in substantially the same proportions as prior to the acquisition, more than 50% of the voting securities of the acquiring entity following the acquisition.

In exchange for the foregoing rights, each of the executives has agreed to covenants restricting them from competing with our business or soliciting our employees or patient referral sources for two years following their employment termination and from disclosing or divulging any of our confidential information.

Stock Option Agreement

In November 2002, we entered into a stock option agreement with Richard R. Slager, our President and Chief Executive Officer, pursuant to which we granted Mr. Slager an option to purchase 320,000 shares of our common stock at \$12.50 per share under our 1998 Stock Option Plan. At the time the stock option was granted, the shares subject to the option were scheduled to vest in September 2012, subject to acceleration upon the occurrence of certain events. In February 2003, we accelerated the vesting of this option in full such that the option is now immediately exercisable as to all 320,000 shares.

Severance Agreement

In November 1995, we entered into an employee confidentiality and non-competition agreement with Barry M. Smith, the Chairman of our board of directors. This agreement provides that if Mr. Smith's employment is terminated for any reason, we are obligated to pay him severance of twelve months' salary, and he is prohibited, for a period of twelve months following the date of his termination, from engaging in any business that competes with our hospice business, and soliciting any of our employees or attempting to divert any business away from us. The agreement also requires Mr. Smith to maintain the confidentiality of certain information relating to our business.

Board Compensation Committee Report on Executive Compensation

The Compensation Committee of VistaCare's Board of Directors (the Committee) is responsible for establishing and managing compensation policies for VistaCare's executive officers and for making decisions about awards under VistaCare's stock-based compensation plans in satisfaction of the Securities Exchange Act Rule 16b-3. Each Committee member is a non-employee director within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended, and an outside director within the meaning of section 162(m) of the Internal Revenue Code. This report outlines VistaCare's compensation policies for the Chief Executive Officer and other executive officers (collectively, the executive officers).

The Committee's compensation policies provide compensation opportunities that are comparable to those for similarly situated executives in comparable companies. These compensation policies are designed to reward executives based on their contributions to VistaCare's success with respect to stockholder value creation and to ensure VistaCare's ability to attract and retain qualified executives. The principal elements of

compensation employed by the Committee to meet these objectives are base salaries, cash incentive opportunities, and stock options.

In making its decisions, the Committee considers a range of factors it believes to be relevant, including VistaCare's pay levels relative to competitive norms, VistaCare's achievements over the past year, the individual's contributions to VistaCare's success, and the roles and responsibilities of each executive.

Compensation levels and incentive opportunities are designed to generally reflect median levels of competitive compensation for executives with corresponding responsibilities in comparably sized peer firms, and are periodically adjusted to meet this objective. The actual level of compensation earned by each executive will vary according to the success of VistaCare and the performance of the individual.

The Committee assesses the competitiveness of VistaCare's total compensation program and uses the services of an outside compensation consultant as needed. External comparisons are made to data drawn from a number of sources, including the publicly available disclosures of selected peer firms and national compensation surveys of firms of similar size and complexity.

In determining the appropriateness of executive base salary levels, the Committee annually considers external competitiveness, the roles and responsibilities of the individual, the internal equity of pay relationships, and the contributions of the individual to VistaCare's success.

The Committee manages an employee bonus plan under which awards are linked to the achievement of predetermined financial goals such as earnings and revenue growth, as well as individual objectives. The Committee assigns performance measures annually on the basis of VistaCare's key objectives. All executive officers are eligible to participate in this program.

Options granted in 2002 to executive officers have an exercise price equal to the fair market value of the stock on the date of the grant, implying that no compensation can be earned under this element unless stockholder value is created, and vesting requirements that are linked to an extended service requirement. In determining the magnitude of the awards, the Committee considers competitive norms, and the roles, responsibilities, and prior performance of the individual. All executive officers, including the Chief Executive Officer, are eligible to participate in this program.

Compensation for 2003 generally reflects levels required to retain executives. Following its annual review of compensation after the close of 2002, the Committee made adjustments in executive officers' salaries to reflect competitive norms.

Board Audit Committee Report

VistaCare's Audit Committee oversees the audit coverage and monitors the accounting, financial reporting, data processing, regulatory, and internal control environments. The Audit Committee also selects and engages VistaCare's independent auditors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The primary duties and responsibilities of the Audit Committee are to:

select and engage VistaCare's independent auditors;

serve as an independent and objective body to monitor VistaCare's financial reporting process and internal control systems;

review and approve the scope of the annual audit, non-audit services to be performed by the independent auditors and the independent auditors' audit and non-audit fees;

review and appraise the audit efforts of VistaCare's independent auditors and internal audit function;

evaluate VistaCare's financial reporting and compliance with laws and regulations;

oversee management's establishment and enforcement of financial policies;

recommend to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for filing with the Securities and Exchange Commission; and

provide an open avenue of communication among the independent auditors, financial and senior management and the Board.

The Audit Committee has:

reviewed and discussed the audited financial statements of VistaCare for the fiscal year ended December 31, 2002 with VistaCare's management and its independent auditors, including a discussion of the quality and effect of VistaCare's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

discussed the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) with its independent auditors, including the process used by management in formulating particularly sensitive accounting estimates and the basis for the conclusions of its independent auditor regarding the reasonableness of those estimates;

met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of VistaCare's internal controls and the overall quality of VistaCare's financial reporting; and

considered whether the provision of services represented under the heading "All Other Fees" set forth on page 6 is compatible with maintaining Ernst & Young LLP's independence.

The Audit Committee has also received the written disclosures and the letter from VistaCare's independent auditors required by Independence Standards Board Standard No. 1 (entitled "Independence Discussion with Audit Committees"), has discussed the independence of its auditors and considered whether the provision of non-audit services by its auditors is compatible with maintaining auditor independence, and has satisfied itself as to the auditor's independence.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Vista Care Foundation

The Vista Care Foundation is a non-profit corporation established by Barry M. Smith, the Chairman of our board of directors, in March 1996 for the purpose of soliciting, investing and distributing funds to advance the cause of end-of-life care. The foundation:

provides grants directly to terminally ill patients to fulfill basic needs and last wishes;

funds hospice services for patients who lack the means to pay for hospice care;

provides funding for end-of-life research and community and professional education; and

provides grants that help the bereaved overcome their grief of the loss of a loved one.

The business and affairs of the foundation are currently governed by a five member board of trustees. Perry G. Fine, M.D., one of our directors, and David W. Rehm, our Senior Vice President of Business Development, serve on the foundation's board of trustees. In addition, Mr. Rehm serves as the foundation's President and Chief Executive Officer. Prior to September 2002, Barry M. Smith, the Chairman of our board of directors, served on the foundation's board of trustees. At any meeting of the foundation's board of trustees at which at least three, but fewer than four, trustees are present, it is possible that Dr. Fine and Mr. Rehm could control the outcome of all actions taken at such meeting.

Since March 2002, we have been making charitable contributions to the foundation, which as of December 31, 2002 aggregated \$455,000. A portion of our contributions to the foundation are used to cover the foundation's operating expenses. We also provide-in-kind contributions to the foundation, including office space and office equipment at our Phoenix, Arizona program site.

Between March and December 2002, the foundation provided an aggregate of \$159,000 to pay for a portion of the care we provided to some of our patients who lacked the means to pay for such care. Beginning in 2003, we will no longer receive any such funding from the foundation. We may amend or terminate our arrangements with the foundation at any time for any reason.

Employment Termination Arrangements with Former Officers

In February 2002, we entered into a settlement agreement, buy-sell agreement and mutual release with David Daucher, our former Chief Financial Officer, in connection with his termination of employment. Pursuant to that agreement, we made a severance payment of \$247,500 to Mr. Daucher. Also pursuant to that agreement, we paid Mr. Daucher \$502,500 to repurchase 5,000 shares of our Series D Preferred Stock and to settle all claims arising prior to the date of the agreement, including claims arising from Mr. Daucher's employment.

In March 1996, we extended a loan to Lloyd S. Wylie, our former Chief Financial Officer, in the original principal amount of \$66,000 and bearing interest at 7.5% per annum. The loan was secured by a pledge of the shares of common stock issuable upon exercise of a stock option granted to Mr. Wylie. Such stock option, which was exercisable for 48,000 shares of common stock at \$1.68 per share, was fully vested when Mr. Wylie's employment terminated in June 1999. In September 2002, we entered into a settlement agreement and mutual release with Mr. Wylie pursuant to which we agreed to repurchase Mr. Wylie's stock option for \$105,839, reduced by the outstanding principal and accrued interest on Mr. Wylie's loan as of June 30, 1999 in the amount of \$72,979, and deem such loan fully paid.

In October 2002, we entered into a severance agreement and mutual release of claims with Philip B. Arnold, a former Executive Vice President, in connection with the termination of his employment. Pursuant to that agreement, we agreed to make aggregate severance payments to Mr. Arnold of \$194,000. In addition, we agreed to provide him with continuing health insurance benefits for a period of six months following the termination of his employment. In exchange for these benefits, Mr. Arnold waived all claims against us arising from his employment, and agreed to maintain the confidentiality of information relating to our business and not to compete with our business for a period of one year following his termination of employment.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of VistaCare's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and The Nasdaq National Market. These persons are required by SEC regulation to furnish us with copies of all Forms 3, 4 and 5 they file with the SEC and Nasdaq. We believe that each of those persons complied with all filing requirements applicable to them with respect to transactions during fiscal year 2002, except that Richard R. Slager, our President and Chief Executive Officer, filed a report on Form 5 on March 15, 2003 to report an acquisition of shares by Mr. Slager on December 18, 2002.

STOCKHOLDER PROPOSALS

Stockholders may submit proposals on matters appropriate for stockholder action at subsequent annual meetings of stockholders consistent with Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended. For such proposals to be considered for inclusion in the proxy statement and proxy relating to the 2004 Annual Meeting of Stockholders, such proposals must be received by us for inclusion in our proxy statement and proxy card relating to that meeting no later than December 19, 2003.

Pursuant to Rule 14a-4(c) of the Exchange Act, if a stockholder who intends to present a proposal at the 2004 Annual Meeting of Stockholders does not notify us of such proposal on or prior to March 10, 2004, then management proxies would be allowed to use their discretionary voting authority to vote on the proposal when the proposal is raised at the 2004 annual meeting, even though there is no discussion of the proposal in the 2004 proxy statement.

SOLICITATION EXPENSES

We will bear the cost of this solicitation. Solicitation will be made primarily by mail, but our directors, officers, and employees may solicit proxies in person or by telephone or telecopy. We will request brokers, nominees, custodians, and fiduciaries to forward solicitation materials to obtain voting instructions from beneficial owners and will reimburse such parties for their reasonable expenses in connection therewith. In addition, we have retained EquiServe Trust Company, N.A. as our transfer agent which assists in the distribution of proxies.

INCORPORATION BY REFERENCE

To the extent that this proxy statement has been specifically incorporated by reference into any filing by VistaCare under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, the sections of the proxy statement entitled Board Compensation Committee Report on Executive Compensation, Board Audit Committee Report and Performance Graph shall not be deemed to be so incorporated, unless specifically otherwise provided in any such filing.

OTHER DOCUMENTS

Upon written request by anyone who is a stockholder as of the record date, we will furnish, without charge, a copy of our Annual Report on Form 10-K. Written requests made before May 15, 2003 should be sent to the attention of Investor Relations, VistaCare, Inc., 8125 North Hayden Road, Suite 300, Scottsdale, Arizona 85258. Thereafter, written requests should be sent to the attention of Investor Relations, VistaCare, Inc., 4800 North Scottsdale Road, Suite 5000, Scottsdale, Arizona 85251.

OTHER BUSINESS

Our board of directors does not know of any matters which will be brought before the annual meeting other than those matters specifically set forth in the notice of the 2003 Annual Meeting of Stockholders. However, if any other matter properly comes before the annual meeting, it is intended that the persons named in the enclosed proxy card, or their substitutes acting thereunder, will vote on such matter in accordance with their best judgment.
