Item 1.01. Entry into a Material Definitive Agreement.

On August 1, 2007, the Company entered into a Contract of Sale (the "Contract of Sale") with Diageo North America, Inc. ("Diageo") to purchase the brewery owned by Diageo located in Upper Macungie Township in Lehigh Valley, Pennsylvania (the "Brewery") for a purchase price of \$55,000,000. The purchase of the land, building and equipment is expected to take place in June 2008, assuming successful completion of the Company's due diligence. Upon the execution of the Contract of Sale, the Company paid an initial deposit of \$1,000,000. A further deposit of \$9,000,000 is payable at the end of the due diligence period, provided that the Company has not previously exercised its right to terminate the Contract of Sale.

It is estimated that the Brewery will initially increase the Company's annual production capacity by approximately 1.6 million barrels. The Company anticipates that the Brewery will require substantial investment and renovation in order to brew the Company's *Samuel Adams*® craft beers. The cost of upgrading and renovating the Brewery is currently estimated by the Company to be in the range of \$30,000,000 to \$75,000,000, but, until the Company completes its evaluation of the brewery and its potential during the due diligence period, it will not be possible to estimate precisely the total cost of any required renovation and upgrades or the operating and financial statement impact to the Company. The Company currently believes that, once this initial investment and renovation is completed, the Brewery's annual capacity has the potential to expand to over 2 million barrels with only modest incremental investment.

The Contract of Sale provides that, upon satisfactory completion of the due diligence period, the Company may begin work to upgrade and renovate the facility. The Contract of Sale anticipates that the facility will remain in operation during the transition. It is anticipated that most, if not all, of Diageo's current employees at the facility shall become employees of the Company upon the completion of the purchase.

As a part of the purchase and sale arrangement, Diageo and the Company also entered into a Packaging Services Agreement dated August 1, 2007 (the "Packaging Services Agreement"), under which the Company has agreed to blend and package the *Smirnoff Ice*® products currently being produced at the Brewery by Diageo. The Packaging Services Agreement will take effect on the date on which the Company purchases the Brewery and will have a term of approximately two years. It is anticipated that the volume of Diageo products being produced at the Brewery will decline over the term, while, at the same time, the volume of the Company's products being produced there will increase.

In light of the fact that significant due diligence remains to be completed with respect to the Brewery, the Company currently anticipates preserving its right to acquire the land in Freetown, Massachusetts, currently under contract. This may require further extensions of the purchase and sale agreement, or actually purchasing the land.
