Item 4. Terms of the Transaction.

On June 22, 2004, the Offeror provided written notice to the Depositary that it was extending the Offers by extending the Expiry Time for the Offers from 9 p.m., Toronto time, on June 22, 2004 to 9 p.m., Toronto time, on July 22, 2004. Also, on June 22, 2004, the Offeror disclosed in a press release that it was extending the Offers until such date and time and that as of the close of business on June 22, 2004, 214 Class A Shares, 14,663 Class B Shares, 68,598 Warrants 2005 and 36,054 Warrants 2008 had been deposited to the Offers and not withdrawn from the Offers. The press release issued by, and the Notice of Extension and Variation dated June 22, 2004 to be disseminated by the Depositary to Securityholders on behalf of, the Offeror disclosing, among other matters, the extension of the Offers are attached hereto as Exhibit (a)(5)(iv) and Exhibit (a)(1)(ix), respectively, and are hereby incorporated by reference.

Section (a) of Item 4 of the Schedule TO is amended and supplemented in the manner set forth below.

In "Offers to Purchase - Section 4. Conditions of the Offers - Conditions of the Class A Offer," condition (c) is amended and restated in its entirety as follows:

- (c) all government or regulatory approvals, waiting or suspensory periods, waivers, permits, consents, reviews, orders, rulings, decisions, and exemptions (including, among others, those of Industry Canada and of any stock exchanges or other securities or regulatory authorities) that, in the Offeror's reasonable judgement, are necessary or desirable to complete the Offers, any Compulsory Acquisition or any Subsequent Acquisition Transaction shall have been obtained or concluded or, in the case of waiting or suspensory periods, expired or been terminated, each on terms and conditions satisfactory to the Offeror in its reasonable judgement;

In "Offers to Purchase - Section 4. Conditions of the Offers - Conditions of the Class A Offer," condition (g) is amended and restated in its entirety as follows:

- (g) the Offeror shall have determined in its reasonable judgement that there shall not have occurred (or if there shall have occurred prior to the commencement of the Offers, there shall not have been generally disclosed or the Offeror shall not otherwise have discovered) any change (or any condition, event, circumstance or development involving a prospective change) in the business, assets, operations, capitalization, condition (financial or otherwise), prospects, share or debt ownership, results of operations, cash flows, properties, articles, by-laws, licenses, permits, rights, or privileges, whether contractual or otherwise, or liabilities (including any contingent liabilities that may arise through outstanding, pending or threatened litigation or otherwise), whether contractual or otherwise, of the Company or its entities which is or may be adverse to the Company or any of its entities or the value of the Securities to the Offeror;

In "Offers to Purchase - Section 4. Conditions of the Offers - Conditions of the Class A Offer," condition (l) is amended and restated in its entirety as follows:

Item 5. Past Contacts, Transactions, Negotiations and Agreements.

On May 25, 2004, a representative of J.P. Morgan Securities Inc. (together with its affiliate J.P. Morgan Canada Securities Inc., "J.P. Morgan"), one of Microcell's financial advisors in connection with the Offers, contacted Robert G.

Edgar Filing: TELUS CORP - Form SC TO-T/A

McFarlane, Executive Vice-President and Chief Financial Officer of the Offeror, regarding a possible confidentiality agreement between Microcell and the Offeror. On May 27, 2004, a representative of J.P. Morgan and Mr. McFarlane had a discussion, in the course of which they agreed to arrange for Microcell's and the Offeror's respective legal counsel to have preliminary discussions regarding the terms of the possible confidentiality agreement. On June 22, 2004, Microcell and the Offeror entered into a confidentiality agreement pursuant to which Microcell has agreed to disclose certain non-public information relating to the Company and its subsidiaries and affiliates to the Offeror and its representatives. A copy of the confidentiality agreement is attached hereto as Exhibit (d)(1) and is hereby incorporated by reference.

The terms of the confidentiality agreement do not restrict the ability of the Offeror to complete the Offers and the transactions contemplated by Section 5 of the Circular, any amendment, extension or variation of the Offers, or certain other transactions, including any other offers made by the Offeror for all of the outstanding Securities. Under the terms of the confidentiality agreement, the Offeror has agreed that it will take up and pay for any Securities pursuant to the Offers or any other offer(s) only if the Offeror is in a position, as a result thereof, to acquire more than either (a) 50% of the total number of outstanding Class A Shares and Class B Shares or (b) 50% of the total number of outstanding Class A Shares and Class B Shares on a fully diluted basis.

Item 11. Additional Information.

On May 14, 2004, the Offeror submitted to the Commissioner a "short form" pre-merger notification under the Competition Act in respect of the Offers. The applicable waiting period in respect of the pre-merger notification expired on May 28, 2004. On June 4, 2004, the Competition Bureau advised the Offeror that it was characterizing the transactions contemplated by the Offers as "very complex". Very complex merger transactions necessitate substantial assessments and a greater volume of work by the Competition Bureau than that which is required in typical transactions. The Offeror continues to cooperate with the Competition Bureau to facilitate its review of the transactions contemplated by the Offers.
