Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 26, 2012, the Compensation Committee (the “Committee”) of Performance Technologies, Inc. (the “Registrant”, “PT”) reviewed PT’s executive compensation plan and established a short term incentive program for 2012. The salaries of PT’s named executive officers have not been changed since 2008 and will remain unchanged for 2012.

Short-term Incentive Program for 2012

A short-term cash incentive program has been established for 2012 amounting to 10% of audited operating income (after giving effect to the incentive program expense) up to \$1,538,000 of after-incentive operating income, plus an additional 5% of after-incentive operating income in excess of that threshold. Any earned incentive payments will be allocated 33% to Mr. Slusser, 24% to Mr. Lamb and 14% to Mr. Rice. The remaining 29% will be allocated to other key employees. The total amounts that may be earned under this program are capped at approximately 50% of base salary for Messrs. Slusser and Lamb, and at approximately 35% of base salary for Mr. Rice. No payments will be made under this program if PT does not have positive audited net income for 2012. The program is subject to ongoing review and modification at the discretion of the Committee.

Option Awards

On January 30, 2012, the Committee approved grants of time-vested non-qualified stock options to the Registrant’s named executive officers. The officers identified in the table below were granted options to purchase the following number of shares under the Registrant’s 2003 Omnibus Incentive Plan:

<u>Named Executive Officer</u>	<u>Number of Shares</u>
John M. Slusser	100,000
Dorrance W. Lamb	60,000
J. Patrick Rice	40,000

The options were granted at an exercise price as of the market close on January 30, 2012, which was \$1.87, and will vest in accordance with the following schedule: 20% will vest upon the first anniversary of the grant date, an additional 30% will vest upon the second anniversary of the grant date and an additional 50% will vest upon the third anniversary of the grant date. All of the options expire five years from the date of grant. The options for Mr. Slusser and Mr. Lamb contain change-in-control/acceleration provisions. The forms of the stock option agreement are

substantially the same as the form of options granted in 2010 and filed as an exhibit to the Registrant's 2009 Form 10-K.
