PROXY STATEMENT

This proxy statement (the “Proxy Statement”) is furnished by the Board of Directors of AMP Holding Inc. (the “Board”) in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders or any postponement, adjournment or delay thereof (the “Annual Meeting”) to be held at our headquarters located at 100 Commerce Drive, Loveland, Ohio 45140, on January 30, 2015, at 10:30 a.m., local time. Unless the context otherwise requires, in this Proxy Statement, we use the terms “AMP,” “we,” “our,” “us” and “the Company” to refer to AMP Holding Inc.

QUESTIONS AND ANSWERS ABOUT

THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why did I receive this Proxy Statement?

The Board is soliciting your proxy to vote at the Annual Meeting because you were a stockholder at the close of business on December 8, 2014, the record date, and are entitled to vote at the Annual Meeting.

A:

This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares.

Q: What information is contained in this Proxy Statement?

The information in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the Board, the compensation of directors and certain executive officers, and certain other required information.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage

account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain an additional set of proxy materials?

A: All stockholders may contact our transfer agent at the telephone number or address listed below to request an additional set of proxy materials:

Empire Stock Transfer

1859 Whitney Mesa Drive

Henderson, NV 89014

Tel: (702) 818-5898

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares are registered directly in your name with our transfer agent, Empire Stock Transfer, you are considered, with respect to those shares, the “stockholder of record.” If you are a stockholder of record, AMP sent this Proxy Statement and a proxy card directly to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held in “street name.” If you hold shares in street name, this Proxy Statement has been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares by using the voting instruction card included in the mailing. As a beneficial owner is not a stockholder of record, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the bank, broker or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

Q: What am I voting on at the Annual Meeting?

A: You are voting on the following proposals:

to elect three (3) directors to serve until the 2015 Annual Meeting of Stockholders and until their successors are duly elected and qualify;

to amend our Articles of Incorporation to increase the aggregate number of authorized shares of common stock by 250,000,000 shares to 500,000,000 shares;

Edgar Filing: AMP Holding Inc. - Form DEF 14A

to ratify the appointment of Clark, Schaefer, Hackett & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2014; and

to consider such other business as may properly come before the Annual Meeting or any adjournments thereof.

The Board recommends a vote “FOR” the election of each of the nominees to the Board, and “FOR” each of the other proposals.

Q: How do I vote?

A: You may vote using any of the following methods:

Proxy card or voting instruction card . Be sure to complete, sign and date the card and return it in the prepaid envelope.

In person at the Annual Meeting . All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. **If you hold shares in street name, you must obtain a legal proxy from your bank, broker or other nominee and present it to the inspector of election with your ballot when you vote at the Annual Meeting.**

Q: What can I do if I change my mind after I vote my shares?

A: If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

sending written notice of revocation to the Corporate Secretary of AMP;

submitting a new, proper proxy dated later than the date of the revoked proxy; or

attending the Annual Meeting and voting in person.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described in the answer to the previous question. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Q: What if I return a signed proxy card, but do not vote for some of the matters listed on the proxy card?

If you return a signed proxy card without indicating your vote, your shares will be voted in accordance with the A: Board's recommendations as follows: "FOR" the election of each of the nominees to the Board, and "FOR" each of the other proposals.

Q: Will my shares be voted if I do not return my proxy card or voting instruction card and do not attend the Annual Meeting?

A: If you do not vote your shares held of record (registered directly in your name, not in the name of a bank or broker), your shares will not be voted.

If you do not vote your shares held beneficially in street name with a broker, your broker will not be authorized to vote on non-routine matters. Proposals 1, 2 and 3 are considered non-routine matters, and therefore brokers cannot exercise discretionary authority regarding these proposals for beneficial owners who have not returned proxies to the brokers (so-called “broker non-votes”). If your broker is not able to vote your shares, they will constitute “broker non-votes,” which are counted for the purposes of determining the presence of a quorum, but otherwise do not affect the outcome of the foregoing matters being voted on at the Annual Meeting.

Q: What are the voting requirements to approve each of the proposals?

In the election of directors, the three (3) nominees receiving the highest number of affirmative votes will be elected. You may withhold votes from any or all nominees.

The proposal to approve the amendment to our Articles of Incorporation requires the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the annual meeting. Abstentions will be counted as present for purposes of determining if a quorum is present, and will have the same effect as a negative vote on this proposal.

A: The proposals for the ratification of the appointment of Clark, Schaefer, Hackett & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2014 require the affirmative “FOR” votes of a majority of the votes cast on each matter. Abstentions will not affect the outcome of the vote on any of these proposals.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute “broker non-votes.” Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for proposals 1, 2 and 3, shares that constitute broker non-votes are not considered entitled to be voted on those proposals. As a result, the broker “non-vote” will have no effect on the outcome of those proposals, assuming that a quorum is present.

Q: How many votes do I have?

A: If you hold shares of common stock, you are entitled to one vote for each share of common stock that you hold. As of December 8, 2014, the record date, there were 149,667,926 shares of common stock outstanding.

Q: Is cumulative voting permitted for the election of directors?

A: We do not use cumulative voting for the election of directors.

Q: What happens if a nominee for director does not stand for election?

If for any reason any nominee does not stand for election, any proxies we receive will be voted in favor of the remaining nominees and may be voted for substitute nominees in place of those who do not stand. We have no reason to expect that any of the nominees will not stand for election.

Q: What happens if additional matters are presented at the Annual Meeting?

Other than the four items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Martin Rucidlo and Stephen S. Burns, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A quorum will be present if at least a majority of the outstanding shares of our common stock entitled to vote is represented at the Annual Meeting, either in person or by proxy, totaling 74,848,930 shares. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Q: How can I attend the Annual Meeting?

You are entitled to attend the Annual Meeting only if you were a stockholder as of the close of business on December 8, 2014 or hold a valid proxy for the Annual Meeting. You should be prepared to present photo identification for admittance. In addition, if you are a stockholder of record, your ownership will be verified against the list of stockholders of record on the record date prior to being admitted. If you are not a stockholder of record but hold shares through a bank, broker or other nominee (i.e., in street name), you should be prepared to provide proof of beneficial ownership as of the record date, such as your most recent account statement prior to December 8, 2014, a copy of the voting instruction card provided to you by your bank, broker or other nominee, or similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the Annual Meeting.

The Annual Meeting will begin promptly on January 30, 2015, at our headquarters located at 100 Commerce Drive, Loveland, Ohio 45140, at 10:30 a.m., local time. You should allow adequate time for the check-in procedures.

Q: How can I vote my shares in person at the Annual Meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the A: bank, broker or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card or voting instruction card as described herein so your vote will be counted if you later decide not to attend the Annual Meeting.

Q: What is the deadline for voting my shares?

A: If you hold shares as the stockholder of record, your vote by proxy must be received before the polls close at the Annual Meeting.

If you hold shares beneficially in street name, please follow the voting instructions provided by your bank, broker or other nominee. You may vote your shares in person at the Annual Meeting only if at the Annual Meeting you provide a legal proxy obtained from your bank, broker or other nominee.

Q: Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed to us or to third parties, except: (1) as necessary to A: meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to our management.

Q: How are votes counted?

For the election of directors, you may vote "FOR" all or some of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. For the other items of business, you may vote "FOR," "AGAINST" or A: "ABSTAIN." If you elect to "ABSTAIN," the abstention will be counted for the purpose of establishing a quorum, but otherwise will have no effect on the outcome of the vote, except for the proposal to approve the amendment to our Articles of Incorporation where abstentions will have the same effect as a negative vote on the proposal.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K within four (4) business days after the Annual Meeting.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We may also retain a proxy solicitation firm to assist us in obtaining proxies by mail, facsimile or email from record and beneficial holders of shares for the Annual Meeting. If we retain a proxy solicitation firm, we expect to pay such firm reasonable and customary compensation for its services, including out-of-pocket expenses. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

Q: How may I obtain AMP's Annual Report on Form 10-K and other financial information?

A: A copy of our Annual Report on Form 10-K for the year ended December 31, 2013 (the "Annual Report") is being sent to stockholders along with this Proxy Statement. Stockholders may request an additional free copy of the Annual Report and other financial information by contacting us at:

Transactions with Related Persons, Promoters and Certain Control Persons

Certain "related party" transactions involving related persons are presented to, reviewed and approved by the Board of Directors. Related persons include the Company's directors and executive officers, immediate family members of the directors and executive officers, and security holders who beneficially own five percent or more of our common stock and their respective family members. The transactions subject to such review are those transactions in which the Company was or is to be a participant and the amount involved equals or exceeds \$120,000. If the related party involved in a related party transaction is a director of the Company that would normally review such a transaction or a family member of such a director, then that director will not participate in the relevant discussion and review.

Information considered in evaluating such transactions may include: the nature of the related person's interest in the transaction; the material terms of the transaction; whether the terms of the transaction are fair to the Company and on the same basis as would apply if the transaction did not involve a related party; whether there are business reasons for the Company to enter into the transaction; whether the transaction would impair the independence of an outside director; and whether the transaction would present an improper conflict of interests for any director or executive officer of the Company, taking into account the size of the transaction, the overall financial position of the director, executive officer or related party, the direct or indirect nature of the director's, executive officer's or related party's interest in the transaction and the ongoing nature of any proposed relationship; and any other factors the Board of Directors deems relevant.

Except as set forth below, at no time during the last two fiscal years has any executive officer, director or any member of these individuals' immediate families, any corporation or organization with whom any of these individuals is an affiliate or any trust or estate in which any of these individuals serves as a trustee or in a similar capacity or has a substantial beneficial interest been indebted to the Company or was involved in any transaction in which the amount exceeded \$120,000 and such person had a direct or indirect material interest. On May 23, 2014 Mr. Burns converted an aggregate of \$108,700 that Mr. Burns deposited and/or loaned to us into 1,087,000 shares of our common stock and a common stock purchase warrant to acquire 543,500 shares of common stock at \$0.15 per share.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended requires our directors and executive officers, and persons who beneficially own more than 10% of a registered class of our equity securities, to report their initial beneficial ownership and any subsequent changes in that beneficial ownership of our securities to the SEC. Based solely on a review of the copies of the reports furnished to us, we believe that all such reports for the year ended December 31, 2013 were filed on a timely basis.

Vote Required

The three (3) nominees receiving the highest number of affirmative votes will be elected to the Board. You may withhold votes from any or all nominees.

Recommendation of the Board

The Board recommends a vote "FOR" the election of the nominees to the Board to serve until the 2015 Annual Meeting and until their successors are duly elected and qualify.

PROPOSAL NO. 2: APPROVAL OF AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

Our Articles of Incorporation, as amended, currently authorize the issuance of up to 250,000,000 shares of common stock. As of December 8, 2014, there were 149,667,926 shares of common stock outstanding.

Our Board of Directors has approved, subject to stockholder approval, an amendment to the Articles of Incorporation to increase the number of authorized shares of common stock to 500,000,000 (the "Amendment"). The additional shares of common stock authorized by the Amendment, if and when issued, would have the same rights and privileges as the shares of common stock previously authorized. A copy of the Amendment is set forth in Appendix A hereto.

The additional shares of common stock authorized by the Amendment could be issued at the discretion of the Board of Directors from time to time for any proper corporate purpose, including, without limitation, the acquisition of other businesses, the raising of additional capital for use in our business, a split of or dividend on then outstanding shares or in connection with any employee stock plan or program. Any future issuances of authorized shares of common stock may be approved by the Board of Directors without further action by the stockholders. The availability of additional shares of common stock would be particularly important in the event that the Board of Directors needs to undertake any of the foregoing actions on an expedited basis in order to avoid the time and expense of seeking stockholder approval in connection with the contemplated issuance of common stock, where such approval might not otherwise be required. The Board of Directors has no present agreement, arrangement or commitment to issue any of the shares for which approval is sought.

Although the Board of Directors will issue common stock only when required or when the Board considers such issuance to be in our best interests, the issuance of additional common stock may, among other things, have a dilutive effect on the earnings per share (if any) and on the equity and voting rights of our existing stockholders. Furthermore, since Nevada law requires the vote of a majority of shares of each class of stock in order to approve certain mergers and reorganizations, the proposed Amendment could permit the Board to issue shares to persons supportive of management's position. Such persons might then be in a position to vote to prevent a proposed business combination which is deemed unacceptable to the Board of Directors, although perceived to be desirable by some stockholders, including, potentially, a majority of stockholders. This could provide management with a means to block any majority vote which might be necessary to effect a business combination in accordance with applicable law, and could enhance the ability of our directors to retain their positions.

Additionally, the presence of such additional authorized but unissued shares of common stock could discourage unsolicited business combination transactions which might otherwise be desirable to stockholders. The Board of Directors is not currently aware of any attempt to take over or acquire us. While it may be deemed to have potential anti-takeover effects, the proposed Amendment to increase the authorized shares of common stock is not prompted by

any specific effort or takeover threat currently perceived by management. In addition, we do not have any plans to implement additional measures having anti-takeover effects. The Board believes that the benefits of providing it with the flexibility to issue shares without delay for any proper business purpose, including as an alternative to an unsolicited business combination opposed by the Board, outweigh the possible disadvantages of dilution and discouraging unsolicited business combination proposals and that it is prudent and in the best interests of stockholders to provide the advantage of greater flexibility which will result from the Amendment.

Vote Required

The affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the annual meeting will be required to approve the Amendment. Abstentions will be counted as present for purposes of determining if a quorum is present, and will have the same effect as a negative vote on this proposal.

Recommendation of the Board

The Board recommends a vote “FOR” the approval of the Amendment.

PROPOSAL NO. 3: RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board has appointed Clark, Schaefer, Hackett & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2014. Although this appointment does not require ratification, the Board has directed that the appointment of Clark, Schaefer, Hackett & Co. be submitted to stockholders for ratification due to the significance of their appointment to us. If stockholders do not ratify the appointment of Clark, Schaefer, Hackett & Co., the Board will consider the appointment of another independent registered public accounting firm for the fiscal year ending December 31, 2014. Representatives of Clark, Schaefer, Hackett & Co. are expected to be present at the Annual Meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

The current policy of the directors, acting as the audit committee, is to approve the appointment of the principal auditing firm and any permissible audit-related services. The audit and audit related fees include fees for the annual audit of the financial statements and review of financial statements included in 10Q filings. Fees charged by Clark, Schaefer Hackett & Company were approved by the Board with engagement letters signed by Stephen S. Burns, Chief Executive Officer.

Vote Required

The affirmative vote of a majority of the votes cast on the matter is required to ratify the appointment of Clark, Schaefer, Hackett & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2014. Abstentions will not affect the outcome of the vote on the proposal.

Recommendation of the Board

The Board recommends a vote “FOR” the ratification of the appointment of Clark, Schaefer, Hackett & Co. as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

We have entered into the following arrangements:

On October 11, 2010, Mr. Taylor entered into a letter agreement with the Company pursuant to which he was appointed as a director of the Company in consideration of an annual fee of \$40,000. Additionally, the Company granted Mr. Taylor options to purchase 325,000 shares of the Company's common stock at \$0.68 per share. The options will expire five years from the vesting period with 75,000 options vesting upon the signing of the agreement and 50,000 every six months thereafter for a total of 325,000 shares.

On October 24, 2013, the size of the Board of Directors was increased from two to three and Raymond J. Chess was appointed as a director of the Company. Prior to joining the Board of Directors, Mr. Chess served on our advisory board pursuant to which he received a stock option to acquire 100,000 shares of common stock at an exercise price of \$0.25 per share. On October 24, 2013, Mr. Chess entered into a letter agreement with the Company pursuant to which he was appointed as a director of the Company in consideration of an annual fee of \$40,000. Additionally, the Company granted Mr. Chess options to purchase 500,000 shares of the Company's common stock at US\$0.26 per share. The options will expire five years from the vesting period with 100,000 options vesting upon the signing of the agreement and 40,000 every six months thereafter for a total of 500,000 shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and persons who own more than 10% of the issued and outstanding shares of our common stock to file reports of initial ownership of common stock and other equity securities and subsequent changes in that ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2013 all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with.

Director Nominations

Our Board of Directors does not maintain a separate nominating committee. Functions customarily performed by a nominating committee are performed by the independent members of our Board. In evaluating and determining whether to nominate a candidate for a position on the Board, the independent members of our Board utilize a variety of methods and considers criteria such as high professional ethics and values, experience on the policy-making level in business or scientific/medical research experience relevant to our product candidates and a commitment to

enhancing stockholder value. Candidates may be brought to the attention of the independent members of the Board by current Board members, stockholders, officers or other persons. The independent members of the Board will review all candidates in the same manner regardless of the source of the recommendation.

We have no formal policy regarding diversity of our Board of Directors. The independent members of our Board may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include diversity, which is not only limited to race, gender or national origin. The priority of the independent members of our Board in selecting members of the Board of Directors is identifying persons who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among Board members and professional and personal experiences and expertise relevant to our growth strategy.

The independent members of the Board also consider stockholder recommendations for director nominees that are properly received in accordance with the applicable rules and regulations of the SEC. In order to validly nominate a candidate for election or reelection as a director, stockholders must give timely notice of such nomination in writing to our Corporate Secretary and include, as to each person whom the stockholder proposes to nominate, all information relating to such person that is required to be disclosed in solicitations of proxies for the election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, and the rules and regulations thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). For more information on director candidate nominations by stockholders, see "Stockholder Proposals" herein.

Board Leadership Structure

Mr. Burns currently serves as our principal executive officer and James E. Taylor serves as chairman of our Board of Directors. The Board of Directors has chosen to separate the principal executive officer and chairman positions because it believes that (i) independent oversight of management is an important component of an effective board of directors and (ii) this structure benefits the interests of all stockholders. If the Board of Directors convenes for a special meeting, the non-management directors will meet in executive session if circumstances warrant. Given the composition of the Board of Directors with a strong slate of independent directors, the Board of Directors does not believe that it is necessary to formally designate a lead independent director at this time, although it may consider appointing a lead independent director if circumstances change. We believe that the structure described above is the best structure to lead us in the achievement of our goals and objectives and establishes an effective balance between management leadership and appropriate oversight by independent directors.

Board Role in Risk Oversight

Senior management is responsible for assessing and managing our various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing our approach to risk management. In addition, an overall review of risk is inherent in the Board's consideration of our long-term strategies and in the transactions and other matters presented to the Board, including capital expenditures, acquisitions and divestitures, and financial matters.

Code of Ethics

We have adopted a Code of Ethics applicable to our officers, directors and employees. The Code of Ethics requires each covered person to act with honesty, ethics and integrity and to avoid actual or apparent conflicts of interest in

their personal and professional relationships. We intend to disclose any amendments to, or waivers of, certain provisions of the Code of Ethics as required by the applicable rules and regulations of the SEC. The text of the Code of Ethics is posted in the “Corporate Governance” section of our website, <http://ampelectricvehicles.com/>. A copy of the Code of Ethics is also available in print, free of charge, upon written request to 100 Commerce Drive, Loveland, Ohio 45140, Attention: Stephen Burns.

STOCKHOLDER PROPOSALS

Stockholder proposals, including director nominations, intended for inclusion in our proxy statement for the 2015 Annual Meeting (expected to be held on or about August 20, 2015) pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 must be submitted to us on or before August 20, 2015 so that they may be considered by us for inclusion in our proxy statement relating to that meeting.

ANNUAL REPORT

The Annual Report is being sent with this Proxy Statement to each stockholder and is available at the Investor Relations portion of our website as well as on the SEC's website at www.sec.gov. The Annual Report contains our audited financial statements for the fiscal year ended December 31, 2013. The Annual Report, however, is not to be regarded as part of the proxy soliciting material.

DELIVERY OF PROXY MATERIALS TO HOUSEHOLDS

Only one copy of this Proxy Statement and one copy of our Annual Report are being delivered to multiple registered stockholders who share an address unless we have received contrary instructions from one or more of the stockholders. A separate form of proxy and a separate notice of the Annual Meeting are being included for each account at the shared address. Registered stockholders who share an address and would like to receive a separate copy of our Annual Report and/or a separate copy of this Proxy Statement, or have questions regarding the householding process, may contact the Company's transfer agent: Empire Stock Transfer, by calling (702) 818-5898, or by forwarding a written request addressed to Empire Stock Transfer, 1859 Whitney Mesa Drive, Henderson, NV 89014. Promptly upon request, a separate copy of our Annual Report on Form 10-K and/or a separate copy of this Proxy Statement will be sent. By contacting Empire Stock Transfer, registered stockholders sharing an address can also (i) notify the Company that the registered stockholders wish to receive separate annual reports to stockholders, proxy statements and/or Notices of Internet Availability of Proxy Materials, as applicable, in the future or (ii) request delivery of a single copy of annual reports to stockholders, proxy statements and/or Notices of Internet Availability of Proxy Materials, as applicable, in the future if registered stockholders at the shared address are receiving multiple copies.

Many brokers, brokerage firms, broker/dealers, banks and other holders of record have also instituted "householding" (delivery of one copy of materials to multiple stockholders who share an address). If your family has one or more "street name" accounts under which you beneficially own shares of our common stock, you may have received

householding information from your broker, brokerage firm, broker/dealer, bank or other nominee in the past. Please contact the holder of record directly if you have questions, require additional copies of this Proxy Statement or our Annual Report or wish to revoke your decision to household and thereby receive multiple copies. You should also contact the holder of record if you wish to institute householding.

OTHER MATTERS

Management does not know of any other matters which are likely to be brought before the meeting. However, in the event that any other matters properly come before the meeting, the persons named in the enclosed proxy will vote said proxy in accordance with their judgment in said matters.

The information presented in this proxy statement under the caption "Report of the Board of Directors" will not be deemed to be "soliciting material" or deemed filed with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934, and nothing contained in any of our previous filings under such acts shall be interpreted as incorporating by reference the information presented under said specified captions.

Where You Can Find More Information

We file annual, quarterly and other reports and information with the SEC. These reports and other information can be inspected and copied at, and copies of these materials can be obtained at prescribed rates from, the Public Reference Section of the SEC at 100 F Street, N.E., Washington, D.C. 20549. We distribute to our stockholders annual reports containing financial statements audited by our independent registered public accounting firm and, upon request, quarterly reports for the first three quarters of each fiscal year containing unaudited financial information. In addition, the reports and other information are filed through Electronic Data Gathering, Analysis and Retrieval (known as "EDGAR") system and are publicly available on the SEC's Web site, located at <http://www.sec.gov>. We will provide without charge to you, upon written or oral request, a copy of the reports and other information filed with the SEC.
