Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Board of Directors (the “Board”) of NRG Energy, Inc. (the “Company”) has been undergoing a Board succession and refreshment process to align Board oversight with the strategic direction of the Company.

In connection with this process, the Board has accepted the retirement of Evan Silverstein, Barry Smitherman and Walter Young from the Board, effective March 6, 2018 and has agreed to reduce the size of the Board from thirteen (13) to twelve (12) members. The retirements of Messrs. Silverstein, Smitherman and Young were not the result of any disagreement with the Company or its management and the Board recognizes the exemplary service they have provided during their tenure, and most recently in oversight, implementation and execution of the Company’s previously announced Transformation Plan. Mr. Smitherman will continue his involvement with the Company as a consultant on a variety of government and regulatory matters.

With the retirements of Messrs. Silverstein, Smitherman and Young, the Board identified Mr. Matthew Carter and Ms. Heather Cox as director candidates and has appointed such individuals to serve on the Board, effective March 6, 2018. Mr. Carter and Ms. Cox will serve as independent directors and there is no arrangement or understanding between each Mr. Carter or Ms. Cox and any other person, pursuant to which they were appointed as a director.
