Changes in Control of Registrant

On September 21, 2009 Arbios Systems Inc.'s previously disclosed confirmed Chapter 11 Plan of Reorganization in Arbios' Chapter 11 Bankruptcy filing in the United States Bankruptcy Court for the District of Delaware, Case No. 09-10082, became effective. Pursuant to the terms of the Chapter 11 Plan, among other things, as of the effective date:

- All of Arbios' currently existing equity (including, but not limited to, all of its outstanding common and preferred shares of stock, warrants, and options) were canceled as of the effective date.
- The company issued to Arbios Acquisition Partners, LLC an unrelated, privately held company, and its designees, who were the funders under the Chapter 11 Plan, an aggregate of 45 million new shares of common stock representing 90% of Arbios' newly issued shares.
- The company issued to the Company's existing shareholders an aggregate of 5 million new shares of common stock equal to 10% of its newly issued shares pro rata, which replaces the canceled shares of common stock. As a result, pursuant to the Chapter 11 Plan, 1 newly issued share of Arbios common stock replaced every 4.87 canceled shares of Arbios common stock held by Arbios shareholders as of September 21, 2009.
- The officers and directors prior to the effective date of the Chapter 11 Plan resigned and new officers and directors were elected, as described under Item 5.02 below.

In consideration for issuing the new shares to them, Arbios Acquisition Partners and its designees paid the company \$800,000 in cash. Of the 45 million new shares of common stock issuable to Arbios Acquisition Partners and its designees, Arbios Acquisition Partners were 30 million shares as of the effective date of the Chapter 11 Plan, representing 60% of the issued and outstanding new shares of common stock for \$533,333, and Arbios Acquisition Partners' ten designees, none of which are affiliated with Arbios Acquisition Partners, were issued 15 million shares for \$266,667 as of the effective date of the Chapter 11 Plan, which has been paid.

Arbios Acquisition Partners has advised the Company that the remaining \$200,000 called for under the Chapter 11 Plan will be provided in the future on an as-needed basis on terms and conditions to be determined.

Arbios Acquisition Partners, LLC was founded by Thomas J. Fagan to fund Arbios in consideration for 90% of Arbios' new common stock in connection with Arbios' reorganization as provided Arbios' Chapter 11 Plan. Mr. Fagan is the sole Manager of Arbios Acquisition Partners. Energex Systems, Inc., a developer, manufacturer and marketer of patented medical technologies, currently owns approximately 85% of the membership interests of Arbios Acquisition Partners. Thomas Fagan is the Chairman of the Board, President, Chief Executive Officer and a director and the principal stockholder of Energex.

Arbios believes that the funds used by Arbios Acquisition Partners and its designees to purchase their respective new shares of common stock were raised by Arbios Acquisition Partners through the private sale of Arbios Acquisition Partners membership interests, and were personal funds of the designees, respectively.

Details regarding Arbios Chapter 11 bankruptcy filing and the related Chapter 11 Plan were disclosed in Arbios' previous reports filed with the Securities and Exchange Commission.
