### Item 8.01 Other Events

On September 18, 2006, ePlus inc. (the "Company") issued a press release announcing the results of a jury trial conducted in the Fairfax County, Virginia Circuit Court from Sept. 11-14, 2006. On September 14, 2006, the jury returned a verdict for Banc of America Leasing & Capital, LLC (BoA) and against ePlus Group, inc. ("ePlus") in the amount of \$3,025,000, plus interest at \$395.97 per day beginning on December 22, 2004 through the judgment date.

As previously disclosed, BoA filed suit against ePlus Group, inc. in May 2005. The suit alleged a breach of warranties made in a Finance Program Agreement relating to a financing transaction between ePlus and BoA, in which BoA financed an installment sale of equipment to Cyberco Holdings, Inc. ("Cyberco") from a third party vendor. After the equipment was financed, the parties discovered that, unknown to ePlus or BoA, Cyberco was committing a sophisticated fraud. The jury appears to have concluded that, by and between ePlus and BoA, ePlus bore the risk of Cyberco's fraud. As of the date of this release, the final judgment has not been entered by the judge, and on October 13, 2006 the court is scheduled to hold a hearing on BoA's possible award of attorneys' fees, at which BoA is expected to seek approximately \$1,000,000.

In April, 2006, the United States Attorney for the Western District of Michigan asserted that Cyberco defrauded approximately 40 financial institutions of approximately \$90 million. In June 2006, one of the principals of Cyberco pled guilty to fraud, money laundering, and conspiracy. Cyberco, related affiliates, and at least one principal are in Chapter 7 bankruptcy, and no future payments are expected from Cyberco.

As previously disclosed, ePlus has settled a lawsuit with GMAC Commercial Finance, LLC ("GMAC") in the amount of \$6 million. The BoA and GMAC suits are the only two suits regarding Cyberco in which ePlus is the defendant.

While ePlus is disappointed in the verdict, it believes that it has strong grounds for appeal, and expects to appeal once there is a final order in the case. The adverse verdict has been recorded in the year ended March 31, 2006. The estimated after-tax loss, calculated using ePlus' 41% tax rate, is approximately \$2.5 million.

A copy of the Company's press release issued on September 18, 2006 is filed as Exhibit 99.1 hereto and incorporated herein by reference.
