REPURCHASE AUTHORIZATION**

In November 2002, the Board authorized the repurchase of up to \$300 million, which is expected to be completed by the end of 2003.

David C. Novak, Chairman and CEO said: "The Board's action reflects its belief that the company's shares are undervalued and represent an outstanding long-term investment opportunity given the performance of our business portfolio, unique international growth prospects, and development of Multibrand innovation in the U.S."

"We have the cash flow to reinvest in our businesses, invest in key growth opportunities, exceed our debt repayment targets, and invest in our own stock. All of these actions are consistent with our objective to continue to enhance value for our shareholders and build a stronger balance sheet every year," Novak added.

Repurchases of common stock may be made from time to time in open market and/or privately negotiated transactions, and will be subject to market conditions and other factors. Since Yum! Brands began its share repurchase program in 1999, the company has purchased 39.38 million shares for \$876 million at an average price of \$22.24.
