Item 3. Source and Amount of Funds or Other Consideration.

No Change.

Item 4. Purpose of Transaction.

No Change, except that on January 16, 2003, the Reporting Persons, except for H&Q Group, H&Q California and Guaranty Finance Management, entered into an Agreement (the Agreement) whereby they agreed to form the Group for the purpose of coordinating the disposition of some or all of the Common Stock beneficially owned by them (the Possible Disposition). As of the date of the Agreement, an aggregate of 6,593,483 shares of Common Stock beneficially owned by the Reporting Persons is subject to the Agreement (the Group Shares). This amount excludes any shares of Common Stock issuable to a Reporting Person upon conversion of the Issuer's Series A Preferred Stock.

Pursuant to the terms of the Agreement, each Reporting Person has agreed that for 150 days from the date of the Agreement, without the consent of Reporting Persons representing at least 75% of the shares of Common Stock subject to the Agreement, that such Reporting Person will not, and will not agree or commit to (by grant of options or otherwise), sell, transfer, assign or otherwise dispose of the Common Stock beneficially owned or hereafter acquired by such Reporting Person except (i) in a corporate transaction requiring the approval of the holders of a majority of the outstanding Common Stock and as to which the requisite approval of the Issuer's stockholders shall have been obtained, (ii)

pursuant to an offer to purchase not less than all outstanding shares of Common Stock (other than the shares owned by the offeror or offerors), which the Issuer's Board of Directors shall not have determined is inadequate or not in the best interests of the stockholders of the Issuer as a whole, and which an independent investment banker of national reputation as the Issuer may select, shall have determined to be fair and equitable to the Issuer's stockholders from a financial point of view, (iii) pursuant to an offer to purchase less than all outstanding shares of Common Stock; provided, that the offeror or offerors have entered into an agreement of merger or consolidation or similar agreement with the Issuer that has been approved by a majority of the Issuer's Board of Directors, and which is to be submitted to the stockholders of the Issuer for approval; or (iv) by gift, will or pursuant to the laws of descent and distribution; provided, that any recipient of shares of Common Stock pursuant to such permitted sale, transfer, assignment or disposition shall be bound by the Agreement as if a signatory thereto.

Nothing in the Agreement restricts the rights of any Reporting Person to vote (including, without limitation, the right of any Reporting Person to vote as he, she or it wishes on the Possible Disposition), and nothing in the Agreement restricts the rights of any Reporting Person to sell or dispose of shares of the Common Stock except as specifically set forth in the Agreement. Under the Agreement, there are no grants of proxies as to voting the Group Shares.

The Group's current desire is to sell the Group Shares at a price which reflects the value of the Issuer's assets, which the Group believes to be significantly greater than the price at which the Common Stock has been trading recently. The Group expects to value the Group Shares using the Estimated Net Proved Oil and Gas Reserves and the related Standardized Measure of Discounted Future Net Cash Flows Related to Proved Oil and Gas Reserves prepared by the Issuer's independent petroleum engineering consultants and the other financial information provided in the Issuer's audited financial statements.

Notwithstanding the foregoing and the terms of the Agreement, there are no agreements as to the possible form of any coordinated disposition and no prediction can be made as to whether the Possible Disposition will occur. Moreover, the Reporting Persons, subject to the terms of the Agreement which restrict certain actions as described above, reserve the right in their sole discretion to (i) abandon both their intention to dispose of some or all of the Common Stock beneficially owned by them, (ii) cease discussions about a coordinated transaction with any or all of such other Reporting Persons and (iii) withdraw as a member of the Group.

Item 5. Interest in Securities of Issuer.

No Change, except for the following:

The Reporting Persons have formed a Group. 1,440 shares of Common Stock disclosed in Amendment No. 2 as being beneficially owned by Campbell are no longer beneficially owned by him. The following chart amends and restates the chart in Item 5 in Amendment No. 2 and the related disclosure:
