extended term commencing January 1, 2006 is \$19.75 per rentable square foot, plus electricity and parking. This rate is subject to further reduction by \$0.50 per year of additional extension to a minimum of \$17.75 per rentable square foot, based on the length of the extension election made on or before July 1, 2005.

During the extension, Dean may also reduce the square footage under the lease by a minimum of 12,000 square feet and a maximum of 35,000 square feet upon six months advance written notice. If Dean elects to reduce its square footage, the aggregate base rent will be reduced proportionately and Dean will be responsible for unamortized tenant improvements and lease commissions on the foregone square footage. For every election by Dean to reduce its square footage, the base rent will be further reduced by \$0.25 per square foot, not to exceed \$0.75 per square foot for the maximum reduction over an 18-month period. Dean has no termination option during the extension term. Dean will receive an allowance for tenant improvements of \$1.40 per rentable square foot for each year of the extended term.
