PRELIMINARY PROSPECTUS SUPPLEMENT

(To Prospectus dated September 11, 2015)

TravelCenters of America LLC

% Senior Notes due 2030

This is an offering of \$ aggregate principal amount of % Senior Notes due 2030, or the Notes. We will pay interest on the Notes quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, beginning on January 15, 2016. The Notes will mature on October 15, 2030.

The Notes will constitute our senior unsecured obligations and will rank *pari passu* in right of payment with all of our existing and future unsecured and unsubordinated indebtedness and will be effectively subordinated to all existing and future secured indebtedness (including all borrowings under our credit facility) to the extent of the value of the assets securing such indebtedness and to all existing and future debt, other liabilities (including deferred rent obligations) and any preferred equity of our subsidiaries. The Notes will be issued in denominations and integral multiples of \$25.00.

We may, at our option, at any time on or after October 15, 2018, redeem some or all of the Notes by paying 100% of the principal amount of the Notes to be redeemed plus accrued but unpaid interest, if any, to, but not including, the redemption date, as described under "Description of Notes Optional Redemption."

The Notes will constitute a new issue of securities with no established trading market. We intend to apply to list the Notes on the New York Stock Exchange, or the NYSE, under the symbol "TANP" and, if approved, expect trading in the Notes to begin within 30 days of the original issue date of the Notes. The Notes are expected to trade "flat," meaning that purchasers will not pay, and sellers will not receive, any accrued and unpaid interest on the Notes that is not reflected in the trading price.

Investment in the Notes involves a high degree of risk. You should read carefully the sections entitled "Risk Factors" and "Warning Concerning Forward Looking Statements" beginning on pages S-5 and S-32, respectively, of this prospectus supplement and in our Annual Report on Form 10-K for the year ended December 31, 2014, which is incorporated herein by reference.

PROSPECTUS SUPPLEMENT SUMMARY

The information below is only a summary of more detailed information included elsewhere in this prospectus supplement, the accompanying prospectus and the documents incorporated herein and therein by reference. This summary does not contain all of the information that is important to you or that you should consider before investing in the Notes. As a result, you should read this entire prospectus supplement and the accompanying prospectus, as well as the information incorporated herein and therein by reference, carefully. The Company

We are a leading operator and franchisor of travel centers under the "TravelCenters of America," "TA" and related brand names, or the TA brand, and the "Petro Stopping Centers" and "Petro" brand names, or the Petro brand, primarily along the United States, or U.S., interstate highway system. Our travel center customers include trucking fleets and their drivers, independent truck drivers and motorists. Our travel centers typically offer customers diesel fuel and gasoline as well as nonfuel products and services such as truck repair and maintenance services, full service restaurants, quick service restaurants, or QSRs, travel and convenience stores, and various other driver amenities. We also operate convenience stores with retail gasoline stations, primarily under the "Minit Mart" brand name, that generally serve motorists. Our convenience stores typically offer customers gasoline as well as nonfuel products and services such as coffee, groceries and other convenience items, some fresh food offerings, and QSRs. Additionally, we collect rents, royalties, and other fees from our travel center franchisees.

At June 30, 2015, our business included 252 travel centers in 43 states in the U.S. and the province of Ontario, Canada, and our travel centers included 176 operated under the TA brand and 76 operated under the Petro brand. Of our 252 travel centers at June 30, 2015, we owned 33, we leased 192, including 190 that we leased from Hospitality Properties Trust, or HPT, we operated two for a joint venture in which we own a noncontrolling interest and our franchisees owned or leased 25.

Additionally, at June 30, 2015, we operated 79 convenience stores in nine states, primarily Kentucky, Minnesota and Missouri. Of our 79 convenience stores, at June 30, 2015, we owned 71 and we leased six, including one that we leased from HPT, and we operated two for a joint venture in which we own a noncontrolling interest.

Recent Developments

Since June 30, 2015, the following developments have occurred in our business:

Between July 1 and September 28, 2015, we acquired one travel center and 105 convenience stores for \$189.0 million in four separate transactions.

We have agreements to acquire an additional 44 convenience stores for \$84.0 million in five separate transactions. We expect these convenience stores will be acquired prior to January 31, 2016.

After all of the acquisitions referred to above are closed, we will operate 227 convenience stores in 11 states.

On September 23, 2015, we sold to HPT for \$51.5 million two travel centers and certain assets at one travel center and leased back those assets from HPT for annual rent of \$4.4 million.

Table of Contents

Our Competitive Strengths

We believe we possess a number of competitive strengths that enable us to be a leader in our industry and may enable us to enhance this leadership position in the future. We believe these competitive strengths include our broad geographic footprint, our large average travel center size, the wide array of customer services and amenities we offer, our truck repair service business, which offers a wide variety of repair and maintenance services at substantially all of our travel centers, and our large variety of restaurant choices.

Our Growth Strategies

We have identified a number of possible growth strategies, including opportunities to acquire additional travel centers and convenience stores, to construct new travel centers on land parcels we own or may acquire in the future, and to make improvements to our facilities that we believe will make them more attractive to customers and help increase our sales of fuel and nonfuel products and services. We currently intend to use the net proceeds from this offering for general business purposes, including acquisitions and construction of additional travel centers and convenience stores, funding capital improvements to our travel centers and convenience stores and other expansion activities. See "Use of Proceeds."

Table of Contents

RISK FACTORS

Investing in the Notes involves a high degree of risk and uncertainty that may result in a loss of all or part of your investment. You should carefully review the risk factors set forth below and those contained under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2014, which is incorporated by reference in this prospectus supplement and the accompanying prospectus. You should also carefully review the information contained under the heading "Warning Concerning Forward Looking Statements" in this prospectus supplement, our Annual Report on Form 10-K for the year ended December 31, 2014, our Quarterly Report on Form 10-Q for the quarter ended June 30, 2015 and the accompanying prospectus. If any such risks occur, our business, financial condition, results of operations, liquidity or prospects could be materially harmed and you could lose all or part of your investment.

Risks Related to this Offering

We have a substantial amount of indebtedness and deferred rent obligations, which could adversely affect our financial condition and ability to meet our obligations under the Notes.

As of June 30, 2015, without giving effect to this offering, we had total consolidated liabilities of \$1,036.6 million, including deferred rent obligations of \$150.0 million (\$42.9 million of which is due June 30, 2024, \$27.4 million of which is due December 31, 2029, \$29.1 million of which is due December 31, 2028, \$29.3 million of which is due December 31, 2026 and \$21.2 million of which is due December 31, 2030), \$110.0 million aggregate principal amount of our 8.25% Senior Notes due 2028, or the Senior Notes due 2028, and \$120.0 million aggregate principal amount of our 8.00% Senior Notes due 2029, or the Senior Notes due 2029. As of June 30, 2015, we had no amounts outstanding on our credit facility, but had \$42.2 million of letters of credit outstanding under that credit facility. We also have substantial operating lease obligations, and the terms of our leases with HPT require us to pay all of our operating costs and generally fixed amounts of rent. During periods of business decline, our revenues and gross margins may decrease but our minimum rents due to HPT and the interest payable on our indebtedness do not decline. A decline in our revenues or an increase in our expenses may make it difficult or impossible for us to make payments of interest and principal on our debt or meet all of our rent obligations and could limit our ability to obtain financing for working capital, capital expenditures, acquisitions, refinancing, lease obligations or other purposes. Our substantial indebtedness and rent obligations may also increase our vulnerability to adverse economic, market and industry conditions, limit our flexibility in planning for, or reacting to, changes in our business operations or to our industry overall, and place us at a disadvantage in relation to competitors that have lower debt levels. If we default under our HPT leases, we may be unable to continue our business. Any or all of the above events and factors could have an adverse effect on our results of operations, financial condition and ability to meet our obligations under the Notes.

We depend upon our subsidiaries for cash flow to service our debt, and the Notes will be structurally subordinated to the payment of the indebtedness, lease and other liabilities and any preferred equity of our subsidiaries.

We are the sole obligor on the Notes. We derive all of our revenue and cash flow from our subsidiaries and our ability to service our debt, including the Notes, is substantially dependent upon the earnings of our subsidiaries, which own or lease most of the assets used to operate our business, and their ability to make cash available to us. In addition, as of June 30, 2015, substantially all of our contractual and other obligations and liabilities, other than the Senior Notes due 2028 and the Senior Notes due 2029, are obligations of our subsidiaries and thus structurally senior to our obligations on the Notes. None of our subsidiaries will guarantee the Notes. Our subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to pay any amounts due on the Notes, or to make any funds available therefore, whether by dividend, distribution, loan or other payments, and the rights of holders of Notes to benefits from any of the assets of our subsidiaries will be structurally

Table of Contents

subordinated to the claims of our subsidiaries' creditors and any preferred equity holders. As a result, the Notes are structurally subordinated to the prior payment and satisfaction of all of the existing and future debts, liabilities and obligations, including payment obligations under the HPT lease agreements, our credit facility, trade payables and any preferred equity of our subsidiaries. Any future subsidiary debt or obligation, whether or not secured, or any preferred equity of our subsidiaries will have priority over the Notes.

The Notes are unsecured and effectively subordinated to all of our existing and future secured indebtedness to the extent of the value of the assets securing such indebtedness.

Upon any distribution to our creditors in a bankruptcy, liquidation, reorganization or similar proceeding relating to us or our property, the holders of our secured debt, including the lenders under our credit facility, will be entitled to exercise the remedies available to a secured lender under applicable law and pursuant to the instruments governing such debt and to be paid in full from the assets securing that secured debt before any payment may be made with respect to the Notes. In that event, because the Notes will not be secured by any of our assets, it is possible that there will be no assets from which claims of holders of the Notes can be satisfied or, if any assets remain, that the remaining assets will be insufficient to satisfy those claims in full. If the value of such remaining assets is less than the aggregate outstanding principal amount of the Notes and accrued interest and all debt ranking *pari passu* with the Notes, we will be unable to fully satisfy our obligations under the Notes. In addition, if we fail to meet our payment or other obligations under our secured debt, the holders of that secured debt would be entitled to foreclose on our assets securing that secured debt and liquidate those assets. Accordingly, we may not have sufficient funds to pay amounts due on the Notes. As a result, you may lose a portion of or the entire value of your investment in the Notes.

Our credit facility is secured by substantially all of the personal property of the borrowers and the guarantors, including a first-priority security interest in 100% of the equity interests of the borrowers and each of their domestic majority owned subsidiaries, 65% of the equity interests of each of the borrowers' foreign majority owned subsidiaries, and all intercompany debt. The amount available to us under our credit facility is determined by reference to a borrowing base calculated based on eligible collateral. At June 30, 2015, this borrowing base calculation provided a total of \$127.6 million available for loans and letters of credit under the credit facility. At June 30, 2015, there were no loans outstanding under the credit facility but we had outstanding \$42.2 million of letters of credit issued under that facility securing certain purchases, insurance, fuel taxes and other trade obligations. Further, the terms of the Notes permit us to incur additional secured indebtedness. Your Notes will be effectively subordinated to any such additional secured indebtedness. See "Description of Other Indebtedness."

Our credit facility imposes restrictive covenants on us, and a default under the agreements relating to our credit facility or under our indenture governing our Senior Notes due 2028 and our Senior Notes due 2029 could have a material adverse effect on our business and financial condition and ability to make payments on the Notes.

Our credit facility requires us and our subsidiaries, among other obligations, to maintain a specified financial ratio any time that excess availability under the credit facility falls below 10% of the maximum credit limit of \$200.0 million, until such time that the excess availability has been greater than 10% of the maximum credit limit for thirty consecutive days. In addition, our credit facility restricts, among other things, our ability to incur debt and liens, make certain investments and pay dividends and other distributions. Under certain circumstances, we are required to seek permission from the lenders under our credit facility to engage in specified corporate actions. The lenders' interests may be different from our interests and those of the holders of the Notes, and no assurance can be given that we will be able to obtain the lenders' permission if it is needed.

Table of Contents

Various risks, uncertainties and events beyond our control could affect our ability to comply with these covenants. Failure to comply with these covenants (or similar covenants contained in future financing agreements) could result in a default under our credit facility, indentures and other agreements containing cross-default provisions, which, if not cured or waived, could have a material adverse effect on our business, financial condition and results of operations. A default could permit lenders or holders to accelerate the maturity of the debt under these agreements and to foreclose upon any collateral securing the debt and to terminate any commitments to lend. Under these circumstances, we might not have sufficient funds or other resources to satisfy all of our obligations, including our obligations under the Notes. In addition, the limitations imposed by financing agreements on our ability to incur additional debt and to take other actions might significantly impair our ability to obtain other financing. If our indebtedness were to be accelerated, our assets may not be sufficient to repay such indebtedness in full. In such circumstances, we could be forced into bankruptcy or liquidation and, as a result, you could lose your investment in the Notes. See "Description of Other Indebtedness."

The indenture does not contain financial covenants and does not limit the amount of indebtedness that we may incur.

The indenture under which the Notes will be issued contains no financial covenants or other provisions that would afford the holders of the Notes any substantial protection in the event we participate in a material transaction. In addition, the indenture does not limit the amount of indebtedness we may incur or our ability to pay dividends, make distributions or repurchase our common shares. As a result, you are not protected under the indenture in the event of a highly leveraged transaction, reorganization, change of control, restructuring, sale of significant amount of assets, merger or similar transaction that may adversely affect you.

We currently have notes outstanding and may issue additional Notes.

In January 2013, we issued \$110.0 million in principal amount of the Senior Notes due 2028, which currently remain outstanding and which are equal in rank to the Notes. In December 2014, we issued \$120.0 million principal amount of the Senior Notes due 2029, which currently remain outstanding and which are equal in rank to the Notes. We may from time to time without notice to, or the consent of, the holders of the Notes, create and issue additional notes which also will be equal in rank to the Notes.

An active trading market for the Notes may not develop, be maintained or be liquid.

The Notes are new securities for which there currently is no established trading market. We intend to apply for listing of the Notes on the NYSE. However, such application may not be approved. We can give no assurances concerning the liquidity of any market that may develop for the Notes offered hereby, the ability of any investor to sell the Notes or the price at which investors would be able to sell them. If a market for the Notes does not develop, investors may be unable to resell the Notes for an extended period of time, if at all. If a market for the Notes does develop, it may not continue or it may not be sufficiently liquid to allow holders to resell any of the Notes. Consequently, investors may not be able to liquidate their investment readily, and lenders may not readily accept the Notes as collateral for loans.

The Notes may trade at a discount from their initial issue price or principal amount, depending upon many factors, including prevailing interest rates, the market for similar securities and other factors, including general economic conditions and our financial condition, performance and prospects. Any decline in trading prices, regardless of cause, may adversely affect the liquidity and trading markets for the Notes.

Table of Contents

The Notes will not be rated and we do not intend to seek a rating for the Notes.

We do not intend to have the Notes rated by any rating agency. Unrated securities usually trade at a discount to similar rated securities. As a result, there is a risk that the Notes may trade at a price that is lower than they might otherwise trade if rated by a rating agency. It is possible, however, that one or more rating agencies might independently determine to assign a rating to the Notes. In addition, we may elect to issue other securities for which we may seek to obtain a rating. If any ratings are assigned to the Notes in the future or if we issue other securities with a rating, such ratings, if they are lower than market expectations or are subsequently lowered or withdrawn, could adversely affect the market for or the market value of the Notes.

If securities or industry analysts do not publish research, or if they publish unfavorable research, about us, or if we fail to meet analyst estimates of our quarterly or annual results of operations, the trading price and trading volume of the Notes could decline.

The trading market for the Notes may be influenced by research and reports, or lack thereof, that industry or securities analysts publish about us, our business or our market. Additionally, while we do not publish guidance regarding our expectations for our future operating results, some industry analysts do provide guidance regarding our quarterly and annual results of operations, and, if we fail to meet these estimates, the trading price and trading volume of our securities, including the Notes, may be adversely affected. Numerous factors affect our results of operations, including, for example, the timing of the completion of certain transactions, such as acquisitions, dispositions and leasing activities, and acquisition costs, which may make it difficult for analysts and others to predict our results of operations. We believe certain analysts may not have precisely assessed the impact of various transactions we have completed during 2015 that are described in our Current Report on Form 8-K filed September 24, 2015 and, while we believe it is likely that we may not meet all such analysts' estimates as they exist as of the date of this prospectus supplement for the quarter ending September 30, 2015, we do believe we will be profitable during that quarter. Currently, the number of analyst reports about us is limited. If no additional analysts publish research about us, the trading price and volume of the Notes could decline. If analysts publish research about us that is unfavorable, or if analysts who publish research about us now or in the future cease to publish such research regularly, the trading price and volume of the Notes may decline.

Our management has broad discretion over the use of proceeds from this offering.

Our management has broad discretion to use the net proceeds from this offering. Because the proceeds are not required to be allocated to any specific investment or transaction, you cannot evaluate the manner in which the proceeds will be used prior to making your investment decision. The proceeds from this offering may be used in a manner which does not generate a favorable return for us. See "Use of Proceeds."

Federal and state statutes could allow courts, under specific circumstances, to avoid the Notes and require holders of the Notes to return payments received from us to a fund for the benefit of our creditors, or subordinate the Notes to other claims of our creditors.

Under Federal bankruptcy law and comparable provisions of state fraudulent transfer laws, the Notes could be avoided, or claims in respect of the Notes could be subordinated to all of our other debts if, among other things, we:

issued the Notes with the intent of hindering, delaying or defrauding any existing or future creditor;

received less than reasonably equivalent value or fair consideration for the issuance of the Notes;

Table of Contents

were insolvent or rendered insolvent by reason of such issuance;

were engaged in a business or transaction for which our remaining assets constituted unreasonably small capital;

intended to incur, or believed that we would incur, debts beyond our ability to pay as they mature; or

were a defendant in an action for money damages against such person if, after final judgment, the judgment was unsatisfied.

As a general matter, value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied. A court would likely find that we did not receive reasonably equivalent value or fair consideration for the Notes if we did not substantially benefit directly or indirectly from the issuance of the Notes.

We cannot be certain as to the standards a court would use to determine whether we were solvent at the relevant time or, regardless of the standard that a court uses, whether the Notes would be subordinated to any of our other debt. In general, however, a court would deem an entity insolvent if:

the sum of its debts, including contingent and unliquidated liabilities, exceeds its assets, at a fair valuation; or

the present fair saleable value of its assets is less than the amount that would be required to pay its probable liability on its existing debts, including contingent liabilities, as they become absolute and matured.

If a court were to avoid the issuance of the Notes as the result of a fraudulent transfer or conveyance, the court could direct that holders of the Notes return any amounts paid under the Note to us or to a fund for the benefit of our creditors, or subordinate the Notes to our other claims.

An increase in market interest rates could result in a decrease in the value of the Notes.

In general, as market interest rates rise, notes bearing interest at a fixed rate decline in value. Consequently, if you purchase the Notes, and the market interest rates subsequently increase, the market value of your Notes may decline. We cannot predict the future level of market interest rates.

Redemption may adversely affect your return on the Notes.

We have the right to redeem some or all of the Notes prior to maturity, as described under "Description of Notes Optional Redemption." We may redeem the Notes at times when prevailing interest rates may be relatively low compared to prevailing rates at the time of issuance of the Notes. Accordingly, you may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the Notes.

USE OF PROCEEDS

We estimate that the net proceeds from this offering will be \$ million after deducting the underwriting discount and other estimated offering expenses (approximately \$ million if the underwriters' over-allotment option is exercised in full). We currently intend to use the net proceeds from this offering for general business purposes, including acquisitions and construction of additional travel centers and convenience stores, funding capital improvements to our travel centers and convenience stores, and other expansion activities. We expect to invest the net proceeds from this offering in short term, interest bearing securities pending other uses.

DESCRIPTION OF NOTES

The following description of the particular terms of the Notes supplements and, to the extent inconsistent with, replaces the description of the general terms and provisions of debt securities set forth under "Description of the Debt Securities We May Offer" in the accompanying prospectus. References in this section to "we," "us" and "our" mean TravelCenters of America LLC and not its subsidiaries.

General

We will issue the Notes under an indenture dated as of January 15, 2013 and a Supplemental Indenture thereto dated as of October 15, 2015, together, the Indenture, between us and U.S. Bank National Association, as trustee. The Indenture is subject to, and governed by, the Trust Indenture Act of 1939, as amended. This prospectus supplement briefly summarizes some of the provisions of the Indenture. These summaries are not complete. If you would like more information on these provisions, review the copy of the indenture that we have filed with the SEC. See "Where You Can Find More Information" and "Incorporation of Certain Information by Reference" in this prospectus supplement and the accompanying prospectus. You may also review the Indenture at the Trustee's corporate trust office at One Federal Street, 3rd Floor, Boston, Massachusetts 02110.

The Notes will be a separate series under the Indenture, initially in an aggregate principal amount of \$ (which includes the amount of the underwriters' overallotment option). This series may be reopened and we may, from time to time, issue additional Notes of the same series. The Notes will mature (unless previously redeemed) on October 15, 2030. The Notes will be issued only in fully registered form without coupons, in denominations and integral multiples of \$25.00. The Notes will be evidenced by a global note in book-entry form, except under the limited circumstances described below under "Form of Notes."

The Notes will constitute our senior unsecured obligations and will rank *pari passu* in right of payment with all of our existing and future unsecured and unsubordinated indebtedness and will be effectively subordinated to all existing and future secured indebtedness (including all borrowings under our credit facility) to the extent of the value of the assets securing such indebtedness and to all existing and future debt, other liabilities (including deferred rent obligations) and any preferred equity of our subsidiaries. The Notes will not be guaranteed by our subsidiaries. Accordingly, our secured debt and the debt, other liabilities and any preferred equity of our subsidiaries will have to be satisfied in full before you will be able to realize any value from our encumbered or indirectly held assets. As of June 30, 2015, we had no secured indebtedness outstanding (although we have a secured credit facility under which, as of such date, we had availability to borrow up to approximately \$127.6 million and against which we had issued \$42.2 million of letters of credit). Also as of June 30, 2015, our subsidiaries had total indebtedness of \$42.2 million, consisting solely of letters of credit outstanding under our credit facility under which our subsidiaries are either co-borrowers or guarantors; deferred rent obligations of \$150.0 million; and no preferred equity outstanding. In addition, substantially all of our majority-owned U.S. subsidiaries have guaranteed borrowings under our credit facility. Our outstanding other indebtedness is described under "Description of Other Indebtedness." We and our subsidiaries may also incur additional indebtedness, including secured indebtedness.

The Indenture does not contain any provisions that would limit our ability to incur indebtedness or that would afford you protection in the event of (1) a highly leveraged or similar transaction involving us or any of our affiliates, (2) a change in control or (3) a reorganization, restructuring, merger or similar transaction involving us that may adversely affect you. In addition, we may, in the future, enter into transactions such as the sale of all or substantially all of our assets or a merger or consolidation that would increase the amount of our indebtedness or substantially reduce or eliminate our assets, which might have an adverse effect on our ability to service our indebtedness, including the Notes. See

Table of Contents

"Risk Factors Risks Related to this Offering The indenture does not contain financial covenants and does not limit the amount of indebtedness that we may incur."

Interest and Maturity

The Notes will bear interest at the rate per annum set forth on the cover page of this prospectus supplement from, and including, October , 2015, or from, and including, the immediately preceding interest payment date to which interest has been paid. Interest is payable quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, beginning on January 15, 2016, to the persons in whose names the Notes are registered at the close of business on January 1, April 1, July 1 and October 1, as the case may be, immediately before the relevant interest payment date; provided that a special record date or other arrangements will apply in respect of interest not punctually paid or provided for. Accrued and unpaid interest is also payable on the date of maturity or earlier redemption of the Notes. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months. The Notes will mature (unless previously redeemed) on October 15, 2030.

Optional Redemption

We may, at our option, at any time on or after October 15, 2018, redeem some or all of the Notes by paying 100% of the principal amount of the Notes to be redeemed plus accrued but unpaid interest, if any, to, but not including, the redemption date.

We are required to give notice of such a redemption not less than 30 days nor more than 60 days prior to the redemption date to each holder's address appearing in the securities register maintained by the Trustee. In the event we elect to redeem less than all of the Notes, the particular Notes to be redeemed will be selected by the Trustee by such method as the Trustee shall deem fair and appropriate.

Certain Covenants

Existence

We will do or cause to be done all things necessary to preserve and keep in full force and effect our existence, rights and franchises; provided, however that we will not be required to preserve any such right or franchise if our Board of Directors determines that the preservation thereof is no longer desirable in the conduct of our business and that the loss thereof is not disadvantageous in any material respect to our ability to make payments under the Indenture. In addition, the Indenture does not restrict our ability to merge or consolidate, or sell, convey, transfer or otherwise dispose of all or substantially all of our assets, provided that any successor or acquirer of the properties and assets of the Company substantially as an entirety must assume all of our obligations under the Indenture and the Notes.

Maintenance of Properties

We will cause all properties used or useful in the conduct of our or our subsidiaries' business to be maintained and kept in good condition, repair and working order; provided, however, that we shall not be prevented from discontinuing the operation or maintenance of any of such properties if such discontinuance is, in our judgment, desirable in the conduct of our or our subsidiaries' business and not disadvantageous in any material respect to our ability to make payments under the Indenture.

Provision of Financial Information

If, at any time, we are no longer subject to the periodic reporting requirements of the Exchange Act for any reason, we agree that we will continue to prepare the financial statements and a

Table of Contents

"Management's Discussion and Analysis of Financial Condition and Results of Operations" substantially similar to that which would have been required to be included in an annual report on Form 10-K and a quarterly report on Form 10-Q if we had been subject to such Exchange Act reporting requirements (with all such financial statements prepared in accordance with Regulation S-X (or any successor regulation) promulgated by the SEC and all such annual financial statements including a report thereon from our certified independent accountants) and post copies thereof to our website for public availability within 15 days after the time periods that would have been applicable to filing such reports with the SEC in the rules and regulations applicable to such reports if we had been required to file those reports with the SEC; provided, however, that if we are no longer subject to the periodic reporting requirements of the Exchange Act, we will not be required to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K (or any successor regulation) promulgated by the SEC, or Item 10(e) of Regulation S-K with respect to any non-GAAP financial measures contained therein (or any successor regulation) or any similar requirement under any other regulation.

No Financial Covenants

The Indenture does not contain any limit on the amount of indebtedness that may be authenticated and delivered under it. Similarly, the Indenture does not limit the amount of secured indebtedness that we may incur or require us to maintain a particular amount of unencumbered assets or any specified coverage ratios. See "Risk Factors Risks Related to this Offering The indenture does not contain financial covenants and does not limit the amount of indebtedness that we may incur."

Merger, Consolidation or Sale of Assets

Under the Indenture, we are generally permitted to consolidate or merge with or into another company. We are also permitted to convey, transfer or lease our properties and assets substantially as an entirety to another company. However, we may not take any of these actions unless the following conditions are met:

if we consolidate or merge out of existence or convey, transfer or lease our properties and assets substantially as an entirety, the surviving entity must be a corporation, partnership, limited liability company or trust, organized and validly existing under the laws of the United States, any state thereof or the District of Columbia and must expressly agree to be legally responsible for the Notes and all of our obligations under the Indenture;

immediately after such consolidation or merger or such conveyance, transfer or lease, we must not be in default that is continuing under the Indenture; a default for this purpose would include any event that would be an event of default if the requirements for giving us default notice or our default having to exist for a specific period of time were disregarded; and

we must deliver the Trustee an officer's certificate and an opinion of counsel regarding compliance with the Indenture.

Events of Default, Notice and Waiver

The accompanying prospectus contains a description of events of default under the Indenture under the heading "Description of the Debt Securities We May Offer Events of default under the indentures."

Table of Contents

Modification of the Indenture

The accompanying prospectus contains a description of our ability to modify the Indenture or the Notes under the heading "Description of the Debt Securities We May Offer Modification of indentures; waiver." Some types of changes require the consent of each holder of the Notes, other types require the consent of the holders of a majority of the principal amount of outstanding Notes and other types do not require the consent of any holders of the Notes. In addition, we and the Trustee may modify and amend the Indenture and the Notes without the consent of the holders if the modification or amendment only conforms the terms of the Indenture or the Notes to the description thereof contained in this prospectus supplement and the accompanying prospectus.

Sinking Fund

The Notes are not entitled to any sinking fund payments.

The Registrar and Paying Agent

We have initially designated U.S. Bank National Association as the registrar and paying agent for the Notes. Payments of interest and principal will be made, and the Notes will be transferable, at the office of the paying agent, or at such other place or places as may be designated pursuant to the Indenture. For so long as the Notes are in book-entry form evidenced by a global security, payments will be made to a nominee of the depository.

Discharge, Full Defeasance and Covenant Defeasance

Discharge

We may discharge some of our obligations to holders of the Notes that have become due and payable at their stated maturity or will become due and payable within one year, or are scheduled for redemption within one year, by irrevocably depositing with the Trustee, in trust, money in an amount sufficient to pay the Notes, including any premium and interest.

Full Defeasance

We can, under particular circumstances, effect a full defeasance of the Notes. By this we mean we can legally release ourselves from any payment or other obligations on the Notes if, among other things, we put in place the arrangements described below to repay the Notes and deliver certain certificates and opinions to the Trustee, including, among other things:

we must irrevocably deposit, in trust, for your benefit and the benefit of all other direct holders of the Notes a combination of money or U.S. government agency notes or bonds (or, in some circumstances, depositary receipts representing these notes or bonds) that will generate enough cash to satisfy all interest, principal and any other payment obligations on the Notes on their various due dates;

the current U.S. federal income tax law must be changed or an Internal Revenue Service, or IRS, ruling must be issued permitting us to make the deposit described above, without causing you to be taxed on the Notes any differently than if we did not make the deposit and instead repaid the debt securities ourselves; under current U.S. federal income tax law, the deposit and our legal release from the debt securities could cause you to recognize gain or loss on the debt securities; and

we must deliver to the Trustee a legal opinion confirming the U.S. federal income tax law change or IRS ruling described above.

Table of Contents

If we did accomplish full defeasance, you would have to rely solely on the trust deposit for repayment on the Notes. You could not look to us for repayment in the unlikely event of any shortfall. Conversely, the trust deposit would most likely be protected from any claims of our lenders and other creditors if we ever became bankrupt or insolvent. You would also be released from any subordination provisions.

Notwithstanding the foregoing, the following rights and obligations will survive full defeasance:

your right to receive payments from the trust when payments are due;

our obligations relating to registration and transfer of Notes and lost or mutilated certificates; and

our obligations to maintain a payment office and to hold moneys for payment in trust.

Covenant Defeasance

Under current U.S. federal income tax law, we can make the same type of deposit described above and be released from some of the restrictive covenants in the Notes. This is called "covenant defeasance." In that event, you would lose the protection of such restrictive covenants but would gain the protection of having money and securities set aside in trust to repay the Notes.

If we accomplish covenant defeasance, the following provisions of the Indenture and the Notes would no longer apply:

the covenants set forth above under " Merger, Consolidation or Sale of Assets" and " Certain Covenants"; and

the event of default listed in the third bullet point under the heading "Description of the Debt Securities We May Offer Events of default under the indentures" in the accompanying prospectus, as well as events of default relating to certain events of bankruptcy, insolvency or reorganization specified in the indenture.

If we accomplish covenant defeasance, you may still look to us for repayment of the Notes if a shortfall in the trust deposit occurred. A shortfall may occur if one of the remaining events of default occurs, such as our bankruptcy, causing the Notes to become immediately due and payable. Depending on the event causing the default, you may not be able to obtain payment of the shortfall.

Listing

We intend to apply to list the Notes on the NYSE under the symbol "TANP." If approved, we expect trading in the Notes to begin within 30 days after the original issue date of the Notes.

Trading Characteristics

We expect the Notes to trade "flat," meaning that purchasers will not pay, and sellers will not receive, any accrued and unpaid interest on the Notes that is not included in the trading price. Any portion of the trading price of a Note that is attributable to accrued and unpaid interest will be treated as ordinary interest income for U.S. federal income tax purposes and will not be treated as part of the amount realized for purposes of determining gain or loss on the disposition of the Note.

Form of Notes

The Notes will initially be issued in the form of a single, fully registered global note without coupons that will be deposited with or on behalf of DTC and registered in the name of its nominee, Cede & Co. This means that we will not issue certificates to each owner of Notes. One global note will be issued to DTC, which will keep a computerized record of its participants (for example, your broker)

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

Table of Contents

whose clients have purchased the Notes. The participant will then keep a record of its clients who purchased the Notes. Beneficial interests in the global note will be shown on, and transfers of the global note will be made only through, records maintained by DTC and its participants.

Accordingly, we will issue one registered global security denominated in an amount equal to the aggregate principal amount of all of the Notes to be issued and represented by such registered global security.

Unless and until it is exchanged in whole or in part for debt securities in definitive registered form, the registered global security may not be transferred except as a whole:

by DTC to its nominee;

by Cede & Co. to DTC or another nominee of DTC; or

by DTC or Cede & Co. to a successor of DTC or a nominee of the successor.

The following provisions will apply to the depositary arrangements for the Notes:

ownership of beneficial interests in the registered global security will be limited to persons that have accounts with DTC, those persons being referred to as "participants," or persons that may hold interests through participants;

upon the issuance of the registered global security, DTC will credit, on its book-entry registration and transfer system, the participants' accounts with the respective principal amounts of the Notes represented by the registered global security beneficially owned by the participants;

the dealers and underwriters participating in the distribution of the Notes will designate the accounts to be credited; and

the transfer of any ownership interest will be effected only through, records maintained by DTC for the registered global security (with respect to interests of participants) and on the records of participants (with respect to interests of persons holding through participants).

The laws of some states may require that certain purchasers of securities take physical delivery of the securities in definitive form. These laws may limit the ability of those persons to own, transfer or pledge beneficial interests in registered global security.

So long as DTC, or its nominee, is the registered owner of the registered global security, DTC or its nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by the registered global security for all purposes under the Indenture. Except as set forth below, owners of beneficial interests in the registered global security:

will not be entitled to have the Notes represented by the registered global security registered in their names;

will not receive or be entitled to receive physical delivery of the Notes in definitive form; and

will not be considered the owners or holders of the Notes under the Indenture.

Accordingly, each person owning a beneficial interest in the registered global security must rely on the procedures of DTC and, if the person is not a participant, on the procedures of a participant through which the person owns its interest, to exercise any rights of a holder under the Indenture.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

We understand that under currently existing industry practices, if we request any action of holders or if an owner of a beneficial interest in the registered global security desires to give or take any action that a holder is entitled to give or take under the Indenture, DTC would authorize the participants holding the relevant beneficial interests to give or take the action, and those participants would

S-17

Table of Contents

authorize beneficial owners owning through those participants to give or take the action or would otherwise act upon the instructions of beneficial owners holding through them.

We will make payments of principal of and interest on the Notes represented by the registered global security to DTC or its nominee, as the case may be, as the registered owner of the registered global security. Neither we nor the Trustee or any other agent of us or the Trustee will be responsible or liable for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the registered global security or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

We expect that DTC, upon receipt of any payments of principal and interest in respect of the registered global security, will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the registered global security as shown on the records of DTC. We also expect that standing customer instructions and customary practices will govern payments by participants to owners of beneficial interests in the registered global security held through the participants, as is now the case with the securities held for the accounts of customers in bearer form or registered in "street name." We also expect that any of these payments will be the responsibility of the participants.

If DTC is at any time unwilling or unable to continue as depository or ceases to be a clearing agency registered under the Exchange Act, we will appoint an eligible successor depository. If we fail to appoint an eligible successor depository within 90 days, we will issue the Notes in definitive form in exchange for the registered global security. In addition, we may at any time and in our sole discretion decide not to have the Notes represented by a registered global security. In such event, we will issue Notes in definitive form in exchange for the registered global security representing the Notes. The Trustee will register any Notes issued in definitive form in exchange for a registered global security in such name or names as the depository, based upon instructions from its participants, shall instruct the Trustee.

DTC has advised us that DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that its participants, or direct participants, deposit with DTC. DTC also facilitates the post-trade settlement among direct participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between direct participants' accounts. This eliminates the need for physical movement of securities certificates. Direct participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation, or DTCC. DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a direct participant, either directly or indirectly. The rules applicable to DTC and its direct participants are on file with the SEC. The information in this paragraph concerning DTC and DTC's book-entry system has been obtained from sources that we believe to be reliable, but we take no responsibility for the accuracy thereof.

Neither we nor the Trustee assumes any responsibility for the performance by DTC of its obligations, including obligations that it has under the rules and procedures that govern its operations.

Information Concerning the Trustee

The Trustee, other than during the occurrence and continuance of an event of default under the Indenture, undertakes to perform only such duties as are specifically set forth in the Indenture. Upon an event of default under the Indenture, the Trustee must use the same degree of care as a prudent person would exercise or use in the conduct of his or her own affairs. Subject to this provision, the Trustee is under no obligation to exercise any of the powers given it by the Indenture at the request of any holder of Notes unless it is offered reasonable security and indemnity against the costs, expenses and liabilities that it might incur. The Trustee is not required to spend or risk its own money or otherwise become financially liable while performing its duties unless it reasonably believes that it will be repaid or receive adequate indemnity.

Governing Law

The Indenture is, and the Notes will be, governed by and construed in accordance with the laws of the State of New York.

DESCRIPTION OF OTHER INDEBTEDNESS

Outstanding Notes

The Senior Notes due 2029 will mature on December 15, 2029. We pay interest on the Senior Notes due 2029 quarterly in arrears on February 28, May 31, August 31 and November 30 of each year. The Senior Notes due 2029 constitute our senior unsecured obligations and rank *pari passu* in right of payment with all of our existing and future unsecured and unsubordinated indebtedness and will be effectively subordinated to all existing and future secured indebtedness (including all borrowings under our credit facility) to the extent of the value of the assets securing such indebtedness and to all existing and future debt, other liabilities (including deferred rent obligations) and any preferred equity of our subsidiaries. We may, at our option, at any time on or after December 15, 2017, redeem some or all of the Senior Notes due 2029 by paying 100% of the principal amount of the Senior Notes due 2029 to be redeemed plus accrued but unpaid interest, if any, to, but not including, the redemption date. The Senior Notes due 2029 are listed on the NYSE under the symbol "TANO."

The Senior Notes due 2028 will mature on January 15, 2028. We pay interest on the Senior Notes due 2028 quarterly in arrears on January 15, April 15, July 15 and October 15 of each year. The Senior Notes due 2028 constitute our senior unsecured obligations and rank *pari passu* in right of payment with all of our existing and future unsecured and unsubordinated indebtedness and will be effectively subordinated to all existing and future secured indebtedness (including all borrowings under our credit facility) to the extent of the value of the assets securing such indebtedness and to all existing and future debt, other liabilities (including deferred rent obligations) and any preferred equity of our subsidiaries. We may, at our option, at any time on or after January 15, 2016, redeem some or all of the Senior Notes due 2028 by paying 100% of the principal amount of the Senior Notes due 2028 to be redeemed plus accrued but unpaid interest, if any, to, but not including, the redemption date. The Senior Notes due 2028 are listed on the NYSE under the symbol "TANN."

Revolving Credit Facility

Our senior secured revolving credit facility, or Revolving Credit Facility, under which we and our subsidiary are the borrowers, provides a revolving line of credit under which up to \$200.0 million may be borrowed, subject to limits based on qualified collateral. Subject to available collateral and lender participation, the maximum amount may be increased to \$300.0 million. The Revolving Credit Facility also provides for the issuance of letters of credit. Loans bear interest at either the London Interbank Offered Rate (LIBOR) or a calculated base rate, in each case plus an applicable margin based on facility availability. The calculated base rate means, for any day, a rate per annum equal to the Prime Rate in effect on such day. Amounts outstanding under the Revolving Credit Facility are senior to our obligations under the Notes.

In addition to paying interest, we pay a commitment fee to the lenders under the Revolving Credit Facility at a rate of 0.375% per annum (which is reduced to 0.25% when usage of the Revolving Credit Facility is greater than 50% of the maximum credit limit), which fee is payable monthly in arrears. Letters of credit are also subject to fronting fees and letter of credit fees. The fronting fee equals 0.125% per annum on the daily outstanding balance of letters of credit issued by any issuing bank during the immediately preceding month (or part thereof), payable monthly in arrears. Letter of credit fees are payable on the daily outstanding amount of letters of credit and range from 0.75% to 1.00% for commercial letters of credit and 1.50% to 2.00% for standby letters of credit, depending on facility availability for the immediately preceding calendar month, and are payable monthly in arrears. At June 30, 2015, there were no loans outstanding under the Revolving Credit Facility, but we had outstanding \$42.2 million of letters of credit issued under the Revolving Credit Facility, securing certain purchases, insurance, fuel taxes and other trade obligations.

Table of Contents

The loan documentation for the Revolving Credit Facility contains, among other terms, representations and warranties, covenants, events of default and indemnification customary for asset-based loan agreements for similarly situated companies, and other representations and warranties, covenants and events of default deemed by the administrative agent to be appropriate for the specific transaction.

Covenants

The Revolving Credit Facility subjects the borrowers and their majority owned subsidiaries, among other obligations, to periodic reporting requirements with respect to equipment, inventory, accounts payable and other collateral securing the Revolving Credit Facility.

If at any time excess availability under the Revolving Credit Facility falls below 15% of the maximum credit limit, we and our subsidiaries (other than certain excluded subsidiaries) on a consolidated basis are required to maintain a fixed charge coverage ratio of not less than 1.00 to 1.00, until such time that the excess availability has been greater than 15% of the maximum credit limit for 30 consecutive days. The fixed charge coverage ratio is defined as the ratio of (i) the amount equal to (1) EBITDAR (as defined in the Revolving Credit Facility) for such period, minus (2) certain capital expenditures, as defined, minus (3) the difference (if positive) between (A) cash income taxes and (B) cash refunds of income taxes, to (ii) the fixed charges for such period, which includes cash interest expense, scheduled principal payments on debt, cash rent expense and certain dividends paid.

Guarantees

The borrowers' obligations under the Revolving Credit Facility are guaranteed by the other borrowers and by each of their existing and subsequently acquired domestic majority owned subsidiaries, subject to certain exceptions.

Security

The Revolving Credit Facility is secured by a first-priority security interest in substantially all of the personal property of the borrowers and the guarantors, including a first-priority security interest in 100% of the equity interests of the borrowers and each of their domestic majority owned subsidiaries, 65% of the equity interests of each of the borrowers' foreign majority owned subsidiaries, and all intercompany debt.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following summary of United States federal income tax considerations is based upon the Internal Revenue Code of 1986, as amended, or the Code, Treasury regulations and rulings and decisions now in effect, all of which are subject to change, possibly with retroactive effect, or possible differing interpretations. We have not sought a ruling from the Internal Revenue Service, or the IRS, with respect to any matter described in this summary, and we cannot provide any assurance that the IRS or a court will agree with the statements made in this summary. The summary applies to you only if you hold a Note as a capital asset, which generally is an asset held for investment rather than as inventory or as property used in a trade or business. The summary does not discuss all of the particular tax considerations that might be relevant to you if you are subject to special rules under federal income tax law, for example if you are:

a bank, insurance company or other financial institution;

a regulated investment company or REIT;

a subchapter S corporation;

a broker, dealer or trader in securities or foreign currency;

a person that has a functional currency other than the United States dollar;

a person that acquires our Notes in connection with employment or other performance of services;

a person subject to alternative minimum tax;

a person that owns our Notes as part of a straddle, hedging transaction, constructive sale transaction, constructive ownership transaction or conversion transaction;

a United States expatriate; or

except as specifically described in the following summary, a trust, estate, tax-exempt entity or foreign person.

In addition, the following summary does not address all possible tax considerations relating to the acquisition, ownership and disposition of our Notes, and in particular does not discuss any estate, gift, generation-skipping transfer, state, local or foreign tax considerations. For all these reasons, we encourage you and any prospective acquiror of our Notes to consult with a tax advisor about the federal income tax and other tax considerations of the acquisition, ownership and disposition of our Notes.

Your federal income tax consequences generally will differ depending on whether or not you are a "U.S. holder." For purposes of this summary, you are a U.S. holder if you are a beneficial owner of our Notes and for federal income tax purposes are:

a citizen or resident of the United States, including an alien individual who is a lawful permanent resident of the United States or meets the substantial presence residency test under the federal income tax laws;

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

an entity treated as a corporation for federal income tax purposes that is created or organized in or under the laws of the United States, any state thereof or the District of Columbia;

an estate the income of which is subject to federal income taxation regardless of its source; or

a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control

all substantial decisions of the trust, or, to the extent provided in Treasury regulations, a trust in existence on August 20, 1996 that has elected to be treated as a domestic trust;

whose status as a U.S. holder is not overridden by an applicable tax treaty. Conversely, you are a "non-U.S. holder" if you are a beneficial owner of our Notes and are not a U.S. holder.

If an entity treated as a partnership for federal income tax purposes holds our Notes, the tax treatment of a partner in the partnership generally will depend upon the status of the partner and the activities of the partnership. A holder of our Notes that is a partnership and partners in such a partnership are urged to consult their tax advisors about the federal income tax consequences of the acquisition, ownership and disposition of our Notes.

Tax Considerations for U.S. Holders

If you are a U.S. holder:

Payments of Interest

You must generally include interest on a Note in your gross income as ordinary interest income:

when you receive it, if you use the cash method of accounting for federal income tax purposes; or

when it accrues, if you use the accrual method of accounting for federal income tax purposes.

Any portion of the purchase price for a Note that is allocable to prior accrued interest generally may be treated as offsetting a portion of the interest income from the next scheduled interest payment on the Note. Any interest income so offset is not taxable.

Market Discount

If you acquire a Note and your adjusted tax basis in it upon acquisition is less than its principal amount, you will be treated as having acquired the Note at a "market discount" unless the amount of this market discount is less than the *de minimis* amount (generally 0.25% of the principal amount of the Note multiplied by the number of remaining whole years to maturity of the Note). Under the market discount rules, you will be required to treat any gain on the sale, exchange, redemption, retirement, or other taxable disposition of a Note, or any appreciation in a Note in the case of certain nontaxable dispositions, such as a gift, as ordinary income to the extent of the market discount which has not previously been included in your income and which is treated as having accrued on the Note at the time of the disposition. In addition, you may be required to defer, until the maturity of the Note or earlier taxable disposition, the deduction of all or a portion of the interest expense on any indebtedness incurred or continued to purchase or carry the Note. Any market discount will be considered to accrue ratably during the period from the date of your acquisition to the maturity date of the Note, unless you elect to accrue the market discount on a constant yield method. In addition, you may elect to include market discount in income currently as it accrues, on either a ratable or constant yield method, in which case the rule described above regarding deferral of interest deductions will not apply. This election to include market discount in income currently, once made, applies to all market discount obligations acquired by you during or after the first taxable year to which the election applies and may not be revoked without the consent of the IRS. We encourage you to consult with your tax advisor regarding these elections.

Amortizable Bond Premium

If you acquire a Note and your adjusted tax basis in it upon acquisition is greater than its principal amount, you will be treated as having acquired the Note with "bond premium." You generally may

Table of Contents

elect to amortize this bond premium over the remaining term of the Note on a constant yield method, and the amount amortized in any year will generally be treated as a reduction of your interest income from the Note for that year. If the amount of your bond premium amortization would be lower if calculated based on an earlier optional redemption date and the redemption price on that date than the amount of amortization calculated through that date based on the Note's maturity date and its stated principal amount, then you must calculate the amount and timing of your bond premium amortization deductions assuming that the Note will be redeemed on the optional redemption date at the optional redemption price. You may generally recalculate your bond premium amortization amount and schedule of deductions to the extent your Note is not actually redeemed at that earlier optional redemption date. If you do not make an election to amortize bond premium, your bond premium on a Note will decrease the gain or increase the loss that you otherwise recognize on a disposition of that Note. Any election to amortize bond premium applies to all taxable debt obligations that you hold at the beginning of the first taxable year to which the election applies and that you thereafter acquire. You may not revoke an election to amortize bond premium without the consent of the IRS. We encourage you to consult with your tax advisor regarding this election.

Disposition of a Note

Upon the sale, exchange, redemption, retirement or other disposition of a Note, you generally will recognize taxable gain or loss in an amount equal to the difference, if any, between (1) the amount you receive in cash or in property, valued at its fair market value, upon this sale, exchange, redemption, retirement or other disposition, other than amounts representing accrued and unpaid interest which will be taxable as interest income, and (2) your adjusted tax basis in the Note. Your adjusted tax basis in the Note will, in general, equal your acquisition cost for the Note, exclusive of any amount you paid allocable to prior accrued interest, as increased by any market discount you have included in income in respect of the Note, and as decreased by any amortized bond premium on the Note. Except to the extent of any accrued market discount not previously included in income, as discussed above, your gain or loss will be capital gain or loss, and will be long-term capital gain or loss if you have held the Note for more than one year at the time of disposition. For noncorporate U.S. holders, preferential rates of tax may apply to long-term capital gains. The deductibility of capital losses is subject to limitation.

Medicare Contribution Tax

U.S. holders that are individuals, estates or trusts are generally required to pay a 3.8% Medicare tax on their net investment income (which shall include interest on our Notes and gains from the sale or other disposition of our Notes), or in the case of estates and trusts on their net investment income that is not distributed, in each case to the extent that their total adjusted income exceeds applicable thresholds.

Tax Considerations for Non-U.S. Holders

The rules governing the United States federal income taxation of non-U.S. holders are complex, and the following discussion is intended only as a summary of these rules. If you are a non-U.S. holder, we urge you to consult with your own tax advisor to determine the impact of United States federal, state, local and foreign tax laws, including any tax return filing and other reporting requirements, with respect to your investment in our Notes.

Table of Contents

If you are a non-U.S. holder:

Generally

You will not be subject to federal income taxes on payments of principal or premium, if any, or interest on a Note, or upon the sale, exchange, redemption, retirement or other disposition of a Note, if:

you do not own directly or indirectly 10% or more of the total voting power of all classes of our voting shares;

your income and gain in respect of the Note is not effectively connected with the conduct of a United States trade or business;

you are not a controlled foreign corporation that is related to or under common control with us;

we or the applicable paying agent, or the Withholding Agent, have timely received from you a properly executed, applicable IRS Form W-8 or substantially similar form in the year in which a payment of interest, principal or premium occurs, or in a previous calendar year to the extent provided for in the instructions to the applicable IRS Form W-8; and

in the case of gain upon the sale, exchange, redemption, retirement or other disposition of a Note recognized by an individual non-U.S. holder, you were present in the United States for less than 183 days during the taxable year in which the gain was recognized.

The IRS Form W-8 or a substantially similar form must be signed by you under penalties of perjury certifying that you are a non-U.S. holder and providing your name and address, and you must inform the Withholding Agent of any change in the information on the statement within 30 days of the change. If you hold a Note through a securities clearing organization or other qualified financial institution, the organization or institution may provide a signed statement to the Withholding Agent. However, in that case, the signed statement must generally be accompanied by a statement containing the relevant information from the executed IRS Form W-8 or substantially similar form that you provided to the organization or institution. If you are a partner in a partnership holding our Notes, both you and the partnership must comply with applicable certification requirements.

Except in the case of income or gain in respect of a Note that is effectively connected with the conduct of a United States trade or business, discussed below, interest received or gain recognized by you which does not qualify for exemption from taxation will be subject to federal income tax at a rate of 30%, which will be withheld in the case of payments of interest, unless reduced or eliminated by an applicable income tax treaty. You must generally use an applicable IRS Form W-8, or a substantially similar form, to claim income tax treaty benefits. If you are a non-U.S. holder claiming benefits under an income tax treaty, you should be aware that you may be required to obtain a taxpayer identification number and to certify your eligibility under the applicable treaty's limitations on benefits article in order to comply with the applicable certification requirements of the Treasury regulations.

Effectively Connected Income and Gain

If you are a non-U.S. holder whose income and gain in respect of a Note are effectively connected with the conduct of a United States trade or business (and, if provided by an applicable income tax treaty, are attributable to a permanent establishment or fixed base you maintain in the United States), you will be subject to regular federal income tax on this income and gain in generally the same manner as U.S. holders, and general federal income tax return filing requirements will apply. In addition, if you are a corporation, you may be subject to a branch profits tax equal to 30% of your effectively connected adjusted earnings and profits for the taxable year, unless you qualify for a lower rate under an applicable income tax treaty. To obtain an exemption from withholding on interest on our Notes

Table of Contents

that is effectively connected with the conduct of a United States trade or business, you must generally supply to the Withholding Agent an applicable IRS Form W-8, or a substantially similar form.

Withholding and Information Reporting

Information reporting, backup withholding and withholding under the Foreign Account Tax Compliance Act, or FATCA, may apply to interest and other payments to you under the circumstances discussed below. Amounts withheld under backup withholding are generally not an additional tax and may be refunded by the IRS or credited against your federal income tax liability, provided that you furnish required information to the IRS. The backup withholding rate is currently 28%.

Under FATCA, non-U.S. financial institutions and other non-U.S. entities are subject to diligence and reporting requirements for purposes of identifying accounts and investments held directly or indirectly by U.S. persons. The failure to comply with these additional information reporting, certification and other requirements could result in a 30% withholding tax on applicable payments to non-U.S. persons. In particular, a payee that is a foreign financial institution that is subject to the diligence and reporting requirements described above must enter into an agreement with the U.S. Department of the Treasury requiring, among other things, that it undertake to identify accounts held by "specified United States persons" or "United States owned foreign entities" (each as defined in the Code), annually report information about such accounts, and withhold 30% on applicable payments to noncompliant foreign financial institutions and account holders. Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States with respect to these requirements may be subject to different rules. The foregoing withholding will generally apply currently to payments of interest on our Notes, and to other "withholdable payments" (including payments of gross proceeds from a redemption payment, sale or other disposition of our Notes) made after December 31, 2018. In general, to avoid withholding, any non-United States intermediary through which a holder owns Notes must establish its compliance with the foregoing regime, and a non-U.S. holder must provide certain documentation (usually an applicable IRS Form W-8) containing information about its identity, its status, and if required, its direct and indirect U.S. owners. We encourage you to consult with your tax advisor regarding foreign account tax compliance if you hold our Notes through a non-U.S. intermediary or are a non-U.S. holder.

If You Are a U.S. Holder

You may be subject to backup withholding when you receive interest payments on a Note or proceeds upon the sale, exchange, redemption, retirement or other disposition of a Note. In general, you can avoid this backup withholding if you properly execute under penalties of perjury an IRS Form W-9 or a substantially similar form on which you:

provide your correct taxpayer identification number;

certify that you are exempt from backup withholding because (a) you are a corporation or come within another enumerated exempt category, (b) you have not been notified by the IRS that you are subject to backup withholding, or (c) you have been notified by the IRS that you are no longer subject to backup withholding; and

certify that you are a U.S. citizen or other U.S. person.

If you do not provide your correct taxpayer identification number on the IRS Form W-9 or a substantially similar form, you may be subject to penalties imposed by the IRS.

Unless you have established on a properly executed IRS Form W-9 or a substantially similar form that you come within an enumerated exempt category, interest and other payments on our Notes paid to you during the calendar year, and the amount of tax withheld, if any, will be reported to you and to the IRS.

Table of Contents

If You Are a Non-U.S. Holder

The amount of interest paid to you on a Note during each calendar year, and the amount of tax withheld, if any, will generally be reported to you and to the IRS. This information reporting requirement applies regardless of whether you were subject to withholding or whether withholding was reduced or eliminated by an applicable tax treaty. Also, interest paid to you on a Note may be subject to backup withholding unless you properly certify your non-U.S. holder status on an applicable IRS Form W-8 or a substantially similar form in the manner described above, under "Tax Considerations for Non-U.S. Holders." Similarly, information reporting and backup withholding will not apply to proceeds you receive upon the sale, exchange, redemption, retirement or other disposition of a Note, if you properly certify that you are a non-U.S. holder on an applicable IRS Form W-8 or a substantially similar form. Even without having executed an IRS Form W-8 or a substantially similar form, however, in some cases information reporting and backup withholding may not apply to proceeds you receive upon the sale, exchange, redemption, retirement or other disposition of a Note, if you receive those proceeds through a broker's foreign office.

We have agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or Securities Act, or to contribute to payments the underwriters may be required to make in respect of those liabilities.

The underwriters are offering the Notes, subject to prior sale, when, as and if issued to and accepted by them, subject to approval of legal matters, including the validity of the Notes, and other conditions contained in the underwriting agreement, such as the receipt by the underwriters of officers' certificates and legal opinions. The underwriters reserve the right to withdraw, cancel or modify offers to the public and to reject orders in whole or in part.

We have agreed that, for a period of 30 days from the date of this prospectus supplement, we will not, without the prior written consent of Citigroup Global Markets Inc., Morgan Stanley & Co. LLC, RBC Capital Markets, LLC and UBS Securities LLC offer, sell or contract to sell, or otherwise dispose of, directly or indirectly, or announce the offering of, any debt securities with a maturity of more than one year issued or guaranteed by us. This agreement does not prevent us from borrowing under our existing credit facility or any replacement credit facility. Citigroup Global Markets Inc., Morgan Stanley & Co. LLC, RBC Capital Markets, LLC and UBS Securities LLC, in their sole discretion, may release us from this agreement at any time without notice.

Overallotment Option

underwriters may allow, and the dealers may reallocate, a discount not in excess of \$ _____ per Note to other dealers. After the initial public offering, the public offering price, concessions and discount may be changed.

The following table summarizes the discount that we will pay to the underwriters in connection with this offering. These amounts are shown assuming both no and full exercise of the underwriters' overallotment option to purchase additional Notes. The underwriting discount will be \$ _____ per Note. The total underwriting discount shown in the following table reflects the actual total underwriting discount that we are required to pay to the underwriters.

	Underwriting Discount Paid by Us	
	No Exercise	Full Exercise
Per Note	\$ _____	\$ _____
Total	\$ _____	\$ _____

The expenses of this offering, not including the underwriting discount, are estimated to be \$500,000 and are payable by us.

New Issue of Securities

The Notes will constitute a new issue of securities with no established trading market. We intend to apply to list the Notes on the NYSE under the symbol "TANP." If approved, we expect trading of the Notes on the NYSE to commence within 30 days after the original issue date of the Notes. We have been advised by the underwriters that they intend to make a market in the Notes, but they are not obligated to do so and may discontinue market making at any time without notice. We cannot assure you of the liquidity of the trading market for the Notes or that an active public market for the Notes will develop. If an active public trading market for the Notes does not develop, the market price and liquidity of the Notes may be adversely affected.

Price Stabilization and Short Positions

In connection with this offering, the underwriters may purchase and sell Notes in the open market. Purchases and sales in the open market may include short sales, purchases to cover short positions and stabilizing purchases.

Short sales involve secondary market sales by the underwriters of a greater number of Notes than they are required to purchase in this offering.

Covering transactions involve purchases of Notes in the open market after the distribution has been completed in order to cover short positions.

Stabilizing transactions involve bids to purchase Notes so long as the stabilizing bids do not exceed a specified maximum.

The underwriters also may impose a penalty bid. Penalty bids permit the underwriters to reclaim a selling concession from a syndicate member when the underwriters, in covering short positions or making stabilizing purchases, repurchases Notes originally sold by that syndicate member in order to cover short positions or make stabilizing purchases.

Purchases to cover short positions and stabilizing purchases, as well as other purchases by the underwriters for their own accounts, may have the effect of preventing or retarding a decline in the market price of the Notes. They may also cause the price of the Notes to be higher than the price that would otherwise exist in the open market in the absence of these transactions. The underwriters may conduct these transactions in the over-the-counter market or otherwise. If the underwriters commence any of these transactions, they may discontinue them at any time.

Electronic Distribution

A prospectus supplement and accompanying prospectus in electronic format may be made available on the websites maintained by one or more underwriters. Other than the prospectus supplement and accompanying prospectus in electronic format, the information on the underwriters' websites is not part of this prospectus supplement.

Other Relationships

Some of the underwriters and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with us. They have received customary fees and commissions for these transactions. Affiliates of some of the underwriters are lenders under the Revolving Credit Facility.

In addition, in the ordinary course of their business activities, the underwriters and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of ours or our affiliates. Certain of the underwriters or their affiliates that have a lending relationship with us routinely hedge their credit exposure to us consistent with their customary risk management policies. Typically, such underwriters and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the Notes offered hereby. Any such credit default swaps or short positions could adversely affect future trading prices of the Notes offered hereby. The underwriters and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

ALSO, WHENEVER WE USE WORDS SUCH AS "BELIEVE," "EXPECT," "ANTICIPATE," "INTEND," "PLAN," "ESTIMATE" OR SIMILAR EXPRESSIONS, WE ARE MAKING FORWARD LOOKING STATEMENTS. THESE FORWARD LOOKING STATEMENTS ARE BASED UPON OUR PRESENT INTENT, BELIEFS OR EXPECTATIONS, BUT FORWARD LOOKING STATEMENTS ARE NOT GUARANTEED TO OCCUR AND MAY NOT OCCUR. ACTUAL RESULTS MAY DIFFER MATERIALLY FROM THOSE CONTAINED IN OR IMPLIED BY OUR FORWARD LOOKING STATEMENTS AS A RESULT OF VARIOUS FACTORS. AMONG OTHERS, THE FORWARD LOOKING STATEMENTS WHICH APPEAR IN THIS PROSPECTUS SUPPLEMENT, THE ACCOMPANYING PROSPECTUS, AND THE INFORMATION INCORPORATED BY REFERENCE HEREIN AND THEREIN THAT MAY NOT OCCUR INCLUDE:

THIS PROSPECTUS SUPPLEMENT AND THE INFORMATION INCORPORATED HEREIN STATE THAT OUR BUSINESS REQUIRES REGULAR CAPITAL EXPENDITURES. THE AMOUNT AND TIMING OF CAPITAL EXPENDITURES ARE OFTEN DIFFICULT TO PREDICT. SOME CAPITAL PROJECTS COST MORE THAN ANTICIPATED AND THE PROCEEDS FROM OUR SALES OF IMPROVEMENTS, IF ANY, TO HPT MAY BE LESS THAN ANTICIPATED. CURRENTLY UNANTICIPATED PROJECTS THAT WE MAY BE REQUIRED TO COMPLETE IN THE FUTURE, AS A RESULT OF GOVERNMENT PROGRAMS OR REGULATION, ADVANCES OR CHANGES MADE BY OUR COMPETITION, DEMANDS OF OUR CUSTOMERS, ACQUISITIONS OR OTHER MATTERS, MAY ARISE AND CAUSE US TO SPEND MORE OR LESS THAN CURRENTLY ANTICIPATED. SOME CAPITAL PROJECTS TAKE MORE TIME TO COMPLETE THAN ANTICIPATED. AS A RESULT OF MARKET CONDITIONS OR CAPITAL CONSTRAINTS, WE MAY DEFER CERTAIN CAPITAL PROJECTS AND SUCH DEFERRAL MAY HARM OUR BUSINESS OR REQUIRE US TO MAKE LARGER CAPITAL EXPENDITURES IN THE FUTURE;

THIS PROSPECTUS SUPPLEMENT AND THE INFORMATION INCORPORATED HEREIN STATE THAT WE ESTIMATE THAT ACQUIRED TRAVEL CENTER SITES GENERALLY WILL REACH STABILIZATION IN APPROXIMATELY THE THIRD YEAR AFTER ACQUISITION. THE IMPLICATIONS OF THESE STATEMENTS ARE THAT OPERATIONS AT THESE ACQUIRED SITES WILL IMPROVE TO A LEVEL THAT WILL RESULT IN INCREASES IN OPERATING INCOME AND NET INCOME IN THE FUTURE. MANY OF THE LOCATIONS WE HAVE ACQUIRED PRODUCED OPERATING RESULTS WHICH CAUSED THE PRIOR OWNERS TO EXIT THESE BUSINESSES AND OUR ABILITY TO OPERATE THESE LOCATIONS PROFITABLY DEPENDS UPON MANY FACTORS, INCLUDING OUR ABILITY TO INTEGRATE NEW OPERATIONS INTO OUR EXISTING OPERATIONS. IN FACT, THERE ARE MANY FACTORS WHICH WILL IMPACT OUR FUTURE OPERATIONS THAT MAY CAUSE US TO OPERATE LESS PROFITABLY OR UNPROFITABLY IN ANNUAL AND/OR QUARTERLY PERIODS IN ADDITION TO THESE STATED ITEMS, INCLUDING SOME FACTORS WHICH ARE BEYOND OUR CONTROL SUCH AS SEASONALITY, THE CONDITION OF THE U.S. ECONOMY GENERALLY, THE FUTURE DEMAND FOR OUR GOODS AND SERVICES AND COMPETITION IN OUR BUSINESS;

THIS PROSPECTUS SUPPLEMENT AND THE INFORMATION INCORPORATED HEREIN REFERENCE ACQUISITIONS THAT HAVE BEEN AGREED BUT THAT HAVE NOT BEEN COMPLETED AS OF THE DATE OF THIS PROSPECTUS SUPPLEMENT. THE IMPLICATIONS OF THESE STATEMENTS MAY BE THAT THESE ACQUISITIONS WILL BE COMPLETED AND THAT THEY MAY IMPROVE OUR FUTURE PROFITS. HOWEVER, THESE ACQUISITIONS ARE SUBJECT TO CONDITIONS AND MAY NOT BE COMPLETED OR MAY BE DELAYED OR THEIR TERMS MAY CHANGE. MOREOVER, MANAGING AND INTEGRATING ACQUIRED TRAVEL CENTER AND CONVENIENCE STORE OPERATIONS CAN BE DIFFICULT, TIME CONSUMING AND/OR MORE EXPENSIVE THAN ANTICIPATED AND INVOLVE RISKS OF FINANCIAL LOSSES. WE MAY NOT OPERATE THESE ACQUIRED LOCATIONS AS PROFITABLY AS WE NOW EXPECT;

WE HAVE MADE ACQUISITIONS, HAVE AGREED TO MAKE ADDITIONAL ACQUISITIONS AND INTEND TO BUILD NEW TRAVEL CENTERS ON LAND THAT WE OWN. IMPLICATIONS OF THESE STATEMENTS MAY BE THAT THESE ACQUISITIONS AND DEVELOPMENT PROJECTS WILL BE COMPLETED AND THAT THEY WILL IMPROVE OUR FUTURE PROFITABILITY. HOWEVER, OUR ACQUISITIONS ARE SUBJECT TO CONDITIONS AND MAY NOT BE COMPLETED OR MAY BE DELAYED OR THEIR COSTS AND OTHER TERMS MAY CHANGE. THERE ARE MANY FACTORS THAT MAY RESULT IN US NOT BEING ABLE TO ACQUIRE, RENOVATE AND DEVELOP ADDITIONAL LOCATIONS AT PRICES OR COSTS THAT YIELD SUFFICIENT RETURNS, INCLUDING COMPETITION FOR SUCH ACQUISITIONS FROM OTHER BUYERS, OUR INABILITY TO NEGOTIATE ACCEPTABLE PURCHASE TERMS AND THE POSSIBILITY THAT WE NEED TO USE OUR AVAILABLE FUNDS FOR OTHER PURPOSES. WE MAY DETERMINE TO DELAY OR NOT TO PROCEED WITH THE DEVELOPMENT PROJECTS. ALTHOUGH WE HAVE AGREEMENTS WITH HPT TO PURCHASE AND LONG TERM LEASE THE DEVELOPMENT PROPERTIES, HPT'S PURCHASES ARE SUBJECT TO CONDITIONS AND THOSE CONDITIONS MAY NOT BE SATISFIED. ALSO, OUR DEVELOPMENT COSTS COULD EXCEED THE MAXIMUM AMOUNT HPT HAS AGREED TO FUND. MOREOVER, MANAGING AND INTEGRATING ACQUIRED LOCATIONS AND DEVELOPMENT PROJECTS CAN BE DIFFICULT, TIME CONSUMING AND/OR MORE EXPENSIVE THAN ANTICIPATED AND IT WILL INVOLVE RISKS OF FINANCIAL LOSSES. WE MAY NOT OPERATE OUR ACQUIRED OR NEWLY DEVELOPED LOCATIONS AS PROFITABLY AS WE NOW EXPECT;

OUR GROWTH STRATEGY TO ACQUIRE ADDITIONAL LOCATIONS AND BUSINESSES AND TO OTHERWISE GROW OUR BUSINESS MAY IMPLY THAT WE WILL BE ABLE TO IDENTIFY AND COMPLETE ADDITIONAL ACQUISITIONS, THAT WE WILL BE ABLE TO OTHERWISE GROW OUR BUSINESS AND THAT ANY ACQUISITIONS OR GROWTH INITIATIVES WE MAY MAKE OR PURSUE WILL IMPROVE OUR PROFITABILITY. HOWEVER, WE MAY NOT SUCCEED IN IDENTIFYING OR ACQUIRING OTHER PROPERTIES AND BUSINESSES OR OTHERWISE GROWING OUR BUSINESS, AND ACQUISITIONS WE MAY MAKE AND OTHER GROWTH INITIATIVES WE MAY PURSUE MAY NOT IMPROVE OUR PROFITABILITY; AND

WE CURRENTLY PLAN TO INVEST TO RENOVATE PROPERTIES ACQUIRED SINCE THE BEGINNING OF 2013 AND WE HAVE ENTERED AGREEMENTS TO ACQUIRE ADDITIONAL TRAVEL CENTERS AND CONVENIENCE STORES. AN IMPLICATION OF THESE STATEMENTS MAY BE THAT WE HAVE SUFFICIENT CAPITAL TO MAKE

Table of Contents

THE CAPITAL INVESTMENTS WE HAVE IDENTIFIED AS WELL AS OTHERS THAT WE HAVE NOT YET IDENTIFIED. HOWEVER, THERE CAN BE NO ASSURANCE THAT WE WILL HAVE SUFFICIENT FUNDING FOR FUTURE CAPITAL INVESTMENTS OR ACQUISITIONS. OUR BUSINESS REQUIRES REGULAR AND SUBSTANTIAL CAPITAL INVESTMENT IN OUR LOCATIONS. THE AMOUNT AND TIMING OF CAPITAL EXPENDITURES ARE OFTEN DIFFICULT TO PREDICT. SOME CAPITAL PROJECTS COST MORE THAN ANTICIPATED AND THE PROCEEDS FROM OUR SALES OF IMPROVEMENTS, IF ANY, TO HPT MAY BE LESS THAN ANTICIPATED. CURRENTLY UNANTICIPATED PROJECTS THAT WE MAY BE REQUIRED TO COMPLETE IN THE FUTURE, AS A RESULT OF GOVERNMENT PROGRAMS OR REGULATION, ADVANCES OR CHANGES MADE BY OUR COMPETITION, DEMANDS OF OUR CUSTOMERS OR FOR OTHER REASONS, MAY ARISE AND CAUSE US TO SPEND MORE OR LESS THAN CURRENTLY ANTICIPATED. SOME CAPITAL PROJECTS TAKE MORE TIME TO COMPLETE THAN ANTICIPATED. AS A RESULT OF MARKET CONDITIONS OR OTHER CONSIDERATIONS, WE MAY DEFER CERTAIN CAPITAL PROJECTS AND SUCH DEFERRAL MAY HARM OUR BUSINESS OR REQUIRE US TO MAKE LARGER CAPITAL EXPENDITURES IN THE FUTURE. ALSO, WE MAY BE UNABLE TO ACCESS REASONABLY PRICED CAPITAL TO FUND REQUIRED INVESTMENTS.

THESE AND OTHER UNEXPECTED RESULTS MAY BE CAUSED BY VARIOUS FACTORS, SOME OF WHICH ARE BEYOND OUR CONTROL, INCLUDING:

THE TREND TOWARDS IMPROVED FUEL EFFICIENCY OF MOTOR VEHICLE ENGINES AND OTHER FUEL CONSERVATION PRACTICES EMPLOYED BY OUR CUSTOMERS MAY CONTINUE TO REDUCE THE DEMAND FOR FUEL AND MAY ADVERSELY AFFECT OUR BUSINESS;

COMPETITION WITHIN THE TRAVEL CENTER AND CONVENIENCE STORE INDUSTRIES MAY ADVERSELY IMPACT OUR FINANCIAL RESULTS;

FUTURE INCREASES IN FUEL PRICES MAY REDUCE THE DEMAND FOR THE PRODUCTS AND SERVICES THAT WE SELL BECAUSE HIGH FUEL PRICES MAY ENCOURAGE FUEL CONSERVATION, DIRECT FREIGHT BUSINESS AWAY FROM TRUCKING OR OTHERWISE ADVERSELY AFFECT THE BUSINESS OF OUR CUSTOMERS, AND SOME OF THESE EVENTS MAY OCCUR EVEN IF FUEL PRICES DO NOT INCREASE;

FUTURE COMMODITY FUEL PRODUCT PRICE INCREASES, FUEL PRICE VOLATILITY OR OTHER FACTORS MAY CAUSE US TO NEED MORE WORKING CAPITAL TO MAINTAIN OUR INVENTORIES AND CARRY OUR ACCOUNTS RECEIVABLE THAN WE NOW EXPECT;

OUR SUPPLIERS MAY BE UNWILLING OR UNABLE TO MAINTAIN THE CURRENT CREDIT TERMS FOR OUR PURCHASES. IF WE ARE UNABLE TO PURCHASE GOODS ON REASONABLE CREDIT TERMS, OUR REQUIRED WORKING CAPITAL MAY INCREASE AND WE MAY INCUR MATERIAL LOSSES. ALSO, IN TIMES OF RISING FUEL AND NONFUEL PRICES, OUR SUPPLIERS MAY BE UNWILLING OR UNABLE TO INCREASE THE CREDIT AMOUNTS THEY EXTEND TO US, WHICH MAY INCREASE OUR WORKING CAPITAL REQUIREMENTS. THE AVAILABILITY AND THE TERMS OF ANY CREDIT WE MAY BE ABLE TO OBTAIN ARE UNCERTAIN;

Table of Contents

ACQUISITIONS AND PROPERTY DEVELOPMENTS MAY SUBJECT US TO GREATER RISKS THAN OUR CONTINUING OPERATIONS, INCLUDING THE ASSUMPTION OF UNKNOWN LIABILITIES;

MOST OF OUR TRUCKING COMPANY CUSTOMERS TRANSACT BUSINESS WITH US BY USE OF FUEL CARDS, MOST OF WHICH ARE ISSUED BY THIRD PARTY FUEL CARD COMPANIES. THE FUEL CARD INDUSTRY HAS ONLY A FEW SIGNIFICANT PARTICIPANTS. FUEL CARD COMPANIES FACILITATE PAYMENTS TO US AND CHARGE US FEES FOR THESE SERVICES. COMPETITION, OR LACK THEREOF, AMONG FUEL CARD COMPANIES MAY RESULT IN FUTURE INCREASES IN OUR TRANSACTION FEE EXPENSES OR WORKING CAPITAL REQUIREMENTS, OR BOTH;

COMPLIANCE WITH, AND CHANGES TO, FEDERAL, STATE AND LOCAL LAWS AND REGULATIONS, ACCOUNTING RULES, TAX RATES, ENVIRONMENTAL REGULATIONS AND SIMILAR MATTERS MAY INCREASE OUR OPERATING COSTS AND REDUCE OR ELIMINATE OUR PROFIT;

WE ARE ROUTINELY INVOLVED IN LITIGATION AND OTHER LEGAL MATTERS INCIDENTAL TO THE ORDINARY COURSE OF OUR BUSINESS. DISCOVERY AND COURT DECISIONS DURING LITIGATION OFTEN HAVE UNANTICIPATED RESULTS. LITIGATION IS USUALLY EXPENSIVE AND CAN BE DISTRACTING TO MANAGEMENT. WE CAN PROVIDE NO ASSURANCE AS TO THE OUTCOME OF ANY OF THE LITIGATION MATTERS IN WHICH WE ARE OR MAY BECOME INVOLVED;

ACTS OF TERRORISM, GEOPOLITICAL RISKS, WARS, OUTBREAKS OF SO CALLED PANDEMICS OR OTHER MANMADE OR NATURAL DISASTERS BEYOND OUR CONTROL MAY ADVERSELY AFFECT OUR FINANCIAL RESULTS; AND

ALTHOUGH WE BELIEVE THAT WE BENEFIT FROM OUR RELATIONSHIPS WITH OUR RELATED PARTIES, INCLUDING HPT, RMR, AIC AND OTHERS AFFILIATED WITH THEM, ACTUAL AND POTENTIAL CONFLICTS OF INTEREST WITH HPT, RMR, AIC AND THEIR AFFILIATED AND RELATED PARTIES MAY PRESENT A CONTRARY PERCEPTION OR RESULT IN LITIGATION.

RESULTS THAT DIFFER FROM THOSE STATED OR IMPLIED BY OUR FORWARD LOOKING STATEMENTS MAY ALSO BE CAUSED BY VARIOUS CHANGES IN OUR BUSINESS OR MARKET CONDITIONS AS DESCRIBED MORE FULLY IN THIS PROSPECTUS SUPPLEMENT AND OUR ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2014, UNDER THE CAPTION "RISK FACTORS." YOU SHOULD ALSO READ CAREFULLY THE SECTION IN OUR ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2014, AND OUR SUBSEQUENT QUARTERLY REPORTS ON FORM 10-Q ENTITLED "WARNING CONCERNING FORWARD LOOKING STATEMENTS."

YOU SHOULD NOT PLACE UNDUE RELIANCE UPON FORWARD LOOKING STATEMENTS. EXCEPT AS REQUIRED BY LAW, WE UNDERTAKE NO OBLIGATION TO UPDATE OR REVISE ANY FORWARD LOOKING STATEMENT AS A RESULT OF NEW INFORMATION, FUTURE EVENTS OR OTHERWISE.

PROSPECTUS SUMMARY

You should read the following summary together with the more detailed information regarding our Company and the securities being registered appearing elsewhere in this prospectus.

The Company

We are a leading operator and franchisor of travel centers under the "TravelCenters of America," "TA" and related brand names, or the TA brand, and the "Petro Stopping Centers" and "Petro" brand names, or the Petro brand, primarily along the United States, or U.S., interstate highway system. Our travel center customers include trucking fleets and their drivers, independent truck drivers and motorists. Our travel centers typically offer customers diesel fuel and gasoline as well as nonfuel products and services such as truck repair and maintenance services, full service restaurants, quick service restaurants, or QSRs, travel and convenience stores, and various other driver amenities. We also operate convenience stores with retail gasoline stations, primarily under the "Minit Mart" brand name, that generally serve motorists. Our convenience stores typically offer customers gasoline as well as nonfuel products and services such as coffee, groceries and other convenience items, some fresh food offerings, and QSRs. Additionally, we collect rents, royalties, and other fees from our travel center franchisees.

At June 30, 2015, our business included 252 travel centers in 43 states in the U.S. and the province of Ontario, Canada and our travel centers included 176 operated under the TA brand and 76 operated under the Petro brand. Of our 252 travel centers at June 30, 2015, we owned 33, we leased 192, including 190 that we leased from Hospitality Properties Trust, or HPT, we operated two for a joint venture in which we own a noncontrolling interest and our franchisees owned or leased 25.

Additionally, as of June 30, 2015, we operated 79 convenience stores in nine states, primarily Kentucky, Minnesota and Missouri. Of our 79 convenience stores, at June 30, 2015, we owned 71 and we leased six, including one that we leased from HPT, and we operated two for a joint venture in which we own a noncontrolling interest.

Our Growth Strategies

We have identified a number of possible growth strategies, including opportunities to acquire additional travel centers and convenience stores, to construct new travel centers on land parcels we own or may acquire in the future, and to make improvements to our facilities that we believe will make them more attractive to customers and help increase our sales of fuel and nonfuel products and services.

Corporate Information

We are a limited liability company formed under Delaware law. Our principal executive offices are located at 24601 Center Ridge Road, Suite 200, Westlake, OH 44145-5639, and our telephone number is (440) 808-9100. Our website is www.tatracenters.com. The information on our website does not constitute a part of this prospectus.

RISK FACTORS

Investing in our securities involves a high degree of risk that may result in a loss of all or part of your investment. You should carefully review the risk factors contained under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2014, and any risk factors that we may describe in our Quarterly Reports on Form 10-Q filed subsequently to the Annual Report on Form 10-K, which risk factors are incorporated by reference in this prospectus, the information contained under the heading "Warning Concerning Forward Looking Statements" in this

prospectus or under any similar heading in any applicable prospectus supplement or in any document incorporated herein or therein by reference, any specific risk factors discussed under the caption "Risk Factors" in any applicable prospectus supplement or in any document incorporated herein or therein by reference and the other information contained in, or incorporated by reference in, this prospectus or any applicable prospectus supplement before making an investment decision. If any such risks occur, our business, financial condition or results of operations could be materially harmed, the market price of our securities could decline and you could lose all or part of your investment.

RATIO OF EARNINGS TO FIXED CHARGES AND RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED SHARE DIVIDENDS

The following table sets forth our ratio of earnings to fixed charges for each of the periods indicated. As of the date of this prospectus we have, and during all the periods presented we have had, no preferred shares outstanding; accordingly, we were not required to pay, and we have not declared or paid, any preferred share dividends for the periods set forth below. Accordingly, our ratio of earnings to combined fixed charges and preferred share dividends did not differ from the ratios presented below during any of these periods.

	Six Months Ended June 30,		Years Ended December 31,			
	2015	2014	2013	2012	2011	2010(2)
Ratio of Earnings to Fixed Charges(1)	1.60	2.02	1.01	1.46	1.32	N/A

(1) For purposes of calculating the ratio of earnings to fixed charges, fixed charges are calculated by adding (a) interest expensed and capitalized, (b) amortized premiums, discounts and capitalized expenses related to indebtedness and (c) an estimate of the interest within rental expense. Earnings are calculated by adding (i) pretax income or loss from continuing operations, (ii) income from equity investees, (iii) fixed charges and (iv) amortization of capitalized interest, and subtracting interest capitalized.

(2) For 2010, earnings were inadequate to cover fixed charges. The amount of the coverage deficiencies was \$66,560,000.

USE OF PROCEEDS

Unless otherwise indicated in the applicable prospectus supplement, we anticipate that the net proceeds from the sale of the securities that we may offer under this prospectus and any accompanying prospectus supplement will be used for general business purposes, including acquisitions and construction of additional travel centers and convenience stores, funding capital improvements to our travel centers and convenience stores, and other expansion activities. We will set forth in a prospectus supplement relating to a specific offering any intended use for the net proceeds received from the sale of securities in that offering. We will have significant discretion in the use of any net proceeds. Investors will be relying on the judgment of our management regarding the application of the proceeds of any sale of securities. We may invest the net proceeds temporarily until we use them for their stated purpose.

DESCRIPTION OF THE COMMON SHARES AND PREFERRED SHARES WE MAY OFFER

The following description, together with the additional information included in any applicable prospectus supplements, summarizes certain material terms and provisions of our limited liability company interests (which we refer to as common shares) and any preferred shares that we may issue. Because it is a summary, it does not contain all of the information that may be important to you. Please refer to our Amended and Restated Limited Liability Company Agreement, or our LLC agreement, and our Amended and Restated Bylaws, or our bylaws, each of which is incorporated by reference into the registration statement of which this prospectus is a part and this summary is qualified entirely thereby.

General

Our LLC agreement authorizes us to issue an unlimited number of additional securities and rights to buy securities for the consideration and on the terms and conditions determined by our board of directors without the approval of our shareholders, including the right to issue any number of common shares and preferred shares or class or series of common or preferred shares. Our board of directors is authorized to set the preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption for each such class or series.

As of August 31, 2015, we had 38,398,608 common shares issued and outstanding. No other class or series of shares of beneficial interest has been established.

We will describe in the applicable prospectus supplement relating to any offering of common shares or preferred shares the specific terms of the offering, including the number of shares offered, the initial offering price, market price and distribution information.

Common shares

The holders of our common shares are entitled to receive distributions, if any, ratably when, as and if authorized by our board of directors out of assets legally available therefor, subject to any preferential distribution rights of any newly created class or series of shares. Upon our dissolution, liquidation or winding up, the holders of common shares are entitled to receive our net assets available after the satisfaction (whether by payment or reasonable provision for payment) of all debts and other liabilities, ratably subject to the preferential rights of any newly created class or series of shares. Holders of common shares have no preemptive, preferential or other similar rights. Our common shareholders are entitled to one vote for each share held of record on our books for all matters submitted to a vote of shareholders.

Our common shares are listed on the NYSE under the symbol "TA." On August 31, 2015, the last reported sale price for our common shares on the NYSE was \$11.79. The transfer agent and registrar for our common shares is Wells Fargo Shareowner Services.

For additional information about our common shares, including the potential effects that provisions in our LLC agreement and bylaws may have in delaying or preventing a change in control of us, see "Description of Certain Provisions of Delaware Law and of Our LLC Agreement and Bylaws" below.

Preferred shares

Whenever preferred shares are to be sold pursuant to this prospectus, we will file a prospectus supplement relating to that sale which will specify:

the number of shares in the series of preferred shares;

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

the designation for the series of preferred shares by number, letter or title that shall distinguish the series from any other series of preferred shares;

the dividend rate, if any, and whether dividends on that series of preferred shares will be cumulative, noncumulative or partially cumulative;

the voting rights of that series of preferred shares, if any;

any conversion provisions applicable to that series of preferred shares;

any redemption or sinking fund provisions applicable to that series of preferred shares and any restrictions thereon;

the liquidation preference per share of that series of preferred shares, if any; and

the terms of any other preferences or rights, if any, applicable to that series of preferred shares.

DESCRIPTION OF THE DEBT SECURITIES WE MAY OFFER

References in this "Description of the Debt Securities We May Offer" section to "we," "us," "our" or "TA" mean TravelCenters of America LLC and not any of its consolidated subsidiaries, unless the context otherwise requires. The following description, together with the additional information we may include in any applicable prospectus supplements, describes the material terms and conditions of the debt securities that we may offer under this prospectus. This description is incomplete, and while the description below will apply generally to any future debt securities we may offer under this prospectus, we will describe the particular terms in more detail in the applicable prospectus supplement.

We may issue senior unsecured debt securities under our January 15, 2013 Indenture with U.S. Bank National Association, as trustee, or the 2013 Indenture, or under one or more other senior indentures to be entered into with a trustee named in any such senior indenture. We may issue subordinated notes under one or more subordinated indentures, to be entered into with a trustee to be named in the subordinated indenture. The 2013 Indenture and forms of senior indenture and subordinated indenture are attached as exhibits to the registration statement of which this prospectus forms a part. We use the term "indentures" to refer to the senior indenture(s) and the subordinated indenture(s). The indentures will be qualified under the Trust Indenture Act of 1939, as amended, or the Trust Indenture Act. We use the term "trustee" to refer to either the senior trustee or the subordinated trustee, as applicable.

We will describe in a prospectus supplement the specific terms of any debt securities we may offer pursuant to this prospectus. If indicated in a prospectus supplement, the terms of such debt securities may differ from the terms described below. The following summary of the material provisions of the senior notes, subordinated notes and the indentures are subject to, and qualified in their entirety by reference to, all the provisions of the indenture applicable to a particular series of debt securities, including the definitions of certain terms. Except as we may otherwise indicate, the terms of the senior indenture and the subordinated indenture are identical.

General

If we decide to issue any senior notes or subordinated notes pursuant to this prospectus, we will describe in a prospectus supplement the terms relating to each series of notes that we may issue, including the following:

the title;

whether the notes will be senior or subordinated;

any limit on the amount that may be issued;

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

whether or not we will issue the series of notes in global form and, if so, who the depositary will be;

the maturity date;

the annual interest rate, which may be fixed or variable, or the method for determining the rate and the date interest will begin to accrue, the dates interest will be payable and the regular record dates for interest payment dates or the method for determining such dates;

the place(s) where payments will be payable;

our right, if any, to defer payment of interest and the maximum length of any such deferral period;

the date, if any, after which, and the price at which, we may, at our option, redeem the series of notes pursuant to any optional redemption provisions;

the date, if any, on which, and the price(s) at which we are obligated to redeem, or at the holder's option to purchase, the series of notes pursuant to any mandatory sinking fund provisions or otherwise;

the denominations in which we will issue the series of notes, if other than denominations of \$1,000 and any integral multiple thereof;

any addition to, or modification or deletion of, any event of default or any covenant of TravelCenters of America LLC specified in the applicable indenture with respect to such series of notes;

a discussion of any material or special U.S. federal income tax considerations;

whether or not the notes will be secured or unsecured, and the terms of any secured debt; and

any other specific terms, preferences, rights or limitations of, or restrictions on, the debt securities.

The debt securities may be issued as original issue discount securities. An original issue discount security is a debt security, including any zero-coupon debt security, which:

is issued at a price lower than the amount payable upon its stated maturity; and

provides that upon redemption or acceleration of the maturity, an amount less than the amount payable upon the stated maturity shall become due and payable.

Under the indentures, we will have the ability, in addition to the ability to issue debt securities with terms different from those of debt securities previously issued, without the consent of the holders, to reopen a previous issue of a series of debt securities and issue additional debt securities of that series, unless such reopening was restricted when the series was created, in an aggregate principal amount determined by us. All such debt securities including those issued pursuant to such reopening shall vote together as a single class.

Structural subordination

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

We will be the sole obligor on the debt securities we may offer under this prospectus. We derive all of our revenue and cash flow from our subsidiaries and our ability to service any debt securities we may offer under this prospectus will be substantially dependent upon the earnings of our subsidiaries and their ability to make cash available to us. Our subsidiaries are separate and distinct legal entities and will have no obligation, contingent or otherwise, to pay any amounts due on debt securities we may offer under this prospectus. As of June 30, 2015, substantially all of our contractual and other obligations and liabilities, other than our outstanding 8.25% Senior Notes due 2028 and 8.00% Senior

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

Notes due 2029, are obligations of our subsidiaries and thus are structurally senior to our obligations on the debt securities we may offer under this prospectus. None of our subsidiaries will guarantee the debt securities we may offer under this prospectus. As a result, the debt securities we may offer under this prospectus are structurally subordinated to the prior payment and satisfaction of all of the existing and future debts, liabilities and obligations of our subsidiaries, and any future subsidiary debt or obligation will have priority over the debt securities we may offer.

Conversion or exchange rights

We will set forth in the applicable prospectus supplement the terms on which a series of notes may be convertible into or exchangeable for common shares or other securities of ours. Such terms will include provisions as to whether conversion or exchange is mandatory, at the option of the holder or at our option. We may include provisions pursuant to which the number of shares of common shares or other securities of ours that the holders of such series of notes receive would be subject to adjustment.

Consolidation, merger or sale

Unless otherwise noted in a prospectus supplement, the indentures do not contain any covenant restricting our ability to merge or consolidate, or sell, convey, transfer or otherwise dispose of all or substantially all of our assets. Any successor or acquirer of such assets, however, must assume all of our obligations under the indentures or the notes, as appropriate.

Events of default under the indentures

The following are events of default under the indentures with respect to any series of notes that we may issue:

if we fail to pay interest when due and our failure continues for thirty (30) days and the time for payment has not been extended or deferred;

if we fail to pay the principal, or premium, if any, when due;

if we fail to observe or perform any other covenant contained in the notes or the indentures, other than a covenant specifically relating to another series of notes, and our failure continues for ninety (90) days after we receive notice from the trustee or holders of at least ten percent (10%) in aggregate principal amount of the outstanding notes of that series; and

if we experience specified events of bankruptcy, insolvency or reorganization.

The supplemental indenture or the form of note for a particular series of notes may include additional events of default or changes to the events of default described above. For any additional or different events of default applicable to a particular series of notes, see the prospectus supplement relating to such series.

If an event of default with respect to notes of any series occurs and is continuing, the trustee or the holders of at least twenty-five percent (25%) in aggregate principal amount of the outstanding notes of that series, by notice to us in writing, and to the trustee if notice is given by such holders, may declare the unpaid principal of, premium, if any, and accrued interest, if any, on the notes due and payable immediately.

The holders of a majority in principal amount of the outstanding notes of an affected series may waive any default or event of default with respect to such series and its consequences, except (i) uncured defaults or events of default regarding payment of principal, premium, if any, or interest, unless we have cured the default or event of default in accordance with the indenture; and (ii) certain covenants or provisions which under the terms of the indenture cannot be modified or amended

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

without the consent of the holder of each outstanding note affected. Any such waiver shall cure such default or event of default.

Subject to the terms of the indentures, if an event of default under an indenture shall occur and be continuing, the trustee will be under no obligation to exercise any of its rights or powers under such indenture at the request or direction of any of the holders of the applicable series of notes, unless such holders have offered the trustee reasonable indemnity. The holders of a majority in principal amount of the outstanding notes of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee, with respect to the notes of that series, provided that:

the direction is not in conflict with any law or the applicable indenture;

the trustee may take any other action deemed proper by it which is not inconsistent with such direction; and

subject to its duties under the Trust Indenture Act, the trustee need not take any action that might involve it in personal liability or might be unduly prejudicial to the holders not involved in the proceeding.

A holder of the notes of any series will only have the right to institute a proceeding under the indenture or to appoint a receiver or another trustee, or to seek other remedies if:

the holder has given written notice to the trustee of a continuing event of default with respect to that series;

the holders of at least twenty-five percent (25%) in aggregate principal amount of the outstanding notes of that series have made written request, and such holders have offered reasonable indemnity to the trustee to institute such proceedings as trustee; and

the trustee does not institute such proceeding within sixty (60) days after its receipt of such notice, request and offer of indemnity, and does not receive from the holders of a majority in aggregate principal amount of the outstanding notes of that series other conflicting directions within such sixty (60) day period.

These limitations do not apply to a suit instituted by a holder of notes if we default in the payment of the principal, premium, if any, or interest on, the notes.

We will periodically file statements with the trustee regarding our compliance with specified covenants in the indentures.

Modification of indentures; waiver

We and the trustee may change an indenture without the consent of any holders with respect to certain matters, including:

to cure any ambiguity, defect or inconsistency in such indenture;

to change anything that does not materially adversely affect the interests of any holder of notes of any series;

to provide for the assumption, by a successor or the acquirer of all or substantially all of our assets, of our obligations under such indenture;

to add to our covenants for the benefit of holders of notes of any series or to surrender any right or power conferred upon us; and

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

to comply with any requirement of the SEC in connection with the qualification of an indenture under the Trust Indenture Act.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

In addition, under the indentures, the rights of holders of a series of notes may be changed by us and the trustee with the written consent of the holders of at least a majority in aggregate principal amount of the outstanding notes of each series that is affected. Certain changes, however, may only be made with the consent of each holder of any outstanding notes affected, including the following:

changing the fixed maturity of such series of notes; or

reducing the principal amount, the rate of interest, or any premium payable upon the redemption of any notes; or

extending the time of payment of interest, or any premium payable upon the redemption of any such notes; or

reducing the percentage in principal amount of notes, the consent of whose holders is required for any such supplemental indenture, or the consent of whose holders is required for any waiver provided for in the indenture; or

changing our obligation to maintain an office or agency in the places and for the purposes specified in the indenture; or

modifying certain provisions of the indenture which require the consent of, or action by, a specified minimum percentage of holders, except to increase any such percentages or to provide that certain other provisions of the indenture cannot be modified or waived without the consent of each of the holders of the affected notes.

Form, exchange and transfer

We will issue the notes of any series only in fully registered form without coupons and, unless otherwise specified in the applicable prospectus supplement, in denominations of \$1,000 and any integral multiple thereof. The indentures will provide that notes of a series may be issuable in temporary or permanent global form and may be issued as book-entry securities that will be deposited with, or on behalf of, The Depository Trust Company, New York, New York, or another depository named by us and identified in a prospectus supplement with respect to that series.

At the option of the holder, subject to the terms of the indentures and the limitations applicable to global securities described in the applicable prospectus supplement, notes of any series will be exchangeable for other notes of the same series, in any authorized denomination and of like tenor and aggregate principal amount.

Subject to the terms of the indentures and the limitations applicable to global securities set forth in the applicable prospectus supplement, holders may present their notes, duly endorsed or with the form of transfer duly executed if so required, at the office of the security registrar or at the office of any transfer agent designated by us for such purpose. Unless otherwise provided in the notes to be transferred or exchanged, no service charge will be made for any registration of transfer or exchange, but we may require payment of any taxes or other governmental charges. The security registrar and any transfer agent, in addition to the security registrar, initially designated by us for any notes will be named in the applicable prospectus supplement. We may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that we will be required to maintain a transfer agent in each place of payment for the notes of each series.

If the notes of any series are to be redeemed, we will not be required to:

issue, register the transfer of, or exchange any notes of that series during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

any such notes that may be selected for redemption and ending at the close of business on the day of such mailing; or

register the transfer of or exchange any notes so selected for redemption, in whole or in part, except the unredeemed portion of any such notes being redeemed in part.

Information concerning the trustee

The trustee, other than during the occurrence and continuance of an event of default under an indenture, undertakes to perform only such duties as are specifically set forth in the indentures. Upon an event of default under an indenture, the trustee must use the same degree of care as a prudent person would exercise or use in the conduct of his or her own affairs. Subject to this provision, the trustee is under no obligation to exercise any of the powers given it by the indentures at the request of any holder of notes unless it is offered reasonable security and indemnity against the costs, expenses and liabilities that it might incur. The trustee is not required to spend or risk its own money or otherwise become financially liable while performing its duties unless it reasonably believes that it will be repaid or receive adequate indemnity.

Payment and paying agents

Unless otherwise indicated in the applicable prospectus supplement, we will make payment of the interest on any notes on any interest payment date to the person in whose name such notes, or one or more predecessor securities, are registered at the close of business on the regular record date for the interest payment.

Principal of and any premium and interest on the notes of a particular series will be payable at the office of the paying agents designated by TravelCenters of America LLC, except that unless otherwise indicated in the applicable prospectus supplement, interest payments may be made by check mailed to the holder. Unless otherwise indicated in such prospectus supplement, the corporate trust office of the trustee in The City of New York will be designated as our sole paying agent for payments with respect to notes of each series. We will name in the applicable prospectus supplement any other paying agents initially designated by us for the notes of a particular series. We will maintain a paying agent in each place of payment for the notes of a particular series.

All money we pay to a paying agent or the trustee for the payment of the principal of or any premium or interest on any notes which remains unclaimed at the end of two years after such principal, premium or interest has become due and payable will be repaid to us, and the holder of the security thereafter may look only to us for payment thereof.

Global Debt Securities

We may issue the debt securities of a series in whole or in part in the form of one or more registered global securities that we will deposit with a depositary or with a nominee for a depositary identified in the applicable prospectus supplement and registered in the name of such depositary or nominee. In such case, we will issue one or more registered global securities denominated in an amount equal to the aggregate principal amount of all of the debt securities of the series to be issued and represented by such registered global security or securities.

Unless and until it is exchanged in whole or in part for debt securities in definitive registered form, a registered global security may not be transferred except as a whole:

by the depositary for such registered global security to its nominee;

by a nominee of the depositary to the depositary or another nominee of the depositary; or

by the depositary or its nominee to a successor of the depositary or a nominee of the successor.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

The prospectus supplement relating to a series of debt securities will describe the specific terms of the depositary arrangement with respect to any portion of such series represented by a registered global security. We currently anticipate that the following provisions will apply to all depositary arrangements for debt securities:

ownership of beneficial interests in a registered global security will be limited to persons that have accounts with the depositary for the registered global security, those persons being referred to as "participants," or persons that may hold interests through participants;

upon the issuance of a registered global security, the depositary for the registered global security will credit, on its book-entry registration and transfer system, the participants' accounts with the respective principal amounts of the debt securities represented by the registered global security beneficially owned by the participants;

any dealers, underwriters or agents participating in the distribution of the debt securities will designate the accounts to be credited; and

ownership of any beneficial interest in the registered global security will be shown on, and the transfer of any ownership interest will be effected only through, records maintained by the depositary for the registered global security (with respect to interests of participants) and on the records of participants (with respect to interests of persons holding through participants).

The laws of some states may require that certain purchasers of securities take physical delivery of the securities in definitive form. These laws may limit the ability of those persons to own, transfer or pledge beneficial interests in registered global securities.

So long as the depositary for a registered global security, or its nominee, is the registered owner of the registered global security, the depositary or the nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by the registered global security for all purposes under the applicable indenture. Except as set forth below, owners of beneficial interests in a registered global security:

will not be entitled to have the debt securities represented by a registered global security registered in their names;

will not receive or be entitled to receive physical delivery of the debt securities in the definitive form; and

will not be considered the owners or holders of the debt securities under the applicable indenture.

Accordingly, each person owning a beneficial interest in a registered global security must rely on the procedures of the depositary for the registered global security and, if the person is not a participant, on the procedures of a participant through which the person owns its interest, to exercise any rights of a holder under the applicable indenture.

We understand that under currently existing industry practices, if we request any action of holders or if an owner of a beneficial interest in a registered global security desires to give or take any action that a holder is entitled to give or take under an indenture, the depositary for the registered global security would authorize the participants holding the relevant beneficial interests to give or take the action, and those participants would authorize beneficial owners owning through those participants to give or take the action or would otherwise act upon the instructions of beneficial owners holding through them.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

We will make payments of principal of and premium, if any, and interest, if any, on debt securities represented by a registered global security registered in the name of a depositary or its nominee to the depositary or its nominee, as the case may be, as the registered owners of the registered global security. Neither we nor any trustee or any other agent of us or a trustee will be responsible or liable for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the registered global security or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

We expect that the depositary for any debt securities represented by a registered global security, upon receipt of any payments of principal and premium, if any, and interest, if any, in respect of the registered global security, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the registered global security as shown on the records of the depositary. We also expect that standing customer instructions and customary practices will govern payments by participants to owners of beneficial interests in the registered global security held through the participants, as is now the case with the securities held for the accounts of customers in bearer form or registered in "street name." We also expect that any of these payments will be the responsibility of the participants.

No registered global security may be exchanged in whole or in part for debt securities registered, and no transfer of a registered global security in whole or in part may be registered, in the name of any person other than the depositary for such registered global security, unless (i) such depositary notifies us that it is unwilling or unable to continue as depositary for such registered global security or has ceased to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, or the Exchange Act, and we fail to appoint an eligible successor depositary within 90 days, (ii) an event of default shall have occurred and be continuing with respect to such debt securities, or (iii) circumstances, if any, exist in addition to or in lieu of the foregoing as have been specified for that purpose in an applicable prospectus supplement. In any such case, the affected registered global security may be exchanged in whole or in part for debt securities in definitive form and the applicable trustee will register any such debt securities in such name or names as such depositary directs.

We currently anticipate that certain registered global securities will be deposited with, or on behalf of, The Depository Trust Company, New York, New York, or DTC, and will be registered in the name of Cede & Co., as the nominee of DTC. DTC has advised us that DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that its participants, or direct participants, deposit with DTC. DTC also facilitates the post-trade settlement among direct participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between direct participants' accounts. This eliminates the need for physical movement of securities certificates. Direct participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation, or DTCC. DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a direct participant, either directly or indirectly.

The rules applicable to DTC and its direct participants are on file with the SEC. The information in this paragraph concerning DTC and DTC's book-entry system has been obtained from sources that we believe to be reliable, but we take no responsibility for the accuracy thereof. In the event registered global securities are deposited with, or on behalf of, a depositary other than DTC, we will describe

additional or differing terms of the depositary arrangements in the applicable prospectus supplement relating to that particular series of debt securities.

We may also issue bearer debt securities of a series in the form of one or more global securities, referred to as "bearer global securities." We currently anticipate that we will deposit these bearer global securities with a common depositary for Euroclear Bank S.A./N.V. and Clearstream Banking, société anonyme, or with a nominee for the depositary identified in the prospectus supplement relating to that series. The prospectus supplement relating to a series of debt securities represented by a bearer global security will describe the specific terms and procedures, including the specific terms of the depositary arrangement and any specific procedures for the issuance of debt securities in definitive form in exchange for a bearer global security, with respect to the portion of the series represented by a bearer global security.

Neither we nor any trustee assumes any responsibility for the performance by DTC or any other depositary or its participants of their respective obligations, including obligations that they have under the rules and procedures that govern their operations.

Governing law

The indentures and the notes will be governed by and construed in accordance with the laws of the State of New York, except to the extent the Trust Indenture Act is applicable.

Subordination of subordinated notes

Any subordinated notes will be unsecured and will be subordinate and junior in priority of payment to certain of our other indebtedness to the extent described in a prospectus supplement. The subordinated indenture does not limit the amount of subordinated notes that we may issue. The subordinated indenture also does not limit us from issuing any other secured or unsecured debt.

DESCRIPTION OF THE WARRANTS WE MAY OFFER

The following description, together with the additional information we may include in any applicable prospectus supplements, summarizes the material terms and provisions of the warrants that we may offer under this prospectus and the related warrant agreements and warrant certificates. While the terms summarized below will apply generally to any warrants that we may offer, we will describe the particular terms of any series of warrants in more detail in the applicable prospectus supplement. If we indicate in the prospectus supplement, the terms of any warrants offered under that prospectus supplement may differ from the terms described below. Specific warrant agreements will contain additional important terms and provisions and will be incorporated by reference as an exhibit to the registration statement, of which this prospectus forms a part, or to an exhibit to a current report on Form 8-K or other document to be filed under the Exchange Act.

We may issue warrants, including warrants to purchase common shares, preferred shares, or debt securities in one or more series. We may issue warrants independently or together with common shares, preferred shares and debt securities, and the warrants may be attached to or separate from the securities.

We will evidence each series of warrants by warrant certificates that we will issue under warrant agreements. We may enter into a warrant agreement with a warrant agent as detailed in the prospectus supplement relating to warrants being offered. We will indicate the name and address and other information regarding the warrant agent in the applicable prospectus supplement relating to a particular series of warrants.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

If we decide to issue warrants pursuant to this prospectus, we will specify in a prospectus supplement the terms of the series of warrants, including, if applicable, the following:

the title of the warrants;

the aggregate number of warrants offered;

the price or prices at which the warrants will be issued;

the currencies in which the price or prices of the warrants may be payable;

the designation, amount, and terms of the offered securities purchasable upon exercise of the warrants;

the designation and terms of the other offered securities, if any, with which the warrants are issued and the number of the warrants issued with each security;

if applicable, the date on and after which the warrants and the offered securities purchasable upon exercise of the warrants will be separately transferable;

the price or prices at which and currency or currencies in which the offered securities purchasable upon exercise of the warrants may be purchased;

the date on which the right to exercise the warrants shall commence and the date on which the right shall expire;

the minimum or maximum amount of the warrants which may be exercised at any one time;

information with respect to book-entry procedures, if any;

a discussion of any federal income tax considerations; and

any other material terms of the warrants, including terms, procedures, and limitations relating to the exchange and exercise of the warrants.

Before exercising their warrants, holders of warrants will not have voting rights or other rights as a shareholder of TravelCenters of America LLC.

Exercise of warrants

Each warrant will entitle the holder to purchase the securities that we specify in the applicable prospectus supplement at the exercise price that we describe in the applicable prospectus supplement. Unless we otherwise specify in the applicable prospectus supplement, holders of the warrants may exercise the warrants up to the close of business on the expiration date that we set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants will become void.

Holders of the warrants may exercise the warrants by delivering the warrant certificate representing the warrants to be exercised together with specified information, and paying the required amount in immediately available funds, as provided in the applicable prospectus supplement.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

We will describe in the applicable prospectus supplement the information that the holder of the warrant will be required to deliver to the warrant agent. If we so indicate in the applicable prospectus supplement, holders of the warrants may surrender securities as all or part of the exercise price for warrants.

**DESCRIPTION OF CERTAIN PROVISIONS OF DELAWARE LAW
AND OF OUR LLC AGREEMENT AND BYLAWS**

The following description summarizes certain terms of our LLC agreement and our bylaws, but is not complete. Please refer to our LLC agreement and bylaws, each of which is incorporated by reference into the registration statement of which this prospectus is a part.

Organization

We were formed in October 2006 under the Delaware Limited Liability Company Act, or the Delaware LLC Act, and will remain in existence until we are dissolved in accordance with our LLC agreement. Pursuant to our LLC agreement, our board of directors adopted bylaws on November 7, 2008, as amended and restated on January 25, 2010, as further amended and restated on February 21, 2013.

Purposes

Under our LLC agreement, we are permitted to engage in any lawful business, purpose or activity that a limited liability company formed under Delaware law may lawfully conduct. Our board of directors is authorized to perform all acts it deems necessary or appropriate to conduct our business.

Fiduciary duties

Our LLC agreement and bylaws provide that our business shall be managed under the direction of our board of directors, which shall have the power to appoint our officers. Our LLC agreement further provides that, except as otherwise specifically stated in our LLC agreement, our bylaws or in Delaware law, the authority, powers, functions and duties of our board of directors and officers generally shall be identical to the authority, powers, functions and duties of a board of directors and officers of a corporation organized for profit under the Delaware General Corporation Law, or DGCL.

Our LLC agreement provides that, except as provided therein, the fiduciary duties and obligations owed to our company and to our shareholders by our directors and officers shall be the same as the respective duties and obligations owed by directors and officers of a corporation organized under the DGCL to their corporation and stockholders, respectively. However, notwithstanding any duty (including any fiduciary duty) that might otherwise exist in law or in equity, our LLC agreement and bylaws specifically permit our directors and their affiliates to engage in other business interests and activities, including those that compete with us, provided that none of our confidential information may be used. Also, business opportunities that become available to our directors or their affiliates need not first be presented to us. In addition, our LLC agreement eliminates the personal liability of each member of our board of directors to us and our shareholders for monetary damages for breach of fiduciary duty as a director; provided, however, that the foregoing shall not eliminate the liability of a director (i) for any breach of such director's duty of loyalty to us or our shareholders as that duty is modified by our LLC agreement, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law or (iii) for any transaction from which such director derived an improper personal benefit.

In addition, our bylaws provide that, to the fullest extent permitted by law, our board of directors or our shareholders may ratify and make binding on us any past action or inaction by us or our officers to the extent that our board of directors or our shareholders could have originally authorized the matter. Moreover, under our bylaws, to the fullest extent permitted by law, any past action or inaction questioned in any shareholder's derivative proceeding or any other proceeding on the ground of lack of authority, defective or irregular execution, adverse interests of a director, officer or shareholder, non-disclosure, miscomputation, the application of improper principles or practices of accounting, or otherwise, may be ratified, before or after judgment, by our board of directors or by our shareholders

and, if so ratified, shall have the same force and effect as if the questioned action or inaction had been originally duly authorized, and such ratification shall be binding upon us and our shareholders and shall bar any claim or execution of any judgment in respect of such questioned action or inaction.

Agreement to be bound by LLC agreement and bylaws and disputes by shareholders

By acquiring a common share in us, you will be admitted as a member of our company (which we call a "shareholder") and will be bound by the terms of our LLC agreement and bylaws. Pursuant to our LLC agreement, each shareholder and each person who acquires a share from a shareholder grants our Chief Executive Officer, President and Secretary (and, in the event of dissolution, any liquidator appointed pursuant to the LLC agreement) the power to execute and file documents necessary or appropriate for our engaging in any lawful business and exercising all powers and privileges permitted under the Delaware LLC Act, and the authority to execute any duly adopted amendments to our LLC agreement. Our LLC agreement and our bylaws provide for arbitration of certain disputes, claims and controversies, including that any action brought against us or any director, officer, manager (including Reit Management & Research LLC, or RMR, or its successor), agent or employee of ours, by a shareholder, including derivative and class actions, shall, on the demand of any party to such dispute, be resolved through binding arbitration in accordance with the procedures set forth in our bylaws.

Conduct of business

Our LLC agreement and bylaws provide that our day to day business shall be conducted by or under the direction of our board of directors and such officers with such titles and duties as our board of directors may from time to time appoint. Our board of directors is authorized to amend or modify our bylaws, which such bylaws contain provisions that govern our activities. Our board of directors is also authorized to appoint committees, each of which shall have at least one director.

Capital contributions

Shareholders are not obligated to make capital contributions to us.

Shareholder liability and agreements

Limited liability in jurisdictions in which we do business. Although limitations on the liability of shareholders for the obligations of a limited liability company have not been clearly established in some jurisdictions, we will operate in a manner that our board of directors considers reasonably appropriate to preserve the limited liability of our shareholders.

Liability for breach of the LLC agreement or bylaws. Under our LLC agreement and bylaws, each of our shareholders has agreed to indemnify us and any of our subsidiaries or affiliates, to the fullest extent permitted by law, against losses arising from such shareholder's breach of or failure to fully comply with any covenant, condition or provision of our LLC agreement or bylaws. Such indemnification includes, without limitation, to the fullest extent permitted by law, indemnification against losses arising from any action by or against us or our subsidiaries or affiliates in which the shareholder is not the prevailing party.

Actions requiring regulatory compliance implicating us. Under our bylaws, if any shareholder, whether acting individually or in concert with a group, as determined by our board of directors, by virtue of the shareholder's ownership interest in us or actions taken by the shareholder affecting us, triggers the application of any requirement or regulation of any federal, state, municipal or other governmental or regulatory body on us or any of our subsidiaries (as defined in our bylaws) or any of our or our subsidiaries' businesses, assets or operations, including, without limitation, any obligations to make or obtain any governmental actions, consents or approvals, then such shareholder is required to promptly take all actions necessary and fully cooperate with us to ensure that such requirements or

regulations are satisfied without restricting, imposing additional obligations on or in any way limiting our or our subsidiaries' businesses, assets, operations or prospects. If the shareholder fails or is otherwise unable to promptly take such actions so as to cause satisfaction of such requirements or regulations, then under our bylaws, the shareholder shall promptly divest a sufficient number of our shares necessary to cause the application of such requirement or regulation to not apply to us or any of our subsidiaries. If the shareholder fails to cause such satisfaction or divest itself of such sufficient number of our shares by not later than the 10th day after triggering such requirement or regulation, then any of our shares beneficially owned by such shareholder at and in excess of the level triggering the application of such requirement or regulation shall, to the fullest extent permitted by law, be automatically transferred to a trust for the exclusive benefit of one or more charitable beneficiaries designated by us and any actions triggering the application of such a requirement or regulation may be deemed by us to be of no force or effect. Additionally, if a shareholder who triggers the application of any regulation or requirement fails to satisfy the requirements or regulations or to take curative actions within ten (10) days of triggering such requirements or regulations, our board of directors is authorized to take, to the fullest extent permitted, all actions which the board of directors deems appropriate to require compliance or to preserve the value of our assets; and we may charge the offending shareholder for our costs and expenses as well as any damages which we may incur.

As an example and not as a limitation, as of the date of this prospectus, we hold a controlling interest in gaming businesses in Louisiana. Louisiana law provides that any person who owns five percent or more of a gaming business in Louisiana shall provide detailed personal history and financial information and be approved by the Louisiana Gaming Control Board. Accordingly, if a shareholder acquires five percent or more of our company and refuses to provide us with information required to be submitted to the Louisiana Gaming Control Board or if the Louisiana Gaming Control Board declines to approve such a shareholder's ownership of our company, then, in either event, shares owned by such a shareholder necessary to reduce its ownership to less than five percent of our company may be deemed shares in excess of our 9.8% ownership limitation (described below under the sub-heading "Restrictions on share ownership and transfers") and subject to the ownership limitation provisions of our LLC Agreement.

As a further example and not as a limitation, as of the date of this prospectus, we hold a controlling ownership position in a company formed and licensed as an insurance company in the State of Indiana. The laws of the State of Indiana have certain regulatory requirements for any person who seeks to control (as defined under Indiana law) a company which itself controls an insurance company domiciled in the State of Indiana, including by exercising proxies representing 10% or more of the company's voting securities. Accordingly, our bylaws provide that if a shareholder seeks to exercise proxies for a matter to be voted upon at a meeting of our shareholders without having obtained any applicable approvals from the Indiana insurance regulatory authorities, such proxies representing 10% or more of our voting securities will, subject to certain provisions of our bylaws addressing quorum requirements, be void and of no further force or effect.

Compliance with law. Under our bylaws, shareholders are required to comply with all applicable requirements of federal and state laws, rules and regulations in connection with a shareholder's ownership interest in us, as well as all other laws which apply to us or any of our subsidiaries or any of our or our subsidiaries' businesses, assets or operations and which require action or inaction on the part of a shareholder.

Representations, warranties and covenants made to governmental or regulatory bodies. Under our bylaws, to the fullest extent permitted by law, any representation, warranty or covenant made by a shareholder with any governmental or regulatory body in connection with the shareholder's interest in us or any of our subsidiaries is deemed to be simultaneously made to, for the benefit of and enforceable by, us and any of our subsidiaries, as applicable.

Unlawful distributions. We do not currently intend to make any distributions to our shareholders. However, a shareholder who knowingly receives a distribution made in violation of the Delaware LLC Act is liable to return such distribution for three years from the date of the distribution if an action to recover the distribution from the shareholder is commenced prior to the end of the three year period and an adjudication of liability against the shareholder is made. Under the Delaware LLC Act, we generally cannot make a distribution that would cause our liabilities to exceed the fair value of our assets.

Shareholder voting rights

Generally, our board of directors has broad powers to conduct our business and manage our affairs without shareholder approval or voting. Whenever shareholder approval is required for any action either by the terms of our LLC agreement or by applicable law, the general rule under our LLC agreement is that, unless otherwise required by law, the affirmative vote of 75% of each class and series of shares with voting power outstanding, voting as a single class, will be required; provided, however, if our board of directors approves in advance a particular action, only a majority of the votes cast shall be required. In an uncontested election, the election of directors requires a plurality vote of the votes cast. In a contested election, the election of directors requires a majority vote of the then outstanding common shares. Our board has the power to revise these requirements as may be allowed by law, our LLC agreement or our bylaws.

Issuance of additional securities

Regardless of any rights of our common shareholders that are described in this prospectus, the registration statement of which it is a part or the information incorporated therein, the rights, preferences and privileges of our common shares and common shareholders are subject to, and may be adversely affected by, the rights of the holders of shares of any new class or series, whether common or preferred, that our board of directors may designate and issue in the future.

We believe that the ability of our board of directors to issue one or more classes or series of shares with specified preferences will provide us with flexibility in structuring possible future financings and acquisitions, and in meeting other business needs that may arise. All shares are available for issuance without action by our shareholders, unless such action is required by applicable law or the rules of the principal stock exchange on which our securities may be listed. Nonetheless, the unrestricted ability of our board to issue additional shares, classes and series of shares may have adverse consequences to existing shareholders. Please also see "Anti-takeover provisions".

Restrictions on share ownership and transfers

Our LLC agreement provides that no person or group of persons acting together may own, directly or indirectly, including through application of Section 318(a) of the Code, as modified by Section 856(d)(5) thereof, more than 9.8% of the number or value of any class or series of our outstanding shares. Any person who acquires or attempts to acquire ownership of our shares that will or may violate this 9.8% ownership limitation must give notice to us and provide us with any other information that we may request. The ownership limitations in our LLC agreement are effective against all of our shareholders. Our board of directors may grant an exemption from the ownership limitation if it is satisfied that the shareholder's ownership is in our best interests and would not cause a default under the terms of any contract to which we are a party or would reasonably expect to become a party, provided that any duties of our board of directors, including fiduciary duties, to the shareholder requesting the exemption shall not apply, to the fullest extent permitted by law, to such determination. In addition, our board of directors may from time to time increase or decrease our ownership limitations, provided that any decrease may be made only prospectively as to subsequent holders (other than a decrease as a result of a retroactive change in existing law, in which case such change shall be effective immediately).

If a person attempts a transfer of our shares in violation of our ownership limitations, then that number of shares which would cause the violation will be automatically deemed transferred to a trust for the exclusive benefit of one or more charitable beneficiaries designated by us. The prohibited owner will not acquire any rights in the shares held in trust, will not benefit economically from ownership of the shares held in trust, will have no rights to distributions and will not possess any rights to vote the shares held in trust. This automatic transfer will be deemed to be effective as of the close of business on the business day prior to the date of the violative transfer.

Additionally, our bylaws impose certain restrictions on the transfer of our shares in order to help us preserve the tax treatment of our net operating losses and other tax benefits. These restrictions generally provide that transfers of our shares to a person, entity or group which is then, or would become as a result of such transfer, an owner of 5% or more of our outstanding shares (i) would be void in total, for transferees then already owning 5% or more of our shares and (ii) would be void to the extent the transfer would so result in such level of ownership by the proposed transferee, for other transferees. Furthermore, the restrictions generally provide that the shares sought to be transferred in violation of these provisions shall be automatically deemed transferred to a charitable trust in accordance with the provisions of our LLC agreement. The prohibited transfer threshold was set at 5% because transfers at or above that level could result in limitations on our ability to use our net operating losses and other tax benefits to reduce our future taxable income, as provided under the Code and related tax rules. Shareholders owning 5% or more of our outstanding shares as of November 9, 2009, would not have their shares owned at and above the 5% ownership threshold transferred to a charitable trust or otherwise divested solely as a result of the adoption of these restrictions. Additionally, these restrictions will not apply if the transferor or the transferee obtains the written approval of our board of directors, which such approval may be conditionally given.

Every owner of more than 5% of any class or series of our shares is required to give written notice to us within thirty (30) days after our request and after the end of each taxable year stating the name and address of the owner, the number of shares of each class and series of our shares which the owner beneficially owns, and a description of the manner in which those shares are held. In addition, upon our request, each owner of more than 5% of any class or series of our shares is required to provide us with any additional information that we may request in order to assist us in ensuring compliance with the foregoing share ownership limitations. Furthermore, as a condition to the registration of the transfer of any of our shares in our share register, any person who is a beneficial, legal or record holder of shares, and any proposed transferee, must provide such information as may be requested by us from time to time in order to determine compliance with the aforementioned restrictions or the status of our tax benefits.

The restrictions described above will not preclude the settlement of any transaction entered into through the facilities of any securities exchange through which our shares are traded. Our LLC agreement and our bylaws provide, however, that the fact that the settlement of any transaction occurs will not negate the effect of any of the foregoing limitations and any transferee in these kinds of transactions is subject to all of the provisions and limitations described above.

These ownership limitations could have the effect of delaying, deferring or preventing a takeover or other transaction in which our common shareholders might receive a premium for their shares over the then prevailing market price or which such holders might believe to be otherwise in their best interest. For more detail concerning these share ownership limitations, please see our LLC agreement and our bylaws, each of which is incorporated by reference into the registration statement of which this prospectus is a part.

Election and removal of members of our board of directors

As of the date of this prospectus, our board of directors consists of six members. Our LLC agreement and bylaws provide that our board of directors establishes the number of our directors. However, there may not be less than three nor more than seven directors, unless the directors then in office unanimously determine to change the permitted number of directors. In the event of a vacancy on our board, whether occurring due to an increase in size of our board of directors or by the death, resignation or removal of any director, a majority of the remaining directors will fill the vacancy and the director elected to fill the vacancy will serve for the remainder of the full term of the directorship in which the vacancy occurred or is created.

Our LLC agreement divides our board of directors into three classes, or groups. The term of the directors in Group III will expire in 2016; the term of the directors in Group I will expire in 2017; and the term of the directors in Group II will expire in 2018. Shareholders elect directors of each group for three year terms upon the expiration of their current terms. Shareholders elect only one group of directors each year. There is no cumulative voting in the election of directors.

We believe that classification of the board of directors helps to ensure continuity of our business strategies and policies. However, the classified board provision could have the effect of making the replacement of incumbent directors more time consuming and difficult. At least two annual meetings of shareholders will generally be required to effect a change of a majority of our directors. Also, because our board of directors may increase the number of directors and set the classification of the expanded board, it may take more than two years to change a majority of our directors.

Our LLC agreement and bylaws provide that a director may be removed only for cause (as defined in our LLC agreement and bylaws) by the unanimous vote of the other directors then in office. In addition, our LLC agreement and bylaws provide that our entire board of directors (but not less than our entire board of directors) may be removed only for cause by the affirmative vote of at least 75% of the outstanding shares of each class and series of our shares with voting power, voting together as a single class.

The provisions described in this section and any other provisions relating to the rights of a class or series of our shares may be subject to the rights of any class or series of shares that the board of directors may authorize from time to time.

Amendment of our LLC agreement

General. Amendments to our LLC agreement may be proposed only by or with the consent of our board of directors. In the event that applicable law requires that amendments may be proposed by our shareholders, the ownership percentage of shareholders required to propose an amendment shall be the ownership percentage specified by law, or, if shareholders are permitted by law to propose amendments but no required ownership percentage is set, then shareholders holding at least 25% of our outstanding shares shall be required. Amendments proposed by our board of directors which require a vote of our shareholders may be adopted by a plurality of shares voting, unless applicable law requires a greater number. Amendments proposed by shareholders, if any, which are not approved by our board of directors shall require the affirmative vote of 75% of each class and series of outstanding shares, voting together as a single class unless applicable law requires a lesser vote.

No shareholder approval. Our board of directors generally may make amendments to our LLC agreement without the approval of our shareholders as follows:

to change our name, the location of our principal place of our business, our registered agent or our registered office;

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

to effect the admission, substitution or removal of shareholders in accordance with our LLC agreement and the Delaware LLC Act;

to make any change which our board of directors reasonably determines is customarily of the type contained in the bylaws of a corporation organized under the DGCL;

to create, dissolve, merge, consolidate or convert us or any of our subsidiaries, or to convey any or all of our assets, if the principal purpose of such action as determined by our board of directors is to effect a change in the legal form of our business, including, but not limited to, to change the form of our existence to a corporation, limited partnership, or trust or other legal entity or to change the jurisdiction under whose laws we are organized;

to make an amendment that our board of directors determines to be necessary or appropriate for the authorization or issuance of additional securities or rights to acquire securities;

to change our fiscal year or taxable year and related changes; and

to make any amendment expressly permitted in our LLC agreement to be made by our board of directors acting without shareholder or member approval.

In addition, our board of directors may make amendments to our LLC agreement without the approval of our shareholders if our board of directors determines that those amendments:

do not adversely affect our shareholders (including any particular class or series of shares as compared to other classes or series of shares) in any material respect except that such limitation shall not apply to any change that our board of directors determines to be in the best interest of our shareholders as a whole and regardless of whether or not such provision is adverse to any class or series of our shares or particular shareholder or group of shareholders;

are necessary or appropriate to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, ruling or regulation of any federal or state agency or judicial authority or contained in any federal or state statute;

are necessary or appropriate to facilitate the trading of our shares or to comply with any rule, regulation, guideline or requirement of any securities exchange on which our shares are or will be listed for trading, compliance with any of which our board of directors deems to be in our and our shareholders' best interests;

are necessary or appropriate to implement a defensive shareholder rights plan, similar to a shareholder rights plan or "poison pill" for corporations; and

are required to effect the intent of the provisions of our LLC agreement, are otherwise contemplated by our LLC agreement or are required to correct any mistake or ambiguity in our LLC agreement, as determined by our board of directors.

Amendment of our bylaws

Our bylaws may be amended or repealed or new or additional bylaws may be adopted only with the vote or written consent of a majority of our board of directors.

Merger, sale or other disposition of assets

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

Except with respect to any transaction having as its principal purpose the changing of our legal form of existence and/or jurisdiction of organization (as described above), any merger, combination or consolidation of us into another entity may only be effected by an agreement approved by our board of directors and by our shareholders; provided, however, our board of directors without shareholder approval may mortgage, sell and leaseback, pledge, hypothecate or grant a security interest in some, all

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

or substantially all of our assets and permit the sale upon foreclosure or other realization of such an encumbrance. If applicable law permits the foregoing action without board approval, the shareholder vote required shall be 75% of each class and series of outstanding shares voting together as a single class, at the time of the vote, unless applicable law requires a lesser amount; but any such transaction which is approved by our board may be approved by a majority of votes cast by shareholders of each class and series, voting together as a single class, unless applicable law requires a different vote.

Our LLC agreement provides that our shareholders are not entitled to dissenters' rights of appraisal in the event of a merger, consolidation or conversion involving TA, a sale of all or substantially all of our assets, or any other transaction or event.

Termination and dissolution

We were formed as a perpetual entity to continue in existence until dissolved pursuant to the terms of our LLC agreement. We will dissolve upon: (i) the election of our board of directors to dissolve us which action is approved by our shareholders; (ii) the sale, exchange or other disposition of all or substantially all of our assets and properties unless otherwise determined by our board of directors; (iii) the entry of a decree of judicial dissolution of us; or (iv) the reduction of the number of our members to zero. The shareholder vote required to approve our board of directors' decision to dissolve our company shall be a majority of the votes cast of our voting shares, voting together as a single class, unless a greater amount or separate class voting is required by applicable law. Shareholders shall have no right to dissolve our company except as provided for in our LLC agreement.

Shareholder meetings, proxies and quorums

Any action required or permitted to be taken at a meeting of shareholders may be taken without a meeting only by a unanimous written consent of the shareholders entitled to vote on the matter.

Our LLC agreement and bylaws require that a meeting of shareholders, called by our board of directors, be held annually. The chairman of our board of directors, if any, or a majority of our entire board of directors may call a special meeting of our shareholders. Shareholders may cause a special meeting of shareholders to be held only if applicable law or applicable rules of the principal exchange on which our common shares are listed so require, and then the percentage of shareholders required to cause a special meeting of shareholders shall be the maximum percentage specified by applicable law or stock exchange rule. If applicable law or stock exchange rule requires such an action but does not specify a maximum percentage, the percentage shall be specified from time to time by our board of directors, provided, however, that such percentage shall not be higher than 75%. If the shareholders have the right to call a special meeting, upon written request by the requisite number of shareholders in accordance with the procedures contained in our LLC agreement and bylaws, our secretary shall call such a meeting.

Shareholders may vote either in person or by proxy at meetings. Only shareholders of record may vote. The holders of a majority of the outstanding shares of the class or classes or series for which a meeting has been called represented in person or by proxy shall constitute a quorum unless any action by the shareholders requires approval by holders of a greater percentage of the shares, in which case the quorum for approval of that action shall be the greater percentage. If a quorum is not present at any meeting of shareholders, the chairperson of the meeting may adjourn the meeting from time to time without us being required to set a new record date or provide any additional notice of such meeting, other than by announcement at the meeting at which the adjournment is taken.

Anti-takeover provisions

The following provisions, among others, of our LLC agreement and bylaws may delay or prevent a change of control of us:

separate prohibitions on the ownership of 5% or more of our shares or in excess of 9.8% of any class or type of our equity securities by any person or group;

the regulatory compliance and disclosure requirements set forth in our bylaws, including provisions that require the divestment of our shares by a shareholder in the event that such shareholder, by virtue of such shareholder's ownership interest in us or actions taken by the shareholder affecting us, triggers the application of any requirement or regulation of any federal, state, municipal or other governmental or regulatory body on us or any of our subsidiaries or any of our or our subsidiaries' businesses, assets or operations and such shareholder fails or is otherwise unable to promptly take such actions so as to cause satisfaction of such requirements or regulations without imposing additional obligations on or in any way limiting our or our subsidiaries' businesses, assets, operations or prospects;

a provision in our LLC agreement to the effect that, with respect to any "Business Combination" (as such term is defined in Section 203 of the DGCL), the provisions of Section 203 of the DGCL shall be applied with respect to us as though we were a Delaware corporation, our shareholders were stockholders of such corporation and our board of directors was the board of directors of such corporation;

the ability of our board of directors, without a shareholders' vote, to issue additional common shares and other series or classes of shares with rights which may be established at the time of issuance;

the classification of our board of directors and the election of each class for three year staggered terms;

the qualifications required of any individual nominated for or elected to be a director that are set forth in our bylaws;

the requirement, given our ownership of Affiliates Insurance Company, or AIC, which makes us an insurance holding company under applicable state law, that anyone who intends to solicit proxies for a person to serve as one of our directors or for another proposal of business may be required to receive pre-clearance from Indiana insurance regulators;

requirements that any person nominated to be a director comply with clearance and pre-clearance requirements of state laws applicable to our business including clearance and pre-clearance by Nevada and Louisiana gaming authorities and Indiana insurance regulators;

the requirement that an individual director may only be removed for cause and then only by unanimous vote of the other directors, the requirement of a 75% shareholders' vote and cause requirements to remove our entire board of directors and the inability of shareholders to remove any single director without removing our entire board of directors;

the requirement of a 75% shareholders' vote to approve certain transactions, such as a merger or a sale of substantially all our assets, unless those transactions are approved by our board of directors;

the ability of our directors to expand our board and to fill vacancies on our board;

shareholder voting rights and standards which require larger majorities for approval of actions which are not approved by our directors than for actions which are approved by our directors;

the requirement that amendments to our LLC agreement may only be proposed by or with the consent of our board of directors;

the authority of our board of directors, and not our shareholders, to adopt, amend or repeal our bylaws;

the limitations on the ability of our shareholders to call a special meeting of shareholders, nominate directors or make shareholder proposals and the inability of our shareholders to act by written consent unless unanimous; and

the informational, share ownership and other advance notice requirements for shareholder nominations for our directors and for shareholder proposals and restrictions which may prevent the presentation of such nominations or proposals in our proxy statements.

These requirements may prevent you from realizing a takeover premium for any of our shares which you own.

In addition, our leases with HPT may prevent the merger of us into another entity, the acquisition by any person or group of beneficial ownership of 9.8% or more of the voting shares or the power to direct the management and policies of us or any of our subsidiary tenants or guarantors; the sale of a material part of the assets of us or any such tenant or guarantor; or the cessation of certain continuing directors constituting a majority of the board of directors of us or any such tenant or guarantor; in each case without the consent of HPT. Our rent deferral agreement with HPT has change of control covenants so that amounts deferred will immediately be payable to HPT in the event we experience a change of control while deferred rent is unpaid. More specifically, events of default under our rent deferral agreement include any event of default under our leases with HPT, the election of any director to our board of directors who was not nominated or appointed by the then members of our board of directors or the adoption by our shareholders of any proposal (other than a precatory proposal) not recommended for adoption by the then members of the board of directors. Any default by us under our rent deferral agreement will also constitute an event of default under our existing lease agreements with HPT. Our shareholders agreement with respect to AIC, our business management and shared services agreement with RMR and our credit facility also contain change of control provisions, as described below.

Liability of shareholders for breach of restrictions on ownership

Our leases with HPT, our business management and shared services agreement with RMR, our credit facility and our shareholders agreement with respect to AIC each provide that our rights and benefits under those agreements may be terminated in the event that anyone acquires more than 9.8% of our shares or we experience some other change in control, as defined in those agreements, without the consent of HPT, RMR or the lenders under our credit facility, respectively, and that AIC and the other shareholders of AIC may have rights to acquire our interests in AIC if such an acquisition occurs or if we experience some other change of control. If a breach of the 9.8% ownership limitation results in a lease or credit facility default, a loss of the benefits of our management and shared services agreement or a loss of our ownership interests in AIC, the shareholder or shareholders causing the breach may be liable to us and may be liable to our other shareholders for damages. Additionally, any shareholder who knowingly violates the bylaw provisions pertaining to 5% ownership may be liable to us for damages suffered as a result of such violation, including but not limited to damages resulting from a reduction in, or elimination of, our ability or right to utilize our tax benefits. These damages may be in addition to the loss of beneficial ownership and voting rights of the shares owned by the breaching shareholder or shareholders, as described above, and these damages may be material.

PLAN OF DISTRIBUTION

We may sell the securities being offered pursuant to this prospectus directly to purchasers, to or through underwriters, through dealers or agents or through a combination of such methods. The prospectus supplement with respect to the securities being offered will set forth the terms of the offering, including the names of the underwriters, dealers or agents, if any, the purchase price, the net proceeds to the Company, any underwriting discounts and other items constituting underwriters' compensation and the initial public offering price and discounts or concessions allowed or reallocated or paid to dealers and any securities exchanges on which such securities may be listed.

Underwriters

If we use underwriters in an offering, we will execute an underwriting agreement with such underwriters and will specify the name of each underwriter and the terms of the transaction (including any underwriting discounts and other terms constituting compensation of the underwriters and any dealers) in a prospectus supplement. If we use an underwriting syndicate, the managing underwriter(s) will be specified on the cover of the prospectus supplement. If we use underwriters for a sale of securities, the underwriters will acquire the securities for their own accounts. The underwriters may resell the securities from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time. Unless otherwise set forth in the prospectus supplement, the obligations of the underwriters to purchase the offered securities will be subject to conditions precedent and the underwriters will be obligated to purchase all of the offered securities if any are purchased.

Dealers and agents

If dealers are used in an offering, we may sell the securities to the dealers as principals. The dealers then may resell the securities to the public at varying prices which they determine at the time of resale. The names of the dealers and the terms of the transaction will be specified in a prospectus supplement.

If agents are used in an offering, the names of the agents and the terms of the agency will be specified in a prospectus supplement. Unless otherwise indicated in a prospectus supplement, the agents will act on a best-efforts basis for the period of their appointment.

Direct sales

We may sell securities directly to one or more purchasers without using underwriters or agents.

Dealers and agents named in a prospectus supplement may be underwriters as defined in the Securities Act and any discounts or commissions they receive from us and any profit on their resale of the securities may be treated as underwriting discounts and commissions under the Securities Act. We will identify in the applicable prospectus supplement any underwriters, dealers or agents and will describe their compensation. We may have agreements with the underwriters, dealers and agents to indemnify them against specified civil liabilities, including liabilities under the Securities Act. The terms of any indemnification provisions will be set forth in a prospectus supplement. Certain underwriters, dealers or agents and their associates may engage in transactions with, and perform services for us in the ordinary course of business.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form 424B5

If so indicated in a prospectus supplement, we will authorize underwriters or other persons acting as our agents to solicit offers by institutional investors to purchase securities pursuant to contracts providing for payment and delivery on a future date. We may enter contracts with commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and other institutional investors. The obligations of any institutional investor will be subject to the condition that its purchase of the offered securities will not be illegal at the time of delivery. The underwriters and other agents will not be responsible for the validity or performance of contracts.

At-the-market offerings

We may also sell the securities offered by any applicable prospectus supplement in "at-the-market offerings" within the meaning of Rule 415(a)(4) of the Securities Act, to or through a market maker or into an existing trading market, on an exchange or otherwise.

Trading markets and listing of securities

Unless otherwise specified in the applicable prospectus supplement, each class or series of securities will be a new issue with no established trading market, other than our common shares, which are listed on the NYSE. We may elect to list any other class or series of securities on any exchange, but we are not obligated to do so. It is possible that one or more underwriters may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities.

Stabilization activities

In connection with an offering, an underwriter may purchase and sell securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in the offering. "Covered" short sales are sales made in an amount not greater than the underwriters' option to purchase additional securities, if any, from us in the offering. If the underwriters have an over-allotment option to purchase additional securities from us, the underwriters may close out any covered short position by either exercising their over-allotment option or purchasing securities in the open market. In determining the source of securities to close out the covered short position, the underwriters may consider, among other things, the price of securities available for purchase in the open market as compared to the price at which they may purchase securities through the over-allotment option. "Naked" short sales are any sales in excess of such option or where the underwriters do not have an over-allotment option. The underwriters must close out any naked short position by purchasing securities in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the securities in the open market after pricing that could adversely affect investors who purchase in the offering.

Accordingly, to cover these short sales positions or to otherwise stabilize or maintain the price of the securities, the underwriters may bid for or purchase securities in the open market and may impose penalty bids. If penalty bids are imposed, selling concessions allowed to syndicate members or other broker-dealers participating in the offering are reclaimed if securities previously distributed in the offering are repurchased, whether in connection with stabilization transactions or otherwise. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. The impositions of a penalty bid may also affect the price of the securities to the extent that it discourages resale of the securities. The magnitude or effect of any stabilization or other transactions is uncertain. These transactions may be effected on the NYSE or otherwise and, if commenced, may be discontinued at any time.

WARNING CONCERNING FORWARD LOOKING STATEMENTS

THIS PROSPECTUS AND THE INFORMATION INCORPORATED BY REFERENCE HEREIN CONTAIN STATEMENTS THAT CONSTITUTE FORWARD LOOKING STATEMENTS WITHIN THE MEANING OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995 AND OTHER SECURITIES LAWS. ALSO, WHENEVER WE USE WORDS SUCH AS "BELIEVE," "EXPECT," "ANTICIPATE," "INTEND," "PLAN," "ESTIMATE" OR SIMILAR EXPRESSIONS, WE ARE MAKING FORWARD LOOKING STATEMENTS. THESE FORWARD

LOOKING STATEMENTS ARE BASED UPON OUR PRESENT INTENT, BELIEFS OR EXPECTATIONS, BUT FORWARD LOOKING STATEMENTS ARE NOT GUARANTEED TO OCCUR AND MAY NOT OCCUR. ACTUAL RESULTS MAY DIFFER MATERIALLY FROM THOSE CONTAINED IN OR IMPLIED BY OUR FORWARD LOOKING STATEMENTS AS A RESULT OF VARIOUS FACTORS. AMONG OTHERS, THE FORWARD LOOKING STATEMENTS WHICH APPEAR IN THIS PROSPECTUS AND THE INFORMATION INCORPORATED BY REFERENCE HEREIN THAT MAY NOT OCCUR INCLUDE STATEMENTS THAT:

WE HAVE INVESTED OR EXPECT TO INVEST TO ACQUIRE AND IMPROVE OUR TRAVEL CENTERS AND CONVENIENCE STORES. WE EXPECT OUR PROPERTIES WILL PRODUCE STABILIZED FINANCIAL RESULTS SOMETIME AFTER WE MAKE THESE INVESTMENTS. THESE STATEMENTS MAY IMPLY THAT OUR EXPECTED STABILIZATION AT OUR ACQUIRED SITES IN FACT WILL BE REALIZED AND WILL RESULT IN INCREASES IN OUR OPERATING INCOME AND NET INCOME IN THE FUTURE. HOWEVER, MANY OF THE LOCATIONS WE HAVE ACQUIRED PRODUCED OPERATING RESULTS THAT CAUSED THE PRIOR OWNERS TO EXIT THESE BUSINESSES AND OUR ABILITY TO OPERATE THESE LOCATIONS PROFITABLY DEPENDS UPON MANY FACTORS, SOME OF WHICH ARE BEYOND OUR CONTROL, SUCH AS THE LEVEL OF DEMAND FOR OUR GOODS AND SERVICES ARISING FROM THE U.S. ECONOMY. ALSO, OUR FUTURE OPERATING INCOME AND NET INCOME WILL DEPEND UPON MANY FACTORS IN ADDITION TO THE RESULTS REALIZED FROM OUR ACQUIRED SITES; ACCORDINGLY, OUR FUTURE OPERATING INCOME AND NET INCOME MAY NOT INCREASE BUT INSTEAD MAY DECLINE OR WE MAY EXPERIENCE LOSSES;

WE HAVE MADE ACQUISITIONS, HAVE AGREED TO MAKE ADDITIONAL ACQUISITIONS AND INTEND TO BUILD NEW TRAVEL CENTERS ON LAND THAT WE OWN. IMPLICATIONS OF THESE STATEMENTS MAY BE THAT THESE ACQUISITIONS AND DEVELOPMENT PROJECTS WILL BE COMPLETED AND THAT THEY WILL IMPROVE OUR FUTURE PROFITABILITY. HOWEVER, OUR ACQUISITIONS ARE SUBJECT TO CONDITIONS AND MAY NOT BE COMPLETED OR MAY BE DELAYED OR THEIR COSTS AND OTHER TERMS MAY CHANGE. THERE ARE MANY FACTORS THAT MAY RESULT IN US NOT BEING ABLE TO ACQUIRE, RENOVATE AND DEVELOP ADDITIONAL LOCATIONS AT PRICES OR COSTS THAT YIELD SUFFICIENT RETURNS, INCLUDING COMPETITION FOR SUCH ACQUISITIONS FROM OTHER BUYERS, OUR INABILITY TO NEGOTIATE ACCEPTABLE PURCHASE TERMS AND THE POSSIBILITY THAT WE NEED TO USE OUR AVAILABLE FUNDS FOR OTHER PURPOSES. WE MAY DETERMINE TO DELAY OR NOT TO PROCEED WITH THE DEVELOPMENT PROJECTS. ALTHOUGH WE HAVE AGREEMENTS WITH HPT TO PURCHASE AND LONG TERM LEASE THE DEVELOPMENT PROPERTIES, HPT'S PURCHASES ARE SUBJECT TO CONDITIONS AND THOSE CONDITIONS MAY NOT BE SATISFIED. ALSO, OUR DEVELOPMENT COSTS COULD EXCEED THE MAXIMUM AMOUNT HPT HAS AGREED TO FUND. MOREOVER, MANAGING AND INTEGRATING ACQUIRED LOCATIONS AND DEVELOPMENT PROJECTS CAN BE DIFFICULT, TIME CONSUMING AND/OR MORE EXPENSIVE THAN ANTICIPATED AND IT WILL INVOLVE RISKS OF FINANCIAL LOSSES. WE MAY NOT OPERATE OUR ACQUIRED OR NEWLY DEVELOPED LOCATIONS AS PROFITABLY AS WE NOW EXPECT;

OUR GROWTH STRATEGY TO ACQUIRE ADDITIONAL LOCATIONS AND BUSINESSES AND TO OTHERWISE GROW OUR BUSINESS MAY IMPLY THAT WE

WILL BE ABLE TO IDENTIFY AND COMPLETE ADDITIONAL ACQUISITIONS, THAT WE WILL BE ABLE TO OTHERWISE GROW OUR BUSINESS AND THAT ANY ACQUISITIONS OR GROWTH INITIATIVES WE MAY MAKE OR PURSUE WILL IMPROVE OUR PROFITABILITY. HOWEVER, WE MAY NOT SUCCEED IN IDENTIFYING OR ACQUIRING OTHER PROPERTIES AND BUSINESSES OR OTHERWISE GROWING OUR BUSINESS, AND ACQUISITIONS WE MAY MAKE AND OTHER GROWTH INITIATIVES WE MAY PURSUE MAY NOT IMPROVE OUR PROFITABILITY;

WE HAVE ENTERED AGREEMENTS TO PURCHASE PROPERTIES. THESE ACQUISITIONS ARE SUBJECT TO CLOSING CONDITIONS. THESE CONDITIONS MAY NOT BE MET AND THESE TRANSACTIONS MAY NOT OCCUR, MAY BE DELAYED OR THESE TERMS MAY CHANGE;

WE CURRENTLY PLAN TO INVEST TO RENOVATE PROPERTIES ACQUIRED SINCE THE BEGINNING OF 2013 AND WE HAVE ENTERED AGREEMENTS TO ACQUIRE ADDITIONAL TRAVEL CENTERS AND CONVENIENCE STORES. AN IMPLICATION OF THESE STATEMENTS MAY BE THAT WE HAVE SUFFICIENT CAPITAL TO MAKE THE CAPITAL INVESTMENTS WE HAVE IDENTIFIED AS WELL AS OTHERS THAT WE HAVE NOT YET IDENTIFIED. HOWEVER, THERE CAN BE NO ASSURANCE THAT WE WILL HAVE SUFFICIENT FUNDING FOR FUTURE CAPITAL INVESTMENTS OR ACQUISITIONS. OUR BUSINESS REQUIRES REGULAR AND SUBSTANTIAL CAPITAL INVESTMENT IN OUR LOCATIONS. THE AMOUNT AND TIMING OF CAPITAL EXPENDITURES ARE OFTEN DIFFICULT TO PREDICT. SOME CAPITAL PROJECTS COST MORE THAN ANTICIPATED AND THE PROCEEDS FROM OUR SALES OF IMPROVEMENTS, IF ANY, TO HPT MAY BE LESS THAN ANTICIPATED. CURRENTLY UNANTICIPATED PROJECTS THAT WE MAY BE REQUIRED TO COMPLETE IN THE FUTURE, AS A RESULT OF GOVERNMENT PROGRAMS OR REGULATION, ADVANCES OR CHANGES MADE BY OUR COMPETITION, DEMANDS OF OUR CUSTOMERS OR FOR OTHER REASONS, MAY ARISE AND CAUSE US TO SPEND MORE OR LESS THAN CURRENTLY ANTICIPATED. SOME CAPITAL PROJECTS TAKE MORE TIME TO COMPLETE THAN ANTICIPATED. AS A RESULT OF MARKET CONDITIONS OR OTHER CONSIDERATIONS, WE MAY DEFER CERTAIN CAPITAL PROJECTS AND SUCH DEFERRAL MAY HARM OUR BUSINESS OR REQUIRE US TO MAKE LARGER CAPITAL EXPENDITURES IN THE FUTURE. ALSO, WE MAY BE UNABLE TO ACCESS REASONABLY PRICED CAPITAL TO FUND REQUIRED INVESTMENTS;

THESE AND OTHER UNEXPECTED RESULTS MAY BE CAUSED BY VARIOUS FACTORS, SOME OF WHICH ARE BEYOND OUR CONTROL, INCLUDING:

THE TREND TOWARDS IMPROVED FUEL EFFICIENCY OF MOTOR VEHICLE ENGINES AND OTHER FUEL CONSERVATION PRACTICES EMPLOYED BY OUR CUSTOMERS MAY CONTINUE TO REDUCE THE DEMAND FOR FUEL AND MAY ADVERSELY AFFECT OUR BUSINESS;

COMPETITION WITHIN THE TRAVEL CENTER AND CONVENIENCE STORE INDUSTRIES MAY ADVERSELY IMPACT OUR FINANCIAL RESULTS;

FUTURE INCREASES IN FUEL PRICES MAY REDUCE THE DEMAND FOR THE PRODUCTS AND SERVICES THAT WE SELL BECAUSE HIGH FUEL PRICES MAY ENCOURAGE FUEL CONSERVATION, DIRECT FREIGHT BUSINESS AWAY FROM TRUCKING OR OTHERWISE ADVERSELY AFFECT THE BUSINESS OF OUR CUSTOMERS;

FUTURE COMMODITY FUEL PRICE INCREASES, FUEL PRICE VOLATILITY OR OTHER FACTORS MAY CAUSE US TO NEED MORE WORKING CAPITAL TO MAINTAIN OUR INVENTORIES AND CARRY OUR ACCOUNTS RECEIVABLE THAN WE NOW EXPECT;

OUR SUPPLIERS MAY BE UNWILLING OR UNABLE TO MAINTAIN THE CURRENT CREDIT TERMS FOR OUR PURCHASES. IF WE ARE UNABLE TO PURCHASE GOODS ON REASONABLE CREDIT TERMS, OUR REQUIRED WORKING CAPITAL MAY INCREASE AND WE MAY INCUR MATERIAL LOSSES. ALSO, IN TIMES OF RISING FUEL AND NONFUEL PRICES, OUR SUPPLIERS MAY BE UNWILLING OR UNABLE TO INCREASE THE CREDIT AMOUNTS THEY EXTEND TO US, WHICH MAY INCREASE OUR WORKING CAPITAL REQUIREMENTS. THE AVAILABILITY AND THE TERMS OF ANY CREDIT WE MAY BE ABLE TO OBTAIN ARE UNCERTAIN;

ACQUISITIONS AND PROPERTY DEVELOPMENTS MAY SUBJECT US TO GREATER RISKS THAN OUR CONTINUING OPERATIONS, INCLUDING THE ASSUMPTION OF UNKNOWN LIABILITIES;

MOST OF OUR TRUCKING COMPANY CUSTOMERS TRANSACT BUSINESS WITH US BY USE OF FUEL CARDS, MOST OF WHICH ARE ISSUED BY THIRD PARTY FUEL CARD COMPANIES. THE FUEL CARD INDUSTRY HAS ONLY A FEW SIGNIFICANT PARTICIPANTS. FUEL CARD COMPANIES FACILITATE PAYMENTS TO US AND CHARGE US FEES FOR THESE SERVICES. COMPETITION, OR LACK THEREOF, AMONG FUEL CARD COMPANIES MAY RESULT IN FUTURE INCREASES IN OUR TRANSACTION FEE EXPENSES OR WORKING CAPITAL REQUIREMENTS, OR BOTH;

COMPLIANCE WITH, AND CHANGES TO, FEDERAL, STATE AND LOCAL LAWS AND REGULATIONS, ACCOUNTING RULES, TAX RATES, ENVIRONMENTAL REGULATIONS AND SIMILAR MATTERS MAY INCREASE OUR OPERATING COSTS AND REDUCE OR ELIMINATE OUR PROFIT;

WE ARE ROUTINELY INVOLVED IN LITIGATION. DISCOVERY AND COURT DECISIONS DURING LITIGATION OFTEN HAVE UNANTICIPATED RESULTS. LITIGATION IS USUALLY EXPENSIVE AND CAN BE DISTRACTING TO MANAGEMENT. WE CAN PROVIDE NO ASSURANCE AS TO THE OUTCOME OF ANY OF THE LITIGATION MATTERS IN WHICH WE ARE OR MAY BECOME INVOLVED;

ACTS OF TERRORISM, GEOPOLITICAL RISKS, WARS, OUTBREAKS OF SO CALLED PANDEMICS OR OTHER MANMADE OR NATURAL DISASTERS BEYOND OUR CONTROL MAY ADVERSELY AFFECT OUR FINANCIAL RESULTS; AND

ALTHOUGH WE BELIEVE THAT WE BENEFIT FROM OUR RELATIONSHIPS WITH OUR RELATED PARTIES, INCLUDING HPT, RMR, AIC AND OTHERS AFFILIATED WITH THEM, ACTUAL AND POTENTIAL CONFLICTS OF INTEREST WITH HPT, RMR, AIC AND THEIR AFFILIATED AND RELATED PARTIES MAY PRESENT A CONTRARY PERCEPTION OR RESULT IN LITIGATION.

RESULTS THAT DIFFER FROM THOSE STATED OR IMPLIED BY OUR FORWARD LOOKING STATEMENTS MAY ALSO BE CAUSED BY VARIOUS CHANGES IN OUR BUSINESS OR MARKET CONDITIONS AS DESCRIBED MORE FULLY IN THIS PROSPECTUS UNDER THE CAPTION "RISK FACTORS."

YOU SHOULD NOT PLACE UNDUE RELIANCE UPON FORWARD LOOKING STATEMENTS. EXCEPT AS REQUIRED BY LAW, WE UNDERTAKE NO OBLIGATION TO UPDATE OR REVISE ANY FORWARD LOOKING STATEMENT AS A RESULT OF NEW INFORMATION, FUTURE EVENTS OR OTHERWISE.
