Until surrendered as

contemplated by this Section 2.07(a), each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration, and any dividends or other distributions to which such holder is entitled pursuant to Section 2.07(b). No interest shall be paid on the Merger Consideration.

(b) No dividends or other distributions declared or made after the Effective Time with respect to Integrated Media Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of Integrated Media Common Stock evidenced thereby until the holder of such Certificate shall surrender such Certificate. If a holder of Dissenting Shares withdraws his demand for dissenter's rights or becomes ineligible for dissenter's rights, then, as of the Effective Time or the occurrence of such event, whichever later occurs, such holder's Dissenting Shares shall cease to be Dissenting Shares and shall be converted into and represent the right to receive the Merger Consideration.

(b) TeleChem shall permit representatives of Integrated Media to have full access at all reasonable times, and in a manner so as not to interfere with the normal business operations of TeleChem, to all premises, properties, personnel, books, records (including Tax records), contracts, and documents of or pertaining to TeleChem.

Section 5.06. Notice of Developments. TeleChem and Integrated Media will give prompt written notice to the other party of any adverse development causing a breach of any of the representations and warranties in Article 3 or 4, respectively. No disclosure by any Party pursuant to this Section 5.06, however, shall be deemed to amend or supplement the TeleChem Disclosure Schedule or the Integrated Media Disclosure Schedule, as applicable, or to prevent or cure any misrepresentation, breach of warranty, or breach of covenant.

Section 5.07. Exclusivity.

(a) Integrated Media agrees that it, prior to the Effective Time, shall not, directly or indirectly, nor shall it permit any of its subsidiaries to, nor shall it authorize or permit any director, officer, employee or agent of, or any investment banker, attorney, accountant or other advisor or representative of, Integrated Media or any of its subsidiaries (collectively, the “Integrated Media Representatives”) to, directly or indirectly through another Person, solicit, initiate, encourage, induce or facilitate the making, submission or announcement of any Acquisition Proposal, or participate in any discussions or negotiations regarding, or furnish to any Person any information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal, or approve, endorse or recommend any Acquisition Proposal, or enter into any letter of intent, agreement in principle, acquisition agreement or other document or contract contemplating or otherwise relating to an Acquisition Proposal, provided, however, that, the foregoing shall not prohibit Integrated Media from furnishing information to or entering into discussions or negotiations with, any Person that makes an unsolicited bona fide proposal to enter into a business combination with Integrated Media pursuant to an Acquisition Proposal which the board of directors of Integrated Media (or any committee thereof considering such proposal) in good faith determines is reasonably likely to be more favorable to the stockholders of Integrated Media than the transactions contemplated by this Agreement (a “Superior Proposal”), so long as:

(i) prior to furnishing any information to, or entering into discussions or negotiations with such a Person, Integrated Media provides twenty- four (24) hours’ advance written notice to TeleChem to the effect that it is furnishing information to, or entering into substantive discussions or negotiations with, a Person from whom Integrated Media shall have received an executed confidentiality agreement in form and substance satisfactory to TeleChem prior to furnishing such information;

- (ii) such notice shall include the terms and conditions of such Acquisition Proposal or any agreement proposed by, or any information supplied to, any such Person;
 - (iii) prior to furnishing any nonpublic information to any such Person, Integrated Media furnishes such nonpublic information to TeleChem (to the extent that such nonpublic information has not been previously furnished by Integrated Media to TeleChem);
 - (iv) neither Integrated Media nor any of its subsidiaries nor any of the Integrated Media Representatives shall have violated any of the restrictions set forth in this Section 5.07;
 - (v) such unsolicited bona fide proposal relating to a Superior Proposal is made by a third party that the board of directors of Integrated Media (or any committee thereof considering such proposal) determines in good faith has the good faith intent to proceed with negotiations to consider such Superior Proposal;
 - (vi) the board of directors of Integrated Media (or any committee thereof considering such proposal), after duly considering the written advice of outside legal counsel to Integrated Media, determines in good faith that such action is required for the Board of Directors of Integrated Media to comply with its fiduciary duties to stockholders imposed by applicable law; and
 - (vii) Integrated Media keeps TeleChem informed in all material respects of the status and terms of any such negotiations or discussions (including without limitation the identity of the Person with whom such negotiations or discussions are being held) and provides TeleChem copies of such written proposals and any amendments or revisions thereto or correspondence related thereto.
- (b) Integrated Media shall notify TeleChem orally and in writing of the fact that it has received inquiries, offers or proposals that it reasonably believes to be bona fide with respect to an Acquisition Proposal within twenty-four (24) hours after the receipt thereof. Integrated Media will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any other Person that have been conducted heretofore with respect to a potential Acquisition Proposal. Integrated Media agrees to inform the Integrated Media Representatives of the obligations undertaken in this Section 5.07; provided, however, that nothing contained in this Agreement shall prevent the board of directors of Integrated Media from referring any third-party to this Section 5.07.
-

(c) Integrated Media agrees not to release or permit the release of any Person from, or to waive or permit the waiver of any provision of, any confidentiality, “standstill” or similar agreement to which Integrated Media or any of its subsidiaries is a party, and will use its best efforts to enforce or cause to be enforced each such agreement at the request of TeleChem.

(d) Except as expressly permitted by this Section 5.07, neither the board of directors of Integrated Media nor any committee thereof shall (A) withdraw, modify or change, or propose publicly to withdraw, modify or change, in a manner adverse to TeleChem, the approval by such board of directors or such committee of the board of directors, approving or taking such action with respect to the Merger or this Agreement, (B) approve or recommend, or propose publicly to approve or recommend, any Superior Proposal or (C) cause Integrated Media to enter into any letter of intent, agreement in principle, acquisition agreement or other similar agreement (each, an “Acquisition Agreement”) related to any Acquisition Proposal. Notwithstanding the foregoing, in the event that the Board of Directors of Integrated Media (or any committee thereof considering an Acquisition Proposal) determines in good faith, after consultation with outside counsel, that in light of a Superior Proposal it is necessary to do so in order to act in a manner consistent with its fiduciary duties to the stockholders of Integrated Media under applicable law, the board of directors of Integrated Media may (subject to this and the following sentences) withdraw, modify or change its recommendation of the Merger, but only after twenty-four (24) hours following TeleChem’s receipt of written notice advising TeleChem that the board of directors of Integrated Media is prepared to do so, and only if, during such twenty-four (24) hour period, Integrated Media and its advisors shall have negotiated in good faith with TeleChem to make such adjustments in the terms and conditions of this Agreement as would enable TeleChem to proceed with the transactions contemplated herein on such adjusted terms.

(e) Nothing contained in this Section 5.07 shall prohibit Integrated Media from taking and disclosing to its stockholders a position contemplated by Rules 14d-9 and/or 14e-2(a) promulgated under the Exchange Act or from making any disclosure to the stockholders of Integrated Media if, in the good faith judgment of the board of directors of Integrated Media, after consultation with outside counsel, failure so to disclose would be inconsistent with its obligations under applicable law.

For purposes of this Section 5.07, “Acquisition Proposal” means any offer or proposal for (whether or not in writing and whether or not delivered to the stockholders of Integrated Media generally), from any Person relating to any (a) direct or indirect acquisition or purchase of assets (x) that constitute 15% or more of the assets of Integrated Media and its subsidiaries taken as a whole or (y) for which 15% or more of the net revenues or net income of Integrated Media and its subsidiaries taken as a whole are attributable, (b) direct or indirect acquisition or purchase of 15% or more of any class of equity securities of Integrated Media or any of its subsidiaries whose business constitutes 15% or more of the net revenues, net income or assets of Integrated Media and its subsidiaries, taken as a whole, (c) tender offer or exchange offer that if consummated would result in any Person beneficially owning 15% more of any class of equity securities of Integrated Media or any of its subsidiaries whose business constitutes 15% or more of the net revenues, net income or assets of Integrated Media and its subsidiaries, taken as a whole, or (d) merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Integrated Media or any of its subsidiaries whose business constitutes 15% or more of the net revenues, net income or assets of Integrated Media and its subsidiaries, taken as a whole, other than the transactions contemplated by this Agreement.

Section 5.08. Filing of Current Report on Form 8-K. Promptly after execution of this Agreement, Integrated Media shall file, if required or permitted under the Exchange Act, a Current Report on Form 8-K (“8-K”) with the SEC to report the Merger and terms thereof.

Section 5.09. Information Statement. Integrated Media, with the cooperation and assistance of TeleChem and its counsel, will prepare and distribute to the holders of Integrated Media Common Stock Information Statement describing the Merger.

Such resolution shall set forth the name of the applicable “insiders” for purposes of Section 16 of the Exchange Act, the number of securities to be acquired by each individual, that the approval is being granted to exempt the transaction under Rule 16b-3 under the Exchange Act, and, for the options and warrants of TeleChem to be assumed by Integrated Media at the Effective Time, the material terms of the options and warrants to purchase Integrated Media Common Stock acquired by such insiders as a result of the assumption by Integrated Media of such options and warrants.

Section 5.11. Integrated Media Reincorporation from Delaware to Nevada. On or before the Effective Time Integrated Media will change its jurisdiction of organization from the State of Delaware to the State of Nevada.

Section 5.12. Confidentiality. Each of Integrated Media and its subsidiaries agrees that, until the earlier of (i) two years from the date of this Agreement and (ii) the Effective Time:

- (a) each of Integrated Media and its subsidiaries will treat and hold as such all of the Confidential Information, refrain from using any of the Confidential Information except in connection with this Agreement, and deliver promptly to TeleChem or destroy, at the request and option of TeleChem, all tangible embodiments (and all copies) of the Confidential Information, including in electric or magnetic form, which are in his, her or its possession;
 - (b) in the event that any of Integrated Media and its subsidiaries is requested or required (by oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand, or similar process) to disclose any Confidential Information, that Integrated Media and its subsidiaries will notify TeleChem promptly of the request or requirement so that TeleChem may seek an appropriate protective order or waive compliance with the provisions of this Section 5.12; and
 - (c) if, in the absence of a protective order or the receipt of a waiver hereunder, any of Integrated Media or its subsidiaries is, on the advice of counsel, compelled to disclose any Confidential Information to any tribunal or else stand liable for contempt, that Integrated Media or its subsidiaries may disclose the Confidential Information to the tribunal; provided, however, that the disclosing party shall use his, her or its reasonable best efforts to obtain, at the reasonable request of TeleChem, an order or other assurance that confidential treatment will be accorded to such portion of the Confidential Information required to be disclosed as TeleChem shall designate.

AMENDMENT TO

AGREEMENT AND PLAN OF MERGER

This AMENDMENT TO AGREEMENT AND PLAN OF MERGER (“Agreement”) is entered into as of February 11, 2008, by and among Integrated Media Holdings, Inc., a Delaware corporation (“Integrated Media”), TeleChem International, Inc., a Delaware corporation (“TeleChem”), Rene’ A. Integrated Media, TeleChem, Endavo, Merger Sub and Shareholders are referred to collectively herein as the “Parties.”

R E C I T A L S:

As of the 5th day of February, 2008 the Parties entered into an Agreement and Plan of Merger (the “Plan”) whereby Merger Sub, upon the terms and subject to the conditions of the Plan and in accordance with the applicable sections of the Nevada Revised Statutes (“Nevada Law”) and General Corporation Law of Delaware (“Delaware Law”), will merge with and into TeleChem (the “Merger”). Simultaneously with the merger of Merger Sub with and into TeleChem, the Shareholders will exchange their TeleChem Shares for shares of the common stock of Integrated Media. Integrated Media will divest its wholly-owned subsidiary, Endavo and Integrated Media will change its domicile from Delaware to Nevada.

Pursuant to the terms of the Plan, the Shareholders will be issued approximately 73.50% of the issued and outstanding shares immediately after the issuance. The Plan contemplates that there will be a sufficient number of authorized and unissued Integrated Media common stock after: (i) reincorporation to Nevada and governance by the Nevada Articles, (ii) completion of the reverse split of the outstanding Integrated Media common stock, (iii) conversion of all outstanding shares of convertible preferred stock, and (iv) conversion of all outstanding notes, bonds and debentures.

As a result, the Merger may not be consummated until 20 days after the Form 14C is mailed to the Integrated Media shareholders. As presently filed with the Securities and Exchange Commission, the 14C cannot be mailed any earlier than February 17, 2008.

However, the Parties desire to transfer control to the Shareholders and change the board of directors of Integrated Media to the Shareholders on or about February 21, 2008.

Pursuant to Section 2.11 of the Plan, Integrated Media will transfer all of its interest in Endavo to Paul D. Hamm in exchange for the cancellation of 1,750,000 common stock purchase options owned by Mr. Hamm. The Parties desire

Integrated Media to also transfer all of its interest in Bidchaser, Inc. to Paul D. Hamm without any consideration.

THEREFORE, the Parties agree to amend the Plan as follows:

The Merger will be completed in two steps. The first step on or about February 21, 2008 by the issuance of 100,000 shares of preferred stock to the Shareholders in the proportions set out on Exhibit A to the Plan that is convertible upon completion of the second step of the Merger into 35,000,000 shares (73.50%) of the common stock to the in exchange for 100% of the equity interests of TeleChem. The terms of the preferred stock will, be substantially conform to the designations attached as Exhibit A. After completion of the first step of the Merger, TeleChem will be a wholly-owned subsidiary of Integrated Media and the present Shareholders will own approximately 73.5% of the outstanding equity interest and voting rights of the parent company, Integrated Media.

The second step will be completed after: (i) reincorporation to Nevada and governance by the Nevada Articles, (ii) completion of the reverse split of the outstanding Integrated Media common stock, (iii) conversion of all outstanding shares of convertible preferred stock, and (iv) conversion of all outstanding notes, bonds and debentures.

Section 2.11 of the Plan is amended to include the transfer of all the interest of Integrated Media in Bidchaser, Inc. to the same person and for the same consideration as the transfer of Endavo.

Integrated Media will adopt the assumed name ArrayIt Company upon completion of the first step of the Merger.

All of the remaining terms and conditions of the Plan shall be in full force and effect as originally written.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first above written.

General Corporation Law of the State of Delaware

INTEGRATED MEDIA HOLDINGS, INC., a corporation organized and existing under the laws of the State of Delaware (the “Corporation”), does hereby certify that, pursuant to the authority conferred on its board of directors (the “Board of Directors”) by its Certificate of incorporation (the “Certificate of Incorporation”), as amended, and in accordance with Section 151 of the General Corporation Law of the State of Delaware, the Board of Directors (or, as to certain matters allowed by law, a duly authorized committee thereof) adopted the following resolution establishing a series of 100,000 shares of Preferred Stock of the Corporation designated as “Series C Preferred Stock.”

RESOLVED, that pursuant to the authority conferred on the Board of Directors of this Corporation (the “Corporation”) by the Certificate of Incorporation, a series of Preferred Stock, \$.001 par value, of the Corporation be and hereby is established and created, and that the designation and number of shares thereof and the voting and other powers, preferences and relative, participating, optional or other rights of the shares of such Series C and the qualifications, limitations and restrictions thereof are as follows:

Convertible Preferred Stock

1. DESIGNATION. This series of Preferred Stock shall be designated “Series C Convertible Preferred Stock” (the “SERIES C PREFERRED STOCK”).
 2. NUMBER OF SHARES AND PAR VALUE. The number of shares constituting the Series C Preferred Stock shall be equal to 100,000. Each share of the Series C Preferred Stock shall have \$.001 par value.
-

3. **RELATIVE SENIORITY.** The Series C Preferred Stock shall, in respect of the right to participate in distributions or payments in the event of any liquidation, dissolution or winding up of the Corporation, rank (a) *pari passu* with the Common Stock (as defined below) of the Corporation and with any other class or series of stock of the Corporation, the terms of which specifically provide that such class or series shall rank *pari passu* with the Series C Preferred Stock in respect of the right to participate in distributions or payments in the event of any liquidation, dissolution or winding up of the Corporation; and (b) junior to any other class or series of stock of the Corporation, the terms of which specifically provide that such class or series shall rank senior to the Series C Preferred Stock in respect of the right to participate in distributions or payments in the event of any liquidation, dissolution or winding up of the Corporation. The term “COMMON STOCK” shall mean all shares now or hereafter authorized of any class of common stock of the Corporation.

4. **NO LIQUIDATION PREFERENCE.** In the event of any voluntary or involuntary liquidation, dissolution, or winding-up of the Corporation, after distribution in full of the preferential amounts, if any, to be distributed to the holders of shares of any series of Preferred Stock, having a priority on liquidation superior to that of the Series C Preferred Stock, the holders of shares of Series C Preferred Stock shall be entitled to participate with the Common Stock in all of the remaining assets of the Corporation available for distribution to its stockholders, ratably with the holders of Common Stock in proportion to the number of shares of Common Stock held by them, assuming for each holder of Series C Preferred Stock on the record date for such distribution that each holder was the holder of record of the number (including any fraction) of shares of Common Stock into which the shares of Series C Preferred Stock then held by such holder are then convertible. A liquidation, dissolution, or winding-up of the Corporation, as such terms are used in this Section 4, shall not be deemed to be occasioned by or to include any merger of the Corporation with or into one or more corporations or other entities, any acquisition or exchange of the outstanding shares of one or more classes or series of the Corporation, or any sale, lease, exchange, or other disposition of all or a part of the assets of the Corporation.

5. **VOTING RIGHTS.** Except as otherwise required by law, each share of outstanding Series C Preferred Stock shall entitle the holder thereof to vote on each matter submitted to a vote of the stockholders of the Corporation and to have the number of votes equal to the number (including any fraction) of shares of Common Stock into which such share of Series C Preferred Stock is then convertible pursuant to the provisions hereof at the record date for the determination of shareholders entitled to vote on such matters or, if no such record date is established, at the date such vote is taken or any written consent of stockholders becomes effective. Except as otherwise required by law or by this Certificate, the holders of shares of Common Stock and Series C Preferred Stock shall vote together and not as separate classes.

6. **DIVIDENDS AND DISTRIBUTIONS.** If any dividend or other distribution payable in cash, securities or other property, including a dividend payable in shares of Common Stock, is declared on the Common Stock, each holder of shares of Series C Preferred Stock on the record date for such dividend or distribution shall be entitled to receive on the date of payment or distribution of such dividend or other distribution the same cash, securities or other property which such holder would have received on such record date if such holder was the holder of record of the number (including any fraction) of shares of Common Stock into which the shares of Series C Preferred Stock then held by such holder are then convertible. No dividend or other distribution shall be declared or paid on the Common Stock unless an equivalent dividend or other distribution that satisfies this Section 6 is declared or paid on the Series C Preferred Stock.

7. **CONVERSION.** The holders of the Series C Preferred Stock shall have conversion rights as follows:

- (a) **Optional Conversion.** The holder of each share of Series C Preferred Stock shall have the right (the “CONVERSION RIGHT”), at such holder’s option, to convert such share at any time, without cost, on the terms of this Section 7, into the number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio that is in effect at the time of conversion; provided that, and only to the extent that, the Corporation has a sufficient number of shares of authorized but unissued and unreserved Common Stock available to issue upon conversion. The initial “CONVERSION RATIO” for the Series C Preferred Stock is 350:1. The Conversion Ratio shall be subject to adjustment from time to time as provided in this Section 7.
 - (b) **Mandatory Conversion.** Upon the occurrence of an Increase in Authorized Common Stock, each outstanding share of Series C Preferred Stock shall automatically be converted, without cost, on the terms set forth in this Section into the number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio that is in effect at the time of conversion. An “INCREASE IN AUTHORIZED COMMON STOCK” shall be deemed to occur upon either (i) effectiveness of a filing in the office of the Secretary of State of Delaware, or such other state in which the Corporation is legally domiciled, of an amendment to (or amendment and restatement of) the Articles of Incorporation or other charter document of the Corporation that increases the number of authorized shares of Common Stock to a sufficient number (after taking into account all shares reserved for issuance by the Board of Directors) so as to enable the conversion of all outstanding shares of Series C Preferred Stock into such number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio then in effect, or (ii) the effective date of any other corporate action that enables the conversion of all outstanding shares of Series C Preferred Stock into such number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio then in effect.

(c)

Mechanics of Conversion.

(i) Optional Conversion. A holder of any share of Series C Preferred Stock may exercise the Conversion Right of such share by surrendering the certificate therefor, duly endorsed, at the office of the Corporation or of any transfer agent for the Series C Preferred Stock, together with a written notice to the Corporation which shall state: (A) that such holder elects to convert the same; and (B) the number of shares of Series C Preferred Stock being converted. Thereupon the Corporation shall promptly issue and deliver to the holder of such shares a certificate or certificates for the number of whole shares of Common Stock to which such holder shall be entitled. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then fair market value (as determined in good faith by the Board of Directors of the Corporation) of the Common Stock. If the certificate evidencing the Series C Preferred Stock being converted shall also evidence shares of Series C Preferred Stock not being converted, then the Corporation shall also deliver to the holder of such certificate a new stock certificate evidencing the Series C Preferred Stock not converted. The conversion of any shares of Series C Preferred Stock shall be deemed to have been made immediately prior to the close of business on the date that the shares of Series C Preferred Stock to be converted are surrendered to the Corporation, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date. Any dividends or distributions declared but unpaid at the time of conversion with respect to the Series C Preferred Stock so converted, including any dividends declared on the Common Stock to which the Series C Preferred Stock is entitled pursuant to Section 6 above, shall be paid to the holder of Common Stock issued upon conversion of the Series C Preferred Stock upon the payment date therefore.

The Corporation shall give written notice to each holder of a share of Series C Preferred Stock promptly upon the liquidation, dissolution or winding up of the Corporation, and not more than fifty (50) nor less than twenty (20) days before the anticipated date of consummation of any acquisition of the Corporation or any sale of all or substantially all of the assets of the Corporation and no such acquisition of the Corporation or sale of assets shall be effective until such notice shall have been given.

(ii) Mandatory Conversion. The Corporation shall give written notice to each holder of a share of Series C Preferred Stock within ten (10) days after the effectiveness of an Increase in Authorized Common Stock. Following the conversion of such shares, each holder of shares so converted may surrender the certificate therefor at the office of the Corporation or any transfer agent for the Series C Preferred Stock. Upon such surrender, the Corporation shall issue and deliver to each holder a certificate or certificates for the number of whole shares of Common Stock to which such holder is entitled. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then fair market value (as determined in good faith by the Board of Directors of the Corporation) of the Common Stock.

The conversion of shares of Series C Preferred Stock shall be effective simultaneously with the effectiveness of an Increase in Authorized Common Stock, whether or not the certificates representing such shares of Series C Preferred Stock shall have been surrendered or new certificates representing the shares of Common Stock into which such shares have been converted shall have been issued and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date. Any dividends or distributions declared but unpaid at the time of a mandatory conversion with respect to the Series C Preferred Stock so converted, including any dividends declared on the Common Stock to which the Series C Preferred Stock is entitled pursuant to Section 6 above, shall be paid on the payment date therefore.

(d) Adjustment of Conversion Ratio. The Conversion Ratio for each share of Series C Preferred Stock and the kind of securities issuable upon the conversion of any share of Series C Preferred Stock shall be adjusted from time to time as follows:

(i) Subdivision or Combination of Shares. If the Corporation at any time effects an increase in the number of outstanding shares of Common Stock by subdivision, the Conversion Ratio shall be increased in the same proportions as the Common Stock is subdivided, in each case effective automatically upon, and simultaneously with, the effectiveness of the subdivision which gives rise to the adjustment. If the Corporation at any time effects a decrease in the number of outstanding shares of Common Stock by combination the Conversion shall remain the same and unchanged.

(ii) Reclassification, Consolidation or Merger. If at any time, as a result of (A) a capital reorganization or reclassification (other than a subdivision or combination which gives rise to an adjustment of the Conversion Ratio pursuant to Section 7(d)(i)); or (B) a merger or consolidation of the Corporation with another corporation (whether or not the Corporation is the surviving corporation), the Common Stock issuable upon the conversion of the Series C Preferred Stock shall be changed into or exchanged for the same or a different number of shares of any class or classes of stock of the Corporation or any other corporation, or other securities convertible into such shares, then, as a part of such reorganization, reclassification, merger or consolidation, appropriate adjustments shall be made in the terms of the Series C Preferred Stock (or of any securities into which the Series C Preferred Stock is changed or for which the Series C Preferred Stock is exchanged), so that: (x) the holders of Series C Preferred Stock or of such substitute securities shall thereafter be entitled to receive, upon conversion of the Series C Preferred Stock or of such substitute securities, the kind and amount of shares of stock, other securities, money and property which such holders would have received at the time of such capital reorganization, reclassification, merger, or consolidation, if such holders had converted their Series C Preferred Stock immediately prior to such capital reorganization, reclassification, merger, or consolidation, and (y) the Series C Preferred Stock or such substitute securities shall thereafter be adjusted on terms as nearly equivalent as may be practicable to the adjustments theretofore provided in this Section 7(d). No consolidation or merger in which the Corporation is not the surviving corporation shall be consummated unless the surviving corporation shall agree, in writing, to the provisions of this Section 7(d)(ii). The provisions of this Section 7(d)(ii) shall similarly apply to successive capital reorganizations, reclassifications, mergers, and consolidations.

(iii) Other Action Affecting Common Stock. If at any time the Corporation takes any action affecting its Common Stock which, in the opinion of the Board of Directors of the Corporation, would have an adverse effect upon the Conversion Rights of the Series C Preferred Stock and the foregoing conversion ratio adjustment provisions are not strictly applicable but the failure to make any adjustment would adversely affect the Conversion Rights, then the Conversion Ratio and the kind of securities issuable upon the conversion of Series C Preferred Stock shall be adjusted to preserve, without dilution, the Conversion Rights in such manner and at such time as the Board of Directors of the Corporation may in good faith determine to be equitable in the circumstances.

(iv) Notice of Adjustments. Whenever the Conversion Ratio or the kind of securities issuable upon the conversion of any one of or all of the Series C Preferred Stock shall be adjusted pursuant to Sections 7(d)(i) - (iii) above, the Corporation shall make a certificate signed by its Chief Financial Officer, Secretary or Assistant Secretary, setting forth, in reasonable detail, the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated (including a description of the basis on which the Board of Directors of the Corporation made any determination hereunder), and the Conversion Ratio and the kind of securities issuable upon the conversion of the Series C Preferred Stock after giving effect to such adjustment, and shall cause copies of such certificate to be mailed (by first class mail postage prepaid) to each holder of Series C Preferred Stock promptly after each adjustment.

(e) Full Consideration. All shares of Common Stock which shall be issued upon the conversion of any Series C Preferred Stock (which is itself fully paid and non-assessable) will, upon issuance, be fully paid and non-assessable. The Corporation will pay such amounts and will take such other action as may be necessary from time to time so that all shares of Common Stock which shall be issued upon the conversion of any Series C Preferred Stock will, upon issuance and without cost to the recipient, be free from all pre-emptive rights, taxes, liens and charges with respect to the issue thereof.

(f) No Impairment. The Corporation will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation but will at all times in good faith assist in the carrying out of all the provisions of this Section 7 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series C Preferred Stock against impairment.

(g) Cancellation of Series C Preferred Stock. No share of Series C Preferred Stock acquired by the Corporation upon conversion, redemption or purchase shall be reissued and all such shares shall be canceled, retired and returned to the status of authorized and unissued shares of undesignated preferred stock. The Corporation may take such appropriate corporate action to reduce the authorized number of Series C Preferred Stock accordingly.

8. PROTECTIVE PROVISIONS. In addition to any other rights provided by law, so long as at least one share of Series C Preferred Stock is outstanding, the Corporation shall not, without first obtaining the affirmative vote or written consent of the holders of not less than a majority of the outstanding shares of the Series C Preferred Stock voting together as a single class:

(a) amend or repeal any provision of the Corporation's Articles of Incorporation, Bylaws or this Certificate of Designation if such action would materially and adversely alter or change the preferences, rights, privileges or powers of, or the restrictions provided for the benefit of, the Series C Preferred Stock;

(b) increase or decrease (other than by conversion) the total number of authorized shares of Series C Preferred Stock;

(c) create or issue any series or class, reclassify any authorized capital stock of the Corporation into stock of any series or class, increase the authorized or issued amount of any class or series of stock, or authorize, create, issue or reclassify any obligation or security convertible or exchangeable into or evidencing a right to purchase capital stock of any class or series, that ranks prior to the Series C Preferred Stock as to dividends or rights upon liquidation, dissolution or winding up;

(d) issue any Common Stock after the date on which Series C Preferred Stock has been last issued and sold, whether or not subsequently reacquired or retired by the Corporation, for a consideration per share less than fair market value of the Common Stock (as determined in good faith by the Board of Directors of the Corporation) at such issuance or deemed issuance other than: (1) shares of Common Stock issued in transactions giving rise to adjustments under Sections 7(d)(i) or (ii) above, (2) shares of Common Stock issued upon conversion of shares of Series C Preferred Stock, or (3) shares issued upon the conversion of Convertible Securities (as defined below) if the issuance of such Convertible Securities did not violate Section 8(e) below;

(e) issue any Convertible Securities with respect to which the Effective Price is less than the fair market value of the Common Stock (as determined in good faith by the Board of Directors of the Corporation), at such issuance or deemed issuance. "CONVERTIBLE SECURITIES" means all rights or options for the purchase of, or stock or other securities convertible into, Common Stock (other than Common Stock issued for the purposes set forth in Sections 8(d)(1) or (2) above) or other Convertible Securities, whenever and each time issued. The "EFFECTIVE PRICE" with respect to any Convertible Securities means the result of dividing: (1) the sum of (x) the total consideration, if any, received by the Corporation for the issuance of such Convertible Securities, plus (y) the minimum consideration, if any, payable to the Corporation upon exercise or conversion of such Convertible Securities (assuming that the full amount of securities issuable upon exercise or conversion are issued), plus (z) the minimum consideration, if any, payable to the Corporation upon exercise or conversion of any Convertible Securities issuable upon exercise or conversion of such Convertible Securities, by: (2) the maximum number of Common Stock (other than Common Stock issued for the purposes set forth in Sections 8(d)(1) or (2) above) issuable upon exercise or conversion of such Convertible Securities or of any Convertible Securities issuable upon exercise or conversion of such Convertible Securities; or

(f) sell, convey, or otherwise dispose of or encumber all or substantially all of its property or business or merge or consolidate with any other corporation (other than a wholly-owned subsidiary corporation) or effect any transaction or series of related transactions in which more than fifty percent (50%) of the voting power of the Corporation is disposed of.

9. SEVERABILITY OF PROVISIONS. If any voting powers, preferences and relative, participating, optional and other special rights of the Series C Preferred Stock and qualifications, limitations and restrictions thereof set forth in this resolution (as such resolution may be amended from time to time) is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other voting powers, preferences and relative, participating, optional and other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof set forth in this resolution (as so amended) which can be given effect without the invalid, unlawful or unenforceable voting powers, preferences and relative, participating, optional and other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof shall, nevertheless, remain in full force and effect, and no voting powers, preferences and relative, participating, optional or other special rights of Series C Preferred Stock and qualifications, limitations, and restrictions thereof herein set forth shall be deemed dependent upon any other such voting powers, preferences and relative, participating, optional or other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof unless so expressed herein.

CERTIFICATE OF DESIGNATIONS

OF THE

SERIES C CONVERTIBLE PREFERRED STOCK,

LIQUIDATION PREFERENCE \$.001 PER SHARE

Pursuant to Section 151 of the

General Corporation Law of the State of Delaware

INTEGRATED MEDIA HOLDINGS, INC., a corporation organized and existing under the laws of the State of Delaware (the “Corporation”), does hereby certify that, pursuant to the authority conferred on its board of directors (the “Board of Directors”) by its Certificate of incorporation (the “Certificate of Incorporation”), as amended, and in accordance with Section 151 of the General Corporation Law of the State of Delaware, the Board of Directors (or, as to certain matters allowed by law, a duly authorized committee thereof) adopted the following resolution establishing a series of 100,000 shares of Preferred Stock of the Corporation designated as “Series C Preferred Stock.”

RESOLVED, that pursuant to the authority conferred on the Board of Directors of this Corporation (the “Corporation”) by the Certificate of Incorporation, a series of Preferred Stock, \$.001 par value, of the Corporation be and hereby is established and created, and that the designation and number of shares thereof and the voting and other powers, preferences and relative, participating, optional or other rights of the shares of such Series C and the qualifications, limitations and restrictions thereof are as follows:

Convertible Preferred Stock

1. **DESIGNATION.** This series of Preferred Stock shall be designated “Series C Convertible Preferred Stock” (the “SERIES C PREFERRED STOCK”).
 2. **NUMBER OF SHARES AND PAR VALUE.** The number of shares constituting the Series C Preferred Stock shall be equal to 100,000. Each share of the Series C Preferred Stock shall have \$.001 par value.
 3. **RELATIVE SENIORITY.** The Series C Preferred Stock shall, in respect of the right to participate in distributions or payments in the event of any liquidation, dissolution or winding up of the Corporation, rank (a) *pari passu* with the Common Stock (as defined below) of the Corporation and with any other class or series of stock of the Corporation, the terms of which specifically provide that such class or series shall rank *pari passu* with the Series C Preferred Stock in respect of the right to participate in distributions or payments in the event of any liquidation, dissolution or winding up of the Corporation; and (b) junior to any other class or series of stock of the Corporation, the terms of which specifically provide that such class or series shall rank senior to the Series C Preferred Stock in respect of the right to participate in distributions or payments in the event of any liquidation, dissolution or winding up of the Corporation. The term “COMMON STOCK” shall mean all shares now or hereafter authorized of any class of common stock of the Corporation.
 4. **NO LIQUIDATION PREFERENCE.** In the event of any voluntary or involuntary liquidation, dissolution, or winding-up of the Corporation, after distribution in full of the preferential amounts, if any, to be distributed to the holders of shares of any series of Preferred Stock, having a priority on liquidation superior to that of the Series C Preferred Stock, the holders of shares of Series C Preferred Stock shall be entitled to participate with the Common Stock in all of the remaining assets of the Corporation available for distribution to its stockholders, ratably with the holders of Common Stock in proportion to the number of shares of Common Stock held by them, assuming for each holder of Series C Preferred Stock on the record date for such distribution that each holder was the holder of record of the number (including any fraction) of shares of Common Stock into which the shares of Series C Preferred Stock then held by such holder are then convertible. A liquidation, dissolution, or winding-up of the Corporation, as such terms are used in this Section 4, shall not be deemed to be occasioned by or to include any merger of the Corporation with or into one or more corporations or other entities, any acquisition or exchange of the outstanding shares of one or more classes or series of the Corporation, or any sale, lease, exchange, or other disposition of all or a part of the assets of the Corporation.
-

5. VOTING RIGHTS. Except as otherwise required by law, each share of outstanding Series C Preferred Stock shall entitle the holder thereof to vote on each matter submitted to a vote of the stockholders of the Corporation and to have the number of votes equal to the number (including any fraction) of shares of Common Stock into which such share of Series C Preferred Stock is then convertible pursuant to the provisions hereof at the record date for the determination of shareholders entitled to vote on such matters or, if no such record date is established, at the date such vote is taken or any written consent of stockholders becomes effective. Except as otherwise required by law or by this Certificate, the holders of shares of Common Stock and Series C Preferred Stock shall vote together and not as separate classes.

6. DIVIDENDS AND DISTRIBUTIONS. If any dividend or other distribution payable in cash, securities or other property, including a dividend payable in shares of Common Stock, is declared on the Common Stock, each holder of shares of Series C Preferred Stock on the record date for such dividend or distribution shall be entitled to receive on the date of payment or distribution of such dividend or other distribution the same cash, securities or other property which such holder would have received on such record date if such holder was the holder of record of the number (including any fraction) of shares of Common Stock into which the shares of Series C Preferred Stock then held by such holder are then convertible. No dividend or other distribution shall be declared or paid on the Common Stock unless an equivalent dividend or other distribution that satisfies this Section 6 is declared or paid on the Series C Preferred Stock.

7. CONVERSION. The holders of the Series C Preferred Stock shall have conversion rights as follows:

(a) Optional Conversion. The holder of each share of Series C Preferred Stock shall have the right (the "CONVERSION RIGHT"), at such holder's option, to convert such share at any time, without cost, on the terms of this Section 7, into the number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio that is in effect at the time of conversion; provided that, and only to the extent that, the Corporation has a sufficient number of shares of authorized but unissued and unreserved Common Stock available to issue upon conversion. The initial "CONVERSION RATIO" for the Series C Preferred Stock is 350:1. The Conversion Ratio shall be subject to adjustment from time to time as provided in this Section 7.

(b)Mandatory Conversion. Upon the occurrence of an Increase in Authorized Common Stock, each outstanding share of Series C Preferred Stock shall automatically be converted, without cost, on the terms set forth in this Section into the number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio that is in effect at the time of conversion. An “INCREASE IN AUTHORIZED COMMON STOCK” shall be deemed to occur upon either (i) effectiveness of a filing in the office of the Secretary of State of Delaware, or such other state in which the Corporation is legally domiciled, of an amendment to (or amendment and restatement of) the Articles of Incorporation or other charter document of the Corporation that increases the number of authorized shares of Common Stock to a sufficient number (after taking into account all shares reserved for issuance by the Board of Directors) so as to enable the conversion of all outstanding shares of Series C Preferred Stock into such number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio then in effect, or (ii) the effective date of any other corporate action that enables the conversion of all outstanding shares of Series C Preferred Stock into such number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio then in effect.

(c) Mechanics of Conversion.

(i)Optional Conversion. A holder of any share of Series C Preferred Stock may exercise the Conversion Right of such share by surrendering the certificate therefor, duly endorsed, at the office of the Corporation or of any transfer agent for the Series C Preferred Stock, together with a written notice to the Corporation which shall state: (A) that such holder elects to convert the same; and (B) the number of shares of Series C Preferred Stock being converted. Thereupon the Corporation shall promptly issue and deliver to the holder of such shares a certificate or certificates for the number of whole shares of Common Stock to which such holder shall be entitled. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then fair market value (as determined in good faith by the Board of Directors of the Corporation) of the Common Stock. If the certificate evidencing the Series C Preferred Stock being converted shall also evidence shares of Series C Preferred Stock not being converted, then the Corporation shall also deliver to the holder of such certificate a new stock certificate evidencing the Series C Preferred Stock not converted. The conversion of any shares of Series C Preferred Stock shall be deemed to have been made immediately prior to the close of business on the date that the shares of Series C Preferred Stock to be converted are surrendered to the Corporation, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date. Any dividends or distributions declared but unpaid at the time of conversion with respect to the Series C Preferred Stock so converted, including any dividends declared on the Common Stock to which the Series C Preferred Stock is entitled pursuant to Section 6 above, shall be paid to the holder of Common Stock issued upon conversion of the Series C Preferred Stock upon the payment date therefore.

The Corporation shall give written notice to each holder of a share of Series C Preferred Stock promptly upon the liquidation, dissolution or winding up of the Corporation, and not more than fifty (50) nor less than twenty (20) days before the anticipated date of consummation of any acquisition of the Corporation or any sale of all or substantially all of the assets of the Corporation and no such acquisition of the Corporation or sale of assets shall be effective until such notice shall have been given.

(ii) **Mandatory Conversion.** The Corporation shall give written notice to each holder of a share of Series C Preferred Stock within ten (10) days after the effectiveness of an Increase in Authorized Common Stock. Following the conversion of such shares, each holder of shares so converted may surrender the certificate therefor at the office of the Corporation or any transfer agent for the Series C Preferred Stock. Upon such surrender, the Corporation shall issue and deliver to each holder a certificate or certificates for the number of whole shares of Common Stock to which such holder is entitled. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then fair market value (as determined in good faith by the Board of Directors of the Corporation) of the Common Stock.

The conversion of shares of Series C Preferred Stock shall be effective simultaneously with the effectiveness of an Increase in Authorized Common Stock, whether or not the certificates representing such shares of Series C Preferred Stock shall have been surrendered or new certificates representing the shares of Common Stock into which such shares have been converted shall have been issued and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date. Any dividends or distributions declared but unpaid at the time of a mandatory conversion with respect to the Series C Preferred Stock so converted, including any dividends declared on the Common Stock to which the Series C Preferred Stock is entitled pursuant to Section 6 above, shall be paid on the payment date therefore.

(d) **Adjustment of Conversion Ratio.** The Conversion Ratio for each share of Series C Preferred Stock and the kind of securities issuable upon the conversion of any share of Series C Preferred Stock shall be adjusted from time to time as follows:

(i) **Subdivision or Combination of Shares.** If the Corporation at any time effects an increase in the number of outstanding shares of Common Stock by subdivision, the Conversion Ratio shall be increased in the same proportions as the Common Stock is subdivided, in each case effective automatically upon, and simultaneously with, the effectiveness of the subdivision which gives rise to the adjustment. If the Corporation at any time effects a decrease in the number of outstanding shares of Common Stock by combination the Conversion shall remain the same and unchanged.

(ii) **Reclassification, Consolidation or Merger.** If at any time, as a result of (A) a capital reorganization or reclassification (other than a subdivision or combination which gives rise to an adjustment of the Conversion Ratio pursuant to Section 7(d)(i)); or (B) a merger or consolidation of the Corporation with another corporation (whether or not the Corporation is the surviving corporation), the Common Stock issuable upon the conversion of the Series C Preferred Stock shall be changed into or exchanged for the same or a different number of shares of any class or classes of stock of the Corporation or any other corporation, or other securities convertible into such shares, then, as a part of such reorganization, reclassification, merger or consolidation, appropriate adjustments shall be made in the terms of the Series C Preferred Stock (or of any securities into which the Series C Preferred Stock is changed or for which the Series C Preferred Stock is exchanged), so that: (x) the holders of Series C Preferred Stock or of such substitute securities shall thereafter be entitled to receive, upon conversion of the Series C Preferred Stock or of such substitute securities, the kind and amount of shares of stock, other securities, money and property which such holders would have received at the time of such capital reorganization, reclassification, merger, or consolidation, if such holders had converted their Series C Preferred Stock immediately prior to such capital reorganization, reclassification, merger, or consolidation, and (y) the Series C Preferred Stock or such substitute securities shall thereafter be adjusted on terms as nearly equivalent as may be practicable to the adjustments theretofore provided in this Section 7(d). No consolidation

or merger in which the Corporation is not the surviving corporation shall be consummated unless the surviving corporation shall agree, in writing, to the provisions of this Section 7(d)(ii). The provisions of this Section 7(d)(ii) shall similarly apply to successive capital reorganizations, reclassifications, mergers, and consolidations.

(iii) Other Action Affecting Common Stock. If at any time the Corporation takes any action affecting its Common Stock which, in the opinion of the Board of Directors of the Corporation, would have an adverse effect upon the Conversion Rights of the Series C Preferred Stock and the foregoing conversion ratio adjustment provisions are not strictly applicable but the failure to make any adjustment would adversely affect the Conversion Rights, then the Conversion Ratio and the kind of securities issuable upon the conversion of Series C Preferred Stock shall be adjusted to preserve, without dilution, the Conversion Rights in such manner and at such time as the Board of Directors of the Corporation may in good faith determine to be equitable in the circumstances.

(iv) Notice of Adjustments. Whenever the Conversion Ratio or the kind of securities issuable upon the conversion of any one of or all of the Series C Preferred Stock shall be adjusted pursuant to Sections 7(d)(i) - (iii) above, the Corporation shall make a certificate signed by its Chief Financial Officer, Secretary or Assistant Secretary, setting forth, in reasonable detail, the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated (including a description of the basis on which the Board of Directors of the Corporation made any determination hereunder), and the Conversion Ratio and the kind of securities issuable upon the conversion of the Series C Preferred Stock after giving effect to such adjustment, and shall cause copies of such certificate to be mailed (by first class mail postage prepaid) to each holder of Series C Preferred Stock promptly after each adjustment.

(e) Full Consideration. All shares of Common Stock which shall be issued upon the conversion of any Series C Preferred Stock (which is itself fully paid and non-assessable) will, upon issuance, be fully paid and non-assessable. The Corporation will pay such amounts and will take such other action as may be necessary from time to time so that all shares of Common Stock which shall be issued upon the conversion of any Series C Preferred Stock will, upon issuance and without cost to the recipient, be free from all pre-emptive rights, taxes, liens and charges with respect to the issue thereof.

(f) No Impairment. The Corporation will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation but will at all times in good faith assist in the carrying out of all the provisions of this Section 7 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series C Preferred Stock against impairment.

(g) Cancellation of Series C Preferred Stock. No share of Series C Preferred Stock acquired by the Corporation upon conversion, redemption or purchase shall be reissued and all such shares shall be canceled, retired and returned to the status of authorized and unissued shares of undesignated preferred stock. The Corporation may take such appropriate corporate action to reduce the authorized number of Series C Preferred Stock accordingly.

8. **PROTECTIVE PROVISIONS.** In addition to any other rights provided by law, so long as at least one share of Series C Preferred Stock is outstanding, the Corporation shall not, without first obtaining the affirmative vote or written consent of the holders of not less than a majority of the outstanding shares of the Series C Preferred Stock voting together as a single class:

(a) amend or repeal any provision of the Corporation's Articles of Incorporation, Bylaws or this Certificate of Designation if such action would materially and adversely alter or change the preferences, rights, privileges or powers of, or the restrictions provided for the benefit of, the Series C Preferred Stock;

(b) increase or decrease (other than by conversion) the total number of authorized shares of Series C Preferred Stock;

(c) create or issue any series or class, reclassify any authorized capital stock of the Corporation into stock of any series or class, increase the authorized or issued amount of any class or series of stock, or authorize, create, issue or reclassify any obligation or security convertible or exchangeable into or evidencing a right to purchase capital stock of any class or series, that ranks prior to the Series C Preferred Stock as to dividends or rights upon liquidation, dissolution or winding up;

(d) issue any Common Stock after the date on which Series C Preferred Stock has been last issued and sold, whether or not subsequently reacquired or retired by the Corporation, for a consideration per share less than fair market value of the Common Stock (as determined in good faith by the Board of Directors of the Corporation) at such issuance or deemed issuance other than: (1) shares of Common Stock issued in transactions giving rise to adjustments under Sections 7(d)(i) or (ii) above, (2) shares of Common Stock issued upon conversion of shares of Series C Preferred Stock, or (3) shares issued upon the conversion of Convertible Securities (as defined below) if the issuance of such Convertible Securities did not violate Section 8(e) below;

(e) issue any Convertible Securities with respect to which the Effective Price is less than the fair market value of the Common Stock (as determined in good faith by the Board of Directors of the Corporation), at such issuance or deemed issuance. "CONVERTIBLE SECURITIES" means all rights or options for the purchase of, or stock or other securities convertible into, Common Stock (other than Common Stock issued for the purposes set forth in Sections 8(d)(1) or (2) above) or other Convertible Securities, whenever and each time issued. The "EFFECTIVE PRICE" with respect to any Convertible Securities means the result of dividing: (1) the sum of (x) the total consideration, if any, received by the Corporation for the issuance of such Convertible Securities, plus (y) the minimum consideration, if any, payable to the Corporation upon exercise or conversion of such Convertible Securities (assuming that the full amount of securities issuable upon exercise or conversion are issued), plus (z) the minimum consideration, if any, payable to the Corporation upon exercise or conversion of any Convertible Securities issuable upon exercise or conversion of such Convertible Securities, by: (2) the maximum number of Common Stock (other than Common Stock issued for the purposes set forth in Sections 8(d)(1) or (2) above) issuable upon exercise or conversion of such Convertible Securities or of any Convertible Securities issuable upon exercise or conversion of such Convertible Securities; or

(f) sell, convey, or otherwise dispose of or encumber all or substantially all of its property or business or merge or consolidate with any other corporation (other than a wholly-owned subsidiary corporation) or effect any transaction or series of related transactions in which more than fifty percent (50%) of the voting power of the Corporation is disposed of.

9. SEVERABILITY OF PROVISIONS. If any voting powers, preferences and relative, participating, optional and other special rights of the Series C Preferred Stock and qualifications, limitations and restrictions thereof set forth in this resolution (as such resolution may be amended from time to time) is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other voting powers, preferences and relative, participating, optional and other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof set forth in this resolution (as so amended) which can be given effect without the invalid, unlawful or unenforceable voting powers, preferences and relative, participating, optional and other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof shall, nevertheless, remain in full force and effect, and no voting powers, preferences and relative, participating, optional or other special rights of Series C Preferred Stock and qualifications, limitations, and restrictions thereof herein set forth shall be deemed dependent upon any other such voting powers, preferences and relative, participating, optional or other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof unless so expressed herein.
