#### REVOCATION OF PROXIES

---

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. Where no instructions are indicated, validly executed proxies will be voted "FOR" the proposals set forth in this Proxy Statement for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by such proxies on such matters in such manner as shall be determined by a majority of the Board of Directors.

A proxy may be revoked at any time prior to its exercise by sending written notice of revocation to the Secretary of the Company at the address shown above, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting. The presence at the Annual Meeting of any stockholder who had returned a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

#### VOTING PROCEDURES AND METHODS OF COUNTING VOTES

---

Holders of record of the Company's common stock, par value \$0.10 per share, as of the close of business on September 13, 2002 (the "Record Date") are entitled to one vote for each share then held. As of the Record Date, the Company had 2,024,835 shares of common stock issued and outstanding (exclusive of Treasury shares), 1,152,316 of which were held by Greene County Bancorp, M.H.C. (the "Mutual Holding Company"), and 872,519 of which were held by stockholders other than the Mutual Holding Company ("Minority Stockholders"). The presence in person or by proxy of a majority of the total number of shares of common stock outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present. In the event there are not

Edgar Filing: GREENE COUNTY BANCORP INC - Form DEF 14A

sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

As to the election of directors, the Proxy Card being provided by the Board of Directors enables a stockholder to vote FOR the election of the two nominees proposed by the Board, or to WITHHOLD AUTHORITY to vote for the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees being proposed is withheld.

As to the ratification of PricewaterhouseCoopers LLP as the Company's independent accountants, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on the ratification. The ratification of this matter shall be determined by a majority of the votes cast, without regard to broker non-votes or proxies marked ABSTAIN.

Management of the Company anticipates that the Mutual Holding Company, the majority stockholder of the Company, will vote all of its shares in favor of all the matters set forth above. If the Mutual Holding Company votes all of its shares in favor of each proposal, the approval of each proposed would be assured.

Proxies solicited hereby will be returned to the Company and will be tabulated by an Inspector of Election designated by the Board of Directors of the Company.

BENEFITS

EMPLOYMENT AGREEMENT. The Bank has entered into an employment agreement with its President and Chief Executive Officer, J. Bruce Whittaker. The agreement has a term of 36 months. On each anniversary date, the agreement may be extended for an additional twelve months, so that the remaining term will be 36 months. If the agreement is not renewed, the agreement will expire 36 months following the anniversary date. Under the agreement, the current Base Salary for Mr. Whittaker (as defined in the agreement) is \$185,000. The Base Salary may be increased but not decreased. In addition to the Base Salary, the agreement provides for, among other things, participation in retirement plans and other employee and fringe benefits applicable to executive personnel. In addition to the above, the Bank will provide Mr. Whittaker and his dependents with continuing health care coverage upon Mr. Whittaker's retirement or other termination of employment after attainment of age 55 with 25 years of service, in substantially the same amount as provided to Mr. Whittaker and his dependents prior to the termination of his employment. Such coverage, which will survive the termination or expiration of the agreement, will cease upon Mr. Whittaker's attainment of age 65. The agreement provides for termination by the Bank for cause at any time. In the event the Bank terminates the executive's employment for reasons other than disability, retirement, or for cause, or in the event of the executive's resignation from the Bank (such resignation to occur within the period or periods set forth in the employment agreement) upon (i) failure to re-elect the executive to his current offices, (ii) a material change in the executive's functions, duties or responsibilities, or relocation of his principal place of employment by more than 30 miles, (iii) liquidation or dissolution of the Bank or the Company, (iv) a breach of the agreement by the Bank, or (v) following a change in control of the Bank or the Company, the executive, or in the event of death, his beneficiary, would be entitled to severance pay in an amount equal to three times the highest Base Salary and the highest bonus paid during any of the last three years. Mr. Whittaker would receive an aggregate of \$565,000 pursuant to his employment agreement upon a change in control of the Bank or the Company, based upon his current level of compensation. The Bank would also continue the executive's life, dental and disability coverage for 36 months from the date of termination, and would continue his health coverage until Mr. Whittaker attains age 65 (as discussed above). In the event the payments to the executive would include an "excess parachute payment" as defined by Code Section 280G (relating to payments made in connection with a change in control), the payments would be reduced in order to avoid having an excess parachute payment.

Under the agreement, the executive's employment may be terminated upon his retirement in accordance with any retirement policy established on behalf of the executive and with his consent. Upon the executive's retirement, he will be entitled to all benefits available to him under any retirement or other benefit plan maintained by the Bank. In the event of the executive's disability for a period of six months, the Bank may terminate the agreement provided that the Bank will be obligated to pay him his Base Salary for the remaining term of the agreement or one year, whichever is longer, reduced by any benefits paid to the executive pursuant to any disability insurance policy or similar arrangement

## Edgar Filing: GREENE COUNTY BANCORP INC - Form DEF 14A

maintained by the Bank. In the event of the executive's death, the Bank will pay his Base Salary to his named beneficiaries for one year following his death, and will also continue medical, dental, and other benefits to his family for one year. The employment agreement provides that, following his termination of employment, the executive will not compete with the Bank for a period of one year.

**DEFINED CONTRIBUTION PLAN.** The Bank has adopted The Bank of Greene County Employees' Savings & Profit Sharing Plan and Trust (the "Plan") in order to permit the investment of Plan assets in common stock of the Company. Employees are eligible to join the Plan on the first of the month following completion of three months of continuous employment (during which 250 hours are completed). The first year eligibility period runs from the date of hire to the anniversary of such date. If an employee does not satisfy the eligibility requirements during such period then the next eligibility period shall be the calendar year. Employees are eligible to contribute, on a pre-tax basis, up to 15% of their eligible salary, in increments of 1%. The Bank will make a matching contribution equal to 50% of a member's contributions on up to 6% of a member's compensation after one year of continuous service. In addition, the Bank may make an additional discretionary contribution allocated among members' accounts on the basis of compensation. All employee contributions and earnings thereon under the Plan are at all times fully vested. A member vests in employer matching and discretionary contributions at the rate of 20% per year beginning in the second year of employment and continuing until the member is 100% vested after six years of employment. Employees are entitled to borrow, within tax law limits, from amounts allocated to their accounts.

Plan benefits will be paid to each member in a lump sum or in equal payments over a fixed period upon termination, disability or death. In addition, the Plan permits employees to withdraw salary reduction contributions prior to age 59-1/2 or termination in the event the employee suffers a financial hardship. In certain circumstances, the Plan permits employees to withdraw the Bank's matching contributions to their accounts. The Plan permits employees to direct the investment of their own accounts into various investment options.

At December 31, 2001, the market value of the Plan trust fund was approximately \$1.7 million. The total contribution (i.e., both the employee and Bank contributions) to the Plan for the Plan year ended December 31, 2001, was approximately \$182,000.

**Defined Benefit Pension Plan.** The Bank maintains the Financial Institutions Retirement Fund, which is a qualified, tax-exempt defined benefit plan (the "Retirement Plan"). All employees age 21 or older who have worked at the Bank for a period of one year in which they have 1,000 or more hours of service are eligible for membership in the Retirement Plan. Once eligible, an employee must have been credited with 1,000 or more hours of service with the Bank during the year in order to accrue benefits under the Retirement Plan. The Bank annually contributes an amount to the Retirement Plan necessary to satisfy the actuarially determined minimum funding requirements in accordance with the Employee Retirement Income Security Act ("ERISA").

The regular form of all retirement benefits (i.e., normal, early or disability) is a life annuity with a guaranteed term of 10 years. For a married participant, the normal form of benefit is a joint and survivor annuity where, upon the participant's death, the participant's spouse is entitled to receive a benefit equal to 50% of that paid during the participant's lifetime. An optional form of benefit may be selected instead of the normal form of benefits. These optional forms include various annuity forms as well as a lump sum payment after age 55. Benefits payable upon death may be made in a lump sum, installments over 10 years, or a lifetime annuity.

The normal retirement benefit payable at or after age 65, is an amount

## Edgar Filing: GREENE COUNTY BANCORP INC - Form DEF 14A

equal to 1.5% multiplied by years of benefit service (not to exceed 30) times average compensation based on the average of the five years providing the highest average. A reduced benefit is payable upon retirement at age 55 at or after completion of five years of service. A member is fully vested in his account upon completion of five or more years of employment or upon attaining normal retirement age.

The following table indicates the annual retirement benefit that would be payable under the Retirement Plan upon retirement at age 65 in calendar year 2002, expressed in the form of a single life annuity for the average salary and benefit service classifications specified below.

As of June 30, 2002, Mr. J. Bruce Whittaker had 30 years of credited service (i.e., benefit service), under the Retirement Plan.

**EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST.** The Bank has established an Employee Stock Ownership Plan and Related Trust ("ESOP") for eligible employees. The ESOP is a tax-qualified plan subject to the requirements of ERISA and the Code. Persons who have been employed by the Bank for 12 months during which they worked at least 1,000 hours and who have attained age 21, are eligible to participate. The ESOP has borrowed funds from the Company and has purchased or been issued a total of 72,760 shares of common stock. An additional 7,276 shares were issued to the ESOP as a result of the 10% stock dividend effective August 1999. Accordingly, the ESOP currently owns 80,036 shares in total. The common stock held by the ESOP is collateral for the loan. The loan will be repaid principally from the Bank's contributions to the ESOP over a period of up to ten years. The interest rate for the loan is a floating rate equal to the Prime Rate as published in The Wall Street Journal from time to time. Shares purchased by the ESOP are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the ESOP and shares released from the suspense account in an amount proportional to the repayment of the ESOP loan will be allocated among participants on the basis of compensation in the year of allocation, up to an annual adjusted maximum level of compensation. Benefits generally become vested after five years of credited service. Forfeitures will be reallocated among remaining participating employees in the same proportion as contributions. Benefits may be payable upon death, retirement, early retirement, disability or separation from service. The Company's contributions to the ESOP will not be fixed, so benefits payable under the ESOP cannot be estimated.

## Edgar Filing: GREENE COUNTY BANCORP INC - Form DEF 14A

A committee consisting of all non-employee directors administers the ESOP. The ESOP also has an unrelated corporate trustee who is appointed as a fiduciary responsible for administration of the ESOP assets and who votes the ESOP shares. The committee may instruct the trustee regarding investment of funds contributed to the ESOP. The ESOP trustee generally will vote all shares of common stock held by the ESOP in accordance with the written instructions of the committee. In certain circumstances, however, the ESOP trustee must vote all allocated shares held in the ESOP in accordance with the instructions of the participating employees, and unallocated shares and shares held in the suspense account in a manner calculated to most accurately reflect the instructions the ESOP trustee has received from participants regarding the allocated stock, subject to and in accordance with the fiduciary duties under ERISA owed by the ESOP trustee to the ESOP participants. Under ERISA, the Secretary of Labor is authorized to bring an action against the ESOP trustee for the failure of the ESOP trustee to comply with its fiduciary responsibilities.

EQUITY-BASED COMPENSTAION PLANS. The Company has adopted three equity-based compensation plans: the 2000 Stock Option Plan, the 2000 Recognition and Retention Plan and the ESOP. The 2000 Stock Option Plan and the 2000 Recognition and Retention Plan have been approved by stockholders of the Company and, except for the ESOP, the Company has not implemented any equity-based compensation program that has not been approved by Company stockholders.

Set forth below is certain information as of June 30, 2002 regarding equity-based compensation plans for directors and executive officers of the Company that have been approved by stockholders.

Plan	Number of securities to be issued upon exercise of outstanding options and rights	Weighted average exercise price	Number remaining
2000 Stock Option Plan	90,949	\$8.50	
2000 Recognition and Retention Plan	45,474	--	
Total	136,423	--	

STOCK OPTION PLAN. The Board of Directors of the Company adopted the 2000 Stock Option Plan, which has been approved by the stockholders. Certain directors, officers and employees of the Bank and the Company are eligible to participate in the Stock Option Plan. The Stock Option Plan is administered by a committee of outside directors (the "Committee"). The Stock Option Plan authorizes the grant of stock options to purchase 90,949 shares of common stock. The Stock Option Plan provides, among other things, for the grant of options to purchase common stock intended to qualify as incentive stock options under Section 422 of the Code, and options that do not so qualify ("nonstatutory options"). Options must be exercised within 10 years from the date of grant. The exercise price of the options must be at least 100% of the fair market value of the underlying common stock at the time of the grant.

Set forth below is information relating to options granted under the Stock Option Plan to the named executive officer during the year ended June 30, 2002.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

All transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of its common stock and affiliates thereof, are on terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons. Such transactions must be approved by a majority of independent non-employee directors of the Company not having any interest in the transaction.

PROPOSAL 2--RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors of the Company has approved the engagement of PricewaterhouseCoopers LLP, to be the Company's independent accountants for the 2003 fiscal year, subject to the ratification of the engagement by the Company's stockholders. At the Annual Meeting, stockholders will consider and vote on the ratification of the engagement of PricewaterhouseCoopers LLP, for the Company's fiscal year ending June 30, 2003. A representative of PricewaterhouseCoopers LLP, is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if he/she so desires.

Set forth below is certain information concerning aggregate fees billed for professional services rendered by PricewaterhouseCoopers LLP during fiscal year 2002:

Audit Fees	\$66,800
Financial Information Systems	
Design and Implementation Fees	\$ ---
All Other Fees	\$16,841

The Audit Committee has considered whether the provision of non-audit services (which relate to tax preparation) is compatible with maintaining PricewaterhouseCoopers LLP's independence. The Audit Committee concluded that performing such services does not affect PricewaterhouseCoopers LLP's independence in performing its function as independent accountant of the Company.

In order to ratify the selection of PricewaterhouseCoopers LLP as the independent accountants for the 2003 fiscal year, the proposal must receive at least a majority of the votes cast, either in person or by proxy, in favor of such ratification. The Board of Directors recommends a vote "FOR" the ratification of PricewaterhouseCoopers LLP, as independent accountants for the 2003 fiscal year.
