ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES

On December 11, 2013, the Company entered into an agreement (the “Purchase Agreement”) with Mark Mitchell and his affiliate, pursuant to which the Company would acquire 68.2% of U.S. Medical Management, LLC (“USMM”). The closing is expected to occur in the first quarter of 2014, subject to customary closing conditions.

The purchase price is expected to be approximately \$200 million and will be funded with a combination of one-third cash and two-thirds Company common stock (“Common Stock”). The number of shares to be issued is estimated to be in a range of 2.3 million to 2.5 million shares, with the exact number to be based on the market price of the Common Stock shortly prior to closing. The Company has agreed to file a registration statement on Form S-3 registering the resale of the Common Stock issued in the transaction.

The parties have also entered into separate call and put agreements. Under these agreements, the Company may purchase or be required to purchase up to the total remaining interests in USMM over a period beginning in 2015 and continuing through 2017. Under certain circumstances, the agreements may be extended through 2020. At the Company’s sole option, up to 50% of the consideration to be issued for the purchase of the additional interests under these agreements may be funded with shares of Company Common Stock. The Company has agreed to file a registration statement on Form S-3 registering the resale by the holders of the shares of Company Common Stock issued pursuant to these agreements.

These shares are expected to be issued in reliance upon the exemption contained in Section 4(a)(2) of the Securities Act of 1933, as amended, as a transaction not involving a public offering, and/or Rule 506 promulgated thereunder.
