ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

None.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 102(b)(7) of the Delaware General Corporation Law authorizes the inclusion of a provision in the certificate of incorporation of a Delaware corporation to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision may not eliminate or limit the liability of a director: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or

omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) for willful or negligent conduct in paying dividends or repurchasing stock out of other than lawfully available funds; or (iv) for any transaction from which the director receives an improper personal benefit. This provision pertains only to breaches of duty by directors in their capacity as directors (and not in any other corporate capacity, such as officers). The Company's Restated Certificate of Incorporation, as amended (the "Certificate"), exonerates the Company's directors from monetary liability to the fullest extent permitted by this statutory provision.

Section 145 of the Delaware General Corporation Law authorizes a Delaware corporation to indemnify its officers, directors, employees or agents for attorneys' fees and other expenses as well as judgments or amounts paid in settlement in civil cases. The person seeking indemnification must have acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation in respect to the claim made against him or her. In criminal cases, the person seeking indemnification may be indemnified for fines and costs provided that, in addition to the foregoing standard of conduct, he or she did not have a reasonable cause to believe his or her conduct was unlawful. Section 145 also permits a Delaware corporation to indemnify its directors, officers, agents and employees for expenses and attorneys' fees (not judgments) in actions brought by or in the right of the corporation, except that it does not permit such indemnification for any claim as to which such person is adjudged to be liable to the corporation, unless the court determines otherwise. Section 145 requires a Delaware corporation to indemnify any director, officer, employee or agent of the corporation to the extent he or she has been successful on the merits or otherwise in defense of any action, lawsuit or proceeding, or in defense of any claim, issue or matter therein, for expenses, including attorneys' fees, actually and reasonably incurred in connection with that defense.

In addition to such rights as they may be provided by law, the Certificate and the Company's Amended and Restated Bylaws (the "Bylaws") provide broad indemnification rights to directors, officers, employees and agents of the Company and its subsidiaries with respect to various civil and criminal liabilities and losses which may be incurred by such director, officer, agent or employee pursuant to any pending or threatened litigation or other proceedings, to the fullest extent permitted under the Delaware General Corporation Law. The Company is also obligated under the Certificate and the Bylaws to advance payment of expenses incurred by directors, officers, employees and agents of the Company or its subsidiaries which are incurred by any such person in defending a proceeding brought by reason of the fact that he or she is or was a director, officer, employee or agent of the Company or its subsidiaries, provided that he or she provides an undertaking to the Company to repay any such advances if it is ultimately determined that he or she is not entitled to indemnification. Any amendment or other modification to the Certificate or Bylaws which limits or otherwise adversely affects the rights to indemnification currently provided shall apply only to proceedings based upon actions and events occurring after such amendment and delivery of notice thereof to the indemnified parties.

The Company has entered into separate indemnification agreements with each of its directors, whereby the Company has agreed, among other things, to provide for indemnification and advancement of expenses in a manner and subject to terms and conditions similar to those set forth in the Bylaws. These agreements may not be abrogated by action of the stockholders.

The Company has a standard policy of directors' and officers' liability insurance covering directors, officers, employees and agents of the Company and its subsidiaries with respect to liabilities incurred as a result of their service in such capacities.

ITEM 9. UNDERTAKINGS

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to;

(i) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) include any additional or changed material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) or the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the Registrant is relying on Rule 430B:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this Registration Statement as of the date the filed prospectus was deemed part of and included in this Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of this Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in this Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of this Registration Statement relating to the securities in this Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in this Registration Statement or prospectus that is part of this Registration Statement or made in a document incorporated or deemed incorporated by reference into this Registration Statement or prospectus that is part of this Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this Registration Statement or prospectus that was part of this Registration Statement or made in any such document immediately prior to such effective date; or

(ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of this Registration Statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in this Registration Statement as of the date it is first used after effectiveness. Provided, however, that no statement made in this Registration Statement or prospectus that is part of this Registration Statement or made in a document incorporated or deemed incorporated by reference into this Registration Statement or prospectus that is part of this Registration Statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in this Registration Statement or prospectus that was part of this Registration Statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
