### FORWARD LOOKING STATEMENTS

This Form 10-QSB contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. For this purpose any statements contained in this Form 10-QSB that are not statements of historical fact may be deemed to be forward-looking statements. Without limiting the foregoing, words such as "may," "will," "expect," "believe," "anticipate," "estimate" or "continue" or comparable terminology are intended to identify forward-looking statements. These statements by their nature involve substantial risks and uncertainties, and actual results may differ materially depending on a variety of factors, many of which are not within MERCURY SOFTWARE's control. These factors include but are not limited to economic conditions generally and in the industries in which MERCURY SOFTWARE may participate; competition within MERCURY SOFTWARE's chosen industry, including competition from much larger competitors; technological advances and failure by MERCURY SOFTWARE to successfully develop business relationships.

### ITEM 2: MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATIONS

#### Results of Operations

Since inception, we have had no revenues and generated losses. We have financed our operations primarily through the sale of our common stock or by loans from shareholders. The net loss for the three months ended June 30, 2001 was \$125,400, compared to a net loss of profit \$1,950 for the same period of 2000. The difference is insignificant, and a comparison of the two periods is not meaningful, due to the fact that we have had minimal operations and nominal expenses since inception.

#### Liquidity and Capital Resources

As of June 30, 2001, we had \$0 cash on hand and total current liabilities of \$0. We have no material commitments for the next twelve months. We believe that our current cash needs for at least the next twelve months can be met by loans from our directors, officers and shareholders. Due to our lack of cash and current liabilities since inception, management believes a comparison of the period ended June 30, 2001 and the period June 30, 2000 would not be meaningful.
