MEDIA RELEASE COMMUNIQUE AUX MEDIAS MEDIENMITTEILUNG

Novartis proposes higher dividend payment for 2005 and changes to Board of Directors for approval at next Annual General Meeting

Increase of 10% in dividend payment for 2005 marks the ninth consecutive higher payout per share since the creation of Novartis in December 1996

Professor Dr. Helmut Sihler to retire, and Professor Dr. Ulrich Lehner to become independent Lead Director and Vice Chairman

Dr. Andreas von Planta recommended to join Board

Basel, February 3, 2006 The Novartis Board of Directors has recommended an increase of 10% in the Novartis dividend payment for 2005 as well as the addition of Dr. Andreas von Planta to the Board of Directors. Shareholders will vote on these and other proposals at the next Annual General Meeting, scheduled for February 28.

The Board of Directors has proposed a dividend payment of CHF 1.15 per share for 2005, up 10% from CHF 1.05 in 2004. This higher dividend marks the ninth consecutive higher payout per share since the creation of Novartis in December 1996. The payment date for the 2005 dividend has been set for March 3, 2006.

Professor Dr. Helmut Sihler, who has played a vital role in shaping the success of Novartis since its creation, will retire from the Board of Directors at the forthcoming Annual General Meeting. Professor Dr. Ulrich Lehner will succeed him as independent Lead Director and Vice Chairman. Professor Dr. Lehner will chair the Audit and Compliance Committee. The Compensation Committee will be chaired by Hans-Joerg Rudloff, who is also Vice Chairman of the Board of Directors.

Dr. Andreas von Planta is proposed for election to the Board of Directors for a three-year term. Dr. von Planta, 50, is a partner with Lenz & Staehelin, an international law firm based in Zurich and Geneva. He is an internationally recognized expert in corporate law, business financing, mergers and acquisitions and arbitration law.

In addition, the Board of Directors will propose to shareholders the elimination of the 12-year limitation on board membership, as outlined in Article 21 of the Articles of Incorporation. The elimination of this limitation, which was established during the merger negotiations, will allow for greater continuity and deeper understanding of the complexities of a highly technical and global business.

4. Reduction of Share Capital

Edgar Filing: NOVARTIS AG - Form 6-K

The Board of Directors proposes that the share capital be reduced by CHF 5,100,000, from CHF 1,369,585,500 to CHF 1,364,485,500, that the corresponding number of registered shares be subsequently cancelled and that the relevant clause in the Articles of Incorporation be amended.

The legally required auditors' report has been completed and confirms that, despite the reduction of the share capital, all claims on the Company are fully covered.

If the proposal is approved, Article 4 of the Articles of Incorporation will be amended to read as follows:

1. The share capital of the Company is CHF 1,364,485,500, fully paid-in and divided into 2,728,971,000 registered shares. Each share has a nominal value of CHF 0.50.

5. Amendment to the Articles of Incorporation

The Board of Directors proposes the following resolution:

Article 21 paragraph 3 of the Articles of Incorporation shall be amended as follows (the words in *italics* to be deleted):

The General Meeting may, under special circumstances, grant an exception from this rule and may elect a member of the Board of Directors for further terms of office of no more than three years at a time.

If approved, Article 21 paragraph 3 of the Articles of Incorporation shall read as follows:

The members of the Board of Directors shall automatically retire after the expiry of the seventieth year of age; the retirement shall become effective on the date of the next Ordinary General Meeting of Shareholders. The General Meeting may, under special circumstances, grant an exception from this rule and may elect a member of the Board of Directors for further terms of office of no more than three years at a time.

Notes to the Proposals of the Board

Item 4: Reduction of Share Capital

In 2005, a total of 10.2 million shares representing a nominal value of CHF 5,100,000 were repurchased through the repurchase program via a second trading line at the SWX Swiss Exchange. Accordingly the proposal calls for the share capital to be reduced by an amount equivalent to the nominal value of the shares repurchased. In this way, liquidity in excess of requirements is returned to shareholders.

In accordance with Article 732 of the Swiss Code of Obligations, the resolution shall state the findings of the auditors' report and it shall indicate the ways and means by which the reduction of the share capital shall be implemented.

Item 5: Amendment to the Articles of Incorporation

For reasons of continuity, the rule providing for automatic retirement after twelve years, which is unusual for SMI companies, shall be abolished. In 2008, six of the twelve members of the Board of Novartis would have to retire. Such a great change in the composition of the Board would entail loss of expertise and corresponding risks, which would weaken the Board and should be avoided in view of Good Corporate Governance standards. A Board of Directors should be renewed continuously and with due diligence.

Item 6.2: Re-elections to the Board of Directors

Elections will be carried out individually.

See biographies in the Annual Report, Section Corporate Governance

(http://www.novartis.com/investors/en/sales_reports/annual_reports.shtml).

Item 6.3: Election of new member

Edgar Filing: NOVARTIS AG - Form 6-K

Andreas von Planta was born in Basel in 1955. He holds lic. iur. and Ph.D. degrees from the University of Basel and an LL.M. from Columbia University School of Law, New York. He passed his Bar examinations in Basel in 1982.

Since 1983 he has lived in Geneva, working for the legal firm Lenz & Staehelin, where he became a partner in 1988. His areas of specialization include corporate law, corporate finance, company reorganizations, and mergers & acquisitions.

He is Vice-Chairman of Holcim Ltd and the Schweizerische National-Versicherungs-Gesellschaft AG, and a member of the boards of various Swiss subsidiaries of foreign groups. He sits on the Board of Editors of the Swiss Review of Business Law, and is a former Chairman of the Geneva Association of Business Law.
