Audit Committee

Our Board has appointed a standing audit committee in accordance with the requirements of the Securities Exchange Act of 1934 and the New York Stock Exchange. The members of the audit committee are Messrs. Carroll, Cormier and Rask. The audit committee assists the Board in ensuring that our accounting and reporting practices are in accordance with applicable

requirements. Specifically, the audit committee annually reviews and selects the independent registered public accounting firm to be engaged to audit the consolidated financial statements of our company and management's report on internal control over financial reporting. Under our audit committee charter, the audit committee has the ultimate authority and responsibility to select, evaluate, and, where appropriate, replace the independent registered public accounting firm. Additionally, the audit committee reviews with representatives of such firm the plan and results of the auditing engagement, makes inquiries as to the adequacy of internal accounting controls, and considers the independence of our independent registered public accounting firm. The committee also reviews the scope and scheduling of our internal audits and reviews the results of those audits with the company's director of internal audit and management.

Our board of directors has determined that each member of the audit committee is financially literate and each has accounting or related financial management expertise, as our Board interprets those terms in its business judgment. Our board of directors has designated each of Messrs Carroll, Cormier, and Rask as audit committee financial experts following its determination that each meets the criteria for such designation set forth in Item 401(h) of Regulation S-K. In addition, our board has affirmatively determined that Messrs Carroll, Cormier, and Rask (i) have no relationship to the company that may interfere with the exercise of their independence from management and the company; (ii) have no material relationship with the company (either directly as a partner, shareholder or officer of an organization that has a relationship with the company) and (iii) are otherwise independent as that term is defined in Section 303A.02 of the New York Stock Exchange Listed Company Manual and Rule 10A-3(b)(1) and Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934.

Stockholder Recommendations of Nominee(s) to Our Board

In October 2004, we adopted a new policy governing the method by which stockholders may recommend nominees to our board of directors. Under the terms of that policy, stockholders or a group of stockholders may recommend potential candidates for consideration by our nominating and corporate governance committee by sending a written request to the company's corporate secretary not earlier than the 150th calendar day and not later than the 90th calendar day before the anniversary of the date our proxy statement was released to security holders in connection with our preceding year's annual meeting. Such written request shall be sent to our principal executive offices, 10300 Town Park Drive, Houston, Texas 77072, Attn: Corporate Secretary. The written request must include the candidate's name, contact information, biographical information and qualifications. The request must also include the potential candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if nominated and elected. The stockholder or group of stockholders making the recommendation must also disclose, with the written request described above, the number of shares that the stockholder or group beneficially owns and the period of time the stockholder or group has beneficially owned the shares. The committee may request additional information from time to time from the nominee or the stockholder.

In accordance with SEC rules, if the committee receives not later than 120 calendar days before the anniversary of the date we released our prior year's proxy statement to stockholders, a recommended nominee from any stockholder or group beneficially owning more than 5% of our shares (and who has owned such amount for at least one year), we will disclose the identity of the candidate and the stockholder or group that recommended the candidate as well as whether the committee chose to nominate the candidate, provided that disclosure of the names will not be made without the written consent of both the candidate and the stockholder or group that made the recommendation.

Pursuant to our bylaws, only persons who are nominated in accordance with the following procedures are eligible for election as directors. Nominations of persons for election to our board of directors may be made at a meeting of stockholders only (a) by or at the direction of our board of directors or (b) by any stockholder of our company who is a stockholder of record at the time of giving of the required notice described below, who is entitled to vote for the election of directors at the meeting, and who complies with the following notice procedures. All nominations, other than those made by or at the direction of our board of directors, must be made pursuant to timely notice in writing to the Secretary of the Company. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices, 10300 Town Park Drive, Houston, Texas 77072 Attention: Secretary, (i) with respect to an election to be held at an annual meeting not less than 90 days nor more than 120 days before that date which is the first anniversary of the preceding year's annual meeting and (ii) with respect to any election to be held at a special meeting of stockholders, no earlier than the ninetieth day prior to such special meeting and not later than the close of business on the later of the seventieth day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting or of the nominees proposed by our board of directors to be elected at such meeting. If the annual meeting is advanced by more than 30 days, or delayed by more than 90 days, from the anniversary date of the preceding year's annual meeting, the nomination must be delivered not earlier than the 120th day prior to the current year's annual meeting and not later than the later of (1) the 90th day prior to the annual meeting or (2) the 10th day following the announcement of the change in the annual meeting date. A stockholder's notice to the Secretary of our company

must set forth (a) as to each person whom the stockholder proposes to nominate for election as a director, all information relating to the person that is required to be disclosed in solicitations for proxies for election of directors, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act (including the written consent of such person to be named in the proxy statement as a nominee and to serve as a director if elected); and (b) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address, as they appear on our books, of such stockholder, and (ii) the class and number of shares of capital stock of our company that are beneficially owned by the stockholder.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, our executive officers and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes of ownership with the Securities and Exchange Commission. These persons are required to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of the Section 16(a) forms furnished to us, we believe that, with respect to the fiscal year ended July 31, 2006, each of our directors and officers and greater than 10% stockholders met all applicable filing requirements under Section 16(a) of the Securities Act of 1934 with the exception of Mr. Dennis S. Baldwin, who filed a single late report on Form 4 which included a single transaction. We are not aware of any instances of a failure to file a required Form 3 or Form 5.

Independence of Directors

Our Board has affirmatively determined that Messrs. Carroll, Cormier, Gibbs, Rask, Shoham, Work and Young (i) have no relationship to the company that may interfere with the exercise of their independence from management and the company; (ii) have no material relationship with the company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the company) and (iii) are otherwise independent as that term is defined in Section 303A.02 of the New York Stock Exchange Listed Company Manual and Rule 10A-3(b)(1) and Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934. The Board has not adopted categorical standards for the determination of independence but instead makes such determinations by reference to definitions provided in applicable law and New York Stock Exchange requirements.

In making its determination as to Mr. Young, the Board considered the relationships between the company and the Colorado School of Mines, which employs Mr. Young as a professor and head of the Geophysics Department, and between the company and the Society of Exploration Geophysicists, which Mr. Young served as president from October 2005 to October 2006. The company annually funds certain research projects with and provides certain services and equipment free of charge to the Colorado School of Mines, a non-profit educational institution. The company paid or contributed to the Colorado School of Mines \$389,660, \$140,800, and \$139,400 in fiscal years 2006, 2005, and 2004, respectively. The company paid the Society of Exploration Geophysicists, a non-profit professional society, \$276,886, \$116,400, and \$89,200 in fiscal years 2006, 2005, and 2004, respectively. These payments consisted of fees for booth rental at the Society's annual trade show, membership dues paid on behalf of company employees, and admission fees paid on behalf of company employees for programs sponsored by the organization. The Board deemed the payments and benefits the company paid to and received from each of the two entities not to be material either to the company or the other entities involved and, that, therefore, Mr. Young's relationship to each entity is not material and does not affect his independence as a director of the company.

Executive Sessions of Independent Directors

Our non-employee directors, all of whom are independent directors, meet in executive sessions held immediately following our regularly scheduled board meetings. In fiscal year 2006, non-employee directors met in executive session 4 times. The non-employee directors chose Mr. Gibbs to preside at their meetings, and he presided at all such meetings during fiscal year 2006.

Communicating with our Board or Directors

Our Board has adopted a procedure by which interested parties may communicate directly with the Board, individual directors, committees of the Board, non-employee directors as a group or the director who presides over meeting of non-employee directors. Interested parties may communicate in writing with our Board, individual directors, committees of the Board, non-employee directors as a group or the director who presides over meeting of non-employee directors at any time by mail addressed to the company's corporate secretary at the company's principal executive offices, 10300 Town Park Drive, Houston, Texas 77072. Interested parties should clearly indicate on the envelope the intended recipient of the communication and that the communication is an Interested Party Communication. All such communications received by the corporate secretary will be

forwarded to the recipient designated on the envelope. The corporate secretary will not review or pre-screen any interested party communications. All communications designated for our non-employee directors as a group or to our Board will be forwarded to the presiding director, currently Mr. Gibbs, or if no presiding director has been designated, a non-employee director designated by the chairman of the Board. All communications designated to a particular committee of the Board will be forwarded to the chairman of that committee. All communications designated to a particular director will be forwarded to that director. To report any issues relating to the company's accounting, accounting controls, financial reporting or other practices, interested parties may also call the company's confidential hotline at 800-736-0460 in the U.S. or in Canada. All calls are answered by a third-party service and will remain anonymous.

Code of Ethics

Our board has adopted a code of ethics (we call it our code of conduct) that governs the business conduct and ethics of our directors, all of our employees and our executive officers, including our chief executive officer, our chief financial officer and our chief accounting officer. Our code of conduct has been posted on our company's internet website at www.veritasdgc.com. In addition, we will provide a printed copy of our code of conduct without charge to any stockholder making written request to Larry L. Worden, Vice President, General Counsel and Secretary, 10300 Town Park Drive, Houston, Texas 77072. It is our intention to disclose on our internet website within four business days of any amendment or waiver.

- the date and nature of any amendment we make to any provision of our code of conduct that applies to our chief executive officer, our chief financial officer and our chief accounting officer and that relates to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-K; and
- information related to any waiver, including any implicit waiver, we grant to our chief executive officer, our chief financial officer and our chief accounting officer that relates to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-K.

Corporate Governance Guidelines / Committee Charters

Our board of directors has adopted written corporate governance guidelines that address such matters as board and committee functions and board and committee member qualifications and responsibilities. In addition, our board has adopted written charters for its audit committee, compensation committee, and nominating and corporate governance committee. Each of these charters was most recently amended in June 2006. Copies of our corporate governance guidelines and each of our committee charters are available on our website at www.veritasdgc.com. We will provide a written copy of any of these documents without charge to any stockholder making written request to Larry L. Worden, Vice President, General Counsel and Secretary, 10300 Town Park Drive, Houston, Texas 77072.

Director Compensation

Each of our directors who is not also an employee is paid an annual fee of \$35,000 plus travel expenses, a fee of \$1,500 for attendance at each regular or special board and committee meeting (other than telephonic meetings) and a fee of \$750 for attendance at each telephonic board or committee meeting. Effective July 1, 2006, the chairman of the audit committee is paid an

additional annual fee of \$15,000 and the chairmen of the compensation committee and the nominating and corporate governance committee are each paid an additional fee of \$10,000 annually. Prior to July 1, 2006, the chairman of the audit committee was paid an additional annual fee of \$10,000 and the chairmen of the compensation committee and the nominating and corporate governance committee were each paid an additional fee of \$5,000 annually.

Under our Share Incentive Plan, non-employee directors are eligible to receive (1) nonqualified options, (2) share appreciation rights, (3) deferred share units, (4) restricted shares and (5) performance shares. The compensation committee determines the type of awards granted and the terms of each grant. Each non-employee director is granted options each year to purchase 6,000 shares of our common stock at fair market value on the date of grant. The options so granted vest immediately and have a five-year term. Newly elected or appointed non-employee directors will be granted options to purchase 10,000 shares of our common stock at fair market value on the date of grant. The options granted to newly elected or appointed non-employee directors will have a five-year term and become exercisable as follows: 2,500 options immediately upon the date of grant and an additional 2,500 options on each subsequent year on the anniversary of the date of grant. Non-employee directors are allowed to elect to receive deferred share units issued under our Share Incentive Plan in lieu of either 100 percent or 50 percent of their annual grant of options to purchase 6,000 shares of our common stock. In the event of such an election, the electing director will receive one deferred share unit in lieu of each three options: 2,000 deferred share units in the event of a 100 percent election or 1,000 deferred share units in the event of 50 percent election. The deferred share units will be vested immediately upon grant. Each deferred share unit automatically converts to one share of our common stock upon the director's retirement or other termination. Only Mr. Gibbs made such an election and in October 2005, we issued 2,000 deferred share units to him in lieu of 100 percent of his annual option grant.

Each of our non-employee directors may elect to receive deferred share units issued under our Share Incentive Plan in lieu of either 25, 50, 75 or 100 percent of his or her annual director's fee. Once vested, each deferred share unit is convertible into one share of our common stock upon the director's retirement or other termination. A director who elects to receive deferred share units prior to the end of any calendar year is entitled to receive on January 1 of the following year that number of deferred share units with a fair market value, as defined in the plan, equal to the amount deferred. The deferred share units then vest on the following dates: 25 percent on January 1 (the date of grant); and 25 percent on each of the following dates: April 1, July 1, and October 1. Vested deferred share units automatically convert to shares of our common stock upon the director's retirement or other termination. None of our directors elected to receive deferred share units in lieu of his annual director's fees for calendar year 2006.

Employment Agreements

We have entered into employment agreements with each of Messrs. Pilenko, Wells, M. Baldwin, D. Baldwin and Worden. Our agreement with Mr. Pilenko continues until terminated by prior written notice of either party. Our agreements with Messrs. Wells, M. Baldwin, D. Baldwin and Worden continue until the employee reaches age 65 unless the agreement is earlier terminated by prior written notice of either party. As of July 31, 2006, the executive officers are entitled to minimum annual salaries under their employment agreements as follows: Mr. Pilenko \$515,000; Mr. Wells \$370,000; Mr. M. Baldwin \$330,000; Mr. D. Baldwin \$185,000 and Mr. Worden \$255,000. In the event of a termination without cause (other than in connection with a change of control of Veritas DGC), each executive officer is entitled to payment under his employment agreement equal to one or more years of annual base salary as follows: Mr. Pilenko three years; Messrs. Wells and M. Baldwin two years; and Messrs. D. Baldwin and Worden one year. Payment of these amounts will be made over the specified period unless we exercise our option to pay them in a lump sum. In the event of a termination without cause within two years after a change of control of Veritas DGC, each executive officer is entitled to a lump sum payment under his employment agreement equal to the following number times the sum of his annual base salary and annual bonus: Messrs. Pilenko, Wells and M. Baldwin three; and Messrs. D. Baldwin and Worden two.

Compensation Committee Interlocks and Insider Participation

The following table presents data related to all of our equity compensation plans for both non-employee directors and employees as of July 31, 2006, and provides information related to potential ownership dilution as of such date:

EQUITY COMPENSATION PLAN INFORMATION

AS OF JULY 31, 2006

Equity Compensation Plan Category	Number of securities to be issued upon exercise of outstanding options	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities to be issued upon exercise of outstanding options)
Equity compensation plans approved by stockholders	744,524	(1) \$ 18.23	2,123,559 (2)
Equity compensation plans not approved by stockholders	433,949	(3) 22.22	0 (4)

(1) Includes 683,779 options issued under our Share Incentive Plan approved by stockholders in December 2002. Includes 60,745 options issued before December 9, 1998 under our 1992 Employee Non-qualified Stock Option Plan. Stockholders approved the 1992 plan initially and in December 1997 approved amendments increasing the number of shares, which could be issued pursuant to options under the 1992 Employee Non-qualified Stock Option Plan. On December 9, 1998, our board of directors increased the number of options available under the 1992 Employee Non-qualified Stock Option Plan without obtaining stockholder approval. We have assumed that options issued before those dates were issued under plans approved by stockholders and that options issued on or after those dates were issued pursuant to plans not approved by stockholders.

(2) Includes 759,529 shares available for issuance under our employee stock purchase plan and 1,364,030 shares available for issuance under our Share Incentive Plan. Under our Share Incentive Plan, our compensation committee is authorized to make awards to participants in the form of stock options, restricted stock, deferred share units, share appreciation rights or performance shares. The aggregate number of shares available for award under the plan is currently 1,364,030, of which no more than 334,895 shares may be awarded in any form other than stock options.

(3) Includes 164,900 options issued on or after December 9, 1998 under our 1992 Employee Non-qualified Stock Option Plan and 72,750 options issued on or after December 9, 1997 under our 1992 Non-employee Director Non-qualified Stock Option Plan. See note 1 above. Also includes options we assumed in connection with our acquisitions of Enertec Resource Services Inc. in August 1999 and Reservoir Characterization Resource Consulting Inc. in February 2001. The remaining 196,299 options were issued under our 2001 Key Employee Non-qualified Stock Option Plan that was not approved by stockholders.

(4) Effective in December 2002, we are authorized to award equity compensation only in accordance with our stockholder approved Share Incentive Plan.

On December 11, 2002, our stockholders approved the adoption of our current Share Incentive Plan that provides for the issuance to directors, officers and select employees: (1) nonqualified options to purchase our common stock, (2) incentive options to purchase our common stock, (3) share appreciation rights, (4) deferred share units, (5) restricted shares and (6) performance shares. Effective upon the adoption of Share Incentive Plan, we may not award options, restricted stock or other equity compensation to any director, officer or employee under any other plan, including those previously approved by stockholders.

Prior to December 11, 2002, we had two employee nonqualified stock option plans – our 1992 Employee Non-qualified Stock Option Plan (the 1992 Plan) and our 2001 Key Employee Non-qualified Stock Option Plan (the 2001 Plan). Prior to December 11, 2002, we granted options to select employees, including our officers, under the 1992 Plan and to select employees, excluding our officers, under the 2001 Plan. Stockholders approved the adoption of the 1992 Plan in December 1992 and also approved all amendments to the plan through December 1997. In December

Edgar Filing: VERITAS DGC INC - Form 10-K/A

1998 and March 1999, our board adopted amendments to the 1992 Plan that increased the number of options available for grant by 1,204,550 and 550,000, respectively. We did not seek stockholder approval of these amendments as such approval was not then required by the terms of the plan, applicable law or stock exchange requirements. In January 2001, we adopted our 2001 Plan, which allowed the issuance of up to 2 million options. We did not seek stockholder approval of the 2001 Plan as such approval was not then required by applicable law or stock exchange requirements.

Options granted under the 1992 Plan and 2001 Plan generally vested over three years and were exercisable over a five to ten-year period from the date of grant. The exercise price for each option is the closing price on the New York Stock Exchange on the last trading day prior to the grant date. As of July 31, 2006, a total of 301,395 options were outstanding under the 1992 Plan and

10

Edgar Filing: VERITAS DGC INC - Form 10-K/A

196,299 were outstanding under our 2001 Plan. No further options may be issued under either plan after December 11, 2002.

Prior to December 11, 2002, we also maintained a stock option plan for non-employee directors (the Director Plan) under which options were granted to our non-employee directors. Stockholders approved the adoption of the Director Plan in December 1992 and also approved all amendments to the plan through December 1994. In December 1997, our board adopted amendments to the Director Plan that increased the number of options available for grant by 400,000. We did not seek stockholder approval of these amendments as such approval was not then required by the terms of the plan, applicable law or stock exchange requirements.

The Director Plan provided that every year each eligible director was granted options to purchase 5,000 shares of our common stock which vest over a period of three years from the date of grant and are exercisable over five to ten years from the date of grant. The exercise price for each option is the closing price on the New York Stock Exchange on the last trading day prior to the grant date. As of July 31, 2006, a total of 72,750 options were outstanding under the Director Plan. No further options may be issued under the Director Plan after December 11, 2002.

Our current Share Incentive Plan is described further in the Note 7 to Notes to Consolidated Financial Statements contained in our Form 10-K for the year ended July 31, 2006.
