INTRODUCTION

This Rule 13E-3 Transaction Statement on Schedule 13E-3 (the "Schedule 13E-3") is being filed by K-tel International, Inc., a Minnesota corporation ("K-tel", the "Company", "we" or "our"), K-5 Leisure Products, Inc., a Nevada corporation ("K-5"), National Developments Ltd., a Canadian Controlled Private Corporation ("National Developments"), 2808715 Manitoba Limited, a Canadian Controlled Private Corporation ("2808715 Manitoba"), and Philip Kives, the Company's majority shareholder, Chairman, President and Chief Executive Officer, in connection with a going private transaction. Our Board of Directors (the "Board") has approved a 1-for-5,000 share combination (the "Reverse Split") such that shareholders owning less than one (1) whole share of our Common Stock, par value \$0.01 per share ("Common Stock"), following the Reverse Split will have their fractional shares cancelled and converted into the right to receive the cash consideration described herein. Immediately following the Reverse Split and conversion into the right to receive payment for fractional shares, we will effect a 5,000-for-1 share division ("Forward Split") affecting those shareholders who, following the Reverse Split, continue to hold at least one (1) whole share of Common Stock. The entire going private transaction, including the Reverse Split and Forward Split, is referred to below as the "Transaction".

As a result of the Transaction (a) each share of our Common Stock held of record or beneficially by a shareholder owning fewer than 5,000 shares of Common Stock as of the close of business on _____, 2007, the date immediately preceding the effective date of the Transaction (the "Record Date"), will be converted into the right to receive \$.095 per pre-Reverse Split share, without interest, and (b) each share of our Common Stock held of record or beneficially by shareholders who, following the effective time of the Reverse Split, continue to hold at least one (1) whole share of Common Stock will, pursuant to the Forward Split, be converted into 5,000 shares of our Common Stock.

The purpose of the Transaction is to reduce the number of record holders of our Common Stock to fewer than 300 so that we will be eligible to terminate the public registration of our Common Stock under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In such case, we will no longer be required to file periodic reports with the Securities and Exchange Commission (the "SEC"). The deregistration of our Common Stock will also have the effect of terminating the eligibility of our Common Stock for quotation on the OTC Bulletin Board ("OTCBB"). Our Common Stock has traded on the OTCBB in past years, but currently trades on a limited basis on the Pink Sheets.

We have made certain calculations regarding the Reverse Split relating to its effect upon our shareholder base. Based upon our review of our list of shareholders of record furnished to us by American Stock Transfer, our transfer agent, as well as an analysis we have conducted taking into account information furnished to us by ADP Investor Communication Services concerning shareholders who beneficially own their stock in street name, referred to as non-objecting beneficial owners and objecting beneficial owners, we have determined that the Reverse Split will not result in the cancellation of more than 20% of the outstanding shares of our Common Stock. If on the Record Date, we believe that the Reverse Split would result in more than 20% of our Common Stock being cancelled, which is not permitted by Minnesota law, we will take action to suspend or withdraw the Reverse Split and subsequent Forward Split. In such event, it is our intent to take all action necessary to reduce the number of shares that would be cancelled and receive a cash payment in lieu of a fractional share to comply with the Minnesota Business Corporation Act (the "MBCA") including, but not limited to, adjusting the split ratios used in the Reverse Split and Forward Split and/or taking corporate action to obtain shareholder approval of the proposed split transactions.

Shareholders who own 5,000 or more shares of our Common Stock on the Record Date will not be entitled to receive any cash for any fractional shares that may result from the Reverse Split. The Forward Split that will immediately follow the Reverse Split will reconvert their whole and fractional share interests back into the same number of shares of our Common Stock that they held on the Record Date. As a result, the total number of shares held by such a shareholder will not change after completion of the Transaction.

The Transaction has been authorized by our Board of Directors, upon recommendation of the Special Committee of the Board, pursuant to Section 302A.402, Subd. 1 of the MBCA, which permits our Board of Directors to authorize a share combination and division without shareholder approval on the condition that (i) the rights or preferences of the holders of the outstanding shares of any class or series will not be adversely affected and (ii) the percentage of authorized shares of any class or series remaining unissued after the division or combination will not exceed the percentage of authorized shares of that class or series that were unissued before the division or combination. For purposes of the requirement set forth in (ii) above, the MBCA provides that any increase in the percentage of authorized Common Stock remaining unissued arising solely from our cancellation of fractional shares in accordance with Section 302A.423 of the MBCA will be disregarded.

Edgar Filing: K TEL INTERNATIONAL INC - Form SC 13E3/A

The Company is authorized under the MBCA to pay the fair cash value for fractional shares resulting from the Reverse Split, provided that, pursuant to Section 302A.423, Subd. 2 of the MBCA, we may not pay money for fractional shares if that action would result in the cancellation of more than 20% of the outstanding shares of our Common Stock.

Our Chief Executive Officer, as authorized by the Board, has fixed the close of business on _____, 2007 as the Record Date for determining the shareholders subject to the Transaction. No vote of our shareholders is required to effectuate the Transaction.

The Transaction will be conducted upon the terms and subject to the conditions set forth in our disclosure document (the Disclosure Document).
