**YAMANA GOLD ANNOUNCES WAIVER OF MERIDIAN GOLD  
SHAREHOLDER RIGHTS PLAN**

*- Final obstacle to the strategic combination of Yamana, Northern Orion and Meridian removed -*

**Toronto, Ontario, September 5, 2007** **YAMANA GOLD INC.** (TSX:YRI; NYSE:AUY; LSE:YAU) today announced that the Ontario Securities Commission, in a decision dated today, ordered that the Meridian Gold Inc. shareholder rights plan be cease traded at 9:00 am Toronto time on September 11, 2007 as per Yamana's request.

Yamana's offer to Meridian shareholders has been outstanding for a significant amount of time and no other offer for Meridian has yet emerged. In connection with the waiving of the shareholder rights plan, Yamana has also extended the expiry date of its offer to acquire the outstanding shares of Meridian from 8:00 pm Toronto time on September 7, 2007 to 8:00 pm Toronto time on September 11, 2007. No other terms of the offer have been changed. Yamana is offering C\$4.00 in cash and 2.235 Yamana shares per Meridian share.

The removal of the final obstacle to our offer provides increased certainty and accommodation for Meridian shareholders to fully consider the offer and tender to it, said Peter Marrone, chairman and chief executive officer of Yamana. We are confident that we will succeed in our bid for Meridian and urge any shareholders who may not have yet tendered their shares to do so today.

The combined company will provide shareholders with a stake in a gold-focused intermediate producer which offers superior cash flow, low-cost gold production, project and country diversification, significant production growth, and strong projected returns and considerable liquidity.

For the purposes of U.S. tender offer rules, Yamana discloses that 3,928,368 Meridian common shares have been tendered to the offer as at September 4, 2007.

**FORWARD-LOOKING STATEMENTS:** This news release contains certain forward-looking statements and forward-looking information under applicable Canadian securities laws concerning Yamana's respective transactions with Northern Orion and Meridian. Except for statements of historical fact, certain information contained herein constitutes forward-looking statements. Forward-looking statements are frequently characterized by words such as plan, expect, project, intend, believe, anticipate, estimate and other similar words, or statements that certain conditions may or will occur. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made, and are based on a number of assumptions and subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. Assumptions upon which such forward-looking statements are based include that Yamana will be successful in acquiring at least 66 2/3% of the issued and outstanding Meridian shares, that all required third party regulatory, governmental and court approvals for the transactions will be obtained and all other conditions to completion of the transactions will be satisfied or waived. Many of these assumptions are based on factors and events that are not within the control of Yamana or Northern Orion and there is no assurance they will prove to be correct. Factors that could cause actual results to vary materially from results anticipated by such forward-looking statements include Yamana failing to acquire at least 66 2/3% of the issued and outstanding Meridian shares, failing to obtain the final court order approving the Northern Orion transaction, as well as changes in market conditions and other risk factors discussed or referred to in the annual Management's Discussion and Analysis and Annual Information Form for each of Yamana and Northern Orion filed with the securities regulatory authorities in all provinces of Canada and available at [www.sedar.com](http://www.sedar.com), and the Annual Report on Form 40-F of each of Yamana and Northern Orion filed with the United States Securities and Exchange Commission. Although Yamana and Northern Orion have attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Yamana and Northern Orion undertake no obligation to update forward-looking statements if circumstances or management's estimates or opinions should change except as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking statements.
