Notice of Default Relating to 7/8% Convertible Subordinated Notes due 2008

On October 15, 2007, UTStarcom, Inc. (the Company) received a notice of default (the Notice of Default) from U.S. Bank National Association, as indenture trustee (the Trustee), pursuant to which the Trustee asserted that the Company was in default of certain obligations under the Indenture (the Original Indenture), dated as of March 12, 2003, as amended by the First Supplemental Indenture, dated January 9, 2007 (the First Supplemental Indenture), as further amended by the Second Supplemental Indenture, dated July 26, 2007 (the Second Supplemental Indenture), between the Company and the Trustee (the Original Indenture as amended by the First Supplemental Indenture and the Second Supplemental Indenture, the Indenture) with respect to the Company's 7/8% Convertible Subordinated Notes due 2008 (CUSIP Nos. 918076AA8 and 918076AB6) (collectively, the Notes). The specific purported defaults referred to in the Notice of Default are (i) the Company's failure to file with the Securities and Exchange Commission (SEC) and provide copies to the Trustee of its Quarterly Report on Form 10-Q for the fiscal quarter ending March 31, 2007 (the Q1 2007 Form 10-Q), and its Quarterly Report on Form 10-Q for the fiscal quarter ending June 30, 2007 (the Q2 2007 Form 10-Q), as required by the Indenture and the Trust Indenture Act and (ii) the Company's failure to deliver to the Trustee the officer's certificate of compliance of the Company required by the Indenture.

As previously disclosed, pursuant to the Second Supplemental Indenture, any failure by the Company to comply with covenants in the Original Indenture as amended by the First Supplemental Indenture relating to the filing of reports required to be filed with the SEC under the Securities Exchange Act of 1934 (the SEC Reports), as amended and the furnishing of copies of SEC Reports and the officer's certificate of compliance of the Company required by the Original Indenture to the Trustee before 5:30 p.m., New York City time, on October 15, 2007 (the Covenant Reversion Date) would not constitute a default under the Indenture. The Notice of Default states that the Covenant Reversion Date provided for by the Second Supplemental Indenture had passed and that the Company's failure to cure the purported defaults within 60 consecutive days after the date of the Notice of Default (such date following the 60 consecutive days, the Demand Date), would constitute an Event of Default under the Indenture.

The Company previously reported in its Notifications of Late Filing on Form 12b-25 filed on November 11, 2006, March 2, 2007, May 10, 2007, and August 9, 2007 that the filing of the Q1 2007 Form 10-Q and the Q2 2007 Form 10-Q, as well as certain other SEC Reports that the Company has now filed with the SEC, had been delayed for the reasons stated therein. The Company filed its Q1 2007 Form 10-Q with the SEC on October 17, 2007 and its Q2 2007 Form 10-Q on October 19, 2007. As of the date of the filing of this Form 8-K on October 19, 2007, the Company has, prior to the Demand Date set forth in the October 15, 2007 notice of default, (i) filed all required reports with the SEC and furnished them to the Trustee, and (ii) delivered the officer's certificate of compliance required by the Original Indenture to the Trustee. Therefore, the Company believes that that no Event of Default under the Indenture occurred.
