Item 1.01. Entry Into a Material Definitive Agreement

On March 6, 2011, Accuray Incorporated, a Delaware corporation (Accuray), entered into an Agreement and Plan of Merger (the Merger Agreement) with TomoTherapy Incorporated, a Wisconsin corporation (TomoTherapy), and Jaguar Acquisition, Inc., a Wisconsin corporation and wholly owned subsidiary of Accuray (Merger Sub).

Pursuant to the Merger Agreement, and subject to the satisfaction or waiver of certain closing conditions, Merger Sub will merge with and into TomoTherapy, with TomoTherapy surviving as a wholly owned subsidiary of Accuray (the Merger). At the effective time of the Merger, each issued and outstanding share of common stock of TomoTherapy (TomoTherapy Common Stock) (other than shares held in the treasury of TomoTherapy or owned, directly or indirectly, by Accuray, Merger Sub or any subsidiary of TomoTherapy) will be converted into the right to receive (i) \$3.15 in cash, without interest, and (ii) 0.1648 shares of the common stock of Accuray, par value \$0.001 per share (Accuray Common Stock) (such cash and shares of Accuray Common Stock, the Merger Consideration).

At the effective time of the Merger, each outstanding option to purchase shares of TomoTherapy common stock (a TomoTherapy Stock Option) will be converted into an option to purchase shares of Accuray Common Stock (a Accuray Option), on the same terms and conditions (including any vesting or forfeiture provisions or repurchase rights, but taking into account any acceleration thereof provided for in any TomoTherapy equity plan, the related award document or any other agreement) as were applicable under such TomoTherapy Stock Option as of immediately prior to the Effective Time. The number of shares of Accuray Common Stock subject to each such Accuray Option will be equal to (i) the number of shares of TomoTherapy Common Stock subject to the related TomoTherapy Stock Option immediately prior to the Effective Time multiplied by (ii) the TomoTherapy Stock Option Exchange Ratio (as defined below), and such Accuray Option will have an exercise price per share equal to (A) the exercise price per share of TomoTherapy Common Stock under such TomoTherapy Stock Option divided by (B) the TomoTherapy Stock Option Exchange Ratio, in each case subject to adjustment in order to comply with certain provisions of the Internal Revenue Code of 1986, as amended, and to ensure that the number of shares of Accuray Common Stock subject to Accuray Options, together with all shares of Accuray Common Stock issuable in the Merger, is below certain thresholds. For purposes of the foregoing calculations, the TomoTherapy Stock Option Exchange Ratio shall equal the sum of (x) (A) \$3.15 divided by (B) the volume weighted average of the daily closing prices per share of Accuray Common Stock on The NASDAQ Global Select Market for the five (5) consecutive trading days ending on and including the trading day immediately preceding the Effective Time, as reported (by Bloomberg Financial Markets) in composite transactions for NASDAQ, plus (y) 0.1648, which is the number of shares of Accuray Common Stock to which each share of TomoTherapy Common Stock is entitled in connection with the Merger.

In addition, at the effective time of the Merger, each outstanding share of restricted stock of TomoTherapy (other than shares held in the treasury of TomoTherapy or owned, directly or indirectly, by Accuray, Merger Sub or any subsidiary of TomoTherapy) will be converted into the right to receive the Merger Consideration per share that each holder of TomoTherapy Common Stock is entitled to receive in connection with the Merger. However, the stock portion of the Merger Consideration payable to holders of shares of TomoTherapy restricted stock will continue to have the same vesting and forfeiture provisions and the cash portion of the Merger Consideration payable to holders of shares of TomoTherapy restricted stock will not be payable until the date such restricted shares would have become vested under the vesting schedule in place for such shares immediately prior to the effective time of the Merger (subject to the same terms and conditions, including any vesting or forfeiture provisions or repurchase rights, but taking into account any acceleration thereof provided for in any TomoTherapy equity plan, the related award document or any other agreement).

Completion of the Merger is subject to certain closing conditions, including the approval of TomoTherapy's shareholders, receipt of antitrust approval, receipt by TomoTherapy of certain third-party consents and the deposit by TomoTherapy of \$65,000,000 in cash into a TomoTherapy account with the exchange agent.

Edgar Filing: ACCURAY INC - Form 8-K

The Merger Agreement contains certain termination rights of TomoTherapy and Accuray. Upon a termination of the Merger Agreement under certain circumstances, TomoTherapy will be required to pay a termination fee of \$8,000,000. If the Merger Agreement is terminated by TomoTherapy or Accuray under certain other circumstances, TomoTherapy will be required to pay expenses incurred by Accuray or Merger Sub or on their behalf, in an amount not to exceed \$1,500,000. In no event will TomoTherapy be required to pay both the termination fee and Accuray's and Merger Sub's expenses.

Concurrently with the execution of the Merger Agreement, TomoTherapy's executive officers and directors entered into a Support Agreement with Accuray, pursuant to which they agreed, in their capacity as shareholders of TomoTherapy, to vote the shares beneficially owned by them in favor of the Merger. Based on information provided by TomoTherapy, Accuray believes that such shares represented approximately 11% of TomoTherapy's outstanding common stock as of February 28, 2011.

The foregoing summaries of the Merger Agreement and the Support Agreement, and the transactions contemplated thereby, do not purport to be complete and are subject to, and qualified in their entirety by, the full text of such agreements, which are filed herewith as Exhibits 2.1 and 99.1, respectively, and are incorporated herein by reference. The Merger Agreement has been included to provide investors with information regarding its terms. It contains certain representations, warranties and covenants of TomoTherapy and Accuray, which were made for purposes of the Merger Agreement and are subject to qualifications and limitations agreed to by the parties. In addition, certain representations and warranties were made as of a specific date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors or may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by TomoTherapy and Accuray. Accordingly, investors should not rely on the representations, warranties or covenants in the Merger Agreement as characterizations of the actual state of facts about TomoTherapy or Accuray.
