**Item 8.01 Other Events.**

On December 22, 2011, Flextronics International Ltd. (the "Company") announced that its Board of Directors has authorized an additional share repurchase plan. This is in addition to the program announced on July 21, 2011 for \$200 million in share repurchases, under which approximately \$182 million of the Company's ordinary shares were repurchased as of December 22, 2011. In general, repurchases under the Company's share repurchase plans are subject to an aggregate limit of 10% of the Company's outstanding ordinary shares as of the Company's Extraordinary General Meeting held in July 2011. This new authorization permits the repurchase of the remaining balance of ordinary shares outstanding not to exceed the 10% limitation. There are approximately 43 million ordinary shares available for repurchase under both authorized plans as of the date hereof.

The share repurchase program does not obligate the Company to repurchase any specific number of shares and may be suspended or terminated at any time without prior notice.
