REPORT OF INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM

To the Compensation Committee of the Board of Directors

AvalonBay Communities, Inc.

1996 Non-Qualified Employee Stock Purchase Plan

We have audited the accompanying statements of financial condition of the AvalonBay Communities, Inc. 1996 Non-Qualified Employee Stock Purchase Plan as of December 31, 2012 and 2011, and the related statement of changes in plan equity for each of the three years in the period ended December 31, 2012. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Plan at December 31, 2012 and 2011, and the changes in plan equity for each of the three years in the period ended December 31, 2012, in conformity with U.S. generally accepted accounting principles.

1996 NON-QUALIFIED EMPLOYEE STOCK PURCHASE PLAN

NOTES TO FINANCIAL STATEMENTS

1. The Plan

In October 1996, Bay Apartment Communities, Inc. (Bay) adopted the 1996 Non-Qualified Employee Stock Purchase Plan, as amended and restated (the Plan). On June 4, 1998, Avalon Properties, Inc. merged with and into Bay, and in connection with such merger Bay was renamed AvalonBay Communities, Inc. (the Company). The primary purpose of the Plan is to encourage common stock ownership by eligible directors and associates (the Participants). Beginning on January 1, 2005, the Plan was amended to change the purchase period to begin on April 1 and end on October 31. Participants may contribute portions of their compensation during a purchase period and purchase common stock at the end thereof. Participation in the Plan entitles each Participant to purchase the Company's common stock at 85% of the lesser of the fair market value on the first business day of the applicable purchase period or the last business day of the applicable purchase period.

The Company has reserved 1,000,000 shares of common stock for Participants under the Plan of which 733,935 were available for issuance at December 31, 2012.

Participant Contributions

Full time employees who have completed one month of service with the Company as of the last day of the applicable election period are eligible to participate in the Plan. Part time employees who have worked for the Company at least 1,000 hours during the twelve consecutive months preceding enrollment in the Plan are also eligible to participate. Employees may make contributions to the Plan through payroll withholding only. Directors who have completed one month as a member of the Board of Directors are eligible to participate in the Plan by making cash payments at any time during each purchase period. Participants elect to participate in the Plan by submitting an election request to the Company's third party plan administrator (the Plan Administrator).

Employer Contributions

Employer contributions represent the discount or aggregate difference between the market value of the Company's common stock at the end of a purchase period and the established discounted purchase price.

Distributions

Edgar Filing: AVALONBAY COMMUNITIES INC - Form 11-K

The Company's transfer agent and registrar issues shares of common stock upon receipt of Participant and Employer contributions. The transfer agent and registrar issues stock certificates to a Participant upon his or her written request. Accordingly, all shares purchased under the provisions of the Plan are deemed to be immediately distributed to the Participants. Participants generally may not sell shares they acquire under the Plan until at least six months have elapsed from the date of purchase.

Withdrawals

A Participant may withdraw all or any part of the contributions made during a purchase period by delivering an amended election to the Plan Administrator on or before the last day of such purchase period. Upon such a withdrawal, the Participant may no longer have amounts withheld from payroll and contributed to the Plan during that purchase period. Participant contributions on the accompanying Statements of Changes in Plan Equity are net of any withdrawals made during the purchase periods shown.

Plan Termination

The Board of Directors of the Company (the Board) may terminate this Plan and any purchase period at any time (together with any related contribution elections), provided, however, no such termination shall be retroactive unless the Board determines that applicable law requires a retroactive termination of this Plan.
