Item 8.01. Other Events.

On March 24, the company filed a press release announcing that it expects first quarter earnings per share to fall below consensus estimates, attributing the shortfall (approximating \$.07 per share) to the persistent extraordinary weather and the resulting delays in some customers well completion activity. The impact is essentially confined to the company's Completion Services segment.

On March 25, 2014, Anthony G. Petrello, Chairman, President and Chief Executive Officer of the company, will make a presentation to certain investors. Attached hereto as Exhibit 99.2 are slides that will be presented at that time.
