Broadway, Milwaukee, Wisconsin 53202 on Thursday, August 7, 2014 at 10:00 a.m., Central Daylight Time, and any postponement, adjournment or continuation thereof (the Annual Meeting).

QUESTIONS AND ANSWERS ABOUT

THE PROXY MATERIALS AND THE ANNUAL MEETING

How is the Company distributing proxy materials?

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS

FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON AUGUST 7, 2014

Our Notice of Annual Meeting of Shareholders, the Proxy Statement and the Company s 2013 Annual Report

are available on the following website: <http://www.cfpproxy.com/7799>

Edgar Filing: Physicians Realty Trust - Form DEF 14A

In accordance with SEC rules, we have elected to mail our proxy materials to the record holders of our common shares while also furnishing our proxy materials to our shareholders over the Internet and we have instructed brokers, banks and similar intermediary organizations to provide to the beneficial shareholders that hold their common shares in street name (other than those beneficial shareholders who previously requested printed copy delivery) a Notice of Internet Availability of Proxy Materials containing instructions on how to access the proxy materials online (the Notice).

If you receive the Notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review all of the important information contained in the proxy materials. If you receive the Notice by mail and would like to receive a copy of our proxy materials, follow the instructions contained in the Notice about how you may request to receive a copy electronically or in printed form free of charge on a one-time or on-going basis. We encourage shareholders to take advantage of the availability of the proxy materials on the Internet as we believe electronic delivery will expedite the receipt of materials while lowering costs and reducing the environmental impact of our Annual Meeting by reducing printing and mailing of full sets of materials.

In addition to this Proxy Statement, our proxy materials include our 2013 Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 (the Form 10-K). Copies of the Form 10-K, as well as other periodic filings by the Company with the Securities and Exchange Commission, also are available in the Investor Relations section of our

Edgar Filing: Physicians Realty Trust - Form DEF 14A

website (www.docreit.com) under the tab SEC Filings . The information included in our website is not incorporated herein by reference.

What proposals will be voted on at the Annual Meeting?

Three proposals will be voted on at the Annual Meeting:

- The election of seven trustees to serve until the next annual meeting of shareholders and until their respective successors are duly elected and qualified;
- The ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014; and
- The approval of an amendment to the Company's 2013 Equity Incentive Plan to increase the number of common shares authorized for issuance under the plan by 1,850,000 common shares.

What are the Board's recommendations?

Our Board unanimously recommends that you vote:

- **FOR** the election of seven trustees to serve until the next annual meeting of shareholders and until their respective successors are duly elected and qualified (Proposal 1);
- **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal 2); and
- **FOR** the approval of an amendment to the Company's 2013 Equity Incentive Plan to increase the number of common shares authorized for issuance under the plan by 1,850,000 common shares (Proposal 3).

What happens if additional matters are presented at the Annual Meeting?

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named as proxy holders, John T. Thomas and John W. Lucey, or either of them, will have discretion to vote on those matters in accordance with his or their best judgment. We do not currently anticipate that any other matters will be raised at the 2014 Annual Meeting.

Who is entitled to vote?

Shareholders of record at the close of business on June 6, 2014 (the Record Date) may vote at the Annual Meeting. As of the close of business on the Record Date, there were 34,282,863 of our common shares outstanding. Each common share is entitled to one vote on all matters being considered at the Annual Meeting. As of the Record Date, holders of common shares are eligible to cast an aggregate of 34,282,863 votes at the Annual Meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of all the votes entitled to be cast at the Annual Meeting on any matter will constitute a quorum. Both abstentions and broker non-votes (as discussed under What vote is required to approve each item?) are counted for the purpose of determining the presence of a quorum.

What is the difference between holding shares as a registered shareholder and holding shares in street name?

If your common shares are owned directly in your name with our transfer agent, Registrar & Transfer Company, you are considered a registered holder of those common shares.

Edgar Filing: Physicians Realty Trust - Form DEF 14A

Table of Contents

If your common shares are held by a broker, bank or nominee, you hold those common shares in street name. Your broker, bank or other nominee will vote your common shares as you direct.

How do I vote?

Whether you hold shares as the shareholder of record or in street name, you may direct how your shares are voted without attending the Annual Meeting. Even if you plan to attend the Annual Meeting, we encourage you to vote in advance of the meeting in order to ensure that your vote is counted.

Shareholders of Record. As a shareholder of record, you may vote in person at the meeting, send a representative to the meeting with a signed proxy to vote on your behalf, or vote by submitting a proxy by completing, signing and dating a proxy card and mailing it in the accompanying pre-addressed envelope in accordance with the instructions included on your proxy card.

Beneficial (Street Name) Shareholders. The broker, bank or similar intermediary that holds your common shares in an account is considered to be the holder of record for purposes of voting at the meeting. As a beneficial owner, you have the right to direct the intermediary how to vote the common shares held in your account. You may vote by submitting voting instructions to your broker, bank, trustee or other intermediary in accordance with the Notice, including by submitting a voting form provided to you by such intermediary. If you wish to vote at the meeting, you must obtain from a legal proxy issued in your name from the broker, bank or nominee that holds your common shares giving you the right to vote the common shares.

You can ensure your vote is cast at the meeting by completing, signing, dating and returning your proxy card or voting form. Your vote will be cast in accordance with the instructions included on a properly signed and dated proxy card or voting form.

If you do not return a signed proxy card or voting form (or, if you are a beneficial owner, otherwise submit your vote in accordance with the instructions provided in the Notice) or attend the Annual Meeting in person or by representative and vote, no vote will be cast on your behalf. The proxy card indicates on its face the number of common shares registered in your name at the close of business on the Record Date, which number corresponds to the number of votes you will be entitled to cast at the meeting on each proposal.

You are urged to follow the instructions on your proxy card or your Notice and voting form, as applicable, to indicate how your vote is to be cast.

If you return your signed proxy but do not indicate your voting preferences, your common shares will be voted on your behalf as follows:

Edgar Filing: Physicians Realty Trust - Form DEF 14A

- FOR election of seven trustees to serve until the next annual meeting of shareholders and until their respective successors are duly elected and qualified (Proposal 1);
- FOR ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal 2); and
- FOR approval of the amendment to the Company's 2013 Equity Incentive Plan to increase the number of common shares authorized for issuance under the plan by 1,850,000 common shares (Proposal 3).

Can I change my vote or revoke my proxy?

If you are a shareholder of record, you may revoke your proxy at any time prior to the vote at the Annual Meeting. If you submitted your proxy by mail, you must file with the Secretary of the Company a written notice of revocation or deliver, prior to the vote at the Annual Meeting, a valid, later-dated proxy. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting. If you are a beneficial owner, you may change your vote by submitting new voting instructions (including a voting form) to your broker, bank or nominee, or, if you have obtained a legal proxy from your broker, bank or nominee giving you the right to vote your common shares, by attending the meeting and voting in person.

Table of Contents

What vote is required to approve each item?

Item	Vote Required	Broker Discretionary Voting Allowed
Proposal 1 To elect seven trustees to serve until the next annual meeting of shareholders and until their respective successors are duly elected and qualified	Plurality of Votes Cast	No
Proposal 2 the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014	Majority of Votes Cast	Yes
Proposal 3 The approval of an amendment to the Company's 2013 Equity Incentive Plan to increase the number of common shares authorized for issuance under the plan by 1,850,000 common shares	Majority of Votes Cast	No

With respect to Proposal 1, the vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of a Trustee. For purposes of the election of trustees, votes cast does not include abstentions or broker non-votes, and therefore, abstentions and broker non-votes will not affect the outcome of the vote, although they will be considered present for the purpose of determining the presence of quorum. You may vote **FOR** all nominees, **WITHHOLD** your vote as to all nominees, or **FOR** all nominees except those specific nominees from whom you **WITHHOLD** your vote. The nominees receiving the most **FOR** votes will be elected. A properly executed proxy marked **WITHHOLD** with respect to the election of one or more trustees will not be voted with respect to the trustee or trustees indicated. Proxies may not be voted for more than seven trustees and shareholders may not cumulate votes in the election of trustees.

With respect to Proposal 2, the affirmative vote of a majority of all of the votes cast at a meeting at which a quorum is present is required for the ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014. Votes cast does not include abstentions, and therefore, abstentions will not affect the outcome of the vote, although they will be considered present for the purpose of determining the presence of quorum. Because brokers are entitled to vote on Proposal 2 without specific instructions from beneficial owners, there will be no broker non-votes on this matter. You may vote **FOR**, **AGAINST** or **ABSTAIN**. The Company's bylaws do not require that the shareholders ratify the selection of the Company's independent registered public accounting firm. However, the Company is submitting the appointment of Ernst & Young LLP to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the selection, the audit committee will reconsider whether or not to retain Ernst & Young LLP. Even if the selection is ratified, the audit committee, in its discretion, may change the appointment at any time during the year, if it determines that such a change would be in the best interests of the Company and its shareholders.

With respect to Proposal 3, the affirmative vote of a majority of the votes cast at a meeting at which a quorum is present is required for approval of an amendment to the Company's 2013 Equity Incentive Plan to increase the number of common shares authorized for issuance under the plan by 1,850,000 common shares. Votes cast does not include broker non-votes, and therefore, broker non-votes will not affect the outcome of the vote, although they will be considered present for the purpose of determining the presence of quorum. Abstentions will have the same effect as votes against the proposal. You may vote **FOR**, **AGAINST** or **ABSTAIN**.

If your common shares are held in street name, and you do not instruct the broker as to how to vote these shares on Proposals 1 or 3, the broker may not exercise discretion to vote for or against those proposals. This would be a broker non-vote and these shares will not be counted as having been voted on the applicable proposal. With respect to Proposal 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction. **Please instruct your bank or broker so your vote can be counted.**

Table of Contents

Is cumulative voting permitted for the election of trustees?

No. The Company's declaration of trust and bylaws do not permit cumulative voting at any election of trustees.

How are proxies solicited?

The costs and expenses of soliciting proxies from shareholders will be paid by the Company. Employees, officers and trustees of the Company may solicit proxies. In addition, we will, upon request, reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation material to the beneficial owners of common shares.

What is householding?

The SEC has adopted rules that allow a company to deliver a single Notice or set of proxy materials to an address shared by two or more of its shareholders. This method of delivery, known as "householding", permits us to realize significant cost savings and reduces the amount of duplicate information shareholders receive. In accordance with notices sent to shareholders sharing a single address, we are sending only one set of proxy materials (or one Notice, if applicable) to that address unless we have received contrary instructions from a shareholder at that address. Any shareholders who object to, or wish to begin, householding may notify the Secretary orally or in writing at the telephone number or address, as applicable, set forth above. We will deliver promptly an individual copy of the proxy materials (or one Notice, if applicable) to any shareholder who revokes its consent to householding upon our receipt of such revocation.

Who counts the votes?

Registrar & Transfer Company will act as inspector of elections and certify the voting results.

How do I find out the voting results?

We will announce preliminary voting results at the Annual Meeting. We will disclose the final voting results in a Current Report on Form 8-K to be filed with the SEC on or before August 13, 2014. The Form 8-K will be available at our website (www.docreit.com) under the tab "SEC Filings" and on the SEC's website at <http://www.sec.gov>.

What do I need to do if I would like to attend the Annual Meeting?

Edgar Filing: Physicians Realty Trust - Form DEF 14A

If you attend the Annual Meeting, you will be asked to present photo identification, such as a driver's license, when you arrive. If you hold your common shares in street name, typically through a brokerage account, you also will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or a letter from your bank or broker are examples of proof of ownership. If you want to vote your common shares held in street name in person at the meeting, you must bring with you a legal proxy in your name from the broker, bank or other nominee that holds your common shares.

For directions to the Annual Meeting, you may visit our website at www.docreit.com or call us at (414) 978-6494.

What is the deadline for shareholder proposals for the 2015 Annual Meeting?

The deadline for submitting a shareholder proposal for inclusion in the proxy materials to be distributed by the Company in connection with the 2015 Annual Meeting of Shareholders pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act) is February 23, 2015. Such proposals must comply with SEC regulations under Rule 14a-18 of the Exchange Act regarding the inclusion of shareholder proposals in company-sponsored proxy materials.

In addition, our bylaws contain additional advance notice requirements for shareholders who wish to present a proposal, including shareholder nominees for election to the Board, before an annual meeting of shareholders (and not pursuant to Rule 14a-8 of the Exchange Act). According to our bylaws, with respect to an annual meeting of shareholders, nominations of individuals for election to our Board at an annual meeting and the proposal of other business to be considered by shareholders may be made only (1) pursuant to our notice of the meeting, (2) by or at the direction of our Board or (3) by a shareholder of record both at the time of giving of notice and at the time of the annual meeting, who is entitled to vote at the meeting and has complied with the advance notice provisions set forth in our bylaws. Our bylaws require the shareholder to provide notice to the Secretary containing the information

Edgar Filing: Physicians Realty Trust - Form DEF 14A

Table of Contents

required by our bylaws not less than 120 days nor more than 150 days prior to the first anniversary of the date of this year's Annual Meeting. As a result, any notice given by or on behalf of a shareholder pursuant to these provisions of the bylaws (and not pursuant to Rule 14a-8 of the Exchange Act) must be received no earlier than March 10, 2015 and no later than April 9, 2015. However, if we hold our 2015 Annual Meeting of Shareholders more than 30 days from the first anniversary of this year's Annual Meeting, then in order for notice by the shareholder to be timely, such notice must be delivered not less than 120 days nor more than 150 days prior to the date of the 2015 Annual Meeting, as originally convened, or the 10th day following the date on which public announcement of the date of the 2015 Annual Meeting is first made.

A shareholder's notice must set forth the information required by our bylaws with respect to each matter the shareholder proposes to bring before the annual meeting.

All notices of proposals by shareholders, whether or not intended to be included in the Company's proxy materials, should be sent to Physicians Realty Trust, Board c/o Secretary, 735 N. Water Street, Suite 1000, Milwaukee, WI 53202.

PROPOSAL 1

ELECTION OF TRUSTEES

Board of Trustees and Nominees

The Board currently consists of seven trustees and the term of all of the trustees expires at the Annual Meeting. Upon recommendation of the compensation and nominating governance committee, the Board has proposed that the following seven nominees be elected to the Board at the Annual Meeting, each of whom will hold office for a one-year term until the next annual meeting of shareholders and until his or her successor has been duly elected and qualified: **John T. Thomas, Hon. Tommy G. Thompson, Stanton D. Anderson, Mark A. Baumgartner, Albert C. Black, Jr., William A. Ebinger, M.D. and Richard A. Weiss**. Unless otherwise instructed, it is the intention of the persons named as proxies on the accompanying proxy card to vote shares represented by properly executed proxies for such nominees. The proxies solicited by this proxy statement may not be voted for more than seven nominees. Biographical information about each of the nominees is provided below.

Required Vote

The nominees for election to the Board who receive a plurality of all of the votes cast for the election of trustees shall be elected trustees. The nominees receiving the most FOR votes will be elected. A properly executed proxy marked WITHHOLD with respect to the election of one or more trustees will not be voted with respect to the trustee or trustees indicated. Proxies may not be voted for more than seven trustees and shareholders may not cumulate votes in the election of trustees. With respect to Proposal 1, votes cast does not include abstentions or broker non-votes, and therefore, abstentions and broker non-votes will not affect the outcome of the vote, although they will be considered present for the purpose of determining the presence of quorum.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unavailable to serve. If any nominee is unable or declines to serve as trustee at the time of the Annual Meeting, an event that the Company does not currently anticipate, proxies will be voted for any nominee designated by the Board to fill the vacancy. If elected at the Annual Meeting, each of the nominees would serve a one-year term until the 2015 Annual Meeting of Shareholders and until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named above.

CORPORATE GOVERNANCE MATTERS

Corporate Governance Profile

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our shareholders. Notable features of our corporate governance structure include the following:

- our Board is not staggered, with each of our trustees subject to re-election annually;
- of the seven persons who serve on our Board, five of our trustees satisfy the listing standards for independence of the NYSE and Rule 10A-3 under the Exchange Act;
- at least one of our trustees qualifies as an audit committee financial expert as defined by the SEC;
- we opted out of the business combination and control share acquisition statutes in the MGCL; and
- we do not have a shareholder rights plan.

Our trustees stay informed about our business by attending meetings of our Board and its committees and through supplemental reports and communications. Our independent trustees meet regularly in executive sessions without the presence of our corporate officers or non-independent trustees.

Board Leadership Structure

Mr. Thomas currently serves as our President and Chief Executive Officer and Mr. Thompson currently serves as the Non-Executive Chairman of the Board. Pursuant to the Company's bylaws, the Board may, but is not required to, designate a Chief Executive Officer. In the absence of such designation, the Chairman of the Board shall be the Chief Executive Officer of the Company. The Board has no policy with respect to the separation of the offices of Chairman of the Board and the Chief Executive Officer as the Board believes that it is in the Company's best interests and those of the Company's shareholders to make that determination from time to time based on the needs of the Company and the Board. The Board has determined that separating the roles of Chief Executive Officer and Chairman is currently in the Company's best interests and those of the Company's shareholders.

Role of the Board in Risk Oversight

One of the key functions of our Board is informed oversight of our risk management process. Our Board administers this oversight function directly, with support from its three standing committees, the audit committee, the compensation and nominating governance committee and the finance and investment committee, each of which addresses risks specific to their respective areas of oversight. In particular, our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The audit committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our compensation and nominating governance committee monitors the effectiveness of our Corporate Governance Guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our compensation and nominating governance committee also assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Board Meetings

The Board held four meetings during fiscal 2013 since completion of our IPO in July 2013. Each of our trustees attended at least 75% of the aggregate number of meetings held by the Board and of the committees on which such trustee served during fiscal 2013.

The non-management members of the Board also meet in executive session without management present regularly. Hon. Tommy G. Thompson, the Non-Executive Chairman of the Board, serves as presiding trustee of these executive sessions.

Board Committees

Our Board has established three standing committees: an audit committee, a compensation and nominating governance committee and a finance and investment committee. The principal functions of each committee are described below. We comply with the listing requirements and other rules and regulations of the NYSE, as amended or modified from time to time, and each of the audit committee and the compensation and nominating governance committee is comprised exclusively of independent trustees. Additionally, our Board may from time to time establish certain other committees to facilitate the management of our company.

The audit committee and the compensation and nominating governance committee each operate under charters approved by our Board, which charters are available in the Investor Relations section of our website (www.docreit.com) under the tab Governance Documents.

Audit Committee

We have a separately-designated standing audit committee established in accordance with section 3(a)(58)(A) of the Exchange Act. In addition, the board of trustees has determined that each member of the audit committee is financially literate within the meaning of the listing standards of the NYSE and that Mr. Anderson is an audit committee financial expert as that term is defined by the applicable SEC regulations and the listing standards of the NYSE.

We have adopted an audit committee charter, which details the principal functions of the audit committee, including oversight related to:

- our systems of disclosure controls and procedures and internal control over financial reporting;
- our compliance with financial, legal and regulatory requirements;
- the evaluation of the qualifications, independence and performance of our independent registered public accounting firm;

Edgar Filing: Physicians Realty Trust - Form DEF 14A

- the performance of our internal audit function; and
- our overall risk profile.

The audit committee is responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered compensation and nominating governance accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The audit committee also prepares the audit committee report required by SEC regulations to be included in our annual proxy statement. Mr. Anderson is the chair and Messrs. Ebinger and Weiss are members of the audit committee.

The audit committee held three meetings during fiscal 2013 since completion of our IPO in July 2013. The report of the audit committee is included in this Proxy Statement.

Finance and Investment Committee

The function of the Finance and Investment Committee is to review and approve the Company's (a) capital structure and financing activities, and (b) investments in healthcare properties. Messrs. Baumgartner, Thomas and Weiss and Dr. Ebinger serve as members of the finance and investment committee, with Mr. Baumgartner serving as the chairman. Our Board has determined that, other than Mr. Baumgartner and Mr. Thomas, each member of the finance and investment committee is independent under NYSE rules.

Our finance and investment committee operates pursuant to a written charter. Unless otherwise determined by the Board, the committee shares in the responsibility for consulting with management on, and approving on behalf of the Board, all strategies, plans, policies and actions relating to (i) capital structure; (ii) equity and debt financings, including public and private securities offerings; and (iii) credit facilities and loan, hedging and other financing transactions subject to investment parameters established by the Board for the Company, from time to time, the committee will also review and approve specific investments in healthcare properties by the Company.

The finance and investment committee held three meetings during fiscal 2013 since completion of our IPO in July 2013.

Trustee Independence

Under the listing requirements and rules of the NYSE, independent trustees must comprise a majority of a listed company's board of directors. The compensation and nominating governance committee recommended to the Board, and the Board determined, that of the seven persons who serve on our Board, the following five trustees are independent based on the NYSE's listing rules, Rule 10A-3 under the Exchange Act and the Company's corporate governance guidelines: Messrs. Thompson, Anderson, Black, Weiss and Ebinger.

The compensation and nominating governance committee recommended to the Board, and the Board determined, that each member of the audit committee is independent based on the NYSE's listing rules and that each member of the audit committee also satisfies the additional independence requirements of the SEC for members of audit committees.

The compensation and nominating governance committee recommended to the Board, and the Board determined, that each member of the compensation and nominating governance committee is independent based on the NYSE's listing rules and also meets the NYSE's additional independence requirements for membership on a compensation committee.

In making the independence determinations, our Board assessed the current and prior relationships that each non-employee trustee has with us and all other relevant facts and circumstances, including the beneficial ownership of our common shares by each non-employee trustee. Based

Edgar Filing: Physicians Realty Trust - Form DEF 14A

on these assessments, for each trustee deemed to be independent, our Board made a determination that, because of the nature of the trustee's relationships and/or the amounts involved, the trustee had no relationships with our company or our management that, in the judgment of the Board, would impair the trustee's independence.

In connection with the independence determination of Mr. Weiss, each of the compensation and nominating governance committee and our Board considered the fact that Mr. Weiss has an immediate family member, as defined in NYSE Rule 303A.02, that is a managing trustee of Ziegler. Each of the compensation and nominating governance committee and our Board concluded that this relationship did not impair Mr. Weiss's independence.

A copy of the Company's corporate governance guidelines is available in the Investor Relations section of our website (www.docreit.com) under the tab Governance Documents.

Compensation Committee Interlocks and Insider Participation

The compensation and nominating governance committee is comprised of three non-employee, independent trustees: Messrs. Black, Thompson and Anderson. No member of the compensation and nominating governance committee is or was formerly an officer or an employee of the Company or had any related person transaction required to be disclosed in which the Company was a

Table of Contents

participant during the last fiscal year. In addition, no executive officer of the Company serves on the compensation committee or board of directors of a company for which any of the Company's trustees serves as an executive officer.

Trustee Nominees

The compensation and nominating governance committee is responsible for reviewing with the Board, on an annual basis, the requisite skills and characteristics of new trustees as well as the composition of the Board as a whole. This assessment will include an analysis of trustees' qualifications under the categorical standards for independence listed above, as well as consideration of diversity, age, skills and experience in the context of the Board's needs. Nominees for trusteeship are selected by the compensation and nominating governance committee in accordance with the policies and principles in its charter and the corporate governance guidelines. The compensation and nominating governance committee considers trustee candidates recommended by its members and other Board members, as well as by management and shareholders. In addition, the compensation and nominating governance committee may engage the assistance of a professional search firm. All potential trustee candidates are reviewed by the compensation and nominating governance committee in consultation with the Chairman and the Chief Executive Officer. The compensation and nominating governance committee decides whether to recommend one or more candidates to the Board for nomination.

The compensation and nominating governance committee may consider the following criteria, among others it shall deem appropriate, in recommending candidates for election to the Board: (i) personal and professional integrity, ethics and values; (ii) experience in corporate management, such as serving as an officer or former officer of a publicly held company; (iii) experience in the Company's industry; (iv) experience with relevant social policy concerns; (v) experience as a board member of another publicly held company; (vi) ability and willingness to commit adequate time to the Board and its committee matters; (vii) the fit of the individual's skills with those of the other members of the Board and potential members of the Board in the building of a board that is effective, collegial and responsive to the needs of the Company; (viii) academic expertise in an area of the Company's operations; and (ix) practical and mature business judgment. In addition to the criteria set forth above, the compensation and nominating governance committee shall strive to create diversity in perspective, background and experience in the Board as a whole.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information known to the Company with respect to beneficial ownership of our common shares and common shares issuable upon redemption of common units in our operating partnership (OP Units) as of the Record Date by (1) each person known by the Company to be the beneficial owner of more than 5% of the Company's common shares; (2) each member of the Board; (3) the Company's President and Chief Executive Officer and each of its other named executive officers in the Summary Compensation Table in this Proxy Statement; and (4) all trustees and executive officers as a group. The percentage of shares owned is based on 34,282,863 common shares outstanding and 3,942,635 OP Units outstanding that are not held by the Company as of the Record Date.

The SEC has defined beneficial ownership of a security to mean the possession, directly or indirectly, of voting power and/or investment power over such security. A shareholder is also deemed to be, as of any date, the beneficial owner of all securities that such shareholder has the right to acquire within 60 days after that date through (1) the exercise of any option, warrant or right, (2) the conversion of a security, (3) the power to revoke a trust, discretionary account or similar arrangement or (4) the automatic termination of a trust, discretionary account or similar arrangement. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, our common shares subject to options or other rights (as set forth above) held by that person that are exercisable as of the completion of this Proxy Statement or will become exercisable within 60 days thereafter, are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person.

Unless otherwise indicated, the address of each named person is c/o Physicians Realty Trust, 735 N. Water Street, Suite 1000, Milwaukee, Wisconsin 53202. No shares beneficially owned by any executive officer, trustee or trustee nominee have been pledged as security for a loan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval or Ratification of Related Person Transactions

Following our IPO and the transactions discussed below, the Company established a policy that it will not enter into any transaction required to be disclosed under Item 404 of Regulation S-K unless the compensation and nominating governance committee reviews and approves or ratifies such transaction in accordance with a written policy. Related person transactions generally are identified in:

- questionnaires annually distributed to the Company's trustees and executive officers; and
- communications made directly by the related person to the principal financial officer, the principal accounting officer or if neither are available, an officer of a similar position.

In the course of its review and approval or ratification of a disclosable related party transaction, the compensation and nominating governance committee will consider all relevant factors, including whether the terms of the proposed transaction are at least as favorable to the Company as those that might be achieved with an unaffiliated third party. Among other relevant factors, the compensation and nominating governance committee will consider the following:

- the size of the transaction and the amount of consideration payable to a related person;
- the nature of the interest of the applicable related person;
- whether the transaction may involve a conflict of interest; and
- whether the Transaction involves the provision of goods or services to the Company that are available from unaffiliated third parties.

The compensation and nominating governance committee may, in its discretion, engage outside counsel to review certain related person transactions. In addition, the committee may request that the full Board consider the approval or ratification of any related person transaction if it deems advisable.

Finally, it is the Company's policy to make disclosures regarding any transactions in which the Company participates and in which any related person has a trustee or indirect material interest and the amount involved exceeds \$120,000 to the extent required by SEC rules.

Formation Transactions

We acquired interests in the entities that own our initial properties, as well as certain other assets and liabilities, from the Ziegler Funds in the formation transactions pursuant to contribution agreements. Mr. Sweet, our Executive Vice President and Chief Investment Officer, and Mr. Theine, our Senior Vice President of Asset and Investment Management, were employees of Ziegler prior to completion of our IPO, and Mr. Baumgartner, a member of our Board, is currently an employee of Ziegler. Messrs. Sweet and Baumgartner have direct or indirect interests in one or more of the Ziegler Funds. Mr. Sweet owns a 0.11% interest in Ziegler Funds that received OP Units in connection with the formation transactions. Mr. Baumgartner owns an indirect 0.004% interest in Ziegler Funds that received OP Units in connection with the formation transactions.

We did not conduct arm's-length negotiations with respect to all of the terms of the formation transactions. The Ziegler Funds entered into contribution agreements with our operating partnership, pursuant to which they contributed their interests in the Ziegler Funds to our operating partnership in exchange for OP Units, upon completion of our IPO. We reimbursed one of the Ziegler Funds approximately \$1 million for organizational, legal, accounting and other similar expenses incurred by such fund in connection with our IPO and the formation transactions.

The following table sets forth the consideration received by our trustees and our named executive officers in connection with the formation transactions.

Edgar Filing: Physicians Realty Trust - Form DEF 14A

Table of Contents

Ziegler Fund Investors	Relationship with Us	Number of OP Units Received in Formation Transactions(1)	Total Value of Formation Transaction Consideration(2)
John Sweet	Executive Vice President and Chief Investment Officer	2,770	\$ 31,855
Mark Baumgartner	Trustee Nominee	110	\$ 1,265

(1) Based on such person's pro rata interest in the Ziegler Funds.

(2) Based on the IPO price per share for our common shares.

We did not obtain independent third-party appraisals of our properties. Accordingly, there can be no assurance that the fair market value of the OP Units that we issue to the Ziegler Funds did not exceed the fair market value of the properties and other assets acquired by us in the formation transactions. As a result, the value of the consideration for our initial properties in the formation transactions may exceed their aggregate fair market value.

Registration Rights

Pursuant to the terms of the partnership agreement of our operating partnership, we agreed to file, following the date on which we become eligible to file a registration statement on Form S-3 under the Securities Act, one or more registration statements registering the issuance or resale of the common shares issuable upon redemption of the OP Units issued in connection with the formation transactions. We agreed to pay all of the expenses relating to such registration statements.

Shared Services Agreement

Our shared services agreement with Ziegler requires Ziegler to provide certain support services to us, including providing office space and administrative support, accounting support, information technology services, which include hosting and maintaining a separate and secure website, email service and other software necessary to operate our business, in a totally independent and password protected system segregated from other Ziegler sites, human resources and marketing assistance. In addition, we have access to Ziegler's proprietary credit research on hundreds of hospitals, hospital systems and senior living operators. We believe this arrangement with Ziegler provides cost-effective support to us until such time as our portfolio and revenues reach a level that makes it cost-effective for us to internally build out our staff and other overhead.

The term of the shared services agreement is five years ending July 24, 2018 and provides for an annual fee of \$650,000, payable to Ziegler in equal monthly installments. After the initial two years of the term, we may, at our option, elect to reduce the level of services under the agreement in which event the annual fee for the remaining period will be reduced to \$500,000 per year payable in cash or in our common shares, at our option. The shared service fee amounted to \$0.3 million in 2013.

Mr. Baumgartner is affiliated with and currently employed by Ziegler. Mr. Weiss, a member of our Board, has an immediate family member, as defined in NYSE Rule 303A.02, that is a managing trustee of Ziegler.

Indemnification of Officers and Trustees

Our declaration of trust and bylaws provide for certain indemnification rights for our trustees and officers and we have entered into an indemnification agreement with each of our executive officers and trustees, providing for procedures for indemnification and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from their service to us or, at our request, service to other entities, as officers or trustees, or in other capacities, to the maximum extent permitted by Maryland law.

EXECUTIVE COMPENSATION

As an emerging growth company under SEC rules, we are not required to include a Compensation Discussion and Analysis section and have elected to comply with the scaled disclosure requirements applicable to emerging growth companies.

Compensation Processes and Procedures

The Board established the compensation and nominating governance committee to carry out the Board's responsibilities to administer our compensation programs. The compensation and nominating governance committee has the final decision-making authority for the compensation of our named executive officers. The compensation and nominating governance committee operates under a written charter adopted by the compensation committee and approved by the Board. The charter is available in the Investor Relations section of our website (www.docreit.com) under the tab Governance Documents. Each committee member of the compensation and nominating governance committee is independent based on the NYSE's listing rules and also meets the NYSE's additional independence requirements for membership on a compensation committee.

Our compensation and nominating governance committee has independent authority to engage outside consultants and obtain input from external advisers as well as our management team or other employees.

The compensation and nominating governance committee may retain any independent counsel, experts or advisors that it believes to be desirable and appropriate. The compensation and nominating governance committee may also use the services of the Company's regular legal counsel or other advisors to the Company. The compensation and nominating governance committee undertakes an independent assessment prior to retaining or otherwise selecting any independent counsel, compensation consultant, search firm, expert or other advisor that will provide advice to it, taking such factors into account and as otherwise may be required by the NYSE from time to time. On at least an annual basis, the compensation and nominating governance committee evaluates whether any work by any compensation consultant to it raised any conflict of interest.

In fiscal 2013, the compensation and nominating governance committee did not engage any compensation consultant to advise it with respect to the 2013 compensation of our executives and trustees.

The compensation and nominating governance committee may form and delegate authority to subcommittees to the extent consistent with its charter, the Company's bylaws and applicable law and NYSE rules; however, it may not delegate any of its responsibilities described in the first four bullet-points provided under Corporate Governance Matters - Compensation and Nominating Governance Committee above or for any matters that involve executive compensation or any matters where it has determined such compensation is intended to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), or is intended to be exempt from Section 16(b) under the Exchange Act pursuant to Rule 16b-3 by virtue of being approved by a committee of outside directors.

Edgar Filing: Physicians Realty Trust - Form DEF 14A

Our Chief Executive Officer typically attends compensation and nominating governance committee meetings, except for executive sessions (unless specifically requested by the compensation and nominating governance committee to be present). No named executive officer attends an executive session at which his or her compensation is considered. Our Chief Executive Officer may provide recommendations with respect to compensation for the named executive officers other than himself. The compensation and nominating governance committee considers these recommendations, but may approve, reject or adjust them as it deems appropriate.

Pursuant to our employment agreement, as amended and restated, with Mr. Thomas, he agreed to serve as our President and Chief Executive Officer for an initial three-year term, which term will automatically renew for successive one-year terms unless earlier terminated in accordance with the employment agreement's provisions or unless either we or Mr. Thomas provide the other notice of non-renewal at least 60 days prior to the expiration of the initial or a renewal term. The employment agreement provides that Mr. Thomas is entitled to an annual base salary of \$300,000, subject to such annual increases as the compensation and nominating governance committee may approve, reimbursement of up to \$10,000 annually for reasonable professional expenses to receive personal advice from certain professional advisors, and other benefits generally available to other employees and our other executives. Also, Mr. Thomas has an annual cash bonus opportunity for each calendar year during his

employment based upon performance goals that are established by the Board or the compensation and nominating governance committee, as the case may be, in its sole discretion. The employment agreement also provides that we grant to Mr. Thomas, on or as soon as administratively practicable after the date of the completion of our IPO, an award of restricted shares under the 2013 Equity Incentive Plan, with a value of \$1,000,000 with the number of shares being determined by the IPO price and which will vest over a three-year period, equally on the first, second, and third anniversary of the employment agreement's effective date, subject to any forfeiture or acceleration provisions set forth in the restricted share agreement and the 2013 Equity Incentive Plan. We granted Mr. Thomas an award of 86,956 restricted common shares on July 24, 2013.

Mr. Thomas's employment agreement provides that it may be terminated at any time, without severance, by us for cause or by Mr. Thomas if without good reason, however, upon such termination of employment, Mr. Thomas will be entitled to receive (i) his base salary accrued through the date of termination, any accrued but unpaid vacation pay, plus any bonuses earned but unpaid with respect to fiscal years or other periods ending before the termination date (collectively, the Accrued Obligations), payable within the time period required by law, and in any event within 60 days following the date of termination; and (ii) any nonforfeitable benefits payable to him under any deferred compensation, incentive, or other benefit plans maintained by the Company, payable in

accordance with the terms of the applicable plan (Nonforfeitable Benefits). If Mr. Thomas's employment is terminated by us without cause or by Mr. Thomas for good reason, then he would be entitled to the Accrued Obligations, Nonforfeitable Benefits, and, subject to his continued compliance with the restrictive covenants set forth in this employment agreement and a requirement that he timely return and not revoke an executed release agreement, he would be entitled to severance pay equal to the sum of (i) his then current base salary, payable in accordance with our normal payroll practices, for a period equal to the greater of (a) the remainder of the then current term of the employment agreement or (b) 24 months; and (ii) any annual bonuses that would have been earned based solely on Mr. Thomas's continued employment for the remainder of the then current term of the employment agreement, or if none, an amount equal to 50% of his then current base salary, payable at the same time bonuses are paid to other active employees with respect to the applicable performance period. Additionally, any options, restricted shares, or other awards granted to Mr. Thomas under the 2013 Equity Incentive Plan would become fully vested and, in the case of options, exercisable in full, and Mr. Thomas would be entitled to continue coverage, at our expense, under any health insurance programs, which were maintained by us and that he participated in at the time of his termination, for a period of 12 months or, if earlier, the date he obtains comparable coverage under a group health plan maintained by a new employer. However, if Mr. Thomas's employment is involuntarily terminated (except by us for cause) or by Mr. Thomas for good reason within 12 months following a change in control, in lieu of the severance pay amount described above, Mr. Thomas would be entitled to severance pay in a lump sum cash payment within 60 days of his termination of employment equal to the present value of a series of monthly payments for 24 months, each in an amount equal to one-twelfth of the sum of (i) his then current base salary and (ii) the average of the annual bonuses paid to him for the prior two fiscal years, if any; additionally, the period of time during which he is entitled to continue coverage under our health insurance programs would be extended to 18 months. If Mr. Thomas's employment were terminated due to his disability, then he would be entitled to the Accrued Obligations, Nonforfeitable Benefits, and, subject to his continued compliance with the restrictive covenants set forth in this employment agreement and a requirement that he timely return and not revoke an executed release agreement, he would be entitled to severance pay, payable in accordance with our normal payroll practices, equal to 12 months of his then current base salary, reduced on a dollar-for-dollar basis by the amount of bona fide disability pay (within the meaning of Treas. Reg. section 1.409A-1(a)(5)) received or receivable by Mr. Thomas during such 12-month period, provided such disability payments are made pursuant to a plan sponsored by us that covers a substantial number of our employees and was established prior to the date Mr. Thomas incurred a permanent disability, and further provided that such reduction does not otherwise affect the time of payment of his severance pay.

For purposes of this employment agreement, cause is limited to: (i) the executive engaging in any act of fraud, dishonesty, theft, misappropriation or embezzlement of funds or misrepresentation with respect to us; (ii) the executive's conviction or plea of no contest with respect to any felony or other crime involving moral turpitude; (iii) the executive's material breach of his obligations under the employment agreement, without limitation, breach of the covenants set forth in Section 9 (Protection of Confidential Information) and Section 10 (Restrictive Covenants) or the refusal of the executive to perform his job duties as directed by our Board, which the executive failed to cure within 30 days after receiving written notice from our Board specifying the alleged breach; (iv) violation of any material duty or obligation to us or of any direction or any rule or regulation reasonably established by our Board, which the executive failed to cure within 30 days after receiving written notice from our Board specifying the alleged violation; or (v) insubordination or misconduct in the performance of, or neglect of, the executive's duties which the executive failed to cure within 30 days after receiving written notice from our Board specifying the alleged insubordination, misconduct, or neglect. Good Reason is defined as any of the following occurrences (without the executive's consent): (i) being assigned to a position other than President and Chief Executive Officer (other than for cause or by reason of his disability) or assigned duties materially inconsistent with such position if either such change in assignment constitutes a material diminution in the executive's authority, duties or responsibilities; or (ii) being directed to report to anyone other than our Board if such change in reporting duties constitutes a material diminution in the authority, duties or responsibilities of the supervisor to whom the executive is required to report; provided that the executive has notified us within the first 90 days following the initial date of such change in assignment or reporting duties that the executive regards such change in assignment or reporting duties as grounds justifying his resignation for good reason and we have failed to cure such change in assignment or reporting duties within 90 days following its receipt of such notice from the executive; and provided further that the executive resigns for good reason within six months following the initial existence of a change in assignment or reporting duties that constitute good reason. Disability is defined as the executive being incapacitated due to physical or mental illness and such incapacity, with or without reasonable accommodation, prevents the executive from satisfactorily performing the essential functions of his job for us on a full-time basis for at least 90 days in a calendar year.

The employment agreement also provides that we grant to Mr. Sweet, on or as soon as administratively practicable after the date of the completion of our IPO, an award of restricted shares under the 2013 Equity Incentive Plan, with a value of \$800,000 with the number of shares being determined by the IPO price and which will vest over a three-year period, equally on the first, second, and third anniversary of the employment agreement's effective date, subject to any forfeiture or acceleration provisions set forth in the restricted share agreement and the 2013 Equity Incentive Plan. We granted Mr. Sweet an award of 69,564 restricted common shares on July 24, 2013.

Mr. Sweet's employment agreement provides that it may be terminated at any time, without severance, by us for cause or by Mr. Sweet if without good reason, however, upon such termination of employment, Mr. Sweet would be entitled to receive (i) the Accrued Obligations, payable within the time period required by law, and in any event within 60 days following the date of termination; and (ii) Nonforfeitable Benefits. If Mr. Sweet's employment were terminated by us without cause or by Mr. Sweet for good reason, then he would be entitled to the Accrued Obligations, Nonforfeitable Benefits, and, subject to his continued compliance with the restrictive covenants set forth in this employment agreement and a requirement that he timely return and not revoke an executed release agreement, he would be entitled to severance pay equal to the sum of (i) his then current base salary, payable in accordance with our normal payroll practices, for a period equal to the greater of (a) the remainder of the then current term of the employment agreement or (b) 24 months; and (ii) any annual bonuses that would have been earned based solely on Mr. Sweet's continued employment for the remainder of the then current term of the employment agreement, or if none, an amount equal to 50% of his then current base salary, payable at the same time bonuses are paid to other active employees with respect to the applicable performance period. Additionally, any options, restricted shares, or other awards granted to Mr. Sweet under the 2013 Equity Incentive Plan would become fully vested and, in the case of options, exercisable in full, and Mr. Sweet would be entitled to continue coverage, at our expense, under any health insurance programs, which were maintained by us and that he participated in at the time of his termination, for a period of 12 months or, if earlier, the date he obtains comparable coverage under a group health plan maintained by a new employer. However, if Mr. Sweet's employment is involuntarily terminated (except by us for cause) or by Mr. Sweet for good reason within 12 months following a change in control, in lieu of the severance pay amount described above, Mr. Sweet would be entitled to severance pay in a lump sum cash payment within 60 days of his termination of employment equal to the present value of a series of monthly payments for 24 months, each in an amount equal to one-twelfth of the sum of (i) his then current base salary and (ii) the average of the annual bonuses paid to him for the prior two fiscal years, if any; additionally, the period of time during which he is entitled to continue coverage under our health insurance programs would be extended to 18 months. If Mr. Sweet's employment is terminated due to his disability, then he would be entitled to the Accrued Obligations, Nonforfeitable Benefits and, subject to his continued compliance with the restrictive covenants set forth in this employment agreement and a requirement that he timely return and not revoke an executed release agreement, he would be entitled to severance pay, payable in accordance with our normal payroll practices, equal to 12 months of his then current base salary, reduced on a dollar-for-dollar basis by the amount of bona fide disability pay (within the meaning of Treas. Reg. section 1.409A-1(a)(5)) received or receivable by Mr. Sweet during such 12-month period, provided such disability payments are made pursuant to a plan sponsored by us that covers a substantial number of our employees and was established prior to the date Mr. Sweet incurred a permanent disability, and further provided that such reduction does not otherwise affect the time of payment of his severance pay. Cause, good reason, and disability have the same definitions as those terms in Mr. Thomas's employment agreement, except that good reason will exist if Mr. Sweet is assigned to a position other than Executive Vice President and Chief Investment Officer or if he is directed to report to anyone other than to our President and Chief Executive Officer.

Employment Agreement with Mark D. Theine

Pursuant to our employment agreement, as amended and restated with Mr. Theine, he agreed to serve as our Senior Vice President of Asset and Investment Management for an initial three-year term, which term will automatically renew for successive one-year terms unless earlier terminated in accordance with the employment agreement's provisions or unless either we or Mr. Theine provide the other with notice of non-renewal at least 60 days prior to the expiration of the initial or a renewal term. The employment agreement provides that Mr. Theine is entitled to an annual base salary of \$150,000, subject to such annual increases as the compensation and nominating governance committee may approve, reimbursement of up to \$10,000 annually for reasonable professional expenses to receive personal advice from certain professional advisors, and other benefits generally available to other employees and our other executives. We granted Mr. Theine an award of 34,782 restricted common shares on July 24, 2013.

Mr. Theine's employment agreement provides that it may be terminated at any time, without severance, by us for cause or by Mr. Theine if without good reason, however, upon such termination of employment, Mr. Theine would be entitled to receive (i) the Accrued Obligations, payable within the time period required by law, and in any event within 60 days following the date of termination; and (ii) Nonforfeitable Benefits. If Mr. Theine's employment were terminated by us without cause or by Mr. Theine for good reason, then he would be entitled to the Accrued Obligations, Nonforfeitable Benefits, and, subject to his continued compliance with the restrictive covenants set forth in this employment agreement and a requirement that he timely return and not revoke an executed release agreement, he would be entitled to severance pay equal to the sum of (i) his then current base salary, payable in accordance with our normal payroll practices, for a period equal to the greater of (a) the remainder of the then current term of the employment agreement or (b) 24 months; and (ii) any annual bonuses that would have been earned based solely on Mr. Theine's continued employment for the remainder of the then current term of the employment agreement, or if none, an amount equal to 50% of his then current base salary, payable at the same time bonuses are paid to other active employees with respect to the applicable performance period. PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has appointed the firm of Ernst & Young LLP (Ernst & Young) as the Company s independent registered public accounting firm for fiscal 2014. Representatives of Ernst & Young are expected to be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

Change in Accountants

The audit committee conducted a competitive process to determine the Company s independent registered public accounting firm for the fiscal 2014. The audit committee invited several international public accounting firms to participate in this process, including Plante & Moran, PLLC (Plante Moran), the Company s independent registered public accounting firm for fiscal 2013.

On April 4, 2014, the Audit Committee approved the appointment of Ernst & Young as the Company s independent registered public accounting firm for fiscal 2014 as a result of this process.

The reports of Plante Moran on the Company s consolidated financial statements for the fiscal year ended December 31, 2013 and on the combined financial statements of the historical business and operations of four healthcare real estate funds classified for accounting purposes as the Company s Predecessor (which is not a legal entity and is comprised of the four healthcare real estate funds managed by B.C. Ziegler & Company that owned directly or indirectly interests in entities that owned the initial properties the Company acquired on July 24, 2013 in connection with completion of our IPO and related formation transactions) for the fiscal year ended December 31, 2012 did not contain any adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Predecessor s fiscal year ended December 31, 2012 and the Company s fiscal year ended December 31, 2013, and through April 4, 2014, (i) there were no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between the Company and Plante Moran on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Plante Moran would have caused Plante Moran to make reference to the subject matter of the disagreement in connection with its reports on the Company s consolidated financial statements for such years, and (ii) except for the material weakness discussed below, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K). As previously disclosed, in connection with the audit of the combined financial statements of our Predecessor for the fiscal year ended December 31, 2012 (which fiscal year end pre-dated the Company s initial public offering and related formation transactions), Plante Moran identified a material weakness in our internal control over financial reporting. The issues identified by Plante Moran related to the timing of data collection from our property managers, resulting in a limited amount of review of this financial information by our Predecessor s management, and a recommendation to adopt formal procedures and process to identify potential impairment issues of the Predecessor s properties. The Company has already taken steps to address these data collection and controls with the Company s property managers, implement formal procedures and processes to adequately review this financial information, in order to have a formal procedure and process to identify potential impairment issues, if any, with the Company s properties going forward. The audit committee has discussed these matters with Plante Moran and the Company has authorized Plante Moran to respond fully to any inquiries by Ernst & Young.

Edgar Filing: Physicians Realty Trust - Form DEF 14A

The Company provided Plante Moran with a copy of the above disclosures and requested that Plante Moran provide the Company with a letter addressed to the SEC stating whether or not Plante Moran agrees with the above disclosures. A copy of Plante Moran's letter, dated April 4, 2014, was attached as Exhibit 16.1 to the Company's Form 8-K filed on April 7, 2014.

During the Company's fiscal years ended December 31, 2013 and 2012, and through April 4, 2014, neither the Company nor anyone acting on its behalf consulted Ernst & Young regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered with respect to the Company's financial statements, and neither a written report or oral advice was provided to the Company by Ernst & Young that Ernst & Young concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement or reportable event as those terms are defined in Item 304(a)(1) of Regulation S-K.

Fees Paid to Independent Registered Public Accounting Firm

Plante & Moran was the Company's independent registered public accounting firm for fiscal 2013. The aggregate fees billed for professional services by Plante Moran in fiscal 2013 were as follows:

Audit Fees. The aggregate fees billed for professional services rendered by Plante Moran for the audit of the Company's consolidated and combined financial statements included in this annual report, review of financial statements included in Form 10-Qs, audit of management's assessment of internal controls, and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements, were approximately \$70,360 for the year ended December 31, 2013.

Audit Related Fees. The aggregate fees billed for assurance and related services by Plante Moran that are reasonably related to the performance of the audit or review of the Company's consolidated and combined financial statements and are not reported under *Audit Fees* above were approximately \$659,950 for the year ended December 31, 2013. Audit related services included services for matters such as audits of equity offerings, acquisitions and other domestic services.

Tax Fees. The aggregate fees billed for professional services rendered by Plante Moran for tax compliance, tax advice and tax planning were approximately \$18,248 for the year ended December 31, 2013. Tax related services included preparation and review of tax returns and consultation related to tax strategies and planning, compliance and state and local tax regulatory matters.

All Other Fees. The aggregate fees billed for other professional services was \$7,456.

Any audit, audit-related, tax and other fees of Plante Moran incurred by our Predecessor prior to the formation transactions in July 2013 were paid by the Ziegler Funds because the Company's results were included in the combined financial statements of the Ziegler Funds. As a result, the amounts reported above are not necessarily representative of the fees the Company expects to pay its independent registered public accounting firm in future years.

Audit Committee Pre-Approval Policies and Procedures

The audit committee has established a pre-approval policy under which all audit and non-audit services performed by the Company's independent registered public accounting firm must be approved in advance by the audit committee. The audit committee's pre-approval policy provides for pre-approval of audit, audit-related, tax and certain other services specifically described by the audit committee. The term of any pre-approval is 12 months from the date of pre-approval, unless the audit committee specifically provides for a different period. The audit committee will revise the list of pre-approved services from time to time, based on subsequent determinations. In addition, individual engagements anticipated to exceed pre-established thresholds, as well as certain other services, must be specifically pre-approved by the audit committee. The pre-approval policy also provides that the audit committee may delegate pre-approval authority to the Chairman of the audit committee provided that the decision to pre-approve is communicated to the full audit committee at its next meeting.

The services performed by Plante Moran in fiscal 2013 were pre-approved in accordance with the audit committee's pre-approval policy.

Required Vote

Ratification of the selection of Ernst & Young as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014 requires the affirmative vote of a majority of all of the votes cast on Proposal 2 at the Annual Meeting in person or by proxy. Votes cast does not include abstentions, and therefore, abstentions will not affect the outcome of the vote, although they will be considered present for the purpose of determining the presence of quorum. Because brokers are entitled to vote on Proposal 2 without specific instructions from beneficial owners, there will be no broker non-votes on this matter. You may vote FOR, AGAINST or ABSTAIN.

Shareholder ratification of the selection of Ernst & Young as the Company's independent registered public accounting firm is not required by the Company's bylaws or otherwise. However, the Board is submitting the selection of Ernst & Young to the shareholders for ratification as a matter of corporate practice. If the shareholders fail to ratify the selection, the audit committee will reconsider whether or not to retain Ernst & Young. Even if the selection is ratified, the audit committee in its discretion may direct the

appointment of a different independent registered public accounting firm at any time during the year if the audit committee determines that such a change would be in the best interests of the Company and its shareholders.

The Board recommends a vote FOR ratification of Ernst & Young as the Company's independent registered public accounting firm for fiscal 2014.

PROPOSAL 3

**APPROVAL OF AN AMENDMENT TO
THE PHYSICIANS REALTY TRUST 2013 EQUITY INCENTIVE PLAN**

The Company is requesting that shareholders approve an amendment (the Amendment) to the Physicians Realty Trust 2013 Equity Incentive Plan, as amended from time to time (the 2013 Equity Incentive Plan or the plan), to authorize an additional 1,850,000 common shares for issuance thereunder, which amendment was approved by our compensation, nominating and governance committee subject to shareholder approval. If the amendment is not approved by our shareholders at the Annual Meeting, no new shares will be added and awards shall continue to be granted under the 2013 Equity Incentive Plan as previously adopted.

Background

We completed our IPO on July 24, 2013 and since then, have been growing rapidly. As of the Record Date, we have 46 properties in our portfolio with approximately 1,660,956 net leasable square feet in the aggregate. In addition, we have been adding personnel, including our hiring of Jeffrey Theiler as our Executive Vice President and Chief Financial Officer on May 13, 2014, which hiring will become effective on July 7, 2014.

The closing price per share of our common shares as of the Record Date was \$14.40 per share. As of the Record Date, there were 34,282,863 common shares issued and outstanding and 3,942,635 OP Units outstanding that are not held by us.

After the Amendment, the 2013 Equity Incentive Plan will continue to contain a number of provisions that the Company believes are consistent with the interests of shareholders and sound corporate governance practices, including:

- No automatic grants. The 2013 Equity Incentive Plan does not provide for automatic grants to any participant.
- No tax gross-ups. The 2013 Equity Incentive Plan does not provide for any tax gross-ups or similar payments or reimbursements to defray tax liability associated with the issuance of awards under the plan.
- No repricing of options or share appreciation rights. The 2013 Equity Incentive Plan prohibits the repricing of options and share appreciation rights without the prior approval of the shareholders.

- No discounted options or share appreciation rights. Options and share appreciation rights may not be granted with an exercise price that is less than 100% of the fair market value of our common shares on the date of grant.

The purposes of the plan are to attract and retain qualified persons upon whom, in large measure, our sustained progress, growth and profitability depend, to motivate the participants to achieve long-term company goals and to more closely align the participants' interests with those of our other shareholders by providing them with a proprietary interest in our growth and performance. Our executive officers, employees, consultants and non-employee trustees are eligible to participate in the plan. We believe that our long-term success and shareholder value depend on our ability to attract, retain and motivate qualified officers, employees, consultants and non-employee trustees of the Company. As a result, a significant component of our compensation program in fiscal 2013 consisted of awards of restricted common shares. In March 2014, we granted restricted common shares to our trustees and restricted common shares and performance-based restricted stock units to our executives. We expect to continue to grant equity awards to our trustees, executives and personnel we may hire in the future to incentivize, reward and retain these individuals. We consider equity grants to be a key part of our overall compensation program. The 2013 Equity Incentive Plan is the only equity-based incentive plan used by the Company to provide equity-based awards to executive officers, employees, consultants and non-employee trustees.

Request for Additional Common Shares

In order to provide the Company the flexibility to responsibly address its future equity compensation needs and so that it may attract, retain and motivate officers, employees, consultants and non-employee trustees and to align their interests with the interests of shareholders, the Company is requesting that shareholders approve the Amendment, which increases the number of common shares authorized for issuance under the plan by 1,850,000, bringing the total number of common shares available for awards under the 2013 Equity Incentive Plan to 2,450,000 common shares. As of the Record Date, there was 210,054 common shares remaining available for grant under the 2013 Equity Incentive Plan.

As of the Record Date, 55,680 common shares underlying performance-based restricted stock units at target level are reserved for issuance and 210,054 common shares are available for issuance pursuant to future awards under the 2013 Equity Incentive Plan, which amounts to 265,734 common shares in the aggregate. This total of 265,734 common shares represents an overhang of approximately 0.7% based on 34,282,863 outstanding common shares and 3,942,635 OP Units outstanding that are not held by the Company as of the Record Date. If the Amendment is approved, the additional 1,850,000 common shares available for issuance under

Table of Contents

the 2013 Equity Incentive Plan would increase the overhang to 5.5%. The Company calculates overhang as the total of (a) the number of common shares underlying outstanding awards (including for performance awards, at target level) plus the number of common shares available for issuance under future awards, divided by (b) the number of common shares outstanding, the number of OP Units outstanding that are not held by the Company, the number of common shares underlying outstanding awards (including for performance awards, at target level) and the number of common shares available for issuance under future awards.

When considering the number of additional common shares to add to the 2013 Equity Incentive Plan, our compensation and nominating governance committee reviewed, among other things, the potential dilution to the Company's current shareholders as measured by overhang, projected future common share usage and projected future forfeitures. The projected future usage of common shares for awards under the 2013 Equity Incentive Plan was reviewed under scenarios based on a variety of assumptions. Depending on assumptions, the 1,850,000 common shares to be added to the 2013 Equity Incentive Plan pursuant to the Amendment, in combination with the remaining authorized common shares and common shares added back to the plan from forfeitures of awards granted under the 2013 Equity Incentive Plan, is expected to satisfy the Company's equity compensation needs through at least the 2018 Annual Meeting. Our compensation and nominating governance committee is committed to effectively managing the number of common shares reserved for issuance under the 2013 Equity Incentive Plan while minimizing shareholder dilution.

Summary of 2013 Equity Incentive Plan, as Amended

The following is a summary of the material terms of the 2013 Equity Incentive Plan, as amended, assuming the amendment to the 2013 Equity Incentive Plan is approved at the Annual Meeting. The following summary does not purport to be complete and is qualified in its entirety by reference to the full text of the 2013 Equity Incentive Plan, which is attached as Appendix A and incorporated herein by reference and which is marked to show changes effected by the proposed amendment. Shareholders are encouraged to read the text of the 2013 Equity Incentive Plan in its entirety.

General

The purposes of the plan are to attract and retain qualified persons upon whom, in large measure, our sustained progress, growth and profitability depend, to motivate the participants to achieve long-term company goals and to more closely align the participants' interests with those of our other shareholders by providing them with a proprietary interest in our growth and performance. Our executive officers, employees, consultants and non-employee trustees are eligible to participate in the plan. Under the plan, 2,450,000 common shares (which takes into account the proposed 1,850,000 common share increase) are available for issuance subject to adjustment as provided in the plan. The plan is administered by our compensation and nominating governance committee, which will interpret the plan and have broad discretion to select the eligible persons to whom awards will be granted, as well as the type, size and terms and conditions of each award, including the exercise price of options, the number of shares subject to awards and the expiration date of, and the vesting schedule or other restrictions (including, without limitation, restrictive covenants) applicable to, awards.

Type and Amount of Awards

The plan allows us to grant the following types of awards:

- non-qualified options;
- share appreciation rights, or SARs;
- restricted shares;
- common shares;
- restricted share units;
- performance awards; and
- dividend equivalent rights.

In any calendar year, no participant may be granted awards for options, SARs, restricted shares, unrestricted shares, restricted share units, or performance awards (or any other award that is determined by reference to the value our common shares or appreciation in the value of such shares) that exceed, in the aggregate, 500,000 underlying common shares. During a calendar year, no participant may receive performance awards intended to comply with the requirements of Section 162(m) of the Code which have an

Table of Contents

aggregate value of more than \$4 million, and if such performance awards involve the issuance of common shares, the aggregate value of the performance awards shall be based on the fair market value of such common shares at the time of grant of the performance award. The following are descriptions of the types of awards allowed under the plan:

Stock Options

Options may be granted by our compensation and nominating governance committee and may be nonqualified options. Options are subject to the terms and conditions, including vesting conditions, set by our compensation and nominating governance committee. The exercise price for all options granted under the plan will be determined by our compensation and nominating governance committee, except that no options can be granted with an exercise price that is less than 100% of the fair market value of our common shares on the date of grant. The term of all options granted under the plan will be determined by our compensation and nominating governance committee, but may not exceed 10 years. Each option will be exercisable at such time and pursuant to such terms and conditions as determined by our compensation and nominating governance committee in the applicable option agreement. Each option gives the participant the right to receive a number of our common shares upon exercise of the option and payment of the exercise price. The exercise price may be paid in cash (including cash obtained through a broker selling the share acquired on exercise), our common shares (if approved by our compensation and nominating governance committee), or any combination of cash and such common shares or any other form of valid consideration that is acceptable to the compensation, nominating and corporate governance committee.

Share Appreciation Rights, or SARs

SARs may be granted on a stand-alone basis (i.e., not in conjunction with options granted under the plan) or may be granted in tandem with options granted under the plan. A SAR granted under the plan entitles its holder to receive, at the time of exercise, an amount per share equal to the excess of the fair market value (at the date of exercise) of a common share over a specified price, known as the base price, fixed by our compensation and nominating governance committee, which will not be less than 100% of the fair market value of our common shares on the grant date of the SAR. Payment may be made in any manner as determined by our compensation and nominating governance committee.

Restricted Shares, Common Shares and Restricted Share Units

Restricted shares are our common shares that are forfeitable until the restrictions lapse. Unrestricted shares are our common shares that are not subject to time-based, performance or other restrictions. Restricted share units are rights granted as an award to receive our common shares, conditioned upon the satisfaction of restrictions imposed by our compensation and nominating governance committee. Our compensation and nominating governance committee will determine the restrictions for each award and the purchase price in the case of restricted shares, if any. Restrictions on the restricted shares and restricted share units may include time-based restrictions, the achievement of specific performance goals or, in the case of restricted share units, the occurrence of a specific event. Vesting of restricted shares and restricted share units is conditioned upon the participant's continued employment among other restrictions that may apply. Participants do not have voting rights in restricted share units. If the performance goals are not achieved or the restrictions do not lapse within the time period provided in the award agreement, the participant will forfeit his or her restricted shares and/or restricted share units.

Performance Awards

Edgar Filing: Physicians Realty Trust - Form DEF 14A

Our compensation and nominating governance committee is authorized to grant performance awards under the 2013 Equity Incentive Plan, on which the right of a participant to exercise or receive a grant or settlement of an award, and the timing of the grant or settlement, may be subject to such performance conditions during a specified period as may be specified by our compensation and nominating governance committee. Performance and incentive awards may be settled in cash, our common shares or other consideration, or any combination thereof. Our compensation and nominating governance committee will determine award terms, including the required performance goals, the corresponding amounts payable upon achievement of such performance goals, termination and forfeiture provisions and the form of settlement (including, maximum or minimum settlement values), so long as such provisions are not inconsistent with the terms of the 2013 Equity Incentive Plan. To the extent our compensation and nominating governance committee determines that Code Section 162(m) shall apply to a performance award granted under the 2013 Equity Incentive Plan, it is our intent that performance awards constitute performance-based compensation within the meaning of Code

Edgar Filing: Physicians Realty Trust - Form DEF 14A

Table of Contents

Section 162(m) and the regulations thereunder and, accordingly, in such case, all performance goals shall be objective and otherwise meet the requirements of Code Section 162(m). In certain circumstances, our compensation and nominating governance committee may, in its discretion, modify the performance measures or objectives and/or the performance period. In addition, our compensation and nominating governance committee, in its discretion, may reduce the amount of a settlement of a performance or incentive award, but may not increase the amount payable to a participant, unless such award is not intended to qualify under Code Section 162(m). To the extent an award is subject to Code Section 409A, such award shall be in compliance with the applicable requirements of Section 409A of the Code and any applicable regulations or guidance thereunder. If the performance goals are not attained during the performance period specified in the award agreement, the participant will forfeit all of his or her performance units.

Dividend Equivalent Rights

Our compensation and nominating governance committee is authorized to grant a dividend equivalent right, either as a component of another award or as a separate award. The terms and conditions of the dividend equivalent right shall be specified by the grant. Dividend equivalents credited to the holder of a dividend equivalent right may be paid currently or may be deemed to be reinvested in additional common shares. Any such reinvestment shall be at the fair market value at the time thereof. Dividend equivalent rights may be settled in cash, common shares, or a combination thereof, in a single payment or in installments. A dividend equivalent right granted as a component of another award may provide that such dividend equivalent may be settled upon exercise, settlement, or payment of, or lapse of restrictions on, such other award, and that such dividend equivalent right granted as a component of another award may contain terms and conditions different from such other award.

Other Awards

Our compensation and nominating governance committee may grant other forms of awards payable in cash or our common shares if our compensation and nominating governance committee determines that such other form of award is consistent with the purpose and restrictions of the plan. The terms and conditions of such other form of award shall be specified by the grant. Such other awards may be granted for no cash consideration, for such minimum consideration as may be required by applicable law, or for such other consideration as may be specified by the grant.

Performance Criteria

Awards of restricted shares, restricted share units, performance awards and other awards (whether relating to cash or common shares) under the 2013 Equity Incentive Plan may be made subject to the attainment of specific levels of one or more of the following measures (Performance Criteria): cash flow; cost; revenues; sales; ratio of debt to debt plus equity; net borrowing, credit quality or debt ratings; profit before tax; economic profit; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; gross margins; earnings per share (whether on a pre-tax, after-tax, operational or other basis); operating earnings; capital expenditures; expenses or expense levels; economic value added; ratio of operating earnings to capital spending or any other operating ratios; free cash flow; net profit; net sales; net asset value per share; the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions; sales growth; price of the Company's common shares; return on assets, equity or shareholders' equity; market share; inventory levels, inventory turn or shrinkage; or total return to shareholders. Any Performance Criteria may be used to measure the performance of the Company as a whole or any business unit of the Company and may be measured relative to a peer group or index. Any Performance Criteria may include or exclude (i) extraordinary, unusual and/or non-recurring items of gain or loss, (ii) gains or losses on the disposition of a business, (iii) changes in tax or accounting regulations or laws, (iv) the effect of a merger or acquisition, as identified in the Company's quarterly and annual earnings releases, or (v) other similar occurrences. In all other respects, Performance Criteria shall be calculated in accordance with the Company's financial

Edgar Filing: Physicians Realty Trust - Form DEF 14A

statements, under generally accepted accounting principles, or under a methodology established by the Committee prior to the issuance of an Award which is consistently applied and identified in the audited financial statements, including footnotes, or the Compensation Discussion and Analysis section of the Company's annual report. However, to the extent Section 162(m) of the Code is applicable, our compensation and nominating governance committee may not in any event increase the amount of compensation payable to an individual upon the attainment of a Performance Goal.

Change in Control

Our compensation and nominating governance committee may, in order to maintain a participant's rights in the event of any change in control of our company, (1) make any adjustments to an outstanding award to reflect such change in control or (2) cause the acquiring or surviving entity to assume or substitute rights with respect to an outstanding award. Furthermore, the compensation and nominating governance committee may cancel any outstanding awards (whether or not vested and whether or not any performance goals or any performance period is met) as of the date of the change in control in exchange for a payment in cash, shares of the corporation resulting from the change in control or no payment at all, depending upon the value of such award. Our compensation and nominating governance committee may include further provisions in any award agreement as it may deem desirable regarding a change in control, including, but not limited to, providing for accelerated vesting or payment of an award upon a change in control.

Amendment and Termination

Unless the plan is earlier terminated by our compensation and nominating governance committee, the plan will automatically terminate on the date which is ten years following the effective date of the plan, which is July 18, 2023. Awards granted before the termination of the plan may extend beyond that date in accordance with their terms. Our compensation and nominating governance committee is permitted to amend the plan or the terms and conditions of outstanding awards, but no such action may adversely affect the rights of any participant with respect to outstanding awards without the applicable participant's written consent. Our compensation and nominating governance committee must approve any increase in the number of shares issuable under the plan. Shareholder approval of any such amendment will be obtained if required to comply with applicable law or the rules of the NYSE.

Transferability

Unless otherwise determined by our compensation and nominating governance committee, awards granted under the plan are not transferable except by will or the laws of descent and distribution. Our compensation and nominating governance committee will have sole discretion to permit the transfer of an award to certain family members and other entities specified in the plan.

Adjustments

In the event that a dividend or other distribution (whether in the form of cash, common shares, other securities, or other property), recapitalization, stock split, reverse stock split, rights offering, reorganization, merger, consolidation, split-up, spin-off, split-off, combination, subdivision, repurchase, or exchange of common shares or other securities of the Company, issuance of warrants or other rights to purchase common shares or other securities of the Company, or other similar corporate transactions or event affects the fair value of an award, such that our compensation and nominating governance committee determines an adjustment to be appropriate to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the plan, the compensation and nominating governance committee will (among other actions and subject to certain exceptions) adjust the number and type of shares available under the plan, the number and type of shares subject to outstanding awards and the exercise price of outstanding options and other awards. Our compensation and nominating governance committee must approve any increase in the number of shares issuable under the plan. Shareholder approval of any such adjustment will be obtained if required to comply with applicable law or the rules of the NYSE.

Plan Benefits

Because the grant of awards pursuant to the 2013 Equity Incentive Plan is within the discretion of our compensation, nominating and governance committee, it is not possible to determine the awards that will be made in the future under the 2013 Equity Incentive Plan. However, the following table outlines equity awards made pursuant to the 2013 Equity Incentive Plan in fiscal 2013 to the person and groups identified:

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following is a brief description of the current federal income tax treatment generally arising with respect to grants of awards under the 2013 Equity Incentive Plan for participants subject to taxation in the United States. This summary is not intended to constitute tax advice, is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences.

Restricted Shares. Restricted shares are not taxable to a participant at the time of grant but instead are included in ordinary income (at their then fair market value) when the restrictions lapse. A participant may elect, however, under Code Section 83(b) to recognize income at the time of grant, in which case the fair market value of the restricted shares at the time of grant is included in ordinary income, and there is no further income recognition when the restrictions lapse. If a participant makes such an election and thereafter forfeits the restricted shares, the participant will be entitled to no tax deduction, capital loss or other tax benefit. The Company is entitled to a tax deduction in an amount equal to the ordinary income recognized by the participant, subject to any applicable limitations under Code Section 162(m).

Edgar Filing: Physicians Realty Trust - Form DEF 14A

A participant's tax basis for restricted shares will be equal to the amount of ordinary income recognized by the participant. The participant will recognize capital gain (or loss) on a sale of the restricted shares if the sale price exceeds (or is lower than) such basis. The holding period for restricted shares for purposes of characterizing gain or loss on the sale of any common shares as long- or short-term commences at the time the participant recognizes ordinary income pursuant to an award. The Company is not entitled to a tax deduction corresponding to any capital gain or loss of the participant.

Performance Awards. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a performance award is granted (for example, when the performance goals are established). Upon receipt of common shares or cash (or a combination thereof) in settlement of a performance award, the participant will recognize ordinary income equal to the fair market value of the common shares and cash received, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Dividend Equivalent Rights. Dividend equivalent rights may be granted separately or as a component of another award, such as an award of restricted share units. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a dividend equivalent right is granted. Upon receipt of common shares or cash (or a combination thereof) in settlement of a dividend equivalent right, the participant will recognize ordinary income equal to the fair market value of the common

Table of Contents

shares and cash received, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Other Awards. Other forms of awards based upon, payable in, or otherwise related to common shares may be granted. The tax treatment of such awards varies depending on the terms of the awards.

Limits on Company's Deductions. Code Section 162(m) generally places a \$1 million annual limit on a company's tax deduction for compensation paid to a covered employee. A covered employee is defined as the chief executive officer and the other three highest paid officers named in the company's proxy statement, other than the chief financial officer. This limit does not apply to compensation that satisfies the requirements for the performance-based compensation exception under Section 162(m) in the case of options, SARs, restricted shares, restricted share units and other stock-based awards that are subject to the attainment of performance goals. The Amendment does not adversely affect the ability of the Company to grant awards under the 2013 Equity Incentive Plan that are qualified performance-based compensation for purposes of Code Section 162(m).

Code Section 409A. The terms of the 2013 Equity Incentive Plan and each award granted under the 2013 Equity Incentive Plan are intended to comply with or to be exempt from Code Section 409A, which imposes specific restrictions on nonqualified deferred compensation arrangements.

Required Vote

Approval of the amendment to the Physicians Realty Trust 2013 Equity Incentive Plan to increase the number of common shares authorized for issuance under the plan by 1,850,000 common shares requires the affirmative vote of a majority of the votes cast on Proposal 3 at the Annual Meeting in person or by proxy. Votes cast does not include broker non-votes, and therefore, broker non-votes will not affect the outcome of the vote, although they will be considered present for the purpose of determining the presence of quorum. Abstentions will have the same effect as votes against the proposal. You may vote FOR , AGAINST or ABSTAIN.

The Board recommends a vote FOR the approval of the amendment to the Physicians Realty Trust 2013 Equity Incentive Plan to increase the number of common shares authorized for issuance under the plan by 1,850,000 common shares.

2.34 **Termination of Service** occurs when a Participant who is (i) an Employee of the Company or any Subsidiary ceases to serve as an Employee of the Company and its Subsidiaries, for any reason; (ii) an Outside Trustee of the Company or a Subsidiary ceases to serve as a trustee of the Company for any reason; or (iii) a Consultant of the Company or a Subsidiary ceases to serve as a Consultant of the Company and its Subsidiaries for any reason. Except as may be necessary or desirable to comply with applicable federal or state law, a Termination of Service shall not be deemed to have occurred when a Participant who is an Employee becomes an Outside Trustee or Consultant or vice versa. Notwithstanding the foregoing provisions of this Section 2.34, in the event an Award issued under the Plan is subject to Section 409A of the Code, then, in lieu of the foregoing definition and to the extent necessary to comply with the requirements of Section 409A of the Code, the definition of Termination of Service for purposes of such Award shall be the definition of separation from service provided for under Section 409A of the Code and the regulations or other guidance issued thereunder.

2.35 **Total and Permanent Disability** means a Participant is qualified for long-term disability benefits under the Company's or Subsidiary's disability plan or insurance policy; or, if no such plan or policy is then in existence or if the Participant is not eligible to participate in such plan or policy, that the Participant, because of a physical or mental condition resulting from bodily injury, disease, or mental disorder, is unable to perform his or her duties of employment for a period of six (6) continuous months, as determined in good faith by the Committee, based upon medical reports or other evidence satisfactory to the Committee. Notwithstanding the foregoing provisions of this Section 2.35, in the event an Award issued under the Plan is subject to Section 409A of the Code, then, in lieu of the foregoing definition and to the extent necessary to comply with the requirements of Section 409A of the Code, the definition of "Total and Permanent Disability" for purposes of such Award shall be the definition of "disability" provided for under Section 409A of the Code and the regulations or other guidance issued thereunder.

ARTICLE 3

ADMINISTRATION

Subject to the terms of this Article 3, the Plan shall be administered by the Board or such committee of the Board as is designated by the Board to administer the Plan (the *Committee*). The Committee shall consist of not fewer than two persons. Any member of the Committee may be removed at any time, with or without cause, by resolution of the Board. Any vacancy occurring in the membership of the Committee may be filled by appointment by the Board. At any time there is no Committee to administer the Plan, any references in this Plan to the Committee shall be deemed to refer to the Board.

If necessary to satisfy the requirements of Section 162(m) of the Code and/or Rule 16b-3 promulgated under the Exchange Act, membership on the Committee shall be limited to those members of the Board who are outside trustees under Section 162(m) of the Code and/or non-employee trustees as defined in Rule 16b-3 promulgated under the Exchange Act. The Committee shall select one of its members to act as its Chairman. A majority of the Committee shall constitute a quorum, and the act of a majority of the members of the Committee present at a meeting at which a quorum is present shall be the act of the Committee.

The Committee shall determine and designate from time to time the eligible persons to whom Awards will be granted and shall set forth in each related Award Agreement, where applicable, the Award Period, the Date of Grant, and such other terms, provisions, limitations, and performance requirements, as are approved by the Committee, but not inconsistent with the Plan. The Committee shall determine whether an Award shall include one type of Incentive or two or more Incentives granted in combination or two or more Incentives granted in tandem (that is, a joint grant where exercise of one Incentive results in cancellation of all or a portion of the other Incentive). Although the members of the Committee shall be eligible to receive Awards, all decisions with respect to any Award, and the terms and conditions thereof, to be granted under the Plan to any member of the Committee shall be made solely and exclusively by the other members of the Committee, or if such member is the only member of the Committee, by the Board.

The Committee, in its discretion, shall (i) interpret the Plan and Award Agreements, (ii) prescribe, amend, and rescind any rules and regulations, as necessary or appropriate for the administration of the Plan, (iii) establish performance goals for an Award and certify the extent of their achievement, and (iv) make such other determinations or certifications and take such other action as it deems necessary or advisable in the administration of the Plan. Any interpretation, determination, or other action made or taken by the Committee shall be final, binding, and conclusive on all interested parties.

The Committee may delegate to officers of the Company, pursuant to a written delegation, the authority to perform specified functions under the Plan. Any actions taken by any officers of the Company pursuant to such written delegation of authority shall be deemed to have been taken by the Committee. Notwithstanding the foregoing, to the extent necessary to satisfy the requirements of Section 162(m) of the Code and/or Rule 16b-3 promulgated under the Exchange Act, any function relating to a Reporting Participant or a covered employee (as defined in Section 162(m) of the Code) shall be performed solely by the Committee.

With respect to restrictions in the Plan that are based on the requirements of Rule 16b-3 promulgated under the Exchange Act, Section 162(m) of the Code, the rules of any exchange or inter-dealer quotation system upon which the Company's securities are listed or quoted, or any other Applicable Law, to the extent that any such restrictions are no longer required by Applicable Law, the Committee shall have the sole discretion and authority to grant Awards that are not subject to such mandated restrictions and/or to waive any such mandated restrictions with respect to outstanding Awards.

ARTICLE 4

ELIGIBILITY

Any Employee (including an Employee who is also a trustee or an officer), Consultant or Outside Trustee of the Company whose judgment, initiative, and efforts contributed or may be expected to contribute to the successful performance of the Company is eligible to participate in the Plan. The Committee, upon its own action, may grant, but shall not be required to grant, an Award to any Employee, Consultant or Outside Trustee. Awards may be granted by the Committee at any time and from time to time to new Participants, or to then Participants, or to a greater or lesser number of Participants, and may include or exclude previous Participants, as the Committee shall determine. Except as required by this Plan, Awards need not contain similar provisions. The Committee's determinations under the Plan (including without limitation determinations of which Employees, Consultants or Outside Trustees, if any, are to receive Awards, the form, amount and timing of such Awards, the terms and provisions of such Awards and the agreements evidencing same) need not be uniform and may be made by it selectively among Participants who receive, or are eligible to receive, Awards under the Plan.

SHARES SUBJECT TO PLAN

5.1 Number Available for Awards. Subject to adjustment as provided in Articles 11 and 12, the maximum number of Common Shares that may be delivered pursuant to Awards granted under the Plan is **2,450,000** shares. Subject to adjustment pursuant to Articles 11 and 12, the maximum number of Common Shares with respect to Awards may be granted to an Executive Officer during any calendar year is Five Hundred Thousand (500,000) Common Shares. Shares to be issued may be made available from authorized but unissued Common Shares, Common Shares held by the Company in its treasury, or Common Shares purchased by the Company on the open market or otherwise. During the term of this Plan, the Company will at all times reserve and keep available the number of Common Shares that shall be sufficient to satisfy the requirements of this Plan.

5.2 Reuse of Shares. To the extent that any Award under this Plan shall be forfeited, shall expire or be canceled, in whole or in part, or shall be settled or paid in cash, then the number of Common Shares covered by the Award or option so forfeited, expired or canceled or settled or paid in cash may again be awarded pursuant to the provisions of this Plan. In the event that previously acquired Common Shares are delivered to the Company in full or partial payment of the exercise price for the exercise of a Nonqualified Option granted under this Plan, the number of Common Shares available for future Awards under this Plan shall be reduced only by the net number of Common Shares issued upon the exercise of the Nonqualified Option. Awards that may be satisfied either by the issuance of Common Shares or by cash or other consideration shall be counted against the maximum number of Common Shares that may be issued under this Plan only during the period that the Award is outstanding or to the extent the Award is ultimately satisfied by the issuance of Common Shares. Awards will not reduce the number of Common Shares that may be issued pursuant to this Plan if the settlement of the Award will not require the issuance of Common Shares, as, for example, a SAR that can be satisfied only by the payment of cash.

ARTICLE 6

GRANT OF AWARDS

6.1 In General.

(a) The grant of an Award shall be authorized by the Committee and shall be evidenced by an Award Agreement setting forth the type of Incentive or Incentives being granted, the total number of Common Shares subject to the Incentive(s), the Option Price (if applicable), the Award Period, the Date of Grant, and such other terms, provisions, limitations, and performance objectives, as are approved by the Committee, but (i) not inconsistent with the Plan, (ii) to the extent an Award issued under the Plan is subject to Section 409A of the Code, in compliance with the applicable requirements of Section 409A of the Code and the regulations or other guidance issued thereunder, and (iii) to the extent the Committee determines that an Award shall comply with the requirements of Section 162(m) of the Code, in compliance with the applicable requirements of Section 162(m) of the Code and the regulations and other guidance issued thereunder. The Company shall execute an Award Agreement with a Participant after the Committee approves the issuance of an Award. Any Award granted pursuant to this Plan must be granted within ten (10) years of the date of adoption of this Plan by the Board. The Plan shall be submitted to the Company's shareholders for approval; however, the Committee may grant Awards under the Plan prior to the time of shareholder approval. Any such Award granted prior to such shareholder approval shall be made subject to such shareholder approval. The grant of an Award to a Participant shall not be deemed either to entitle the Participant to, or to disqualify the Participant from, receipt of any other Award under the Plan.

(b) If the Committee establishes a purchase price for an Award, the Participant must accept such Award within a period of thirty (30) days (or such shorter period as the Committee may specify) after the Date of Grant by executing the applicable Award Agreement and paying such purchase price.

(c) Any Award under this Plan that is settled in whole or in part in cash on a deferred basis may provide for interest equivalents to be credited with respect to such cash payment. Interest equivalents may be compounded and shall be paid upon such terms and conditions as may be specified by the grant.

6.2 Option Price. The Option Price for any Common Share which may be purchased under a Nonqualified Option for any Common Share may be equal to or greater than the Fair Market Value of the share on the Date of Grant. Except as otherwise provided

by Article 11 or Article 12, the Option Price for any Nonqualified Option may not be reduced, directly or indirectly by cancellation and re-grant or otherwise, without the prior approval of the shareholders.

6.3 Restricted Shares and Common Shares. If Restricted Shares or Common Shares are granted to or received by a Participant under an Award (including a Nonqualified Option), the Committee shall set forth in the related Award Agreement: (i) the number of Common Shares awarded, (ii) the price, if any, to be paid by the Participant for such Common Shares and the method of payment of the price, (iii) the time or times within which such Award may be subject to forfeiture, if at all, (iv) specified Performance Goals of the Company, a Subsidiary, any division thereof or any group of Employees of the Company, or other criteria, which the Committee determines must be met in order to remove any restrictions (including vesting) on such Award, and (v) all other terms, limitations, restrictions, and conditions of the Common Shares, which shall be consistent with this Plan, to the extent applicable and in the event the Committee determines that an Award shall comply with the requirements of Section 162(m) of the Code, in compliance with the requirements of Section 162(m) of the Code and the regulations and other guidance issued thereunder and, to the extent Restricted Shares granted under the Plan is subject to Section 409A of the Code, in compliance with the applicable requirements of Section 409A of the Code and the regulations or other guidance issued thereunder. The provisions of Restricted Shares need not be the same with respect to each Participant.

(a) **Legend on Shares.** The Company shall electronically register the Restricted Shares or Common Shares awarded to a Participant in the name of such Participant, which shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Shares or Common Shares, substantially as provided in Section 15.9 of the Plan. No certificate or certificates in respect of such Restricted Shares or Common Shares shall be issued with respect to such Common Shares, unless, following the expiration of the Restriction Period (as defined in Section 6.3(b)(i)) without forfeiture in respect of such Restricted Shares, the Participant requests delivery of the certificate or certificates by submitting a written request to the Committee (or such party designated by the Company) requesting delivery of the certificates and the Company, in its sole discretion, elects to issue such certificates (as opposed to electronic book entry form with respect to its Common Shares). The Company shall deliver the certificates it elects to issue to the Participant as soon as administratively practicable following the Company's receipt of such request.

(b) **Restrictions and Conditions.** Restricted Shares shall be subject to the following restrictions and conditions:

(i) Subject to the other provisions of this Plan and the terms of the particular Award Agreements, during such period as may be determined by the Committee commencing on the Date of Grant or the date of exercise of an Award (the **Restriction Period**), the Participant shall not be permitted to sell, transfer, pledge or assign Restricted Shares. Except for these limitations, the Committee may in its sole discretion, remove any or all of the restrictions on such Restricted Shares whenever it may determine that, by reason of changes in Applicable Laws or other changes in circumstances arising after the date of the Award, such action is appropriate.

(ii) Except as provided in sub-paragraph (i) above or in the applicable Award Agreement or under Section 6.6 below, the Participant shall have, with respect to his or her Restricted Shares, all of the rights of a shareholder of the Company, including the right to vote the shares, and the right to receive any dividends thereon. Certificates for Common Shares free of restriction under this Plan shall be, if requested by the Participant in accordance with Section 6.4(a) above and if the Company elects to issue certificates (as opposed to electronic book entry form with respect to its Common Shares), delivered to the Participant promptly after, and only after, the Restriction Period shall expire without forfeiture in respect of such Common Shares or after any other restrictions imposed on such Common Shares by the applicable Award Agreement or other agreement have expired. Certificates, if issued, for the Common Shares forfeited under the provisions of the Plan and the applicable Award Agreement shall be promptly returned to the Company by the forfeiting Participant.

(iii) The Restriction Period of Restricted Shares shall commence on the Date of Grant or the date of exercise of an Award, as specified in the Award Agreement, and, subject to Article 12 of the Plan, unless otherwise established by the Committee in the Award Agreement setting forth the terms of the Restricted Shares, shall expire upon satisfaction of the conditions set forth in the Award Agreement; such conditions may provide for vesting based on such Performance Goals, as may be determined by the Committee in its sole discretion.

(iv) Except as otherwise provided in the particular Award Agreement, upon Termination of Service for any reason during the Restriction Period, the nonvested Restricted Shares shall be forfeited by the Participant. In the event a

Participant has paid any consideration to the Company for such forfeited Restricted Shares, the Committee shall specify in the Award Agreement that either (i) the Company shall be obligated to, or (ii) the Company may, in its sole discretion, elect to, pay to the Participant, as soon as practicable after the event causing forfeiture, in cash, an amount equal to the lesser of the total consideration paid by the Participant for such forfeited shares or th
