The Notes are being issued pursuant to the Prospectus Supplement, dated May 5, 2015 and filed with the Securities and Exchange Commission (the SEC) on May 7, 2015, and the Prospectus dated April 27, 2015, filed as part of the shelf registration statement (File No. 333-203677) that became effective under the Securities Act of 1933, as amended, when filed with the SEC on April 27, 2015 (the Registration Statement). Please refer to the Prospectus Supplement dated May 5, 2015 for additional information regarding the Notes offering and the terms and conditions of the Notes. Closing of the Notes offering is subject to customary conditions and is scheduled for May 14, 2015.

AbbVie intends to use the net proceeds from the Notes offering to fund the cash component of the acquisition consideration in connection with the acquisition of Pharmacyclics, Inc. (the Pharmacyclics acquisition), to finance the repurchase from time to time of shares of AbbVie's common stock for cash in connection with such acquisition, whether pursuant to an accelerated share repurchase program or otherwise and regardless of whether consummated substantially concurrently with or following the consummation of such acquisition and to pay related fees and expenses, and the remainder, if any, for general corporate purposes. The Notes offering is not contingent on the completion of such acquisition. However, if the consummation of the acquisition does not occur on or before February 3, 2016 or AbbVie notifies the trustee in respect of the Notes that the merger agreement in connection with the Pharmacyclics acquisition has been terminated in accordance with its terms prior to the consummation of the Pharmacyclics acquisition, AbbVie will be required to redeem the Notes at a redemption price equal to 101% of their principal amount plus accrued and unpaid interest, if any, up to, but excluding the applicable special mandatory redemption date.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement attached hereto as Exhibit 1.1 and incorporated herein by reference and into the Registration Statement.

Many of the underwriters in respect of the Underwriting Agreement and/or their affiliates have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending and/or commercial banking services, or other services for AbbVie and its subsidiaries, for which they have received, and may in the future receive, customary compensation and expense reimbursement.
