Section 8-Other Events

Item 8.01. Other Events

American States Water Company (NYSE:AWR) announced today that its Board of Directors has approved a stock repurchase program authorizing the Company to repurchase up to 1.2 million shares or 3.2% of its outstanding common shares from time to time through June 30, 2017. The Company intends to initiate the repurchase of the common shares through implementation of a Rule 10b5-1 trading plan in June 2015 at the earliest.

The share repurchase program is intended to enable the Company to achieve a consolidated shareholders' equity ratio that is more reflective of appropriate equity ratios for its two first-tier subsidiaries, Golden State Water Company (GSWC) and American States Utility Services, Inc. (ASUS). The Company has no plans to issue additional equity over the next several years other than through its employee and director stock incentive plans.

The repurchase program does not obligate the Company to acquire any specific number of shares and may be suspended, terminated or modified at any time for any reason, including market conditions, the cost of repurchasing shares, the availability of alternative investment opportunities, liquidity, and other factors deemed appropriate. These factors may also affect the timing and amount of share repurchases.

Wells Fargo Bank, N.A., the sole lender and administrative agent under the Company's Amended and Restated Credit Agreement has consented to the repurchase of up to 1.2 million common shares by the Company so long as the repurchase is completed on or prior to June 30, 2017 for an aggregate purchase price not to exceed \$60,000,000. A copy of the Amended and Restated Credit Agreement, as amended, is attached hereto as Exhibit 10.1.
